**AMAZING GRACE F**

Amazing grace! how sweet the sound,  
That saved a wretch like me!  
I once was lost, but now I'm found,  
Was blind, but now I see.

'Twas grace that taught my heart to fear,  
And grace my fears relieved;  
How precious did that grace appear  
The hour I first believed!

Through many dangers, toils and snares,  
I have already come;  
'Tis grace hath brought me safe thus far,  
And grace will lead me home.

When we've been there ten thousand years,  
Bright shining as the sun;  
We've no less days to sing God's praise  
Than when we first begun.

2

**JESUS I LOVE YOU SO A**

I know a man who's like no other man,  
He died to save this world from sin,  
And I'll dedicate my life to serving Him,  
He died so I could live.

**CHORUS**

Jesus, I love You so,  
And I want You to know,  
What You've done for me is not in vain,  
And I will stake my claim,  
On Your Holy name.  
Oh, how I love, I love You so.

When I think of how You took my place,  
I marvel at the wonders of Your grace,  
Your sacrifice for me I can't replace,  
Oh, what a gift You gave to me.

3

**HE GIVETH MORE GRACE C**

He giveth more grace when the burdens grow greater.  
He sendeth more strength when the labours increase.  
To added afflictions He addeth His mercies,  
To multiplied trials He multiplies peace.

**CHORUS**

His love has no limit,  
His grace has no measure,  
His power has no boundary known unto man,  
For out of His infinite riches in Jesus,  
He giveth and giveth and giveth more grace.

When we have exhausted our store of endurance,  
When our strength has failed,  
And the day is done.  
When we've reached the end of our hoarded resources,  
Our Father's full giving has only begun.

4

**HE CAME TO ME A**

He came to me, He came to me,  
When I could not come to where He was  
He came to me;  
That's why He died on Calvary,  
When I could not come to where He was,  
He came to me.

5

**HE COULD HAVE CALLED A**

He could have called ten thousand angels  
To destroy the world and set Him free;  
He could have called ten thousand angels,  
But He died alone for you and me.

**LIVING BY FAITH** **D**

I care not today what the morrow  
may bring,  
If shadow or sunshine or rain,  
The Lord I know ruleth o'er  
everything,  
And all of my worry is vain.

**CHORUS**

Living by faith, in Jesus above,  
Trusting, confiding In His great  
love;  
From all harm safe in His  
sheltering arm,  
I'm living by faith and feel no  
alarm.

Though tempest may blow and the  
storm clouds arise,  
Obscuring the brightness of life,  
I'm never alarmed at the overcast  
skies,  
The Master looks on at the strife.

I know that He safely will carry me  
through,  
No matter what evils betide,  
Why should I then care, though the  
tempest may blow,  
If Jesus walks close to my side.

Our Lord will return to this earth  
some sweet day,  
Our troubles will then all be o'er,  
The Master so gently will lead us  
away,  
Beyond that blest heavenly shore.

**HE'S ALIVE** **G**

Hallelujah, Jesus is alive,  
Death has lost its victory,  
And the grave has been denied;  
And Jesus is forever,  
He's alive, He's alive.  
He's the Alpha and Omega,  
The First and Last is He;  
The curse of sin is broken,  
We have perfect liberty,  
The Lamb of God has risen;  
He's alive, He's alive,  
Hallelujah, Jesus is alive.

**IN EVERYTHING** **A**

Of all the good things that have  
come his way,  
It is no wonder you can hear Job  
say,  
"The Lord giveth and taketh away,  
I'll still give Him thanks;"  
But when the table was all turned  
around,  
And Job's world came crashing  
down;  
His faith in God caused Job to say,  
"I'll still give Him thanks."

**CHORUS**

In everything give Him }  
thanks, }  
Give Him thanks, }2x  
In the good times praise His name,  
In the bad times do the same,  
In everything give the King of  
Kings, All the thanks.

When trouble comes and there's  
no one around,  
Satan, he tries to tell me that my  
God let me down;  
Through every dark hour the best  
thing I've found,  
It was to give God the thanks.  
For He has never, never, never  
failed me yet,  
So why should I start now to worry  
or fret;  
In everything I will never forget,  
To give God the thanks.

**STANDING IN THE GAP** **D**

I'll be standing in the gap for you,  
Just remember someone  
somewhere  
Is praying for you,  
Calling out your name,  
Praying for your strength,  
I'll be standing in the gap for you.

Worthy is the Lamb  
We are redeemed by his precious  
blood  
He is our Kinsman Redeemer  
He is the Lion of the Tribe of Judah

O let us sing  
Come let us sing unto the Lord  
Come let us praise and adore Him  
Come let us magnify the Lord  
Come let us worship him  
Come let us sing unto the Lord  
Come let us praise and adore Him  
Come let us magnify the Lord  
Come let us worship him

We sing worthy  
Worthy is the Lamb  
We are redeemed by his precious  
blood  
He is our Kinsman Redeemer  
He is the Lion of the Tribe of Judah

Come let us sing unto the Lord  
Come let us praise and adore Him  
Come let us magnify the Lord  
Come let us worship him

### SEVEN THUNDER...

Seven thunders in chapter 10 of  
Revelation  
Was prophesied and is now fulfilled  
in this end time  
The seventh angel heard the shout,  
knew what it said and uttered it out  
And all the mysteries that was  
sealed up are now opened

### CHORUS

Seven thunder people walking to  
perfection  
Seven thunder people walking to  
adoption  
We have seen our names within  
And our lives are free from sin  
Seven thunder people walking to  
translation (walking to full  
redemption)

Showers of revelation rained in 1980  
And our eyes were made to see our  
own prophecy  
That we are a super race, an  
invincible army  
And our captain is our King Theopany

Since brother Branham has come  
and gone church, where are we?  
Have you the token, its token time  
as far as we see (Oh can't you see?)  
We are now in the second fold  
underneath the Seventh Seal  
And all the Bride prophecies are  
becoming history

Seven thunders uttered outside the  
seven church ages  
Revealing new things, releasing all  
God's fullness  
We know the whole counsel of God,  
operating the spoken word  
And proving this is that promise  
since June the third

The Seventh Seal were never  
spoken, it was a secret  
It was hidden between the sixth and  
seventh trumpet  
A prophet saw it in the shout and  
was commissioned to echo it out  
And Spirit-spoken words came out  
of his mouth  
We the destined ones are crossing  
over Jordan  
Entering into the blessed third pull  
land

### WE HAVE COME D

We have come into His house  
To magnify His name and worship  
Him,  
We have come into His house  
To magnify His name and worship  
Him,  
We have come into His house  
To magnify His name and worship  
Christ the Lord,  
Worship Him, Christ the Lord.

So forget about yourself,  
Concentrate on Him and worship  
Him;  
So forget about yourself,  
Concentrate on Him and worship  
Him;  
So forget about yourself,  
Concentrate on Him and worship  
Christ the Lord,  
Worship Him, Christ the Lord.

Let us lift up holy hands,  
Magnify His Name and worship  
Him;  
Let us lift up holy hands,  
Magnify His Name and worship  
Him;  
Let us lift up holy hands,  
Magnify His Name and worship  
Christ the Lord;  
Worship Him, Christ the Lord.

### JESUS I'LL NEVER FORGET F

Jesus, I'll never forget  
What You've done for me,  
Jesus, I'll never forget  
How You set me free,  
Jesus, I'll never forget  
How you brought me out,  
Jesus I'll never forget, no never.

## 12

### IT IS WELL WITH MY SOUL A

When peace like a river  
attendeth my way,  
When sorrows, like sea billows  
roll;  
Whatever my lot,  
Thou hast taught me to say,  
"It is well, it is well with my soul."

### CHORUS

It is well with my soul,  
It is well, it is well with my soul.

Tho' Satan should buffet,  
Tho' trials should come,  
Let this blest assurance control:  
That Christ hath regarded  
My helpless estate,  
And hath shed His own blood for  
my soul.

My sin, oh, the bliss of this glorious  
thought,  
My sin not in part, but the whole  
Is nailed to the cross,  
And I bear it no more;  
Praise the Lord, praise the Lord,  
O my soul.

And Lord, haste the day  
When my faith shall be sight.  
The clouds be rolled back as a  
scroll.  
The trump shall resound,  
And the Lord shall descend,  
Even so, it is well with my soul.

But Lord, 'tis for Thee,  
For Thy coming we wait,  
The sky, not the grave, is our goal;  
Oh, the Shout of the Angel!  
Oh, the Voice of the Lord!  
Blessed hope! Blessed rest of my  
soul!

### TOUCHING JESUS F

Touching Jesus is all that matters,  
And your life will never be the  
same.  
There is only one way to touch Him,  
Just believe when you call on His  
Name.

**JUST A CLOSER WALK** C

I am weak but Thou art strong,  
 Jesus keep me from all wrong;  
 I'll be satisfied as long,  
 As I walk, let me walk  
 Close to Thee.

**CHORUS**

Just a closer walk with Thee,  
 Grant it, Jesus, is my plea;  
 Daily walking close to Thee,  
 Let it be, dear Lord, let it be.

Thru this world of toil and snares,  
 If I falter, Lord, who cares?  
 Who with me my burden shares?  
 None but Thee, dear Lord,  
 None but Thee.

When my feeble life is o'er,  
 Time for me will be no more;  
 Guide me gently, safely o'er  
 To Thy kingdom shore,  
 To Thy shore.

**JESUS LOVES ME** C

Jesus loves me! this I know,  
 For the Bible tells me so;  
 Little ones to Him belong,  
 They are weak but He is strong.

**CHORUS**

Yes, Jesus loves me,  
 Yes, Jesus loves me,  
 Yes, Jesus loves me,  
 The Bible tells me so.

Jesus loves me! He who died,  
 Heaven's gates to open wide;  
 He will wash away my sin,  
 Let His little child come in.

Jesus loves me! loves me still.  
 Though I'm very weak and ill;  
 From His shining throne on high,  
 Comes to watch me where I lie.

**FAITH OF OUR FATHERS** F

Faith of our fathers! living still,  
 In spite of dungeon, fire and  
 sword;  
 O how our hearts beat high with  
 joy,  
 Whene'er we hear that glorious  
 Word!

**CHORUS**

Faith of our fathers, holy faith!  
 We will be true to thee till death!

Our fathers, chained in prisons  
 dark,  
 Were still in heart and conscience  
 free;  
 How sweet would be their  
 children's fate,  
 If they like them, could die for thee!

Faith of our fathers! we will love  
 Both friend and foe in all our strife;  
 And preach thee too as love  
 knows how,  
 By kindly words and virtuous life!

**I NEED THEE EVERY HOUR** G

I need Thee every hour,  
 Most gracious Lord;  
 No tender voice like Thine  
 Can peace afford.

**CHORUS**

I need Thee, O I need Thee;  
 Ev'ry hour I need Thee!  
 O bless me now, my Saviour,  
 I come to Thee!

I need Thee every hour,  
 Stay Thou near by;  
 Temptations lose their pow'r  
 When Thou art nigh.

I need Thee every hour,  
 In joy or pain;  
 Come quickly and abide,  
 Or life is vain.

I need Thee every hour,  
 Most Holy One;  
 O make me Thine indeed,  
 Thou blessed Son.

Be the perfect sacrifice to  
 atone for all mankind  
 In God's thoughts the work's  
 already done  
 Creation was made to reveal  
 his redemption  
 His perfect plan was to make  
 His love known unto man.

**BRIDGE**

When it seems the enemy is  
 after me  
 I see him drown in the Red  
 Sea  
 God destroyed my enemy  
 Should sickness try to afflict  
 this body  
 I see Christ lifted up on  
 Calvary's tree  
 Healing paid for me  
 For any condition body, spirit  
 and soul  
 Forever settled in heaven, is  
 God's eternal word  
 It all comes down to the  
 completeness  
 Of his redemptive work.

1167

**HALLELUJAH PRAISE THE...C**

Lord you knew what you were  
 doing  
 when you carried the cross that was  
 meant for me  
 It was divine intervention and mercy  
 for us to be redeemed  
 That bitter walk up Golgotha's hill  
 opened the window for me to look  
 and live  
 You ripped the seals from off our  
 lives and now our hearts can only  
 sing

**CHORUS:**

Hallelujah praise the Lamb  
 Now robed in his righteousness we  
 stand  
 He didn't have to take my place  
 But because of amazing love he did (2x)

I am the Lord that healeth thee  
 And by my stripes you are healed  
 Jus t keep the vision of your slain  
 enemy  
 Who was destroyed on Calvary  
 Now we'll walk in sweet  
 communion at your table to supp  
 with thee  
 And when you stoop to wash each  
 other's feet just remember Calvary

1168

**WORSHIP OF KING LAMB****CHORUS**

Now is the time of worship to King  
 Lamb  
 Now is the time to lift up the name  
 of Jesus Christ  
 Let all heaven and all earth sing  
 With our voices we raise His praises  
 Now is the time of worship to King  
 Lamb

Let the redeemed of the Lord  
 Shout and sing His praises  
 Our robes he's made clean and white  
 We are delivered free from sin  
 He is victorious  
 He has conquered death, hell and the  
 grave  
 Now a new day has dawned  
 And we know our Redeemer lives

**BRIDGE**

We sing worthy

But unto true perfection

It is a fearful thing to fall  
Into the hands of the living  
God  
But call to remembrance the  
former days  
After you were illuminated ye  
endured a great fight of  
affliction  
And held true to your  
confession

1165

**THE FINISH WORK IS... C**

I lift my eyes to Calvary  
Where the sin question was settled  
The great Masterpeice of God  
was smitten  
Without reservation the lamb  
gave up His life  
Now every need I have He  
will supply

**CHORUS:**

All the way from earth to glory }  
The finish work is sufficient  
for me }  
It is sufficient for me }2x

All the blessings He made secure  
He will not withhold it from me  
I see before me a vision of Calvary  
And know I know I have no  
need of fear  
Presenting my token with my  
prayer  
I'll look and live!

**BRIDGE**

He was the slain lamb, that  
stayed death's wrath in  
Eygpt's land  
And the mighty Red Sea, that  
drowned our enemies  
The Rock smitten once, in the  
midst of the elders  
Bringing forth it's living waters  
The brazen serpent lifted, so  
we could look and live  
Then the Ark in the midst of  
Jordan, smitting death the last  
enemy  
And in the new land we'll  
keep the Communion

1166

**HIS PERFECT PLAN**

In his wounding he thought of  
my transgressions  
As he was being bruised, he  
thought of my iniquities  
when he was being chastised  
he thought of my peace  
as he took those stripes, of  
every sickness that could  
afflict me  
For in his dying, he had in  
mind  
Making provisions for my  
entire earthly life  
He thought of everything  
(repeat 2)  
(Absolutely everything) He  
knew I'd ever need.

**CHORUS:**

Before the foundation of the  
world  
T'was written in the heavens  
that he would

**GOD LEADS US ALONG C**

In shady, green pastures, so rich  
and so sweet,  
God leads His dear children along;  
Where the water's cool flow bathes  
the weary one's feet,  
God leads His dear children along.

**CHORUS**

Some through the waters, some  
through the flood,  
Some through the fire, but all  
through the blood;  
Some through great sorrow, but  
God gives a song,  
In the night season and all the day  
long.

Sometimes on the mount where  
the sun shines so bright,  
God leads His dear children along;  
Sometimes in the valley in the  
darkest of night,  
God leads His dear children along.

Tho' sorrows befall us, and Satan  
oppose,  
God leads His dear children along;  
Through grace we can conquer,  
defeat all our foes,  
God leads His dear children along.

Away from the mire, and away  
from the clay,  
God leads His dear children along;  
Away up in glory, eternity's days,  
God leads His dear children along.

**AS THE MOUNTAINS Bm**

As the mountains are around }  
Jerusalem; }  
The Lord is all around His people }2x

**CHORUS**

From this time forth forevermore,  
The Lord is all around His people.  
From this time forth it shall always  
be, The Lord is  
all around His people.

As Mt. Zion in the midst of }  
Jerusalem }  
We shall not be moved. }2x }2x

**HAVE I DONE MY BEST F**

I wonder, have I giv'n my best to  
Jesus,  
Who died upon the cruel tree?  
To think of His great sacrifice at  
Calvary,  
I know my Lord expects the best  
from me.

**CHORUS**

How many are the lost that I  
have lifted?  
How many are the chained I've  
helped to free?  
I wonder, have I done my best  
for Jesus,  
When He has done so much for me?

The hours that I have wasted are  
so many,  
The hours I've spent for Christ so  
few.  
Because of all my lack of love for  
Jesus,  
I wonder if His heart is breaking  
too?

I wonder, have I cared enough  
for others,  
Or have I let them die alone?  
I might have helped a wanderer  
to the Saviour;  
The seed of precious Life I might  
have sown.

No longer will I stay within the  
valley,  
I'll climb to mountain heights  
above  
The world is dying now for want  
of someone  
To tell them of the Saviour's  
matchless love.

21

**REMEMBER ME G**

Remember me, Almighty One,  
Remember me, Almighty One.

Speak now to me, Almighty One,  
Speak now to me, Almighty One.

**WHEN I SEE THE BLOOD** **A**

Christ our Redeemer died on the cross,  
Died for the sinner, paid all His due;  
Sprinkle your soul with the blood of the Lamb,  
And I will pass, will pass over you.

**CHORUS**

When I see the blood,  
When I see the blood,  
When I see the blood,  
I will pass, I will pass over you.

Chiefest of sinners, Jesus will save;  
All He has promised, that will He do;  
Wash in the fountain opened for sin,  
And I will pass, will pass over you.

Judgement is coming, all will be there,  
Each one receiving justly his due;  
Hide in the saving, sin-cleansing blood,  
And I will pass, will pass over you.

Oh, great compassion! O boundless love!  
O loving kindness, faithful and true!  
Find peace and shelter under the blood,  
And I will pass, will pass over you.

**KNOW YE NOT** **D**

Know ye not, know ye not  
ye are the temple? }3x  
Ye are the temple of the Holy Ghost.

Filled with grace, filled with power,  
filled with glory. }3x  
Ye are the temple of the Holy Ghost.

**WHAT A FRIEND** **D**

What a friend we have in Jesus,  
All our sins and griefs to bear!  
What a privilege to carry  
Everything to God in prayer!  
O what peace we often forfeit,  
O what needless pain we bear,  
All because we do not carry  
Everything to God in prayer!

Have we trials and temptations?  
Is there trouble anywhere?  
We should never be discouraged,  
Take it to the Lord in prayer.  
Can we find a friend so faithful,  
Who will all our sorrows share?  
Jesus knows our every weakness,  
Take it to the Lord in prayer.

Are we weak and heavy laden,  
Cumbered with a load of care?  
Precious Saviour, still our refuge,  
Take it to the Lord in prayer.  
Do thy friends despise, forsake thee?  
Take it to the Lord in prayer;  
In His arms He'll take and shield thee,  
Thou wilt find a solace there.

**LET ME WALK WITH YOU** **D**

I've been on the mountain with Jesus,  
And I've been in this valley so low;  
But never one time has He failed me,  
To Him with my troubles I go.

**CHORUS**

Let me walk with You Jesus,  
Don't ever leave me alone,  
For without You I could never,  
No never make heaven my home.

You found me when I was so lonely,  
You found me when I was so blue,  
You found me when no one would love me,  
And no one knew just what to do.

That set me free

Sometimes when I feel the guilt of sin  
Going through my mind  
And my memory seems to take me back  
To all my wasted time  
It's there Jesus came and showed me  
It's not what I've done  
To deserve His love, His Blood, His grace  
Nor the strength to run this race

The life I lived there  
Can't compare with the grace God has shown  
And the joys that Jesus given me  
This world will never know  
They told me I've been justified  
my life is free from sin  
He said child you are my bride  
You are my queen, you're my own  
You'll sit with me upon my throne

Now I'm free  
Because the Son has set me free  
Yes through His blood  
I'm having daily victory  
It was love that made him  
Bring it down to me  
It was love, It was blood, It was mercy  
That set me free

**ALWAYS DELIVERED TO DEATH****CHORUS**

We are always delivered unto death (2x)  
That the life of Jesus could reign  
within our bodies  
That the life of Jesus could reign  
within our souls  
We are always delivered unto death (2x)

But in all things, approving ourselves  
In much patience, in afflictions, in stripes  
In imprisonments, in tumults, in labour

In watchings, in fastings

By pureness, by knowledge, by honor  
And dishonor, by evil report and good report  
As deceivers and yet true  
As unknown but yet well-known  
As dying but behold we live  
As chastened and not killed  
Yet we live

We then as workers together with Him  
Always beseech you that receive not  
The Grace of God in vain  
Giving no offence in anything that  
the ministry be not blamed  
As sorrowful yet always rejoicing  
As poor, yet making many rich

**BRIDGE**

What can separate us from the love  
in Christ Jesus  
Shall tribulation, distress,  
persecution  
I say nothing at all

\*\*\*\*\*

**FOR YET A LITTLE WHILE**

Cast not away therefore your confidence  
Which is ye great recompence  
of reward  
For ye have need of patience,  
That after ye have done the will of God  
Ye might receive the promise  
After, that which ye have heard

**CHORUS**

For yet a little while  
He that shall come, will come  
And will not tarry

Now the just shall live by faith  
But if any man draw back  
God shall have no pleasure in him  
But we are not of them that  
draw back unto perdition

\*\*\*\*

**WALK IN THE LIGHT** C

Move spirit move upon my earth  
Uncover the face of my deep  
Move spirit move upon my earth  
Flutter your wings come in now  
king of all lights drive away my night  
let the new day be realize

Walk in the light  
He is the light  
And you will become light

Let there be no part dark in me  
Father take over my soul  
Let the glory that I once shared with  
thee long ago  
Be now awaken in me  
King of all lights  
Drive away my night  
Let this new day be realized

This is the promise of the day star that  
had risen in the west

Arise and shine thy light has come (2x)  
Can you see it  
Do you believe it  
Can you accept it  
It is yours

\*\*\*\*

**YOU ARE A HEAVENLY BIRD**

Spread your wings and fly  
You belong to the sky  
Spread your wings and fly  
Come up here on high  
Don't stay on the ground with all  
those barnyard chickens around  
You are a heavenly bird (2x)

I've given you prophetic eyes  
So you won't believe those lies  
I've given you half an hour space  
You can mount to a heavenly place  
Lift yourselves on the mountain  
High where none of those buzzards  
cannot fly  
You are a heavenly bird (2x)

I've already overcome  
Set your eyes on the sun  
I've taken you from your nest  
You made a right turn at the west  
I've fed you well in this age,  
No one can ever put you back in a cage  
You are a heavenly bird (2x)

I've fed you on fresh-kill meat  
where there's no poison of deceit  
Where so ever the carcass is  
There have I gathered you  
You felt the power of my love  
Set your affections on things that's  
above  
You are a heavenly bird (4x)

**ALL ALONG IT WAS MERCY**

I've lived a life of sin and shame  
All the way I knew I was wrong  
My heart was black, my ears were  
deaf  
Had eyes and I could not see  
I was running from the one  
Who could save my soul  
I did not know Him then  
But He still reached down His  
loving Hand  
And opened my eyes to see

**CHORUS**

All Along it was mercy  
That Jesus showed on Calvary  
And it was blood  
That he shed to set me free  
It was love that made Him  
Bring it down to me  
It was love, it was blood, it was  
mercy

**CLOSE TO THEE** F

Thou, my everlasting portion,  
More than friend or life to me,  
All along my pilgrim journey,  
Saviour, let me walk with Thee.  
Close to Thee, close to Thee,  
Close to Thee, close to Thee;  
All along my pilgrim journey,  
Saviour, let me walk with Thee.

Not for ease or worldly pleasure,  
Nor for fame my prayer shall be;  
Gladly will I toil and suffer,  
Only let me walk with Thee.  
Close to Thee, close to Thee,  
Close to Thee, close to Thee;  
Gladly will I toil and suffer,  
Only let me walk with Thee.

Lead me through the vale of  
shadows,  
Bear me o'er life's fitful sea;  
Then the gate of life eternal,  
May I enter, Lord, with Thee.  
Close to Thee, close to Thee,  
Close to Thee, close to Thee;  
Then the gate of life eternal  
May I enter, Lord, with Thee.

**LORD PLEASE USE ME** G

Oh Lord, please use me,  
And don't refuse me,  
For surely there's a work that I  
must do,  
Though it makes me ever so humble,  
Help my poor heart to crumble,  
And though the cost be great,  
I'll work for You.

You're the Lily of my Valley,  
You're my Bright and Morning Star,  
You're the Fairest of Ten  
Thousand to my soul,  
You're the Beautiful Rose of  
Sharon,  
You're my all and all in all,  
And most of all,  
You're my soon coming King.

**THE OLD RUGGED CROSS** G

On a hill far away stood an old  
rugged cross,  
The emblem of suffering and  
shame,  
And I love that old cross where  
the dearest and best,  
For a world of lost sinners was  
slain.

**CHORUS**

So I'll cherish the old rugged  
cross,  
Till my trophies at last I lay down;  
I will cling to the old rugged  
cross,  
And exchange it some day for a  
crown.

Oh, that old rugged cross, so  
despised by the world,  
Has a wondrous attraction for  
me;  
For the dear Lamb of God left  
His glory above,  
To bear it to dark Calvary.

In the old rugged cross, stained  
with blood so divine,  
A wondrous beauty I see.  
For 'twas on that old cross  
Jesus suffered and died,  
To pardon and sanctify me.

To the old rugged cross I will ever  
be true,  
Its shame and reproach gladly  
bear;  
Then He'll call me some day to my  
home far away,  
Where His glory forever I'll share.

**I JUST CAME TO PRAISE** C

I just came to praise the Lord,  
I just came to praise the Lord,  
I just came to praise His holy  
name,  
I just came to praise the Lord.

**NEAR THE CROSS** **F**

Jesus, keep me near the cross,  
There's a precious fountain,  
Free to all, a healing stream,  
Flows from Calvary's mountain.

**CHORUS**

In the cross, in the cross,  
Be my glory ever,  
Till my raptured soul shall find  
Rest beyond the river.

Near the cross, a trembling soul,  
Love and mercy found me;  
There the Bright and Morning Star  
Sheds its beams around me.

Near the cross! O Lamb of God,  
Bring its scenes before me;  
Help me walk from day to day,  
With its shadows over me.

Near the cross I'll watch and wait,  
Hoping, trusting, ever,  
Till I reach the golden strand,  
Just beyond the river.

**THE BLOOD JESUS SHED** **A**

The Blood that Jesus shed for me,  
Way back on Calvary;  
The Blood that gives me strength  
from day to day,  
It shall never lose its power.

**CHORUS**

It reaches to the highest  
mountain,  
And it flows to the lowest valley;  
The Blood that gives me strength  
from day to day,  
It shall never lose its power.

It soothes my doubts and calms  
my fears,  
And it dries all my tears;  
The Blood that gives me strength  
from day to day,  
It shall never lose its power.

**WHERE NEVER GROW OLD** **C**

I have heard of a land on the far  
away strand,  
'Tis a beautiful home of the soul;  
Built by Jesus on high, there we  
never shall die,  
'Tis a land where we'll never grow old.

**CHORUS**

Never grow old, never grow old,  
In a land where we'll never grow  
old;  
Never grow old, never grow old,  
In a land where we'll never grow old.

In that beautiful home where we'll  
nevermore roam,  
We shall be in the sweet by and by;  
Happy praise to the King, through  
eternity sing,  
'Tis a land where we never shall die.

When our work here is done and  
the life - crown is won,  
And our troubles and trials are o'er,  
All our sorrows will end, and our  
voices will blend,  
With the loved ones who've gone  
on before.

**SURELY GOODNESS** **C**

Surely goodness and mercy  
Shall follow me,  
All the days,  
All the days of my life.  
Surely goodness and mercy  
Shall follow me all the days,  
All the days of my life.  
And I shall dwell in the House of  
the Lord forever,  
And I shall feast at the table  
spread for you and me,  
Surely goodness and mercy  
Shall follow me all the days,  
All the days of my life.

Time goes by so quickly, the days  
go by so fast  
But not one jot or one tittle of His  
word will pass  
He ever lives to make his presence  
sure  
He ever watches over His word  
And he said my sheep hear my voice  
And no other will they follow

I pledge my life to Him with my  
whole heart  
That by His love and His grace  
I'll seek Him daily without ceasing  
Till I feel His requirements  
Flowing through this little stature of  
mine  
Till I manifest the living Christ  
For He became sin like me  
That I might become His  
righteousness

**WE SALUTE YOU** **G**

In great respect and honour for this  
noble life you've lived  
We know that this is not the end,  
we'll see soon someday  
Now you're no longer trapped in time,  
but you're blended with eternity  
We say to you 'until dear soldier, go  
and rest in your Theophany'

**CHORUS**

We salute a soldier of the cross  
A mighty gentile warrior  
A brother, (sister) a father (mother)  
and a friend  
We salute a victorious overcomeir  
A battle-scarred warrior  
Our brother, (God's soldier) we  
salute you

Through the testing and the trials,  
you faith only grew stronger

Always standing at your post of duty,  
shouting from the 'Amen corner'  
Now your chapters have been  
written,  
And the book of your life is closed  
You'll hear Him say 'well done my  
child, you have overcome as I'

Remembering your years of  
sacrifice and service to the Bride  
We saw it was the life of Christ  
displayed before our eyes  
Your dedication and commitment to  
the cause for which you stood  
Gives us faith to press on to the end  
knowing we'll meet you soon again

**BRIDGE**

You were a servant to the cause,  
The work and ministry of the Lord  
The beauty of Israel on display,  
A live voice thundering forth  
Today we bless our God on high for  
your fervent princely life  
God's promise will be our anchor in  
faith,  
Our brother (sister) we'll meet in the  
skies.

**THE ETERNAL IS CALLING** **C**

An open Door is what I seek  
To satisfy my inner deep  
Another realm a higher life  
Perfect faith, perfect love

It is here I can tell  
I can feel the atmosphere  
In this in this unknown  
We walk by faith  
The celestial world is our home

So father just led Me  
You know the way  
Help me surrender  
All of my ways  
Father just lead us  
you know the way  
Help us to keep our eyes  
only on your face

The eternal is calling me  
To do the things I've never dreamed  
To go a place Eyes never seen  
All around me feel strange  
The eternal is calling me

In the Spirit of prophecy  
Let us set the captives free

**ANGEL OF GOD** C

Angel of God you've led me  
To my place  
Angel of God I could not run this race  
You should me a vision of my  
standing and my state  
Angel of God keep me in the way

Are not these your ministering spirit  
Sent forth to the heirs of salvation  
we are conscious of the unseen  
presence that is amongst us no need  
to ponder, we have no need fear  
There is more standing here with us  
than the enemy

Elijah's servant was stricken in fear  
by the enemy  
He could not see the angelic hosts  
around God's prophet  
Trapped by his birth in a realm they  
call reality  
Then Elijah cried out Lord open up his eyes  
There more standing here with us  
than the enemy

**ABBA FATHER** F

For as many as are led by the spirit  
God  
They are the sons of God  
For the Spirit itself beareth witness  
With our spirits  
That we are the children of God

**CHORUS**

For we have not received  
The spirit of bondage again to fear  
But we have received the spirit of  
adoption  
Whereby we cry  
Abba Father  
Abba, Abba Father  
Abba, Abba, Abba Father  
Abba, Abba, Abba, Father

For I reckon that sufferings  
Of this present time  
Are not worthy, to be compared  
With the glory revealed in us

And if children then heirs, heirs of  
God  
And joint-heirs with Christ  
If so be that we suffer with Him  
We'll reign

For the earnest expectation  
Of the creature  
Waiteth for the manifestation  
Of the sons of God  
For the creature itself  
Was made subject to vanity  
Not willingly, but by reason of Him  
Who had subjected in hope

**APPRECIATION** G

All that my Lord has done for me  
I don't want to let Him down  
Oh how he came and set me free  
Turn my life around  
Oh how he found me when I was  
lost  
He redeemed my soul  
Oh how marvelous is His love  
He promised He won't leave me  
alone

**CHORUS**

Grace is what he has done for me  
Works is what I do in appreciation  
(He's my salvation)  
Grace is what he has done for me  
Works is what I do in appreciation

34

**PASS ME NOT** F

Pass me not, O gentle Saviour,  
Hear my humble cry;  
While on others Thou art calling,  
Do not pass me by.

**CHORUS**

Saviour, Saviour,  
Hear my humble cry;  
While on others Thou art calling,  
Do not pass me by.

Let me at Thy throne of mercy  
Find a sweet relief;  
Kneeling there in deep contrition,  
Help my unbelief.

Trusting only in Thy merit,  
Would I seek Thy face;  
Heal my wounded, broken spirit,  
Save me by Thy grace.

Thou the Spring of all my comfort,  
More than life to me,  
Whom have I on earth beside Thee?  
Whom in heaven but Thee?

35

**BLEST THE TIE THAT BINDS** F

Blest be the tie that binds,  
Our hearts in Christian love;  
The fellowship of kindred minds  
Is like to that above.

Before our Father's throne,  
We pour our ardent prayers;  
Our fears, our hopes, our aims  
are one,  
Our comforts and our cares.

We share our mutual woes,  
Our mutual burdens bear;  
And often for each other flows  
The sympathizing tear.

When we asunder part,  
It gives us inward pain;  
But we shall still be joined in  
heart,  
And hope to meet again.

36

**JESUS BREAKS FETTER** F

I am now on the altar, }3x  
Which was made for me.

**CHORUS**

Jesus breaks every fetter, }3x  
For He sets me free!  
(I will ever, ever praise Him.)  
(I will give God the glory.....)  
(I will shout Hallelujah .....)

I will never doubt my Saviour, }3x  
For He cleanses me.

I will rest on His promise, }3x  
Which is given to me.

On the other side of Jordan,  
In the sweet fields of Eden  
Where the Tree of Life is blooming,  
There is rest for me.

37

**FRIENDSHIP WITH JESUS** C

A friend of Jesus, O, what bliss,  
That one so vile as I  
Should ever have a friend like this  
To lead me to the sky.

**CHORUS**

Friendship with Jesus,  
Fellowship divine,  
O what blessed, sweet communion,  
Jesus is a friend of mine.

A friend when other friendships cease,  
A friend when others fail,  
A friend who gives me joy and peace,  
A friend when foes assail.

A friend when sickness lays me low,  
A friend when death draws near,  
A friend as thru the vale I go,  
A friend to help and cheer.

A friend when life's short race is o'er,  
A friend when earth is past,  
A friend to meet on Heaven's shore,  
A friend when home at last.

**THE GREAT PHYSICIAN** **C**

The great Physician now is near,  
The sympathizing Jesus,  
He speaks the drooping heart to cheer,  
Oh, hear the voice of Jesus.

**CHORUS**

Sweetest note in seraph song,  
Sweetest name on mortal tongue;  
Sweetest carol ever sung,  
Jesus, blessed Jesus.

Your many sins are all forgiven,  
Oh, hear the voice of Jesus;  
Go on your way in peace to heaven,  
And wear a crown with Jesus.

All glory to the dying Lamb!  
I now believe in Jesus;  
I love the blessed Saviour's name,  
I love the name of Jesus.

His name dispels my guilt and fear,  
No other name but Jesus;  
O how my soul delights to hear  
The charming name of Jesus.

**JESUS PAID IT ALL** **C**

I hear the Saviour say,  
"Thy strength indeed is small,  
Child of weakness, watch and pray,  
Find in Me thine all in all."

**CHORUS**

Jesus paid it all,  
All to Him I owe;  
Sin had left a crimson stain;  
He washed it white as snow.

Lord, now indeed I find,  
Thy power and Thine alone,  
Can change the leper's spots,  
And melt the heart of stone.

Since nothing good have I  
Whereby Thy grace to claim,  
I'll wash my garments white,  
In the blood of Calv'ry's Lamb.

**THE HEALER** **D**

On the Cross crucified, in great  
sorrow He died;  
The Giver of life was He.  
Yet my Lord was despised and  
rejected of men,  
This Jesus of Calvary.

**CHORUS**

He was wounded for our  
transgressions,  
He was bruised for our iniquities;  
Surely He bore our sorrows,  
And by His stripes we are healed.

Price for healing was paid,  
As those cruel stripes were made,  
Within Pilate's judgement hall,  
Now His suffering affords perfect  
healing for all,  
This wonderful Healer's mine.

Came the leper to Christ, saying  
"Surely I know,  
That Thou, Lord, can'st make me  
whole."  
When His great faith was seen,  
Jesus said, "Yes I will"  
And touched him and made him  
clean.

He has healed my sick soul,  
Made me every whit whole,  
And He'll do the same for you.  
He's the same yesterday and  
today and forever,  
This Healer of men today.

**COME MY BROTHER COME** **C**

Come my brother come;  
Come my sister too,  
Come run into the storehouse,  
A double portion awaits you;  
Bring your earthen vessels  
Refill them again and again,  
All other barns are empty,  
Only Joseph's barn has grain.

I just came to love the Lord,  
I just came to love the Lord,  
I just came to love His holy  
name,  
I just came to praise the Lord.

Like Ruth coming out of a broken,  
barren land,

I came in to the house of God's bread  
Though I be a stranger, I followed  
the voice inside

I was instructed, to the feet of the  
one who would change my life  
So I laid my claim upon the word  
which I was thought  
With all my heart I believe for he  
hath proven faithful before  
With a promise that he would not  
rest until it's done

He did exactly as was promised – oh  
lord! I could never repay such love

Count the cost of what Jesus did for  
you and me  
Count the cost of what Jesus did for  
you and me at Calvary  
Count the cost as he left his home in  
glory, redemption story for you and me  
Count the cost as he left his throne  
on high, came down to die for you  
and me

**BRIDGE**

On Easter morning he rose from the  
grave  
Restoring access to the tree of life  
That since in Eden was taken away,  
but now

It's given back to the bride  
The title deed has been restored  
Now we can look and live forever more!

**SPIRIT SONS OF A SPIRIT GOD G**

When the world looks this is what  
they see.

God's ordinary people living  
ordinary lives  
Meek humble and simple  
But when I look this is what I see  
The blood wash saints of God  
Elohim's Attributes expressed in  
flash again

**CHORUS**

Spirit sons of a Spirit God  
Living in a flesh body

We came from God and go back to  
God

To live eternally  
Not just an ordinary housewife  
Not just an ordinary father  
Not just an ordinary builder  
But through our lives and  
occupation  
God is revealing to us, our eternal  
destination  
In the home of the just

**CHORUS**

Spirit daughters of a Spirit God  
Living in a flesh body  
We came from God and go back to God  
To live eternally  
Not just an ordinary housewife  
Not just an ordinary father  
Not just an ordinary carpenter or an  
ordinary builder  
But through our lives and  
occupation  
God is revealing to us, our eternal  
destination  
In the home of the just

But mercy to the Bride  
Our bodies will be changed  
We'll take our flight into the skies

**COUNT THE COST** **G**

I owe my life to Jesus  
If I had many more I would give them all to him  
I owe my whole life to Jesus  
If I had a thousand more, that's still not enough  
I'd live them all for him  
He did not hesitate to do this work for me.  
My kinsman redeemer, He bought full and complete redemption  
He considered the cost, what it would take to free my soul  
Came down from his glory and made a way back to the tree of life

**CHORUS**

I Count the cost of what Jesus did for me  
I Count the cost of what Jesus did for me at Calvary  
I Count the cost as he left his home in glory, redemption story for me  
Count the cost as he left his throne on high, came down to die for me

**NEARER MY GOD TO THEE** **E**

Nearer my God to Thee,  
Nearer to Thee;  
Even though it be a cross  
That raiseth me;  
Still all my song shall be,  
Nearer, my God, to Thee,}2x  
Nearer, to Thee.

Though like a wanderer,  
The sun gone down,  
Darkness be over me,  
My rest a stone;  
Yet in my dreams I'd be  
Nearer, my God, to Thee,}2x  
Nearer, to Thee.

There let the way appear,  
Steps unto heaven;  
All that Thou sendest me,  
In mercy given;  
Angels to beckon me  
Nearer, my God, to Thee,}2x  
Nearer, to Thee.

Then with my waking thoughts,  
Bright with thy praise,  
Out of my stony griefs  
Bethel I'll raise;  
So by my woes to be  
Nearer, my God, to Thee,}2x  
Nearer, to Thee.

Or if on joyful wing,  
Cleaving the sky,  
Sun, moon, and stars forgot,  
Upward I fly;  
Still all my song shall be  
Nearer, my God to Thee,}2x  
Nearer, to Thee.

43

**I AM SO NEEDY LORD** **E**

I am so needy, Lord,  
So needy of You,  
I am so needy, Lord,  
To be more like You;  
Shear all my rights away  
In this world of sin,  
I am so needy, Lord, make me pure within.

44

**ONLY BELIEVE** **C**

Fear not, little flock, from the cross to the throne,  
From death into life He went for His own;  
All power in earth, all power above,  
Is given to Him for the flock of His love.

**CHORUS**

Only believe, only believe,  
All things are possible, only believe;  
Only believe, only believe,  
All things are possible, only believe.  
(Lord, I believe ...)  
(Lord, I receive ...)  
(Jesus is here ....)

Fear not, little flock, He goeth ahead,  
Your Shepherd selecteth the path you must tread;  
The waters of Marah He'll sweeten for thee,  
He drank all the bitter in Gethsemane.

Fear not, little flock, whatever your lot,  
He enters all rooms, "the doors being shut;"  
He never forsakes, He never is gone,  
So count on His presence in darkness and dawn.

45

**I WILL REJOICE** **D**

I will rejoice and praise }  
the name of Jesus; }  
To praise You brings }  
joy to my soul. }2x  
I will rejoice because Your blood has purchased my salvation,  
I will rejoice because Your Spirit dwells in me,  
I will rejoice because my name has been written down in heaven,  
I will rejoice because I'll reign with You throughout eternity.

**ROCK OF AGES** **G**

Rock of Ages, cleft for me,  
Let me hide myself in Thee;  
Let the water and the blood,  
From Thy wounded side which  
flowed  
Be of sin the double cure,  
Save from wrath and make me  
pure.

Could my tears forever flow,  
Could my zeal no languor know,  
These for sin could not atone,  
Thou must save, and Thou alone.  
In my hand no price I bring,  
Simply to Thy cross I cling.

While I draw this fleeting breath,  
When my eyes shall close in death,  
When I rise to worlds unknown,  
And behold Thee on Thy throne,  
Rock of Ages, cleft for me,  
Let me hide myself in Thee.

**JUST AS I AM** **C**

Just as I am, without one plea,  
But that Thy blood was shed for me,  
And that Thou bid'st me come to  
Thee,  
O Lamb of God, I come! I come!

Just as I am, and waiting not  
To rid my soul of one dark blot,  
To Thee, whose blood can cleanse  
each spot,  
O Lamb of God, I come! I come!

Just as I am, Thou wilt receive,  
Wilt welcome, pardon, cleanse,  
relieve;  
Because Thy promise I believe,  
O Lamb of God, I come! I come!

Just as I am, Thy love unknown  
Hath broken every barrier down;  
Now to be Thine, yea, Thine alone,  
O Lamb of God, I come! I come!

**ETERNAL REST** **A**

Time's clock is striking the hour,  
Jesus will soon descend,  
Clothed in the garments of  
power,  
The reign of sin to end.  
Then will this anthem be ringing  
Like to a mighty flood,  
Then 'round the throne we'll be  
singing,  
Glory and praise to God.

**CHORUS**

Glory, glory to God!  
Thus will the ransomed sing;  
Glory, glory to God,  
The everlasting King!  
Praise Him, alleluia!  
To that eternal sphere  
We are waiting for our  
translating;  
The time is near.

In those bright mansions supernal,  
Death cannot enter there;  
Ages on ages eternal  
His likeness we shall bear.  
There will the once broken hearted  
Rest in the spirit know;  
Sorrow forever departed,  
Gladness shall overflow.

Sighing forever is ended,  
Foes shall oppress no more;  
Voices in worship are blended  
To Him whom all adore.  
Bathed in the light soft and tender,  
Sealed for eternity,  
Praise to the Lamb we will render  
Worthy of praise is He.

Beautiful, wonderful story!  
Jesus Himself the light;  
There in the kingdom of glory  
Never shall fall the night.  
Now I am singing of heaven,  
While here I wage the strife;  
Then will the victors be given  
Crowns of eternal life.

**SHALOM UNTO MY LADY** **G**

□  
This is a song of love and life, of  
a man and his bride  
Whom he has chosen to be wife  
It was love at first sight, he loved  
and adored her  
For he is her kinsman redeemer  
He can't live with her, she is his desire  
As he sings this song to her

**CHORUS**

Shalom unto my lady, you are  
my bride, virtuous Ruth  
Shalom unto my lady, you are  
my love and I will keep you

She had fears and doubts but  
the words of his mouth  
Drove them all out  
He showed her great favour and  
would often whisper  
Kind words unto her  
Now she has a greater knowing  
of the love he is showing  
As he sings Shalom, good morning

When he saw her the first time,  
he said in his mind  
'Who is this damsel so fine?'  
Her inward beauty, character  
and conviction  
Caused the attraction  
Now he is only thinking of loving  
and living  
As his heart keeps singing

Where is thy beloved? What is  
he doing?  
Where is gone? When is he coming?  
I go to prepare for you a place to  
come into  
That where I am you be there too  
Soon bride and groom will go to  
the honeymoon  
And this song will be their tune

You're the apple of my eye (that  
is you)  
You're the love of my life (that is  
you)  
You're the Ruth in the truth (that  
is you)  
You're the love of my youth (that  
is you)  
Chosen to be wife (that is you)  
Shalom my lady (Shalom to you)

**I LOVE YOU** **C**

It's the time of the dove  
It's the season of love  
Come away my love with me  
Come and stand by my side  
Don't you realize  
That you mean everything to  
me

**CHORUS**

And I love you  
I give my heart to you  
It's uniting time and sign  
And I want you to be mine  
Now and till the end of time  
  
My beloved is near  
His sweet voice I can hear  
Through the lattices his face I  
can see  
You're the answer to prayer  
I know that GOD hears  
Cause He gave the very best to  
me

**BRIDGE**

Come away (my love with me)  
Come away (spend your life

My theophany, I hear it calling me  
□  
Well don't worry little children  
Should death knock on your door  
Don't you know that death is a doorway that leads to the heavenly shore  
Over there is no heartache, □  
No dying in that Land □  
Just peace, joy, and perfect love beyond compare

Well, over the next hill I look oh, I see victory □  
Around the next turn in the room that old devil he's got to flee  
God's army we're marching,  
We're marching onward to slay that old enemy  
Around the next hill, □ I see King Jesus, He's coming for me

**SEARCHING FOR LOVE Bb**

I was always searching for love  
Didn't know what I was looking for  
In so many different ways I was trying to find  
This illusion that was in my mind  
But then the God of love  
Came into my heart  
Opened up my eyes  
Made me realize

You were always there  
Waiting patiently  
Love was waiting there for me

Chorus  
Love was always there  
Deep on the inside  
It only took a spark  
To bring it in to life  
Love can take two hearts  
That were far apart  
The power of true love  
Can make them beat as one  
The power of true love

Look where we were and  
Look where we are now  
This could only be supernatural  
Now I stand before you  
Making this vow

For you are my one and only love  
Now you know I'm yours and I know you are mine  
This new love we've found  
Will stand the test of time  
Together you and I  
We will also be  
For love has raptured you and me

**IS YOUR ALL ON THE ALTAR D**

You have longed for sweet peace,  
And for faith to increase;  
And have earnestly, fervently prayed:  
But you cannot have rest,  
Or be perfectly blest  
Until all on the altar is laid.

**CHORUS**

Is your all on the altar of sacrifice laid?  
Your heart, does the Spirit control?  
You can only be blest  
And have peace and sweet rest;  
As you yield Him your body and soul.

Would you walk with the Lord,  
In the light of His Word,  
And have peace and contentment always?  
You must do His sweet will,  
To be free from all ill;  
On the altar your all you must lay.

Oh, we never can know  
What the Lord will bestow  
Of the blessings for which we have prayed;  
Till our body and soul  
He doth fully control;  
And our all on the altar is laid.

Who can tell all the love  
He will send from above,  
And how happy our hearts will be made,  
Of the fellowship sweet we shall share at His feet;  
When our all on the altar is laid?

50

**LORD I NEED YOU RIGHT F**

Lord, I need You right now,  
Oh Lord, I need You right now,  
I want all of my life in Your keeping somehow,  
Oh Lord, I need You right now.

51

**GOD WILL TAKE CARE G**

Be not dismayed what e'er betide;  
God will take care of you.  
Beneath His wings of love abide,  
God will take care of you.

**CHORUS**

God will take care of you,  
Through every day,  
O'er all the way,  
He will take care of you,  
God will take care of you.

Through days of toil when heart doth fail,  
God will take care of you.  
When dangers fierce your path assail,  
God will take care of you.

All you may need He will provide.  
God will take care of you.  
Nothing you ask will be denied,  
God will take care of you.

No matter what may be the test,  
God will take care of you.  
Lean, weary one, upon His breast,  
God will take care of you.

52

**VICTORY IS MINE F**

Victory is mine,  
Victory is mine,  
Victory today is mine.  
I told Satan, "get thee behind,"  
Victory today is mine.

When I rose this morning,  
I didn't have any doubt;  
I knew that the Lord would bring me out,

So I got down on my knees,  
And said "Lord if you please,"  
I got up praising and shouting the victory.

Joy is mine .....  
Peace is mine ....

**DRAW ME NEARER** F

I am Thine, O Lord, I have heard  
Thy voice,  
And it told Thy love to me;  
But I long to rise in the arms of  
faith,  
And be closer drawn to Thee.

**CHORUS**

Draw me nearer, nearer, blessed  
Lord,  
To the cross where Thou hast  
died;  
Draw me nearer, nearer, blessed  
Lord,  
To Thy precious, bleeding side.

Consecrate me now to Thy  
service, Lord,  
By the power of grace divine;  
Let my soul look up with a  
steadfast hope,  
And my will be lost in Thine.

Oh, the pure delight of a single hour  
That before Thy throne I spend,  
When I kneel in prayer and with  
Thee, my God,  
I commune as friend with friend.

There are depths of love that I  
cannot know,  
Till I cross the narrow sea,  
There are heights of joy that I may  
not reach,  
Till I rest in peace with Thee.

**GIVE THANKS** F

Give thanks with a grateful heart, }  
Give thanks to the Holy One, }  
Give thanks for He has given }  
Jesus Christ His son. }2x

And now let the weak say I am  
strong,  
Let the poor say I am rich,  
Because of what the Lord has  
done for us.

And now let the weak say I am  
strong,  
Let the poor say I am rich,  
Because of what the Lord has  
done for us, give thanks.

**GREATER IS HE** F

On the day of Pentecost,  
A mighty rushing wind  
Flew into the upper room  
And baptized all within.

**CHORUS**

Greater is He that is in me, }3x  
Than He that is in the world.

Satan, like a roaring lion,  
Roaming to and fro,  
Seeking whom he may devour,  
The Bible tells me so.

Many souls have been his prey,  
To fall in some weak hour,  
But God has promised us today,  
Overcoming power.

With a power greater than  
Any earthly foe,  
And I'm so glad I've got it too,  
I'm gonna let the whole world know.

**IT'S ALL OVER ME** F

It is all over me and it's keeping  
me alive,  
Keeping me alive, keeping me  
alive.  
It is all over me and it's keeping  
me alive,  
Jesus is keeping me alive.

The Devil doesn't like it but it's  
keeping me alive, keeping me  
alive,  
keeping me alive,  
The Devil doesn't like it but it's  
keeping me alive,  
Jesus is keeping me alive.

It's the Holy Ghost and Fire and  
it's keeping me alive, keeping me  
alive,  
keeping me alive.  
It's the Holy Ghost and fire and it's  
keeping me alive,  
Jesus is keeping me alive.

nineteen, nineteen, I'll be  
nineteen again

Going beyond the curtain of  
time in the rapture between six  
and nine,

When I see my Saviour's face I'll  
sing and I'll shout for amazing  
grace,

For it is His love that brought  
me in and has saved my soul  
from sin,

So I will sing it again and again,  
soon I'll be nineteen, nineteen,  
nineteen, I'll be nineteen again

\*\*\*\*

**YOU LIFT ME UP** C

Lord I lift my hands in worship  
There's no other way to make it  
through the day  
When the enemy comes like a  
flood  
I know You'll raise a standard  
I know You'll lift me up

**CHORUS**

You'll lift me up yes Lord  
You surely lift me up (No matter  
what comes my way)  
You'll lift me up yes Lord  
You surely lift me up

When I feel that I'm unworthy  
And it seems so hard to pray  
Cause of the pressure of the day  
Then I think of Jonah in the belly  
of the fish

He getting to down to pray

**CHORUS**

You lift him up yes Lord  
You surely lift him from the belly  
of the fish  
You lift him up yes Lord  
You surely lift him up from the  
valley of the shadow of death

There is nothing without a  
purpose  
God always has a reason for the  
things that we go through  
So whether you're on the  
mountain or low down in the  
valley  
There is one thing you must do

**CHORUS**

We'll keep His word  
We will keep his word no matter  
we'll go through  
We'll keep His word  
We will keep His Word

When you walk with God  
You walk alone

**STEP INTO MY THEOPHANY D****CHORUS**

One day I'm gonna take that step  
One day I'm gonna take that step  
into my theophany☞  
One day I'm gonna take that step  
into my theophany  
One day I know that that final  
step is going to set me free  
My theophany, I can hear it  
calling me  
It's a-calling come up (come up),  
a little higher☞ Into the perfect  
world☞  
Saints come up a little higher  
Into Agape love  
Church, come up a little higher  
Soar through the heavenlies

**I WANT TO DIE** **C**

Searching my life deep on the  
inside  
Desiring a closer walk with Jesus  
Christ  
Praying on my knees pouring out  
my heart  
Uttering these words to him  
Lord I want to die  
So here I stand with this desire  
Lord I want to die

**CHORUS**

Lord I want (need) to die  
Take away the old nature inside  
All your blessings are available  
And I want the keys to have  
access  
I want to do the greater works  
And live in the image of Christ  
All these promises were made  
for me  
But first I need to die

Now I'm determined to fight  
with all my strength and might  
And persevere in the ways  
you've shown me is right  
He said it's the narrow way that  
leads to eternal life  
So through prayer and  
supplication I know the victory's  
all mine

**BRIDGE**

So I'm laying my all on the altar  
of sacrifice  
Separating from all sin for Christ  
to dwell within  
I'm dedicating my life  
tearing down the veil of self will  
Lord I know it's there  
I'll have the access to my total  
deliverance.

**NINETEEN AGAIN****D**

Just beyond the curtain of time  
there is a place that is so  
sublime,  
Just beyond the curtain of time  
I have a home that is so  
sublime,  
It is a place of perfect rest  
made by Jesus for the blest,  
And my address over there my  
friend, soon I'll be nineteen,  
nineteen, nineteen, I'll be  
nineteen again

**CHORUS:**

Nineteen again, nineteen  
again,  
nineteen again my friend (2x)

How this number fascinates me  
with holy joys of jubilee,  
This redemption possession is  
my lifelong heart's obsession,  
Therefore then if you find me  
stranger it's because I want my  
body to change,  
So I will sing it again and  
again, soon I'll be nineteen,

**TEACH ME LORD TO WAIT** **D**

Teach me, Lord, to wait down on  
my knees,  
Till in Your own good time You  
answer my pleas;  
Teach me not to rely on what  
others do,  
But to wait in prayer for an answer  
from You.

**CHORUS**

They that wait upon the Lord, shall  
renew their strength,  
They shall mount up with wings as  
an eagle,  
They shall run and not be weary,  
they shall walk and not faint;  
Teach me, Lord, teach me, Lord,  
to wait.

Teach me, Lord, to wait while  
hearts are aflame,  
Help me humble my pride and call  
on Your Name;  
Keep my faith renewed, keep my  
eyes on Thee,  
Help me be on this earth what You  
want me to be.

**IT'S MY DESIRE** **G**

It's my desire to live for Jesus;  
It's my desire to live for Him;  
Tho' often I've failed Him and  
brought Him much shame,  
It's my desire to live for Him.

**CHORUS**

If you could see  
Where Jesus brought me from  
To where I am today,  
Then you would know the reason  
why I love Him so.  
Now you can take the world's  
wealth and riches,  
I don't need earth's fame,  
It's my desire to live for Him!

It's my desire to help someone  
today,  
Someone who have failed to see  
the way;  
I, too, was lost so long,  
But I found my way back to God;  
It's my desire to live for Him.

**SWEET HOUR OF PRAYER** **C**

Sweet hour of prayer, sweet hour  
of prayer,  
That calls me from a world of care,  
And bids me at my Father's throne,  
Make all my wants and wishes  
known;  
In seasons of distress and grief,  
My soul has often found relief,  
And oft escaped the tempter's snare,  
By thy return, sweet hour of prayer.

Sweet hour of prayer, sweet hour  
of prayer,  
The joy I feel, the bliss I share,  
Of those whose anxious spirits burn  
With strong desires for thy return!  
With such I hasten to the place  
Where God, my Saviour, shows  
His face,  
And gladly take my station there,  
And wait for thee, sweet hour of  
prayer.

Sweet hour of prayer, sweet hour  
of prayer,  
Thy wings shall my petition bear  
To Him whose truth and  
faithfulness  
Engage the waiting soul to bless;  
And since He bids me seek His face,  
Believe His Word and trust His  
grace,  
I'll cast on Him my every care,  
And wait for thee, sweet hour of  
prayer.

**I LOVE THE THRILL** **F**

I love the thrill that I feel }  
When I get together with }  
God's wonderful people. }2x  
What a sight just to see  
All the happy faces,  
Praising God in Heavenly Places.  
What a thrill that I feel  
When I get together with  
God's wonderful people.

**CLEANSE ME** **F**

Search me, O God, and know my heart today;  
Try me, O Saviour, know my thoughts, I pray;  
See if there be some wicked way in me;  
Cleanse me from every sin, and set me free.

I praise Thee Lord, for cleansing me from sin;  
Fulfill Thy Word, and make me pure within;  
Fill me with fire, where once I burned with shame;  
Grant my desire to magnify Thy Name.

Lord, take my life, and make it wholly Thine;  
Fill my poor heart with Thy great love divine;  
Take all my will, my passion, self and pride;  
I now surrender; Lord, in me abide.

O Holy Ghost, revival comes from Thee;  
Send a revival, start the work in me;  
Thy Word declares Thou wilt supply our need;  
For blessing now, O Lord, I humbly plead.

**POUR OUT YOUR SPIRIT** **A**

Pour out Your Spirit in this place,  
Pour out Your Spirit in this place  
That we might see Your power,  
And we might know Your grace.  
Pour out Your spirit in this place,  
Pour out Your spirit in this place.

Cleanse us, keep us, renew us by Your blood,  
Have Your way within us,  
And fill us with Your Love.  
Pour out Your Spirit in this place,  
Pour out Your spirit in this place.

**WINGS OF A DOVE** **C**

Noah had drifted  
On the floods many days,  
He searched for land  
In various ways;  
Troubles he had some,  
But not from above,  
God gave him His sign  
On the wings of a dove.

**CHORUS**

On the wings of a snow-white dove,  
God sends down His pure sweet love,  
A sign from above,  
On the wings of a dove.

Jesus, our Saviour  
Came to earth one day;  
He was born in a stable,  
In a manger of hay;  
Though here rejected,  
But not from above,  
God gave us His sign  
On the wings of a dove.

Though I have suffered  
In many a way,  
I cried for healing  
Both night and day;  
Faith wasn't forgotten  
By the Father above,  
He gave me His sign  
On the wings of a dove.

**JESUS, JESUS, JESUS** **D**

Jesus, Jesus, Jesus,  
There's just something about that Name.  
Master, Saviour, Jesus,  
Like the fragrance after the rain.  
Jesus, Jesus, Jesus,  
Let all heaven and earth proclaim;  
Kings and kingdoms will all pass away,  
But there's something about that Name.

**TELL ME MORE** **Dm**

Who is this Melchizedek  
This king of Salem  
who is this Melchizedek  
This king of Jerusalem  
I am a gentile I need to know for sure  
I am a moabite, I've worshiped foreign gods  
But have heard of a land  
A different civilization  
Of a people who worship the lamb

Tell me of this city  
Tell me of the land  
Tell me of this people  
Who worship the Lamb  
Tell me of this earth  
And it's generations  
For I am a Moabite sitting at the threshing floor

Yes I have been quickened  
my course is changed  
I am no longer a stranger  
but a citizen of Jerusalem  
Though I'm a gentile I now have access to Him  
I am a gentile there is so much I need to know  
Tell me more about this God  
About these dimensions and worlds  
For I am a candidate of this supernatural world

Tell me about my Jesus  
Tell of this grace  
Tell me of predestination  
That brought me to this place  
Tell me of his mercy  
That's changing and quicken me  
For an heir of the promise given to Branham seed

Who is this man Gabriel?  
The Angel of God  
Who is this man Gabriel?  
This messenger from New Jerusalem  
He is here, revealing the prophecies of God  
He has come, to show us our names in The Book  
Tell me more about this man, from this different civilization  
And this people who worship the Lamb!

Tell me of who I am  
This elected lady  
Tell me of standing and speaking

In your image again  
Tell me of adoption  
And this glorified body  
For when melchizedek appeared  
He appeared in such a form  
(when Jesus appeared he appeared in such a form)

You told me I have three bodies  
But there's only one of me  
You told me I am eternal  
With you in eternity I'll be

Tell me of this bread  
Tell me of this wine  
Tell me of this body that's broken for me  
Tell me of this way and  
How to change dimension  
To my theophany  
That is the positive of me

You told me I have three bodies  
But there's only one of me  
You told me I am eternal  
With you in eternity I'll be

**HE CARES** **E/F**

He cared to give His life  
He cared to pay redemption's price  
To deliver me from the hands of the slave master  
He cared to go the distance with me  
He cared to let me see  
Just how much He really, really loves me

**CHORUS**

Now I care to believe Him  
I care to live only for Him  
I've seen too much  
To hold back what He deserves  
I care to trust His word  
To act upon the things  
I've seen and heard  
I care to really love him  
With all my heart and soul

I care to honour Him  
I care to please Him  
This Gracious One,  
He who is my life  
I care to see Him magnified  
I care to see Him glorified  
This precious Lord and Savior,  
Jesus Christ

\*\*\*\*

**OUR GOD IS HERE A**

In these darkest of times, you  
can reach out to him,  
In those trying moments, when  
the future looks grim  
That's when you can call Him on  
the scene and that's when He'll  
see you through  
That's when He'll speak so clear,  
"Fear not, I Jesus Is here"

**CHORUS**

All that you're praying for  
All that you're trusting for  
Whatever you need of Him  
Our God is here  
All that you're thirsting for,  
You just believe once more  
He'll hear when you call on Him,  
Yes, our God Is here!

If you'd only trust in Him,  
He'll supply your need  
If you'd only just believe in Him,  
Your sickness He will heal  
(And) When you're weak  
He will take your hand  
If you falter, He'll help you stand  
So just reach out to Him  
For Jesus is here!

Our prophet believed in Him,  
He found Him faithful and true  
And what He did back yesterday,  
He'll do the same for you today  
Our God never disappoints,  
So cast down  
All your fears and doubts  
On your stormy seas  
come walking out  
For Jesus is here!

**BRIDGE**

In your sickness  
In your weakness  
Just believe!  
He paid the price on Calvary!  
Your enemy has been nailed to  
that tree!  
Jesus is ere!  
No fear,  
no doubt,  
no unbelief!  
No circumstance, no retreat!  
Jehovah God is our victory!  
Only Believe!  
Jesus is here!

**I AM THE RESURRECTION G**

Heathens, how are you gathered  
against me once again  
And yet this time it is still in vain  
No weapons against me shall  
prosper  
Your wicked deeds I shall defy  
For I shall live and prophesy

**CHORUS**

I am the resurrection, I am the life  
I am the resurrection  
I shall raise the sleeping saints  
and shall not die

Lord have Your way and bruise me  
For it pleases You that I must die  
That Your life may be glorified  
Yet how my senses resist me  
And I'm pressed out to the ground  
Strengthen me to cast them down

Lord how I feel You vibrating in  
my soul  
And I know I'll soon be out of this  
world  
Let quickening power swallow up  
my mortality  
For I must break these laws of  
gravity

**WHEN I SURVEY THE CROSS F**

When I survey the wondrous cross  
On which the Prince of glory died,  
My richest gain I count but loss,  
And pour contempt on all my pride.

Forbid it, Lord, that I should boast,  
Save in the death of Christ, my God;  
All the vain things that charm me  
most,  
I sacrifice them to His blood.

See, from His head, His hands,  
His feet,  
Sorrow and love flow mingled  
down;  
Did e'er such love and sorrow meet,  
Or thorns compose so rich a crown?

Were the whole realm of nature  
mine,  
That were a present far too small;  
Love so amazing, so divine,  
Demands my soul, my life, my all!

**MAGNIFY THE LORD D**

I will bless the Lord at all times,  
His praise will continue in my  
mouth;  
I will make my boast in the Lord,  
So let the humble and the afflicted  
hear and be glad.

**CHORUS**

Magnify the Lord with me,  
Let us exalt His name together,  
O come and magnify the Lord with  
me,  
Let us exalt His name together.

Taste and see that the Lord is  
good,  
And blessed is the man who trusts  
in Him,  
Oh worship the Lord, you His saints,  
There is no want to those who truly  
worship Him.

**I SURRENDER ALL C**

All to Jesus I surrender,  
All to Him I freely give;  
I will ever love and trust Him,  
In His presence daily live.

**CHORUS**

I surrender all,  
I surrender all,  
All to Thee, my blessed Saviour,  
I surrender all.

All to Jesus I surrender,  
Humbly at His feet I bow,  
Worldly pleasures all forsaken,  
Take me, Jesus, take me now.

All to Jesus I surrender,  
Make me, Saviour, wholly Thine;  
Let me feel the Holy Spirit,  
Truly know that Thou art mine.

All to Jesus I surrender,  
Lord, I give myself to Thee;  
Fill me with Thy love and power,  
Let Thy blessing fall on me.

All to Jesus I surrender,  
Now I feel the sacred flame;  
Oh, the joy of full salvation!  
Glory, glory to His name!

68

**I WILL ENTER HIS GATES C**

I will enter His gates with  
thanksgiving in my heart,  
I will enter His courts with praise;  
I will say this is the day that the  
Lord hath made,  
I will rejoice for He hath made me  
glad.

He hath made me glad,  
He hath made me glad,  
I will rejoice for He hath made me  
glad;  
He hath made me glad,  
He hath made me glad,  
I will rejoice for He hath made me  
glad.

**IF THAT ISN'T LOVE** **G**

He left His splendour of heaven,  
Knowing His destiny  
Was the lonely hill of Golgotha,  
There to lay down His life for me.

**CHORUS**

If that isn't love, the ocean is dry,  
There're no stars in the sky,  
And the sparrows can't fly,  
If that isn't love, then heaven's a myth;  
There's no feeling like this,  
If that isn't love.

Even in death He remembered,  
The thief hanging by His side,  
Then He spoke with love and compassion,  
Then took him to paradise.

**HE LOOKED BEYOND** **C**

Amazing grace, shall always be  
my song of praise.

For it was grace that bought my  
liberty.

I do not know just how He came to  
love me so;

He looked beyond my faults and  
saw my needs.

**CHORUS**

I shall forever lift my eyes to  
Calvary;

To view the Cross where Jesus  
died for me,

How marvelous! the grace, that  
caught my fallen soul;

He looked beyond my faults and  
saw my needs.

It was God's grace that brought  
me out of darkness,  
And to the light where I can clearly  
see,

I'll shout it from the mountains and  
the valleys;

He looked beyond my faults and  
saw my needs.

**I REMEMBER CALVARY** **C**

Where He may lead me I will go,  
For I have learned to trust Him  
so,  
And I remember 'twas for me,  
That He was slain on Calvary.

**CHORUS**

Jesus shall lead me night and day,  
Jesus shall lead me all the way,  
He is the truest Friend to me,  
For I remember Calvary.

O I delight in His command,  
Love to be led by His dear hand;  
His divine will is sweet to me,  
Hallowed by blood-stained  
Calvary.

Onward I go no doubt nor fear,  
Happy with Christ my Saviour  
near;  
Trusting that I some day shall see,  
Jesus my Friend of Calvary.

**I'VE BEEN REDEEMED** **F**

I've been redeemed }  
By the blood of the Lamb. }3x  
Safe and sanctified I am  
All my sins are under the blood,  
I've been redeemed.

If you have love }  
And you want more }3x  
Shout Hallelujah Praise the Lord!  
All my sins are under the blood  
I've been redeemed.

And that's not all, }  
There's more besides, }3x  
I've been to the river and I've been  
baptized.  
All my sins are under the blood,  
I've been redeemed.

You can talk about me }  
Any how you please, }3x  
I'll talk about you down on my  
knees.

All my sins are under the blood  
I've been redeemed.

**WHERE WILL YOU BE** **G**

The Court's convened  
Judgment from Heaven  
The Supreme Judge of all the  
Earth  
Declared the Book is open  
Revelation ten, one to seven  
A mighty angel descended from  
Heaven  
The mystery revealed  
Some marked, some sealed  
Where will you be?

**CHORUS**

Where will you be?  
The Book is open  
Where will you be?  
Church, the roll is called  
Which side of the Book is your  
name written?

Judgment begins  
in the House of GOD  
It's not enough to justified  
Neither is it enough  
To be sanctified  
You've got to be birthed, sealed  
and filled  
Where will you be?

Cain and Abel  
Isaac and Ishmael  
Esau and Jacob  
All came from the same line  
But one was rejected and  
despised  
The other had his name  
In the Lamb's Book of Life  
Where will you be  
My brother tell me  
Where will you be

Are you living like Lot's wife  
You want the rich and easy life  
Living full of compromise  
Looking back at the world  
Well you're either like Lot or  
You're like Abraham  
It's either Sodom  
Or the mountain of Hebron  
Where will you be  
My sister tell me  
Where will you be?

They all came out of Egypt  
And all crossed the Red Sea

Ate manna in the wilderness  
Drank water from the rock  
But many stumbled at Kadesh-Barnea  
And only two crossed  
the Jordan river  
Where will you  
Check, take inventory  
Where will you be?

A clean cut decision saints  
Total separation  
End time 'eagle nazirites'  
With the sword of the LORD  
You've got to move from the  
outer court  
Pass the brazen altar, get in the  
inner court  
Behind the riven veil  
Where the glory won't fail  
Where will you be?

Where will you be? (4x)

**WHO THE SON SETS FREE** **F**

I remember standing  
On the auction block of sin,  
Satan controlled me,  
He had the highest bid.  
But Jesus died on Calvary  
So that I could be set free  
Jesus whispered,  
"Child I bought you so that you  
could be set free."

**CHORUS**

He that the Son has set free,  
Is free indeed  
No more chains of slavery.  
Truth has triumphed with liberty  
He that the Son has set free,  
Is free indeed.

Now I belong to Jesus  
I'm a child of the king  
I traded filthy garments  
For a robe of royalty  
The chains that used to bind me  
Are laying at my feet  
You see the devil,  
He lost his claim  
When Jesus rose again!

**BLIND BARTIMEUS** **D**

Blind Bartimeus cried  
(Have mercy on me) 3x  
They told him to be quiet  
But he cried even louder, Messiah!  
Messiah, have mercy on me.

Bartimeus cried out  
(Have mercy on me) 3x  
They told him to be quiet  
But he cried even louder!  
Messiah, have mercy on me.  
Lord I know that by faith  
I can touch You  
(Have mercy on me) 3x  
Dear Lord! Do not pass me by  
Only You can make me clearly see!  
Messiah, have mercy on me.

Lord I know that by faith  
I can touch You  
(Have mercy on me) 3x  
Dear Lord! Do not pass me by  
Only You can make the blinded see!  
Messiah, have mercy on me.

Show me the light of the hour  
(Open mine eyes Lord) 3x  
Show me the Father,  
And it will suffice  
I want to look and I know I will live.  
I want to see Jesus.

Finally my faith reached out to  
him (Open mine eyes Lord) 3x  
That's when the Son of Man  
Stood still  
Only you can do this for me  
I want to see Jesus

Not just a cloud in the sky  
(Open mine eyes Lord) 3x  
I want to see Jesus in my life.  
I need a living reality  
I want to see Jesus

Nothing shall be impossible  
(Open my eyes Lord) 3x  
You said!  
Nothing shall be impossible unto me.  
Help me live in this reality  
I want to see Jesus

Sirs, I would see Jesus  
(Open mine eyes Lord) 3x  
Sirs! I would see Jesus  
And when I look I know I would live  
I want to see Jesus.

**THERE WAS A MIDNIGHT CRY** **F**

Saints of all the ages that's gone by  
Longed to see this happ'ning in  
their time  
But they died in faith anticipating  
for the day  
Which is GOING ON now  
In this finishing hour.

**CHORUS 1**

There was a midnight cry:  
The Bridegroom's drawing nigh!  
There will be a rapture  
In the twinkling of an eye  
Come, trim the lamp of your  
heart now  
Let the Love of Christ  
Shine bright in you  
Let His Life in you abide -  
Jesus Christ is revealed in His  
Bride.

Darkness holds the world in  
deadly grip  
People's hearts are in religious sleep  
But there's a holy and elected  
nation pure and right  
For the harvest is ripe  
Fields are ready and white.

The glorious and spotless,  
sinless Bride  
Ready to be standing by His side  
She is given the fine linen of  
righteousness of saints  
The perfection of Christ  
Can be seen in their lives.

**CHORUS 2**

How we cherish the Message  
from God!  
Let us sing a new song to the Lord!  
It's a sign to all the nations  
The Divine manifestation  
For we have a revelation  
Who we are.

**I WANT THAT KIND** **A**

When Jacob met the Lord  
Upon that lonely night,  
And wrestled there alone  
Until the morning light;  
He won a princely title  
To gird him for the right;  
I want that kind of blessing.

**CHORUS**

I want, I want that kind of  
blessing,  
That saves and keeps, and  
satisfies the soul;  
I want, I want that full salvation  
'Til billows of heaven o'er me roll.

When Israel at last came  
Into Canaan's land,  
The Lord His riches gave  
So full on every hand;  
They drove their foes before  
them  
And dwelt a happy band,  
I want that kind of blessing.

This is the day of grace,  
The Comforter is here,  
We are a chosen race,  
Our God is drawing near.  
He's waiting to be gracious  
The prayer of faith to hear,  
And then He'll send the blessing.

**I LIKE THE OLD TIME WAY** **F**

I like the old time singing,  
shouting,  
I like the old time way.  
I like the old time singing,  
shouting, preaching, praying,  
I like the old time way.

I will sing of my Redeemer all  
along the way,  
Amen, amen, amen, amen,  
I will sing of my redeemer all along  
the way,  
For there's joy, joy in my soul.

**MARCHING ON** **A**

Marching on in the light of God,  
Marching on, I am marching on;  
Up the path that the Master trod,  
Marching, marching on.

**CHORUS**

A robe of white, a crown of gold,  
A harp, a home, a mansion fair,  
A victor's palm, a joy untold,  
Are mine when I get there.

Marching on thro' the hosts of sin,  
Marching on, I am marching on;  
Vict'ry's mine, while I've Christ  
within,  
Marching, marching on.

Marching on while the skeptics  
sneer,  
Marching on, I am marching on;  
Perfect love casteth out all fear,  
Marching, marching on.

Marching on with the flag unfurled,  
Marching on, I am marching on;  
Preaching Christ to the dying world,  
Marching, marching on.

**LORD, LORD, LORD** **C**

Lord, Lord, Lord, }  
You've surely been good to me; }3x  
You have done what this world  
could not do.

You saved my soul when I wa }  
lost }  
You've surely been good to me; }3x  
You have done what this world  
could not do.

You filled me with the Holy Ghost, }  
You've surely been good to me; }3x  
You have done what this world  
could not do.

You healed my body when }  
I was sick, }  
You've surely been good to me; }3x  
You have done what this world  
could not do.

**MORE ABOUT JESUS D**

More about Jesus would I know,  
More of His grace to others show;  
More of His saving fullness see,  
More of His love who died for me.

**CHORUS**

More, more about Jesus,  
More, more about Jesus,  
More of His saving fullness see,  
More of His love who died for me.

More about Jesus, let me learn,  
More of His holy will discern,  
Spirit of God my teacher be,  
Showing the things of Christ to me.

More about Jesus in His Word,  
Holding communion with my Lord,  
Hearing His voice in every line,  
Making each faithful saying mine.

More about Jesus on His throne,  
Riches in glory all His own,  
More of His Kingdom's sure  
increase,  
More of His coming Prince of  
Peace.

**FEELING SO MUCH BETTER D**

Feeling so much better talking  
about this good old Way,  
Feeling so much better talking  
about the Lord.  
Let's go on, let's go on, talking  
about this good old Way,  
Let's go on, let's go on, talking  
about the Lord.

The devil, he don't like it, talking  
about this good old Way,  
The devil, he don't like it, talking  
about the Lord;  
So, let's go on, let's go on, talking  
about this good old Way,  
Let's go on, let's go on, talking  
about the Lord.

**PRAISE THE LORD F**

To God be the glory,  
Great things He hath done,  
So loved He the world that He  
gave us His Son,  
Who yielded His Life an atonement  
for sin,  
And opened the Life Gate that all  
may go in.

**CHORUS**

Praise the Lord, praise the Lord,  
Let the earth hear His voice;  
Praise the Lord, praise the Lord,  
Let the people rejoice;  
Oh, come to the Father,  
Thro' Jesus the Son,  
And give Him the glory,  
Great things He hath done.

Oh, perfect redemption,  
The purchase of blood,  
To every believer the promise of  
God;  
The vilest offender who truly  
believes,  
That moment from Jesus a pardon  
receives.

Great things He hath taught us,  
Great things He hath done,  
And great our rejoicing thro' Jesus  
the Son,  
But purer, and higher, and greater  
will be,  
Our wonder, our transport when  
Jesus we see.

**I'M A CHILD OF THE KING F**

Oh yes, oh yes, I'm a child of the  
King,  
His royal blood  
Now flows through my veins,  
And I who was wretched and vile,  
Now can see;  
Praise God, praise God,  
I'm a child of the King.

**CIVILIZATION OF FAITH G**

We can fly only where eagles dare  
As we feast upon the living word  
that is coming forth  
From the mouth of God.  
Challenging the forces of gravity  
We are from eternity, from Eternity  
Chosen ministers of the faith  
Having access to the Holy place  
Discerning the time and season  
We are the valiant mighty  
gentiles of Gideon (We are)

**CHORUS**

Civilization of faith  
We are the new Creation  
Astronauts living in orbit  
*We are from another dimension*  
Civilization of faith  
The spoken word in you and me  
Modern events made clear by  
Prophecy  
Spiritual Scientists; We are

As we look to the invisible  
Knowing that all things are  
possible by Faith - only by faith  
We have received the New Name  
The Son of Man, *came in* the  
Cloud  
With power and in great glory  
Predestinated to all, that Adam lost  
Now this is our time of Jubilee  
As we claim our promised  
inheritance  
Being loosed from bondage and  
captivity, choosing liberty.....

Fulfilling every Prophecy  
With the vision of Nehemiah, we are  
Re-building the walls  
We speak a language mysteriously  
The Seals, The Thunders,  
Theophanies, full Redemption  
This world can't understand

Having the power to change  
dimensions  
We'll walk like Enoch  
We will be 'Not!'  
Holding Him before us, in  
Adoration  
Entering into His Presence, by  
Revelation

**BRIDGE**

In the beginning,  
An intruder was in Eden  
Satan planted his seed  
In the womb of the woman  
(Sacred bedding ground)  
He perverted a Paradise,  
brought darkness and death  
But God, avenged this  
intrusion....ooh!  
(For a season....Until evening time)  
In silence He descended  
(In silence He descended)  
And from Satan's Eden,  
He called out His Elected Bride  
(His elected Bride)  
A Bride in His own image,  
His Blood, His lineage  
And While the world didn't know,  
He ministered unto her  
(He ministered unto her)  
He knew her and She conceived

**I KEEP FALLING IN LOVE D**

I keep falling in love with Him }  
over and over and over and }  
over again }2x  
He gets sweeter and sweeter as  
the days go by  
Oh what a love between my Lord  
and I  
I keep falling in love with Him  
over and over and over and  
over again

**I'M IN HIS ARMS** **C**

Don't you cry  
 God's got ahold of me  
 I'm in His arms  
 No better place to be  
 From up here  
 Your tears I can clearly see  
 But I'm in His arms  
 Safe from all harm  
 Jesus got a hold of me

Down there  
 I know folks may not understand  
 How I left this world  
 How this could be God's plan  
 But from up here  
 I understand His perfect will  
 And I'm in His arms  
 Safe from all harm  
 Jesus got ahold of me

So don't you worry Daddy  
 He'll never let me go  
 So don't you worry Mummy  
 In time you'll come to know  
 Don't you worry Saints  
 Some day soon you'll see  
 And I'm in His arms  
 Safe from all harm  
 Jesus got ahold of me

So take courage  
 Don't fuss or cry for me Ulll meet  
 you here  
 Over on this other side  
 Yes we're separated  
 But only for a little while  
 You see my Lord He wanted me  
 at His side

So let's say 'until'  
 Until, and not goodbye  
 For I'm in his arms  
 Safe from all harm  
 Jesus, He's got a hold of me.  
*Lily.*

**WORKING TOGETHER** **C**

The land has been conquered  
 But some of us are yet to take  
 what's ours  
 As we recognize what has been  
 done  
 Let's move on to claim our  
 inheritance  
 There is great strength  
 When we unite in one mind and  
 one accord  
 So come help me, I'll help you  
 Possess all that's yours

**CHORUS**

Working together for the  
 kingdom of God  
 Working together in one accord  
 Come help me, I'll help you  
 There is so much work to do

Working in harmony and love  
 Under the leadership of the Dove  
 Joining hearts and hands until  
 we all stand  
 In the stature of a perfect man

One shall put a thousand to flight  
 And two shall chase ten thousand  
 We now see by this great unity  
 How we can be made strong  
 This body of Christ is fitly joined  
 together and every joint supplies  
 So under the Captain  
 of the Lord of host we fight

We Will Work

**YOU ARE FAITHFUL** **C**

Mazvua ose  
 Makatendeka Jesu

Every day, every hour  
 You are faithful  
 O Lord

**DEEPER, DEEPER** **F**

Deeper, deeper in the love of Jesus  
 Daily let me go;  
 Higher, higher in the school of  
 wisdom,  
 More of grace to know.

**CHORUS**

O deeper yet, I pray,  
 And higher every day,  
 And wiser blessed Lord,  
 In Thy precious Holy Word.

Deeper, deeper! blessed Holy Spirit,  
 Take me deeper still,  
 Till my life is wholly lost in Jesus,  
 And His perfect will.

Deeper, deeper! tho' it cost hard  
 trials,  
 Deeper let me go!  
 Rooted in the holy love of Jesus,  
 Let me fruitful grow.

Deeper, higher! every day in Jesus,  
 Till all conflict past,  
 Finds me conqueror and in His  
 own image,  
 Perfected at last.

**I ALWAYS WILL LOVE YOU** **C**

I always will love you,  
 I always will care;  
 I never will leave you,  
 I will always be there.

**CHORUS**

And my love will carry you  
 Higher than the strongest bird  
 can fly;  
 Further than the longest river can  
 flow,  
 My love for you I want you to  
 know.

I always will want you,  
 I always will be;  
 I never will fail you,  
 I am all you need.

**STAND UP FOR JESUS** **G**

Stand up, stand up for Jesus,  
 Ye soldiers of the cross,  
 Lift high His royal banner  
 It must not suffer loss.  
 From victory unto victory,  
 His army shall He lead,  
 Till every foe is vanquished,  
 And Christ is Lord indeed.

Stand up, stand up for Jesus,  
 The trumpet call obey.  
 Forth to the mighty conflict,  
 In this His glorious day.  
 "Ye that are men now serve Him"  
 Against unnumbered foes,  
 Let courage rise with danger,  
 And strength to strength oppose.

Stand up, stand up for Jesus,  
 Stand in His strength alone;  
 The arm of flesh will fail you;  
 Ye dare not trust your own;  
 Put on the gospel armour,  
 And watching unto prayer,  
 Where duty calls or danger,  
 Be never wanting there.

**AS WE GATHER** **F**

As we gather may Your Spirit  
 move amongst us,  
 As we gather may we glorify  
 Your name;  
 Knowing well as our hearts begin  
 to worship,  
 We'll be blessed because we  
 praise Your name;  
 We'll be blessed because we  
 came.

The steadfast love of the Lord  
 never ceases,  
 His mercies never come to an  
 end;  
 They are new every morning,  
 New every morning;  
 Great is thy faithfulness, oh Lord,  
 Great is thy faithfulness.

**MY JESUS I LOVE THEE C**

My Jesus, I love Thee,  
I know Thou art mine,  
For Thee all the follies of sin I  
resign;  
My gracious Redeemer, my  
Saviour art Thou;  
If ever I loved Thee,  
My Jesus, 'tis now.

I love Thee, because Thou has  
first loved me,  
And purchased my pardon on  
Calvary's tree;  
I love Thee for wearing the  
thorns on Thy brow;  
If ever I loved Thee,  
My Jesus, 'tis now.

I'll love Thee in life,  
I will love Thee in death,  
And praise Thee as long as Thou  
lendest me breath;  
And say when the death dew lies  
cold on my brow,  
If ever I loved Thee,  
My Jesus, 'tis now.

In mansions of glory and endless  
delight,  
I'll ever adore Thee in heaven so  
bright;  
I'll sing with the glittering crown  
on my brow,  
If ever I loved Thee,  
My Jesus, 'tis now.

**THE HOLY GHOST POWER F**

The Holy Ghost power is }  
moving just like a magnet; }2x  
It's moving here, it's moving there,  
It's moving just about everywhere,  
The Holy Ghost power is moving  
just like a magnet.

The message of the hour is }  
moving just like a magnet, }2x  
It's moving here, it's moving there,  
It's moving just about everywhere,  
The message of the hour is  
moving just like a magnet.

**IT TOOK A MIRACLE F**

My Father is omnipotent,  
And that you can't deny,  
A God of might and miracles,  
'Tis written in the sky.

**CHORUS**

It took a miracle to put the stars in  
place,  
It took a miracle to hang the world  
in space,  
But when He saved my soul,  
Cleansed and made me whole,  
It took a miracle of love and grace.

Though here His glory has been  
shown;  
We still can't fully see  
The wonders of His might, His  
throne;  
'Twill take eternity.

The Bible tells us of His power  
And wisdom all way through;  
And every little bird and flower  
Are testimonies too.

**I'LL WORSHIP YOU C**

When I look into Your holiness,  
When I gaze into Your  
loveliness,  
When all things that surround me  
become shadowed in the light of  
You.

When I find the joy that reaches  
Your heart,  
And my will becomes enthroned in  
Your love  
When all things that surround me  
become shadowed in the light of  
You.

**CHORUS**

I'll worship You, I'll worship You,  
The reason I live is to worship You.  
I'll worship You, I'll worship You,  
The reason I live is to worship You.

**WE PRAISE YOU LORD C**

2 Chronicles 5: 13 – 14  
*It came even to pass,  
As the trumpeters and singers were  
as one, to make one sound to be  
heard in praising and thanking the  
LORD; and when they lifted up their  
voice with the trumpets and cymbals  
and instruments of musick, and  
praised the LORD, saying, For he is  
good; for his mercy endureth for  
ever:  
That then the house was filled with a  
cloud, even the house of the LORD.  
So that the priests could not stand to  
minister by reason of the cloud: for  
the glory of the LORD had filled the  
house of God.*

We dedicate this temple to you  
Lord  
Our hearts, our souls  
These vessels are yours  
We dedicate our lives to the Holy  
One  
As we praise the Lord  
Let's praise the Lord

**CHORUS**

For He is good  
His mercy endureth forever  
We stand in awe in His presence  
Let Your glory come down  
Fill this house  
As we praise you Lord  
As we praise you Lord  
We praise you Lord!

As the singers and musicians  
Unite as one  
To lift one voice  
Praising the Lord  
We lift our hearts  
And we sing in one accord  
As we praise you Lord  
Let's praise the Lord

**I'M GOING BACK G**

As an eternal thought of God  
I was a gene in the loins my  
Father  
Till the day he deposited me into  
the womb of this earth  
To grow through the stages of  
life  
Till I'm fully developed  
Then I'll be birthed into that  
eternal world

**CHORUS**

I'm going back to where I came  
from  
I'm going back to where I belong  
No more to be separated from  
him  
I'm going back to my Father  
again  
I'm going back

In the womb of this world  
I've had my share of turmoil  
But through the ordained  
channel  
I'm drawing strength to grow  
My life is coming into the image  
of my father  
And when I leave this veil of  
flesh In a greater way I will know

There is a divine connection  
between me and father  
I always hear His voice  
Speaking directly to me  
Though enclosed by dimensional  
veils  
I press on upwards  
To break forth into the new world  
My Father's loving face to see

**BRIDGE**

I came from God  
And I go back to God  
I'm going back

**THE RAPTURE** **C**

It's a virtual world we live in  
 Only Jesus Christ is real  
 If it were possible the very elect  
 would have been deceived  
 There's a power that is moving  
 Deceiving hearts with fear  
 Hell is swiftly following death  
 Spreading chaos everywhere

The pit of hell has opened up  
 all hell is on the earth  
 the world is in such a hideous  
 condition  
 A way has been made for the  
 devil's reincarnation  
 Troubles on every side  
 how can we escape and the hour  
 is so late  
 what does it take

**CHORUS 1**

A rapture  
 (Don't you fear)  
 It takes a rapture  
 (These are the words that I hear)  
 Your God has not given you  
 more than you can bear  
 Hold on  
 (Though the whole world is united)  
 Be strong  
 (There's another world uniting)  
 Trust and obey,  
 There is no other way  
 It takes a rapture

Even the earth the is groaning  
 For the manifestations  
 When sons and daughters of the  
 living  
 God identify themselves  
 For her rivers are polluted  
 her streams are all dry  
 The land is filled with blood  
 How much more can she take  
 This is why the earth quakes for  
 a rapture

**CHORUS 2**

A rapture  
 (Don't you fear)  
 It takes a rapture  
 (Our God will take us from here)  
 Our God has not given us more  
 than we can bear  
 Hold on  
 (Though one group on earth is  
 riding)  
 Be strong  
 (There's another group that's  
 riding )  
 Trust and obey,  
 There is no other way  
 It takes a rapture

**BRIDGE**

And one by one  
 (God is sealing his elected Bride)  
 In this evil day  
 (Who are a part of the first  
 resurrection)  
 Just a few more days to labour  
 And we will be changed (2x)

**CHORUS 3**

A rapture  
 (Don't you fear)  
 It takes a rapture  
 (These are the words that I hear)  
 Our God has not given us more  
 than we can bear  
 Hold on  
 (Though one group on earth is  
 riding)  
 Be strong  
 (There's another group that's riding)  
 Trust and obey  
 There is no other way  
 It takes a rapture  
 Trust and obey  
 There is no other way  
 It takes a rapture (3x)

**BRING YOUR VESSELS** **D**

Are you looking for the fullness  
 of the blessing of the Lord  
 In your heart and life today?  
 Claim the promise of your  
 Father, come according to His  
 word,  
 In the blessed old time way.

**CHORUS**

He will fill your heart today to  
 over flowing,  
 As the Lord commandeth you,  
 "Bring your vessels, not a few,"  
 He will fill your heart today to  
 overflowing,  
 With the Holy Ghost and power.

Bring your empty earthen vessels,  
 clean thro' Jesus precious blood,  
 Come, ye needy one and all;  
 And in human consecration wait  
 before the throne of God,  
 Till the Holy ghost shall fall.

Like the cruse of oil unfailling is His  
 grace forever more,  
 And His love unchanging still;  
 And according to His promise with  
 the Holy Ghost and power,  
 He will every vessel fill.

**GOD'S NOT DEAD** **F**

God's not dead, He is alive.}3x  
 I feel Him in my hands,  
 I feel Him in my feet,  
 I feel Him in my heart,  
 I feel Him all over me.

**IN THE MIDST OF IT ALL** **A**

In the midst of it all,  
 In the midst of it all,  
 I've found hope  
 That would never let me fall.  
 Jesus heard my call  
 And in me stood tall,  
 Now in Him I stand complete  
 In the midst of it all.

**JACOB'S LADDER** **D**

We are climbing Jacob's ladder,  
 We are climbing Jacob's ladder,  
 We are climbing Jacob's ladder,  
 Soldiers of the Cross.

Rise, shine, give God the glory,  
 Rise, shine, give God the glory,  
 Rise, shine, give God the glory,  
 Soldiers of the cross.

Every rung goes higher and higher,  
 Every rung goes higher and higher,  
 Every rung goes higher and higher,  
 Soldiers of the Cross.

If you love Him, why not serve Him?  
 If you love Him, why not serve Him?  
 If you love Him, why not serve Him?  
 Soldiers of the Cross.

**ROOM AT THE CROSS** **G**

The cross upon which Jesus died  
 Is a shelter in which we can hide,  
 And its grace so free is sufficient  
 for me,  
 And deep is its fountain; as wide  
 as the sea.

**CHORUS**

There's room at the cross for you,  
 There's room at the cross for you,  
 Though millions have come,  
 there's still room for one,  
 Yes there's room at the cross for  
 you.

Though millions have found Him a  
 friend  
 And have turned from the sins they  
 have sinned,  
 The Saviour still waits to open the  
 gates,  
 And welcome a sinner before it's  
 too late.

The hand of my Saviour is strong  
 And the love of my Saviour is long,  
 Through sunshine or rain, through  
 loss or in gain,  
 The blood flows from Calv'ry to  
 cleanse every stain.

**PRECIOUS LORD** **F**

When my way grows drear  
Precious Lord linger near,  
When my life is almost gone;  
Hear my cry, hear my call,  
Hold my hand lest I fall,  
Take my hand, precious Lord,  
Lead me home.

**CHORUS**

Precious Lord take my hand,  
Lead me on let me stand,  
I am tired, I am weak, I am worn.  
Through the storm, through the  
night,  
Lead me on to the Light;  
Take my hand, precious Lord,  
Lead me home.

When my work here is done,  
And my life crown is won,  
Let me see by the Light Thou  
has shown  
That fair city so bright,  
Where the Lamb is the light,  
Take my hand, precious Lord,  
Lead me home.

**HEAR MY CRY OH GOD** **F**

Hear my cry oh God,  
Don't turn Your face away from me.  
Here's my heart oh God,  
May Your love and mercy wash  
over me.  
Take Your truth and let it be  
A river of love that flows through me,  
Take these eyes and let them  
see  
The power to heal our land,  
Heal our land.

**WE PLACE YOU** **C**

We place You on the highest  
place,  
For You are the Great High Priest;  
We place You high above all else,  
And we come to You  
And worship at Your feet.

**WAITING ON THE LORD** **A**

Waiting on the Lord, for the  
promise given;  
Waiting on the Lord, to send  
from Heaven;  
Waiting on the Lord, by our faith  
receiving;  
Waiting in the upper room.

**CHORUS**

The power! The power!  
Gives victory over sin, and purity  
within;  
The power! The power!  
The power they had at  
Pentecost.

Waiting on the Lord, giving all to  
Jesus;  
Waiting on the Lord, till from sin  
He frees us;  
Waiting on the Lord, for the  
heavenly breezes;  
Waiting in the upper room.

Waiting on the Lord, longing to  
mount higher;  
Waiting on the Lord, having great  
desire;  
Waiting on the Lord, for the  
heavenly fire;  
Waiting in the upper room.

**WHAT A MIGHTY** **F**

What a mighty God we serve! }2x  
What a mighty, what a mighty,  
What a mighty God we serve!

Let us sing and praise the Lord.}2x  
Let us sing, let us sing,  
Let us sing and praise the Lord.

Let us go and preach the Word.}2x  
Let us go, let us go,  
Let us go and preach the Word.

**DEEPS CALLS TO DEEP** **C**

Deep calls to deep  
Deep must respond  
There is a cry inside my heart  
That only you can satisfy  
  
Come near my Lord  
Send my theophany  
There' s a charge I need  
To overcome this wicked part of me

I lift my hand  
A sign I surrender all  
My heart, my soul, my mind  
Yearns in me for perfection

**CHORUS**

Come near my Lord,  
As I draw near to you,  
You can be touched  
With the feelings that I feel

I give my heart, I give my soul  
I give my mind  
You can make me whole

**THE LIGHT OF THE DAY** **A**

The Light of this day is come  
Let us arise and shine  
For the trumpet of God is  
sounding our names  
The Light of our day is come (2x)

For the True Church of the Living  
God We are on fire  
We have been quickened by the  
word this evening light  
We were chosen to express this  
Holy Convocation  
The Master is calling, we're  
being changed  
By the Power, the quickening  
Power Of God

We have received the same  
anointing of the great Messenger  
He was the wave sheaf, for the  
Bride age, He was the first one  
We were chosen, predestinated,  
as our prophet was  
This is the day, this is the hour,  
it's time to shine  
Be ready our translation is come!

**WITH GRATEFUL HEARTS** **C**

God's servant made a call of  
sacrifice  
And you rose took up the challenge  
Down through the years  
Not one time have you failed  
To meet the needs that arise  
Here we stand as beneficiaries  
Of your love and your sacrifice  
To you we always want  
To be a blessing  
To you we want to say thanks

**CHORUS**

With grateful hearts of love and  
appreciation  
To you we give honour and thanks  
For what you've done to the least  
You have done to The Lord  
To you we want to say Thanks

Through your constant  
Labours of love  
This word has been given  
Wings to fly  
Many across the world has testified  
In you dwells the life of Christ  
Many have been blessed by the  
song ministry  
All because of you  
behind the scenes  
That's why today  
We lift you up in a special way  
Saints we want to say Thank You

**BRIDGE**

Side by side we stand as one  
United by one purpose for this cause  
And as we rally around the gift  
God has placed in our midst  
He will lead us into that golden age

We thank you from our hearts, we do  
We thank you from our hearts  
To you we want to say thanks (6x)

**AGAINST THE ODDS C**

Who could ever believe that  
 Mary a Virgin  
 Would ever conceive, bring forth  
 Messiah  
 Who could ever tell Elisabeth her  
 cousin  
 Would be the mother to Christ's  
 forerunner  
 Although many forces came and  
 stood in the way  
 They could never - never stop  
 God's Program  
 Always in opposition in what the  
 Creator declares

**CHORUS**

Always in opposition in what the  
 Creator declares  
 Gross darkness stands  
 intimidating  
 It comes to hide away  
 then tries to Brush off  
 Even denying the process of  
 creation  
 But who can stand - in the way -  
 Of the great SON  
 When He begins to shine - on a  
 new dawn  
 The very spoken word by the  
 Mighty Angel  
 Will put on flesh - will become  
 material  
 Here I am standing - against the  
 odds  
 Here I am the word made flesh -  
 against the odds  
 Here I am the Masterpiece-  
 against the odds  
 Can't you see God in flesh again  
 - against the odds  
 Here I am a Living epistle -  
 against the odds  
 To prove that God's word can  
 never fail  
 To prove that God's word will  
 come to pass

Who could ever believe that  
 Abraham this old man

Would see his body changed into  
 a young man  
 Who could ever tell  
 That Sarah who did laugh  
 Would still receive strength  
 To bring forth the promiseD son  
 Although all surrounding nations  
 Were plundged in great sin  
 They could never, never stop  
 God's program  
 Always in opposition to what the  
 Creator declares

Who could ever believe that Mrs  
 Jesus  
 Would stand so tall and so  
 beautiful  
 Who could ever tell that this  
 Bride of Christ  
 Would finally understand - who  
 she really is  
 Although the whole of Hell  
 Came up on this earth to fight  
 They could never hinder - God's  
 program

**I NEED YOU C#**

I need you, you need me  
 We are a part of God's body  
 Stand with me  
 Stand with me agree with me  
 We're all a part of God's body  
 It is his will that every need be  
 supplied  
 You are important to me  
 I need you to survive  
 You are important to me  
 I need you to survive

I pray for you  
 You pray for me  
 I love you  
 I need you to survive  
 I won't harm you  
 With words from my mouth  
 I love you  
 I need you to survive

**'TIS SO SWEET TO TRUST G**

'Tis so sweet to trust in Jesus,  
 Just to take Him at His word;  
 Just to rest upon His promise;  
 Just to know, "Thus saith the Lord."

**CHORUS**

Jesus, Jesus, how I trust Him!  
 How I've proved Him o'er and o'er!  
 Jesus, Jesus, precious Jesus!  
 O for grace to trust Him more!

O how sweet to trust in Jesus,  
 Just to trust His cleansing blood;  
 Just in simple faith to plunge me,  
 'Neath the healing, cleansing  
 flood!

Yes, 'tis sweet to trust in Jesus,  
 Just from sin and self to cease;  
 Just from Jesus simply taking,  
 Life and rest, and joy and peace.

I'm so glad I learned to trust Thee,  
 Precious Jesus, Saviour, Friend;  
 And I know that Thou art with me,  
 Wilt be with me to the end.

**LORD I'M GONNA LOVE YOU C**

My soul follows hard after Thee,  
 Early in the morning will I rise up  
 and seek Thee,  
 And because Thou has been my  
 help,  
 Under the shadows of Thy wings  
 I will rejoice.

Lord, gonna love You,  
 Love You Lord.  
 Lord, gonna love You,  
 Love You Lord.

Lord I'm gonna love You  
 With all that is in my heart,

Lord, I'm gonna follow You,  
 {follow You}.....  
 Lord, I'm gonna worship,  
 {Worship You}.....

**IF I CAN HELP SOMEBODY C**

If I can help somebody as I pass  
 along,  
 If I can help somebody with a  
 word or song,  
 If I can show somebody he is  
 travelling wrong,  
 Then my living shall not be in  
 vain.

**CHORUS**

Then my living shall not be in  
 vain,  
 Then my living shall not be in  
 vain,  
 If I can help somebody as I pass  
 along  
 Then my living shall not be in  
 vain.

If I can do my duty as a Christian  
 ought,  
 If I can bring back beauty  
 To a world of wrath,  
 If I can spread God's message  
 As the Master taught,  
 Then my living shall not be in  
 vain.

**SWEET HOLY SPIRIT C**

Sweet Holy Spirit,  
 Sweet Heavenly Dove,  
 Stay right here with us,  
 Filling us with Your Love;  
 And for each blessing,  
 We lift our hands in praise;  
 Without a doubt we know  
 That we have been revived  
 When we shall leave this place.

**WE ARE FREE C**

We are free to praise You,  
 We are free to praise You,  
 We are free to praise You, Lord.

We are free to love You .....  
 We are free to serve You .....

**OH MY LOVING BROTHER F**

Oh the judgement day is coming,  
What an awful day 'twill be,  
Christ forever is my refuge,  
Rock of ages cleft for me.

**CHORUS**

Oh, my loving brother,  
When the world's on fire,  
Don't you want God's bosom  
To be your pillow?  
Hide me over in the Rock of ages;  
Rock of ages cleft for me.

At the sounding of the trumpet,  
At the dawning of the day,  
Worldly pleasures with their  
treasures  
Shall forever pass away.

Poor lost sinners will be crying  
For the home they'll never see,  
But the ransomed will be singing  
Rock of ages, cleft for me.

**DON'T YOU KNOW IT'S TIME F**

Don't you know it's time to praise  
the Lord  
In the sanctuary of His Holy Spirit?  
So set your mind on Him  
And let your praise begin,  
And the glory of the Lord will fill  
this place.  
Praise the Lord, {Praise the Lord.}  
Praise the Lord, {Praise the Lord.}

He lives within the praises of His  
people,  
He loves to hear you call upon His  
name,  
So set your mind on Him  
And let your praise begin,  
And the glory of the Lord will fill  
this place.  
Praise the Lord, {Praise the Lord.}  
Praise the Lord, {Praise the Lord.}

**I'VE BELIEVED THE REPORT G**

I've believed the true report,  
Hallelujah to the Lamb!  
I have passed the outer court,  
O glory be to God!  
I am all on Jesus' side,  
On the altar sanctified,  
To the world and sin I've died,  
Hallelujah to the Lamb!

**CHORUS**

Hallelujah! Hallelujah!  
I have passed the riven veil,  
Where the glories never fail,  
Hallelujah! Hallelujah!  
I am living in the presence of the  
King.

I'm a king and priest to God,  
Hallelujah to the Lamb!  
By the cleansing of the blood,  
O glory be to God!  
By the Spirit's power and light,  
I am living day and night,  
In the holiest place so bright,  
Hallelujah to the Lamb!

I have passed the outer veil,  
Hallelujah to the Lamb!  
Which did once God's light conceal,  
O glory be to God!  
But the blood has brought me in,  
To God's holiness so clean,  
Where there's death to self and sin,  
Hallelujah to the Lamb!

I'm within the holiest pale,  
Hallelujah to the Lamb!  
I have passed the inner veil,  
O glory be to God  
I am sanctified to God,  
By the power of the blood,  
Now the Lord is my abode,  
Hallelujah to the Lamb!

**I CAN, I WILL, I DO BELIEVE F**

I can, I will, I do believe;  
I can, I will, I do believe;  
I can, I will, I do believe;  
That Jesus heals me now.

**TIME VERSUS ETERNITY G**

At the breaking of the Word I  
came to understand  
There are forces fighting in my  
life, a heavenly one against an  
earthly one  
Time has tried to challenge eternity,  
Tell me who's gonna win, who's  
gonna win between them two  
Oh oh oh ooooh...

**CHORUS**

We shall know we shall know  
who is the winner  
Between Eternity and time  
We shall find out who is the winner  
Between my body and my  
theophany

This heavenly power influences  
my inner  
And my inner man enjoys the  
Word of God  
My inner enjoys God's promises  
Yet the body of flesh causes  
trouble everyday  
My friend tell me who's gonna  
win, who's gonna win between  
them two  
Oh oh oh ooooh...

Like in any fight there has to be a  
judge  
He is the One to declare the  
winner  
When He blows the whistle the  
fight has to stop  
Then we know, we know who's  
the winner  
Tell me, tell me who's gonna win,  
Who's gonna win between them two  
Oh oh oh ooooh...

Then I saw a mighty Angel  
coming down on Mount Sunset  
Wearing a wig of authority,  
Then he blew the trumpet  
Announcing the winner for he said,  
'Time shall be no more, time is over,  
Time has lost, time is finished  
Eternity has won'

Jesus has conquered,  
Eternity has won (6x)

**JESUS CAME TO FIGHT... G**

He was worshipped in heaven  
Receiving honor, glory and  
praise  
Before there was a creation,  
I was locked up in Him.

Up there, I fought with Michael  
When that old dragon  
Was kicked out of heaven  
Here I'm now in this terrestrial  
body  
Looking back at my victory

And He looked at me  
Jesus saw I was in need  
Fighting this battle of good over  
evil  
So He descended to fight for me

My Jesus descended!  
Seven angels were seen  
In the cloud  
He has established  
His throne in my heart.  
Now all those devils are under  
my feet.

Just when the enemy,  
Thought he'd destroy me.  
Jesus came down to fight for me.

\*\*\*\*

**SURELY AROUND HERE F**

Surely around here the throne  
comes down  
Surely around here the door to  
heaven is found  
And we know  
Surely we are standing on holy  
ground  
He is here, He is all around

**THE FATHER SAID AMEN G**

I will prophesy in line with the revelation of my faith  
Just like Adam in the beginning as he was naming animals  
God Almighty was resting in heaven when he said,  
'Your name shall be lion' and the Father said "Amen!"  
'You are so meek, your name is lamb' and the Father said "Amen!"  
'You fly high, your name is eagle' and the Father said "Amen!"  
'You're so sweet, your name is dove' and the Father said "Amen!"  
Hallelujah, hallelujah, Ha Ha  
Hallelujah...Amen (2x)

Yes I will speak in line with the revelation of my faith  
I will prophesy in line with the revelation of my faith  
Just like Joshua fighting to possess the land of Canaan  
Then he realized he didn't have much time to waste  
He said, 'sun stand still' and the Father said 'Amen'  
'Till I possess this land' and the Father said 'Amen'  
'Yes we are more than able' and the Father said 'Amen'  
'Yes we are more than able' and the Father said 'Amen'  
Hallelujah, hallelujah, Ha Ha  
Hallelujah...Amen (2x)

Yes I will speak in line with the revelation of my faith  
I will prophesy in line with the revelation of my faith  
Like the daughters of Zelophehad at the time of inheritance  
God Almighty spoke from heaven when they said,

'Give us our portion' and the Father said 'Amen'  
'To manifest our father's name' and the Father said 'Amen'  
'To glorify our father's name' and the Father said 'Amen'  
Hallelujah, hallelujah, Ha Ha  
Hallelujah...Amen (2x)

Yes I will speak in line with the revelation of my faith  
I will prophesy in line with the revelation of my faith  
Just like Peter walking down the streets of Jerusalem  
Now the promise of Joel 2 finally made flesh in his life  
He said 'no gold, no silver, take what I have' and the Father said 'Amen'  
'Stand up and walk brother' and the Father said 'Amen'  
'Yes you are more than able' and the Father said 'Amen'  
Hallelujah, hallelujah, Ha Ha  
Hallelujah...Amen (2x)

Yes I will speak in line with the revelation of my faith  
I will prophesy in line with the revelation of my faith  
Just like Branham prophet of this time who revealed the son of Man  
He was hunting and needed to find a few squirrels  
'Let the be squirrels over there' and the Father said 'Amen'  
'Little fish I give you your life back' and the Father said 'Amen'  
'Storm, be dismissed!' and the Father said 'Amen'  
'Hattie Wright, have you boys' and the Father said 'Amen'  
'Tumor, go away!' and the Father said 'Amen'  
Hallelujah, hallelujah, Ha Ha  
Hallelujah...Amen (2x)

**OH TO BE LIKE THEE C**

O! to be like Thee, blessed Redeemer,  
This is my constant longing and prayer;  
Gladly I'll forfeit all of earth's treasures,  
Jesus, Thy perfect likeness to wear.

**CHORUS**

O! to be like Thee, O! to be like Thee  
Blessed Redeemer, pure as Thou art;  
Come in Thy sweetness,  
Come in Thy fullness;  
Stamp Thine own image deep on my heart.

O! to be like Thee, full of compassion,  
Loving, forgiving, tender and kind,  
Helping the helpless, cheering the fainting,  
Seeking the wandering sinner to find.

O! to be like Thee, lowly in spirit,  
Holy and harmless, patient and brave;  
Meekly enduring cruel reproaches,  
Willing to suffer, others to save.

O! to be like Thee, Lord, I am coming,  
Now to receive the anointing divine,  
All that I am and have I am bringing,  
Lord, from this moment all shall be Thine.

O! to be like Thee, while I am pleading,  
Pour out Thy Spirit, fill with Thy love.  
Make me a temple meet for Thy dwelling,  
Fit me for life and Heaven above.

**LET THE DEW OF HEAVEN D**

Let the dew of Heaven fall upon my thirsty soul,  
Let the dew of Heaven fall on me.  
Blessed Holy Spirit come and take complete control,  
Let the dew of heaven fall on me.

**THE COMFORTER HAS COME A**

O spread the tidings 'round,  
wherever man is found,  
Wherever human hearts and human woes abound;  
Let every Christian tongue  
Proclaim the joyful sound;  
The Comforter has come!

**CHORUS**

The Comforter has come!}2x  
The Holy Ghost from Heaven,  
The Father's promise given;  
O spread the tidings 'round,  
Wherever man is found  
The Comforter has come!

The long, long night is past,  
The morning breaks at last,  
And hushed the dreadful wail  
and fury of the blast,  
As o'er the golden hills  
The day advances fast!  
The Comforter has come!

Lo, the great King of Kings,  
With healing in His wings,  
To every captive soul,  
A full deliverance brings;  
And thro' the vacant cells,  
The song of triumph rings;  
The Comforter has come!

O boundless love divine!  
How shall this tongue of mine  
To wondering mortals tell,  
The matchless grace divine;  
That I, a child of hell,  
Should in His image shine!  
The Comforter has come!

**KEEP ME TRUE** C

Keep me true, Lord Jesus, }  
 Keep me true, }2x  
 There's a race that I must run,  
 There are victories to be won,  
 Give me power every hour to be true.

I'll Be True .....

**TAKE MY LIFE LET IT BE** D

Take my life and let it be,  
 Consecrated, Lord, to Thee.  
 Take my moments and my days,  
 Let them flow in ceaseless praise.

Take my hands and let them move,

At the impulse of Thy love.  
 Take my feet and they will be,  
 Swift and beautiful for Thee.

Take my voice and let me sing,  
 Always only for my King.  
 Take my lips and let them be,  
 Filled with messages from Thee.

Take my silver and my gold,  
 Not a mite will I withhold.  
 Take my intellect and use,  
 Every power as Thou shalt choose.

Take my will and make it Thine,  
 It shall be no longer mine.  
 Take my heart, it is Thine own,  
 It shall be Thy royal throne.

Take my love my Lord I pour,  
 At Thy feet its treasure store.  
 Take myself and I will be,  
 Ever, only, all for Thee.

**HE CAME WALKING** D

He came walking on the waters  
 That almost covered me,  
 From a distance I could see Him  
 Walking on my troubled sea;  
 With outstretched hands He  
 beckoned me,  
 He said, "Child, come follow me."  
 Now I'm walking on the waters  
 That almost covered me.

114

**THE KING OF LOVE** F

The King of love my Shepherd is,  
 Whose goodness faileth never;  
 I nothing lack if I am His,  
 And He is mine forever.

Where streams of living waters  
 flow.

My ransomed soul He leadeth,  
 And where the verdant pastures  
 grow,  
 With food celestial feedeth.

Perverse and foolish oft I  
 strayed,  
 But yet in love He sought me,  
 And on His shoulder gently laid,  
 And home rejoicing brought me.

In death's dark vale I'll fear no ill,  
 With Thee dear Lord beside me;  
 Thy rod and staff my comfort still,  
 Thy Cross before to guide me.

And so thro' all the length of  
 days,  
 Thy goodness faileth never;  
 Good Shepherd may I sing Thy  
 praise,  
 Within Thy house forever.

**SALVATION AND GLORY** F

**WE HAVE OVERCOME** F

We have overcome,  
 We have overcome,  
 By the words of our mouth,  
 By the Blood of the Lamb,  
 We have overcome.

**I'M NOT OF THIS WORLD** F#

If you can understand,  
 I've come from another world  
 Where the sons of God shout for joy  
 And the morning stars sing  
 I declare I was there my kind is  
 very rare  
 In His image I was made,  
 Before the foundations were laid  
 I'm of a super race who beheld  
 the father's face

**CHORUS**

I am not of this world,  
 I was expressed into time,  
 I've come from another world,  
 Sent to be an end time sign,  
 I'm only here for a little while,  
 To prove and manifest His life  
 from another world,  
 I'm going back to that eternal  
 world

I came from another world,  
 Unseen by human eyes  
 I'm from another world  
 A parallel universe  
 Right now I'm standing here  
 But if you dare to bat your eyes  
 I might disappear, in the  
 twinkling of an eye  
 To that other world  
 That eternal world

I live in another world,  
 Where I'm influenced to praise  
 By My Theophany  
 That's been singing to me  
 There's a quickening power  
 That's been rapturing me  
 To a heavenly place,  
 A supernatural atmosphere  
 From that other world,  
 From that other world

**SOUND OF FREEDOM** C**CHORUS**

I hear the sound of freedom,  
 Jubilee  
 Seven thunders speaking my  
 liberty  
 And I've climbed the mountain  
 seen the risen Son  
 It's Jubilee, my Jubilee

The Supreme Judge appeared in  
 1963  
 Then the Lamb took the Book  
 and opened the Seals  
 We've heard the preaching of the  
 acceptable year  
 We've heard the trumpet sound  
 Every man can go free

Now here we are  
 After fifty years  
 We've seen the end of time  
 rapidly drawing near  
 No matter what you've done, you  
 can now go free  
 Yes all your debts are paid  
 If you will just see grace

**BRIDGE**

We are free  
 My chains have been broken  
 I'm no longer a slave  
 The prison doors are opened  
 I'm no longer in bondage  
 My pardon was signed  
 It was done on Calvary  
 At the appearing of the Cloud  
 We can claim our redemption  
 Who the Son of Man has set free  
 Is free indeed

**ONE DAY I'LL BE CHANGED D**

One day I'll be changed,  
 One day I'll be gone,  
 One day I'll be changed  
 One day I'll be gone. (2x)

To this Word many have come  
 And from this Word many have gone  
 But there is something on the inside  
 that is helping me hold on.  
 Through my life, there are many  
 trials;  
 But the Great Shepherd, who's been  
 revealed to me, is leading me  
 faithfully  
 Cause how would I've known that  
 one day I'll be immortal.  
 He shows it's the narrow Way that  
 leadeth to life eternal.

**CHORUS 1**

One day I'll be changed  
 One day I'll be gone  
 Because My Jesus said  
 It wouldn't be long.  
 One day I'll be changed  
 One day I'll be gone  
 Because I know for sure  
 That my battles are already won.

I've heard about my angel  
 beholding the Father's face,  
 And although inside this body  
 I'm trapped in time  
 This Word has given me grace.  
 So how can I not believe Him  
 When I know He keeps His word  
 I know that surely I can stand with  
 confidence and say  
 One day I'll be leaving this world

**CHORUS 2**

One day I'll be changed  
 One day I'll be gone  
 Because I know beyond this sinful  
 body I've another one  
 One day I'll be changed  
 One day I'll be gone  
 I'm just waiting to hear that last  
 trumpet sound

I know I have an angel beholding the  
 Father's face

And although inside this body I'm  
 trapped in time, this Word has given  
 me grace.

So how can I not believe Him, when  
 I know He keeps His Word?

I know that surely I can stand with  
 confidence and say  
 One day I'll be leaving this world  
 Far behind me.....

**CHORUS 3**

One day I'll be changed  
 (I'll be changed)  
 One day I'll be gone  
 (I'll be gone from this old world)  
 My Father said it wouldn't be long  
 (It's not long again)  
 One day I'll be changed  
 (I'll be changed one day)  
 One day I'll be gone  
 (and then..... and then I'll be gone)  
 I just can't wait to have my new body on.

**CHORUS 4**

One day I'll be changed  
 (I'll be changed from this old man  
 into the new man,  
 I just can not wait to step over  
 into that other land)  
 One day I'll be changed  
 (I'll be changed from this nature...  
 Changing from an ugly caterpillar  
 Into a beautiful heavenly creature)

**CHORUS**

One day I'll be changed  
 One day I'll be gone  
 I know beyond this sinful body  
 I've a perfect one  
 One day I'll be changed  
 One day I'll be gone  
 Entering into the new land I'll hear  
 God say "My precious Bride... Well  
 done, Well.... Done....

**WORTHY IS THE LAMB C**

"Worthy is the Lamb," the hosts of  
 heaven sing,  
 As before the throne they make  
 His praises ring;  
 "Worthy is the Lamb," the book to  
 open wide,  
 "Worthy is the Lamb who once  
 was crucified."

**CHORUS**

Oh, this bleeding Lamb, }  
 Oh, this bleeding Lamb, }  
 Oh, this dying Lamb, }  
 He was found worthy, }2x

Worthy is the Lamb who shed His  
 precious blood  
 To restore a world to happiness  
 and God,  
 "When no eye could pity and no  
 arm could save,"  
 Jesus, for our ransom Himself  
 freely gave.

Worthy is the Lamb, the bleeding  
 sacrifice,  
 Who for Adam's race paid such a  
 fearful price,  
 Worthy is the Lamb, the Paschal  
 Lamb of God.  
 For the world received  
 "Redemption thro' His blood."

"Worthy is the Lamb," let men and  
 angels sing,  
 "Worthy is the Lamb," let  
 hallelujahs ring;  
 And when life is past, upon the  
 golden shore,  
 "Worthy is the Lamb," we'll shout  
 forever more.

**COUNT YOUR BLESSINGS D**

When upon life's billows you are  
 tempest tossed,  
 When you are discouraged,  
 thinking all is lost,  
 Count your many blessings,  
 Name them one by one,  
 And it will surprise you what the  
 Lord hath done.

**CHORUS**

Count your blessings,  
 Name them one by one;  
 Count your blessings,  
 See what God hath done;  
 Count your blessings,  
 Name them one by one;  
 Count your many blessings,  
 See what God hath done.

Are you ever burdened with a load  
 of care?  
 Does the cross seem heavy you  
 are called to bear?  
 Count your many blessings, every  
 doubt will fly,  
 And you will be singing as the  
 days go by.

When you look at others with their  
 lands and gold,  
 Think that Christ has promised you  
 His wealth untold;  
 Count your many blessings,  
 Money cannot buy  
 Your reward in Heaven, nor your  
 home on high.

So, amid the conflict, whether  
 great or small,  
 Do not be discouraged, God is  
 over all;  
 Count your many blessings,  
 angels will attend,  
 Help and comfort give you to your  
 journey's end.

**TRUST AND OBEY F**

When we walk with the Lord  
In the Light of His Word,  
What a glory He sheds on our way!  
While we do His good will,  
He abides with us still,  
And with all who will trust and obey.

**CHORUS**

Trust and obey, for there's no  
other way  
To be happy in Jesus;  
But to trust and obey.

Not a shadow can rise,  
Not a cloud in the skies,  
But His smile quickly drives it away;  
Not a doubt or a fear,  
Not a sigh nor a tear,  
Can abide while we trust and obey.

Not a burden we bear,  
Not a sorrow we share,  
But our toil He doth richly repay;  
Not a grief nor a loss,  
Not a frown or a cross,  
But is blest if we trust and obey.

But we never can prove  
The delights of His love,  
Until all on the altar we lay;  
For the favour He shows,  
And the joy He bestows,  
Are for them who will trust and obey.

Then in fellowship sweet  
We will sit at His feet,  
Or we'll walk by His side in the way;  
What He says we will do,  
Where He sends we will go,  
Never fear only trust and obey.

**FATHER LET THE FIRE FALL F**

Father let the Fire fall,  
Father let the Fire fall,  
Let the Fire fall,  
Let the Fire fall,  
Let the Pentecostal Fire fall.

**ONLY TRUST HIM G**

Come, every soul by sin  
oppressed,  
There's mercy with the Lord,  
And He will surely give you rest,  
By trusting in His Word.

**CHORUS**

Only trust Him, only trust Him,  
Only trust Him now;  
He will save you, He will save you  
He will save you now.

For Jesus shed His precious blood,  
Rich blessings to bestow;  
Plunge now into the crimson flood  
That washes white as snow.

Yes, Jesus is the Truth the Way,  
That leads you into rest;  
Believe in Him without delay,  
And you are fully blest.

Come, then and join this holy  
band,  
And on to glory go,  
To dwell in that celestial land,  
Where joys immortal flow.

**I KNOW THAT JESUS F**

I know that Jesus is coming in the  
morning,  
I know that Jesus is coming back  
for me,  
I know, I know, I know He's  
coming in the morning.  
I know, I know, I know He's  
coming back for me.

**SING GLORY HALLELUJAH G**

Sing glory hallelujah!  
I love my Saviour,  
For He is willing,  
And He is able  
To break the fetters  
And chains upon us,  
And give us the victory  
Everytime we pray.

**BY MY GOD G**

Psalm 27:1-5

The Lord is my light and my  
salvation

Of whom shall I fear?

The Lord even God is the  
strength of my life;

Of whom shall I be afraid?

When the wicked, even mine  
enemies

Came upon me they stumbled  
and fell.

**CHORUS**

For by my God

I have run through a troop of  
death

I've leaped over a wall into higher  
realms

I have conquered all the gates of  
hell

It's through faith all these things I  
have done

By my God

In the time of trouble in His  
pavilion I'll hide

In the secret of His tabernacle

It's there I'll abide

Though an host should encamp  
against me,

My heart shall not fear though  
war shall rise

\*\*\*\*

**I'LL PRAISE YOU, OH LORD E**

My whole heart I give you Lord  
From with inside me  
I'll praise thee  
And Lord with all my heart  
And Lord with all my soul  
I worship You, I worship You, Oh  
Lord

**CHORUS**

Singing I, I'll praise You, Oh Lord  
From the bottom of my heart  
To the depths of my soul  
I worship You  
I worship You alone

Lord to You, I open my heart  
I lay all on the altar of sacrifice  
My all in all I give to You  
All I am, yes all I am  
I give to You

**BRIDGE**

With all my heart and all my  
strength  
With my whole being  
I worship You alone  
From the bottom of my heart  
I worship You,  
I worship You alone

\*\*\*\*

**LORD YOU ARE TOO... E**

Lord, You are too wonderful,  
You are so marvellous  
I will praise Thee, oh Lord,  
Though from the dust of the  
earth thou hast made me  
Yet I'm fearfully and  
wonderfully made  
Precious are thy thoughts unto me  
You are so wonderful, too  
wonderful for me

**KEEPING ON FIGHTING.....B**

This life I've come to know is  
only for a season  
I was in Christ before the  
foundation of the world  
And how I longed for the day  
when my amnesia would be  
taken away  
And I hold fast to the promise  
word ordained for me  
And slowly the veil is lifting off of  
my life  
And I hear him say

**CHORUS**

Keep on fighting, keep on  
pressing  
Through all the times of this life  
I'm standing right by your side  
I am always with you so don't  
you fear my child  
Just obey and keep my word  
come follow me, I am the way  
I am that I am I am the way

Just a closer walk with thee is  
my desire  
Be it unto me according to thy  
word  
And how I long for the day when  
my troubles would all be over  
And I know it would be worth it  
all when I get there  
There's no turning back though I  
may falter along the way  
Still I hear him say

**CHANGING DIMENSIONS Am**

I look over the land and sea  
Pondering the prophecies  
Of things that are to be  
And how they pertain to me  
I see the junction of time we're in  
Man is destroying himself again  
By the vision of the word I see  
Ashes on every turn  
He'll never forsake His own  
Before the first bomb falls,  
We'll be gone

**CHORUS**

To the other dimension, traveling  
faster than the speed of light  
The same way those angels  
came that day quicker than you  
could blink your eyes  
We're changing dimensions,  
Changing dimensions  
Changing dimensions

We are waiting at the gate,  
Our flight is about to leave  
We've passed through all the  
checkpoints  
Through all security  
Our pilot is King Theophany  
Jesus,  
On the wings of an eagle leads  
us  
The token is on display  
We can now be on our way  
And just before the fire falls  
He'll deliver our souls  
From this world

**BREAK THOU BREAD OF LIFE C**

Break Thou the bread of life,  
Dear Lord, to me,  
As Thou didst break the loaves  
Beside the sea;  
Beyond the sacred page,  
I seek Thee, Lord;  
My spirit pants for Thee,  
O Living Word!

Bless Thou the truth, dear Lord,  
To me, to me,  
As Thou didst bless the bread by  
Galilee;  
Then shall all bondage cease,  
All fetters fall,  
And I shall find my peace,  
My All in All.

Teach me to live, dear Lord,  
Only for Thee,  
As Thy disciples lived in Galilee;  
Then all my struggles o'er,  
Then, victory won,  
I shall behold Thee, Lord,  
The living One.

**NO OTHER NAME C**

His name is exalted far above the  
earth,  
His name is high above the  
heavens;  
His name is exalted far above the  
earth,  
Give Honour and Glory and Praise  
unto His name.

No other name than the name of  
Jesus,  
No other name than the name of  
the Lord,  
No other name than the name of  
Jesus,  
Is worthy of Honour,  
Is worthy of Glory,  
Is worthy of Power and of Praise.

**THE SOLID ROCK D**

My hope is built on nothing less  
Than Jesus' blood and  
righteousness;  
I dare not trust the sweetest frame,  
But wholly lean on Jesus' name.

**CHORUS**

On Christ, the solid Rock, I stand;  
All other ground is sinking sand,  
All other ground is sinking sand.

When darkness seems to hide His  
face,  
I rest on His unchanging grace;  
In every high and stormy gale,  
My anchor holds within the veil.

His oath, His covenant, His blood,  
Support me in the whelming flood;  
When all around my soul gives way,  
He then is all my hope and stay.

When He shall come with trumpet  
sound,  
Oh, may I then in Him be found;  
Dressed in His righteousness alone,  
Faultless to stand before the throne.

**I EXALT THEE F**

For Thou, oh Lord, art high above  
all the earth,  
Thou art exalted high above all  
gods;  
Thou, oh Lord, art high above all  
the earth,  
Thou art exalted high above all  
gods.

**CHORUS**

I exalt Thee, I exalt Thee,  
I exalt Thee Oh Lord!  
I lift my hands to You,  
I sing a song for You,  
I exalt Thee oh Lord!

**IT'S DRIPPING WITH BLOOD D**

The first one to die for this Holy Ghost plan,  
Was John the Baptist, but he died like a man;  
Then came the Lord Jesus, they crucified Him,  
He taught that the Spirit would save men from sin.

**CHORUS**

It's dripping with blood, yes,  
It's dripping with blood,  
This Holy Ghost Gospel is dripping with blood,  
The blood of disciples who died for the Truth,  
This Holy Ghost Gospel is dripping with blood.

There was Peter and Paul, and John the divine,  
They gave up their lives so this Gospel could shine;  
They mingled their blood, like the prophets of old,  
So the true Word of God could honest be told.

Then they stoned Stephen, he preached against sin,  
He made them so angry, they dashed his head in;  
But he died in the Spirit, and gave up the ghost,  
And went to join others, in that life-giving host.

There're souls under the altar, crying, "How long?"  
For the Lord to punish those who've done wrong;  
But there's going to be more who'll give their life's blood  
For this Holy Ghost Gospel and its crimson flood.

**THE FIGHT IS ON A**

The fight is on, the trumpet sound is ringing out,  
The cry "To arms" is heard afar and near;  
The Lord of hosts is marching on to victory,  
The triumph of the right will soon appear.

**CHORUS**

The fight is on, O Christian soldiers,  
And face to face in stern array,  
With armour gleaming and colors streaming,  
The right and wrong engage today;  
The fight is on, but be not weary,  
Be strong and in His might hold fast;  
If God be for us, His banner o'er us,  
We'll sing the victor's song at last.

The fight is on, arouse ye soldiers brave and true,  
Jehovah leads, and victory will assure;  
Go buckle on the armour God has given you,  
And in His strength unto the end endure.

The Lord is leading on to certain victory,  
The bow of promise spans the eastern sky;  
His glorious name in every land shall honoured be,  
The morn will break, the dawn of peace is nigh.

**HE WHO KEEPETH ISRAEL Bm**

He who keepeth Israel  
Never slumbers nor sleeps,  
Slumbers nor sleeps,  
Slumbers nor sleeps.  
He who keepeth Israel  
Never slumbers nor sleeps,  
Slumbers nor sleeps.

**TRUE SOLDIERS C-D****CHORUS**

We've been called to be soldiers  
In the army of the Lord  
Called to stand against the darkness of this evil world  
Called to be soldiers to stand faithful and true  
This is what real soldiers do

When you took on the Name of Jesus  
Joined the Lord's Army  
One thing; you must always be battle ready  
Taking your training very seriously  
For someday, you are going to meet the devil, your real enemy.

Put on the whole armour of the Living God  
The breastplate of righteousness and the two-edged sword  
The shield of faith and the helmet of salvation  
Standing upon the Word  
Always in prayer and supplication

We wrestle not against flesh and blood  
But principalities and powers and the rulers of this evil world  
It's not by our own power, not by our might  
But by the Holy Ghost in us  
We will stand and fight.

**DAY OF VISITATION B**

I've read about the fishermen  
Who left their nets to follow him  
And nothing was greater than when Christ called their names  
I've read about Mary Magdalene and  
Oh how that story touched me  
When the Lord visited her  
Then her life was transformed  
I read of Zachaeus meeting Jesus, the Son of God  
His life was changed  
Then he made right all that was wrong  
I read of a man of the Gardarenes  
Possessed by a legion of demons  
But the Lord delivered him with great authority and he was set free

Now we know  
That God's tremendous miracles  
Have been displayed  
As a sign of His visitation  
Yes we  
are the children of Abraham  
Walking in the faith  
We stand in confidence  
Believing God is with us  
We know that He is the same yesterday, today and forever  
So let's worship Him right now

**CHORUS**

This is the day of visitation  
Though you may feel so unforgiven  
God loves the insignificant  
He can cleanse, renew and restore you to perfection  
Rejoice and accept His invitation  
Call on Him, He made a way for you  
This is the day of visitation  
The Lord Himself now dwells among us  
Now nothing is impossible  
Oh you who were bound in sin  
If you can recognize His voice within  
Today is the day of complete redemption

\*\*\*\*

**RISE UP AND COMPLETE... E**

We've been called to walk where  
no other age has  
Of all dispensations we are the  
last  
The harvest is ripe but the  
labourers are few  
The work that must be done falls  
on me and you

**CHORUS**

Refuse to be compromised by  
the enemy  
Keep your eyes fixed on the  
prize set before you and me  
There is much work to be done  
so we must  
Rise up and complete the job

We've been called to be  
lightbearers in this age  
Shining forth God's glory, oh  
what a privilege  
By our prophet messenger our  
lamps have been lit  
We're a city on a hill whose glory  
can't be hid

Each age was given a word to  
manifest  
There were always believers  
who rose and stood the test  
Now there is a word that's  
allotted to this age  
We've been called to manifest  
the fullness of this message

\*\*\*\*

**OH LORD WE'VE COME G**

Oh Lord we've come into Your  
presence  
Lord we've come  
Oh Lord we've come, to worship  
You, to honour You, to give You  
thanks and praise  
Oh Lord we've come, lifting holy  
hands  
We've come  
Oh Lord we've come to glorify, to  
magnify Your precious Holy name  
Oh Lord we've come

What a blessed privilege we have,  
To come into Your presence  
once again  
To enter into Your gates with  
thanksgiving  
To enter into Your courts with  
praise.

We embrace this golden  
opportunity  
To come into Your presence  
once again  
To enter into Your gates with  
thanksgiving  
To enter into Your gates with praise.

**THE GREAT HEAVENLY FEAST...Cm**

We are in a Heavenly Celebration  
It's the Glorious union  
The united Bride from every nation  
The redeemed church of Jesus Christ

**CHORUS**

The Feast of the great overcomers  
I would not let it pass me by  
A new song the bride of Christ is singing  
If you're one of them,  
Then praise the Lord!

In Victory we'll sing, we are Triumphant  
With tears of Joy we'll praise Our king  
The feast of victorious overcomers  
Only the redeemed shall enter in

**ONWARD SOLDIERS D**

Onward, Christian soldiers!  
Marching as to war,  
With the cross of Jesus  
Going on before;  
Christ, the royal Master,  
Leads against the foe;  
Forward into battle,  
See, His banners go!

**CHORUS**

Onward, Christian soldiers!  
Marching as to war,  
With the cross of Jesus  
Going on before.

Like a mighty army  
Moves the Church of God;  
Brothers, we are treading  
Where the saints have trod;  
We are not divided,  
All one body we,  
One in hope and doctrine,  
One in charity.

Crowns and thrones may perish,  
Kingdoms rise and wane;  
But the Church of Jesus  
Constant will remain;  
Gates of hell can never  
'Gainst that Church prevail;  
We have Christ's own promise,  
Which can never fail.

At the sign of triumph,  
Satan's host doth flee;  
Oh, then, Christian soldiers,  
On to victory!  
Hell's foundations quiver  
At the shout of praise;  
Brothers, lift your voices,  
Loud your anthems raise!

Onward, then, ye people!  
Join our happy throng;  
Blend with ours your voices  
In the triumph song;  
Glory, laud, and honour,  
Unto Christ the King;  
This through countless ages  
Men and angels sing.

**GLORY TO HIS NAME F**

Down at the cross where my  
Saviour died,  
Down where for cleansing from  
sin I cried;  
There to my heart was the blood  
applied;  
Glory to His name.

**CHORUS**

Glory to His name!  
Glory to His name!  
There to my heart was the blood  
applied,  
Glory to his name!

I am so wondrously saved from  
sin,  
Jesus so sweetly abides within,  
There at the cross where He  
took me in;  
Glory to His name!

Oh, precious fountain that saves  
from sin!  
I am so glad I have entered in;  
There Jesus saves me and  
keeps me clean;  
Glory to His name.

Come, to this fountain so rich  
and sweet;  
Cast thy poor soul at the  
Saviour's feet;  
Plunge in today, and be made  
complete;  
Glory to His name.

**BURN, BURN HOLY SPIRIT C**

Burn, burn Holy Spirit,  
Burn in me,  
Set my heart on fire!  
Fill me with the Holy Ghost,  
And God's full desire.  
Make me like the Christ of old,  
Healing and raising the dead;  
Give me the power that Jesus  
had  
Thru the blood that was shed.

**THERE IS POWER IN BLOOD F**

Would you be free from your burden of sin?  
There's power in the blood, power in the blood;  
Would you o'er evil a victory win?  
There's wonderful power in the blood.

**CHORUS**

There is power, power, wonder-working power  
In the blood of the Lamb,  
There is power, power, wonder-working power,  
In the precious blood of the Lamb.

Would you be free from your passion and pride?  
There's power in the blood, power in the blood;  
Come for a cleansing to Calvary's tide,  
There's wonderful power in the blood.

Would you be whiter, much whiter than snow?  
There's power in the blood, power in the blood;  
Sin's stains are lost in its life-giving flow,  
There's wonderful power in the blood.

Would you do service for Jesus your King?  
There's power in the blood, power in the blood;  
Would you live daily, His praises to sing?  
There's wonderful power in the blood.

**LEAD ME LORD C**

Lead me Lord, I will follow,  
Lead me Lord, I will go,  
You have called me,  
I will answer,  
Lead me Lord, I will go.

**THY LOVING KINDNESS C**

Thy loving kindness  
Is better than life,  
Thy loving kindness  
Is better than life,  
My lips shall praise Thee,  
Thus will I bless Thee,  
I will lift up my hands  
In Thy Name.

I will lift up my hands  
In Thy Name,  
I will lift up my hands  
In Thy Name.  
My lips shall praise Thee,  
Thus will I bless Thee,  
I will lift up my hands  
In Thy Name.

**OVER AND OVER F**

Over and over, He moulds me and makes me,  
Into His image He fashions this clay;  
A vessel of honour I am today,  
And it's all because Jesus  
Didn't throw this clay away.

**HAVE FAITH IN GOD F**

Have faith in God,  
Have faith in God,  
Have faith in God,  
For the answer,  
Have faith in God.

**FAITH IN GOD F**

Faith in God can move a mighty mountain,  
Faith can calm the troubled sea;  
Faith can make the desert like a fountain,  
Faith can bring the victory.

**HE HAS REDEEMED ME A**

You descended as the Son of Man in this day  
Clothed in a cloud  
You're the mighty angel, the Ancient of Days  
With the open book in your hand  
The world is found guilty, condemned to die  
Woe is me, I 'm lost and undone  
But you reached out your hand to me in love , open my blinded eyes to see  
*Behold the Lamb of Calvary -----  
-choir to repeat (of Calvary)  
Who gave His life  
He died to set me free  
He conquered sin, death, hell  
and the grave for me  
I am forgiven, I know I am redeemed*

**CHORUS**

He has redeemed me  
Sing Worthy is the Lamb  
My soul is cleansed, my life He has changed  
I have full redemption  
He claimed me as his own  
Sing Hallelujah (lead singer) , my Redeemer lives  
The Son is risen He lives in me.

Your redemption plan you have unveiled  
Through opening of those seven seals  
You gave power to live, faith to overcome  
This world and the evils of this age  
I am his bride appointed to sit at his side  
O what grace in you Lord I've found

With a grateful heart I would lift my voice  
Thank you Lord for your amazing love  
*You are the Lion of Judah that has prevailed (You have prevailed)  
And some sweet day we 'll crown him King of Kings  
Rapturing faith, he gave for my body change  
And from this world I will be taken up*

**BRIDGE**

All blessings and praise and power  
Glory and Honour  
Worthy is the Lamb that was slain  
Now Babylon is fallen  
For the day of vengeance is in my heart  
And the year of my redeemed is come.

**CHORUS**

He has redeemed me  
Sing worthy is the Lamb (Worthy is the Lamb)  
The resurrected Christ is in our midst  
And from the graves, the sleeping ones shall raise again  
Sing hallelujah , My Redeemer lives  
We have redemption in power, completeness and joy  
The Son is risen (I have this testimony)  
My Redeemer lives  
The Son is risen  
He lives in me.

**HIDE ME AWAY OH LORD C**

A desire is burning in my heart  
To draw closer to you Lord  
I've been living too far apart  
Obedient I want to be  
You living inside of me  
I know You'll settle for nothing  
less  
Than to look at me and see  
yourself

**CHORUS**

So hide me away Oh Lord  
In your bosom I want to be  
Into your secret place  
My deepest desire Lord  
Is all of you Oh Lord  
I'm crying out prayerfully  
Seeking your holy face  
For all that you've promised me

Lord I've had many victories  
before  
Now I see the world I shaking  
My life is shaking  
And I need you even more  
The enemy is at the door  
Determined to destroy me  
But I will live a victorious life  
Like Jesus Christ  
Lord, take all that is not of thee

**BRIDGE**

Lord I believe You'll answer  
prayer  
Lord I believe You'll answer  
prayer Lord I believe You'll  
answer prayer As I call on Thee  
Lord I know You'll answer Prayer  
Lord I know You'll answer Prayer  
Lord I know You'll answer Prayer  
And deliver me

**WE ARE THE BUILDERS A**

Bring the cedars of lebanon  
Bring the pine trees too  
Carefully with great precision  
Bring them to jerusalem  
Let's build god's house with rejoicing  
We are commissioned to do this  
great work  
As we labour in love with one vision  
Every attribute must come to  
perfection

We are the builders. We are the  
workers  
At the 11th hour we are  
determined  
That our mission must be  
completed  
We will finish the house of god  
And the stone that was cut  
without hands  
Once again rejected by men, but  
Today the capstone has found a  
place in my heart

Stand strong my brothers and  
sisters  
As we lay our foundation of faith  
this temple cannot be shaken  
So stand strong with revelation  
God is moulding our lives in  
simplicity  
We are growing every day  
Till we come in his image and  
likeness  
We'll continue to labour and build

One day our labours be over  
And we will feast with our lord  
Dressed in his royal apparel  
We'll reign as kings and priest on  
the earth  
His glory will have no  
comparison  
It's beyond every great story told  
Nothing can stop this union  
As christ and his bride becomes  
on

**LOVE LIFTED ME G**

I was sinking deep in sin,  
Far from the peaceful shore,  
Very deeply stained within,  
Sinking to rise no more;  
But the Master of the sea  
Heard my despairing cry,  
From the waters lifted me,  
Now safe am I.

**CHORUS**

Love lifted me! Love lifted me!  
When nothing else could help, love  
lifted me.  
Love lifted me! Love lifted me!  
When nothing else could help, love  
lifted me.

All my heart to Him I give,  
Ever to Him I'll cling,  
In His blessed presence live,  
Ever His praises sing.  
Love so mighty and so true  
Merits my soul's best songs;  
Faithful, loving service too,  
To Him belongs.

Souls in danger, look above,  
Jesus completely saves;  
He will lift you by His love  
Out of the angry waves.  
He's the Master of the sea,  
Billows His will obey;  
He your Saviour wants to be;  
Be saved today.

**WE BRING THE SACRIFICE D**

We bring the sacrifice of praise  
Into the house of the Lord,  
We bring the sacrifice of praise  
Into the house of the Lord,  
And we offer up to You  
The sacrifices of thanksgiving,  
And we offer up to You  
The sacrifices of praise.

**ONE OF THEM G**

There are people almost  
everywhere,  
Whose hearts are all aflame  
With the fire that fell at Pentecost,  
Which cleansed and made them  
clean;  
It is burning now within my heart,  
All glory to His name!  
I'm so glad that I can say I'm one  
of them.

**CHORUS**

One of them, one of them,  
I am glad that I can say I'm one of  
them;  
One of them, one of them,  
I'm so glad that I can say I'm one  
of them.

Though these people may not  
learned be,  
Nor boast of worldly fame,  
They have all received their  
Pentecost,  
Baptized in Jesus' name;  
And are telling now, both far and  
wide,  
His power is yet the same,  
I'm so glad that I can say I'm one  
of them.

They were gathered in the upper  
room,  
All praying in His name,  
They were baptized with the Holy  
Ghost,  
And pow'r for service came;  
Now what He did for them that day  
He'll do for you the same,  
I'm so glad that I can say I'm one  
of them.

Come, my brother, seek this  
blessing  
That will cleanse your heart from  
sin,  
That will start the joy-bells ringing  
And will keep the soul aflame;  
It is burning now within my heart,  
All glory to His name,  
I'm so glad that I can say I'm one  
of them.

**BAPTIZED INTO THE BODY** F

Have you been baptized into the Body?  
Baptized with the Holy Ghost;  
There is but one way to enter in it,  
Just as they did on Pentecost.

**CHORUS**

Are you in the Church triumphant?  
Are you in the Saviour's Bride?  
Come and be baptized into the Body,  
And forevermore abide.

There is but one Church, Bride or Body,  
And into it we're all baptized;  
By the one, true, promised Holy Spirit;  
Though by the world we're all despised.

Every creed has claimed to be the Body,  
But the "plumb line" proved untrue  
All their dreams, for God has so determined  
To bring His Son's true Bride to view.

Many thought that they were in the Body,  
'Till the Holy Ghost had come;  
When the Word of God was opened to them,  
They entered in, and yet there's room.

Those who died before the Holy Spirit  
came upon us from on high,  
May, by faith with saints of old departed,  
Arise to meet Him in the sky.

When the Bridegroom comes,  
will you be ready;  
And your vessel all filled and bright?  
You will be among the foolish virgins  
If you do not walk in the light.

**I KNOW WHOM I BELIEVED** C

I know not why God's wondrous grace  
To me He hath made known,  
Nor why, unworthy, Christ in love  
Redeemed me for His own.

**CHORUS**

But "I know whom I have believed,  
And am persuaded that He is able  
To keep that which I've committed  
Unto Him against that day."

I know not how this saving faith  
To me He did impart,  
Nor how believing in His Word  
Wrought peace within my heart.

I know not how the Spirit moves  
Convincing men of sin,  
Revealing Jesus through the Word,  
Creating faith in Him.

I know not what of good or ill  
May be reserved for me,  
Of weary ways or golden days,  
Before His face I see.

I know not when my Lord may come,  
At night or noonday fair,  
Nor if I'll walk the vale with Him,  
Or "meet Him in the air."

**HIS NAME IS WONDERFUL** C

His Name is Wonderful;  
His Name is Wonderful;  
His Name is Wonderful, Jesus my Lord.  
He is the Mighty King,  
Master of everything,  
His Name is Wonderful, Jesus my Lord.  
He's the great Shepherd,  
The Rock of all ages,  
Almighty God is He.  
Bow down before Him,  
Love and adore Him,  
His Name is Wonderful, Jesus my Lord.

**RUN FOR YOUR LIFE** F**CHORUS**

Run for your life the end is here,  
Hell is on the earth please don't delay (2x)

We are in the Third Exodus; the Pillar of Fire is here  
The Angel of the Lord has come to take us home  
The blessed Millennium will soon be on the earth  
So come into the shelter, oh please friend don't delay

The pale horse rider is riding in this hour  
His name is called death and hell follows him  
He's gathering his subjects by a three-fold power  
Of politics, religion and demon, oh friend watch and pray

Two hundred million devils are raging with fury  
Destroying and deforming all those that are left behind  
And three unclean spirits like frog are deceiving  
The people in the churches and leading them to death

There's a mamba on the highway, its biting the people  
With the seed of unbelief in the Message of the hour  
But the prophet was given the power to bind it  
And everything below him oh praise God we are safe

The beast of Revelation is trailing forth his power  
And causing all the people who have rejected the Word  
To receive in their forehead and in their right hands  
The mark of the beast, oh friends you won't escape

**HOLD BACK THE WINDS** F

The year of My Redeemed has come  
The day of vengeance is in My heart  
And what is in The heart will be manifested  
I can clearly see The Angel's hand, lifted up,  
Saying, 'Time shall be no more',  
He that is filthy shall be filthy still.  
He that is righteous shall be righteous still.  
So make haste. Get ready.....oooh  
I can hear the Angel cry..

**CHORUS**

Hold back the wind  
'Till the last one is sealed  
Hold back the wind  
Just a few more names to be revealed  
Hold back the wind  
I can hear the Angel cry.  
It's the sealing of the 11th hour  
Gentile Worker (God's Elected Bride)  
Hold the wind.

Redemption Message of Grace has come.  
Soon, time will be no more  
When the door swings shut, then intercession is over  
So as the Holy Spirit hunts out the Elect  
And as a roaring Lion the Son of Man cries  
Run! Into the ark  
Get your Lamps filled with oil  
That you will not be weighed and found wanting  
Make haste. Get ready.....  
For I hear the Angel cry.....

**BRIDGE**

The Spirit and the Bride say,  
Run! Into the ark.  
Get your lamps filled with oil.  
Run! Run for your life  
We are living on borrowed time  
Lets Run! In desperation  
That the token be applied  
Run! To the finish line  
This is an urgent cry.

I hear the Angel cry....  
Hold back the wind

**KEEP YOUR EYES ON** F

I can feel the pressure rising  
upon the land  
As the plague of locusts swiftly  
devour its inheritance  
And while the earth is groaning  
for deliverance  
The Lord is uttering secrets to  
his children  
I will restore (of how he'll restore)  
Children of Zion lets lay aside  
our weight of sin  
That we will not be caught in the  
judgment that is rising  
On the dreadful (terrible day of  
the Lord)

**CHORUS**

Keep your eyes on  
Upon your promise  
There's a trumpet sounding in  
Zion sounding freedom  
May hearts be filled with  
gladness  
Sanctified and holy, signed,  
sealed and filled  
On the terrible day of the Lord.

When I see all nations  
Gather against Israel  
To steal their inheritance of  
Jerusalem  
The trumpet sound reminds me it  
won't be long again  
When the Lord would take his in  
the rapture  
He'll hide her away  
Children of Zion lets live for one  
another  
Let's make sure no one get left  
behind  
To face the wrath  
Of the terrible day of the Lord

May your floors be filled with  
wheat  
Oh Zion  
May your vats overflow with oil  
and wine  
May your old men see visions

May your sons and your  
daughters prophesy  
May you never be ashamed  
For the Lord knows your name  
as Mrs. Christ  
And when all nations gather  
against you  
Oh Zion  
You are a mighty army  
I am your general  
Mighty is the Lord  
For his people he will fight

**MAKE ME LIKE YOU LORD** F**CHORUS**

Make me more like you, Lord.  
Make me more like you, Lord.  
An overcomer in all my trials,  
Make me more like you (2x)

I've been walking this dusty road  
Expecting my filling everyday  
For without your Holy Spirit,  
without your guiding hand  
I cannot find my way  
But I have faith in your holy  
word, the promises you gave to  
me in this hour  
I'm living under expectation,  
For I believe that you can fill me,  
even now (Oh Lord)

I know that Jesus, did it all  
before.  
What I face now, He has already  
overcome.  
If I can have just a little bit, and  
then a little more of His life, then  
each day I'll be stronger.  
I believe You've placed me on  
this earth, predestinated to stand  
and overcome.  
To live for You in this evil day,  
But I cannot do it Lord, without  
the Holy Ghost (deep inside of  
me).

**WHEN HE REACHED DOWN** A

Once my soul was astray from the  
heavenly way,  
And was wretched and vile as  
could be;  
But my Saviour above, gave me  
peace, joy and love,  
When He reached down His hand  
for me, for me.

**CHORUS**

When He reached down His hand  
for me,  
When He reached down His hand  
for me;  
I was lost and undone, without  
God or His Son,  
When He reached down His hand  
for me, for me.

I was nearing despair, when He  
came to me there,  
And He showed me that I could be  
free;  
Then He lifted my feet, gave me  
glory complete,  
When He reached down His hand  
for me, for me.

How my heart doth rejoice since I  
made Him my choice,  
From the tempest to Him now I  
flee;  
Now I lean on His arm, I'm secure  
from all harm,  
Since He reached down His hand  
for me, for me.

Since the Lord gave me peace,  
Heavenly joys never cease;  
Lord, I give all my life unto Thee;  
Guide my feet, hold my hand,  
grant with Thee I may stand,  
For You reached down Your hand  
for me, for me.

**LORD I HUNGER** C

Lord, I hunger for holiness,  
And I thirst for the righteousness  
that's Yours;  
That my mind would be  
cleansed,  
And my spirit renewed,  
And this temple that You dwell in  
would be pure.

**PEACE IN THE VALLEY** C

Well, I'm tired and so weary, but I  
must go along;  
Till the Lord comes and calls me  
away, oh, yes;  
Well the morning is bright, and the  
Lamb is the Light;  
And the night, night is as fair as  
the day, oh, yes.

**CHORUS**

There will be peace in the valley  
for me some day;  
There will be peace in the valley  
for me, oh, Lord, I pray;  
There'll be no sadness, no sorrow,  
no trouble I'll see;  
There will be peace in the valley  
for me.

There the flow'rs will be looming,  
And the grass will be green;  
And the skies will be clear and  
serene, oh, yes;  
Well the sun ever beams, in this  
valley of dreams;  
And no clouds there will ever be  
seen, oh, yes.

Well, the bear will be gentle, and  
the wolf will be tame;  
And the Lion shall lay down by the  
Lamb, oh, yes;  
Well the beast from the wild, shall  
be led by a little child;  
And I'll be changed, changed from  
this creature that I am, oh, yes.

**ONE THING I DESIRED** D

One thing have I desired of the Lord,  
That will I seek after;  
That I may dwell in the House of  
the Lord all the days of my life  
To behold the beauty, the beauty }  
of the Lord; }  
To inquire in His temple, }  
The temple of the Lord. }2x

**HOW GREAT THOU ART** **G**

O Lord my God! When I in  
awesome wonder,  
Consider all the worlds Thy hands  
have made;  
I see the stars, I hear the rolling  
thunder,  
Thy power throughout the universe  
displayed.

**CHORUS**

Then sings my soul, my Saviour  
God to Thee;  
How great Thou art, how great  
Thou art!  
Then sings my soul, my Saviour  
God to Thee;  
How great Thou art, how great  
Thou art!

When through the woods and  
forest glades I wander  
And hear the birds sing sweetly in  
the trees;  
When I look down from lofty  
mountain grandeur  
And hear the brook and feel the  
gentle breeze.

And when I think that God, His  
Son not sparing,  
Sent Him to die, I scarce can take  
it in;  
That on the cross, my burden  
gladly bearing,  
He bled and died to take away my  
sin.

When Christ shall come with shout  
of acclamation  
And take me home, what joy shall  
fill my heart!  
Then I shall bow in humble  
adoration  
And there proclaim, my God, how  
great Thou art!

**THE HAVEN OF REST** **F**

My soul in sad exile  
Was out on life's sea,  
So burdened with sin and distressed,  
Till I heard a sweet voice saying,  
"Make Me your choice;"  
And I entered the "Haven of Rest!"

**CHORUS**

I've anchored my soul in the haven  
of rest,  
I'll sail the wild seas no more;  
The tempest may sweep o'er the  
wild, stormy deep,  
In Jesus I'm safe evermore.

I yielded myself to His tender  
embrace,  
And faith taking hold of the Word,  
My fetters fell off, and I anchored  
my soul;  
The Haven of Rest is my Lord.

The song of my soul,  
Since the Lord made me whole,  
Has been the old story, so blest,  
Of Jesus, who'll save whosoever  
will have  
A home in the "Haven of Rest!"

How precious the thought that we  
all may recline,  
Like John, the beloved and blest,  
On Jesus' strong arm,  
Where no tempest can harm,  
Secure in the "Haven of Rest!"

O come to the Saviour,  
He patiently waits,  
To save by His power divine;  
Come, anchor your soul in the  
haven of rest  
And say, "My Beloved is mine."

**HE IS LORD** **F**

He is Lord, He is Lord;  
He has risen from the dead and  
He is Lord,  
Every knee shall bow, every  
tongue confess,  
That Jesus Christ is Lord.

**THE WIDOW WITH NOTHING** **G**

There was nothing left  
Just a little bit of oil  
That was all she had  
Her situation looked hopeless  
Life seemed empty  
The fire that she had was gone  
and she could no longer sustain  
her family  
A widow with nothing  
She was a widow with nothing  
That was her story

With the creditor approaching  
In her most desperate time of  
need  
She stood all alone, no friends  
no family  
They read their charges  
You cannot pay your debt  
Your children now becomes our  
ransom  
And They shall be taken,  
"she cried"

Lord I have nothing left  
I'm a widow with nothing  
That was her testimony

But, when God heard her  
desperate cry  
He came down for His own  
He quickly came to her as He  
heard the cry of His own.  
He led her to find Elisha  
The prophet for that hour

Go – Thus saith the Lord  
God had already told me your  
troubles will be gone.  
The story of your life will be  
different from now on.  
Bring every jar you can find,  
God will transform your life  
The little oil that you have will be  
multiplied  
Even now

Your children would never be  
slaves and you would never be,  
in debt anymore.

God has chosen you and in your  
home He will work a paradox.

In the house that was empty now  
has everything.  
The widow who was weeping  
can rejoice and sing.  
Where there was nothing, today  
you can have it all.  
Step out by faith and see God  
multiply your oil  
Now your fire's burning, shine  
your light each day.  
You've touched the hem of His  
garment as He passed your way  
All who saw you suffer at the  
hands of death, now sees the  
blessings of the Lord.  
even now

**FULL REDEMPTION.....D**

We have heard mother's eagle  
cry,  
We will fly above the things of  
this world,  
For his word is made life in us,  
In this end time bride

**CHORUS**

We have received a full  
redemption,  
From a life of sin,  
In this evil age,  
The Lord has descended  
In this day,  
The word is made plain;  
We'll never be lost again

**MY LANGUAGE HAS..... F**

People are wondering about my true identity - and I know each one draws his own conclusion for so many years - I have been wondering too - what I was - where I came from - and where I was going.

The Lord has performed a great paradox - for He came to break the seals of my life

To let me know - that even behind this flesh

The Father Himself has established residency

Since that very day

My language has changed I have speaking - speaking just like Christ Himself

Me and the Father, yes we are one And I m not ashamed to testify

Hallelujah my language has changed Hallelujah, thank you Jesus Hallelujah, my language has changed Hallelujah, I have been quickened

The People of Zebulon and those from Naphtali

Saw a great light when Jesus went to them

for He was the fulfillment of many prophecies -

A fulfilled scripture becomes a great light .

My Lord has performed a great paradox - for He has fulfilled many promises concerning me Since that very day - my language has changed - I have been speaking speaking just like Christ Himself

I am the light in this dark world' and I m not ashamed to testify

Hallelujah my language has changed Hallelujah, thank you Jesus Hallelujah, my language has changed Hallelujah, I have been quickened I am proof of resurrection in this dying world -

and I m not ashamed to tell the whole wide world

Me and the bridegroom - Yes we are one

and I m not ashamed to sing about it

**OUR TREMENDOUS GOD C**

When I'm in need, I call on the Lord  
And He hears me, yes He helps me  
He is faithful, and true,  
Wouldn't forget His own  
My Companion, my best friend,  
The only True God,  
There's no one greater  
Wonderful Saviour Jesus,  
The Lion of Judah!

**CHORUS**

Our God is tremendous,  
His strength never faileth  
He'll go through the Fire,  
Just to save a sinner  
Yes He is almighty,  
He sends His angels to guide me.  
There is no storm too powerful,  
Our God cannot handle  
God in simplicity,  
Revealed in you and me  
Came down from His glory and  
gives us the victory  
The greatest love story!

When you're in need,  
Call on the Lord  
He will hear you  
And He can heal you,  
He is faithful, and true,  
Wouldn't forget His own  
He can be your companion,  
Your best friend  
The only true God,  
There's no one greater  
Wonderful Savior Jesus  
The Lion of Judah!

When you're in trouble,  
Jehovah Nissi  
The great enforcer, Alcyone  
Will fight your battles  
Oh yes, He will stand for you  
Your victory will come not the  
way you think it should  
'Cause my great Jehovah  
Just loves a paradox  
So just stay on your position  
And watch the miraculous  
come into action

**SUCH LOVE F**

That God should love a sinner  
such as I,  
Should yearn to change my sorrow  
into bliss,  
Nor rest till He had planned to  
bring me nigh,  
How wonderful is love like this!

**CHORUS**

Such love, such wondrous love,  
Such love, such wondrous love,  
That God should love a sinner  
such as I,  
How wonderful is love like this!

That Christ should join so freely in  
the scheme,  
Although it meant His death on  
Calvary,  
Did ever human tongue find nobler  
theme,  
Than love divine that ransomed  
me?

That for a willful outcast such as I,  
The Father planned, the Saviour  
bled and died;  
Redemption for a worthless slave  
to buy,  
Who long had law and grace  
defied.

And now He takes me to His  
heart, a son,  
He asks me not to fill a servant's  
place;  
The "far-off country" wand'rings  
all are done,  
Wide open are His arms of  
grace.

**I LOVE HIM TOO MUCH E**

I love Him too much to fail Him now,  
I love Him too much to break my  
vow,  
For I promised the Lord,  
That I would make it somehow,  
And now I love Him too much,  
To fail Him now.

**BLESSED ASSURANCE C**

Blessed assurance, Jesus is mine!  
Oh, what a foretaste of glory divine  
Heir of salvation, purchased of God  
Born of His Spirit, washed in His  
Blood.

**CHORUS**

This is my story, this is my song,  
Praising my Saviour all the day long;  
This is my story, this is my song,  
Praising my Saviour all the day long.

Perfect submission, perfect delight,  
Visions of rapture now burst on my  
sight;  
Angels descending, bring from above  
Echoes of mercy, whispers of love.

Perfect submission, all is at rest,  
I in my Saviour am happy and blest;  
Watching and waiting, looking above  
Filled with His goodness, lost in  
His love.

**HE TOUCHED ME D**

Shackled by a heavy burden  
'Neath a load of guilt and shame,  
Then the hand of Jesus touched me,  
And now I am no longer the same.

**CHORUS**

He touched me, Oh He touched me  
And oh, the joy that floods my soul!  
Something happened and now I  
know,  
He touched me and made me whole.

Since I met this blessed Saviour,  
Since He cleansed and made me  
whole,  
I shall never cease to praise Him,  
I'll shout it while eternity rolls.

**MY FAITH LOOKS UP TO THEE C**

My faith looks up to Thee,  
Thou Lamb of Calvary,  
Saviour divine,  
Now hear me while I pray,  
Take all my sin away,  
O let me from this day  
Be wholly Thine!

May Thy rich grace impart  
Strength to my fainting heart,  
My zeal inspire;  
As Thou hast died for me,  
O may my love to Thee,  
Pure, warm, and changeless be,  
A living fire!

While life's dark maze I tread,  
And griefs around me spread,  
Be Thou my Guide;  
Bid darkness turn to day,  
Wipe sorrow's tears away,  
Nor let me ever stray  
From Thee aside.

158

**CREATE IN ME G**

Create in me a clean heart, }  
Oh God, }  
And renew a right spirit }  
within me; }2x  
Cast me not away from Thy  
presence, Oh God,  
Take not Thy Holy Spirit from  
me;  
Restore unto me the joy of Thy  
salvation,  
And renew a right spirit within  
me.

159

**WHY WORRY G**

Why worry, when you can pray?  
Trust the Saviour, He'll show the  
way;  
Don't be like doubting Thomas,  
Rest fully on His promise,  
Why worry, worry, worry, worry  
When you can pray?

**THE LOVE OF GOD C**

The love of God is greater far  
Than tongue or pen can ever tell;  
It goes beyond the highest star,  
And reaches to the lowest hell.  
The guilty pair, bowed down with  
care,  
God gave His Son to win;  
His erring child He reconciled,  
And pardoned from his sin.

**CHORUS**

O, love of God, how rich and pure!  
How measureless and strong;  
It shall forevermore endure,  
The saints and angels song.

When hoary times shall pass away,  
And earthly thrones and kingdoms  
fall;

When men who here refuse to pray,  
On rocks and hill and mountains call;  
God's love, so sure, shall still  
endure,

All measureless and strong;  
Redeeming grace to Adam's race,  
The saints' and angels' song.

Could we with ink the ocean fill,  
And were the skies of parchment  
made;  
Were every stalk on earth a quill,  
And every man a scribe by trade;  
To write the love of God above  
Would drain the ocean dry;  
Nor could the scroll contain the  
whole,  
Though stretched from sky to sky.

161

**WE ARE THE SONS OF GOD D**

We are the sons of God,  
We are the sons of God,  
We have washed our robes  
In the blood of Jesus,  
We are the sons of God.

**I'LL SAY AMEN F**

Beyond this flesh that you can  
see now  
beyond all weaknesses of this  
flesh - there is a connection with  
Jesus Christ

**CHORUS**

I don't know how - I don't why  
I cannot explain the love of God  
for my soul  
Down inside of me - when I  
hear the word  
my heart says Amen - I'll say Amen

He has said that I will be perfect  
- with the virtues of Jesus Christ  
Himself  
but I look around, I can still see  
imperfections - Shown to me by  
the devil my enemy  
trying to get me sad and  
depressed  
but I stand right up on my two  
feet - look at him straight in the  
eyes and I say:

He has said that I will be  
raptured - to fly away in the sky  
and discover this other dimension  
I can still feel the force of gravity  
trying to pull me down to this earth  
and get me stuck in this place  
but I stand right up on my two  
feet - raise my hands challenging  
gravity and I say :

He has said that I will be perfect  
- with the virtues of Jesus Christ  
Himself  
but I look around, I can still see  
imperfections - Shown to me by  
the devil my enemy  
trying to get me sad and depressed  
but I stand right up on my two  
feet - look at him straight in the  
eyes and I say:

I'll say amen - I'll say amen - I'll  
say amen

I will be rapture - I say amen  
nothing wrong with me - i say amen  
It is well with my Soul - I say amen  
Revelation 10: 8-11 - I say amen  
to malachi 4 - I say  
it is my turn to prophecy - I say amen  
by faith  
I say amen

**NEVER GIVE UP C**

A Believer must be tried and  
tested  
How else would I know, what I've  
got in me,  
You see my trials only comes to  
make me strong,  
It's a stepping stone for my  
perfection,

**CHORUS**

So I will fight,  
And I will never give up, no  
I was born to overcome,  
I was in him  
When the morning stars sang,  
He's the same God when  
Joshua spoke and stop the sun,  
So be not afraid,  
Only be though strong,  
Know I'm your God and  
I am standing here with you

Now the enemy, will ask you  
what are you fighting for,  
Tell him, you came back to take  
what he took from you,  
Saints, if our God is before us  
Then tell me,  
Who can be against us,  
We've been commissioned to  
take back our land

Behold your God,  
Shall deliver you from your  
enemies,  
And you shall possess your land,  
You keep on pressing;  
You've come too far to turn back  
now,  
So be courageous,  
Fight the good fight of Faith

**CHORUS**

So we will fight  
And we will never give up, no  
We were born to overcome,  
We were in him  
When the morning stars sang

**GIVEN REDEMPTION... E**

The Supreme Judge in the form  
of man  
Came down, men sacrificed  
Yet while on the cross,  
He was still pardoning life  
And as guilty as can be,  
The Lamb pardoned me  
When he rent the veil in twain,  
To the Holy of Holies

**CHORUS**

Given Redemption  
Woe was a sinner like me  
Given Redemption  
Should've been me hanging on  
that tree  
Could've called his angels  
And say take me down from the  
tree  
But Jesus loved me  
From before the world began  
and I  
Was Given Redemption

There they crucified him  
The most holy one  
God's only begotten son  
They brought their own  
indictment  
When once again men slew the  
lamb  
And though many wash their  
hands  
Of the blood of the lamb  
Tell me what would you do  
With this Jesus called Christ?

**CHORUS**

Given Redemption  
He could've dropped the cross of  
your sin  
Given Redemption  
But he made you free from  
indwelling sin

Could've said Lord take this cup  
But he said, Nevertheless let thy  
will be done  
That you were given redemption

Now in this day we saw the Son  
of Man  
This same One from Calvary  
Leaving the Heavenly Sanctuary  
Coming in a Cloud with power  
and great Glory  
He has returned to claim you and  
me  
We looked and saw Him up high  
This Christ Who has been made  
unto us Redemption

When I consider, the places that  
I am to pass sometimes  
the burdens that I have to bear, I  
consider Redemption  
When I see the condition of the  
world and it's women  
How men's heart are continually  
failing for fear  
I think of I being one of the few  
that had been pulled out of the  
mock and miry clay  
I consider my redemption  
I know it wasn't only me  
But I can sing about Redemption  
and I thank God for Redemption

Given Redemption  
Once again we'll reign as kings  
and priests  
Given Redemption  
So like John let's worship Him  
Given Redemption  
He's God's Lamb for you and me  
Given Redemption  
He's no longer on that Tree  
Given Redemption  
Now He lives in you and me  
Given Redemption  
We have come back to Eternity  
Given Redemption  
The Headstone shouts Grace to  
you and me  
Given Redemption...

**THE BREAKING OF THE DAY C**

'Tis almost time for the Lord to come,  
I hear the people say;  
The stars of heaven are growing dim:  
It must be the breaking of the day.

**CHORUS**

O, it must be the breaking }  
of the day, }2x  
The night is almost gone,  
The day is coming on:  
O, it must be the breaking of the day.

The signs foretold in the sun and  
moon,  
In earth and sea and sky,  
Aloud proclaim to mortal men,  
That the coming of the Master  
draweth nigh.

It must be time for the waiting church  
To cast her pride away,  
With girded loins and burning lamps  
To look for the breaking of the day.

There must be those in the field of  
sin,  
Far from the fold astray,  
Who once were happy in Jesus' love,  
And looking for the breaking of the  
day.

Go quickly out in the streets and  
lanes,  
And in the broad highway,  
And call the maimed, the halt and  
blind,  
To be ready for the breaking of the  
day.

**LET'S PRAISE THE LORD D**

Let's just praise the Lord, }  
Praise the Lord, }  
Let's just lift our hands }  
towards heaven and praise }  
the Lord. }2x

**BEYOND THE SUNSET C**

Beyond the sunset, O blissful  
morning,  
When with our Saviour heaven is  
begun.  
Earth's toiling ended, O glorious  
dawning;  
Beyond the sunset, when day is  
done.

Beyond the sunset no clouds will  
gather,  
No storms will threaten, no fears  
annoy.  
O day of gladness, O day unending;  
Beyond the sunset, eternal joy.

Beyond the sunset, a hand will  
guide me  
To God, the Father, whom I adore;  
His glorious presence, His words  
of welcome,  
Will be my portion on that fair shore.

Beyond the sunset, O glad reunion,  
With our dear loved ones who've  
gone before.  
In that fair homeland we'll know no  
parting.  
Beyond the sunset forevermore.

**MAJESTY F**

Majesty, worship His Majesty;  
Unto Jesus be all glory, power and  
praise,  
Majesty, Kingdom authority  
Flows from His throne unto His  
own,  
His anthem raise.

So exalt, lift up on high the name  
of Jesus;  
Magnify, come glorify Christ Jesus  
the King,  
Majesty, worship His Majesty,  
Jesus who died, now glorified,  
King of all Kings.

**THERE IS A FOUNTAIN** **A**

There is a fountain filled with blood,  
 Drawn from Immanuel's veins,  
 And sinners, plunged beneath that flood,  
 Lose all their guilty stains.}3x  
 And sinners, plunged beneath that flood,  
 Lose all their guilty stains.

The dying thief rejoiced to see  
 That fountain in his day;  
 And there may I, though vile as he,  
 Wash all my sins away.  
 Wash all my sins away.  
 Wash all my sins away.  
 And there may I, though vile as he,  
 Wash all my sins away.

Thou dying Lamb, Thy precious blood  
 Shall never lose its power,  
 Till all the ransomed Church of God  
 Be saved, to sin no more.  
 Be saved, to sin no more.  
 Be saved, to sin no more.  
 Till all the ransomed Church of God  
 Be saved, to sin no more.

E'er since by faith I saw the stream  
 Thy flowing wounds supply,  
 Redeeming love has been my theme,  
 And shall be till I die,  
 And shall be till I die,  
 And shall be till I die;  
 Redeeming love has been my theme,  
 And shall be till I die.

Then in a nobler, sweeter song,  
 I'll sing Thy power to save,  
 When this poor lispings,  
 stammering tongue  
 Lies silent in the grave.  
 Lies silent in the grave.  
 Lies silent in the grave.  
 When this poor lispings,  
 stammering tongue  
 Lies silent in the grave.

**DOWN FROM HIS GLORY** **D**

Down from His glory, ever living story,  
 My God and Saviour came, and  
 Jesus was His Name.  
 Born in a manger, to His own a  
 stranger,  
 A Man of sorrows, tears and  
 agony.

**CHORUS**

O how I love Him! How I adore Him!  
 My breath, my sunshine, my all in all!  
 The great Creator became my  
 Saviour,  
 And all God's fullness dwelleth in  
 Him.

What condescension, bringing us  
 redemption;  
 That in the dead of night, not one  
 faint hope in sight;  
 God, gracious, tender, laid aside  
 His splendour,  
 Stooping to woo, to win to save my  
 soul.

Without reluctance, flesh and  
 blood His substance,  
 He took the form of man, revealed  
 the hidden plan.  
 O glorious mystery, Sacrifice of  
 Calvary,  
 And now I know Thou wert the  
 great "I AM."

**THINK ABOUT HIS LOVE** **F**

Think about His Love,  
 Think about His Goodness,  
 Think about His Grace  
 That has brought us through;  
 For as high as the Heavens above;  
 So great is the measure of our  
 Father's Love;  
 Great is the measure of our  
 Father's Love.

**BELIEVE FROM THE HEART** **D**

No one never finish a race if he  
 doesn't start  
 And no one never finish a race if  
 he stops  
 There must be an achievement  
 there must be a gold  
 And you can start when you  
 believe from the heart

There must be an unlocking in  
 your mind  
 To see this love so divine  
 To see predestination  
 To know he'll keep his word  
 And He can't fail when you  
 Believe from the heart

**CHORUS**

From the heart you can be still  
 and wait  
 from the heart you'll make the  
 devil shake  
 From the heart you'll have a  
 word that is sure  
 When you confess and go forth  
 When you believe his every word  
 Expect to see the seventh seal

There must be a promise for faith  
 to take a hold  
 A place where you can anchor  
 your soul  
 And when you live there and be  
 still and wait  
 Then faith operates When you  
 believe from the heart

It not impossible to believe those  
 things you speak you will receive  
 it's by inspiration, not what you  
 think or what you feel  
 it's God sovereign will when you  
 believe from the heart

From the heart you can face the  
 whole wide world  
 From the heart there is a certain call  
 From the heart there is a deep  
 that burns when you confess and  
 go forth

From the heart you'll have the  
 spoken word  
 From the heart you can speak a  
 whole new world  
 From the heart you'll have a  
 word that is sure  
 When you confess and go forth

Expect to see your kinsman on the  
 scene  
 Expect to see your redeemer on  
 the scene  
 Expect to see Jesus on the scene

**MY REDEEMER LIVES...** **G**

Who taught the sun where to stand  
 in the morning  
 And who told the ocean you can only  
 come this far  
 And who showed the moon where to  
 hide till evening  
 Whose words alone can catch a  
 falling star

**CHORUS**

The very same God  
 That spins things in orbit  
 Runs to the weary, the worn and the  
 weak  
 And the same gentle hands that hold  
 me when I'm broken  
 They conquered death to bring me  
 victory

He lives  
 To take away my shame  
 And He lives  
 Forever I'll proclaim  
 That the payment for my sins  
 Was the precious life He gave  
 And now He's alive and  
 There's an empty grave

I know my Redeemer lives  
 I know, That I know, that I know, that  
 I know, that I know  
 He lives my redeemer lives  
 Because He lives I can face  
 tomorrow  
 He lives  
 I know, I know  
 He lives, I spoke with Him this  
 morning  
 He lives, The tomb is empty  
 He Lives, I'm going to tell everybody

**DOES HE STILL FEEL THE ... D**

They tell me Jesus died for my transgressions, and That he paid the price along long time ago  
When he give his life for me on a hill on Calvary,  
But there's something else I want to know

**CHORUS**

Does he still feel the nails every time I fail?  
Can he hear a crowd cry crucify again,  
Am I causing him pain that I know I've got to change?  
Cause I just can't bear the thought of hurting him.

It seems that I'm so good, I'm breaking promises  
And that I treat his precious Christ all so carelessly,  
But each time he forgives or what if he relives  
The agony he felt on that tree

It seems that I'm so good that I'm breaking promises  
And that I treat his precious Christ all so carelessly,  
But each time he forgives or what if he relives  
The agony he felt on that tree

**CHORUS**

No I just can't bear the thought of hurting him.....

**TIME TO WORSHIP THE LORD... A**

Never has there been such expectations as now  
And in suspense all of heaven awaits a signal  
The cherubims have been worshiping for millions of years  
But now they bow they faces in silence.

And the lamb with the open book in his hand  
Steps up to claim his purchased possession  
The perfection that was once in the beginning  
He now delivers to his children his offspring

**CHORUS**

It is time to worship the Lord  
His tabernacle is what I am  
There is an altar in my heart  
Where the Holy Spirit is dwelling  
Behind the shekinah glory on the tenth day of the seventh month  
We have received our atonement

To Him who sits upon the throne  
Unto the Lamb of God we give all praise and thanks giving  
All blessings all honour all power forever  
Amen amen

We bow down to you we worship you  
All creatures upon the earth worship We all worship  
The beasts of the field also worship We all worship  
And together we'll sing a new song

**SPEAK, MY LORD F**

Hear the Lord of harvest sweetly calling,  
"Who will go and work for Me today?  
Who will bring to Me the lost and dying?  
Who will point them to the narrow way?"

**CHORUS**

Speak, my Lord, speak, my Lord,  
Speak, and I'll be quick to answer Thee;  
Speak, my Lord, speak, my Lord,  
Speak, and I will answer,  
"Lord send me."

When the coal of fire touched the prophet,  
Making him as pure as pure can be,  
When the voice of God,  
Said "Who'll go for us?"  
Then He answered, "Here I am, send me."

Millions now in sin and shame are dying;  
Listen to their sad and bitter cry;  
Hasten, brother, hasten to the rescue;  
Quickly answer, "Master, here am I."

Soon the time for reaping will be over;  
Soon we'll gather for the harvest home;  
May the Lord of harvest smile upon us,  
May we hear His blessed, "Child, well done."

**JUST ANY DAY NOW D**

Just any day now, my Lord is coming,  
He'll be returning for you and me,  
O, I've been watching and I've been waiting,  
Just any day now, His face I'll see.

**GREAT IS THY FAITHFULNESS C**

"Great is Thy faithfulness," O God my Father,  
There is no shadow of turning with Thee;  
Thou changest not,  
Thy compassions, they fail not;  
As Thou hast been Thou forever wilt be.

**CHORUS**

"Great is Thy faithfulness! Great is Thy faithfulness!"  
Morning by morning new mercies I see;  
All I have needed Thy hand hath provided;  
"Great is Thy faithfulness," Lord, unto me!

Summer and winter, and springtime and harvest,  
Sun, moon and stars in their courses above,  
Join with all nature in manifold witness,  
To thy great faithfulness, mercy and love.

Pardon for sin and a peace that endureth,  
Thy own dear presence to cheer and to guide;  
Strength for today and bright hope for tomorrow,  
Blessings all mine, with ten thousand beside!

**IT'S A LOVELY, LOVELY NAME F**

It's a lovely, lovely name,  
The Name of Jesus;  
It's a lovely, lovely name,  
The Name I love;  
It's a lovely, lovely name,  
The Name of Jesus;  
It's a lovely, lovely, lovely, lovely name.

**I SHALL NOT BE MOVED** F

Jesus is my Saviour, I shall not be moved;  
In His love and favour, I shall not be moved;  
Just like a tree that's planted by the waters,  
I shall not be moved.

**CHORUS**

I shall not be, I shall not be moved, }2x  
Just like a tree that's planted by the waters,  
I shall not be moved.

In my Christ abiding, I shall not be moved;  
In his love I'm hiding, I shall not be moved;  
Just like a tree that's planted by the waters,  
I shall not be moved.

If I trust Him ever, I shall not be moved;  
He will fail me never, I shall not be moved;  
Just like a tree that's planted by the waters,  
I shall not be moved.

On His word I'm feeding, I shall not be moved;  
He's the One that's leading, I shall not be moved;  
Just like a tree that's planted by the waters,  
I shall not be moved.

Glory Hallelujah, I shall not be moved;  
Anchored in Jehovah, I shall not be moved;  
Just like a tree that's planted by the waters,  
I shall not be moved.

In His love abiding, I shall not be moved;  
And in Him confiding, I shall not be moved;  
Just like a tree that's planted by the waters,  
I shall not be moved.  
Though all hell assail me, I shall not be moved;  
Jesus will not fail me, I shall not be moved;

Just like a tree that's planted by the waters,  
I shall not be moved.

Though the tempest rages, I shall not be moved;  
On the Rock of Ages, I shall not be moved;  
Just like a tree that's planted by the waters,  
I shall not be moved.

**HAPPY DAY** F

O happy day, that fixed my choice  
On Thee, my Saviour and my God!  
Well may this glowing heart rejoice,  
And tell its raptures all abroad.

**CHORUS**

Happy day, happy day,  
When Jesus washed my sins away!  
He taught me how to watch and pray,  
And live rejoicing every day.  
Happy day, happy day,  
When Jesus washed my sins away!

O happy bond, that seals my vows  
To Him who merits all my love!  
Let cheerful anthems fill His house,  
While to that sacred shrine I move.

'Tis done; the great transaction's done!  
I am my Lord's and He is mine;  
He drew me, and I followed on,  
Charmed to confess the voice divine.

## 175

**MINE ,MINE , MINE** F

Mine, mine, mine, Jesus is mine,  
Mine, mine, mine, Jesus is mine,  
Jesus is my Saviour, day by day,  
Mine, mine, mine, Jesus is mine.

**RUN FOR THE PRIZE** Dm

Who can question the will of God?  
Who can say, no Lord, this is the hard way,  
For if you pass me this place, I'll surely die,  
If it's possible, let it pass me by,  
For in your time of great trials and testings,  
If you believe in what my word is saying,  
This is what you hear me say

**CHORUS**

For I'm your God and I'm with you,  
It's only to bring out my life in you,  
Some through the waters, some through the flood,  
Some through the fire but all through the Blood,  
You run for the prize refuse to compromise,  
At the end of the line your reward is Christ,  
Run for the Prize, Oh Lord we run for the prize...

When Satan comes to move me from my place,  
I know that my God, he will fight for me,  
I will say none of these things move me,  
Neither count my life dear to me,  
For I will finish my course with joy  
Which I'll receive of the Lord  
To testify of his grace and his love to me,  
I'll thank him for his grace

When Satan comes to move us from our place,  
We will know that our God, he will fight for us,  
We will say none of these things move us,  
Neither count our lives dear to us,  
That we might finish our course with joy,  
Which we receive of the Lord  
To testify of his grace and his love to us,  
We'll thank him for his grace

**HE IS RISEN** B

On this morning, the angels came and said  
He's not dead; the stone is rolled away,  
He is alive and the tomb is empty  
And my God, he reins forever more

**CHORUS**

He is risen, the stone is rolled away  
He is risen, he is alive in you today  
He is risen, with a name above all name  
For he conquered death, hell and the grave  
On this morning

On this morning, I lift my hands and say  
He's not dead, he died and rose again  
So tell me where is Jesus Christ still there,  
He is in you, He's in me and that is why I say

On this Morning, Let's lift our hands and say,  
He's not dead; the stone is rolled away,  
So what is Easter if he doesn't live in you?  
Let him live in your heart so you can join with us and say

Did you know he died to take your sins away?  
Did you know he rose to set you free?  
So if you're standing on your mountain top  
Or in the valley below,  
Don't be ashamed to let the whole world know

**THE SHAKING.....E**

Yea saith the LORD of hosts, yet a little while,  
And I will shake the heavens and the earth and the sea, and the dry land,  
And I will shake all nations, and the desire of all nations shall come  
And I will fill this house with glory, saith the LORD of hosts.

**CHORUS**

Yet once more Lord, who shake not just heaven but earth  
And many stars are being moved out of place but  
There were some who stood with Pleiades and Orion  
And every age who kept their first estate  
And know the powers of heaven are shaking  
We've received the kingdom that cannot be moved  
All that can be shaken it will be shaken.  
Let thy word Lord, shake us into place

The heavens declare the glory of God,  
Day unto day it uttered speech, and Night unto night it showed knowledge,  
For they are all in God's perfect peak  
For tell me what will happen if the moon should leave her place,  
Then the face of the earth will be a darken chaos again,  
So what about the earthly host, who were made in the image of God,  
If we are not in order how can we do the works of God?

This world is again falling apart and soon  
The millennium will be ushered in, but first this kingdom,  
Will be in you spiritually, for it comes in the earth literally,  
But in the days of the ten toes came that rock cut without hands,

To smite every image in our earth made by man,  
And know you not the kingdom of our Lord is in you,  
For this stone did not only smite but grew into a mountain too

We were like dry bones down in the valley,  
Then the son of man came with a prophesy,  
And out of his mouth came seven thundering voices,  
To quicken and bring to life this scattered body,  
Then came noise and is shaking and each bone came to its bone,  
Sinew, flesh and skin came upon on it but it had no life of its own,  
No, but when he prophesied again, the dynamics came into that body,  
So that we can be a mighty marching army

**SHOUT TO THE LORD G**

My Jesus, my Saviour  
Lord there is none like You  
All of my days I want to praise  
The wonders of Your mighty love

My comfort, my shelter  
Tower of refuge and strength  
Let every breath, all that I am  
Never cease to worship You

Shout to the Lord  
All the Earth, let us sing  
Power and majesty  
Praise to the King  
Mountains bow down  
And the seas will roar  
At the sound of Your name

I sing for joy at the work  
Of Your hands  
Forever I'll love You  
Forever I'll stand  
Nothing compares  
To the promise I have  
In You

**THE LIFE BOAT F**

We're floating down the stream of time,  
We have not long to stay;  
The stormy clouds of darkness  
Will turn to brightest day.  
Then let us all take courage,  
For we're not left alone;  
The lifeboat soon is coming  
To gather the Jewels home.

**CHORUS**

Then cheer, my brother, cheer,  
Our trials will soon be o'er,  
Our loved ones we shall meet,  
shall meet,  
Upon the golden shore.  
We're pilgrims and we're strangers here,  
We're seeking a city to come,  
The lifeboat soon is coming,  
To gather the Jewels home.

Sometimes the Devil tempts me,  
And says it's all in vain  
To try to live a Christian life  
And walk in Jesus' name;  
But then we hear the Master say,  
"I'll lend you a helping hand,  
And if you'll only trust Me,  
I'll guide you to that land."

The lifeboat soon is coming,  
By eyes of faith I see  
As she sweeps through the waters  
To rescue you and me,  
And land us safely in the port  
With friends we love so dear.  
"Get ready," cries the Captain;  
"Oh, look, she's almost here."

Oh, now's the time to get on board,  
While she is passing by;  
But if you stand and wait too long,  
You shall forever die;  
The fare is paid for one and all,  
The Captain bids you come,  
And get on board the lifeboat,  
She'll carry you safely home.

**MARVELOUS GRACE F**

Marvelous grace of our loving Lord,  
Grace that exceeds our sin and our guilt.  
Yonder on Calvary's mount outpoured,  
There where the Blood of the Lamb was spilt.

**CHORUS**

Grace, grace, God's grace,  
Grace that will pardon and cleanse within;  
Grace, grace, God's grace,  
Grace that is greater than all our sin.

Sin and despair like the sea waves cold,  
Threaten the soul with infinite loss;  
Grace that is greater, yes, grace untold,  
Points to the Refuge, the Mighty Cross.

Dark is the stain that we cannot hide,  
What can avail to wash it away?  
Look! there is flowing a crimson tide;  
Whiter than snow you may be today.

Marvelous, infinite, matchless grace,  
Freely bestowed on all who believe;  
You that are longing to see His face,  
Will you this moment His grace receive?

**SURELY THE PRESENCE C**

Surely the presence of the Lord is in this place,  
I can feel His mighty power and His grace;  
I can hear the rush of Angels' wings,  
I see glory on each face;  
Surely the presence of the Lord is in this place.

**THEN JESUS CAME C**

One sat alone beside the highway  
begging,  
His eyes were blind, the light he  
could not see;  
He clutched his rags and shivered  
in the shadows,  
Then Jesus came and bade his  
darkness flee.

**CHORUS**

When Jesus comes the tempter's  
pow'r is broken;  
When Jesus comes the tears are  
wiped away.  
He takes the gloom and fills the life  
with glory,  
For all is changed when Jesus  
comes to stay.

From home and friends the evil  
spirits drove him,  
Among the tombs he dwelt in  
misery;  
He cut himself as demon pow'rs  
possessed him,  
Then Jesus came and set the  
captive free.

"Unclean! unclean!" the leper cried  
in torment,  
The deaf, the dumb, in  
helplessness stood near;  
The fever raged, disease had  
gripped its victim,  
Then Jesus came and cast out  
every fear.

So men today have found the  
Saviour able,  
They could not conquer passion,  
lust and sin;  
Their broken hearts had left them  
sad and lonely,  
Then Jesus came and dwelt  
Himself within.

**WHEN WE SEE CHRIST C**

Of times the day seems long, our  
trials hard to bear;  
We're tempted to complain, to  
murmur and despair;  
But Christ will soon appear, to  
catch His bride away,  
All tears forever over, in God's  
eternal day.

**CHORUS**

It will be worth it all, when we see  
Jesus;  
Life's trials will seem so small,  
when we see Christ;  
One glimpse of His dear face, all  
sorrow will erase,  
So bravely run the race till we see  
Christ.

Sometimes the sky looks dark,  
with not a ray of light;  
We're tossed and driven on, no  
human help in sight;  
But there is One in heaven, who  
knows our deepest care,  
Let Jesus solve your problem, just  
go to Him in prayer.

Life's day will soon be over, all  
storms forever past;  
We'll cross the great divide, to  
glory safe at last;  
We'll share the joys of heaven, a  
harp, a home, a crown;  
The tempter will be banished, we'll  
lay our burden down.

**COME BY HERE F**

Come by here Lord, }  
Come by here; }3x  
Oh Lord, come by here.

Someone's praying Lord .....  
Someone's crying Lord .....  
Someone's calling Lord .....  
Someone's hurting Lord .....

**YOU ARE THE MIRACLE A**

I have come to recognise that my  
near kinsman is you.  
Though there be one nearer  
You were the only one willing  
and able to take my through.  
I thank you  
We have come to recognise that  
our near kinsman is you.  
Though there be one nearer  
You were the only one willing  
and able to take us through.  
we thank you

You are the miracle 2x  
In our lives  
And we thank you. Lord we  
thank you  
We have safely made it through  
because of you.

In our darkest conditions when  
the burdens are hard to bear, we  
look to you  
And we thank you. Lord we  
thank you  
We find strength to make it  
through, because of you.  
Despite the conditions, we are  
believing for our loved ones.  
The restorer of life is you  
And we thank you. Lord we  
thank you  
They will safely make it through  
because of you.

**I'LL BE CHANGED.....C**

I'll be changed (3x)  
When this body of flesh no  
longer can't contain,  
Scriptures on to manifest that I'll  
be changed...  
Through that door way space, I  
shall leave this World,  
I'm going to another place,  
parallel Universe....

**CHORUS**

I'll be changed in a moment in a  
twinkling of an eye,  
To a body Immortal, I can never  
die,  
Changed in a moment to live in a  
higher realm,  
I'll be changed (I'll be changed),  
I'll be changed (I'll be changed)

They see mystic lights but don't  
really know,  
What these intelligent beings are  
so they called them UFOs,  
But my prophet told me  
something and I'm tied to what  
he said,  
They're investigating Angels and  
they'll pick me up one of these  
days

I came from eternity dropped in  
this space called time,  
And though other mortals look  
like me, they're not of my kind,  
Cause I belong to an eternal  
order and to a world unseen,  
Associated with the supernatural  
and heavenly beings

I'm going to be changed in a  
moment, in a twinkling of an eye  
To a body immortal, where I can  
never die, no, no, no  
Changed in a moment to live in a  
higher realm,  
I'll be changed (I'll be changed),  
I'll be changed (I'll be changed).  
(4x)

**SOLD OUT F**

I count all things but down,  
That I may win Christ in this day,  
And all myself and pride, Lord  
please take it all away,  
I lay aside every weight of sin,  
The law of flesh have no more  
part with me,  
I circumcised it all; my life no  
longer belongs to me

**CHORUS**

Because I am sold out to Jesus,  
Though tested and tried, I will  
still glorify his name,  
I testify of him without fear of  
persecution,  
He deserves the glory, the  
honour and praise

A burden in my soul,  
To bring onto my king a clean  
fresh drink,  
When I see his desire, I can't  
help but be a helpmate for him,  
Out of this virtual world, he  
brought me into an unflinching  
reality,  
I am sealed within; my life no  
longer belongs to me

Where he leads me, I will follow,  
Where he sends me, I will go,  
For I am sold out to Jesus,  
I am sold out to the Cross,

We are soldiers in the army of Jesus  
We'll stand our ground; we will  
not be shaking from our place,  
We'll endure our cross to the end  
We'll hold fast the confession of  
our faith without wavering

We are soldiers in the army of Jesus  
We'll stand our ground; we will  
not be shaking from our place,  
We'll endure our cross to the end  
We'll hold fast the confession of  
our faith without wavering

Sold out to Jesus,  
Sold out to him, To the Lamb....

**IN THAT FAIR CITY D****CHORUS**

In that Fair City  
I have a mansion there for me  
God's Word has promised the  
final victory,  
He'll catch his waiting Bride  
away  
And By his side she'll stay  
Eternally

Though it is true we're often  
weak and heavy laden  
Still Jesus died to save and set  
the captives free,  
His Word alone shall stand when  
all the rest have fallen  
And the Lamb will be the light of  
That Fair City

Through all the tears and trials  
and hardships and the sorrows,  
There is a purpose, a plan he  
has for me,  
Whereby his Word I'll have  
complete and full salvation  
And the Blood of Jesus Christ  
avails for me

Though It is true we're often  
weak and heavy laden  
Still Jesus died to save and set  
the captives free,  
His Word alone shall stand when  
all the rest have fallen  
And the Lamb will be the light of  
That Fair City

**CHORUS**

In that Fair City  
I have a mansion there for me  
God's word has promise the final  
victory  
He'll catch his waiting bride away  
And By his side she'll Stay

Eternally (2x)  
In that Fair City  
In that Fair City  
In that Fair City....

**REDEEMED G**

Redeemed, how I love to proclaim it!  
Redeemed by the blood of the Lamb;  
Redeemed through His infinite  
mercy,  
His child, and forever, I am.

**CHORUS**

Redeemed, redeemed,  
Redeemed by the blood of the  
Lamb;  
Redeemed, redeemed,  
His child, and forever, I am.

Redeemed and so happy in Jesus,  
No language my rapture can tell;  
I know that the light of His presence  
With me doth continually dwell.

I think of my blessed Redeemer,  
I think of Him all the day long;  
I sing, for I cannot be silent;  
His love is the theme of my song.

I know I shall see in His beauty  
The King in whose law I delight;  
Who lovingly guardeth my  
footsteps,  
And giveth me songs in the night.

**YOU ARE THE WORDS D**

You are the words of the music,  
You are the song that I sing,  
You are the melody,  
You are the harmony,  
Praises to You I will sing;  
You are the Mighty God,  
You are the Lord of Lords,  
You are the King of all Kings;  
Now I return to You  
The song that You gave to me,  
You are the song that I sing.

**I'VE ANCHORED IN JESUS F**

Upon life's boundless ocean  
Where mighty billows roll  
I've fixed my hope in Jesus,  
Blest anchor of my soul;  
When trials fierce assail me  
As storms are gath'ring o'er  
I rest upon His mercy and trust  
Him more.

**CHORUS**

I've anchored in Jesus,  
The storms of life I'll brave;  
I've anchored in Jesus,  
I fear no wind or wave;  
I've anchored in Jesus,  
For He hath pow'r to save,  
I've anchored in the Rock of Ages.

He keeps my soul from evil  
And gives me blessed peace;  
His voice has stilled the waters  
And bid their tumult cease.  
My pilot and deliverer  
To Him I all confide,  
For always when I need Him  
He's at my side.

He is my Friend and Saviour  
In Him my anchor's cast,  
He drives away my sorrows  
And shields me from the blast;  
By faith I'm looking upward  
Beyond life's troubled sea,  
There I behold a haven  
Prepared for me.

**BY HIS WORD D**

By His Word, I have no fear in  
me;  
By His Word, death cannot  
swallow me;  
By His Word, I have prosperity;  
By His Word, sickness can't  
dwell in me;  
By His Word, I walk in victory;  
By His Word, I've been set free.

By His Name .....  
By His Love .....

**GREAT IS THE LORD G**

There is a Name I love to hear,  
It falls like music on my ear,  
It's the Name of Jesus Christ the  
Lord;  
He came from the Father in  
Heaven above,  
He died on the cross just to show  
us His love;  
Jesus, yes, Jesus is His Name.

**CHORUS**

Great is the Lord! Great is the Lord!  
Great is the Father, great is the Son,  
Great is the Holy Ghost, and these  
three are One;  
Jesus, yes, Jesus is His Name.

He is the dear Saviour of men,  
He gave His own life just to free us  
from sin,  
It's the Name of Jesus Christ the  
Lord;  
The wonderful Counselor, the Man  
from Galilee,  
He calmed the angry waters  
and He walked on the sea;  
Jesus, yes, Jesus is His Name.

**LET THERE BE JOY G**

We are Your people O God:  
Washed by the blood of the  
Lamb,  
Clothed in Your righteousness,  
And in Your favour we stand.  
We love exalting Your name,  
Lifting up holy hands,  
Praise to our mighty God,  
Jehovah the Great I am.

**CHORUS**

Let there be joy in the house of  
the Lord,  
Let there be praise to the God of  
our salvation,  
Let there be singing and  
shouting, Dancing and  
celebration,  
Children of Zion rejoice!

**TURN YOUR EYES ON JESUS F**

O soul, are you weary and  
troubled?  
No light in the darkness you see?  
There's light for a look at the  
Saviour,  
And life more abundant and free!

**CHORUS**

Turn your eyes upon Jesus,  
Look full in His wonderful face;  
And the things of earth will grow  
strangely dim  
In the light of His glory and grace.

Through death into life everlasting  
He passed, and we follow Him  
there;  
Over us sin no more hath dominion,  
For more than conquerors we are!

His Word shall not fail you, He  
promised;  
Believe Him, and all will be well;  
Then go to a world that is dying,  
His perfect salvation to tell!

**KEEP ON THE FIRING LINE F**

If you're in the battle for the Lord  
and the righteous,  
Keep on the firing line.  
If you'll win the victory surely you  
must fight,  
Keep on the firing line.  
There are many dangers that we  
all must face,  
But if you die in fighting there is no  
disgrace,  
A coward in His service will have  
no place,  
So keep on the firing line.

You must fight, be brave  
Against all evil,  
Never run or even lag behind,  
If you would win;  
For God and the righteous,  
Keep on the firing line.

**INFLUENCE G****CHORUS**

It's the influence of the influence  
Oh what a sweet influence of  
the Pleiades  
That has influence and will influence  
And make an influence of you  
and me

Canst thou bind the sweet  
influences of the Pleiades  
To everything there is a season  
When the deep calls there is a  
season  
And a purpose under heaven  
And all that I can say

I saw a mighty angel from heaven  
saying come out of Babylon  
Then the Lion began roaring out  
of Zion  
Uttering his voice from Jerusalem  
And all that I can say

Influence by a strong delusion  
Then I saw the Lord's vision  
Like Daniel my comeliness  
turned to corruption  
Like Isaiah I say I undone  
And all that I can say

Where ever you go I will follow  
Thou this road is straight and  
narrow  
Thou has the words to whom  
shall we go  
You're the only we know  
So all that we can say

I also saw a mighty angel from  
Heaven  
Speaking to Rev 10-7  
Then again spoke to 10-8-11  
Saying prophesy thou Son of  
man  
And all that I can say

**WORSHIP THE LORD A**

God will not reject your prayer  
Praying makes you stronger  
I have never seen the righteous  
forsaken  
Begging for bread and left to suffer  
Have patience just wait and see  
What God will do  
When you lift up your hands and  
surrender  
God will pull you through

**CHORUS**

Oh worship simply worship  
If you are crying worship  
In your trials worship  
If you are hurting worship  
Nothing matters worship  
He will hear your praise

God goes before you saying let  
there be  
Healing your wounds and setting  
you free  
Sending His Angels fighting from  
all sides  
He's leading the way yes He is  
the guide  
Trust in Him He will never fail  
He's walk with you along lives  
rugged trail  
Just lift up your hands this is  
your victory day  
Give Him the praise worship the  
Lord  
Worship the Lord, worship the  
Lord  
Worship the Lord, worship the  
Lord  
Worship the Lord, worship the  
Lord  
Worship the Lord, worship the  
Lord

It is important to understand  
When God is speaking  
Sometimes He may seem to be  
silent  
But that is when He is working  
Have patience just wait and see  
What God will do  
When you lift up your hands in  
surrender  
God will pull you through

**ELECTION BY GRACE... C-D**

Amazing, amazing grace, how  
sweet, how sweet that song  
That save, yes that saved a  
wrench like me  
See I was lost, yes I was lost  
But now, now, now am found  
Was blind, but now I see

A long, long time ago we were  
searching for love  
In all the wrong places, didn't  
think we were worth that much  
We were used, abused,  
confused, so misguided in our  
ways  
But in spite of all the things, men  
may have seen  
God still voted for you

**CHORUS**

That's why we can say, election  
by grace  
That's the story of your life  
Election by grace, this is love so  
divine  
When they thought no good  
could come out of me  
Jesus fixed me up and he set me  
free  
Praise God for election by grace  
Well some of us were haters,  
even liars, rebels and deceivers  
too  
Manipulators, good pretenders  
God what were we to do  
But one day we wrestle with an  
angel  
Not letting go till we were  
blessed  
Now you're name is changed,  
saints you're no longer the same  
All because of election by grace

Well I'm no longer, living in a  
cage  
Since Jesus set me free  
Now I stand in trial and  
temptation, even persecution  
All because of what God did for  
me  
So when the devil, when he  
comes with his lies  
You stand and declare your  
pedigree  
You've been bought with a price  
Saints we will not sell our birth  
right  
For there's a mansion awaiting  
me

**GOING UP TO THE HIGH Dm**

We're been deceived by the devil  
too long  
We're gonna tear the devil's  
kingdom down  
What he said was his, has been  
ours all along  
We're gonna tear the devil's  
kingdom down

**CHORUS**

We're going up to the high  
places  
We're going up to the high  
places  
We're going up to the high  
places  
To tear the devil's kingdom down  
We've gotta be strong, we've  
gotta be bold  
We're gonna tear the devil's  
kingdom down  
We've got to reclaim everything  
the devil stole  
We're gonna tear the devil's  
kingdom down

**HIGHER GROUND F**

I'm pressing on the upward way,  
New heights I'm gaining every day;  
Still praying as I'm onward bound,  
"Lord plant my feet on higher  
ground."

**CHORUS**

Lord, lift me up and let me stand,  
By faith, on heaven's tableland,  
A higher plane than I have found;  
Lord, plant my feet on higher ground.

My heart has no desire to stay  
Where doubts arise and fears  
dismay;  
Tho' some may dwell where these  
abound,  
My prayer, my aim, is higher ground.

I want to scale the utmost height,  
And catch a gleam of glory bright;  
But still I'll pray till heav'n I've found,  
"Lord, lead me on to higher ground."

**WE'LL WORK TILL JESUS... D**

O land of rest, for thee I sigh!  
When will the moment come  
When I shall lay my armour by,  
And dwell in peace at home?

**CHORUS**

We'll work till Jesus comes,  
We'll work till Jesus comes,  
We'll work till Jesus comes,  
And we'll be gathered home!

To Jesus Christ I fled for rest;  
He bade me cease to roam;  
And lean for succour on His breast  
Till He conduct me home.

I sought at once my Saviour's side,  
No more my steps shall roam;  
With Him I'll brave death's chilling  
tide  
And reach my heavenly home.

**AT CALVARY G**

Years I spent in vanity and pride,  
Caring not my Lord was  
crucified,  
Knowing not it was for me He  
died On Calvary.

**CHORUS**

Mercy there was great, and  
grace was free;  
Pardon there was multiplied to  
me;  
There my burdened soul found  
liberty, at Calvary.

By God's Word at last my sin I  
learned;  
Then I trembled at the law I'd  
spurned,  
Till my guilty soul imploring  
turned To Calvary.

Now I've given to Jesus everything,  
Now I gladly own Him as my King,  
Now my raptured soul can only sing  
Of Calvary.

Oh, the love that drew salvation's  
plan!  
Oh, the grace that brought it down  
to man!  
Oh, the mighty gulf that God did  
span at Calvary.

**GOT ANY RIVERS G**

Got any rivers you think are  
uncrossable?  
Got any mountains you can't  
tunnel through?  
God specializes in things thought  
impossible.  
And He will do what no other  
power can do.

**THE WONDER OF IT ALL C**

The wonder of it all,  
The wonder of it all,  
Just to know that Jesus loves me,  
The wonder of it all,  
The wonder of it all,  
Just to know that Jesus loves me.

**GOD BE WITH YOU Bb**

God be with you till we meet again!  
By His counsels guide, uphold you,  
With His sheep securely fold you;  
God be with you till we meet again!

**CHORUS**

Till we meet ! till we meet!  
Till we meet at Jesus feet;  
Till we meet! till we meet!  
God be with you till we meet again!

God be with you till we meet again!  
'Neath His wings securely hide you,  
Daily manna still provide you;  
God be with you till we meet again!

God be with you till we meet again.  
When life's perils thick confound you;  
Put His arms unfailing round you;  
God be with you till we meet again!

God be with you till we meet again!  
Keep love's banner floating o'er you,  
Smite death's threat'ning wave  
before you;  
God be with you till we meet again!

**SORRY FOR WHAT DONE D**

Sorry for what you've done,  
Sorry for what you've been,  
Remember the way it used to be  
And do it all over again,  
Putting the past behind,  
Soon it will be too late to start,  
Jesus can give you life my friend,  
But first He must heal your heart.

**FIRE, FIRE, FIRE F**

Fire, Fire, Fire, }  
Fire, fall on me }2x  
As on the day of Pentecost,  
Fire fall on me,  
As on the day of Pentecost,  
Fire fall on me.

**LILY OF THE VALLEY D**

Lily of the valley,  
Let Your sweet aroma fill my life.  
Rose of Sharon show me  
How to grow in beauty in God's  
sight.  
Fairest of ten thousand,  
Make me a reflection of Your  
light.  
Daystar shine down on me,  
Let Your light shine thru me in  
the night.

**CHORUS**

Lead me Lord, I'll follow  
Everywhere You open up the door.  
Let me know Your wisdom,  
Show me things I've never seen  
before.  
Lord, I want to be a witness,  
You can take what's wrong and  
make it right.  
Daystar shine down on me,  
Let Your Light shine thru me in the  
night.

Lord I see a world that's dying,  
Wounded by the master of deceit.  
Groping in the darkness,  
Haunted by the years of past  
defeat;  
But then I see You standing near  
me,  
Shining with compassion in Your  
eyes.  
Jesus shine down on me,  
Let Your light shine thru me in the  
night.

**BEHOLD I LIVE F**

John was in the Spirit  
On the Lord's Day,  
He heard a voice from Heaven  
And this is what It said,  
"I'm Alpha and Omega,  
The Beginning and the End,  
Behold, I live forevermore;  
Behold, I live, Behold, I live, }  
Behold I live forevermore. }2x

**GOD SHALL STAND FOR YOU D**

Fight on with fervor and faith  
No looking back  
Even though Satan will try  
To make you go slack  
All trials in life will surely all pass  
Oh, just trust in God  
He will stand for you

**CHORUS**

He will stand for you  
He will stand for you  
Then fear not God's bride  
You shall overcome  
He will stand for you

Have there been so many trials,  
in your life's journey  
Open up your heart to God  
Complete surrender  
For all in your life can surely be  
changed  
Simply trust in Him  
He will stand for you

\*\*\*\*

**BEHOLD I COME QUICKLY E**

Behold I come quickly and my  
reward is with me  
To give unto every man as his  
work shall be  
I am Alpha and Omega, the  
Beginning and the ending  
The Lord who is, was and is to  
come, the Almighty

**CHORUS**

I, Jesus have sent mine angel  
To testify unto you these things  
in the churches

Behold I come quickly and my  
reward is with me  
To give unto every man as his  
work shall be  
He that's unjust let him be unjust  
still  
He that is filthy, be filthy still  
He that is righteous and he that  
is holy let him be

Behold I come quickly, hold that  
fast which thou hast  
That no man take thy crown, my  
promise is for you that overcome  
You've kept your garments  
undefiled, you shall walk with me  
in white  
I'll confess your name, it shall not  
be taken from the book of life

Surely I come quickly and my  
reward is with me  
To give unto every man according  
as his work shall be  
I am Alpha and Omega, the First  
and the Last  
The Root and the Offspring of  
David, the Bright and Morning Star

Revelation 10:1 sent Revelation  
10:7  
To testify unto Revelation 10:8-11  
Testify these things in Revelation  
10:3 and 4  
In the churches of Revelation 2  
and 3

**STORMS OF LIFE C**

The storms may blow, we got to  
be prepared for that  
By doing what God tells us to do  
We hear the word it strengthens us  
When the storms of life comes,  
they will rise to the occasion

**CHORUS**

So when the storms of life  
gathers, let the anchor hold  
within the veil  
He is sent to test your revelation  
on Christ the solid rock we stand  
And the storms of life will not  
shake us, because the anchor  
holds the rock of revelation, will  
stand

God wants mighty men of valour  
prepared for mortal combat,  
we are Christ Mighty Gentile  
Warriors, when these storms of  
life comes  
So lift up your hands and praise  
God because he has counted  
you worthy to stand for him in  
this day

**I LOVE YOU LORD** **D****CHORUS**

So I just want to, tell you  
That I love you Lord  
Though you already know  
I just want to tell you that I love  
you Lord  
You know the desires of the (my)  
heart  
You can tell the secrets of the  
heart

The two rains are falling,  
I hear footsteps of my redeemer  
Returning for fellowship  
You hide yourself (face) Lord  
And I've suffered for my  
transgression  
How I longed to see you again  
(for deliverance)  
But you've made a way  
That I could come repenting Lord  
And you have forgiven and given  
me a heart  
That I could love (serve) you  
Lord  
Really love (serve) you.

Satan schemed against me, to  
take me from my place  
Tried to destroy me, in my  
weakest moment  
He said I would surely die  
That I could never be bride  
And I believed him for a while  
But you made a way  
That I could tell you

I'm sorry Lord (2x group)  
You raised me up so high to see  
The secrets of you heart  
And I can only say

I'll say it anyway

**I WANT MORE** **A**

I'm coming out of my shell,  
my visions getting clearer  
I take a look outside this nest  
I see him drawing nearer  
Your focus is only me,  
but I struggle to lift my hands  
You descend your mighty wings,  
don't you worry my child, you  
said, Oh Lord

**CHORUS**

The more I know, the more I  
want to know everything about  
you Jesus  
The more I see, the more I want  
to see you in my life  
The more I hear, the more I want  
to hear, the words of your  
promises of love  
Words of your love  
I want more of your holy spirit  
I want more, more, more

You nurtured me so precisely  
Never to much or to little  
You know exactly what I need  
You would never give me more  
than I could handle  
I see your source so fiery on the  
clouds  
Lord I want to do the same  
So I set my wings in your  
promise Lord  
Making my victories in your  
name

**SO JUST BE FAITHFUL** **D**

In these days of trials so near the  
end,  
When Christ from Glory doth now  
descend,  
Men's hearts are failing and filled  
with fear,  
We know the end time is surely  
here.

**CHORUS**

So just be faithful, believe His  
Word;  
Stay with the Message that you  
have heard;  
List' to His prophet, his Message  
heed;  
Walk in the Light where His star  
doth lead.

In every church age a star did  
shine,  
To help God's people a Truth to  
find;  
In this last church age a star  
shines bright,  
So friend receive it, walk in the  
Light.

Do not be fearful or filled with  
dread,  
Your prophet sleepeth, he is not  
dead;  
The Bride is waiting now for that  
Voice,  
And in this hope we can now  
rejoice.

His Word of promise He gave the  
Bride,  
From his White Charger the  
prophet cried,  
"Yet one more time shall I ride this  
Trail."  
THUS SAITH THE LORD can  
never fail.

**WE REMEMBER THEE** **D**

We remember Thee, oh Lord,  
We remember Thee,  
Every time we break the bread,  
{drink this cup}  
We remember Thee.

**ALL THE GLORY** **G**

While walking on this earth,  
We are nothing in ourselves,  
Yet God's chosen to use us  
In His mighty hand;  
For the Master's plan requires  
human instruments;  
But they must not ever glorify  
themselves.

**CHORUS**

All the glory must be to the Lord,  
Only He is worthy of our praise.  
No one on earth should give glory  
to himself;  
For all the glory must be to the  
Lord.

Are we ready to obey Him  
When He urges us to go?  
Are we willing to be nothing  
but servants of the cross?  
In the times of trial and hardship,  
Or when shining from the top,  
Are we willing to lay down our lives  
for Him?

**YOU'RE MY PRAISE** **F**

You're my praise,  
You're my praise,  
You're the song my heart keeps  
singing,  
You're my praise.  
You're the reason why I'm living,  
The very breath of life to me,  
You're my praise.  
You're my praise.

**JESUS BE THE LORD OF ALL** **D**

Jesus, be the Lord of all,  
Jesus, be the Lord of all,  
Jesus, be the Lord of all,  
The Kingdoms of my heart.

Jesus, I surrender all,  
Jesus, I surrender all,  
Jesus, I surrender all,  
The Kingdoms of my heart.

**I'M UNDESERVING** **C**

I don't deserve to come to You Lord,  
 With my troubles and selfish pleas.  
 I know I have failed You in so  
 many ways,  
 But never have You failed  
 To meet all my needs;  
 I am the least in Your kingdom,  
 I know,  
 But Lord don't forsake me now;  
 All of Your mercies  
 I could never afford,  
 I'm undeserving of Your Love,  
 But love me, Lord.

**CHORUS**

For nobody here really knows me,  
 And no one here understands my  
 fears,  
 And when I'm in trouble and I'm all  
 alone,  
 Lord, only You can dry my tears.  
 O, if You should leave me,  
 Then where could I go  
 To find rest for my weary soul?  
 And because I'm so unworthy,  
 I love You even though  
 I'm undeserving of Your Love  
 But love me Lord.

I don't deserve the blood that You  
 shed,  
 When You died on the cross in my  
 stead,  
 And to think that each drop of  
 blood that fell from Your brow,  
 Would reach down a drop a time  
 To cleanse my soul now;  
 I don't deserve the place that You  
 prepared  
 For my life when this world is o'er,  
 But take my love forever,  
 Your presence I adore,  
 I'm undeserving of Your Love,  
 But love me Lord.

**HE BROUGHT ME OUT** **C**

My heart was distressed 'neath  
 Jehovah's dread frown,  
 And low in the pit where my sins  
 dragged me down;  
 I cried to the Lord from the deep  
 miry clay,  
 Who tenderly brought me out to  
 golden day.

**CHORUS**

He brought me out of the miry clay,  
 He set my feet on the Rock to stay;  
 He puts a song in my soul today,  
 A song of praise, hallelujah!

He placed me upon the strong  
 Rock by His side,  
 My steps were established and  
 here I'll abide;  
 No danger of falling while here I  
 remain,  
 But stand by His grace until the  
 crown I gain.

He gave me a song, 'twas a new  
 song of praise,  
 By day and by night its sweet  
 notes I will raise;  
 My heart's overflowing, I'm happy  
 and free,  
 I'll praise my Redeemer, who has  
 rescued me.

I'll sing of His wonderful mercy to  
 me,  
 I'll praise Him till all men His  
 goodness shall see;  
 I'll sing of salvation at home and  
 abroad,  
 Till many shall hear the truth and  
 trust in God.

 Oh, Oh, won't it be a time!

 When we get over yonder, }3x

**HOLD THE WINDS** **D****MONOLOGUE (Daniel 12:1)**

*And at that time shall Michael  
 stand up,  
 The great prince which standeth  
 for the children of thy people:  
 And there shall be a time of  
 trouble,  
 Such as never was since there  
 was a nation even to that same  
 time:  
 And at that time thy people shall  
 be delivered,  
 Everyone that shall be found  
 written in the book*

**CHORUS**

Hold the winds, till we have  
 sealed the servants,  
 Of our God in their foreheads,  
 All that the Father has given will  
 come,  
 The seal of God standeth sure;  
 the Lord knoweth them that are  
 His,  
 Touch not my anointed; they are  
 the Father's elected genes  
 Until we all stand with the Lamb  
 in Mt. Zion  
 The Name written on His thigh,  
 has been written in our  
 foreheads  
 And we know who our Father is;  
 we came from the loins of Elohim

In the time Jeremiah, when the  
 book of lost truths was found  
 Israel knew that judgement was  
 at hand,  
 There was great famine, as the  
 head of gold besieged the land  
 For the rejection of the Son of  
 Man

But the man with the writer's  
 inkhorn  
 Went to and fro in the land  
 Setting a mark in the foreheads  
 of those who sighed and cried  
 And Ezekiel the prophetic priest  
 and the elected of that day;  
 Was seal away before the wrath  
 of God could hit that place

Oh Jerusalem, how oft had I  
 gathered you  
 As a hen would gather her  
 brood,  
 Oh if only, you had known the  
 day of your visitation  
 The things that belongeth to your  
 peace,  
 When you see Jerusalem  
 compassed about with armies  
 Let not your flight be in the  
 winter, neither on the Sabbath  
 day  
 But the elect were so united with  
 God in His Word  
 None of the Christians, not one  
 of the Christians was caught in  
 there

In the days of the seventh angel,  
 when he shall begin to sound  
 All the written and hidden  
 mysteries would be made known  
 He said the squeeze is coming;  
 there'll be a dual famine in the  
 land  
 As Mystery Babylon takes the  
 world under her control  
 When the seventh seal was  
 unveiled, and God's program  
 was made known  
 Some Easter flowers were hid  
 away under the second fold  
 We see famine, war and  
 depression  
 Can't you see where we are  
 heading again?  
 But I've prepare a place for you  
 my Elected Bride

\*\*\*\*

**BLOW THE TRUMPET... C**

Blow the trumpet in Zion  
And sound the alarm in my holy  
mountain  
Let all the inhabitants of the land  
tremble  
For the day of the Lord cometh,  
for it is nigh at hand

We have heard the trumpet  
sound  
Saying come out of Babylon  
We have responded and came  
out  
For Babylon is fallen  
For we are the city four square  
Mt. Zion, Heavenly Jerusalem  
Our garments are made clean  
and white  
By the blood of the Lamb  
We are the Lamb's wife

**CHORUS**

Blow the trumpet in Zion  
Sound the alarm  
Blow the trumpet in Zion  
Sound the alarm  
For the day of the Lord is here  
He's the Lion of Judah that hath  
prevail  
He roars and the earth quakes  
But unto my people  
I am your hope and strength.

The fig tree has put forth his bud  
(Israel)  
Declared a nation  
Jerusalem, they seek to restore  
To await the Messiah  
King of Babylon, he has come  
To seek, to kill and destroy  
But behold the third woe cometh  
quickly  
In the valley of Jehoshaphat

I will kill him and his army

The gentile nations are shaking  
As the Lion is roaring  
Their economy it has failed  
And their kingdoms are falling  
But we receive another kingdom  
We live by God's spoken word  
In this famine  
Watch it provide and create  
We'll see the third pull manifest  
in full display

We have cross from the moon to  
the sun  
Given a crown of twelve stars  
We're awaiting the last trumpet  
sound  
It will bring up the sleeping ones  
Our bodies shall be change  
And on the wings of a great  
eagle  
We will take our flight to the  
skies  
United with him forever, we shall  
reign

Behold the Lord is in Zion  
He has come as rain  
To redeem and restore  
Behold the Lord is in Zion  
Your enemies, you shall see  
them no more  
Behold the Lord is in Zion  
Deliverance has come  
Healing has come  
Behold the Lord is in Zion  
You have receive corn oil and  
wine  
For the Lord is here in Zion

**MORE THAN CONQUERORS D****CHORUS**

We've been made more than  
conquerors,  
Overcomers in this life.  
We've been made victorious,  
Through the blood of Jesus Christ.

When trouble comes knocking at  
your door,  
Don't be afraid it's not like before  
Don't you give in,  
Don't let it bring you down,  
You don't have to worry  
anymore;  
Jesus said there'll be tribulations,  
But He said, "I have overcome."  
Brothers and sisters, well now's  
the time to stand,  
Don't you know the battles all are  
won.

Hold on, we're getting stronger  
everyday,  
There's no reason for you to go  
astray,  
Don't be leaning to your  
understanding,  
Lean on Him and we'll all say.....

**CHORUS****JESUS THE CENTRE D**

Jesus, You're the centre of my  
joy,  
All that's good and perfect  
comes from You,  
You're the heart of my  
contentment, Hope for all I do;  
Jesus, You're the centre of my  
joy.

**UP THE MOUNTAIN F**

Up the mountain, }  
Down in the valley, }  
Jerusalem is my home. }2x  
Home, home, home sweet home,  
Jerusalem is my home.

**LET THERE BE FELLOWSHIP D**

Let there be fellowship, true  
fellowship,  
In the homes of the people,  
In the house of the Lord,  
Family and church alike,  
May we all be knitted so tight;  
That we'll serve one another,  
As Ye first served us.

Grant us relationship,  
True spiritual relationship,  
That we might walk together  
In the love of the Lord.  
Not just "How do you do?"  
But "I really love you so."  
That all men will know we are  
The disciples of Christ.

**BRIDGE**

We confess our need of healing,  
Lord, so often we've been  
dealing  
With our strife and many  
problems  
In our own way;  
So we're in a broken up state,  
Got to find a way to prostrate,  
Help us oh Lord.

**BRIDGE**

For we love each other,  
Don't we?  
And we need each other,  
Don't we?  
And we are a family,  
Aren't we  
Under our Lord?  
So Father, You would want to free  
us,  
And would want to really see us,  
In one accord.

**TEN THOUSAND YEARS D**

Ten thousand years  
We'll just be started;  
Ten thousand years  
We'll have just begun;  
When the battle's over,  
And the victory's won,  
Ten thousand years,  
And we've just begun.

**SOMETHING HOLDING ME F**

The trials of this world were getting closer,  
The pull I felt was more than I could bear,  
And I was on the verge of just giving over:  
The strength within myself just wasn't there.

**CHORUS**

Something keeps holding me,  
Everyday I see,  
He's helping me faithfully  
To overcome my trials;  
He's guiding me constantly,  
Giving me victory,  
He's a reality;  
Something keeps holding me.

Satan laid before me his temptation  
Of his desire to steal away my faith,  
But I have found in time the revelation,  
The strength I need to keep me by His grace.

214

**THE TOMB NOW IS EMPTY C**

The tomb now is empty,  
The stone's been rolled away,  
And Christ is alive in my heart,  
And death which is conquered,  
In me, has no part,  
For Christ is alive in my heart.

215

**LET MY LIFE C**

Lord of light create in me  
A reflection of yourself  
So that you can freely work  
And truly shine through me  
Shine through me

**CHORUS**

Let my life be a picture of You;  
Let my life be a picture of You;  
Let it be a letter written by Your hand  
For the world to read, and to see,  
and to feel, and to know You live,  
Live in me.

Holy Spirit grant in me  
The fruit of love  
Joy, patience, self-control  
The life of Christ in me  
Christ in me

216

**SHOWERS OF BLESSINGS F**

There shall be showers of blessing  
This is the promise of love;  
There shall be seasons refreshing,  
Sent from the Saviour above.

**CHORUS**

Showers of blessing,  
Showers of blessing we need;  
Mercy-drops round us are falling  
But for the showers we plead.

There shall be showers of blessing  
Precious reviving again;  
Over the hills and the valleys  
Sound of abundance of rain.

There shall be showers of blessing  
Send them upon us, O Lord;  
Grant to us now a refreshing,  
Come, and now honour Thy Word.

There shall be showers of blessing  
Oh, that today they might fall,  
Now as to God we're confessing,  
Now as on Jesus we call!

217

**COME HOLY SPIRIT D**

Come Holy Spirit, I need You,  
Come Sweet Spirit, I pray;  
Come in Thy strength and  
Thy power, O Lord,  
Come in Thy own gentle way.

218

**HERE WE ARE C**

Here we are in Your presence,  
Lifting holy hands to You;  
Here we are praising Jesus  
For the things He's brought us through.

**THE FINAL FRONTIER E-F**

Blow the trumpet in Zion { 2x }  
Sound the alarm in my holy city  
The day of vengeance is here  
But I'm headed to the final frontier

**CHORUS**

I'm headed to the final frontier  
Look for me I'll be there  
No more worries, no more fear  
Heaven awaits, my body change  
My final quickening will get me there ,  
Oh yes I'm headed  
To the final frontier.

My soul aches when I look at this world

Which manifests all that the prophets foretold  
A global village Satan did create  
And brought man down to his lowest state  
Now demons move through the airwaves  
Capturing, deforming and sealing  
Lord what it take to get out from here

Only the token will take me to the final frontier.

The woman sits in the midst of the Epha  
Revelation 13 drunkened men with her desires  
She now conspires to conquer Jerusalem  
Although one third part of innocent blood she has already shed

But Oh little bride like Sarah we have received

Dunamis for us to conceive  
To a faith civilization I will go  
The final frontier is what will take me home.

We now live between the second and third woe  
The cunning schemes of men are about to unfold  
Lord, pick me up into that heavenly place  
Where all I'll behold is your holy face  
Joseph can't refrain himself any longer  
His desire for his brethren is getting stronger  
And very soon Armageddon will be here  
But not me, I'll be headed to the final frontier.

**LORD I WILL PRAISE YOU E**

Lord I will praise you  
All the days of my life  
And I will sing a song to you  
For you are the essences of my life  
Lord I love you

I adore you  
I glorify you, oh Lord  
I life your name  
I give you praise  
Oh Lord, the essences of my life

Thank you father for your grace  
Thank you father for your mercy, oh Lord  
And I will lift my hands in praise  
For I know you are, my portion, oh Lord (2x)

For he is holy  
Mortal lips aren't enough  
To sing his praises

**1065**  
**SOUND THE ALARM IN ... A**

The tempest is raging  
We're in the midst of the storm  
Dark clouds are gathered  
As the old ship of Zion nears the  
shores of home.  
We can feel the cold winds  
blowing  
That 'northerner' is coming  
The prince with power of the air  
Enemy ships from Rome draw  
near  
Sound the alarm in Zion!

**CHORUS**

Gabriel blow, sound the alarm in  
Zion  
Gabriel blow, send the alarm  
across the waves  
All around nations are shaking  
We hear the Lion roaring  
The day of the Lord is nigh  
Watchman shout and cry  
Sound the alarm in Zion!

We see barrenness in the Earth  
The locusts have ascended  
Iniquity all around  
Judgment has come down  
For rejection of God's word.  
We see Lucifer and his kingdom  
Come to kill and take possession  
With Jezebel at his side  
To persecute this little Bride  
Sound the alarm in Zion!

This message has been  
preached  
Gone out to the elected  
And very soon he that is filthy  
Will be filthy still  
Gentile days soon to be ended  
The 7th messenger has  
ascended  
To Israel God will turn  
The tares bundled to be burnt  
Sound the alarm in Zion!

**BRIDGE**  
We've got to turn to the Lord now  
(sound the alarm)  
Call a solemn assembly (sound  
the alarm)  
Gather the people!  
Sanctify the congregation!  
Fast, weep and mourn!  
Esther plead for your people  
It's time of great trouble  
Amateur tribulation is nigh  
Watchman shout and cry  
Sound the alarm in Zion!

**SPIRIT OF GOD MOVE D-D#-E**

**CHORUS**

Spirit of God move, write your  
word in my heart  
Fill my whole being, consume my  
life  
Spirit of God move, an empty  
vessel I want to be  
So that you can come, Lord and  
fill me.

Abba Father is what I cry  
Come by here Lord, your spirit  
you can't deny  
When I see your wrath fixing to  
be poured on this earth  
For this message that was  
scorned, my desperate cry is...

I lift my hands in surrender,  
laying all on the altar  
I don't want to pretend, but be  
sealed by your hand  
I will take your word and hide it in  
my heart  
Till every fibre of my being has  
that desperate cry....

I've recognized your voice, I've  
understood the call  
Help me not to faint but stand  
and overcome  
I just want to please you, it's all I  
can do  
So from my soul now I cry to  
you...

**219**  
**THE LIGHTHOUSE F**

There's a lighthouse on the  
hillside,  
That overlooks life's sea;  
When I'm tossed it sends out a  
light,  
That I might see;  
And the light that shines in  
darkness now,  
Will safely lead me o'er;  
If it was not for that lighthouse  
My ship would sail no more.

**CHORUS**

I thank God for the Lighthouse,  
I owe my life to Him;  
For Jesus is the Lighthouse,  
And from the rocks of sin  
He has shone His Light around  
me,  
That I might clearly see;  
If it was not for that Lighthouse  
Tell me where would this ship be

Everybody that lives around us,  
Says tear that old lighthouse  
down,  
The big ships don't sail this way  
anymore,  
There's no use of it standing round  
But then my mind goes back to  
that stormy night,  
When just in time, I saw the Light,  
Yes, the Light from that old  
Lighthouse  
That stands up there on the hill.

**220**  
**IN HIS PRESENCE C**

In His presence there's fullness of  
joy,  
At His right hand there're  
pleasures forevermore;  
O what fellowship divine,  
I am His and He is mine;  
In the presence of the Lord  
There's fullness of joy.

**221**  
**MY WONDERFUL LORD F**

I have found a deep peace that I  
never had known,  
And a joy this world could not  
afford,  
Since I yielded control of my body  
and soul,  
To my wonderful, wonderful Lord.

**CHORUS**

My wonderful Lord, my wonderful  
Lord,  
By angels and seraphs in Heaven  
adored;  
I bow at Thy shrine, my Saviour  
divine,  
My wonderful, wonderful Lord.

I desire that my life shall be  
ordered by Thee,  
That my will be in perfect accord;  
With Thine own sovereign will Thy  
desires to fulfill,  
My wonderful, wonderful Lord.

All the talents I have, I have laid at  
Thy feet,  
Thy approval shall be my reward;  
Be my store great or small,  
I surrender it all,  
To my wonderful, wonderful Lord.

Thou art fairer to me than the  
fairest of earth,  
Thou omnipotent, life-giving Word;  
O Thou Ancient of Days,  
Thou art worthy all praise,  
My wonderful, wonderful Lord!

**222**  
**AIN'T GOD GOOD F**

Ain't God good  
To give us so many blessings,  
Undeserving, that's what we are;  
We ought to thank Him  
Love and praise Him,  
A little more today,  
A whole lot more tomorrow.

223

**I'VE RECOGNIZED THE VOICE C**

I will turn my back to sin,  
Let Your love pull me in,  
Knowing wisdom begins with  
fear.  
Turn my trembling to fervor,  
As I learn daily to serve;  
For I've recognized the voice that  
draws me near.

**CHORUS**

I have recognized the voice,  
I have understood the call;  
I have seen the beauty of the One  
I fear.  
It is He who calls my name,  
And His mercy I will claim;  
I have recognized the voice that  
draws me near.

I draw near only thro' grace,  
I can now look on His face,  
Holy, holy is the One who meets  
me here.  
I know only that I must,  
Now by faith begin to trust;  
For I've recognized the voice that  
draws me near.

224

**OH HOW HE LOVES F**

Oh, how He loves you and me,  
Oh, how He loves you and me,  
He gave His life,  
What more could He give?  
Oh, how He loves you,  
Oh, how He loves me,  
Oh, how He loves you and me.

225

**GOD IS MOVING D**

God is moving, God is moving,  
He is moving all over the earth.  
Signs and wonders are where  
God's moving;  
He is moving all over the earth.

226

**IT'S A NAME ABOVE ALL C**

It's a name above all names,  
And we will declare it,  
We will declare it,  
It's a name above all names,  
And we will shout it to a dying  
world.

"Who will declare My name?  
Who will shout My name  
In the middle of the nations,  
Who will take the shield of faith,  
And the sword of My mouth  
And declare My name to a dying  
world?"

"He who hath declared Me thus  
far  
Will walk in even greater power,  
For the sands of time are running  
out,  
Yet My name will be declared in  
this final hour."

"I am Jehovah, I Am that I Am!  
And My trumpet shall soon sound  
out.  
I formed the world with just a  
whisper,  
But this generation, this  
generation,  
This generation heard Me shout."

227

**RISE AND BE HEALED F**

Rise and be healed  
In the name of Jesus;  
Let faith arise in your soul!  
Rise and be healed  
In the name of Jesus,  
He will cleanse you and make  
you whole!

228

**LET GO AND LET GOD D**

Let go and let God have His  
wonderful way,  
Let go and let God have His way;  
Your sorrow will vanish,  
Your night turn to day,  
Let go and let God have His way.

**LORD SEND THE RAIN... E****CHORUS**

Send the Rain of Revival  
The Rain of revival  
Fill us with your Holy Spirit, we  
pray  
Quickening power for translation  
in this hour  
O Lord send us your rain

This world lay in darkness  
For rejection of the Son of man  
They have crucified Jesus Christ  
a second time  
But God's amazing grace  
Has brought us to this place  
By his blood we are cleansed  
from sin  
The title deed has come  
Revealing our inheritance  
We rejoice to see that we are His  
Bride  
But there's a cry in our souls  
For his life to be manifested  
O Lord send us the rain

Elijah truly has come  
All things he hath restore  
That the former and the latter  
rain could come to us  
Our eyes have seen the cloud  
Bringing full redemption  
Seven seals have lose the Holy  
Ghost to fill our souls  
We have heard seven thunders  
It awaken us to this hour  
Where we know our position in  
God's word  
O Lord we are crying  
For rapturing faith we're  
expecting  
O Lord send us the rain

The bride tree is restored  
Her revival now is on  
She's become the final voice to  
this final age  
A third pull ministry  
Will create at Let there be  
It will bring the sleeping ones  
from the grave  
But before we go, the dynamics  
must be in the church

For a quick short powerful work,  
we will do  
O Lord in desperation  
We want that revival  
Where Divine love take supreme  
control

**BRIDGE**

Your vats shall overflow with  
corn, oil and wine  
Total healing, full deliverance  
Lord (you will not deny)  
Angels visitations (visions and  
dreams)  
Prophecies (Lord you will not fail)

Thank you Lord for your revival  
The rain of revival  
Your Holy Spirit, Lord we have  
received  
Your quickening power to  
change us in this hour  
Lord, Thanks for your rain

**LET NOT YOUR HEART... C****CHORUS**

Let not your heart be troubled  
Neither let it be afraid  
For the same God who brought me  
through my trial  
Is the same one who will lead us to  
heaven's gate.

Battled scared soldiers, veterans  
of war  
Still towing the battle line  
You've come through all these  
years waiting for sweet release  
Nobody else but Jesus has come  
over to do a special work  
Now we are walking right in step  
In the rhythm of the word, caught  
up in the mystery of the second  
fold

Lord I hear your voice speaking  
to my soul  
Saying don't you ever give up,  
keep holding to my word  
Lord I feel your love pouring  
down on me, it's the Holy Spirit  
He wants to dwell in me  
That's my desire for more of you  
today

Here we are walking in the  
bloody footprints  
Oh what a guide we still have  
The mysteries are decoded and  
encrypted in our hearts  
Yes we are writing another book  
of Acts  
Now Naomi's getting ready, to  
receive Ruth's baby  
No longer will she be blinded by  
flatteries  
Saints lift your hands and praise  
him  
Down to the resurrection we're  
going  
Mount Zion rejoice, we're being  
restored

**BRIDGE**

Jerusalem, Mount Zion, we're  
going home

In the morning, in the morning

I'm headed home, home sweet  
home  
Angels are coming, to pick me  
up  
One day, you won't see me  
The rapture will come, to take  
me home  
His face I'll see, for all eternity  
Will you be there, will you be  
there

**1063**

\*\*\*\*

**LORD I HEAR YOUR A**

Lord you took us from, the mark  
of the earth  
You have cleanse and made us  
over to do a special work  
Now we are walking right in step  
In the rhythm of the word, caught  
up in the mystery of the second  
fold

**CHORUS**

Lord I hear your voice speaking  
to my soul  
Saying don't you ever give up,  
keep holding to my word  
Lord I feel your love pouring  
down on me, it's the Holy Spirit  
He wants to dwell in me  
That's my desire for more of you  
today

Lord we believe, you and your  
word are one  
Moulding us, preparing a bride,  
we know we are the one (we are  
the ones)  
You took us from the chains of  
death from our lives  
One standing in our midst, to  
bring this word to life

We know the locust came to  
deform our lives  
To make us doubt the word of  
God by telling us lies  
But to this the hidden mystery,  
has been revealed  
Shall I your God hide from you  
what am about to do

**WE ARE A LINK C****CHORUS**

We are a link in a strong chain  
Reaching round the world,  
Reaching round the world.  
We are a torch lifted high, flaming  
bright,  
Shining round the world,  
Shining round the world.

We are conquering the mountains,  
Taking back the land,  
Marching our vessels into war;  
We are binding up the wounded,  
They will live to fight again;  
Advancing from the ocean  
Back to the shore.

We must carefully plan our  
strategy,  
Confusing the enemy,  
We're doing it all through unity,  
unity, unity.

**230****WHEN ALL GET TO HEAVEN A**

Sing the wondrous love of Jesus,  
Sing His mercy and His grace;  
In the mansions, bright and  
blessed,  
He'll prepare for us a place.

**CHORUS**

When we all get to heaven,  
What a day of rejoicing that will  
be!  
When we all see Jesus,  
We'll sing and shout the victory.

While we walk the pilgrim pathway,  
Clouds will overspread the sky;  
But when travelling days are over,  
Not a shadow, not a sigh.

Let us then be true and faithful,  
Trusting, serving, every day;  
Just one glimpse of Him in glory  
Will the toils of life repay.

Onward to the prize before us!  
Soon His beauty we'll behold;  
Soon the pearly gates will open,  
We shall tread the streets of gold.

**I WAS ON HIS MIND C**

There's no one great amongst us,  
We're nothing on our own,  
We make mistakes, and often slip,  
Just common flesh and bone;  
But someday, I'll prove just why I  
say,  
I'm of a special kind,  
For while He was on the Cross  
I was on His mind.

**CHORUS**

For, He knew me,  
Yet, He loved me,  
He whose glory makes the  
heavens shine.  
I am so unworthy of such mercy,  
Yet, while He was on the Cross  
I was on His mind.

The look of love was on His face,  
The thorns were on His head,  
Blood was on His scarlet robe,  
Stained in crimson red;  
Though His eye was on the crowd  
that day  
He looked ahead in time,  
And while He was on the cross  
I was on His mind.

**232****MY TENT NO MORE PITCHED F**

My tent is no more pitched  
Down there in Egypt's land,  
You'll see me no more there,  
I live in another land.  
Hallelujah, hallelujah, hallelujah,  
hallelujah.

**233****IT IS THROUGH GRACE F**

It is through Grace, through Grace,  
Through Grace we serve the Lord;  
It is through Grace, through Grace,  
Through Grace we serve the Lord.  
It is through Grace, it is through  
Grace we serve the Lord,  
It is through Grace, it is through  
Grace we serve the Lord.  
(We come from far, from far, from  
far to serve the Lord.....)

234

**COME MORNING C**

God's children so long have been  
waiting,  
They're longing for heaven's bright  
shore  
Where troubles are left far behind  
us,  
And burdens are carried no more.

**CHORUS**

Come morning I'll walk by the  
river,  
I'll rest 'neath the evergreen tree;  
I'll carry my cross till the midnight  
Come morning there's glory for  
me.

Sometimes I'm despised and  
rejected,  
And I question, "Oh Father, how  
long?"  
Then I take one more look at Mt.  
Calvary  
And it gives me the strength to  
go on.

235

**VICTORY, VICTORY, VICTORY F**

Victory, victory, victory,  
Victory is mine,  
Deep down in my soul,  
Jesus made me whole;  
Victory, victory, victory,  
Victory is mine, Victory is mine.

236

**THAT SOUNDS LIKE HOME D**

That sounds like home to me,  
Like where I want to be;  
There'll be no tears  
To dim our eyes again;  
The hills will echo with the story,  
As we sing of His grace and  
glory;  
Where the saints of God will be,  
That sounds like home to me.

237

**FARTHER ALONG D**

Tempted and tried we're oft made  
to wonder  
Why it should be thus all the day  
long,  
While there are others living about  
us,  
Never molested though in the  
wrong.

**CHORUS**

Farther along we'll know all about  
it,  
Farther along we'll understand  
why;  
Cheer up, my brother, live in the  
sunshine,  
We'll understand it all by and by.

When death has come and taken  
our loved ones,  
It leaves our home so lonely and  
drear;  
Then do we wonder why others  
prosper,  
Living so wicked year after year.

Faithful till death said our loving  
Master,  
A few more days to labour and  
wait  
Toils of the road will then seem as  
nothing,  
As we sweep through the beautiful  
gate.

When we see Jesus coming in  
glory,  
When He comes from His home in  
the sky;  
Then we shall meet Him in that  
bright mansion,  
We'll understand it all by and by.

238

**THE LOVE OF JESUS D**

The love of Jesus is so wonderful,}  
Oh, wonderful love. }3x  
It's so high, you can't get over it,  
So low, you can't get under it,  
So wide, you can't get around it,  
Oh wonderful love.

**MY PRAYER Bb****Monologue**

*If my people who are called by  
my name  
Would humble themselves and  
pray and seek my face and turn  
from their wicked ways, then will  
I hear from heaven and I will heal  
their land.*

In prayer and supplication I pour  
my heart out to you  
Sometimes the tears they fall  
both day and night  
Our hands are worn from  
service, our dusty feet climb  
rocky pathways  
And all we long for is a touch  
from the master's hand  
But I see the finish line, it's just a  
few steps away  
So I'll bear my cross with  
thanksgiving and praise  
For I'm feeling that strange call  
from God, saying come home my  
child  
Heal your people, heal the land

**CHORUS**

Heal your people, heal the land  
There's still balm here in  
Jerusalem  
My soul is longing for sweet rest  
Heal your people, heal the land.

Our Father, our Saviour, our  
good Shepherd {Bishop of my  
soul}  
You've brought me this far how  
could I be lost  
Your glory fills the heavens, it  
testifies of my redemption

Our sins and shame you nailed  
them to the cross  
But I see the wounded soldiers  
and many who've fallen away  
Lord we won't let them die but for  
deliverance we'll pray  
For your arms are open wide  
you're saying come home my  
child  
Heal your people, heal the land

**Monologue**

*So like Hannah Lord we cry to  
you, open the barren wombs  
Everything we have need of I  
know you are more than able  
and willing to do  
Like Sampson Lord we cry just  
once more, just once more Lord  
I must see life signs in this body  
Healing is here, deliverance is  
here, I know the Holy Ghost is  
here  
To restore all that was eaten  
House of hell give way,  
Jerusalem will rise in all her glory  
And her vats shall overflow with  
corn, oil and wine.*

**SWEET INFLUENCES D**

There is an influence upon me  
that I know is real  
A connection from a realm  
somewhere in the unseen  
It's an influence that's heavenly it  
comes from above  
It's Jesus, the great fountain of  
agape love

**CHORUS**

The sweet influence of Jesus  
Christ  
Sweet influences of the Seven  
Stars  
Held firmly by Orion's bands,  
secured in his love  
Sweet influences flows from  
above

It gives me real conviction when I  
tend to stray  
It keeps me walking in the  
straight and narrow way  
When friends around me try to  
shake me from my stand  
I'm influenced by Jesus and held  
firm in His hand

I see a world of people all going  
downstream  
It's evident their influence comes  
from beneath  
But something keeps me going  
upstream against that flow  
It's the influence of Jesus that's  
upon me I know  
A great cloud of witnesses  
stands in glory today  
They overcame by the word God  
opened up in their day  
I'm identified with these who took  
that great stand  
All influenced by Pleiades the  
stars in His right hand

**THE HOUR HAS... F-G**

We've seen God in creation  
As the lion, the lion of Judah  
We saw the dove, his holy spirit  
We've seen him in the rainbow  
and the cloud  
Then came Revelation 10-7  
Who spoke squirrels into  
existence  
So what about Revelation 10- 8  
to 11  
We are the redeemed, we are  
his victory

**CHORUS**

The hour has come, that the  
bride be glorified  
She now has the testimony of  
her Lord Jesus Christ  
Though the tempest may rage  
We will not be trodden down  
The hour has come {It has come} 2x  
Hold fast Don't let any man take  
your crown

The lot's been cast, the bride  
knows her portion  
Saints this has to be the end of all  
your strife and confusion  
We know what must be done  
with the word  
Daughter of Zion speak, just  
speak and go forth  
The rock's been thrown up  
judgement fills the earth  
And soon cometh the third woe  
So Lord strike your masterpiece,  
purify me  
I'll not live in defeat

**BRIDGE**

Lord I believe {that you will  
restore all things}  
I receive {The outpouring of the  
latter rain}  
In this day {Which day? The  
Lord's day}  
Be glorified in me  
Think it not strange  
All the fiery trials{ they will make  
you stronger}  
The hour has come {3x} {Your  
deliverance is here} {Put your  
feet on the neck of the kings}  
That we would wear a crown

**THE GOD OF THIS EVIL AGE D**

The God of this evil age,  
Has blinded their eyes today,  
A people who walk their  
own way  
Not according to God's Word.  
They're denying the things  
He's done,  
Rejecting His only Son,  
And accepting the creeds of  
man;  
Oh, this is the evening time.

**CHORUS**

This is the evening time,  
It's later than you think;  
The Bride is preparing now,  
For her Lord to meet.  
All things are ready now,  
The combine is here.  
He that hath an ear to hear,  
The evening time is here.

Gross darkness throughout the  
land,  
And people can't understand,  
God's prophet has warned the land  
Proclaiming the Word to men;  
So if you'll be saved today,  
Just follow that way He gave,  
That's accepting the Word of God  
Oh, this is the evening time.

Seven thunders they don't believe,  
How else could the Seals be  
revealed  
To give the Bride rapturing faith,  
Sleeping saints and our Lord to  
meet.  
If you want to be raptured today,  
Follow Ephesians 0:11's way,  
It's the anointed Word today,  
Oh, this is the evening time.

**GOD IS ABLE D**

God is able, God is able  
To deliver from the fire;  
He will rescue  
Those who serve Him,  
When the flames are burning  
higher.

**GOD WILL MAKE THIS TRIAL D**

I've just come into a valley,  
One like I've never been before,  
I keep searching for a way out,  
Seems like padlocks are on the  
door.  
Oh! there must be another sunrise,  
Another sunset that I'll see,  
God will make this trial a blessing,  
Just be patient, you will see.

**CHORUS**

God will make this trial a blessing,  
Though it sends me to my knees;  
Though my tears flow like a river  
Yet in Him there's sweet relief;  
There's no need to get discouraged,  
There's no need to talk defeat;  
God will make this trial a blessing,  
And the whole wide world will see.

I was not the first one to come into  
this place,  
You see every child of God this  
test he must face,  
It is here that God will mould you,  
And make you what you ought to be.  
God will make this trial a blessing,  
Just be patient you will see.

I'm standing on the mountain,  
Looking back I can see  
When I was in my lowest valley,  
His strong hand was leading me.  
Oh, it's good to see the sunrise,  
And to taste sweet victory!  
God has made this trial a blessing,  
Oh, the love He has for me.

**YOU ARE WORTHY G**

You are worthy to be praised,  
Lord Almighty,  
And I worship You,  
You are worthy to be praised;  
Lord, I love You, and I worship  
You,  
You are worthy to be praised,  
You are worthy, worthy,  
Worthy to be praised.

**JESUS NEVER FAILS** **F**

So many have tested Him  
Throughout the course of time,  
So many still reach out to Him  
With broken hearts and minds,  
And every one of them will say,  
Without exception that they find:  
Jesus never fails.

Even in the days of old  
He brought His people through,  
Then He came and He showed  
His love,  
And died for me and you.  
Jesus rose again and He proved  
That His story has been true,  
That Jesus never fails.

**CHORUS**

Jesus never fails, Jesus never  
fails,  
You might as well get thee  
behind me, Satan,  
You cannot prevail  
Because Jesus never fails.

Sometimes in my life comes  
trouble,  
At times so hard to bear;  
I know I could not make it  
Without my Saviour being there;  
It's so encouraging just to know,  
However deep we're in despair:  
That Jesus never fails.

**BIND US TOGETHER** **D**

Bind us together Lord, bind us  
together  
With cords that cannot be  
broken,  
Bind us together Lord, bind us  
together Lord,  
Bind us together with love.

There is only one God,  
There is only one King,  
There is only one body,  
That is why I sing.

**THROUGH IT ALL** **F**

I've had many tears and sorrows,  
I've had questions for tomorrow,  
Many times I didn't know right  
from wrong;  
But in every situation,  
God gave me blessed  
consolation,  
That my trials only come to make  
me strong.

**CHORUS**

Through it all, through it all,  
I've learned to trust in Jesus,  
I've learned to trust in God;  
Through it all, through it all,  
I've learned to depend upon His  
Word.

I've been to lots of places,  
And I've seen millions of faces,  
But there were times I felt so all  
alone;  
But in my lonely hours,  
Those precious lonely hours,  
Jesus let me know that I am His  
own.

So I thank God for the  
mountains,  
And I thank Him for the valleys,  
And I thank Him for the storms  
He brought me through;  
For if I never had a problem,  
How could I know that my God  
would solve them;  
How could I know what faith in  
God can do.

**IT'S THE LIFE** **A**

It's the life behind the Name,  
That makes the demons tremble;  
It's the life behind the Name,  
That makes the proud heart  
humble;  
It was God who devised a plan,  
That in all things like a man,  
He would live, so He could give,  
Give us the life behind the Name.

**I'M FREE** **G**

When I think of Jesus  
This man who died for me; took  
my sins away  
What made Him give his life?  
What was the meaning of  
Amazing Grace?  
I just couldn't see  
This Bloody Lamb that was slain,  
for me  
I could not believe  
The suffering He bore; took my  
place, on that tree

**CHORUS**

(I'm) Free  
From the bondage of sin  
Christ now dwells within  
I'm Free  
He was the perfect sacrifice  
The Lamb gave me His life

Despised and rejected  
It pleased the father to give His  
son for my life  
Smitten and afflicted  
I am now a prisoner of Christ  
I've never known such love  
To save me from the wrath, He  
covered me,  
With His blood  
Amazing Grace I see  
Justified I stand;

**CHORUS**

(I'm) Free  
From the bondage of sin  
Christ now dwells within  
I'm Free  
He was the perfect sacrifice  
The Lamb gave me His life

**BRIDGE**

The cross (2x)  
Now I'm living my life in the  
bloody  
Footprints of the cross  
La Cruz (2x)  
Estoy viviendo en las huellas  
ensangrentadas de la cruz  
Lord please keep me in the  
bloody footprints of the cross  
The cross

**ON MY KNEES** **D**

The time has come, divine  
revelation in God's word  
His grace I see, when I see how  
He has chosen me  
And it happens every day, when  
I begin to pray  
It burns within my heart, the  
things He always says  
He revealeth onto me, what I  
was born to be in this day

**CHORUS**

So I am staying (On my knees)  
Patiently waiting (On my knees)  
For your outpouring (On my  
knees)  
Oh Lord I need You (On my  
knees)

Now I believe, that I was born a  
predestinated seed  
Amazing grace, has chosen me  
to run this race  
So I will give my life to Him,  
perfected without sin  
I can't do this on my own, Lord  
put flesh on these dry bones  
If it takes my life to give, for You I  
will live I need You Lord

So I'm staying (On my knees)  
Patiently waiting (On my knees)  
For your outpouring (On my  
knees)  
Oh Lord I need You (On my  
knees)

**BRIDGE**

I've read the scriptures in the  
bible, about the Mighty Gentile  
Warrior  
The painful desire of Hannah,  
and the fearless move of Esther  
Lord I believe that they were true,  
and the token they received, but  
what about me?  
I know my battles are all won, that's  
why I sing my song  
I know blessings are all mine, but  
it will just take time  
So like Elijah here I stay, with  
faith in such a way to know you'll  
come

\*\*\*\*

**THE SWEET INFLUENCES** **Bb****CHORUS**

Cans't thou bind the sweet  
influence of Pleiades or loose the  
bands of Orion?

Canst thou bind the sweet  
influence of Pleiades or loose the  
bands of Orion?

After six thousand years  
After seven Church Ages had  
gone  
God himself came down with healing  
in his wings to mark the end of  
man's suffering  
So there shall be deliverance in Zion

And there shall be an outpouring  
of the Holy Ghost  
We're influenced by seven stars  
We saw signs like the Nebula  
Saying rejoice O Zion your  
deliverance has come

Flesh and blood hath not  
revealed these things to us  
But the spirit of revelation  
The spring sun has returned and  
is loosed upon the earth  
Bringing full redemption to his  
church

With one foot on the sea and one  
on the land  
He holdeth the seven stars in his  
right hand  
He played the role of the great  
enforcer  
He'll fight for his people in this  
dreadful hour  
He holds the key of death and  
hell in his hands

So there must be deliverance in  
Zion (in Zion)  
And there shall be an outpouring  
of the Holy Ghost  
So don't you think it strange  
concerning your fiery trials  
For the seven stars has uttered  
great things concerning you

(Saying your deliverance has  
come)  
Your El shaddai has come  
(Your comforter has come)  
Greater than Job has come  
(Jehovah – Jireh has come)  
On the wings of a snow-white  
dove  
(Jehovah-Rapha has come)  
Your great comforter has come  
(Your El Shaddai has come)  
The great Potentate has come  
(The great Melcheszidec has  
come)  
Your great Arcturus has come  
(Your Arcturus has come)  
On the wings of the seventh  
dove  
(Your redeemer has come)  
Your great healer has come  
(The Supreme Judge has come)  
Our great deliverer has come  
(Your deliverer has come)

He's the mighty God unveiled  
and his words can never fail  
You can find His qualification  
nailed upon the cross

**CHORUS****DO YOU KNOW GRACE** **D**

I was down as low as one could go,  
I had no strength of my own;  
Everything I worked for all my life,  
Everything I loved was gone;  
The lowest valley of my life.  
I was flat on my face,  
But then the great hand of Jesus  
Reached down and picked me up,  
Oh yes! I know grace.

**CHORUS**

Do you know grace,  
Amazing grace?  
Have you heard how sweet the  
sound?  
There are many dangers, toils and  
snares,  
We've already come,  
Look where you came from  
And where you are,  
And I'll ask you, "Do you know  
grace?"

When it comes time for Him to  
take His Bride,  
To that evergreen shore,  
And He chooses you and I  
To live in that land forever more;  
When we've been there ten  
thousand years,  
And you see me in that place,  
Oh! you could ask me this  
question again,  
I'll say, "Yes! I remember grace."

**ONLY BY GRACE** **A**

Only by grace can we enter,  
Only by grace can we stand,  
Not by our human endeavor;  
But by the blood of the Lamb.  
Into Your presence You called us,  
You called us to come;  
Into Your presence You draw us,  
And now by Your grace we  
come.}2x

Lord, if You mark our }  
transgression, who would stand? }  
Thanks to Your grace we are }  
cleansed }  
By the blood of the Lamb. }2x

**ARE YOU WASHED?** **F**

Do you know what it is  
Not to have one guilty feeling,  
Not to wonder where you're going  
when you die;  
Not condemned of the past,  
Not afraid of what tomorrow holds  
in store  
And know the reason why?  
Yes, that's just how it is  
When you go down in the water  
'Cause by faith you believe in what  
you heard,  
It's no impossible dream,  
You can start over clean  
When you're washed by the water  
of the Word.

**CHORUS**

Are you washed by }  
the water, }  
Washed by the water }  
of the Word? }2x

It's like being born again  
With a whole new life to live,  
Never having to look back to what  
you've been,  
'Cause according to the Lord  
You've just started your existence,  
And where He's concerned there  
never was no sin;  
For when God looks your way  
He no longer sees a sinner  
But a saint who's been washed  
white as snow;  
Not by any thing we've done  
But by the blood of God's own Son.  
Are you washed by the water of  
the Word?

**IF THAT SAME SPIRIT** **C**

If that same Spirit that raised }  
Christ from the dead }  
Dwell in you, dwell in you, }2x  
It shall quicken your mortal }  
body, }  
If that Spirit dwell in you. }2x

**I WAS BORN TO SERVE** **F**

From the dust of the earth,  
My God formed this body,  
His breath made me a living  
soul;  
And then the light of His Word  
Struck the germ deep inside me,  
That is why, that is why I love  
Him  
so.

**CHORUS**

For I was made in His likeness,  
Created in His image,  
For I was born to serve the Lord;  
And I can't deny Him,  
I will always walk beside Him,  
For I was born to serve the Lord.

My hands, they were made to  
serve His people,  
My eyes, they were made to  
read God's Word;  
My feet, they were made to walk  
in His pathway;  
And my body is the temple of the  
Lord.

Whom He foreknew, He did  
predestinate,  
To be conformed into His image,  
Whom He foreknew, it's them He  
also called.  
Whom He called, He did justify;  
Whom He justified, He has  
glorified,  
And I'm waiting for the  
translation  
to meet my Lord.

**ALL OVER THE WORLD** **A**

All over the world the Spirit is  
moving,  
All over the world as the prophet  
said it would be;  
All over the world there's a mighty  
revelation  
Of the coming of the Lord as the  
waters cover the sea.

Deep down in my heart.....

**MY TRIBUTE** **G**

How can I say thanks  
For the things You have done for me,  
Things so undeserved,  
Yet You gave to prove Your love  
for me;  
The voices of a million angels  
Could not express my gratitude;  
All that I am and ever hope to be  
I owe it all to Thee.

**CHORUS**

To God be the glory, }3x  
For the things He has done;  
With His blood He has saved me,  
With His power He has raised me;  
To God be the glory,  
For the things He has done.

Just let me live my life,  
Let it be pleasing Lord unto Thee;  
And should I gain any praise,  
Let it go to Calvary.

**QUIET ME** **D**

Working daily for Your cause,  
There's so little time to pause  
And seek Ye prayerfully.  
Good intentions somehow fail,  
Empty promises prevail;  
Oh Lord, am I too busy for You to  
quiet me?

**CHORUS**

Quiet me,  
Let peaceful waters flow,  
Learn to be still my soul.  
Let me hear  
Jesus walking near,  
Touch me Lord, and quiet me.

There're so many songs unsung,  
And dreams not yet begun,  
For there's so much to do  
In so little time;  
Yet there is nothing that can  
replace  
All the times I seek Your face;  
Oh Lord, I want Your perfect will  
For this life of mine.

**EPHESIANS AT THE END....** **G**

This is the Ephesians,  
At the end of the age;  
God has made known to us,  
The mystery of His will.  
We were chosen and  
predestinated,  
For such a Time as this;  
We are coming out of,  
And going in

**CHORUS**

To the other side,  
I will be there  
Once a stranger without  
fellowship,  
Now in Christ I have citizenship.  
To the other side,  
Will you be there?  
Who was dead in sins and  
trespasses,  
There's a body prepared  
(waiting) for you,  
On the other side

We are living in the promise  
For this day  
Back to our origin  
God has made a way  
The bride is the final voice,  
And she has turned at the west,  
Our victory is sure  
We have an open door

When thou passeth through  
rough waters.  
I will be with thee.  
And thou walkest through the fire,  
It will not hurt thee.  
For I am the Lord thy God,  
And thou art precious in my sight  
You shall have no other God but me,  
Because I have no other wife but  
thee

**BRIDGE**

This is the Stars' Wars  
We stand with Plaides and Orion  
Look to the unseen  
For our battle is not carnal  
Mt. Zion, mix the Word with Faith  
The Lion roars, and nations shake  
The Bride is dwelling under the  
Palm Tree.

In this Ephesians all things are  
under her feet  
Seeds of Abraham under  
preparation,  
For the rapture between six and  
nine.

**WE ARE THE LAST** **Dm**

We are the last to see this world  
as it is  
The last group of gentiles with  
the father's genes  
we've seen the last gentile sign  
on the earth  
This World is getting ready to give  
birth

**CHORUS**

To a faith civilization with no  
science invention  
This spiritual evolution has come  
to its completion  
And it's just a matter of time  
before we cross  
The Continental divide

We are the ones, we've seen the  
fig tree been budded  
To us the seventh seal were  
revealed  
We are living between, the sixth  
and seventh trumpet  
We're awaiting the final one and  
we'll be gone

We see the cup of iniquity full  
We see the ecumenical move  
We see the cloud arising in the  
west  
And this moreh rain will surely  
give a body change

**BRIDGE**

Soon we'll cross the life line that  
was broken  
The feasts are being ended  
soon we'll be in the millennium  
Then we'll cross the time line that  
was broken  
We are living in the continuity  
Soon there'll be no more time

And the last song will be sung  
the last message will be preached  
and the last son will be born  
and we'll have our last  
look up on a world that is judge  
and we'll be gone (3x)

**HIS TRUE TABERNACLE D**

For I was born to be his dwelling place  
A home for the Presence of the Lord  
So let my life now be separated unto Thee  
That I might be what I was born to be

Man born of a woman is few days and full of trouble  
That is why it's said 'ye must be born again'  
For by one word being broken creation went  
In a tumble nothing was ever the same  
Man was put out of the Presence of God  
Created man became a fallen man  
The First tabernacle God made Himself to dwell

**CHORUS**

The Throne in my heart belongs to God  
I am His True Tabernacle  
In the Holies of my heart I meet Him in there  
In there I offer sweet incense  
Come oh Lord, come and dwell

Since then the whole creation  
Groan and travaileth in pain together until now  
How much more they who the first fruits  
Of the Spirit groan awaiting adoption  
Jesus said I go to prepare a place for you  
He has returned we've seen the Cloud  
The sign of our redemption

The saints and sages all long for this moment

These are things angel desire to look into  
The grace that I have seen by the revelation  
That's been given my place in Christ  
I have come to know  
I have the Spirit of a heavenly country  
That's why nothing on earth can satisfy me  
I'm looking for a future home with my King  
From a heavenly kingdom

**BRIDGE**

Lord forgive me for the many times I turned you away  
I was born to be a dwelling place for Thee  
Come in Lord, come and sup with me

The Throne in your heart belongs to God  
You are His True Tabernacle  
Worship the One who created heaven and earth  
For this is the hour of great Temptation  
Hold fast which thou has let no man take thy crown

1052

**YOU ARE EVERYTHING TO ME C**

You are everything to me  
You're worth more than all my eyes have seen  
Your peace, Your Perfect Love  
Your power from above  
You are everything to me  
You are that sweet Dove

1053

**I JUST WANT TO PLEASE... C**

I just want to please the Lord  
Be in His will in every way  
Just to be lost in His presence  
Found in His likeness  
I want to hear Him say well done, someday

**MY SINS ARE GONE C**

You ask me why I'm happy,  
So I'll just tell you why;  
Because my sins are gone,  
And when I meet the scoffers,  
Who ask me where they are,  
I say, "my sins are gone."

**CHORUS**

They're underneath the Blood,  
On the Cross of Calvary;  
As far removed as darkness is from dawn,  
In the sea of God's forgetfulness,  
That's good enough for me,  
Praise God, my sins are gone.

'Twas at the old-time altar,  
Where God came in my heart,  
And now my sins are gone,  
The Lord took full possession,  
The devil did depart,  
I'm glad my sins are gone.

When Satan comes to tempt me,  
And tries to make me doubt,  
I say, "my sins are gone,  
You got me into trouble,  
But Jesus got me out,"  
I'm glad my sins are gone.

I'm living now for Jesus,  
I'm happy night and day  
Because my sins are gone,  
My soul is filled with music,  
With all my heart I say,  
"I know my sins are gone."

**LET HIM BREATHE ON ME D**

Let Him breathe on me,  
Let Him breathe on me,  
Let the breath of God  
Now breathe on me;  
Let Him breathe on me,  
Let Him breathe on me,  
Let the breath of God  
Now breathe on me.

257

**HE SET ME FREE G**

Once like a bird in prison I dwelt,  
No freedom from my sorrow I felt,  
Then Jesus came and listened to me;  
And glory to God, He set me free.

**CHORUS**

He set me free, yes, He set me free;  
He broke the bonds of prison for me;  
I'm glory bound my Jesus to see,  
For glory to God He set me free.

Now I am climbing higher each day,  
Darkness of night has drifted away,  
My feet are planted on higher ground,  
And glory to God I'm homeward bound.

Good-bye to sin and things that confound,  
Naught of this world shall turn me around,  
Daily I'm working, I'm praying too,  
And glory to God, I'm going through.

**WHAT A MIGHTY GOD F**

What a mighty God we serve,  
What a mighty God we serve,  
Angels bow before Him,  
Heaven and earth adore Him,  
What a mighty God we serve.

259

**HE WAS THERE A**

He was there all the time,  
He was there all the time,  
Waiting patiently in love,  
He was there all the time.

**NO ONE EVER CARED A**

I would love to tell you what I think  
of Jesus,  
Since I've found in Him a friend so  
kind and true.  
I would tell you how He changed  
my life completely,  
He did something that no other  
friend can do.

**CHORUS**

No one ever cared for me like Jesus,  
There's no other friend so kind as  
He,  
No one else could take the sin and  
darkness from me,  
Oh how much He cares for me.

Every day He comes to me with  
new assurance,  
More and more I understand His  
words of Life.  
I will never know just why He  
came to save me,  
Till someday soon I'll see His  
blessed face above.

**BELOVED LET US LOVE F**

Beloved let us love one another;  
For love is of God,  
And everyone that loveth is borned  
of God and knoweth God.  
He that loveth not knoweth not  
God, for God is love;  
Beloved let us love one another  
with Jesus' love.

Seek ye first the kingdom of God,  
And its righteousness,  
And all these things shall be added  
unto you. Hal -le-lu, Hallelujah!

Man shall not live by bread alone,  
But by every Word  
That proceeds from the mouth of  
God. Hallelujah!

**MORE OF YOU A**

I'm not trying to find just some new  
frame of mind,  
That will change my old point of  
view.  
For I've been through it all;  
Deep inside nothing's changed,  
I'm not new;  
I'm not seeking a gift or emotional  
lift.  
But one thing I'm longing to do,  
Is to lift up my cup and let You fill it  
up with just You!

**CHORUS**

More of You, more of You,  
I've had all, {I cry Lord} but what I  
need, just more of You.  
Of things I've had my fill  
And yet I hunger still;  
Empty and bare, Lord, hear my  
prayer for more of You.

I have searched all around  
In the husks that abound,  
But I find no nourishment there;  
Now my strength's almost gone  
and I feel the pull of despair;  
Yet my thirst drives me on,  
and I stumble along,  
Over ground so barren and dry,  
For the spring's just ahead,  
Living water! Lord, fill me, I cry.

**HOLD ON F**

Hold on,(all you got to do is) }  
Hold on, }  
There is no failure in God. }2x

Just pray,(all you got to do is) }  
Just pray, }  
He won't fail, He won't fail, }  
He won't fail. }2x

Look up,(all you got to do is) }  
Look up, }  
There is no failure in God. }2x

**ORIGIN DESTINY A**

A mighty angel descended with  
the open book  
Seven thunders uttered their  
voices and my earth shook  
The chains that bound my mind  
began to fall off  
Through the angel in the pulpit  
reiterating the prophets thoughts  
I now see my pre-existence, in  
God's mind,  
I understand my earthly journey  
down through these corridors of  
time  
I look to my eternal destination,  
I'm saved and cannot be lost  
The tale didn't pull me down I'm  
a star set in my course

**CHORUS**

Origin, destiny pre-existence and  
my earthly journey  
I long to break free from these  
walls of flesh  
And go to my theophany  
To stand in that, in that day in a  
glorified body  
To stand in that, in that day in a  
glorified body

This rugged old robe of flesh  
we've carried along  
These 16 sinful elements that  
make our earthly home  
But we see a new day dawning  
on the inside  
Shalom to my bride  
And soon she'll be changed to  
meet him in the sky  
Yes soon she'll be changed in  
the twinkling of an eye

**CHORUS**

With great desire I desire to sup  
with thee  
Melchizedek communion, bread  
and wine it's his Body

Eternal attributes from in the  
mind of God  
Now expressed in flesh writing to  
go to our Lord  
The Marriage supper of the Lamb  
It is drawing near  
But it takes three robes for you to  
be there.  
The Holy Ghost, a theophany, and a  
Glorifies body  
That's the complete garment for  
the supper in eternity

**CHORUS**

Kinos, God poured in another mask  
Enmorphe behind flesh, getting  
ready to perform this final act  
Well the drama is about closed  
This is the final page  
Christ in the pre-theophany stage

**I WILL WALK THIS PATH G**

Because you have chosen the  
narrow path the hardest way  
A great portion of heaven is  
waiting for you  
Because of what you have decided  
That was the prophecy that the  
Angel told to the great messenger  
That is what will produce the great  
victory in the love divine

**CHORUS**

//I will walk this path  
In the footsteps of Elohim  
I want to get to the end of time  
That divine love may live in me//

This path has many trials and many  
battles against the enemies  
But His Holy Spirit will lead us to  
perfect love  
There is not much time  
remaining to walk this path  
We can already hear the chariots  
of our beloved one  
Coming to the meet us

**I'M LOOKING AHEAD** Bb/C/D**CHORUS**

I'm looking ahead to that glorious city

Where I'll shake the hands of those who've gone before me  
I can still feel the same tender hand that's carrying me

Will lead me home so Lord I'm looking ahead

Living in a world of insanity  
We're surrounded by the dead they are all asleep  
But under the Easter seal thank God we're quickened and awakened

Now the master is here the son has risen

He's no longer the hidden Messiah but he has appeared

Now to the promise of a second coming I'm looking ahead

So many among us are hurting  
They're wounded in the battle  
Lord they are dying  
Brothers take each others hand  
Sisters do the same thing too  
Lift each other in prayer we will make it through  
And though skin worms may destroy this body  
I've got another one waiting for me

So Lord fill my soul with your Holy Ghost  
Cleanse me and make me whole.

**BRIDGE**

I am looking to my perfect

sacrifice

To my redeemer the Lord Jesus Christ

No more sickness no more trials for me

To that provided place that Jesus built for me

My faith is settled, my theophany

To that provided place that's prepared for me

**CHORUS****BRIDGE**

Swing low, swing low, swing low, sweet chariot

In just a little while we'll shake our prophet's hand

In just a little while we'll walk the streets of gold

Hallelujah we'll meet the saints of all the ages.....

**SEND THE RAIN** C

Lord send the (us) rain  
Send down Your Spirit  
Heal every wound  
Send down your life  
Consume me Dear Lord

Lord send us rain  
Send down Your Spirit  
Heal every wound  
Send down Your fire  
Possess me Dear Lord

Lord send the rain Lord  
As Token of Your love  
Visit my life  
Possess me dear Lord

Lord send the rain  
As showers of Your love  
Visit my temple  
And possess me dear Lord

**STANDING ON THE PROMISES G**

Standing on the promises of Christ my King,  
Through eternal ages let His praises ring;  
Glory in the highest I will shout and sing,  
Standing on the promises of God

**CHORUS**

Standing, standing,  
Standing on the promises of God my Saviour;  
Standing, standing,  
I'm standing on the promises of God.

Standing on the promises that cannot fail,  
When the howling storms of doubt and fear assail.  
By the living Word of God I shall prevail,  
Standing on the promises of God.

Standing on the promises I now can see  
Perfect, present cleansing in the blood for me;  
Standing in the liberty where Christ makes free,  
Standing on the promises of God.

Standing on the promises of Christ the Lord,  
Bound to Him eternally by love's strong cord,  
Overcoming daily with the Spirit's sword,  
Standing on the promises of God.

Standing on the promises I cannot fall,  
Listening every moment to the Spirit's call,  
Resting in my Saviour as my all in all,  
Standing on the promises of God.

**MESSAGE OF HIS COMING G**

We're looking for His coming, in the clouds of heaven,  
Coming back to earth to catch away His own;  
Then may we all be ready, when midnight cry is given,  
To go and reign with Christ on His throne.

**CHORUS**

Gladly may we herald the message of His blessed appearing,  
Soon He's coming in glory, tell to one and all;  
Then awake, ye saints of the Lord, why slumber when the end is nearing,  
But get ready for the final call.

We're longing for the glory that awaits the faithful,  
Who shall overcome, and every conflict win;  
Press ever bravely onward,  
The prize is life eternal  
To all who win the fight over sin.

We're praying for the advent of our blessed Saviour,  
Who has promised life to all who trust His grace;  
His coming now is pending, the message being given,  
And soon we'll see our Lord face to face.

We see the signs appearing of His blessed coming,  
Lo, behold the fig leaves now becoming green;  
The gospel of His kingdom has gone to every nation;  
That we are near the end can be seen.

**EMPTY ME** **F**

Oh Lord, I've heard Your Word  
that has called me,  
And now I can't turn away;  
I'm compelled by the truth that I  
hear,  
Just to walk with You my Lord,  
This is my prayer.

And I know that in myself I am not  
worthy Lord,  
Of the place that You've prepared  
for me;  
But I love You, and I really want to  
serve You,  
So each day of my life  
I will live for You.

**CHORUS**

Empty me, dear Lord,  
Of all my self and pride;  
Empty me, dear Lord,  
Remove secret sins inside;  
Empty me, Oh, my loving Lord,  
Until I'm just like a little child,  
So Your will could be done in my  
life.

Sometimes from within,  
Lord, how I groan and cry,  
How I hunger and I thirst for Thee;  
But I would not be satisfied,  
Until I be filled with You,  
Empty me, so that I can be filled  
with You.

**CHORUS**

Empty me, dear Lord of unbelief  
inside,  
Lord let me never pretend,  
Remove fears and doubts within;  
Empty me, oh my loving God,  
Until I'm just like a little child,  
So Your will could be done in my  
life.

**WHATEVER IT TAKES** **D**

There's a voice calling me,  
From an old rugged tree,  
And it whispers draw closer to  
Me,  
Leave this world far behind,  
There are new heights to climb,  
And a new place in Me you will  
find.

**CHORUS**

And whatever it takes,  
To draw closer to You Lord,  
That's what I'll be willing to do,  
And whatever it takes,  
For my will to break,  
That's what I'll be willing to do.  
I'll trade sunshine for rain,  
Comfort for pain,  
That's what I'll be willing to do;  
And whatever it takes,  
For my will to break,  
That's what I'll be willing to do.

Take the dearest thing to me,  
If that's how it must be,  
To draw me closer to Thee;  
Let the disappointments come,  
Lonely days without the sun,  
If in sorrow, more like You I'll  
become.

Take my houses, take my lands,  
Take my dreams and my plans,  
For I'm placing my whole life in  
Your hands,  
And if You'll call me today to a  
land far away,  
Then I'll go and Your will obey.

**SO GLAD I'M YOURS LORD** **C**

So glad I'm Yours, Lord,  
So glad I'm Yours,  
So glad Your mercy  
Has followed me;  
So glad You've found me  
And set me free,  
So glad I'm Yours, Lord,  
So glad I'm Yours.

**DOWN AT THE ALTAR** **C**

Guide my feet, hold my hands  
Grant it Jesus, that I may stand  
Won't be satisfied, if you're not  
on the inside  
Till You and I are one Lord  
Till we two become one Lord

Remember me oh Lord  
As I'm laying my all on the altar  
of sacrifice  
Naomi said You'd meet with me  
here  
Remember me oh Lord  
You said ask and all I ask you will do  
So here I stand  
Only asking for more of You

And all of my desires  
I lay them at the altar of sacrifice  
And everything I am Lord  
I lay here at your feet  
(Humbly at Your feet)  
I won't be satisfied  
Till You and I are One

Remember me oh Lord  
As I mark the spot where you lay  
Down at the cross  
Where your precious blood was  
spilt  
Remember me oh Lord  
You said ask and all I ask you will do  
So here I stand only asking for  
more of you  
So I'm asking Father

**CHORUS**

Lead me I pray, every day  
I want to know you better Father  
Tell me more about you Lord  
To be concerned about your  
desires  
Lead me to that place, where I  
know, that I know, that I know

I'm yours Jesus  
I won't be satisfied till You and I  
are One  
Remember me oh Lord,  
I can't move from this place  
unless you come  
And all I know is that you're  
willing to lift and restore  
Remember me oh Lord  
Lord I believe every word you  
say is true  
So here I stand, my only request  
is Lord more of you  
So I'm asking Father

Lead me I pray, every day  
I want to know you better Father  
Tell me more about you Lord  
To be concerned about your  
desires  
Lead me to that place, where I  
know, that I know, that I know  
I'm yours Jesus  
I won't be satisfied till You and I  
are One

...Signs of the time and a world  
filled with judgment Father  
...More and more and more of  
you is my desire Father  
...just can't be satisfied, Lord  
...Signs of the time and a world filled  
with drunkenness Father

Guide my feet... (Repeat)

**JESUS ALWAYS LOOKING...** **D**

Jesus always looking out for me  
He's always opening doors  
That I can never see  
I don't have to worry  
He'll take good care of me  
He's always looking out for me

**BRIDE TIME** **Dm**

One time, seeking the Lord,  
To find out what's the hour,  
Feeding my soul, oh, the seven  
thunders,  
His word was preparing my heart,  
For this final hour,  
When the spirit said to me:

**CHORUS**

This is Bride time, this is war time  
Put on the armour, The Holy  
Ghost and fire  
Rise and shine, oh become that  
super sign (2x)

Two hundred million demonic  
power  
But the spirit shall quench their  
torture  
You see the world is filled with  
violence  
Because the word is being  
denied  
But we stand faithful  
Faithful as God's little bride.

Michael has come with the sword  
To put devils under your control  
Seven thunders have sounded  
The original word is restored  
Saints no more to be afraid  
We are truly born again  
Now the king's sword is in your  
hand  
Be strong and possess your land

The greater works are calling  
The bride she has to go  
The rocks has been thrown up in  
'64  
The sign, the plagues to follow  
The pale horse rider unites them  
To the great and final woe  
But the bride she's secured

The token is on the door.

**BRIDGE**

Jezebel and Ahab united  
Resurrection faith increasing  
(Rise and Shine oh .....) (2x)  
Though the squeeze is starting  
We feel the third pull super  
anointing  
(Rise and shine oh oh become  
that super sign 2x)  
Mordecai already had spoken  
Hatach reiterating

No scary feelings  
The I in you shall be speaking  
Rise and shine oh oh become  
that super sign( 2x)

You better awake from your  
slumber  
Haman has planned a great  
slaughter  
Rise and shine oh oh become  
that super sign (2x)

So now you're awaken Esther  
You are the star the young  
supernova  
Rise and shine oh oh become

Ruth mark the spot  
Confession brings the name  
Rise and shine oh oh become

Jehu soon anointed  
In an hour the whore shall be  
burning  
Rise and shine oh oh become  
that super sign (2x)

Now the doors are closing  
Our flight we shall be taking  
Rise and shine oh oh become  
that super sign (2x)

**PSALM 61** **A**

Hear my cry, O God,  
Attend unto my prayer;  
From the end of the earth,  
Will I cry unto Thee;  
For when my heart is  
overwhelmed,  
Lord, You lead me to that rock  
That is higher than I.

Thou hast been O Lord,  
A shelter for me;  
And a strong tower from the  
enemy;  
For when my heart is  
overwhelmed,  
Lord, You lead me to that rock,  
That is higher than I.

I will sing O Lord,  
Praises unto Thee.  
For Your joy is my strength,  
And Your love it comforts me;  
For when my heart is  
overwhelmed,  
Lord, You lead me to that rock  
That is higher than I.

**HE'LL NEVER LET GO** **F**

Oh there's a hand that covers the  
mountain,  
And that furnished all the galaxies,  
And that same hand that holds the  
world in space,  
Is the same hand that's holding me.

**CHORUS**

And He'll never let go of my hand  
Till I stand in heaven's fair land,  
Till I'm safe forever more,  
On that happy golden shore,  
No, He'll never let go of my hand.

He's been faithful when cold winds  
were blowing,  
And He's been true when storms  
have assailed;  
But His holy love that amazes me  
Is that He loves me, even when I  
fail.

**THIS IS LIKE HEAVEN** **D**

We find many people who can't  
understand  
Why we are so happy and free;  
We've crossed over Jordan to  
Canaan's fair land  
And this is like Heaven to me.

**CHORUS**

Oh, this is like Heaven to me,  
(Praise God!)  
Yes, this is like Heaven to me;  
I've crossed over Jordan to  
Canaan's fair land  
And this is like Heaven to me.

Oh, when I get happy, I sing and I  
shout,  
The devil don't believe it, I see:  
But I'm filled with the Spirit, there  
isn't a doubt,  
And that's what's the matter with  
me.

**O PERFECT LOVE** **C**

O perfect love all human thought  
transcending,  
Lowly we kneel in prayer before  
Thy throne,  
That theirs may be  
The love which knows no ending,  
Whom Thou forever more  
Dost join in one.

O perfect life be Thou their full  
assurance,  
Of tender charity and steadfast  
faith,  
Of patient hope and quiet, brave  
endurance,  
With childlike trust that fears no  
pain nor death.

Grant them the joy which brightens  
earthy sorrow,  
Grant them the peace which calms  
all earthy strife;  
And to life's day the glorious  
unknown morrow,  
That dawns upon eternal love and  
life.

**PSALM 100** **F**

Make a joyful noise unto the Lord  
(The Lord,) all ye lands,  
Serve the Lord with gladness,  
Come before His presence with  
singing;  
Know ye that the Lord He is God,  
It is He who hath made us  
And not we ourselves,  
We are His people and the sheep  
of His pasture.

**CHORUS**

Praise God! }  
Hallelujah, glory hallelujah! }4x

Enter into His gates with  
thanksgiving,  
And into His courts with praise,  
Be thankful unto Him,  
And bless, bless His name;  
For the Lord He is good,  
His mercy is everlasting,  
And His truth, His truth endureth to  
all generations.

**BLESS THE LORD** **D**

Bless the Lord }  
Oh my soul! }  
And all that is within me }  
Bless His Holy name. }2x

He has done great things,  
He has done great things,  
He has done great things,  
Bless His holy name.

I will bless the Lord  
With all my soul,  
And all that is within me  
Bless His holy name.

From the rising of the sun }  
Until the going down of the }  
same, }  
The name of the Lord }  
Is to be praised. }2x

**VICTORY AHEAD** **C**

When the hosts of Israel, led by  
God,  
Round the walls of Jericho softly  
trod;  
Trusting in the Lord, they felt the  
conqueror's tread,  
By faith they saw the victory  
ahead.

**CHORUS**

Victory ahead! Victory ahead,  
Through the blood of Jesus,  
Victory ahead;  
Trusting in the Lord, I hear the  
conqueror's tread,  
By faith I see the victory ahead.

David, with a shepherd's sling  
and five stones,  
Met the giant on the field all  
alone;  
Trusting in the Lord, he knew  
what God had said,  
By faith he saw the victory ahead.

Daniel prayed unto the Lord thrice  
each day,  
Then unto the lion's den led the way;  
Trusting in the Lord, he did not fear  
or dread,  
By faith he saw the victory ahead.

Often with the carnal mind I was  
tried,  
Asking for deliverance oft I cried;  
Trusting in the Lord, I reckoned I  
was dead,  
By faith I saw the victory ahead.

When like those who've gone  
before to that land,  
By death's river cold and dark I  
shall stand;  
Trusting in the Lord, I will not fear  
or dread,  
By faith I see the victory ahead.

**OUR GOD REIGNS** **G**

Our God reigns,  
Our God reigns, {praise the Lord}  
Our God reigns, our God reigns.

**ONLY BELIEVE** **D**

Sometimes we pray, "Father let  
this cup pass from me"  
But we want to cry out, "Just  
once more, Lord" on bended  
knees  
We see just one touch of the  
hem of Your garment  
It brought change and full  
deliverance  
So I'm casting down fear  
There's power in prayer  
Only believe

**CHORUS**

Only believe  
Let nothing stand in your way  
Issues of blood, troubles and  
confusion  
Will have to go back through  
hell's gates  
Put your feet on the necks of  
these kings  
Look to the bleeding Lamb that  
was slain  
Only believe, just confess it and  
you'll receive

The prophet longed, he longed to  
see that seventh dove  
And Lord how we long for you to  
come and fill us now  
Sweet Holy Spirit, sweet heavenly  
Dove brood over us  
Find your resting place in our hearts

The Lord, my Rock, my Light and  
Salvation, in You I believe  
And by Your blood we rebuke all  
lying vanities  
Though an host encamp against me  
To release fear and insecurity  
I stand confident  
Lord You will keep and deliver me

**CHORUS**

Lord I believe  
Nothing shall stand in my way  
Issues of blood, troubles and  
confusion  
Will have to go back through  
hell's gates  
I put my feet on the necks of  
these kings

I look to the bleeding Lamb that  
was slain  
Only believe, Lord, I confess it  
and I'll receive

**BRIDGE**

The Dove is saying, "Shalom,  
shalom.  
Peace be unto you  
Shalom, shalom"  
On the wings of that Seventh Dove

I hear Him saying, "Shalom,  
...Your troubles are over  
...It's only six inches  
...It's the dawning of a new day  
...We're going to that new world  
...We're heading home  
...It won't be long

**MY FAITH IN HIM** **F**

Many times, oh yes  
God has spoken here  
In many ways and seasons  
But in this last age  
He gave his promise  
To take a people to eternity

I have lived, oh yes,  
Waiting for that moment  
And all of me is resting on  
His Word today.

**CHORUS**

My faith in Him  
Will take me out from here.  
I've never heard  
A promise like this.  
One day from eternity  
Chariots will break forth  
And into His presence  
Angels will carry me

There were many of those who  
aimed to be  
Part of this end time bride  
But he has chosen a special people  
That would love his word until  
the end  
And it doesn't matter how long  
his coming takes  
They will keep holding his word  
in their hearts.

**PERSEVERANCE** **G**

For so long in my life  
I've been looking for the change  
There're many things I've put away  
And there's much I've rearranged  
But when I check in the mirror of  
the Word  
My state still seems the same  
For no matter how hard I tried  
Still too much of me remains

Yet when I look back over my life  
And the trials I've come through  
It was nothing but amazing grace  
Lord it was no one else but you  
So I'm pressing on to that  
seventh step  
Till your image I behold  
So how could I ever let go  
When Your mercies so freely flow

**REFRAIN**

I can't let go no, no, no, no  
I can't let go Lord  
Till You bless me

**CHORUS**

I'm holding on, I'll persevere  
The Angel of the Lord will meet  
me here  
For just one touch from you oh Lord  
Will bring the change I'm looking for  
So I'm holding on to You Lord  
Holding on to You  
Holding on to You Lord  
Till You bless me

Like Jacob I long for that  
blessing Lord  
I thirst for that birthright  
I've been wrestling with the  
Angel of the Lord  
And I won't give up the fight  
So I'm pressing on to Canaan's  
land  
I've past two thirds of the way

And I won't rest till the morning light  
For my victory is so near in sight  
But in my life there's an enemy  
Father  
There's that old law of sin  
But like Joshua I must overcome  
With my feet on the neck of  
those kings  
So I'm praying and pressing on  
Till on the mountain top I stand  
Back in Your very image oh God  
Till I'm filled and one with your  
Word

**BRIDGE**

Bless me  
I'm not asking for silver or gold  
But that You'd fill me and make  
me whole  
From perfect faith to charity Father  
Till Your very life is seen in me  
I'll put away the works of the flesh  
Every sin Lord I now confess  
Father I'll forsake this sinful  
world  
And give You my heart and soul  
On my knees I'll persevere and  
pray  
Lord, Lord, oh Father..... Bless  
me.

**HE KNOWS MY NAME** **F**

I have a Maker  
He formed my heart  
And before even time began  
My life was in His Hands

**CHORUS**

He knows my name  
He know my every thought  
He sees each tear that falls  
And He hears me when I call

I have a Father  
He calls me His Own  
And He'll never leave me  
No matter where I go

**BLESSED BE MY ROCK** **C**

Blessed be the name of my Rock,  
Who trains my hands for war;  
Causes me to walk in His  
Overcoming power forevermore;  
Blessed be the name of my Rock,  
Blessed be the name of my Shield;  
Blessed be the Lamb who has  
opened the scrolls,  
And loosed the Seven Seals.

Proclaim His Word to every land,  
Let my people prepare for war;  
Wake up the mighty men,  
Let all your men become mighty  
men of war;  
Come, be a people great and strong,  
The like of which has never been;  
Pick up your sword, pick up your  
shield,  
Become mighty men;  
Let the weak say, 'I am strong,'  
Let the faint say, 'I am renewed,'  
Blow the trumpet in Zion;  
For I am coming soon!

The day of the Lord is at hand,  
And His camp is very great,  
For strong is the One who  
performs His Word,  
And by His Word all the earth shall  
quake;  
My people will become of strength,  
With swift feet they shall run,  
They shall leap the mountain like a  
flame of fire,  
Like a chariot in the sun.

The army of the Lord is great,  
The army of the Lord of lords;  
The faith of their hearts, this shall  
be their strength;  
And His Word shall be their sword.

**MICHAEL I'M ON YOUR SIDE** **C**

Michael, I'm on Your side,  
Michael, I'm on Your side;  
You have come on this earth  
To fight for your Bride,  
Michael, I'm on Your side.

**PLEDGE ALLEGIANCE** **F**

I have heard how Christians long  
ago  
Were brought before a tyrant's  
throne;  
They were told that he would  
spare their lives  
If they would renounce the name  
of Christ;  
But one by one they chose to die,  
The Son of God they would not  
deny;  
Like a great angelic choir sing,  
I can almost hear their voices ring.

**CHORUS**

I pledge allegiance to the Lamb,  
With all my strength, with all I am,  
I will seek to honour His command;  
I pledge allegiance to the Lamb.

Now the years have come,  
And the years have gone,  
But the cause of Jesus still goes on  
Now the time has come to count  
the cost,  
To reject this world,  
To embrace the Cross;  
And one by one, let us give our  
lives,  
For the One who died to give us  
life;  
Till the Trumpet sounds on that  
final day  
Let us proudly stand and boldly say.

**CHORUS****BRIDGE**

To the Lamb of God,  
Who bore my pain,  
Who took my place,  
Who wore my shame,  
I will seek to honour His command;  
I pledge allegiance to the Lamb.

**SOMETIMES HALLELUJAH** **G**

Sometimes hallelujah!  
Sometimes praise the Lord!  
Sometimes gently singing,  
Our hearts in one accord.

**MANIFESTING TIME D**

The voice of my Beloved,  
Behold He quickly comes,  
Sweeping over the mountains,  
Over the hills He runs.  
I long to hear His voice,  
I long to hear Him say,  
"Arise my love, my fair one come  
away."

**CHORUS**

It's manifesting time,  
The fruits are on the vine,  
And the Lovely One  
Is coming in plain view;  
O, to cap God's chosen Bride,  
Redemption draweth nigh;  
He's that lovely One,  
He's coming in plain view.

The grapes are yours and mine,  
Little foxes spoil the vine,  
For the vineyard blossoms forth  
her harvest time;  
Keep your eyes on things above,  
Don't look at me or you,  
See that lovely One, He's coming  
in plain view.

In the cleft of the Rock,  
In the secret place so high,  
Till the daybreak and the  
shadows  
flee away,  
Oh, in that mountain place,  
A sweet smell's coming through;  
He's that lovely One -  
He's coming in plain view.

**WHEREVER I AM F**

Wherever I am, I'll praise Him,  
Whenever I can, I'll praise Him,  
For His love surrounds me like the  
sea,  
I'll praise the Name of Jesus,  
Lift up the Name of Jesus,  
For the Name of Jesus lifted me.

**VICTORY IN JESUS F**

I heard an old, old story,  
How a Saviour came from glory,  
How He gave His life on Calvary  
To save a wretch like me;  
I heard about His groaning,  
Of His precious blood's atoning,  
Then I repented of my sins  
And won the victory.

**CHORUS**

O victory in Jesus,  
My Saviour, forever,  
He sought me and bought me  
With His redeeming blood;  
He loved me ere I knew Him  
And all my love is due Him,  
He plunged me to victory,  
Beneath the cleansing flood.

I heard about His healing,  
Of His cleansing power revealing,  
How He made the lame to walk  
again  
And caused the blind to see;  
And then I cried, "Dear Jesus,  
Come and heal my broken spirit,"  
And somehow Jesus came and  
brought  
To me the victory.

I heard about a mansion  
He has built for me in glory,  
And I heard about the streets of  
gold  
Beyond the crystal sea;  
About the angels singing,  
And the old redemption story,  
And some sweet day I'll sing up  
there  
The song of victory.

**I AM BLESSED F**

I am blessed, I am blessed,  
Every day that I live I am  
blessed;  
When I wake up in the morning,  
When I lay my head to rest  
I am blessed, I am blessed.

**FEAR NOT A**

From a bastard to a King, that's  
the story of our lives  
We were brought here, by a  
perverted birth,  
Bypassed the Word of God  
Our nature was of Moab, things  
God despised  
But we met with our Kinsman  
Redeemer  
Who redeemed us by His grace

**CHORUS**

And He said "Fear Not, Only  
Believe!"  
"All you need, you shall receive",  
"I took you from a life of sin and  
brought you to my house"  
He said "Fear Not, Only Believe!"

I am Ruth I need redemption,  
only you can perform  
I'm on my knees in full surrender,  
Lord, I'm ready to die  
The hour has come for you and I  
to become one  
So I'm down at the threshing  
floor, asking you  
To cover me

I come into your presence, in  
sweet communion with you  
I am under your cover hearing you,  
whisper secret things  
My heart is overflowing when I  
see the grace you've shown  
Now I'm on my way rejoicing for I  
know, it's a finished work...

**Bridge**

For all the promises I've seen  
You fulfilled in my life  
I thank God for my trials, they  
only come,  
To make me strong...

**CHORUS**

And He said "Fear Not, Only

Believe!"

All you need, you have received  
I've healed and I've delivered you  
For you're a part of me  
He said "Fear Not, Only Believe!"

Only believe, only believe, all things  
they are possible  
He said "Fear Not, Only Believe!"

**HOLY SPIRIT TAKE CONTROL D**

I see the famine, it has begun  
I hear them saying let's all be one  
I'm seeing Jezebel, she's in control  
Stealing the hearts of men  
Stealing their souls  
But Lord in this hour  
Of destruction and horror  
I know I cannot make it through  
if I don't have You  
So Lord this is my desire

**CHORUS**

Holy Spirit take control  
Let Your sweet influence be  
upon me  
In my heart, my life, my soul  
My one desire is for more of You  
It's the only way I'll make it through  
It's the only way I'll make it through

I see Melchizedec with bread  
and wine  
He's come to feed our souls  
He's pardoned us  
For an immortal world  
He's preparing us  
Rapturing faith to change  
dimensions  
I can feel the strange call in my  
soul  
It is my theophany that is calling me  
To my future home

**BRIDGE**

Fill me now....

\*\*\*\*

**LORD LIFT ME UP** F

So many times I've trampled on  
your grace  
So many times I've brought your  
name to shame  
Seeking after my own selfish  
desires  
Living unconsciously, it's not  
what you require  
But here I stand asking for only you  
I'm laying aside self will that's all  
I want to do  
Let my life display the blood of the  
lamb  
Lift me up Lord into that  
supernatural realm

**CHORUS**

Lord lift me up, never let me go  
Hide me in your Word, take me  
out of this world  
Your Word is so real, I can feel it  
in my soul  
Lifting me higher where only eagles  
go  
Lord lift me up

Bread of life, you still sustain me  
On the potter's wheel mold your  
masterpiece  
I don't want to be weighed and  
found wanting  
Holy Spirit rain down, hear my  
desperate cry  
In these closing days of time I'm  
holding on to the horns of the altar  
Shake what needs to be shaken so  
you and I could be one  
And though my flesh may quake all  
of You is what I'll gain  
Lift me up Lord, I want my two  
wings to fly

**CHORUS**

Lord lift me up(out of fantasy into  
reality)  
Lord lift me up(out of fear into  
serenity)  
Lord lift me up(out of pretense into  
deeper sincerity)  
Lord lift me up, higher and higher  
Lord lift me up(to a place where I  
can have devils on the run)

Lord lift me up(I'm standing here  
knowing I can't do it without you  
Lord)  
Lord lift me up(I'm taking back,  
I'm taking back, I'm taking back  
what's mine)  
Lord lift me up into rapturing faith

**LED BY THE SPIRIT** D**CHORUS**

Led by the Spirit following God  
Still following My Guide, that 7th  
dove  
He is leading me in bloody  
footprints he left  
It's leading to glory up those  
seven steps

We have history from which we  
cannot stray  
Though it's spoken over and  
over it has been the way  
This Spirit of truth that we have  
received  
Brings these things to our  
remembrance  
We know the certainty of the  
things we believe

This Spirit of Truth, The Dove led  
the Lamb  
From the Jordan to the  
wilderness, Then to Nazareth into  
the synagogue  
Took the book, closed the book  
Said this day is this scripture  
fulfilled in your ears

Led By the Spirit, God's prophet  
for this age  
Was handed the book by the  
priest as he came to preach birth  
pains  
Jesus preached the acceptable year  
But the prophet declared the day  
of vengeance is here

At every junction we see  
sovereign grace  
God lead his servant in the word  
to just the right place  
Where modern events are made  
plain by vindicated prophesy  
It's the leadership of the Great  
Jehovah in this ministry

**HAD IT NOT BEEN** F

Just suppose God searched  
through heaven,  
And couldn't find one worthy to be  
The supreme sacrifice that was  
needed,  
To buy eternal life for you and me.

**CHORUS**

Had it not been for a place called  
Mt. Calvary,  
Had it not been for the old rugged  
Cross,  
Had it not been for a Man called  
Jesus,  
Then forever, my soul would be  
lost.

I'm so glad He was willing to drink  
that bitter cup,  
Although He prayed, "Father let it  
pass from me,"  
I'm so glad He didn't call Heaven's  
angels,  
To take the nails from His hands  
that set me free.

I'm so glad He has promised a  
Second Cycle,  
And I'm so glad He's now riding  
this trail again,  
I'm so glad He revealed those  
Seven Thunders  
To give His Bride the power in His  
New Name.

**CHORUS**

Had it not been for a place called  
Mt. Sunset  
Had it not been for those Seven  
Seals  
Had it not been for that Seventh  
Angel,  
Then forever, our souls would be  
lost.

**I LOVE YOU LORD** F

I love You Lord, and I lift my  
voice,  
To worship You, O my soul, rejoice,  
Take joy my King in what You hear,  
Let it be a sweet, sweet sound  
In Your ear.

**A BRAND NEW TOUCH** D**CHORUS**

Lord, You know I need a brand  
new touch,  
My strength from yesterday is  
gone;  
But if You'll give me, Lord,  
another touch,  
I'll have the strength to carry on.

I tho't the sun had come to stay,  
But all too soon it went away,  
And in its place the storm clouds  
came,  
And with the clouds there came  
the rain;  
It rained so hard and oh, so long,  
But midst the storm I felt a calm;  
It was Your touch that brought  
me through it all,  
Without Your help I'd surely fall.

Yesterday has come and gone,  
And now a new day's coming on,  
I do not know what it may bring,  
My heart may cry instead of sing;  
But it matters not what comes my  
way, Lord,  
If You'll just touch me new each  
day;  
Your loving touch drives all my  
fears away,  
Close by Your side I want to stay.

**BRIDGE**

Lord, You know how weak I  
really am,  
Even better than myself;  
But with Your help I know I really  
can,  
Make it thro' the darkest night,  
And everything's gonna be all  
right.

**INTO MY HEART** D

Into my heart, into my heart,  
Come into my heart, Lord Jesus  
Come in today,  
Come in to stay,  
Come into my heart, Lord Jesus.

**THERE'S A DAY COMING** **F**

There's a great day coming, a  
great day coming,  
There's a great day coming by and  
by,  
When the saints and the sinners  
shall be parted right and left,  
Are you ready for that day to come?

**CHORUS**

Are you ready? Are you ready?  
Are you ready for the judgement  
day?  
Are you ready? Are you ready  
for the judgement day?

There's a bright day coming, a  
bright day coming,  
There's a bright day coming by  
and by,  
But its brightness shall only come  
to them that love the Lord,  
Are you ready for that day to come?

There's a sad day coming, a sad  
day coming,  
There's a sad day coming by and  
by,  
When the sinner shall hear his  
doom,  
"Depart, I know ye not,"  
Are you ready for that day to  
come?

**GOD IS GOD** **D**

God is God, and He always  
will be God;  
God is God, and He always  
will be God.  
He's the God in the fiery furnace,  
He's the God in the lion's den;  
He's the God of the whole creation,  
He's the God in the hearts of men.

**WEAR A CROWN** **F**

Am I a soldier of the cross,  
A follower of the Lamb,  
And shall I fear to own His cause,  
Or blush to speak His Name?

**CHORUS**

And when the battle's over, we  
shall wear a crown!  
Yes, we shall wear a crown! Yes,  
we shall wear a crown!  
And when the battle's over, we  
shall wear a crown  
In the new Jerusalem.  
Wear a crown, wear a crown,  
Wear a bright and shining crown;  
And when the battle's over, we  
shall wear a crown  
In the new Jerusalem.

Must I be carried to the skies  
On flowery beds of ease,  
While others fought to win the prize,  
And sailed through bloody seas?

Are there no foes for me to face?  
Must I not stem the flood?  
Is this vile world a friend to grace  
To help me on to God?

Sure I must fight if I would reign,  
Increase my courage, Lord;  
I'll bear the toil, endure the pain,  
Supported by Thy Word.

**I AM ONE OF THE FEW** **G**

I am one of the few, one of the  
few,  
And by faith in God's Word I can  
claim it;  
Though the way may seem long,  
Though the opposition strong,  
For the Bride there's a way  
provided;  
If you plan to go through,  
Just to hope would not do,  
But you've got to be firmly decided  
To follow the Lord by obeying His  
Word,  
And believe that "I'm one of the  
few."

\*\*\*\*

**INSIDE LIFE** **G**

I want to be influenced by the  
influence that influenced Malachi 4  
For he was the wave sheaf  
waved before me  
It's what my soul's been longing for  
For I know that Satan is real  
And all hell is against me  
So as I hear your Word oh Lord  
My weight of sins, I lay down  
Just to see your life inside of me

**CHORUS**

For it's an inside life, I am longing for  
Where the sons of God are free  
Where a Child of God lives as  
child of God  
Victorious and Holy  
When I wave at you in the mirror  
And You wave back to me

I want to walk in perfect faith in  
full obedience to your Word  
To be set apart and Lord with all  
my heart  
To do your will sincerely with truth  
Just to walk with you oh Lord  
Just to hear you say 'well done', And  
though my walls are broken down  
My weight and sins I lay down,  
I'm looking for your life inside of  
me

**BRIDGE**

How else would I know my time  
season, but by an inside life  
How else would I know but by  
revelation, an inside life  
Who would I trust to take me  
over, an inside life  
How would I know that I would  
rapture, an inside life  
When I wave at Him in the mirror  
He wave back to me

**BE STRONG & WORK...** **C**

Is it time for you to build up  
yourselves  
And this My house lie waste  
Hear the Word I speak today  
Take inventory, consider your ways  
Go on up mount pyramid  
There you'll find all you need  
Build my house by the pattern I  
gave  
I'll fill it with My Glory

**CHORUS**

Be strong and work for I am with you  
Be strong and work  
I'll complete the work through you

Many of you are going along  
Frustrated, troubled, tormented  
in mind  
Faint and weary, feeble hands  
hang down  
You have started to fall behind  
But Arise! My plans for you are  
great  
My will must be achieved  
Through you, My elect in this age  
My house must be filled with My  
Glory

I have shown in shadow and type  
My perfect plan for this time  
The Alpha church was promised  
to return  
Seven church ages has already gone  
And though it seems weak in  
your eyes  
Don't you despise the day of  
small things  
A little handful spread throughout  
the Isle  
You are the house My Glory will fill

**BRIDGE**

The world was shaken through  
the Prophet's ministry  
You saw my coming in the Cloud  
in 1963  
I also promised that I will fill  
The glory of this latter house will be  
greater than the former

**I AM THAT I AM** **Dm**

I called thee from the Ur of the Chaldees  
 To bring you into the promised land  
 You don't have to worry about your journey  
 Your steps is surely in my hand  
 When you hungry I will feed you  
 When you thirsty I gave you drink.  
 When you tired you came rest on me  
 Am the same yesterday, today and forever and will always be  
 I Am, I Am that I Am

**CHORUS**

I Am, I Am will keep you in the time of trouble  
 I am, I am will surely fight your battle  
 When the enemy comes in like a flood  
 I will raise a standard I am, that I am

I have heard the cry of my people down in bondage  
 I am come down to set them free  
 Not by might nor by power  
 But by my spirit and the sign of a Prophecy and the Voice that's me  
 They were hungry I fed them with manna  
 They were thirsty they drank from the smitten rock  
 When they get bitten by the viper,  
 A brass serpent on a pole was lifted up.  
 I Am that I Am

Seal up these things John  
 But in the days of the voice when the seventh angel begin to sound, I am come down one foot on sea,  
 And a open book in my hand,  
 Between the fifth and six seals I am there  
 Between the feast of trumpet  
 And atonement I am there  
 In the days of super nova greater than Ruth and Esther  
 A Pyramid city having the glory to God  
 The sweet influence of the Pleiades and Orion, and Arcturus and his sons  
 I Jesus in your midst that's who I am

**LAST GENTILE SIGN** **Bm**

There stands a man at the end of the church age  
 He was in the form of the one who visited Abraham  
 Then we saw the Sign,  
 Messianic Signs on the earth  
 Could it be that they did not understand  
 That sign God, God in man

For now we know  
 Christ is the Mystery of God revealed  
 Though He changes form  
 His character remains the same  
 Now could it be that same mystery in you and me  
 The Seventh Seal, it was silence everywhere  
 The Spoken Word is now in the Bride

We've seen the last Gentile sign  
 Before the fire fall  
 The winds are being let loose upon the earth  
 For the world has denied the Prophesied Christ  
 The Rock has been thrown up  
 Now judgement fills the earth  
 We've seen the last Gentile Sign

We've seen her displayed  
 By the Supernova in the sky  
 The one that meant the most  
 Was the Red Square Nebula  
 But in 87 the first sign did appear  
 There we saw the wedding band of grace  
 An invisible union has taken place

Now stands the Bride in image that will speak  
 She is Him revealed, the promised word for our day  
 It's Him doing all three things  
 The Shout, the Voice and then the Trump  
 He in Her is the Third Pull manifest  
 The Voice of Christ speaking in the Bride

**GO TELL THEM I AM** **F**

I would that all be saved  
 And live an abundant life,  
 And know what it's like to be so free,  
 Free from sin and strife.

**CHORUS**

Oh, but how, how will they know Me  
 But by My word?  
 Oh and how, how will you tell them,  
 Unless you go and do the things you've heard?

I would that all be fed  
 And all be clothed,  
 And everyone would be so blessed,  
 And all would be made whole.

I would that all men would prosper  
 And walk in My divine health,  
 But don't you know their soul's  
 Got to grow first of all,  
 Or never will they touch my wealth.

Some of you are called to be missionaries,  
 Others are called to remain;  
 Beautiful are all the feet of those who carry  
 To the world, My Word and My Name.

**BRIDGE**

You've got to lay hands on the sick  
 And they'll recover,  
 It's written in my Word  
 And you know it's true;  
 You've got to raise up the dead in Jesus Name,  
 And I'll be right there walking in you.  
 Go tell them I AM, Go tell them I AM...

**HE IS ABLE** **G**

He's able, He's able  
 I know my God is able;  
 I know my God is able to carry me through.

**THE END TIME** **D**

I look and see earth's sorrowing picture,  
 The hoarding mobs for selfish gain;  
 Their toil of hand for ease and comfort,  
 Can they not see, their doom is sealed, it's all in vain.

**CHORUS**

The end is here, it's now at hand,  
 The Bride is gathering; the world is failing;  
 Israel's awakening; nations are breaking;  
 Our prophet taught us, we believe the end is here.

Sirs, this is the time! our prophet spoke of,  
 The Angel came with a Shout,  
 The mountain shook as His Voice cried out,  
 "Time is no more." loud and clear the Shout went forth.

Have you considered the end-time Message?  
 Have you considered Malachi 4?  
 Revelation 10:7, and St.Luke17  
 Proclaim this Message now, and then forevermore.

**FATHER IN HEAVEN** **C**

Father in heaven how we love You,  
 We lift Your name above the earth,  
 May Your kingdom be established in our praises  
 And Your people declare  
 Your mighty Word.

Blessed be the Lord God Almighty,  
 Who was and is and is to come.  
 Blessed be the Lord God Almighty,  
 Who reigns forever more.

**IT'S THE ANOINTING** **F**

The Spirit of the Lord is upon me,  
For He hath anointed me  
To bring good tidings to the meek;  
To bind the broken-hearted,  
To proclaim liberty to the captives,  
And the opening of the prisons to them that are bound.

**CHORUS**

It's the anointing that makes the difference,  
Once you've known It  
You'll never be the same;  
You can't live without It  
Once it rests upon you;  
It will teach you how to walk in Jesus' name.

In My name, you will cast out demons;  
In My name, you will speak with new tongues;  
You shall lay your hand upon the sick,  
And they will recover;  
All these signs shall follow you in My name.

**HE IS OUR PEACE** **D**

He is our peace who has  
broken down every wall,  
He is our peace,  
He is our peace. }2x

Cast all your cares on Him,  
For He careth for you.  
He is our peace,  
He is our peace. }2x

**SWEEP OVER MY SOUL** **F**

Sweep over my soul, sweep over my soul,  
Sweet Spirit, sweep over my soul;  
My rest is complete while I sit at Your feet;  
Sweet Spirit, sweep over my soul.

**JESUS THE LIGHT** **D**

All ye saints of light proclaim,  
Jesus, the light of the world;  
Life and mercy in His name,  
Jesus, the light of the world.

**CHORUS**

We'll walk in the light, beautiful light,  
Come where the dewdrops of mercy are bright;  
Shine all around us by day and by night,  
Jesus, the light of the world.

Hear the Saviour's earnest call,  
Jesus, the light of the world;  
Send the Gospel truth to all,  
Jesus, the light of the world.

Why not seek Him then today,  
Jesus, the light of the world;  
Go with truth the narrow way,  
Jesus, the light of the world.

Come, confess Him as your King,  
Jesus, the light of the world;  
Then the bells of heaven will ring,  
Jesus, the light of the world.

**I WORSHIP YOU** **D**

I worship You, oh Mighty God,  
There is none like You.  
I worship You, oh Prince of Peace,  
That is what I want to do.  
I give You praise,  
For You are my righteousness,  
I worship You, oh Mighty God,  
There is none like You.

**OUR GOD IS SO GOOD** **D**

Our God is so good. }8x  
He sent us His prophet, }  
Our God is good. }2x

**I CANNOT FORGET JERUS...** **D**

Our walls are broken down  
Our gates are burnt with fire  
And the harp that we once played  
Now hang upon the willow  
And can we sing the songs of Zion in a strange land (2x)

**CHORUS**

I cannot forget Jerusalem  
I cannot forget Jerusalem  
I remember the city of God  
I remember Zion

In Isaiah sixty two  
For Zion sake I will not hold my peace and for the sake of Jerusalem I will not rest  
Until the righteousness go forth as brightness  
And the salvation thereof  
As a lamp that burneth

When God delivered Zion  
From the captivity of Babylon  
Then was our mouth filled with laughter  
And our tongue with singing  
The Lord is doing great things for his people  
That's why we are glad  
That's why we rejoice

**LORD, I WANT MUCH ...** **Bb**

Lord, I want much more of you  
And daily dwell, in Your presence  
To decrease, that You may increase  
And everyday dear Lord  
Be much more like You

**CHORUS**

I give You my heart today  
I give You my Spirit  
I surrender my will, dear Lord, To You  
Everything I have O Lord  
All that I possess, Lord God is Yours  
I want to decrease  
That You may increase

\*\*\*\*

**I'VE GOT LEAVING ON.....** **A-Bb****CHORUS**

Lately I've got leaving, leaving on my mind  
Lately I've got leaving, just to leave this world behind  
Leaving, leaving, I've got leaving on my mind  
Leaving, Leaving, just leaving this world behind

I've seen a man clothed in white linen  
With a writer's ink horn in his hand  
Moving to and fro the earth  
sealing God's children  
I've seen the son of man clothed in a cloud  
Coming down from on high  
And I can't help the way I feel  
My redemption draweth nigh  
For I've got leaving, leaving on my mind  
Leaving, leaving, just to leave this world behind

I see earthquakes in diverse places  
Famine on the earth  
As God's scripture fulfills rapidly  
God's children giving birth  
I hear the lion roaring loud in Zion  
Just before the quake  
And just a little while from now  
The sleeping saints will awake  
I've got leaving, leaving on my mind

Lord take me to that place I need to be  
For my soul just cannot take the things I see  
I want to mount up like the eagle in the sky  
For lately, I've got leaving, leaving on my mind

Tried like the gold in fire  
Purified by fiery trials  
My bags are packed for home at last  
And I'm not looking back  
I've got leaving, leaving on my mind

So much pressure on the sons of God  
To stand for Him in this day  
And soon all their privileges will be taken away  
I hear the lion roaring loud in Zion  
All that can be shaken will be shaken  
And very soon the earth will shake  
Then the sleeping will awake  
For I've got leaving on my mind

**WE ARE THE TEMPLE OF... D**

Out of the rubble of this world  
Out of the ashes of a city once built  
But God promise of restoration  
Is now being fulfilled  
With his mighty hand of grace  
Out of the nations, he brought us  
out  
To build His house that he'll  
come and dwell in.

**CHORUS**

Know ye not  
You are the temple of the living God  
Know ye not, you are a precious  
stone  
To reflect the seven virtues of God  
A pyramid city on a hill  
The desire of all nations within  
His glory comes to fill this place  
Lord in this house, you shall reign.

I see Nehemiah  
With the sword and tool in his hand  
With the burden of Jerusalem  
Let's rise and complete this house  
The Lord will not fail us  
His promise to us He'll keep  
All weapons against us, He will  
destroy.

I see Zerubbabel  
With the plummet and line in his  
hand  
Measuring this city that's building  
From perfect faith to love we are  
coming  
The broken walls are rebuilt  
No breaches, they all are mended  
The gates restored, to welcome  
home our King.

**BRIDGE**

The capstone of grace has come to  
us  
To cap off the pyramids of our lives  
And the glory of this latter house  
Shall be greater than the former  
house.

You are now my holy temple  
I will dwell in

You are now  
The new Jerusalem  
The city of truth that shall stand  
Perfection, His Praise we are  
We worship our Lord and King  
Now we live by the power of His life  
Soon we'll have our edenic beauty  
No more to be shaken and broken  
Never to be destroyed

Hallelujah  
To the King of Kings  
Hallelujah  
To the Lord of Lords

**JERUSALEM'S ARMY Bbm**

Let's fight and take back  
What Babylon stole from us  
Rise and build back our city  
Let us sing and rejoice  
And shout Hallelujah  
For we have conquered the enemy

**CHORUS**

Rise and let's build back Jerusalem  
Rise and let's build back Jerusalem  
Let us rise again  
And rebuild the wall  
That Babylon has broken down  
Rise and let's build back Jerusalem  
Rise and build

With the sword in one hand  
And the breastplate of  
righteousness  
We are armed to take down the  
enemy  
Those demons from Babylon  
Attacks God's children  
But we are trained in Jerusalem's  
army

The enemy is rising  
He is trying to run a rampage  
In Jerusalem's Army  
He tried to trap some of our brothers  
and sisters  
But God is the Chief in this army  
And I know very soon they'll be  
marching through those doors  
We already have the victory.

**303**  
**TAKE ME, SEPARATE ME F**

Lord, how I long to be lost in Your  
precious arms,  
And feel contentment sweep over  
my soul;  
To hear You speak peace to the  
waters of my troubled mind,  
I would rest in the strength there I  
find.

**CHORUS**

Take me, separate me  
From the things of this life,  
Where I only see heartache and  
strife;  
Hide me, uphold me on eagles'  
wings,  
I know You'll never ever let me go.

Down deep in my soul,  
There's a calling, a longing for  
home,  
'Cause I'm so tired of this world  
below;  
I know that somewhere, beyond  
the curtain of time,  
Lies a body, a new body that's  
mine.

**304**  
**HE PAID A DEBT C**

He paid a debt He did not owe,  
I owed a debt I could not pay,  
I needed someone to wash my  
sins away;  
And now I sing a brand new  
song,  
Amazing Grace!  
Christ Jesus paid the debt that I  
could never pay.

**305**  
**SOMEONE IS PRAYING D**

Someone is praying for you,  
Someone is praying for you,  
So when it seems you're all alone,  
And your heart would break in two,  
Remember someone is praying for  
you.

**306**  
**LORD PREPARE ME E**

It is You Lord who came and  
saved  
The heart and soul of every man;  
It is You Lord who knows my  
weakness,  
Give me strength which I don't  
have.

**CHORUS**

Lord, prepare me to be a  
sanctuary,  
Pure and holy, tried and true;  
With thanksgiving, I'll be a living  
sanctuary for You.

Lead me on Lord, from temptation,  
Purify me from within;  
Fill my heart with Your Holy Spirit,  
Take away all my sins.

**307**  
**HIS NAME BE GLORIFIED D**

His name be glorified,}2x  
His name, His name,  
His name be glorified.

Jesus we glorify,}2x  
Jesus, Jesus,  
Jesus, we glorify.

We've got to tell them }  
Jesus saves, }2x  
Tell them, tell them,  
Tell them Jesus saves.

Stand up, Stand up,  
Stand up for Him today.  
Spread the gospel,  
His name proclaim;  
Stand up for Him today.

**308**  
**MY JESUS KNOWS C**

My Jesus knows just what I need,  
O yes, He knows just what I need;  
He satisfies, my every need  
supplies,  
Yes, He knows just what I need.

309

**WHERE COULD I GO F**

Living below in this old sinful world,  
Hardly a comfort can afford;  
Striving alone to face temptations  
sore,  
Where could I go but to the Lord?

**CHORUS**

Where could I go, O where could I  
go,  
Seeking a refuge for my soul?  
Needing a friend to help me in the  
end,  
Where could I go but to the Lord?

Neighbors are kind, I love them  
every one,  
We get along in sweet accord;  
But when my soul needs manna  
from above,  
Where could I go but to the Lord?

Life here is grand with friends I  
love so dear,  
Comfort I get from God's own  
word;  
Yet when I face the chilling hand of  
death,  
Where could I go but to the Lord?

310

**NEVER THE SAME AGAIN F**

Never the same again,  
I won't be the same again,  
From the moment I met Jesus  
New life for me began,  
I won't be the same,  
No, never the same again.

311

**NOW UNTO THE KING F**

Now unto the King Eternal,  
Immortal, Invisible,  
The only wise God,  
Be honour and glory, forever and  
ever,  
Amen, amen, amen, amen,  
amen.

312

**WHAT A FELLOWSHIP F**

What a fellowship, what a joy  
divine,  
Leaning on the everlasting arms;  
What a blessedness, what a peace  
is mine,  
Leaning on the everlasting arms.

**CHORUS**

Leaning, leaning,  
Safe and secure from all alarms;  
Leaning, leaning,  
Leaning on the everlasting arms.

Oh, how sweet to walk in this  
pilgrim way,  
Leaning on the everlasting arms;  
Oh, how bright the path grows  
from  
day to day  
Leaning on the everlasting arms.

What have I to dread,  
What have I to fear,  
Leaning on the everlasting arms;  
I have blessed peace with my  
Lord so near,  
Leaning on the everlasting arms.

313

**LEARNING TO LEAN F**

Learning to lean, learning to  
lean,  
Learning to lean on Jesus,  
Gaining more power,  
Than I'd ever dreamed,  
Learning to lean on Jesus.

314

**SOON AND VERY SOON F**

Soon and very soon, }  
We are going to see the King, }3x  
Hallelujah, hallelujah, we are  
going to see the King.

No more crying there, }  
We are going to see the King, }3x  
Hallelujah, hallelujah, we are  
going to see the King.

**THE KING'S LOVE FOR... F**

When the Lord God thought of  
Jerusalem in His mind He saw  
you and me  
Oh what a people He said they  
will be  
For He thought of you and me  
He thought of you and me  
I called you my Jerusalem  
For I have set my eyes upon you  
Oh sweet Jerusalem  
My people I shall dwell with you  
A new Jerusalem  
My people I shall dwell with you  
A new Jerusalem

**CHORUS**

Jerusalem peace be to you  
For I have come down in the  
midst of thee  
To build the broken wall again  
That you may be one with me  
that you may be one with me

**MONOLOGUE****ISAIAH 62**

*For Zion sake will I not hold  
my peace, and for Jerusalem's  
sake I will not rest, until  
righteousness go forth as  
brightness, and your salvation  
as a lamp that burneth. And  
the nations shall see thy  
righteousness and all kings  
thy glory. And thou has been  
call by a new name, which the  
mouth of the Lord has name  
thou art a crown of glory in the  
hand of the Lord. And a royal  
diadem in the hand of the Lord  
thou shall no more be termed  
forsaken neither thy land be  
termed desolate but I call thee  
Hephzibah and thy land  
Beulah for the Lord delighteth  
in thee and thy land shall be  
married.*

Awake Oh my Jerusalem for I  
the Lord have long awaited you  
in shadow and type  
I've spoken of thee and now  
It's so plain to see we are the  
reality  
It's so plain to see we are the  
reality

**HALLELUJAH C**

We are the children of God  
Chosen vessels unto him  
Our angels behold the father's  
face  
We are special unto him  
We should never be ashamed to  
testify  
Of our love for him  
For we are privileged to be  
children of the King of Kings.

**CHORUS**

Hallelujah )  
Glory and praise to the saviour )  
Hallelujah )2x  
Lets worship our king together )

We must stand in unity  
So we show our love for him  
Having a blameless testimony a life  
that is free from sin  
We should be an example to the lost  
who know not the way  
For we're not children of the  
night But of the day so lets show  
them the way

With the joy of the Lord and  
strength of our youth  
Let's be zealous to do God's will  
Fleeing youthful lust and  
pressing to be  
Empty vessels that God can fill  
We must never lean to our own  
understanding  
Casting all reasoning down  
We'll be better able to love and  
serve him

**THE GLORY IS COMING G#**

Do you know the value of Jerusalem?  
Do you know what it takes to build up this city?  
Do you cry for her? Do Long for her?  
Have you got a mind to work and build this house?  
Do you love her? is she above your chief joy?  
Would die in the line of duty to see that she lives?  
Love your brother, defend your sister?  
Come let us build the walls of Jerusalem  
Come let us build this house it's time for God to dwell

**CHORUS**

The Glory is coming, let us get ready  
To be filled with the Spirit  
Don't let him pass you by  
Open your heart, this glory will be greater  
Come let us build the walls of Jerusalem  
Come let us build, lets give our lives  
For Jerusalem  
  
God has been developing the negative  
Down through the lives of the shadow  
Jerusalem is not just a city back in Israel  
For God does not dwell in temples made with human hands  
Christ gave his life for her, he bore her shame  
The saints through the dark ages fell and they died  
Though she was burnt to the ground  
There's a promise she'll return  
From the ashes we'll rise with Holy fire in our lives

There'll be a great uniting,  
An invisible union  
We'll meet the sleeping saints with our Lord in the skies  
It's not a dream, we're the reality  
The Holy City, The New Jerusalem  
God will dwell in the midst of us  
The Lamb will be our light  
There'll be no sorrow, no crying, no more pain  
The former thing will pass away, we'll live in a brand new day  
Come let us build the walls of the New Jerusalem  
Only He that overcome will inherit all things

**BRIDGE**

We were like those that dream  
Of the Glory in the temple  
Now our hearts is filled with laughter  
Our souls break forth with singing  
Out of the ashes Jerusalem  
She rise, She rise!

**SWEET JERUSALEM F#**

This is our cry, Oh Jerusalem  
We lift our hand and give praise to our father  
Oh the one who's mending all the breaches in Jerusalem  
A house for his name  
  
Our walls were broken down and we were captive  
Our altar of incense  
Lord was taken away  
But we remembered Sweet Jerusalem  
Yes we remember our Jerusalem  
  
We are the house  
Oh sweet Jerusalem  
A house for your name  
Father come and dwell  
Our gates are restored  
The breaches are mended  
Lord come and dwell, come and dwell

315

**BROKEN AND SPILLED F**

One day a plain village woman,  
Driven by love for her Lord,  
Recklessly poured out her valuable essence  
Disregarding the scorn;  
And once it was broken and spilled out,  
A fragrance filled all the room,  
Like a prisoner released from his shackles,  
Like a spirit set free from the tomb.

**CHORUS**

Broken and spilled out  
Just for love of You Jesus,  
My most precious treasure  
Lavished on Thee;  
Broken and spilled out,  
And poured at Thy feet,  
In sweet abandon,  
Let me be used up  
And be wasted on Thee.

Lord, You were God's precious treasure,  
His all and His own perfect Son,  
Sent here to show me  
The love of the Father,  
Just for the love it was done;  
And though You were perfect and holy,  
You gave of Yourself willingly;  
You spared no expense for my pardon,  
You were used up and wasted for me.

**CHORUS**

Broken and spilled out  
Just for the love of me Jesus,  
God's most precious treasure  
Lavished on me;  
Broken and spilled out,  
Poured out at my feet,  
In sweet abandon,  
Lord, You were used up  
And wasted on me.

316

**THIS IS THE DAY C**

This is the day, this is the day  
That the Lord has made,  
That the Lord has made,  
We will rejoice, we will rejoice  
And be glad in it, and be glad in it.

This is the day that the Lord has made,  
We will rejoice and be glad in it,  
This is the day, this is the day  
That the Lord has made.

317

**WORTHY, WORTHY F**

Worthy, worthy,  
Worthy is the Lamb that was slain.  
Worthy, worthy,  
Worthy is the Lamb that was slain.

Praise Him, praise Him,  
Praise the Lamb that was slain.  
Praise Him, praise Him,  
Praise the Lamb that was slain.

{Love Him.....}  
{Serve Him...}

318

**HEAVENLY FATHER G**

Heavenly Father, I appreciate You,  
Heavenly Father, I appreciate You,  
I love You, adore You  
I bow down before You,  
Heavenly Father, I appreciate You.

Holy Spirit, what a comfort You are,  
Holy Spirit, what a comfort You are,  
You lead me, You guide me,  
You dwell right inside me,  
Holy Spirit, what a comfort You are.

**DRAW ME DEEPER D**

Draw me from fear into  
faithfulness,  
Lead me along Your way;  
Draw me from sin into Your  
holiness,  
That I might be a living praise.

**CHORUS**

Draw me deeper, deeper  
Into Your Word of truth,  
Deeper and deeper  
To prove my love for You,  
Deeper, deeper to the place where  
You are;  
Draw me deeper, and deeper,  
That I may know Your heart.

Draw me from hate into charity,  
From restlessness into Your  
peace;  
Draw me from anger into  
gentleness,  
Till every storm in my life shall  
cease.

**YOU ARE MY KING C**

My days are filled with laughter,  
My heart has known Your peace,  
I've travelled far  
Still there is more to go;  
But in my heart there's a longing,  
To look upon Your face,  
Where You are, is where I want to  
be.

**CHORUS**

You are my King, You are the  
Lamb,  
Lion of Judah, Seed of Abraham;  
The Holy One, God's only Son;  
You are the King of whose I am.

Every road I've travelled down,  
You have walked before me  
You've made the Light to shine  
around me;  
And I'm looking for the day,  
When I'll bow before You,  
And lay my crown at Your feet.

**I FEEL LIKE TRAVELLING ON D**

My heavenly home is bright and  
fair,  
I feel like travelling on,  
Nor pain, nor death, can enter  
there,  
I feel like travelling on.

**CHORUS**

Yes, I feel like travelling on,  
I feel like travelling on;  
My heavenly home is bright and  
fair,  
I feel like travelling on.

Its glittering towers the sun  
outshine,  
I feel like travelling on,  
That heavenly mansion shall be  
mine,  
I feel like travelling on.

Let others seek a home below,  
I feel like travelling on;  
Which flames devour, or waves  
o'erflow,  
I feel like travelling on.

The Lord has been so good to me,  
I feel like travelling on;  
Until that blessed home I see,  
I feel like travelling on.

**LONGING FOR JESUS A**

Longing, longing for Jesus,  
I have a longing in my heart for  
Him;  
Just to be near Him,  
To feel His presence,  
I have a longing in my heart for  
Him.

**LORD, I'M COMING TO THEE D**

Lord, I'm coming now to Thee,  
Lay Thy nail-scarred hand on  
me,  
Let Thy healing virtue flow  
And I shall be made whole.

**JERUSALEM'S CRY Bb**

A broken vessel, not fit for the  
master's use  
Was down there in the rubble, buried  
in all my trouble  
But I cried out, Is there not a  
prophet in the land  
Who will go before us to fight for  
Jerusalem?  
Then with one foot on land and  
the other one on the sea  
You came with shoutings of  
grace and revealed my true  
destiny.

**CHORUS**

So here I am Lord on my knees  
Asking for strength just one  
touch from thee  
I cannot sing your songs down  
there in Babylon  
So I'm gonna fight with sword in  
hand  
The Lord God of hosts is in  
command  
I'll not let you go Father, I'll fight )  
till all my breeches are mended )2x

Bride of Christ, I know sometimes  
you lose your battle cry  
But now in this cycle, watch all  
your mountains crumble  
Mix the anointed word with faith,  
apply the blood it's the only way  
Our gates must be fortified as we  
feast on bread and wine  
No more room for sin, resisting  
power flows from within  
And we'll go marching with  
shoutings of victory as we head  
to glory.

**MONOLOGUE**

*Lord, so many times we see  
Jerusalem's weak, broken,  
dismayed and distressed  
But we stand here today laying  
our all on the altar, burying  
our unbelief, burying our  
fears, burying our dreams.  
Restore unto us the joy of our  
salvation that when you return  
to Zion you shall find a bride  
risen out of the ashes,  
spotless, victorious, marching  
onward Christian soldiers.  
A risen Jerusalem, claiming  
our healing, claiming our  
deliverance, claiming your  
peace, no more captivity, no  
more mind battles, no more  
shackles.  
This is your revival, this is our  
revival.  
A risen Jerusalem*

Let's lift up the hands of the  
weak  
Satan's still plotting his evil  
schemes  
But be thou strong and work for I  
am with you  
I'm still with you St. Vincent and  
St. Lucia  
Tobago, St. Kitts, Grenada,  
Dominica  
Not forgetting Trinidad and  
Guyana, we're all part of Mount  
Zion  
We've seen the risen son,  
With blessed assurance this race  
we'll run  
God is determined to take us  
higher  
Kick that mamba down in the  
fire.

**HOW CAN WE FORGET...** C

We thank you Lord for all the things  
That you've done for us  
And all the hard places,  
Your love has took us from  
I've asked you Lord  
What have I done to deserve  
such love?

And Your answer always to me  
Is "My child you're a part of Me."  
Now enter in the joy of the Lord

**CHORUS**

How can we forget You Lord,  
All the storms You brought us  
through?

All the hard places when we  
didn't know what to do?  
We're forever grateful Lord  
For the mysteries being revealed  
It surely was amazing grace  
To reveal the Seventh Seal  
We thank You Lord for Your )  
amazing grace )2x

And Lord we thank You for a  
Word that can give us light  
To shine in all the dark places in  
our lives  
And then You took us in Your  
Word  
'Is this the sign of the end Sir?'  
Surely You've been with us  
As You promised in Your Word  
Your doing, Lord, is marvelous in  
our eyes

And Lord we thank You for Your  
Voice  
That is not the voice of man  
But veiled in Your servant's flesh  
To be our guide  
And now you speak to us  
On 'Dreams Visions and  
Prophecies'  
This is the vision, Lord of the  
Seventh Seal  
We are living Lord only by Your  
Word

\*\*\*\*

**HE'S COMING DOWN** D

Many Dreams, Prophecies and  
Visions,  
We have followed by God's grace.  
Just to reach that place of  
perfect faith  
Many times we've lost great battles  
Many times we loose our way  
Yet God in grace reminds us we  
are His.

So like the lily in the gutter,  
Let us lift our head up high  
Knowing well we have a  
covenant with our God  
And God remembers His covenant  
The gift of God the Lord did send  
Even now we feel His presence  
coming down.

**CHORUS**

He's coming down now, coming  
down [like a dove]  
The Holy Ghost Power is coming  
down  
Bypassing unbelief and fear  
We will change dimensions here  
Feel Him in the atmosphere,  
coming down.

So lift your voice, O Zion, all ye  
children of the Lord  
For you are highly favoured by  
our God  
Hearing Him calling out your name  
Separating you from sin  
Won't you open up your heart, let  
Him come in.

For though every mountain shall  
depart and the hills be removed  
Yet the kindness of our Lord  
Shall not depart  
Neither shall His covenant of His  
peace be removed  
Thus saith the Lord that keepeth thee

**BRIDGE**

Sirs is this the time, our prophet  
gave his life for  
When young messiahettes walk  
the earth once more  
Oh God! We lay aside our weight  
of sin  
We ask you Lord to enter in  
For we know you made us to set  
our wings and fly and fly.

**BLESSINGS IN THE CITY** C

And it shall be if you will listen  
To the voice of the Lord,  
Faithful to obey all His  
commandments,  
That He will set you high above all  
other nations,  
And all of His blessings shall  
overtake you.

**CHORUS**

There will be blessings in the city,  
Blessings in the country,  
Plenty of children and plenty to  
feed them.  
There will be plenty sheep and cattle,  
Plenty food and bread,  
Blessings when you're coming in,  
Blessings when you're going out.

Bring all your tithes into the  
storehouse,  
Store up food, food in the temple,  
Put me to the test, saith the Lord,  
And I will open all the windows,  
The windows of Heaven,  
And pour out My blessings to  
overflowing.

**JESUS SIGNED MY PARDON** D

Jesus signed my pardon,  
This I surely know,  
He took my place on Calvary,  
Now I don't have to go;  
All my life I give Him,  
He gave His for me  
When He signed my pardon  
There at Calvary.

**I WILL EXTOL THEE** G

I will extol Thee, O Lord, O my  
King,  
And I will praise Your name  
forever and ever;  
Everyday I will bless You and  
praise Your holy name,  
Great is the Lord and greatly to be  
praised.

**HE ABIDES** G

I'm rejoicing night and day,  
As I walk the pilgrim way,  
For the hand of God  
In all my life I see,  
And the reason of my bliss,  
Yes, the secret all is this:  
That the Comforter abides with me.

**CHORUS**

He abides, He abides,  
Hallelujah, He abides with me!  
I'm rejoicing night and day,  
As I walk the narrow way,  
For the Comforter abides with me.

Once my heart was full of sin,  
Once I had no peace within,  
Till I heard how Jesus died upon  
the tree;  
Then I fell down at His feet,  
And there came a peace so sweet,  
Now the Comforter abides with me!

He is with me everywhere,  
And He knows my every care,  
I'm as happy as a bird and just as free;  
For the Spirit has control,  
Jesus satisfies my soul,  
Since the Comforter abides with me!

There's no thirsting for the things  
of the world, they've taken wings;  
Long ago I gave them up, and instantly  
All my night was turned to day,  
All my burdens rolled away,  
Now the Comforter abides with me!

**GIVE ME WATER FROM WELL** D

Living water flowing from above  
Through the Spirit of never ending  
love, And I'm the first to declare  
my longing thirst for the water  
that comes from above

**CHORUS**

Give me water from the well  
That never runs dry,  
Give me water from the well  
That gives me hope when I die;  
Give me water from the well  
That never runs dry,  
And I will thirst no more.

Living water leads me to my God  
Now refreshing and cleansing to  
my soul, truly I'm alive and I know I  
can't survive without it, the pure  
waters flow

**BRING THEM IN** F

Hark! 'tis the Shepherd's voice I hear,  
Out in the desert dark and drear,  
Calling the sheep who've gone astray,  
Far from the Shepherd's fold away.

**CHORUS**

Bring them in, bring them in,  
Bring them in from the fields of sin;  
Bring them in, bring them in,  
Bring the wand'ring ones to Jesus.

Who'll go and help this Shepherd kind,  
Help Him the wand'ring ones to find?  
Who'll bring the lost ones to the fold,  
Where they'll be sheltered from the cold?

Out in the desert hear their cry,  
Out on the mountains wild and high;  
Hark! 'tis the Master speaks to thee,  
Go find My sheep where'er they be.

**MY JESUS, SWEET JESUS** F

My Jesus, sweet Jesus, what a wonder You are,  
You are brighter than the morning star,  
You are fairer, much fairer than the lily that grows by the way,  
And Your love is more precious than gold.

**TO BE LIKE JESUS** F

To be like Jesus, to be like Jesus,  
On earth I long to be like Him;  
All thru life's journey from earth to glory,  
I only ask to be like Him.

**BOUND FOR PROMISE LAND** D

On Jordan's stormy banks I stand,  
And cast a wishful eye  
Toward Canaan's fair and happy land,  
Where my possessions lie.

**CHORUS**

I am bound for the promised land,  
I am bound for the promised land;  
O who will come and go with me?  
I am bound for the promised land.

O'er all those wide extended plains  
Shines one eternal day;  
There God the Son forever reigns,  
And scatters night away.

No chilling winds, nor poisonous breath,  
Can reach that healthful shore;  
Sickness and sorrow, pain and death,  
Are feared and felt no more.

When shall I reach that happy place,  
And be forever blest!  
When shall I see my Father's face,  
And in His bosom rest?

**REDEMPTION COMETH** A

Redemption cometh, praise the Lord!  
What a wonderful freedom,  
Glory to His name!  
I'm out of my bondage and into God's freedom,  
By the blood of Jesus, Praise the Lord!

**O LORD YOUR TENDERNESS** C

O Lord, Your tenderness, melting  
all my bitterness,  
O Lord, I receive Your love;  
O Lord, Your loveliness, changing  
my unworthiness,  
O Lord, I receive Your love. }2x

**CAN YOU HEAR THE SOUND** G

High above the human realm  
The Bride of Christ is rising  
In a realm of revelation  
And vision she is standing  
The director is in the spirit  
Of the Great Composer  
And we're working as one together  
To achieve God's great purpose

**CHORUS**

Can you hear the sound  
Of a mighty symphony  
The Lord and His Bride  
In perfect harmony  
He's lifting us higher  
To a perfect restoration  
There's super anointing  
As the Word of God is unfolding  
I can hear the symphony rising  
Soon we'll be  
With Jesus in eternity

Through an open channel that's secure  
We communicate with God  
And as revelation flows to us  
We see why we are called  
Jesus and His program  
We can clearly see  
And consciously we're marching on  
To certain victory

**BRIDGE**

Can you hear the sound  
Of a mighty symphony  
Jesus and His Bride in perfect harmony  
Marching onward in the perfect rhythm of the Word  
Can you hear the sound?

\*\*\*\*

**I'LL BE CHANGED** C

When this body of flesh no longer can contain  
Scriptures I'm to manifest then I'll be changed  
Through that door in space I will leave this world  
I'm going to another place,  
parallel universe

**CHORUS**

I'll be changed in a moment  
In the twinkling of an eye  
To a body immortal I could never die  
Changed in a moment to live in a higher realm  
I'll be changed, I'll be changed

They see mystic lights but don't really know  
What these intelligent Beings are  
So they call them UFOs  
But my prophet told me and I'm tied to what he said  
They're Investigation Angels  
And they'll pick me up one of these days

**BRIDGE**

I came from eternity, dropped in this space called time  
And though other mortals look like me  
They're not of my kind  
Cause I belong to an eternal order  
And to a world unseen  
Associated with the supernatural  
And heavenly beings

\*\*\*\*

**WE ARE REBORN A**

We are living in the fulfillment of  
the scripture  
The seventh dove came to the  
prophet in the water  
How we ought to have faith  
How we ought to believe  
For that seventh dove we must  
now receive

Not many days from hence you  
shall receive the power of the  
Holy Ghost  
(The Holy Ghost)  
The promise is to you and I  
The prophet spoke and God  
cannot lie  
It is thus saith the Lord, (Thus  
saith the Lord)  
Jesus said if I don't go the  
Comforter cannot come  
But he said he'll ride this trail  
again in you and I  
The Spirit in the Bride

**CHORUS**

Oh Hallelujah, All praises to the  
King  
Hallelujah, our praise to you we  
sing  
We are transformed, we're in his  
image again  
We are reborned, we're in his  
image again

Open up your heart, anoint the  
Word with faith  
That which is spoken of thee,  
spoken of thee  
Full obedience to the Word and a  
living sacrifice  
It's an aroma to God, an aroma  
to God  
Then he'll say this is my son in  
whom I'm pleased to dwell  
For when we came, we came  
from thought to flesh  
Now we're reborn by the spoken  
word

There'll be a very short quick work  
Before we are taken off the earth  
In the twinkling of an eye, the  
twinkling of eye  
We'll be capped with perfect love  
We'll have the nature of the dove

That descend from above,  
descend from above  
The winnowing fan is in God's hand  
The day of vengeance is near  
But little Bride you'll be taken to  
his side  
That's why the Dove descend to lead  
us home again

**A TEMPLE ONLY FOR MY... F**

I have tried to go my own way  
I have tried to do my own thing  
My desires and my plans,  
My dreams were in command of me  
But in God's mind he had his plan  
Way before the world began  
His eternal purpose will not be  
hindered by me  
He demands my all

**CHORUS**

And now behold here I am  
I am a living sacrifice  
I am carrying the blood of the Lamb  
I am entering the Holy of Holies  
The wings of the cherubim cover  
me  
My soul is fully robed  
My life is not my own  
I am a temple only for my king

Lord you have set me in my place  
You have weighed and  
measured me  
And here I am your temple  
A vessel you ordained to bear  
your name  
You have sanctified and anointed  
me  
Thy holy fire regenerating me  
I'm being purified for you must  
abide in me forever  
And alas oh Lord I can see your  
divine Love  
You've gone to prepare a place  
Pre-ordinances you gave to  
remember thee  
You have returned just as you said  
And In my heart I'm overwhelmed  
Jerusalem indeed was not  
forgotten by thee  
She is eternal

**SING THE BRIDE A SONG C**

To the world the Bride has never  
looked so defeated,  
While waiting for the promise of  
the rapture, it seems so long;  
I know she's struggling through  
this world,  
Trying to make heaven her  
home,  
So Lord, let me sing Your bride a  
song.

**CHORUS**

Let this song be something about  
this message,  
Like Christ the Mystery of God  
Revealed or the Seven Seals,  
Desperation, The Token or  
Leadership or The Future Home,  
Lord, let me sing Your bride a  
song.

Well, I've always wanted to do  
something special for Jesus,  
But what could I offer Him  
That He doesn't already own?  
Well I know what I do for Him  
Will be for His people,  
So, Lord, let me sing Your bride a  
song.

**I SHALL KNOW HIM D**

Standing somewhere in the  
shadows you'll find Jesus,  
He's the One who always cares  
and understands;  
Standing somewhere in the  
shadows you will find Him,  
And you'll know Him by the nail-  
prints in His hand.

**CHORUS**

I shall know Him, I shall know Him,  
As redeemed by His side I shall  
stand;  
I shall know Him, I shall know Him  
By the prints of the nails in His  
hands.

**FILL ME NOW F**

Hover o'er me, Holy Spirit,  
Bathe my trembling heart and brow;  
Fill me with Thy hallowed  
presence,  
Come, O come and fill me now.

**CHORUS**

Fill me now, fill me now,  
Jesus, come and fill me now;  
Fill me with Thy hallowed  
presence,  
Come, O come and fill me now.

Thou can't fill me, gracious Spirit,  
Though I cannot tell Thee how;  
But I need Thee, greatly need  
Thee,  
Come, O come and fill me now.

I am weakness, full of weakness,  
At Thy sacred feet I bow;  
Blest, divine, eternal Spirit,  
Fill with pow'r, and fill me now.

Cleanse and comfort, bless and  
save me,  
Bathe, O bathe my heart and brow;  
Thou art comforting and saving,  
Thou art sweetly filling now.

**O GLORY TO GOD A**

O glory to God, He lifted me up,  
He lifted me up I know;  
He reached down His hand  
And lifted me up,  
And that's why I love Him so.

**GONE! STONE BEEN ROLLED D**

Gone! The stone's been rolled  
back,  
Gone! The tomb is empty,  
Gone! To sit at the Father's right  
hand, {Hallelujah}  
Gone! Over death triumphant,  
Gone! Sin is defeated,  
Gone! To live forever more.

**TOUCH YOUR PEOPLE F**

We need wisdom, we need power,  
And true love for each other,  
We have had so many big but  
empty worlds,  
So we come before Your face,  
Asking for Your grace,  
Bring Your people to a state of  
fruitful life;  
Restore Your church again.

**CHORUS**

Touch Your people once again,  
With Your precious Holy hand, we  
pray,  
Let Your Kingdom shine upon this  
earth,  
Thru a living glorious church;  
Not for temporary needs, but to  
restore authority and power,  
Let Your mighty rushing wind blow  
in,  
Touch Your people once again.

Lord You see Your tired servants,  
And Your broken wounded soldiers,  
Oh, how much we need Your  
precious healing hands;  
We need the power of the cross,  
It's the only source for us,  
When we stand up facing final  
battle cry;  
Restore Your church again.

341

**COME AND GO WITH ME D**

Come and go with me to my  
Father's house,  
To my Father's house, to my  
Father's House.  
Come and go with me to my  
Father's house,  
Where there's peace, peace,  
peace.

342

**WONDERFUL! WONDERFUL! F**

Wonderful! wonderful! Jesus is to  
me,  
Counselor, Prince of Peace,  
Mighty God is He,  
Saving me, keeping me from all  
sin and shame,  
Wonderful is my Redeemer,  
praise His name.

**WHERE THERE'S A DEEP C**

We see the tree in the winter,  
The green leaves are turned  
brown and red,  
The life that was there has gone  
back to the ground,  
It looks like the tree is dead.  
There is a promise of springtime,  
That life will be made anew;  
It speaks of the resurrection  
morning,  
It shows that God's Word is true,

**CHORUS**

Where there's a deep, deep  
calling,  
There's a deep, deep to respond  
Where there's a hope for a city,  
There's a land beyond the sun,  
Where there's a yearning,  
burning, to leave this world we  
have known,  
There is a King returning, coming  
to take us home.

Each one must come to his winter,  
And God all His children has  
saved,  
That though they may lay us  
beneath the cold ground,  
The life that was there is not  
dead,  
We have a promise of  
springtime,  
That life would be made anew,  
We'll meet at the resurrection  
morning,  
We'll sail beyond the blue.

God's seed had to die and be  
buried,  
In Luther it started to sprout,  
The work had begun, drawn forth  
by the sun,  
The message of faith brought it  
out,  
Then came the stalk by John  
Wesley,  
The Holy Ghost made the wheat  
grow,  
Then the chaff and the wheat  
separated,  
God's seventh angel Word made  
it so.

\*\*\*\*

**WE HAVE THE DEED Em**

We have the deed but he playing  
the boss  
'He think he go get away with his  
bluffs'  
But we see him in revelation 6:1  
'While he think he's hiding God  
has a plan'  
There he stand posing with all  
his demons  
But he has to wait for God's  
permission  
Feeling glad he now lives in flesh  
God knew that was always his  
weakness

**CHORUS**

As the bride gets to know who  
she really is  
A super race, a super church  
The sons of God now on the earth  
The rightful heirs, the overcomers  
Sons born from the loins of God  
They will rule the earth

We were in amnesia since were born  
We never knew we had such a  
great commission  
We never knew we had such a  
claim  
He pulled back the seals and he  
showed us our names  
Them demons see one man  
operating in his place  
What will they do when they see  
a whole race?  
When satan thought he killed the  
seed on the cross  
He got a surprise, he got to know  
who's the boss

The time has come for the final  
phase  
The final chapter in the human days  
Through perfect love the  
sleeping saints going to raise  
We'll quicken the alpha church  
from the grave  
This great army of the living God  
Will her final battle, her final war  
Two hundred million demons  
from the pit  
This great ride will be their final  
defeat

**TEACH ME HOW TO... C**

Just to think that I was elected  
and called-out  
In this glorious age  
Saints and sages longed to see,  
they stood so gallantly  
Having things in shadow but  
seeing a greater reality  
They died in faith believing that  
this city they'll surely see

Abraham looked for this city whose  
maker and builder is God  
Joseph said carry out my bones, a  
resurrection he knew there'd be  
God told Daniel to seal the vision, it  
was not appointed him  
Malachi: 4 cried to see the day  
when these things will become a  
reality

**CHORUS**

Lord, teach me how to number  
my days  
And apply my heart to wisdom  
The age that great men longed  
to see  
Has been reserved for you and me  
And what shall we do with this  
sacred responsibility  
We'll possess our vessels in  
sanctification, to tabernacle deity

Just to think we've received the  
seed that was promised  
In Genesis three  
The Seven Thunders mystery  
brought by Seven Angels from  
eternity  
The Word made flesh in the  
virgin, the promise of the  
kinsman being fulfilled  
Bringing Adam's fallen race back to  
the oneness that was in Eden

Abraham looked for this city whose  
maker and builder is God  
Joseph said carry out my bones, a  
resurrection he knew there'd be  
God told Daniel to seal the vision, it  
was not appointed him  
Malachi: 4 cried to see the day  
when these things will become a  
reality

**KEEP ME LORD** **C**

I'm tired of living defeated  
Tired trampling between right  
and wrong  
Tired of partial victory  
Sometimes up and sometimes down  
Lord how my soul longs for perfection  
There's a desperate cry for You  
I need to know that I've pleased  
You Lord  
Life is worthless without You

**CHORUS**

So keep me Lord  
On my knees in prayer  
When the trials and testing come  
I need to know You're near  
When all life's work is done  
I need to know I've overcome  
To hear You say "Well done."  
Keep me Lord

Soon this age will be finished  
Sirs this is the end of time  
Soon the squeeze will be upon us  
We know that just a few will stand  
I'm holding to the promise this  
Bride will make it  
Like Daniel I'm praying through  
I need to know my faith is  
perfected Lord  
But I can't make it without You

**BRIDGE**

I'm tired of failing Lord-----  
You're my victory  
I'm tired of tramping Lord-----  
When You are leading me  
I'm tired of doubting Lord-----  
When You redeemed me  
I'm tired of murmuring Lord-----  
When You provide for me  
I'm tired of complaining Lord-----  
When You delivered me  
I'm tired of sickness Lord-----  
When You've healed me Lord  
I'm tired of crying Lord-----  
When You comfort me

I'm tired or failing and tramping  
Doubting and complaining  
Sickness and crying  
I'm tired of being tired Lord---  
When You're my victory  
I'm tired being defeated Lord,  
when You're my victory  
Help us Father, Forgive us Father  
Lead us Father, Heal us Father

And Father take us one step  
higher up the ladder  
So we can see Jesus and Your  
program  
May sin and unbelief die out in  
our hearts  
Father give us that new birth  
And may the power of Your Holy  
Spirit  
Have preeminence in our lives  
Raise up mighty men and  
warriors Lord  
Cap off the pyramid of our lives

**LET US ARISE** **F**

It's not by might, not by power  
It's not by anything we've done  
But what God can do  
This is our house; this is our  
Father's house  
Its walls are broken down  
The temple of God

**CHORUS**

So 10  
Arise today  
Let us arise today  
And rebuild Jerusalem  
  
Build back those gates  
Restore those places  
Till our Father's holy house is  
spotless again  
Pick up those stones  
Mend those breaches (Prepare  
those vessels)  
Let's fortify the house  
Of our Father again

**THE OLD ACCOUNT** **G**

There was a time on earth,  
When in the book of heaven  
An old account was standing for  
sins yet unforgiven;  
My name was at the top and many  
things below,  
I went unto the keeper and settled  
long ago.

**CHORUS**

Long ago, (down on my knees)  
Long ago (I settled it all)  
Yes, the old account was settled  
Long ago; (Hallelujah!)  
And the record's clear today,  
For He washed my sins away,  
When the old account was settled  
long ago.

The old account was large,  
And growing everyday,  
For I was always sinning,  
And never tried to pay;  
But when I looked ahead  
And saw such pain and woe,  
I said that I would settle,  
I settled long ago.

When at the judgement bar,  
I stand before my King,  
And He the book will open,  
He cannot find a thing;  
Then will my heart be glad,  
While tears of joy will flow  
Because I had it settled and  
settled long ago.

When in that happy home,  
My Saviour's home above,  
I'll sing redemption's story,  
And praise Him for His love;  
I'll not forget that book,  
With pages white as snow,  
Because I came and settled,  
And settled long ago.

Oh sinner, seek the Lord,  
Repent of all your sin,  
For thus He hath commanded,  
If you would enter in;  
And then if you should live  
A hundred years below,  
Up there you'll not regret it,  
You settled long ago.

**SINCE I'VE BEEN REDEEMED** **C**

I have a song I love to sing,  
Since I have been redeemed,  
Of my Redeemer, Saviour, King,  
Since I have been redeemed.

**CHORUS**

Since I have been redeemed,  
Since I have been redeemed  
I will glory in His name;  
Since I have been redeemed,  
I will glory in my Saviour's name

I have a Christ that satisfies,  
Since I have been redeemed,  
To do His will my highest prize,  
Since I have been redeemed.

I have a witness bright and clear,  
Since I have been redeemed,  
Dispelling every doubt and fear,  
Since I have been redeemed.

I have a home prepared for me,  
Since I have been redeemed,  
Where I shall dwell eternally,  
Since I have been redeemed.

**IT SHALL FLOW LIKE A RIVER** **A**

It shall flow like a river, It shall fall  
like the rain,  
It shall rise as the dew in the  
morning o'er the plain;  
For the knowledge of the Lord  
shall fill all the earth  
When the Spirit of the Lord shall  
fall.

**LET THE BEAUTY OF JESUS** **A**

Let the beauty of Jesus be seen in  
me,  
All His wonderful passion and  
purity;  
O Thou Spirit divine, all my nature  
refine,  
Till the beauty of Jesus be seen in  
me.

**BATTLE HYMN OF REPUBLIC G**

Mine eyes have seen the glory of  
the coming of the Lord;  
He is trampling out the vintage  
where the grapes of wrath are  
stored;  
He hath loosed the fateful lightning  
of His terrible swift sword;  
His truth is marching on.

**CHORUS**

Glory! glory, hallelujah!  
Glory! glory, hallelujah!  
Glory! glory, hallelujah!  
His Truth is marching on.

I have seen Him in the watchfires  
of a hundred circling camps;  
They have builded Him an altar  
in the evening dews and damps;  
I can read His righteous  
sentence by the dim and flaring  
lamps;  
His day is marching on.

He has sounded forth the  
trumpet that shall never sound  
retreat;  
He is sifting out the hearts of  
men before His judgement seat;  
O, be swift, my soul to answer  
Him! be jubilant my feet!  
Our God is marching on.

In the beauty of the lilies Christ  
was born across the sea,  
With a glory in His bosom that  
transfigures you and me;  
As He died to make men holy,  
Let us die to make men free;  
While God is marching on.

**TAKE UP YOUR CROSS F**

Take up your cross, and follow  
Jesus,  
Take up your cross every day;  
Don't be ashamed, to say that you  
know Him,  
Count the cost, take up your cross  
And follow Him.

**I COULD NEVER OUT LOVE F**

There've been times when giving,  
And loving brought pain,  
And I promised I would never,  
Let it happen again;  
But I found out, that loving,  
Was well worth the risk,  
And that even in losing I'll win.

**CHORUS**

I want to live, the way  
He wants me to live;  
I want to give,  
Until there's just no more to give;  
I want to love, love,  
Till there's just no more love;  
I could never, ever out love my  
Lord.

Jesus showed us that only  
Through dying we live,  
And He gave, when it seemed  
There was no more to give,  
Jesus loved when loving  
Brought heartache and loss;  
And He forgave from the old  
rugged Cross.

**UNTIL YOU KNOW A**

Until you know the loving hand  
That reaches down to fallen man,  
And picks him up above the plane  
Where he has trod;  
Until you know just how it feels  
To know that God is really real,  
You know nothing  
Until you know the love of God.

**MERCY REWROTE MY LIFE F**

Mercy rewrote my life,  
Mercy rewrote my life,  
I could have fallen, my soul cast  
down,  
But mercy rewrote my life.

\*\*\*\*

**RENEWED LIKE THE EAGLE Em**

We were not made to be trapped  
in three dimensions  
We were not made to be affected  
by the underworld  
But God had it in his mind  
He had a space of time  
Where all his attributes  
They will be expressed  
And as the time draws closer and  
closer  
And time elapses into eternity  
In my heart there grows a faith  
To quicken this mortal state  
And make me what I ought to be

**CHORUS**

I can't wait to leave  
To be translated  
To take my flight like the eagles  
in the sky  
My face is set towards the sun  
And the day is almost done  
Like the eagle we will be renewed

We were not made to live under  
pressure  
We were not made to live up and  
down each day  
But God had it in his mind  
He had a space of time  
Where he'll be gloried in our fallen  
flesh  
And as the end draws closer and  
closer  
We feel the pull from the celestial  
world  
And the things of earth just fade  
And our burdens roll away  
When we think of the things that  
are to be

Where there's a deep, there's a  
deep to respond  
Where there's a negative, there  
is positive somewhere  
And we heard so many times of  
this place beyond sublime  
And this is where, where I long to be  
And the line grows thinner and  
thinner  
And we get conscious of the unseen  
world  
The sleeping saints want to return  
And we long to be fully robed  
Never to be earthbound again

\*\*\*\*

**WE ARE WAITING ON YOU... Em**

Lord we come into your presence  
We know what you can do  
You said wheresoever two or  
three are gathered  
There I am in the midst of you  
So we come with faith believing  
for the Holy Ghost from you  
Mommy and daddy cannot give it  
And we want to be filled with  
your spirit too

**CHORUS**

We are waiting; we are waiting  
on you Lord  
Our provider, our deliverer, our  
friend  
We are waiting, we are waiting  
on you Lord  
Here at the altar, with our  
sacrifice  
Till you answer by fire  
Oh Lord, till you answer by fire

Lord I've been crying deep down  
in my soul  
Your Word I keep believing  
I'm hoping against hope  
When I look at my condition  
I cannot help myself  
So I'm yielding to your Spirit  
Won't you come and have the  
preeminence in my life

**BRIDGE**

We had a prophet came in this  
day  
He restored all that was lost  
We built back the altar  
God promised he would send the  
fire  
We built back the altar  
God promised he would send the  
rain  
That's why we are waiting, we  
are waiting, we are waiting

**MOVING UP THE LADDER C**

The greatest contest now is on  
 We're in a battle  
 There's a war in the heavens for  
 the souls of men  
 Fallen angels to the earth have  
 descended  
 And demons from the Pit ascend into  
 the hearts of men  
 But the end time Prophet  
 Caught a vision of a little Bride  
 One counted worthy to escape  
 She shall reign with Him in white  
 For she's tested and she's tried  
 And soon she'll see the Master  
 face to face

**CHORUS**

We're moving up  
 To the top of that ladder  
 Form the seventh step  
 Into the chamber of the King  
 And we're holding to the promise  
 of the rapture  
 Marching stately, walking holy  
 to meet the King

By false doctrine and unbelief  
 men are dying  
 Through the power of deception  
 Satan's fighting  
 But Ahab and Jezebel shall fall  
 at Jezreel  
 Their false prophets shall be cast  
 into the pit of hell  
 For an end time Elijah  
 spoke the Word  
 And one like Miciah reiterates  
 Though he's scorned and spurned  
 The seven thousand who will not  
 bow  
 Determined to serve God anyhow  
 God's fire will fall to wipe Satan's  
 kingdom out

**BRIDGE**

Onward Christian soldiers  
 Marching as to war  
 With the cross of Jesus  
 Going on before  
 Christ the royal banner  
 Leads against the foe  
 Forward into battle  
 See His banner go!

**SPRINKLE ME SPECKLED D**

I've considered the leper in the  
 day of his cleansing  
 All his hope was in two turtle  
 doves  
 The thing that held him captive  
 For most of his life  
 Will finally be utterly destroyed  
 And while she's fluttering her  
 wings in the evening time  
 Crying Holy, Holy unto the Lord  
 It will surely bring full deliverance  
 And set him free

**CHORUS**

Sprinkle me speckled dove  
 Flying Holy, Holy, Holy  
 Sprinkle me speckled dove  
 With your precious holy blood  
 And while you're flying on the  
 eighth day  
 With the blood of your mate  
 It's the only hope for a leper  
 For his cleansing in that day

Jesus Christ when he came to  
 earth  
 Was led to Calvary  
 He was crucified and his blood  
 put on the Bride  
 He was the perfect sacrifice that  
 was slain for our sins  
 So we could be free from the  
 power of in-dwelling sin  
 And when he hung in the midst  
 of heaven and earth  
 Spoiling principalities and  
 powers  
 He conquered worlds both seen  
 and unseen  
 When he cried "It is finished."

**NO NEVER ALONE A**

I've seen the lightning flashing,  
 And heard the thunder roll;  
 I've felt sin's breakers dashing,  
 Trying to conquer my soul;  
 I've heard the voice of my  
 Saviour,  
 Telling me still to fight on;  
 He promised never to leave me,  
 Never to leave me alone.

**CHORUS**

No, never alone! No, never alone!  
 He promised never to leave me,  
 Never to leave me alone;  
 No, never alone! No, never alone!  
 He promised never to leave me,  
 Never to leave me alone.

The world's fierce winds are  
 blowing,  
 Temptations sharp and keen;  
 I feel a peace in knowing  
 My Saviour stands between;  
 He stands to shield me from  
 danger,  
 When earthly friends are gone;  
 He promised never to leave me,  
 Never to leave me alone.

When in affliction's valley,  
 I'm treading the road of care;  
 My Saviour helps me to carry  
 My cross when heavy to bear;  
 My feet, entangled with briars,  
 Ready to cast me down,  
 My Saviour whispers His promise,  
 "I never will leave thee alone."

He died for me on the mountain,  
 For me they pierced His side;  
 For me He opened the fountain,  
 The crimson, cleansing tide;  
 For me He's waiting in glory,  
 Seated upon His throne;  
 He promised never to leave me,  
 Never to leave me alone.

**WE'LL TALK IT OVER C**

Tho' shadows deepen and my  
 heart bleeds,  
 I will not question the way He leads;  
 This side of heaven we know in part,  
 I will not question a broken heart.

**CHORUS**

We'll talk it over in the by and by,  
 We'll talk it over, my Lord and I,  
 I'll ask the reasons, He'll tell me why,  
 When we talk it over in the by and  
 by.

I'll trust His leading; He'll never fail,  
 Thro' darkest tunnels or misty vale;  
 Obey His bidding and faithful be,  
 Tho' only one step ahead I see.

I'll hide my heartache behind a  
 smile,  
 And wait for reasons till after while;  
 And 'tho He try me I know I'll find,  
 That all my burdens are silver lined.

**MORE THAN ENOUGH C**

Jehovah Jireh, my Provider,  
 You are more than enough for me.  
 Jehovah Rapha, You're my Healer,  
 By Your stripes I've been set free.  
 Jehovah Shammah You are with me,  
 You supply all my needs;  
 You are more than enough,  
 You are more than enough,  
 You are more than enough for me.  
 Jehovah Nissi, You are my  
 victory, You are more than  
 enough for me.

Jehovah sidkenu, my righteousness,  
 All You are I now can be.  
 Jehovah Ra-ah, You're my shepherd,  
 Shalom, You are my peace.  
 You are more than enough, so  
 much more than enough, You  
 are more than enough for me.

**I AM THE LORD D**

I am the Lord that healeth thee,  
 I am the Lord, your Healer,  
 I sent my word to heal your  
 diseases,  
 I am the Lord your Healer.

**HAVE THINE OWN WAY C**

Have Thine own way, Lord!  
Have Thine own way!  
Thou art the Potter;  
I am the clay.  
Mould me and make me  
After Thy will,  
While I am waiting,  
Yielded and still.

Have Thine own way Lord!  
Have Thine own way!  
Search me and try me,  
Master, today!  
Whiter than snow, Lord,  
Wash me just now,  
As in Thy presence  
Humbly I bow.

Have Thine own way, Lord!  
Have Thine own way!  
Wounded and weary,  
Help me I pray!  
Power, all power,  
Surely is Thine!  
Touch me and heal me,  
Saviour divine!

Have Thine own way, Lord!  
Have Thine own way!  
Hold o'er my being absolute sway!  
Fill with Thy Spirit till all shall see,  
Christ only, always,  
Living in me!

**I WAS GLAD C**

I was glad when they said unto me,  
I was glad when they said unto me,  
I was glad when they said unto me,  
Let us go in the house of the Lord.

So glad, { so glad }  
So glad, { so glad }  
So glad, { so glad }  
So glad.

**HALLELUJAH F**

Hallelujah, hallelujah, hallelujah,  
Hallelujah, hallelujah, hallelujah,  
Hallelujah, hallelujah,

Lord we love You.....

Thank You Jesus.....

**JESUS IN ME D**

William Branham is the prophet  
To this seventh age;  
He revealed every mystery,  
And to God we give our praise.  
With the saints he is waiting  
For us to understand,  
The seven thunders mystery,  
The stature of a perfect man.

**CHORUS**

Jesus in me, Jesus in me,  
Seven thunders within this life of mine,  
From Paul to William Branham,  
From Faith to Perfect love,  
These lively stones are reaching  
out to God.

There is no one like my Jesus,  
No person can compare,  
He satisfies me fully,  
There's no reason for despair;  
And when battles in this life  
Get me down all so low,  
He fills my lamp with living oil  
When in prayer to Him I go.

His grace is all sufficient  
For this failing flesh of mine,  
Every answer to the Bible,  
It has been there all the time;  
And even though I fail Him daily,  
Perfection dwells within,  
Those seven thundering voices  
Will bring Jesus back again.

The foundation of the pyramid  
Is Faith preached by Paul,  
Irenaeus fought for Virtue,  
That pyramid grew tall.  
Do you see where we are  
standing?  
Just one more step and then  
Those seven thundering voices  
Will bring Jesus back again.

**PRAISE THE LAMB F**

Hallelujah, praise the Lamb!  
Hallelujah, praise the Lamb!  
My heart sings His praise again,  
Hallelujah praise the Lamb!

**THE BLOOD STILL... F****MONOLOGUE**

*I didn't see Him walk up that  
lonely hill.*

*Neither His bloody footprints,  
that marked the path to His  
suffering.*

*As the nails pierced His hands  
and feet,*

*The veil was rent in two.*

*He saw the vision,*

*This blood-bought church*

*He saw me, he saw you.*

*Now we are loosed from all  
our bondage.*

*Our shackles are gone.*

*Death, you still have no sting.*

*I can still hear His blood cry,  
Freedom! Freedom! Freedom!  
Freedom!*

**CHORUS**

The blood still cries freedom  
From bondage and sin  
You don't have to worry at the  
foot of the cross  
He wrote our names  
Sealed with the blood of the  
spotless Lamb  
Hold on to God's unchanging hand  
The blood still cries freedom  
Look and live

I have heard but now I see  
What the blood can do for you  
and me  
It has quickened our souls,  
Made us whole  
We have sweet victory  
The Seven Seals are opened  
(The Son is risen)  
That's good news from the tomb  
A Seven Thunders message, for  
rapturing faith  
By blood we'll make it through

Some have fallen in battle  
Some led astray  
But there are some wounded  
soldiers

That need healing today  
Nothing is impossible  
These dry bones can live  
The blood will restore  
That's thus saith the Lord  
Oh glory to God.

**BRIDGE**

Hallelujah, let freedom reign,  
Emancipation is here  
Shout the sword of the Lord  
The battle is won  
Let freedom reign

\*\*\*\*

**ONLY BY FAITH D**

Child you've got to be ready,  
though trials are hard  
You have to have faith in God's  
Word  
Child you've got to be robed with  
the Word of the Lord  
You've got to have faith in God's  
Word

**CHORUS**

You've got to prepare for the battle  
Enquiring of the Lord day and night  
To possess the keys to your  
great victory  
Only you, only believe.  
Victory

See yourself as the bride who  
wouldn't fall  
But is raised up to stand in this  
day  
Though all hell is against you  
Only have faith and believe

See yourself in the vision of God  
knowing that God never fails  
Although your faith is as small as  
a mustard seed

Identify the demons you fight  
Understand your position in  
Christ For in these times, these  
troublesome times  
God gives the faith to prevail

**FLUTTERING IN** **C**

In the beginning God created  
 heaven and earth  
 And the earth fell into a chaotic  
 condition  
 But the Spirit of God moved  
 (Spirit of God moved)  
 He fluttered like a dove  
 (Fluttered like a dove)  
 Bringing healing to this attribute  
 of God  
 Yes the Spirit of God moved  
 (Spirit of God moved)  
 He fluttered like a dove  
 (Fluttered like a dove)  
 Transforming the earth into a  
 beautiful Eden

**CHORUS 1**

Fluttering in (Fluttering in)  
 On the wings of love (On the  
 wings of Love) 2x  
 The Lord coming down on the  
 wings of a dove

This same God came in human skin  
 As the sacrificial Lamb to take  
 away our sin  
 Subjected Himself to be washed  
 by His Prophet  
 He said it becometh us to fulfill  
 all righteousness  
 The prophet looking up saw the  
 heavens open  
 And he saw that Dove coming  
 down like a fire

The prophet bore a sickness  
 most of his life  
 For his own healing he begged  
 and he cried  
 He looked for the time the Dove  
 would appear  
 To take away his suffering his  
 pain and his fear  
 That day he was led up the  
 mountain high

He saw that seventh Dove he  
 looked for all his life

**CHORUS 2**

Fluttering in (Fluttering in)  
 On the wings of love (On the  
 wings of Love)  
 The Lord coming down in the  
 form of a dove  
 Moving through the lattices  
 (Moving through the lattices)  
 Can you see Him now (Can you  
 see Him now)  
 The Lord coming down on the  
 wings of a dove

The Bride too has suffered  
 Down through these years  
 But this faithful Dove once again  
 has appeared  
 In this second ride He speaks to  
 you and me  
 Have faith in His Word, He'll set  
 you free  
 Nothing is impossible for Him to  
 do (For you and me)  
 He says 'I am the Lord that  
 healeth thee'.

**CHORUS 1...**

He was seen in a rainbow on a  
 farm in Siparia  
 As a pillar of fire over in Guyana  
 In Central America the Cloud  
 came down  
 Down in Argentina He came as a  
 dove  
 The appearing of this Dove identified  
 We're on that trail in this second  
 ride

**CHORUS 2...**

Come into my heart Lord  
 Coo in I believe (I believe, I  
 believe)  
 Your healing Lord  
 Even now I receive  
 Fluttering in  
 Let Him save you now  
 The Lord coming down in the  
 form of a dove...

**THE OLD FASHIONED MEETING** **C**

Oh, how well I remember in the  
 old-fashioned days,  
 When some old-fashioned  
 people had some old-fashioned  
 ways;  
 In the old-fashioned meetings, as  
 they tarried there,  
 In the old-fashioned manner,  
 How God answered their prayer.

**CHORUS**

'Twas an old-fashioned meeting, in  
 an old-fashioned place,  
 Where some old-fashioned people  
 had some old-fashioned grace:  
 As an old-fashioned sinner I began  
 to pray,  
 And God heard me, and saved me  
 in the old-fashioned way.

There was singing, such singing of  
 those old-fashioned airs!  
 There was power, such power in  
 those old-fashioned prayers,  
 An old-fashioned conviction made  
 the sinner pray,  
 And the Lord heard and saved  
 him,  
 In the old-fashioned way.

Well, they say it is better, "Things  
 have changed don't you know,"  
 And the people in general, seem to  
 think it is so;  
 And they call me old-fashioned  
 when I dare to say,  
 That I like it far better in the  
 old-fashioned way.

If the Lord never changes, as the  
 fashions of men,  
 If He's always the same, why,  
 He is old-fashioned then!  
 As an old-fashioned sinner saved  
 thro' old time grace,  
 Oh, I'm sure He will take me to an  
 old-fashioned place.

**IN HIS PAVILION** **F**

In times of trouble and inward  
 struggle  
 When it seems the end of the way,  
 Taking His direction,  
 I'm longing for perfection,  
 I only need to feel His hand in mine.

**CHORUS**

Dear Jesus, I'm in Your pavilion,  
 There I'll find the strength  
 I need to carry on,  
 In the secret of Your presence,  
 Beholding Your beauty, oh Lord.

In God's Word I'm reading, how  
 my life is leading,  
 Onward to that beautiful shore.  
 I'll greet the saints at heaven's door,  
 With a love I've never felt before,  
 What joy is waiting there for me.

**CHORUS**

But until then, I'll stay  
 In Your pavilion,  
 There I'll find the strength  
 I need to carry on;  
 In the secret of Your presence,  
 Beholding Your beauty oh Lord.

**THEREFORE THE REDEEMED** **G**

Therefore the redeemed of }  
 the Lord shall return, }  
 And come with singing, unto }  
 Zion, }  
 And everlasting joy shall be }  
 upon their heads; }2x  
 They shall obtain gladness and  
 joy,  
 And sorrow and mourning shall  
 flee away.

Therefore the redeemed of the  
 Lord shall return,  
 And come with singing unto Zion,  
 And everlasting joy shall be upon  
 their heads.

**THE LILY OF THE VALLEY** **D**

I've found a friend in Jesus, He's everything to me.  
 He's the fairest of ten thousand to my soul;  
 The Lily of the Valley, in Him alone I see  
 All I need to cleanse and make me fully whole.  
 In sorrow He's my comfort, in trouble He's my stay,  
 He tells me every care on Him to roll. Hallelujah!  
 He's The Lily of the Valley, the Bright and Morning Star,  
 He's the fairest of ten thousand to my soul.

He all my grief has taken, and all my sorrows borne;  
 In temptation He's my strong and mighty tower;  
 I have all for Him forsaken, and all my idols torn  
 From my heart, and now He keeps me by His power.  
 Though all the world forsake me, and Satan tempt me sore,  
 Through Jesus I shall safely reach the goal. Hallelujah!  
 He's the Lily of the Valley, the Bright and Morning Star,  
 He's the fairest of ten thousand to my soul.

He'll never, never leave me, nor yet forsake me here,  
 While I live by faith and do His blessed will;  
 A wall of fire about me, I've nothing now to fear;  
 With His manna He my hungry soul shall fill.  
 Then sweeping up to glory, we'll see His blessed face,  
 Where rivers of delight shall ever roll. Hallelujah!  
 He's the Lily of the Valley, the Bright and Morning Star,  
 He's the fairest of ten thousand to my soul.

**THERE IS A RIVER** **F**

There was a thirsty woman,  
 Who was drawing from a well,  
 Her life was ruined and wasted,  
 Her soul was bound for hell.  
 Then she met the Master,  
 Who told of her great sin,  
 He said, "If you drink this water,  
 You'll never thirst again."

**CHORUS**

There is a river  
 That flows from deep within.  
 There is a fountain  
 That frees the soul from sin.  
 Come to these waters;  
 There is a vast supply.  
 There is a river,  
 That never shall run dry.

There came a sound from Heaven  
 As a rushing, mighty wind,  
 It filled their hearts with singing,  
 And gave them peace within.  
 The prophet gave the promise,  
 The Spirit will descend,  
 And from your inner being,  
 A river with no end.

**HOSANNA** **C**

Oh, Magnify the Lord! }  
 For He is worthy }  
 To be praised. }2x

**CHORUS**

Hosanna! Blessed be }  
 the Rock! }  
 Blessed be the Rock }  
 of my Salvation. }2x

Glory, glory to His Name, }  
 He lives and reigns forevermore }2x

Jehovah Jireh is His Name. }  
 For He provideth all my needs. }2x

**THE WOUNDED DOVE** **A**

From the outer regions of the lost  
 God has brought us back  
 Her gates are the gates of hell  
 And many enter therein  
 Then at last we heard a great blast  
 The Thunders uttering  
 This time they spoke clearly  
 The mystery of the Seventh Seal  
 And here we are in the second-fold  
 of a three-fold mystery  
 Part being spoken by the Son of man  
 But the other in you and me

**CHORUS**

The message of a wounded  
 dove went home  
 Now it's come back again  
 In the power of the Word  
 Speaking resurrection  
 Speaking rapturing faith  
 Full redemption  
 From a fallen state

With the power that will judge the earth  
 We are lifted higher  
 Higher and higher until we all  
 come into that Seventh peak  
 And from there we'll change  
 dimensions  
 Cross into that other land  
 Where we'll meet friends and  
 loved ones  
 And those who've already gone

A window now is opened  
 And the light is shining through  
 Celestial light from a celestial world  
 Shining into our souls  
 The dove and the raven are loosed  
 Two powers in the earth  
 One feeding on the flesh of  
 disobedient men  
 But the dove in you and me  
 And for this purpose He's  
 descended  
 A full cycle of time's about ended  
 And here we are in this reality  
 While Noah was a coded mystery

**A BETTER WORLD** **D**

Take a picture put it in a darkroom  
 There's a process for it to go  
 through  
 Take it out when the process is  
 completed  
 See the beauty before you  
 That's how it is with this life here  
 on earth  
 The shot was taken from another  
 world  
 Earth is the darkroom where our  
 lives develop  
 Soon our true beauty will unfold

**CHORUS**

In a better world, a better place,  
 a better life  
 In a better way, with better things  
 In eternity, that's where we'd be  
 With the one who died for you  
 and me

Here we see trees struggling to  
 live  
 But there's a place where they don't  
 Here we see sickness and dying  
 There's a place where we won't  
 We've got no future on this sinful  
 earth  
 Our eyes are fixed on another world  
 We've got no treasures here below  
 There is a place where they are  
 stored

In this world we're pilgrims and  
 strangers  
 But there's a place where we  
 belong  
 Soon we'll leave Satan's Eden  
 Take courage pilgrim it won't be  
 long  
 Down here we have no  
 continuing city  
 But we seek the one to come  
 We desire that heavenly country  
 God hath prepared our future home

**I'LL KEEP PRESSING ON C**

Like my forefathers did and their fathers before them  
They kept the Word of God within their hearts  
Through tears and toils they fought with conviction in their souls  
Now their children have an inheritance  
The faith of the Lord

**CHORUS**

For whatever it takes I'll keep pressing on  
Whatever trials come my way I'll be pressing further  
For what shall separate me from the love of Christ Jesus my Lord  
I've counted the cost, I'll pick up my cross  
And keep pressing on  
I'll finish my course with joy (2x)

Like my sister Ruth it is within my make-up  
To fulfill the task Adam did not fulfill  
For such a time as this I must bring forth this Christ child  
And be perseverant in spite of all obstacles

And whatever it takes I'll keep pressing on  
Whatever trials Satan throws my way I'll keep pressing on  
What shall separate me from the love of Christ Jesus my Lord  
I've counted the cost, I'll pick up my cross  
And keep pressing and finish my course with joy

**THE DOVE FLEW INTO MY E**

I may be sick but I'll keep on believing  
I know that I'll be healed in Jesus name  
The devil tried to rob me from my inheritance  
And the blessing the Lord has promised  
I looked at my lying vanities and said  
I'm going to walk into my victory

**CHORUS**

The dove flew into my heart  
I know that He did  
He has led me through the storms  
I firmly believe  
The Lord has raised me up so high  
To believe what He has done for me  
I'm an eagle to soar above the troubled waters  
He has fluttered His wings in my heart  
The dove flew into my heart I firmly believe  
The dove flew into my heart I know that He did

I may be troubled, confused and shattered  
I may be scarred but I'll never give up  
He has promised deliverance from all my bondage  
He wouldn't deny what He has promised  
Jesus has provided all my needs  
Whenever I call on His name

**SOFTLY AND TENDERLY F**

Softly and tenderly Jesus is calling,  
Calling for you and for me,  
See on the portals He's waiting and watching,  
Watching for you and for me.

**CHORUS**

Come home, come home,  
Ye who are weary, come home;  
Earnestly, tenderly, Jesus is calling,  
Calling, Oh sinner, come home!

Why should we tarry when Jesus is pleading,  
Pleading for you and for me?  
Why should we linger and heed not His mercies,  
Mercies for you and for me?

Time is now fleeting, the moments are passing,  
Passing from you and from me;  
Shadows are gathering, death's night is coming,  
Coming for you and for me.

Oh! for the wonderful love He has promised,  
Promised for you and for me;  
Though we have sinned,  
He has mercy and pardon,  
Pardon for you and for me.

**LORD WE LONG F**

Into Your court we come,  
Deep in our hearts we long to be  
Near to the throne of Your glory;  
As we draw near to You,  
Know that we're here to do Your will,  
God, how we long to be near to You.

May our prayers be like incense  
Raising up to Your throne,  
May our songs be a fragrance unto You,  
May our lives be a pleasing offering in all that we do,  
Oh! God how we long to be }  
near to You. }2x

**NOTHING BUT THE BLOOD F**

What can wash away my sin?  
Nothing but the blood of Jesus;  
What can make me whole again?  
Nothing but the blood of Jesus.

**CHORUS**

Oh, precious is the flow  
That makes me white as snow;  
No other fount I know,  
Nothing but the blood of Jesus.

For my cleansing this I see,  
Nothing but the blood of Jesus;  
For my pardon this my plea,  
Nothing but the blood of Jesus.

Nothing can for sin atone,  
Nothing but the blood of Jesus;  
Naught of good that I have done,  
Nothing but the blood of Jesus.

This is all my hope and peace,  
Nothing but the blood of Jesus;  
This is all my righteousness,  
Nothing but the blood of Jesus.

Now by this I'll overcome,  
Nothing but the blood of Jesus;  
Now by this I'll reach my home,  
Nothing but the blood of Jesus.

Glory! Glory! Thus I sing,  
Nothing but the blood of Jesus;  
All my praise for this I bring,  
Nothing but the blood of Jesus.

**A LITTLE MORE OIL D**

A little more oil in my lamp, keep me burning;  
A little more oil in my lamp, I pray.  
A little more oil in my lamp, keep me burning,  
Keep me burning 'til the break of day.

Sing Hosannah! Sing hosannah!  
Sing Hosannah to the King of Kings!  
Sing Hosannah! Sing hosannah!  
Sing Hosannah to the King.

**BEULAH LAND** **F**

I've reached the land of corn and wine,  
And all its riches freely mine:  
Here shines undimmed one blissful day,  
For all my night has passed away.

**CHORUS**

O Beulah land, sweet Beulah land,  
As on thy highest mount I stand,  
I look away across the sea,  
Where mansions are prepared for me,  
And view the shining glory-shore,  
My Heaven, my home forevermore!

My Saviour comes and walks with me,  
And sweet communion here have we;  
He gently leads me by His hand,  
For this is Heaven's borderland.

A sweet perfume upon the breeze,  
Is borne from ever-vernal trees  
And flow'rs, that never-fading grow,  
Where streams of life forever flow.

The zephyrs seem to float to me,  
Sweet sounds of Heaven's melody,  
As angels with the white-robed throng,  
Join in the sweet Redemption song.

**FAITH IN JEHOVAH** **D**

Faith in the Father, and faith in the Son,  
Faith in the Holy Ghost,  
These three are One;  
Demons will tremble, and sinners awake;  
Faith in Jehovah makes anything shake.

**HE IS ABLE TO DELIVER** **A**

'Tis the grandest theme thro' the ages rung;  
'Tis the grandest theme for a mortal tongue;  
'Tis the grandest theme that the world ev'r sung,  
"Our God is able to deliver thee."

**CHORUS**

He is able to deliver thee, He is able to deliver thee;  
Tho' by sin oppressed, go to Him for rest;  
"Our God is able to deliver thee."  
A-MEN.

'Tis the grandest theme in the earth or main;  
'Tis the grandest theme for a mortal strain;  
'Tis the grandest theme, tell the world again,  
"Our God is able to deliver thee."

'Tis the grandest theme, let the tidings roll,  
To the guilty heart, to the sinful soul;  
Look to God in faith, He will make thee whole,  
"Our God is able to deliver thee."

**REACH OUT TOUCH THE LORD** **F**

Reach out and touch the Lord  
As He goes by,  
You'll find He's not too busy  
To hear your heart's cry;  
He is passing by this moment,  
Your needs to supply,  
Reach out and touch the Lord  
As He goes by.

**SHUT IN WITH GOD** **A**

Shut in with God in a secret place,  
There in the Spirit beholding His face,  
Gaining new power to run in the race,  
I love to be shut in with God.

**BOAZ AND RUTH** **C**

Boaz has left His palace  
Came down in the field  
At harvest time for a visitation  
As He arrived at the field  
To His great amazement  
A different kind of tree  
A beautiful flower  
like the lily of the fields  
Ruth the Moabite

**CHORUS**

A story of love started in the fields  
At harvest time between Ruth and Boaz  
A story of hearts that are bound forever  
At adoption time  
Boaz and Ruth the Moabite

Instructions were given to the harvest chief  
For her to be looked after  
This Gentile daughter  
For right there in the field at harvest time  
For so much love in His heart  
He felt for her

At any cost to redeem her  
This beautiful lady  
That's what He thought about since love at first sight  
Right there in the fields at adoption time  
Forevermore she would be His bride  
Eternally she would bear a New Name

A great story of love  
Between me and my Saviour  
A story of hearts  
Bound for eternity

**COVER ME** **G****CHORUS**

I'm down here at the threshing floor (Cover me)  
I'm asking You to cover me (Cover me)  
I need to hear the secret things You're saying  
I'm asking You to cover me

I come to You dear Father  
Without any special feeling  
At times I'm so discouraged  
As if my life has no true meaning  
Satan has taken away my strength  
And has robbed me of my wealth  
Thou art my mighty Kinsman Redeemer  
In You I put my confidence  
So I'm placing my claim

Draw me closer and closer  
Till You and I become one  
Spread Your skirt over me  
It's You I want to become  
When You answer my petition  
I'll always walk in victory  
I'll walk into the enemy's camp  
And take back what he stole from me  
So I'm placing my claim

**BRIDGE**

I'm laying my sins and weight aside  
I'm following wherever You lead  
I'll take the fight to my enemy  
And take back what he took from me

**A DAY IN SEPTEMBER** C

It was a day in September  
One lonely night something  
fluttered into my heart  
I looked around to see  
What could it be  
No one else but the sweet Holy  
Spirit

**CHORUS**

A snow-white dove  
Flew into my heart  
Saying don't worry my child  
All is well (2x)

My skies were misty, my clouds  
were dark  
Until that daystar dawned in my  
heart  
With a message of grace  
Comfort and peace  
Bringing an end to all my troubles

All around us is war  
And rumours of war  
And violence fills the whole world  
But before one bomb will fall  
He'll take us away  
To live eternally

**SPEAKING BETTER THINGS** D

How can I not live for him  
I've heard the voice of his blood  
Speaking better things for me  
Speaking pardon and liberty  
Showing me what was done on  
Calvary

It has told me my sins are gone  
It has told me I am his son  
It has told me he has prepared a  
place for me

I've seen his vesture dipped in blood  
I've come back to renew my  
vows to him  
That is why I am here again  
I've come back to see the Lamb  
that was slain

We heard the emancipation  
proclamation

We have seen the risen Son  
Out from the slave fields of sin  
we came  
In search of another land

We keep coming back to this place  
Cause it holds for us such great  
treasure  
Each time we see this  
bloodstained vesture  
The price of our freedom we  
remember

And forever we will praise  
This lamb who for our sins was slain  
Together with him we will be in  
eternity

And I thank God for the old  
rugged cross  
It's shame and reproach I gladly  
bear  
I will cling to the old rugged cross  
And I'll exchange it some day for  
a crown

**JESUS IN YOU** G

I could climb the highest mountain  
I could cross the deepest sea  
I could walk through the widest  
desert  
But what would it profit me?  
Nothing

**CHORUS**

'Cause Jesus in You  
Well that's where I'm truly free  
Only in You is where I long to be  
Everything, all I need is in You  
Jesus in You that's where I find  
peace  
Only in You is where I have  
sweet release  
Everything, all I need is in You

I could rise in man's corporations  
Spend my life seeking wealth,  
fame and fortunes  
I could desire to rule the nations  
But what would it profit me?  
Nothing

**CHORUS**

Jesus, all I need  
You are my everything  
It's all in You

**THE GRASS IS GREENER** D

Well I watched a hand today  
Reach out to a loved one,  
And it nearly broke my heart to say  
good-bye  
When I heard my brother say that  
He was leaving,  
I've been waiting, oh so long, for  
God's chariot to take me home  
Where the grass is greener on the  
other side,  
Where the grass is greener on the  
other side.

**CHORUS**

Where the roses never ever die,  
God's river never runs dry,  
Children play forever on the hills of  
freedom;  
No more war, no more pain,  
No more parting ever again,  
The grass is greener on the other  
side,  
Where the grass is greener on the  
other side.

Oh, this earth with all of its beauty  
holds so little,  
And if I could leave today, I'll be  
satisfied.  
Well I hope that you won't think  
that I'm ungrateful,  
But my heart is set on glory,  
And my mind is fixed on glory,  
Where the grass is greener on the  
other side,  
Where the grass is greener on the  
other side.

**TRAVELLING ON THE ROAD** F

We are travelling on the right  
road  
We are travelling on the right  
road,  
There is one way to the city of God  
We are travelling on the right  
road.

**HE'S BEEN FAITHFUL** F

In my moments of fears,  
Through many pains, many tears,  
There's a God who was faithful to  
me;  
When my strength was all gone,  
When my heart had no song,  
Even then God was faithful to me;  
Every word He has promised is  
true,  
What I thought was impossible  
I've seen my God do.

**CHORUS**

He's been faithful, faithful to me.  
Looking back, His love and mercy I  
see.  
Though in my heart, I have  
questioned,  
Even failed to believe;  
Yet He's been faithful, faithful to  
me.

When my heart looked away,  
The many times I could not pray,  
Still my God, He was faithful to me;  
The days I've spent so selfishly  
Reaching out for what pleased me,  
Even then God was faithful to me;  
Every time I come back to Him,  
He is waiting with open arms,  
And I see once again.

**IT WON'T BE LONG** D

It won't be long, soon we'll be  
leaving here,  
It won't be long, we'll be going  
home.

Count the years as months,  
Count the months as weeks,  
Count the weeks as days,  
Any day now, it won't be long,  
We'll be going home.

We shall be like Him, }3x  
In the twinkling of an eye,  
In a moment of time,  
We'll be going home.

**NO OTHER BLOOD D**

So many years, so many Lambs  
were offered up,  
But all the blood that was spilt  
Could never fill that bitter cup,  
Till one spotless Lamb in the  
form of man,  
Gave His life on Calvary,  
His was the only blood that could  
ever set me free.

**CHORUS**

For His blood was not just blood  
Of another spotless lamb,  
But His blood was precious blood,  
For it was to claim back man.  
With His blood, He healed my  
body  
And set my spirit free,  
I'm so glad for His precious blood  
That still flows from Calvary.

No other blood could heal my  
broken body,  
No other blood could save my  
sin-sick soul,  
No other blood can conquer  
death  
And win the victory,  
No other blood, than the blood  
He shed for me.

**JEHOVAH HIDE ME F**

I am under the Rock,  
The Rock is higher than I,  
Jehovah hide me,  
I am under the Rock.  
Go tell my enemy,  
I am under the Rock,  
Jehovah hide me,  
I am under the Rock.

**OH, THE BLOOD OF JESUS F**

Oh, the blood of Jesus,  
Oh, the blood of Jesus;  
Oh, the blood of Jesus,  
That washes white as snow.

**HE DROPPED THE CHARGES G**

I was guilty of all the charges,  
doomed in disgrace,  
But Jesus with His special love  
saved me by His grace;  
He pleaded and He pleaded, He  
pleaded my case,  
Jesus dropped the charges, Jesus  
dropped the charges,  
Now I'm saved through grace and  
faith.

I was guilty for so long,  
Lived in sin too long,  
But Jesus with His special love,  
Reached down with His arm so  
strong;  
He picked me up and turned me  
around,  
Gave me a brand new song,  
Jesus dropped the charges,  
Now to Him I belong.

We may remember and remember,  
All of the things we've done,  
But Jesus with His special love,  
Forgave us of every one;  
He put me on the right road,  
Lifted my heavy load,  
Jesus dropped the charges,  
Now I'm free down in my soul.

**CHORUS**

He dropped the charges,  
Jesus dropped the charges,  
Although I was wrong,  
He dropped the charges,  
Jesus dropped the charges,  
Showed me right from wrong,  
He dropped the charges,  
Jesus dropped the charges,  
Cast them all away.

At Calvary I heard Him say,  
At Calvary I heard Him say,  
At Calvary I heard Him say,  
Case dismissed, case dismissed,  
Saved by grace.

**THE KINSMAN REDEEMER C**

I left a barren land searching for rest  
Stumbling around in amnesia  
bitterness and distress  
But then I met the Kinsman  
redeemer Who's called the  
Mighty One  
He took this old Moabite from the  
field and brought me to his  
house

**CHORUS**

He said Fear not my child for you  
are part of me  
And I'll not rest till you are at my side  
I will do all that you ask of me  
You're a jewel in my eye  
Virtuous woman you are my bride  
I've responded to your call and  
you have covered me  
With eyes of faith I see all the  
mysteries being revealed  
Now I see who I am I make claim  
to all that's mine  
I am the Lamb's wife I was  
bought with a price

When I look back and see  
How much grace and love you  
showed me  
Lord it brings me to my knees  
that you can even think about me  
When I am in need you are still  
Jehovah Jireh  
Jehovah Rapha you are still the  
great healer  
With faith I'll stand on your word  
Because you are more than able

**BRIDGE**

Lord I am casting all my cares on  
you  
I know you love me  
Redemption by blood  
That's the greatest love story  
Full restoration, full redemption,  
That's what seven angels in a  
cloud testified  
My redeemer 's no longer dead,  
he is risen  
And he's coming back for you and me

\*\*\*\*

**BLESSED ASSURANCE C**

You have considered me  
when the world despised me  
You have purchased me when I  
thought I couldn't be loved  
Lord I just want to say how much  
I love You  
I lift my hands to praise and  
thank You  
For I know all of Your promises  
You will fulfill

**CHORUS**

Blessed assurance, all is well  
Things may seem impossible but  
I know God cannot fail  
Just look back and see how many  
times you were at your end  
And God delivered you with His  
mighty hand  
Blessed assurance, all is well

You may be believing for your  
unsaved loved ones  
For total healing when the doctor  
says nothing else can be done  
But my Redeemer's the Physician  
His report says it's a finished work  
So claim every inch of ground  
the devil stole from you all, in  
God's Name

This is my story, this is my song  
Praising my Saviour all the day  
long  
This is my story, this is my song  
Praising my Saviour all the day  
long

Blessed assurance all the day long  
Praising my Saviour all the day long  
Blessed assurance, all is well

**MY LIFE IS A STORY OF... D**

Once I sat in darkness  
 But then the glorious light of my  
 God shone upon me  
 It's the Lord of the harvest  
 Coming down from heaven above  
 To his chief servant he came  
 Revealing his plan of redemption  
 for me  
 Unworthy I am, yet he calls me  
 his own bride  
 The book of my life, he has  
 opened up  
 The seals upon it, he has taken off  
 My sin's reproach has rolled away  
 My true destiny's now revealed

**CHORUS**

My life's a story of grace and love  
 I have a kinsman who cometh  
 from above  
 He's come to claim me  
 I am his own  
 He's taking me to my future home  
 His mercy has rewrote my life  
 Through his blood, the perfect  
 sacrifice  
 Now in union I stand with him  
 United forever and ever  
 And ever.

For this great work of love, you  
 have done  
 Lord my heart is forever grateful  
 to you  
 Quickened by your Holy Spirit  
 I am raised in newness of life  
 Now I understand who I am  
 I am your attribute manifest in  
 this day  
 To bear witness of you  
 To your purpose, for this cause  
 I came into this world  
 Seven thunders, seven seals  
 Seven steps to bring me to  
 perfect rest  
 Faith of your faith  
 Life of your life  
 I am the mystery of you revealed

**NO CONDEMNATION G**

Born in sin, shaped in iniquity  
 I came forth in this world  
 speaking lies  
 Separated from the God I longed  
 to serve  
 His Word, this perverted nature,  
 has denied  
 Oh and I long, oh yes I long  
 To be rid of this old man, to  
 become a new creation  
 The law of sin in this inward man  
 Must be brought into subjection  
 My greatest enemy I've realized  
 It is me, it is me

**CHORUS**

And now I see, now I understand  
 The great work that's been  
 wrought for fallen man  
 He delivered me from indwelling sin  
 Now there's no condemnation  
 To those who are in Christ

Elohim, He is determined  
 He's not going to remain alone  
 We were created for His pleasure  
 His workmanship that's what we are  
 And for fellowship and sweet  
 communion  
 To be a co-worker with the living  
 God  
 To live unto His expectation  
 It's just what He desires for me  
 It's not what I long to be  
 For when He died on Calvary  
 He purchased me, He purchased me

**CHORUS**

And now it is impossible  
 I could never, ever be lost  
 I breathe the very life of God  
 I came His provided way  
 By the Blood of Christ, I am washed  
 For sin no longer reigns in this  
 mortal body  
 I am a living sacrifice  
 My inwards burn constantly  
 Refusing to be satisfied till this  
 glory is revealed in me

**ONLY JESUS CAN SATISFY C**

This world may try to satisfy that  
 longing in your soul,  
 You may search the whole world  
 o'er  
 But you'll be just as before,  
 You'll never find true satisfaction,  
 Not until you've found the Lord,  
 For only Jesus can satisfy your  
 soul.

**CHORUS**

Only Jesus can satisfy your soul,  
 And only He can change your life  
 And make you whole.  
 He'll give peace you never knew,  
 Sweet love and joy and heaven too,  
 For only Jesus can satisfy your soul.

You may have the fame and fortune,  
 All the wealth you could obtain,  
 Yet if you have not Christ within,  
 Your living here would be in vain,  
 For there'll come a time when  
 death shall call you,  
 Riches cannot help you then,  
 So come to Jesus, for only He can  
 satisfy.

**MY HOUSE IS FULL C**

There is peace and contentment in  
 the Father's house today;  
 Lots of food on His table and no  
 one is turned away;  
 There is singing and laughter as  
 the hours pass by,  
 But a hush calms the singing as  
 the Father sadly cries:

**CHORUS**

My house is full, but my field is  
 empty;  
 Who will go and work for me today?  
 It seems my children all want to  
 stay around my table,  
 But no one wants to work in my  
 field.}2x

Push away from the table, look out  
 through the window pane;  
 Just beyond the house of plenty  
 lies a field of golden grain;  
 And it's white unto harvest, but the  
 reapers where are they?  
 In the house, oh, can't the children  
 hear the Father sadly say:

**NEVER FORSAKEN A**

Oh, I know you may be weary,  
 And at times it can get rough,  
 You may not have all you want  
 But you always have enough;  
 And when it seems you're at the  
 end,  
 Just remember what I say,  
 I've never seen the righteous  
 forsaken  
 Nor his seed begging for bread.

Oh, I know it seems so hopeless,  
 And you don't know what to pray,  
 You've done all you know you  
 could  
 And it seems there's just no way;  
 And when your darkest hour would  
 come,  
 Just remember what I say,  
 I've never seen the righteous  
 forsaken  
 Nor his seed begging for bread.

**CHORUS**

I've never seen God's people  
 With a need that He could not  
 meet,  
 I know that He cares for His own  
 And His promises He'll keep.

So just hold on a little longer,  
 The answer's soon to come,  
 The endless waiting almost over,  
 The victory's almost won,  
 And when again you feel this joy  
 Just remember what I say;  
 I've never seen the righteous  
 forsaken  
 Nor his seed begging for bread.

**THOU ART WORTHY A**

Thou art worthy, Thou art worthy,  
 Thou art worthy O Lord.  
 To receive glory, glory and honour,  
 Glory and honour and power;  
 For Thou hast created, hast all  
 things created,  
 Thou has created all things,  
 And for Thy pleasure they are  
 created  
 Thou art worthy O Lord.

**I JUST CAME SAY TO THANKS C**

Lord, I didn't come here  
To ask You for anything,  
Lord, I just want to say, "Thank  
You Lord."  
You answered a million prayers,  
oh God  
That I forgot to thank You for,  
Lord, I just want to say, "Thank  
You Lord."

**CHORUS**

For maybe tomorrow  
I'll have troubles and sorrows,  
And a thousand tears may fall,  
But until I face tomorrow's test  
I'll have no special favours to ask  
Lord, I just want to say, "Thank You  
Lord."

You've been so good,  
And You've been so kind,  
I'm so grateful Lord,  
I'm so grateful Father,  
You kept us in our right minds.  
Many times we didn't know what to  
do,  
But You always brought us through,  
We come today Lord,  
We come today Father,  
Just to say, "Thank You Lord."

You gave us eyes to see,  
When we were bound, You set us  
free,  
We can't forget Lord,  
All of the things that You have  
done.  
Lord, we travelled by land  
And we travelled by air,  
I know You kept us Lord,  
You kept us from harm, hurt and  
danger.

**I'VE BEEN CHANGED G**

I've been changed, I've been reborn,  
All my life has been rearranged;  
What a difference it makes when  
the Lord has His way;  
All my life, Praise God, has been  
changed.

**WOUNDED SOLDIER D**

See all the wounded,  
Hear all their desperate cry for  
help,  
They're seeking for shelter and for  
peace.  
Our comrades are suffering,  
Come let us meet them and their  
need  
Don't let the wounded soldier die.

**CHORUS**

Come let us pour the oil,  
Come let us bind the hurt,  
Let's cover them with the blanket  
of His love;  
Come let us break the bread,  
Come let us give them rest,  
Let's minister healing to them;  
Don't let another wounded  
soldier die.

Obedying their orders,  
They fought on the front line for  
their King,  
Tearing down the enemy's  
stronghold;  
But, weakened from battle,  
Satan crept in to steal their lives;  
Don't let the wounded soldiers  
die.

**THE GREAT EMANCIPATOR D**

Once my heart and soul were  
fettered  
By the binding chains of sin,  
But the great Emancipator  
Set me free to worship Him.

**CHORUS**

Glory, glory, hallelujah,  
Blessed be His holy name!  
He's the great emancipator,  
That's the song of the redeemed!

Like a lost lamb I was drifting,  
O, so helpless and alone,  
But the seeking Shepherd found  
me,  
Led me to my Father's home.

\*\*\*\*

**MY KINSMAN REDEEMER C**

You brought me out from a  
barren country  
Exalted me in Your field  
With a tender hand with such  
grace You called me  
Provided all my needs  
And I don't deserve one single  
bit of mercy  
Yet in love You purchased me  
And so I lay at Your feet  
And I bow before Thee  
Lord of Harvest, spread Your  
skirt and cover me.

**CHORUS**

And entreat me not to leave Thee  
I've forsaken all to follow You  
For Your word abides forever  
I've found You faithful I've found  
You true  
And I'll never know another  
For my soul Your love has claimed  
You're my Lord and King forever  
Lord of harvest in my life You  
must reign

Your gave me rest Your golden  
grain sustains me  
You took away my shame  
Into Your house as Bride You  
brought me  
You've given me Your name  
Yes You paid the price for my full  
redemption  
From my labours I now can be still  
And You've set such love and  
peace upon me  
Kinsman and Redeemer, I've come  
to know Your perfect will

**CHORUS**

So entreat me not to leave Thee  
I've forsaken all to follow You  
Your word abides forever  
For I've found You faithful and true  
And I'll never know another  
For my soul Your love has claimed  
You're my Lord and King forever  
Kinsman, Redeemer, in my life  
You must reign

*So spread Your skirt and cover me  
I've forsaken all to follow Thee  
You paid the price to redeem me  
You've given such victory  
And I'll never know another  
For my soul Your love has claimed  
Kinsman and Redeemer, in my  
life You must reign*

\*\*\*\*

**COMING TO PERFECTION C**

Into your presence Lord  
Time after time I've come  
And through thy word I hear  
You've changed and transformed  
me  
And Lord my desire has turned  
heavenly  
I am longing to be like you  
Your very own image  
Your own likeness  
Lord I want to stand

**CHORUS**

From perfect faith to perfect love  
Lord my soul is coming up  
For this is the day and the hour  
Of my translation  
You said 'Fear not' to me  
All I require, that you will do unto  
me  
O Lord I believe  
I'm coming to perfection

Who am I, dear Lord  
That thou take knowledge of me  
This Moabitish damsel  
Has truly found favor with thee  
For Lord you look ed beyond my  
faults

And you saw I was in need  
The price of redemption you  
willingly paid to redeem me

O cover me dear Lord  
With thy great love  
For thou art my kinsman  
redeemer  
The great and mighty one  
Now I am a virtuous woman  
Your bride at your side  
I've come into union with you  
I've found full redemption.

**RESURRECTION OF THE... F**

I've heard of Moses crossing  
The mighty red sea  
And I've heard of Joshua leading  
Israel to victory  
But in this day I'm looking for  
Present tense reality  
I'm looking for the literal life of Christ  
To form in me

**CHORUS**

In the resurrection of the Bride  
We can hear the thunders sounding  
The pull is deep inside  
And I am hearing Him call my name  
So I'm looking for the quickening  
power  
For the rapture and the change

We've heard of Jephthah and Gideon  
Of David's mighty men  
And we've heard of the power of  
Samson  
When that spirit came on to him  
So today we are looking for  
The third pull on display  
When the mind of Christ is in the  
Bride she'll say

We know Bro. Willie and Wilson  
Bro. Leon too  
And Bro. John and Frankie Jacobs  
Saints who stood tested tried  
and true  
Sleeping saints and over comers  
Victorious in this age  
And in the better resurrection  
They'll be raised

This pull brought us out from Moab  
And from gleaning in the field  
Where we met with the Lord of  
harvest  
Whom His chief reaper has revealed  
And now is the time of purging  
We're on that threshing floor  
We're being cleansed and  
sealed to sin no more  
The token is what we're longing for  
The end time Words come back  
to seed  
The little Gentile Bride, she must  
conceive  
For a blast of thunders and a  
prophet's shout  
Its full redemption will bring us out  
From the field of gleaning  
Into God's house

**BRIDGE**

Third pull power and authority  
I want my body change  
And theophany  
Oh yes, the sleeping saints will  
rise  
And the Bride will take her flight  
When the resurrection power is  
formed in me

**HELP ME STAND F**

It's so easy, Lord, to stumble  
In this old world we're living in  
While old Satan goes to and fro  
There's so many that are falling  
Yes, they are falling everyday  
So help me stand Lord  
The way You stood long ago

**CHORUS**

Help me stand by Your grace  
And look the whole world in the face  
And sing Your Word wherever I go  
When the tempter comes around  
Lord give me strength to turn him  
down  
So help me stand Lord  
The way You stood long ago

I know believers who lived in the  
ages gone by  
They faced temptations, yet they  
stood true  
But I'm living in the most evil of  
all ages that ever was  
So precious Jesus now help me  
stand and honour You

When on the earth you were  
confronted  
By the tempter you did not bow  
You overcame all temptations,  
yes, every one  
You defied him, Your precious  
Blood flowed  
To cleanse and give me strength  
to stand  
So now I pray Lord, by that same  
Blood I'll overcome

**HE'LL DO IT AGAIN A**

You may feel down and feel like  
God has somehow forgotten  
That you are faced with  
circumstances you can't get  
through;  
Right now it seems that there's  
no way out and you're going  
under,  
But, God's proven time and time  
again,  
He'll take care of you.

**CHORUS**

And He'll do it again,  
He'll do it again,  
If you just take a look,  
At where you are now,  
And where you have been.  
For hasn't He always come  
through for you,  
He's the same now as then.  
You may not know how,  
You may not know when,  
But He'll do it again.

My God knows the pain  
You're going through and He  
knows how you're hurting,  
You see, He knows just how  
your heart has been broken in  
two.  
But He's the God of the stars  
and of the sun and of the sea  
And He is your Father.  
He can calm the storm and find a  
way  
To take care of you.

**BRIDGE**

He's still God  
And He will not fail you;  
He's still God  
And He cannot change.  
Know that He's God  
And He's fighting for you,  
Just like Moses,  
Just like Daniel,  
Just like Shadrack, Meshack,  
Abednego.

**A GLORIOUS CHURCH D**

Do you hear them coming brother,  
Thronging up the steepes of light,  
Clad in glorious, shining garments,  
Bloodwashed, garments pure and  
white?

**CHORUS**

'Tis a glorious church without spot  
or wrinkle,  
Washed in the blood of the Lamb;  
'Tis a glorious church without spot  
or wrinkle,  
Washed in the blood of the Lamb.

Do you hear the stirring anthems,  
Filling all the earth and sky,  
'Tis a grand victorious army,  
Lift its banner up on high!

Never fear the clouds of sorrow,  
Never fear the storms of sin,  
We shall triumph on the morrow,  
Even now our joys begin.

Wave the banner, shout His  
praises,  
For our victory is nigh;  
We shall join our conquering  
Saviour,  
We shall reign with Him on high.

**MAKE MY LIFE TO BE G**

Make my life to be like a melody,  
Ever sounding out the message of  
the Cross.  
Saviour, let me be like a melody,  
Ever sounding out the message of  
the Cross.

With Jesus in your heart, no  
discord can arise,  
He can make the saddest heart to  
harmonize.  
Saviour, let me be like a melody  
Ever sounding out the message of  
the Cross.

**RISE AGAIN E**

Go ahead, drive the nails in my hand,  
Laugh at me, where you stand,  
Go ahead, and say it isn't me,  
The day will come, when you will see.

**CHORUS**

'Cause I'll rise again,  
Ain't no power on earth  
can tie me down;  
Yes, I'll rise again,  
Death can't keep me  
in the ground.

Go ahead, and mock my name,  
My love for you is still the same;  
Go ahead, and bury me,  
But very soon, I will be free.

Go ahead, and say I'm dead and gone,  
But you will see that you were wrong;  
Go ahead, try to hide the Son,  
But all will see, that I'm the One.

**HE IS MY EVERYTHING D**

He is my everything,  
He is my all.  
He is my everything,  
Both great and small;  
He gave Himself for me,  
Made everything new;  
He is my everything,  
None other will do.

Some folks may ask me,  
Some folks may say,  
Who is this Jesus you talk  
about each day?  
May I never complain or murmur  
Lord;  
He is my everything, He is my  
all.

**JESUS MORE THAN EVER D**

He healed the blind man;  
Walked on the water,  
And He raised up Jairus  
daughter.  
He fed the hungry, cleansed the  
leper;  
But we need Jesus now more  
than ever.

**CHORUS**

Jesus now more than ever,  
We are sailing in stormy  
weather;  
And all His children should get  
together,  
For we need Jesus now more  
than ever.

He touched the lame man and  
he started walking;  
He touched the dumb man  
and he started talking;  
He put their lives all back  
together,  
But we need Jesus now more  
than ever.

In the book of Revelation,  
We read about the persecution;  
We are heading in that direction,  
And only Jesus' blood would give  
protection.

**TRUST IN THE LORD D**

Trust in the Lord  
With all thine heart;  
And lean not to thine own  
understanding;  
But in all thy ways  
Acknowledge Him and  
He shall direct thy path.

Trust Him, trust Him,  
And thou shall find good favour,  
and good understanding;  
Trust Him, trust Him,  
And He shall direct thy path.

**MORE THAN A MAN Dm**

Who made the ocean to come  
thus far?  
Who thought the birds to sing so  
sweetly?  
Who made the heavens the trees  
and the earth?  
It has to be someone more than  
a man.

Who created man in His image?  
Who breathe the breath of life in  
him?  
Who give us victory over all our  
enemies?  
It has to be someone more than  
a man.

Who revealed the mystery in this  
last day?  
Who said you're My people,  
I'll make you My Bride?  
Who will put your enemies under  
your feet?  
It has to be someone more than  
a man.

Who took the seals of the book  
of Esther?  
Who revealed the plot of the  
wicked one?  
Who said I'll destroy them before  
your very eyes?  
It has to be someone more than  
a man.

The One I sing of is Almighty  
God  
He is ever present even here  
right now  
He is Alpha and Omega  
The beginning and the end  
Truly He is Almighty God

To have the victory takes more  
than a man  
To overcome takes more than a  
man  
To get to glory takes more than a  
man

**I'M BEING CHANGED A**

I came trapped in this body  
By-passed my theophany  
But I'm longing to get out of this  
house  
To that body prepared for me  
Where sickness, pain and death  
Will all be history  
A supernatural Word  
That's what is changing me

**CHORUS**

From glory unto glory I'm being  
changed  
Soon we'll lay aside this flesh  
To enter eternal rest  
I'm being changed (3x)  
Putting on my theophany

I'm so tired of these dimensions  
They're holding me earth and in  
time  
I want to go to Mt. Zion  
Where peace will all be mine  
I can see the saints running over  
those hills  
Just to greet me  
We'll sing amazing grace  
With the prophet under the  
evergreen tree

**CHORUS**

Make sure everything is intact  
For soon he'll be coming back  
I'm being changed putting on my  
theophany  
Get your tickets in your hand  
To join that big great heavenly  
clan  
I'm being changed putting on my  
theophany  
We'll sing in one accord  
As he says welcome all aboard  
I'm being changed putting on my  
theophany  
Don't be late  
Don't hesitate  
For He'll be waiting at the  
eastern gate  
I'm being changed putting on my  
theophany

\*\*\*\*

**TO THE HOUSE OF MY A**

Once like a stranger  
I was to you Lord  
Didn't know you paid the price of  
redemption for me  
But it was my hap one day  
I came into your field

And through your grace and love  
Your word I humbly received  
For you are my kinsman redeemer  
In you my heart has come to love  
and trust  
I who was unworthy  
Has found favor in your eyes  
To be your chosen bride

**CHORUS**

Now I'm going to the house of  
my redeemer  
And there I'll be with him forever  
He's changed me from a sinner  
to a gleaner  
Now His bride who shall reign  
with Him  
The threshing days will soon be over  
His life in me is now glorified  
I'm waiting  
To be taken to his garner  
Where I'll stand  
Perfect forevermore.

Well my desire is unto you my Lord  
I've learn to walk and live by your  
holy word  
And Lord I've been grateful for  
Your extra handfuls of grace  
That has caused me to walk this  
far by faith  
Perfection is my one desire  
Your life alone in me I want to see  
My all on your altar  
I'm willing to sacrifice  
For in you I stand complete.

**CHORUS****BRIDGE**

Lord, not once you have ever  
failed me

Each day I prove more that your  
word is true  
I know soon that some day this  
mortal life of mine  
Will be change in a twinkle of eye  
I'll be raptured up to meet you in  
the sky.

I'll stand perfect forevermore (3x)

\*\*\*\*

**I STAND IN AWE D**

I stand in awe to see the greatness  
of our God  
I stand in awe to see what he has  
made out of nothing  
I stand in awe and marvel at his grace  
For I know that it's a work  
That only God could have done for  
me

**CHORUS**

Except the Lord build this house  
Then our labour is in vain  
Lord if you don't watch over us  
Then the watchman  
He watches in vain  
He watches in vain  
A house for his name

We stand in awe to see the  
builder's thoughts of his house  
We stand in awe to see what he  
has done for fallen man  
We stand in awe  
A work well done by the master's  
hand  
This house which God has built for  
his name

We stand in awe to know that  
royalty lies in us  
We stand in awe to see what he  
has done for fallen man  
We stand in awe  
A work well done by the master's  
hand  
This house which God has built for  
his name

**BECAUSE HE LIVES F**

God sent His Son, we called Him  
Jesus,  
He came to love, heal and  
forgive,  
He bled and died to buy my  
pardon,  
An empty grave is there to prove  
that my Saviour lives.

**CHORUS**

Because He lives, I can face  
tomorrow,  
Because He lives, all fears are  
gone,  
Because I know He holds the  
future,  
And life is worthwhile living just  
because He lives.

And then one day I'll cross that  
river,  
I'll fight life's final war with Him,  
And then as death gives way to  
victory,  
I'll see the light of glory for I  
know He reigns.

And then in our day, God sent  
His prophet,  
Just as He promised that He  
would send  
To prepare a bride for this end  
time message,  
And Christ in me is there to  
prove that His word still lives.

**I AM THE WAY, THE TRUTH... C**

I am the Way, the Truth and the  
Life  
That's what Jesus said,  
I am the Way, the Truth and the  
Life  
That's what Jesus said.  
Without the Way there is no  
going,  
Without the Truth there is no  
knowing,  
Without the Life there is no living;  
I am the Way, the Truth and the  
Life  
That's what Jesus said.

**HE RESTORETH MY SOUL G**

When I'm low in spirit,  
I cry, "Lord lift me up, I want to  
go higher with thee."  
But the Lord knows I can't live on  
the mountain,  
So He picked out a valley for me.

**CHORUS**

He leads me beside still waters,  
Somewhere in the valley below;  
He draws me aside to be tested  
and tried,  
But in the valley, He restoreth my  
soul.

It's dark like a dungeon and the  
sun seldom shines,  
And I question, "Lord, why must  
this be?"  
But He tells me there's strength  
in my sorrow,  
And there's victory in trials for  
me.

**CAUSE ME TO COME F**

///Cause me to come to Thy river  
Oh Lord;///  
Cause me to come, cause me to  
drink, cause me to live.

///Cause me to drink at Thy river  
Oh Lord///  
Cause me to come, cause me to  
drink, cause me to live.

///Cause me to live at Thy river  
Oh Lord///  
Cause me to come, cause me to  
drink, cause me to live.

///Cause me to live in Thy  
presence, oh Lord///  
Cause me to come, cause me to  
drink, cause me to live.

**A SUPERNATURAL PLACE D**

Lazarus heard a voice though  
dead in the tomb,  
And Samuel heard the same,  
though yet a boy;  
We read of Moses and Paul who  
were changed in their ways,  
They heard the voice of God from  
a supernatural place.

**CHORUS**

Into a supernatural place,  
Hearing God's voice, seeing His  
face,  
Heavenly words of light have  
shone on the bride,  
Oh, what a reflection of glory and  
grace!  
What a reflection of glory and  
grace.

In the dark of night, God sent a  
light,  
To quicken us by the rising of the  
Son;  
Our gloom is passed away,  
We are looking at the day  
Thru eyes that see a supernatural  
place.

**GLORIFY HIS NAME G**

I came to glorify His Name,  
I came to glorify His Name,  
I came to glorify the Name of the  
Lord,  
I came to glorify His Name.

**HE'S STILL WORKING ON ME D**

He's still working on me  
To make me what I ought to be.  
It took Him just a week to make  
the Moon and the Stars, the Sun,  
the Earth and Jupiter and Mars.  
How loving and patient He must  
be,  
He's still working on me.

**HEADING FOR GLORY D**

Sometimes I feel lonely on these  
shores where I wait,  
In this world that You died for  
there's so much evil and hate.  
But my cross gets so heavy and my  
friends, they are so few,  
But Your arms are my shelter and  
my eyes are on You.

**CHORUS**

Heading for glory on a ship coming  
in,  
You know, gone will be our  
heartaches we've had now and  
then.  
Oh, He is coming for His children,  
A crown of life they will wear.  
Heading for glory on a ship coming  
in.

Well you know, soon this battle on  
this earth, it shall end.  
And we long for that country where  
we'll be free from all sin,  
Oh, it seems that I can hear  
shouting and it's coming, it is so  
near,  
Well it can't be much longer,  
Soon that ship will be here.

**IN THE NAME OF JESUS C**

In the Name of Jesus, in the Name  
of Jesus,  
We have the victory,  
In the Name of Jesus, in the Name  
of Jesus,  
Satan will have to flee.  
When we come in the Name of  
Jesus,  
Tell me who can stand before,  
In the precious Name of Jesus,  
We shall have the victory.

**I'M NOT GOING TO REMAIN... Bb**

The devil fought me with thoughts  
That I wasn't of the Bride  
But then God whispered in my ear  
Fear not you are My child  
And in this world I see it's evil  
Hell is poured out on the earth  
And I know with God's assurance  
That this world is not my home

**CHORUS**

I'm not going to remain here  
Very soon I'll be home  
Heavens doors will open for me  
For this world is not my home

So I die within me daily  
Till I see this change in me  
And I'm longing for the day  
That my Jesus I will see  
So I'll trim my lamp  
Lord fill with oil  
My soul is desperate for Thee  
I am waiting, I am homesick  
Lord do this quick short work in  
me

**CHORUS**

I'm not going to remain here  
Very soon I'll be home  
I am waiting, I am homesick  
And I'm longing to go home

So take me up those seven steps  
Till Your image I behold  
In my soul I want to please You  
Lord I ask You purge my soul  
I don't need to speak in tongues  
I just want Your perfect love  
So separate me from all evil  
That will keep me far from home

**CHORUS**

I'm not going to remain here  
Very soon I'll be home  
Lord separate me from all evil  
That will keep me far from home

**CALVARY Gm**

What kind of love is this?  
As he walked up Golgotha hill  
There all eyes was on Him  
The bleeding Lamb, the full Word  
And they mocked Him  
And scorn Him as He walked  
In pain and love He carried the cross

**CHORUS**

Calvary, Calvary  
He walked that dusty road for me  
Calvary, Calvary  
He's no longer dead  
He lives in me

The Word made flesh again  
The Son of Man is reveal in our day  
Same sign and wonders he did  
show  
And still again they crucify the Word  
But we believe Him  
And hold fast to His Word  
To us His mercy He did show

We know the price has been paid  
The Lord is calling us by our name  
Calvary means so much to me  
Every devil in here must flee  
So rejoice with me New Jerusalem  
Soon we'll see the One we love

**AS THE DEER D**

As the deer panteth for the waters  
So my soul longeth after Thee  
You alone are my heart's desire  
And I long to worship You

**CHORUS**

You alone are my strength, my  
shield  
To You alone doth my spirit yield  
You alone are my heart's desire  
And I long to worship you

You're my friend  
And You are my brother  
Even though You are a King  
I love You more than any other  
So much more than anything

**I BELIEVE** **F**

**Genesis chapter 18, verse 14:**  
*Is anything too hard for the Lord?  
 At the time appointed I will return  
 unto thee  
 According to the time of life  
 And Sarah shall have a son.*

Sarah doubted God  
 How could she bring forth a son?  
 When she looked at her state  
 She was barren  
 She thought it could never be  
 done  
 But with God all things are  
 possible  
 And all His promises He will fulfill  
 And it was after she judged Him  
 faithful  
 He proved that His word could  
 never fail

**CHORUS**

I believe His promise to me  
 A body change I will receive  
 I'm casting out fear  
 I'm casting out doubt  
 With God in control  
 There's nothing to worry about  
 I believe, yes I believe  
 His promise to me

Satan you're a liar  
 And you can't condemn me  
 You see I understand  
 It's not what I could do  
 But it's what Jesus did for me  
 And with my God all things are  
 possible  
 And He cannot tell a lie  
 So I'm casting down my  
 reasoning  
 I'm the sinless, spotless bride of  
 Christ

**Genesis chapter 21, verse 1**  
*And the Lord visited Sarah as He  
 had said*

*And the Lord did unto Sarah as  
 He had spoken*

From faith unto faith  
 I rise each day  
 And very soon  
 I know I'll be raptured away  
 I believe  
 Yes I believe  
 His promise to me

\*\*\*\*

**LET US FLY** **D**

Shadrach Meshach and Abed-  
 nego  
 Didn't bow to the image that day  
 And the fire couldn't harm them  
 You appeared and made a way  
 back then  
 Oh and Daniel in the lion's den  
 Kept looking unto You in prayer  
 And the lions couldn't harm him  
 Because You were there

**CHORUS**

Let us fly free in the faith of God  
 Let us soar past our unbelief  
 inside  
 Let us fly past the barriers of sin  
 And teach us Lord to wait on You  
 Because all we want to do  
 Is please You Lord

Fly free in the faith of God  
 Fly up past your doubt and fears  
 Don't look at your condition  
 Know that your battles are  
 already won  
 And there's no need to be afraid  
 Because Jesus could never fail  
 Just trust in Him and His Word  
 obey  
 And He'll make a way

**GLORY TO GOD...** **C**

We are never, never weary of  
 the grand old song;  
 Glory to God, hallelujah!  
 We can sing it loud as ever,  
 With our faith more strong:  
 Glory to God, hallelujah!

**CHORUS**

O, the children of the Lord have  
 a right to shout and sing,  
 For the way is growing bright and  
 our souls are on the wing;  
 We are going by and by to the  
 palace of a King!  
 Glory to God, hallelujah!

We are lost amid the rapture of  
 redeeming love;  
 Glory to God, hallelujah!  
 We are rising on its pinions to  
 the hills above:  
 Glory to God, hallelujah!

We are going to a palace that is  
 built of gold;  
 Glory to God, hallelujah!  
 Where the King in all His  
 splendour we shall soon behold:  
 Glory to God, hallelujah!

There we'll shout redeeming  
 mercy in a glad, new song;  
 Glory to God, hallelujah!  
 There we'll sing the praise of  
 Jesus with the blood-washed  
 throng:  
 Glory to God, hallelujah!

**OH WHAT A JOY** **F**

Oh, what a joy, O what a joy,  
 O what a joy in my soul,  
 It's Jesus on the inside reflecting  
 on the outside,  
 O what a joy in my soul.

O what a love.....  
 O what a peace.....

**WE ARE WELL ABLE** **A**

'Twas the Lord of host that led us  
 out of Egypt's land:  
 And He led us through the Red  
 Sea by His mighty hand,  
 Never halting in the wilderness.  
 But His command  
 Gave us assurance we were  
 able to possess the land.

**CHORUS**

We are able to go up and take the  
 country,  
 And possess the land from Jordan  
 to the sea;  
 And tho giants tall be there our  
 way to hinder,  
 God will surely give the victory.

When the spies brought back the  
 message, this is what they said;  
 "Against giants and walled cities,  
 we cannot be led."  
 But a Caleb and Joshua said,  
 "They'll be as bread:  
 We are able to go up and possess  
 the land-ahead."

When we crossed the river Jordan,  
 in the land we found;  
 Wine and oil, and milk and honey,  
 richest fruits abound;  
 Sparkling fountains, and the  
 showers come upon the ground;  
 We were able, Hallelujah! let  
 God's praise resound.

There's no thirsting for old Egypt,  
 since we're in this way,  
 And we care not what the critics or  
 the ten spies say;  
 For the land abounds in plenty,  
 and we're here to stay.  
 Won't you come and join us,  
 brother, enter in today?

**THANK YOU LORD** **F**

Thank you Lord, for saving my soul,  
 Thank you Lord, for making me  
 whole,  
 Thank you Lord for giving to me  
 Thy great salvation so rich and free.

**I AM COMING, LORD** **D**

I hear Thy welcome voice  
That calls me, Lord, to Thee  
For cleansing in Thy precious blood  
That flowed on Calvary.

**CHORUS**

I am coming, Lord!  
Coming now to Thee!  
Wash me, cleanse me in the blood  
That flowed on Calvary!

Tho' coming weak and vile,  
Thou dost my strength assure;  
Thou dost my vileness fully  
cleanse,  
Till spotless all and pure.

'Tis Jesus calls me on  
To perfect faith and love,  
To perfect hope, and peace, and  
trust,  
For earth and heaven above.

**OLD-TIME POWER** **D**

They were in an upper chamber,  
They were all with one accord,  
When the Holy Ghost descended  
As was promised by our Lord.

**CHORUS**

O Lord, send the power just now,  
O Lord, send the power just now;  
O Lord, send the power just now  
And baptize every one.

Yes, this power from heaven  
descended  
With the sound of rushing wind;  
Tongues of fire came down upon  
them,  
As the Lord said He would send.

Yes, this "old-time" power was  
given  
To our fathers who were true;  
This is promised to believers,  
And we all may have it too.

**VICTORY** **G**

Hallelujah, what a thought!  
Jesus full salvation brought,  
Victory, victory,  
Let the powers of sin assail,  
Heaven's grace can never fail,  
Victory, victory.

**CHORUS**

Victory, {victory,} Yes victory,  
{Yes victory,}  
Hallelujah! I am free,  
Jesus gives me victory,  
Glory, glory, Hallelujah!  
He is all in all to me.

I am trusting in the Lord,  
I am standing on His word,  
Victory, victory.  
I have peace and joy within,  
Since my life is free from sin,  
Victory, victory.

Shout your freedom everywhere,  
His eternal peace declare,  
Victory, victory.  
Let us sing it here below,  
In the face of every foe,  
Victory, victory.

We will sing it on that shore  
When this fleeting life is o'er,  
Victory, victory.  
Sing it here, ye ransomed throng,  
Start the everlasting song:  
Victory, victory.

**I AM DETERMINED** **D**

I am determined, I've made up my  
mind  
I'll serve the Lord.  
I'll leave this world and its  
treasures behind,  
I'll serve the Lord.  
I'll follow wherever He leadeth;  
I'll pasture wherever He feedeth.  
I am determined, I've made up my  
mind,  
I'll serve the Lord.

**LET'S GIVE HIM PRAISE** **F**

So many things  
Jesus has done for us  
So many blessings  
He's still pouring out today  
Even though these lips  
May not be sufficient  
We'll still sing out and glorify His  
name

When storm clouds arise  
When there are stormy skies  
Down in the valley  
Or on the mountain top  
Despite all the conditions  
Under any situation  
Let the name of our Lord be lifted  
up

**CHORUS**

Let's give Him praise  
*Hallelujah all praise to our  
Saviour*  
Let's give Him honour and glory  
and praise  
*Glory and praise*  
Lift your voices and sing  
*Hallelujah*  
Shout your praises to His name  
Give Him honour and glory and  
praise  
*For He alone is worthy to be  
praised*

He is our King  
And we are His people  
And we all know  
That He inhabits praise  
So from the rising of the sun  
To the going down of the same  
We will honour and worship His  
name

There is a land  
Not very far from here  
Where our brothers and sisters  
have gone  
We're just waiting for that  
morning  
When we'll all get together  
Just to magnify and praise our  
Lord

\*\*\*\*

**REMEMBER CALVARY** **G**

There is a peace in Jesus  
When things look so dark  
He is so faithful  
In everything that He do  
When your burden seems so  
heavy  
And you can't go on  
Remember Calvary

**CHORUS**

It is there my Lord was crucified  
It is there he suffered and died  
And by His stripes believe you  
are healed  
So when your burden seems so  
heavy  
Like you can't go on  
Remember Calvary

When they nailed Him on the  
cross  
I was on his mind.  
Who am I?  
That a king should bleed and die  
When I think about Jesus  
And all that He has done  
I remember Calvary

For the mountains shall depart  
And the hill be removed  
But my kindness shall not depart  
from you  
Don't let the things of this world  
Disturb your peace  
Remember Calvary

The love of Jesus is so pure  
That's the reason why we must  
love Him so  
So I will lay down my life as a  
living sacrifice  
Because of Calvary

\*\*\*\*

**WE'RE SHINING** **D**

My Light has come to show me  
my way  
My light has found me and is  
holding me close  
I'm praying and trusting  
Transforming each day  
I've found my Saviour  
He paid the price

**CHORUS**

We're shining  
Yes we're shining  
We're on our way  
Heading upwards we're almost  
there  
Climbing the pyramid day by day  
We're going  
We're on our way

So look up brothers  
Sisters too  
Look up for God's Word is true  
He's getting you ready for your  
house  
Day by day you're no longer  
yours

**BRIDGE**

The hour is late  
And soon darkness will overtake  
But God's little light  
Shall arise and meet Him in the  
sky

We're shining  
Bright like the Son  
We're shining  
For our day has come  
We're shining  
Guided by the Son  
We're shining  
Joining together as one  
We're shining  
We are the children of light  
We're shining  
Shining oh so bright

\*\*\*\*

**LORD YOU'RE WONDERFUL** **G**

I am trying to find the words to say  
How much I really love You Lord  
And I'm trying to find the words  
to say  
How much I really care  
But it seems like words are not  
enough  
To express this love I feel  
You're wonderful  
So wonderful

**CHORUS**

Lord You're wonderful  
In every single way  
More beautiful  
Than words could ever say  
Lord I love You  
And all I want is more of You  
You're wonderful,  
You're beautiful  
And I'm so in love with You  
You are there for me when no  
one's there  
To comfort and protect me  
And you give me strength to  
keep pressing on  
When all my strength is gone  
You died for me upon the cross  
You drive away my fears and  
doubts  
What would I do without You

When I see Your grace and mercy  
And the love that you outpour  
I just can't help but love You Lord  
More and more  
My desire is to please You  
In everything I do  
Take all of me  
Lord please make me just like You

**CHORUS**

You're my everything  
I am nothing without You  
You are my King  
And I just want to say  
Lord I love You  
And all I want is more of You  
You're wonderful  
You're beautiful  
And I'm so in love with You

**BLESSED BE THE NAME** **G**

All praise to him who reigns  
above  
In majesty supreme;  
Who gave his Son for man to  
die,  
That he might man redeem.

**CHORUS**

Blessed be the name, blessed  
be the name,  
Blessed be the name of the Lord;  
Blessed be the name, blessed  
be the name,  
Blessed be the name of the Lord.

(Jesus is the Name...)  
(Magnify His Name...)

His name above all names shall  
stand,  
Exalted more and more,  
At God the Father's own right hand,  
Where angel hosts adore.

Redeemer, Saviour, Friend of  
man  
Once ruined by the fall;  
Thou hast devised salvation's  
plan,  
For Thou hast died for all.

His name shall be the Counselor,  
The mighty Prince of Peace,  
Of all earth's kingdoms Conqueror,  
Whose reign shall never cease.

**THANK YOU LORD** **F**

Thank you Lord,  
Thank you Lord,  
Thank you Lord,  
I just want to thank you,  
I just want to thank you,  
I just want to thank you, Lord.

Praise you Lord,  
Praise you Lord,  
Praise you Lord,  
I just want to praise you,  
I just want to praise you,  
I just want to praise you, Lord.

**WHITER THAN THE SNOW** **D**

Blessed be the Fountain of blood,  
To a world of sinners revealed;  
Blessed be the dear Son of God;  
Only by His stripes we are healed.  
Though I've wandered far from  
His fold,  
Bringing to my heart pain and woe,  
Wash me in the blood of the Lamb,  
And I shall be whiter than snow.

**CHORUS**

Whiter than the snow!  
Whiter than the snow!  
Wash me in the blood of the Lamb,  
And I shall be whiter than snow.

Father, I have wandered from  
Thee,  
Often has my heart gone astray;  
Crimson do my sins seem to me  
Water cannot wash them away.  
Jesus, to that Fountain of Thine,  
Leaning on Thy promise, I go;  
Cleanse me by Thy washing  
divine,  
And I shall be whiter than snow.

**IT'S COMING DOWN, DOWN** **F**

It's coming down, down, down,  
It's coming down,  
And the Glory of the Lord is  
coming down.  
When the saints begin to pray,  
For the Lord to have His way,  
And the Glory of the Lord is  
coming down.

**IN THE BLOOD OF CHRIST** **C**

In the blood of Christ my Lord,  
In the blood of Christ my Lord,  
In the blood of Christ my Lord,  
We have the victory.  
We have the victory!  
We have the victory!  
We have the victory!  
In the blood of Christ my Lord.

**ARE YOU WASHED IN BLOOD G**

Have you been to Jesus for the  
cleansing pow'r?  
Are you washed in the blood of  
the Lamb?  
Are you fully trusting in His grace  
this hour?  
Are you washed in the blood of  
the Lamb?

**CHORUS**

Are you washed in the blood,  
In the soul-cleansing blood of the  
Lamb?  
Are your garments spotless?  
Are they white as snow?  
Are you washed in the blood of the  
Lamb?

Are you walking daily by the  
Saviour's side?  
Are you washed in the blood of the  
Lamb?  
Do you rest each moment in the  
Crucified?  
Are you washed in the blood of the  
Lamb?

When the Bridegroom cometh, will  
your robes be white,  
Pure and white in the blood of the  
Lamb?  
Will your soul be ready for the  
mansions bright  
And be washed in the blood of the  
Lamb?

Lay aside the garments that are  
stained with sin,  
And be washed in the blood of the  
Lamb.  
There's a fountain flowing for the  
soul unclean,  
Oh, be washed in the blood of the  
Lamb.

**ANOINTING FALL ON ME C**

Anointing, fall on me,  
Anointing, fall on me.  
Let the power of the Holy Ghost  
Fall on me,  
Anointing, fall on me.

**LEAVE IT THERE G**

If the world from you withhold of its  
silver and its gold,  
And you have to get along with  
meagre fare,  
Just remember, in His Word, how  
He feeds the little bird;  
Take your burden to the Lord and  
leave it there.

**CHORUS**

Leave it there, leave it there,  
Take your burden to the Lord and  
leave it there;  
If you trust and never doubt, He  
will surely bring you out;  
Take your burden to the Lord and  
leave it there.

If your body suffers pain and your  
health you can't regain,  
And your soul is almost sinking in  
despair,  
Jesus knows the pain you feel,  
He can save and He can heal;  
Take your burden to the Lord and  
leave it there.

When your enemies assail and  
your heart begins to fail,  
Don't forget that God in heaven  
answers prayer;  
He will make a way for you and will  
lead you safely through;  
Take your burden to the Lord and  
leave it there.

When your youthful days are gone  
and old age is stealing on,  
And your body bends beneath the  
weight of care;  
He will never leave you then, He'll  
go with you to the end;  
Take your burden to the Lord and  
leave it there.

**SHINE ON ME F**

Shine on me, Lord, shine on me,  
Let the Light from the Lighthouse  
shine on me;  
Shine on me, Lord, shine on me,  
Let the Light from the Lighthouse  
shine on me.

**HE'S MY LORD F#m**

I realized that I'm one of the few  
Chosen to run in this race  
And I found out that it's not what  
I do  
But it was only by grace

**CHORUS**

He's my Lord, He's my treasure  
He's one of a kind  
By His own He was rejected  
Now Jesus is mine  
And I won't trade Him for diamonds  
Neither silver nor gold  
Because Jesus is the treasure in  
my soul  
Jesus is the treasure in my soul

He brought me out from a dark  
world of sin  
I was so lost and so blind  
He told me that I am now part of  
Him  
Sharing in His love divine

**CHORUS**

I am so thankful for His precious  
grace  
My heart will always rejoice  
His tender mercy I now can  
embrace  
I'm glad He made me His choice

**CHORUS****BRIDGE**

Not for all the precious diamonds  
Not for silver or gold  
Not for all the pretty jewels  
Neither rubies nor pearls  
Not for fame and not for fortune  
Nor the riches of this world  
Because Jesus is the treasure in  
my soul  
Jesus is the treasure in my soul (2x)

**WE SEE THE RISEN CHRIST Am**

We've seen the rising of the Son  
And we have risen with the risen  
One  
God's seeds have come to life  
By the message of Malachi 4:5  
And we are standing here  
To testify  
Our God's not dead  
He's alive  
We've seen the risen Christ  
He lives in you and I

We've seen the rising.....

Jesus is here  
He's riding this trail again  
Jesus is here  
We've seen Him raise the dead  
Jesus is here  
He's breaking the bread  
We see Him working through His  
bride  
Day by day He's our guide  
This is why we testify  
We see the risen Christ

We've seen the rising.....

Jesus is alive  
We've seen Him on Sunset  
Mountain  
Jesus is alive  
Seven angels have descended  
Jesus is alive  
Seven seals have been revealed  
Jesus is alive  
By His stripes we were healed  
Jesus is alive  
He has sent a prophet to us

Oh death tell me where's thy  
sting  
Oh grave where's thy victory  
And hell you've been conquered  
We see the risen Christ

We've seen the rising.....

**AS WE ENTER IN YOUR... Bb**

I desire to seek You oh Lord  
And to dwell in Your house  
To behold the beauty of You Lord  
To manifest the living God

**CHORUS**

As we enter  
In Your presence oh God  
And praise Your name  
Oh Lord most High  
As we lift You up  
May You fill us oh Lord  
As we give to You  
Our worship and praise

Isn't He Almighty God?  
And the Great I am  
Who deliver us  
From the enemy's hands  
So we come to You  
To give You thanks

**BRIDGE**

So fill us now  
With Your Presence oh Lord  
As we lift Your name on high (2X)

**WE MUST RISE UP D**

We must rise up  
And complete the job  
Keep our eyes fixed  
Upon the prize  
Refuse to be compromised  
By the enemy  
We must rise  
We must rise  
We must rise

We must rise up  
Over the horizontal realm  
We must rise up  
To our theophany  
To meet our Saviour  
Way up high  
We must rise  
We must rise  
We must rise

To the churches wide  
We say shalom  
Shalom, shalom, shalom

**HOLY IS THE LAMB C**

We come before Your face  
Knowing by Your saving grace  
The Lamb was slain  
A sacrifice was made  
Now the veil is rent in twain  
And we can come again  
Into Your presence  
To glorify Your name

**CHORUS**

With our voices we sing  
A new song to our King  
Singing holy  
Holy is the Lamb  
With our hands lifted up  
We will praise and shout  
For he alone  
Is worthy to be praised  
He is worthy  
Worthy to be praised

As we come into Your house  
We'll sing and we'll rejoice  
Oh Thou most high  
Your name we glorify  
We will praise You night and day  
We will praise You come what  
may  
And though we're small  
To You we give our all

**BRIDGE**

We will praise Him in the lowest  
valley  
We'll praise Him on the  
mountaintop  
Cause we know that when we  
praise the Lord  
We get lifted up  
Hosanna in the highest  
Blessed be His name  
Glory to the King of kings  
For He has done great things

**COME TO THE FEAST G**

"All things are ready," come to  
the feast!  
Come, for the table now is  
spread;  
Ye famishing, ye weary, come,  
And thou shall be richly fed.

**CHORUS**

Hear the invitation,  
Come, "whosoever will;"  
Praise God for full salvation  
For "whosoever will."

"All things are ready," come to the  
feast!  
Come, for the door is open wide;  
A place of honour is reserved  
For you at the Master's side.

"All things are ready," come to the  
feast!  
Come, while He waits to welcome  
thee;  
Delay not while this day is thine,  
Tomorrow may never be.

"All things are ready," come to the  
feast!  
Leave every care and worldly strife;  
Come, feast upon the love of God,  
And drink everlasting life.

**THE JOY OF THE LORD C**

The joy of the Lord is my strength,  
The joy of the Lord is my strength,  
The joy of the Lord is my strength,  
The joy of the Lord is my strength.

He gives me living water and I  
thirst no more,  
He gives me living water and I  
thirst no more,  
He gives me living water and I  
thirst no more,  
The joy of the Lord is my strength.

The word of the Lord  
Is my strength.....

**SOMETHING GOOD F**

I just feel like something good is  
about to happen,  
I just feel like something good is  
on its way;  
He has promised that He'll open  
all of heaven,  
And brother this could be that  
very day,  
When God's people humble  
themselves and call on Jesus;  
And they look to heaven  
expecting as they pray,  
I just feel like something good is  
about to happen;  
And brother this could be this  
very day.

I have learnt in all that happens  
just to praise Him,  
For I know He's working all  
things for my good,  
Every tear I shed is worth the  
investment,  
For I know He will see me  
through,  
He said He would;  
He had promised eye or ear  
could hardly fathom,  
All the things He has in store for  
those who pray,  
I just feel like something good is  
about to happen and brother this  
could be the very day.

Yes, I've noticed all the bad news  
in the papers,  
And it seems like things are getting  
bleaker every day,  
But for the child of God it makes  
no difference,  
Things are gonna get better any  
way,  
I have never been thrilled about  
tomorrow,  
Sunshine always bursting through  
the cloud of gray,  
I just feel like something good is  
about to happen,  
And brother this could be the very  
day.

**SIGNS OF THE TIMES** **D**

Years of time have come and gone  
 Since I first heard it told,  
 How my Jesus would come to earth again,  
 If back then it seemed so real,  
 Then I just can't help but feel  
 How much closer  
 His coming is today.

**CHORUS**

Signs of the times are everywhere,  
 And there's a brand new feeling in the air,  
 Keep your eyes upon the Eastern skies,  
 Lift up your head,  
 Redemption draweth nigh.

Wars and strife on every hand,  
 And violence fills our land,  
 Still some people doubt  
 That He would come again,  
 But the word of God is true  
 He redeemed you chosen few,  
 Don't lose hope,  
 Soon Christ Jesus will descend.

**I LOVE YOU LORD TODAY** **F**

I love You! I love You! I love You  
 Lord today!  
 Because You cared for me,  
 In such a special way.  
 Yes, I'll praise You; I'll lift You up,  
 And I'll magnify Your Name!  
 That's why my heart is filled with praise.

My heart, my heart,  
 My soul belongs to You,  
 You paid the price for me,  
 Way back on Calvary.  
 Yes, I'll praise You; I'll lift You up,  
 And I'll magnify Your Name!  
 That's why my heart is filled with praise.

**UNTIL THEN** **F**

My heart can sing when I pause to remember,  
 A heartache here is but a stepping stone  
 Along the trail that's winding always upward,  
 This troubled world is not my final home.

**CHORUS**

But until then, my heart will go on singing,  
 Until then, with joy I'll carry on.  
 Until the day mine eyes behold the city,  
 Until the day God calls me home.

The things of earth will dim and lose their value,  
 If we recall, they're borrowed for awhile  
 And things of earth that cause the heart to tremble  
 Remembered there, will only bring a smile.

This weary world with all its toil and struggle,  
 May take its toll of misery and strife,  
 The soul of man is like a waiting eagle  
 When it's released, it's destined for the sky.

**THE BLOOD PREVAILS** **F**

The blood prevails,  
 The blood of the bleeding Lamb,  
 Has power to save,  
 Just like the olden days,  
 The blood prevails,  
 No matter what the devil says,  
 Thank God the blood prevails.

Praise God for the cleansing blood,  
 Praise God for the cleansing blood,  
 Praise God for the cleansing blood,  
 That washes white as snow.

**OVERCOMERS** **A**

Seasons change, new life springs forth  
 Showing signs of resurrection  
 The germ of faith lay dormant in your soul  
 It's now growing to perfection  
 The challenges you face  
 Are not worthy to be compared with the glory He sees in you  
 Because you've kept the faith  
 A stranger did not follow  
 You believe in who was sent

**CHORUS**

Over-comers, over-comers  
 You've wrestled with the angel  
 Till He changed your name  
 Over-comers over-comers  
 Your life depict the scriptures  
 See God is still the same  
 As He was yesterday

Living epistles read of all men  
 Prisoners for Jesus  
 You hold this mystery so dear to your heart  
 It's now becoming tangible  
 No longer words on a page  
 But a living reality  
 God expressed in you  
 Because you know who you are  
 You'll triumph over darkness  
 You'll triumph over fear

**BRIDGE**

And as you're walking your life depict the scripture  
 We know the mystery of God is Christ in you  
 And when you're speaking you speak with revelation  
 Revelation 10: 8 to 11  
 That's who you are

**CHORUS**

Overcomers, over-comers  
 Refuse to let the devil rise  
 And shake you from your place  
 Overcomers, over-comers  
 Your life depicts the scriptures  
 See God is still the same  
 as he was yesterday

**WE WILL MAKE IT THROUGH** **C**

Thank God I understand when I wake up every morning  
 And the devil comes to me and he tells me I'm not bride  
 Tells me I won't make it  
 I don't have what it takes  
 Look at what you have done  
 Look at your mistakes  
 But praise be to God for the precious blood He shed  
 On Calvary for a sinner like you and me  
 So when your enemy comes to take away your faith  
 Point him back to Calvary where the price was paid

**CHORUS**

If we weren't meant to be bride  
 We wouldn't hear these secret things  
 We won't be still standing here  
 Serving God with our everything  
 Didn't He promise us a new body change  
 Can you feel it now  
 It is your theophany  
 There's a voice inside of me  
 saying we'll be leaving soon  
 So press on by the grace of God  
 And we will make it through

There is a place prepared for you and me  
 It's called our future home  
 Where we'll live eternally  
 And though the battle here is raging  
 With eyes of faith I see  
 The bride of Christ, New Jerusalem  
 Oh what a glorious city  
 Nothing is going wrong saints  
 Just stand still and see  
 The mighty hand of Jehovah God  
 In the lives of you and me

**THE ACCESS** **D**

What is it with the secret of the access which Abel found  
When man was lost and fell away from God  
This shepherd brought a sacrifice of blood  
The tree of life by then was sealed  
But as he approached he held the key  
That opened up the way to God  
He could have fellowship  
With the father once more

What is it with this secret  
Enoch caught the revelation of  
That he built the pyramid  
Encrypting things for ages to come  
This way through blood revealed to him  
Seven steps to the chamber of the king  
He walked with God and was not found  
He transcended dimensions

It was the same access shown in Jacob's dream  
The gate to heaven to him was revealed  
Angels passing to and from with messages for the redeemed  
Oh what great value is the access given you and me  
The secret of the access (3x)

What is it with the secret of the access Paul unveiled  
He showed that lamb was Jesus Christ  
How He became our perfect sacrifice  
And the work done on the cross  
Completely redeemed Adam's race that was lost  
Access by faith into this grace  
We now have peace  
With the father once more

What is it with the secret of the access our prophet had  
That formed him in the image again  
The stature of a perfect man  
The spoken word made manifest  
Was displayed as evidence  
Seven seals opened up the way  
Bringing man across the chasm again

We gained this access when the cycle returned  
By Him decrypting to us the language unknown  
Entrance ministered abundantly  
The pathway to glory is clearly seen  
Angelic ministry initiated us into this mystery

**BRIDGE**

The secret of the access which Abel found  
He brought a lamb  
The secret Enoch caught a revelation of  
Transcending dimensions  
Job's channel of communication he got by inspiration  
I have heard but now I see  
The access Abraham received  
Was bread and wine from King Theophany  
The secret of the access in Jacob's dream highway to heaven  
Moses used this access and the Red Sea was opened  
The secret of the access Joshua found  
He spoke and stopped the sun  
The secret of the access through sacrifice  
Elijah brought the rain  
In God's library Daniel's saw the king's dream  
Prayer and faith was the access key  
The secret of the access Paul unveiled  
The perfect sacrifice  
The secret of the access Brother Branham had  
Spoken word created squirrels  
The secret of the access Hattie Wright received  
She struck the channel God responded  
The secret of the access Revelation 10:7 had  
The secret of the access Revelation 10: 8-11 has

The secret of the access that we have  
The secret of the access  
Oh what great value is the access given you and me  
The secret of the access

**I SEE A CRIMSON STREAM** **F**

On Calvary's hill of sorrow  
Where sin's demands were paid,  
And rays of hope for tomorrow  
Across our path were laid.

**CHORUS**

I see a crimson stream of blood,  
It flows from Calvary,  
Its waves which reach the throne of God,  
Are sweeping over me.

Today no condemnation  
Abides to turn away  
My soul from His salvation,  
He's in my heart to stay.

When gloom and sadness whisper  
You've sinned, no use to pray;  
I look away to Jesus,  
And He tells me to say:

And when we reach the portal  
Where life forever reigns,  
The ransomed hosts grand final  
Will be this glad refrain.

**HE IS ALL I NEED** **A**

He is all I need, He is all I need,  
Jesus is all I need.  
He is all I need, He is all I need,  
Jesus is all I need.

I'll take Him now....

I'll worship Him...

**HE'S THE LORD OF GLORY** **F**

He's the Lord of glory,  
He is the great I AM,  
The Alpha and Omega,  
The Beginning and the End;  
His name is Wonderful,  
The Prince of Peace is He,  
The Everlasting Father,  
Throughout Eternity.

**READY TO LEAVE** **G**

Some folks are building homes  
down here and planning ahead,  
So busy with their fortunes,  
They forget what Jesus said,  
About the wars and earthquakes,  
And the fig tree budding leaves,  
But there's a group of people  
getting ready to leave.

**CHORUS**

Ready to leave in the twinkling of an eye,  
Making investments in the bank up in the sky,  
Happy preparations, not a reason to grieve.  
Are you in that number getting ready to leave?

Sinner, what's the reason for your needless delay?  
While you're hesitating Christ could come just any day.  
Heed the Saviour calling, make your way to Calvary,  
And get in that number getting ready to leave.

**I KNOW IT WAS THE BLOOD** **F**

I Know it was the blood, I know it was the blood,  
I know it was the blood for me;  
One day when I was lost, He died upon the cross,  
I know it was the blood for me.

**JESUS IS ALIVE** **F**

Jesus is alive,  
He has the power over you and I,  
He has the power over death and the grave,  
Jesus is alive.

**YESTERDAY, FOREVER G**

Oh, how sweet the glorious message,  
Simple faith may claim;  
Yesterday, today, forever,  
Jesus is the same.  
Still He loves to save the sinful,  
Heal the sick and lame;  
Cheer the mourner, still the tempest;  
Glory to His name.

**CHORUS**

Yesterday, today, forever,  
Jesus is the same;  
All may change, but Jesus never!  
Glory to His name.  
Glory to His name,  
Glory to His name;  
All may change, but Jesus never!  
Glory to His name.

He who was the friend of sinners,  
Seeks thee, lost one, now;  
Sinner, come, and at His footstool  
penitently bow.  
He who said, "I'll not condemn thee,  
Go and sin no more;"  
Speaks to thee that word of pardon,  
As in days of yore.

Off on earth He healed the sufferer  
By His mighty hand;  
Still our sicknesses and sorrows  
Go at His command.  
He who gave His healing virtue,  
To a woman's touch;  
To the faith that claims His fullness,  
Still will give as much.

He who pardoned erring Peter,  
Never need'st thou fear;  
He that came to faithless Thomas,  
All thy doubt will clear.  
He who let the loved disciple  
On His bosom rest,  
Bids thee still, with love as tender,  
Lean upon His breast.

He who 'mid the raging billows,

Walked upon the sea;  
Still can hush our wildest tempest,  
As on Galilee.  
He who wept and prayed in anguish,  
In Gethsemane,  
Drinks with us each cup of trembling,  
In our agony.

As of old He walked to Emmaus,  
With them to abide;  
So through all life's way He walketh,  
Ever near our side.  
Soon again we shall behold Him,  
Hasten, Lord, the day!  
But 'twill still be "this same Jesus,"  
As He went away.

**THE OLD-TIME RELIGION F**

It's the old-time Holy Spirit,  
And the devil won't go near it,  
That's the reason people fear it;  
But it's good enough for me.

**CHORUS**

Give me that old-time religion,  
Give me that old-time religion,  
Give me that old-time religion,  
It's good enough for me.

It will make you stop your lying;  
It will save you when you're dying,  
It will start the devil flying;  
And it's good enough for me.

It's so good I want no other,  
For It makes me love my brother;  
And it brings things from under cover,  
And it's good enough for me.

(It was good in the fiery furnace...)  
(It was good for Paul and Silas...)  
(It was good for Bro. Branham...)

**BRING BACK HAPPY DAYS C**

Bring back those happy, those happy days,  
When the Holy Spirit fell every place,  
And the love of God showed on every face,  
Bring back those happy days.

**WE ARE LIKE JOSEPH D**

Joseph was a little boy  
A little boy was he  
When his brothers hating him  
Sold him into slavery  
And though everything seemed to go wrong  
He knew God had a plan  
So on the unfailing Word of God he did stand

**CHORUS**

We are like Joseph, a fruitful tree  
Christ is living in you and me  
And though we are tested and we're tried  
We won't be turned aside, Oh no  
And though the enemy  
Comes in like a flood  
We see our end before us  
So we will not compromise  
We'll keep our eyes  
On the prize

We serve a mighty God  
And He gives us faith to stand  
And in a world that's cold and dark  
He's holding to our hands  
And though sometimes  
Every thing seems wrong  
We know God has a plan  
So on the unfailing Word of God  
Here we stand

**CHORUS****BRIDGE**

Our branches run over the wall  
Into every nation  
And though the archers hate us  
And shoot at us  
We know the battle is won

\*\*\*\*

**BORN FREE B**

I stood in the barnyard looking around  
At the chickens picking on the ground  
And something inside kept telling me  
I was not earthbound  
Then one day I heard my mama scream  
What's the matter with you  
Why do you live in a dream  
You are an eagle  
You were born to fly

**CHORUS**

Now I'm flying where no other bird can fly  
In a supernatural atmosphere high in the sky  
Seeing things that I've never seen  
He is taking me places I've never been  
And the higher I go is the more I see  
I'm now living in the reality  
I'm an eagle  
I was born free

Higher and higher I rise each day  
I'm rising to a perfect faith  
Rising on a mighty rushing wind  
Rising above the rhythm of the music  
Rising above the clapping of hands  
Rising above the joy of the saints

**BRIDGE**

The devil tried his best to cage and deceive me  
But then God sent His Word to me  
He delivered me  
And he's given me a law inside to fly  
And soon I'll soar through heaven's door

**EVEN SO COME LORD JESUS... A**

Modern event have become clear by  
vindicated prophecies  
History is repeating itself on the  
earth  
God and man are being united  
Ahab and Jezebel they are married  
Church and politics mixed together  
As written in the Fourth seal  
The world has rejected the voice  
Of its messenger for the last days  
They have sat and drank and  
eaten the food  
Served from Jezebel Rome  
But in the days when the towers fall  
When God judges Ahab for his sins  
Who is able to make war against  
Jezebel's false religion  
There must be a people like  
Micaiah  
Who'll look back to Elijah's word  
And though the system comes to  
steal their lives  
They can't deny God's word  
And they will say

**CHORUS**

Even so come Lord Jesus  
Even so come Lord  
Even so come Lord Jesus  
Even so come Lord Jesus

The world again is falling apart  
And the signs are everywhere  
Signs of famine, wars and  
pestilence  
As men's heart fail for fear  
Disobedience brought their  
judgment  
And rejection brought their curse  
Yet once again man crucify the  
seed of God on earth  
And there shall be another  
performance  
Of all diabolical cunningness  
and cruelty

As the vesture drips with blood  
Yet the word must be fulfilled  
And in the days when the towers  
fall  
And the white horse rider rides  
And the beast is given power  
To steal kill and destroy  
Yet there is a mighty people  
Walking with the faith of God  
Faith for healing faith for power  
And translation in this hour

**I'LL PAY THE PRICE D**

Talk about heaven, we sing  
about theophanies  
We want to change dimension  
Lord how we long for our new  
bodies  
And there's a price I must pay  
The cost is neither riches nor  
gold  
All I have is my life that I want  
you to mold

**CHORUS**

I give my life, I'll pay the price  
Just to be close to you, Lord let  
me die  
Full surrender, laying it all on the  
altar  
Just to be more like you  
I'll pay that price

Sweet Holy Spirit come now and  
fill me  
And take away anything  
That you know would hinder me  
Though many times I'm weak in  
my body  
And I suffer so much pain  
All I want is to be completely  
sold out to Him

**BRIDGE**

We know that in death is victory  
Yes it will be worth it all  
When I stand in glory  
So take all of me

**GOD RICH IN MERCY D**

This world was lost and so  
undone,  
Just look at what sin has done,  
Believing the lie Satan told to  
Eve that day,  
Throwing this world in total  
despair,  
East of Eden no longer to bear,  
And they can see driven from  
God,  
What sin has done.

**CHORUS**

God, rich in mercy, God, rich in  
mercy,  
Sent us His Son,  
We were undone,  
God, rich in mercy.  
God, rich in grace, God, rich in  
love,  
Sent us the best from Heaven  
above,  
Saying to all men today,  
God's rich in mercy, God's rich in  
mercy.

A prophet God sent to restore  
His Word,  
As it's recorded in Malachi 4,  
Behold! I will send to you Elijah  
before that day,  
What sin destroyed, I will restore,  
Proving to men God keeps His  
word,  
Now they can see what I've  
revealed,  
I'm rich in mercy, I'm rich in  
mercy.

**SPIRIT OF THE LIVING GOD D**

Spirit of the living God, fall fresh on  
me;  
Spirit of the living God, fall fresh on  
me;  
Break me! Melt me! Mould me! Fill  
me!  
Spirit of the living God, fall fresh on  
me.

**WHO AM I? A**

When I think of how He came so  
far from glory,  
Came to dwell amongst the lowly  
such as I,  
To suffer shame and such  
disgrace,  
On Mt. Calvary take my place,  
Then I ask myself the question,  
Who am I?

**CHORUS**

Who am I that a king would  
bleed and die for?  
Who am I that He would pray  
"not my will but thine Lord?"  
The answer I may never know,  
Why He ever loved me so,  
But to an old rugged cross to go,  
Who am I?  
When I'm reminded of His Word,  
'I'll leave thee never,  
Just be true, I'll give to you a life  
forever,'  
I wonder what I could have done,  
To deserve God's only Son  
To fight my battles till they're  
won,  
Who am I?

445

**WHO I AM? A**

O glorious victory, that day He  
set me free,  
And made my heart, His very  
throne;  
My life is no longer mine,  
I'm a prisoner of love divine;  
And now I live to praise His  
Name.

**CHORUS**

Who I am Lord? Who I am?  
I can see now who I am,  
A part of my Saviour, a part of His  
Word,  
It's a revelation, of who I am.

On Calvary He died, to redeem His  
lost Bride;  
The King of kings became my  
Saviour.  
This is God's great mystery,  
Of love expressed to me,  
That Christ and I might be made  
one.

**IT IS TRULY WONDERFUL A**

He pardoned my transgressions,  
He sanctified my soul,  
He honours my confessions,  
Since by His blood I'm whole.

**CHORUS**

It is truly wonderful what the Lord  
has done!  
It is truly wonderful! it is truly  
wonderful!  
It is truly wonderful what the Lord  
has done!  
Glory to His name.

He keeps me every moment,  
By trusting in His grace,  
'Tis thro' His blest atonement,  
That I may see His face.

He brings me through afflictions,  
He leaves me not alone;  
He's with me in temptation,  
He keeps me for His own.

He prospers and protects me,  
His blessings ever flow;  
He fills me with His glory,  
He makes me white as snow.

He keeps me firm and faithful,  
His love I do enjoy,  
For this I shall be grateful,  
And live in His employ.

There's not a single blessing,  
Which we receive on earth,  
That does not come from  
heaven,  
The source of our new birth.

**LET'S TALK ABOUT JESUS F**

Let's talk about Jesus,  
The King of kings is He,  
The Lord of lords Supreme  
Throughout Eternity,  
The great I AM, the Way,  
The Truth, the Life, the Door;  
Let's talk about Jesus  
More and more.

**HE IS JEHOVAH Em**

He is Jehovah, God of creation.  
He is Jehovah, Lord God Almighty.  
The balm of Gilead, The Rock of  
ages,  
He is Jehovah, the God that  
healeth thee.

Abraham,  
Jehovah Shalom, the God of  
peace, I AM,  
The God of Israel, the everlasting

healeth thee.

healeth thee.

He is Jehovah Nissi, our banner,  
The great El Shaddai the strength-

The mighty Conqueror, strong in  
battle,  
He is Jehovah the God that  
healeth thee.

He's your Provider, Jehovah Jireh,  
God of salvation, God of Messiah,  
The Son He sent to you and  
testified of Him,  
He is Jehovah, the God that  
healeth thee.

**CHORUS**

Sing hallelujah, sing hallelujah!  
Sing hallelujah, sing hallelujah!  
He is Jehovah, Lord God Almighty,  
He is Jehovah, the God that  
healeth thee.....

**I LOVE HIM BETTER F**

I love Him better everyday,  
I love Him better everyday,  
Close by His side, I will abide.  
I love Him better everyday.

**THANK YOU LORD D**

I saw the S-u-n go down yesterday  
And in it's place darkness appeared  
I saw the grains of wheat  
awaiting the Sun's return  
Without the promise of the Sun light  
They know they'll surely die  
And after time and time had passed  
I saw a little sunlight at last  
A little more, then a little more  
Then a little more sunlight than before  
But at the breaking of a brand new  
dawn  
I saw the fullness the risen Son  
I remember what God had done for  
me  
When He took my sins to Calvary  
Thank you for a faithful resurrection  
Oh what a blessed consolation  
When I found nothing of worth in me  
You broke the seals of Calvary

**CHORUS**

Amazing Grace how sweet the song  
I was lost but now am found  
And there is nothing going wrong  
Thank you Lord  
For the rising of the Son

I saw the S-o-n go down at Nicea  
Rome  
Before Paul left at Ephesus  
He said there'll appear grievous  
wolves  
The serpent found a way to  
break the Son's influence  
He preached his doctrines of lies  
So down and down the gospel went  
He showed a little light in Smyrna  
And many saw Him at Pergamos  
But less light in Thyatira age  
And Luther saw him in Sardis age  
It was 1750 a man by the name  
John Wesley  
He saw a little Son-light in  
Philadelphia

And many saw it at Laodicea  
But at the breaking of a brand  
new dawn  
The Son came clothed in a Cloud  
With one foot on sea and one on  
land

The fullness of the Son was in  
the Son of man  
Thanks for Revelation 10-7  
That man called William Branham  
He took the mystery of the risen Son  
To every kindred and nation

**CHORUS**

Amazing Grace how sweet the  
song  
They that were lost then they  
were found  
He gave the blind the eyes to see  
And they were thankful  
For the rising of the Son

The Son rose in Trinidad one day  
June the 3rd at Cocoyea  
To God's servant at evening time  
The fullness of the Son light  
began to shine  
Saying it's no longer a one-man  
ministry  
The Son is risen in you and me  
Revelation 10: 8-11 to you the  
Son light was given  
And at the breaking of a brand new  
dawn  
We were called out by the risen Son  
We have the Son in reality  
We have our own testimony  
We saw the Son rose in Guyana,  
Tobago, St. Vincent, Grenada,  
St. Kitts, Dominica, St. Lucia  
And someday it will rise in Antigua

**CHORUS**

Amazing Grace how sweet the Song  
We were lost now but now we're  
found  
He broke the bondage upon our  
lives  
And present us as the Lamb's wife

**CHORUS**

Amazing grace how sweet the song  
We were lost but now we're found  
He broke the seals upon our lives  
And present us as the Lamb's wife

**CHORUS**

Amazing grace how sweet the song  
We were lost but now we're found  
He's given us the eyes to see  
That we're the Son's beneficiaries

**LORD COME** **C**

In the days when the Roman  
empire is revived  
And the beast is given power  
In the time of economic wars and  
strife

I set my face towards heaven  
T'was at that time that I heard for the  
angel in the pulpit  
Saying arise Oh Daniels  
Seven Church Ages are all gone  
The gentile days are over  
Arise and do you work

So I press towards the mark  
Of the high calling in Christ  
With my eyes fixed on the prize  
I can't afford to compromise

**CHORUS**

So I cry Lord (Lord come)  
Nations now are breaking (Lord  
come)  
Signs of judgments falling (Lord  
come)  
How do I make it through the night  
(Lord come)  
And I cry Lord (Lord come)  
The enemy's approaching (Lord  
come)  
I need Your Holy Spirit (Lord  
come)  
I want to see the vision right  
(Lord come)  
I need a manifested life

Yea do I walk through the valley  
of death  
I shall fear no evil  
For I know when the enemy  
comes like a flood  
I'm raise as a standard

And though I see many fall to my  
left and my right  
I'm focused on the vision  
I will not be defiled with the meat  
of the king  
My God sustained me  
And he will deliver me

And I press toward the mark of  
the high calling in Christ  
With my eyes fixed on the prize  
Can't afford to compromise

**CHORUS**

And I cry Lord (Lord come)  
Nations now are breaking  
(Lord come)  
Israel is awakening (Lord come)  
The pale horse riders rules the  
land (Lord come)  
And I cry Lord (Lord come)  
I need your Holy Spirit (Lord  
come)  
I need to know your will in me  
(Lord come)  
I want to see the vision right  
(Lord come)  
Give me a manifested life

And I cry Lord (Lord come)  
I see genocide and warfare(  
Lord come)  
Men's hearts are failing for fear  
(Lord come)  
Let our lamps be filled and clear  
(Lord come)  
And I cry Lord (Lord come)  
Soon I'll leave this body (Lord  
come)  
That's constantly against me  
(Lord come)  
And very soon I'll take my flight  
(Lord come)  
Till then I'm running for my life

**HONEY IN THE ROCK** **D**

O my brother, do you know the  
Saviour,  
Who is wondrous, kind and true?  
He's the "Rock of your salvation!"  
There's Honey in the Rock for you.

**CHORUS**

Oh, there's Honey in the Rock, my  
brother,  
There's Honey in the Rock for you;  
Leave your sins for the blood to  
cover,  
There's Honey in the Rock for you.

Have you "tasted that the Lord is  
gracious?"  
Do you walk in the way that's new?  
Have you drunk from the living  
Fountain?  
There's Honey in the Rock for you.

Do you pray unto God the Father,  
"What wilt Thou have me to do?"  
Never fear He will surely answer;  
There's Honey in the Rock for you.

Then go out through the streets  
and byways,  
Preach the Word to the many or  
few;  
Say to every fallen brother,  
There's Honey in the Rock for you.

**THIS IS THE JUBILEE** **Dm**

This is the year of jubilee,  
When the lame shall walk,  
And the blind shall see,  
And the Lord will set the captive  
free,  
This is the year of jubilee

Jerusalem, Jerusalem,  
Jerusalem, Jerusalem,  
Jerusalem, Jerusalem,  
Jerusalem, Jerusalem.

Shalom, Shalom!  
Shalom, Shalom!  
Shalom, Shalom!  
Jerusalem, Jerusalem.

**WHERE HE LEADS ME** **D**

I can hear my Saviour calling,  
I can hear my Saviour calling,  
I can hear my Saviour calling,  
"Take thy cross, and follow,  
follow Me."

**CHORUS**

Where He leads me I will follow,  
Where He leads me I will follow,  
Where He leads me I will follow,  
I'll go with Him, with Him all the  
way.

I'll go with Him through the garden,  
I'll go with Him through the garden,  
I'll go with Him through the garden,  
I'll go with Him, with Him all the way.

I'll go with Him through the  
judgement,  
I'll go with Him through the  
judgement,  
I'll go with Him through the  
judgement,  
I'll go with Him, with Him all the way.

He will give me grace and glory,  
He will give me grace and glory,  
He will give me grace and glory,  
And go with me, with me all the way.

**I LOVE THE FAMILY OF GOD** **F**

I love the family of God,  
So closely knitted into one,  
They've taken me into their  
hearts,  
And I'm so glad to be a part of  
this great family.

**THIS IS THE YEAR** **Ebm**

This is the year, this is the year,  
This is the year of jubilee;  
So lift your hands and praise the  
Lord,  
We are free, We are free. We  
are free.

**I WON'T CROSS ALONE** C

When I come to the river at ending  
of day,  
When the last winds of sorrow  
have blown;  
There'll be somebody waiting to  
show me the way,  
I won't have to cross Jordan alone.

**CHORUS**

I won't have to cross Jordan alone,  
Jesus died all my sins to atone;  
When the darkness I see, He'll be  
waiting for me,  
I won't have to cross Jordan alone.

Oftentimes I'm forsaken, and  
weary and sad,  
When it seems that my friends  
have all gone,  
There is one thought that cheers  
me and makes my heart glad,  
I won't have to cross Jordan alone.

Though the billows of sorrow and  
trouble may sweep,  
Christ the Saviour will care for His  
own;  
Till the end of the journey, my soul  
He will keep,  
I won't have to cross Jordan alone.

456

**YOU MY DWELLING PLACE** C

You are my dwelling place,  
The tower of my strength,  
And at Your throne of grace I  
humbly bow.  
My affections I pour out,  
My eyes release their tears,  
As I behold the beauty of You  
Lord.  
How I long to see Your face,  
Yes, I long to see Your face,  
You are my dwelling place,  
With You my heart will stay.

457

**LIFT HIM HIGHER** F

Lift Him higher, lift Jesus higher,  
'Til He speaks from eternity,  
He said, if I, if I be lifted up from  
the earth,  
I will draw all men unto me.

**THE UNVEILED CHRIST** C

Once our blessed Christ of  
beauty,  
Was veiled off from human view;  
But through suffering, death and  
sorrow,  
He has rent the veil in two.

**CHORUS**

O behold the man of sorrows,  
O behold Him in plain view,  
Lo! He is the mighty conqueror,  
Since He rent the veil in two,  
Lo! He is the mighty conqueror,  
Since He rent the veil in two,

Yes, He is with God, the Father,  
Interceding there for you;  
For He is the mighty conqueror,  
Since He rent the veil in two.

Holy angels bow before Him,  
Men of earth give praises due,  
For He is the well beloved,  
Since He rent the veil in two.

Throughout time and endless  
ages,  
Heights and depths of love so  
true,  
He alone can be the giver,  
Since He rent the veil in two.

459

**GOD IS SO GOOD** F

God is so good,  
God is so good,  
God is so good,  
He's so good to me.

{He answers prayer....}  
{I love Him so.....}

460

**EVERY PROMISE IS MINE** F

Every promise in the Book is mine,  
Every chapter, every verse, every  
line,  
I am trusting in His grace divine,  
Every promise in the Book is mine.

\*\*\*\*

**THOUGH WE ARE TESTED** F

We walk by faith and not by sight  
Our eyes look to the unseen  
The Lord Jesus Christ  
For He has promised  
That we will reign with him  
But the pathway to glory is  
through suffering  
So count it all joy when you fall in  
divers temptations  
For it's only to bring you to that  
perfect place

**CHORUS**

Though we are tested and we  
are tried  
Yet in the midst of it all  
We can have peace of mind  
For the trying of our faith worketh  
patience  
For in my lowest valley He  
restoreth my soul  
He gives me strength to keep  
pressing on

Sometimes we pray oh Lord  
please take our lives  
We just can't go on we don't  
know what to do  
But in that hour we found a  
juniper tree  
Where the Angel comes to  
strengthen for the journey ahead  
For in our weakness His strength  
is made perfect  
And His Grace is sufficient for us

959

**YOU ARE THE LOVE OF MY...** D

You are the love of my life  
You are the hope that I cling to  
You mean more than this world  
to me  
I wouldn't trade you for silver or gold  
I wouldn't trade you for riches untold  
You are, you are my everything

\*\*\*\*

**MY PRAYER** A

History is repeating  
But it's much greater now  
For a greater than Ruth is uniting  
With her Kinsman Redeemer  
This is the harvest time  
We've seen the Lord of the  
harvest appear  
But to come into full union with Him  
This is my prayer

**CHORUS**

This is my prayer  
This is my cry  
I want more of You  
No matter the price  
Total separation, Lord  
Not my will but Thine  
Take me up those seven steps  
Till in Your image I stand  
Take me up those seven steps  
Till in Your image I stand

Thresh the chaff around my life  
So I'll be a pure grain  
With no hidden sin deep within  
To hinder You from coming in  
All I want is You my Lord  
So please empty me I pray  
Because I know the more I  
empty out  
Is the more that You can fill

**CHORUS****BRIDGE**

Wash me, anoint me  
Lord take full control  
Separate my soul  
So I can be  
A true eagle Nazarite in this hour  
The new crop that has grown out  
With Your power

**SOMETHING SO BEAUTIFUL G**

The sycamore tree by the wayside  
Was made to give man shade  
And the lily of the valley  
Was meant to bring you praise  
The precious rose of Sharon  
speaks of Calvary  
And I wondered could there be  
anything  
That You could make or use in me  
But then the Son came out one  
day in all His glory  
And I felt in me a change  
And I knew right there and then  
The way I was dying  
That I was being born again

**CHORUS**

Something so beautiful,  
Something so wonderful  
You've made me so much more  
Than I ever thought I could be  
By the rising of the Son  
New life in me has begun  
Something so beautiful  
You have made of me

Now I'm rooted in Your garden  
Your grace all men can see  
I bear the fruits of the Spirit  
I have faith, hope and charity  
My leaves are green with fellowship  
And my bough goes over the wall  
And like a tree planted by the  
rivers of water  
My life will testify to all  
And I'm nurtured by Your tender  
hand,  
Fulfilling your purpose  
I'm part of Your great plan  
For that rising Son has brought  
resurrection  
And redemption unto man

**BRIDGE**

Something so great,  
Something so new!  
A life that gives all praise to You  
A work of grace, made by Your  
hands  
Molded and crafted for Your plan  
And I've been redeemed  
I've been sanctified  
And now Your spirit lives inside  
For you've made me so much  
more than I ever thought I could be  
By the rising of the Son.....  
New life in me has begun  
Something so beautiful  
You have made of me

957

**OH LORD HERE I AM G****CHORUS**

Oh Lord, here I am laying in the  
presence of the Son  
Let the rays from the Holy Ghost  
shine on me (2x)

We see the signs in earth and  
sky, time is at hand  
Fearful signs and roaring waves,  
time is at hand

The seed has become the seed  
again, the shock has pulled away  
The Bride is called and sealed  
away, the Rapture is at hand  
Its harvest time and I must get  
ripe, Lord hear my prayer  
The stature of a perfect man,  
Lord that's my cry

Behold, the Bridegroom cometh,  
arise and trim your lamps  
Riding through the midnight  
hour, the prophet cried,  
'He's here!'

**WE ARE FREE F**

Through the seven ages of the  
church,  
Like servants unto man,  
Enslaved by vain traditions,  
And a world of self-made plans,  
Would we ever be made free,  
Be granted liberty,  
Or be forced to serve the  
systems round about us?  
But the Bible tells about  
A seventh year release,  
Where the masters free their  
servants  
If they choose to be set free,  
And at the dawning of the day  
They could go in their way  
Or take the mark of bondage  
ever to be a slave.

**BRIDGE**

Freedom or bondage,  
What would you choose today?  
A free man forever,  
Or a servant to the grave?  
You can have a life anew,  
I know God will see you through,  
He is calling a bride unto Himself.

**CHORUS**

And we are free,  
From the chains of any man,  
We are free,  
And freely we can stand  
Before the world and its religions,  
And boldly testify, that we are  
bought with a price.  
His blood has our sacrifice,  
That makes us free for the  
marriage unto Him.  
We are free,  
Purged and born again,  
So rejoice that in our day, the price  
for freedom has been paid.  
Who the Son has set free  
Is free indeed.

Our name is something different  
now,  
Our life is not our own,  
We're united with Jesus Christ,  
And Jesus Christ alone,  
And there's no man can take His  
place,  
There's no church we'll have to face,

Because the voice of God is  
speaking now through us.

And we are free  
Like the eagles in the sky  
We are free,  
So spread your wings and fly,  
Don't look back, don't turn around,  
To Christ we're Heaven bound,  
Who the Son has set free is free  
indeed.

Don't look back, don't turn around  
To Christ we're Heaven bound,  
Who the Son has set free  
Is free indeed.  
Who the Son has set free  
Is free indeed.

**I JUST WANT TO BE F****CHORUS**

I just want to be where You are;  
Dwelling daily in Your presence.  
I don't want to worship from afar;  
Draw me near to where You are.

I just want to be where You are;  
In Your dwelling place forever.  
Take me to the place where You  
are;  
For I just want to be with You.

I want to be where You are;  
Dwelling in Your presence,  
Feasting at Your table,  
And surrounded by Your glory.  
In Your presence,  
That's where I always want to be.  
I just want to be,  
I just want to be with You.

**BRIDGE**

Oh My God, You are my strength  
and my song;  
And when I'm in Your presence,  
Though I'm weak,  
You're always strong.

**HALLELUJAH GLORIA A DIOS F**

Hallelujah, hallelujah, hallelujah,  
Hallelujah, hallelujah, hallelujah,  
Hallelujah, hallelujah, hallelujah,  
Hallelujah, hallelujah, hallelujah,  
Gloria a Dios.

**SOLDIER** **A**

Soldier, standing on the battle line,  
Finding comfort in my water and new wine;  
And your armour still so shiny and so new,  
But you're dirty, worn and tired  
From the battles you've been through.

Soldier, keep your eyes straight ahead,  
Help the wounded,  
Though it hurts you leave the dead.  
Keep your weapons and your spirit  
At the ready all the time,  
Be of courage and conviction  
Hit the mark, toe the line.

**CHORUS**

And tonight when all the lights go out,  
You lie down to rest,  
Know that I'm proud of you,  
I know you've done your best.  
Let me give you peace,  
Let me hold you for a while,  
Yes, you are a mighty warrior,  
But don't forget, don't forget,  
You're still My child.

Soldier, standing on the battle line,  
Finding comfort in my water and new wine,  
Know I am with you when the world keeps a-charging in,  
And I'll be with you,  
I'll see you through to the very end.

Soldier, keep my flag flying high,  
Don't let it fall in battle,  
Or be stolen in the night,  
And above all else dear soldier,  
Don't you lose your battle cry,  
'Cause My army's fighting with you,  
And I am standing by your side.

**WE ARE THE ONES** **E**

O, who should remember to let God abide,  
And to always trust Him and keep Him in the light?  
Tell me who should work hard in the vineyard every day?  
We that know Him are the ones,  
We are the ones.

Tell me who should remember to kneel down and pray  
For the ones who have stumbled and fallen by the way?  
Who should go to them with kind words to say?  
We that know Him are the ones,  
We are the ones.

**CHORUS**

We are the ones,  
We are the ones,  
We that know Him are the ones,  
We are the ones.

Tell me who should stand up together  
And work hard in one accord,  
Who should ask for strength  
And more power from the Lord?  
Tell me who should have love in their hearts for every one?  
We that know Him are the ones,  
We are the ones.

**PRAISE THE LORD** **D**

Praise the Lord,  
He can work through those who praise Him,  
Praise the Lord,  
For our God inhabits praise.  
Praise the Lord,  
For the chains that seem to bind you,  
Serve only to remind you,  
That they'll drop powerless behind you  
When you praise Him.

**ARE YOU LOOKING FOR HIM** **D**

There was a man in Jerusalem  
Simeon by name  
Awaiting the consolation of Israel  
And it was revealed to him by the Holy Ghost  
That he would not see death  
Till he see the Lord's Christ the Anointed Word  
Led by the Spirit he came into the temple one day  
And Jesus was brought in as was the custom of the law  
Simeon took him up in his arms  
And he blessed, yes he blessed the God of heaven  
Cause what he has been looking for  
He now held in his possession

**CHORUS**

Are you looking for Him }  
He hath appeared and yet will }2x  
appear }  
To us who look for him }  
He'll appear another time }

After dark denominational ages  
Seven to be precise  
We saw a vision of Angels and it testified of a risen Christ  
It's been about two thousand years  
Since He give us that word  
That as He ascended, in like manner he will return  
Twas February 28<sup>th</sup> 1963  
A cloud appeared 27 miles high,  
30 miles across  
This truly fulfilled Hebrews 9 and 28  
He appeared again having obtained full redemption for you and me

**MONOLOGUE**

*Our prophet suffered 42 long years*

*For deliverance he prayed, he cried he was so distressed  
The doctors told him he'll never be well  
But that was as far as medical science could tell  
He once saw a vision of what went wrong  
But he also heard a voice saying 'it's only six inches long'  
Mama's dream showed six doves  
But that was incomplete  
For it was the 7<sup>th</sup> dove he really, really longed to see  
And it was early one morning when he awoke  
And he saw his deliverance in a vision that broke  
He went up the Catalina in obedience to that voice  
Where he saw his dead enemy and that 7<sup>th</sup> dove  
And this is what he said*

As a son of Abraham I consider not what the doctor said  
We know surely God give him his full deliverance

**CHORUS**

Brethren think of that situation you are faced with even now  
Call to remembrance the word God spoke through His servant  
Your enemy is dead, he's still dead,  
Redemption message of Grace  
Has come to us on the wings of that 7<sup>th</sup> dove  
Now exercise thy faith for there's power in true confession  
Break through all hindrances into the supernatural  
And experience the results that follow angelic visitation  
For surely He's here to meet your great expectations!

**MY FAITH IS ZEROED D****CHORUS**

My faith is zeroed to the change  
I'm not just talking about being  
born again  
But I'm looking to the unseen  
That's where I have seen my  
Lord's appearing,  
The sleeping saints they are just  
waiting,  
They are waiting on us to catch  
the Lord's thoughts to draw  
them out of the earth

God, He made Abraham a promise  
Out of thee I'll make a great nation  
He had no seed to bring the  
promise  
But by faith he did believe  
And by covenant God sealed  
that promise  
Abraham knew the time will come  
When his body will be changed  
He'll be young again  
So he waited at the tent door.

The apostles they just waited  
They waited for that blessed  
hope They seen the grace that's  
been given  
Unto us in this age  
For in their time they seen His  
appearing  
And He gave them the Holy Ghost  
Now at His second coming  
His power He's giving to raise  
them out of the earth.

And to His bride He's now  
unveiled Now she sees Him face  
to face,  
He has descended in the clouds  
Just as He said He would return  
And now you see Him  
He's in the pulpit  
He is revealing all the secret  
things He's giving rapturing  
grace to quicken your faith  
So your theophany would pick  
you up.

**LORD I AM COMING INTO... Am**

Oh Aba Father  
There's a request I'd like to make  
The crooked parts of my life  
Can you come down and make  
them straight  
Oh how I desire to be your temple  
Consecrated and pure, set aside,  
for your use  
And nothing more  
How I desire to see your stature  
Every time I glance at the mirror  
Oh your perfect Image shines  
forth  
Out of my life, out of my life  
So I can boldly say

**CHORUS**

Lord I am coming into you  
In the stature of a perfect man  
I'm coming into you  
In your image and your likeness

Oh! Oh! Father here I am  
I lay before your altar  
My all I surrender  
Oh perfection, how long  
I await translation  
The seven steps of the pyramid  
The stature of a perfect man  
Faith my foundation, Virtue my  
strength  
Knowledge my understanding,  
Temperance my peace  
Patience my rest, Godliness you  
in I manifest  
Brotherly kindness, Love and  
forgiveness  
Then you inside my temple  
Forever make your domain  
So I can boldly say

**LET DEATH ANGEL PASS F**

The Lord spoke to Moses,  
And told him what to say  
To the children of Israel  
In Goshen that day  
"Slay the lamb, take the blood,  
Strike the post of the door,  
For I'll pass through Egypt this  
night,  
And smite all the first born."

**CHORUS**

Let the death angel pass,  
God's Bride's safe at last,  
In the token He gave  
That we should be saved.  
Oh hallelujah, and glory to God!  
The Blood's been applied the  
Spirit abides,  
Let the death angel pass.

The sweet Holy Spirit,  
Is the token today,  
And those who are under it,  
God said would be saved,  
Outside of the token,  
The lost would be found,  
So if you want your loved ones  
saved,  
You better get them in now.

**THERE'S NEVER BEEN A ... F**

There's never been a day like  
this day to me.  
There's never been a day like  
this day I see.  
There's never been a light that  
shined so bright.  
As this day, this glorious day.

Christ is revealing Himself unto  
me,  
He opened mine eyes and now I  
can see,  
His Word is becoming a reality in  
this day, this glorious day.

**JOEL'S ARMY A**

Morning stars together sing,  
Sons of God now shout for joy,  
Arise and shine thy Lord and  
King  
Comes full redemption now to  
bring.

Have you considered my little  
Bride?  
Oft to deceive her you have tried.  
No fairer one from east to west,  
Ordained to stand the great  
word test.

Joel's army comes in view,  
Stalwart men and women true;  
In perfect steps they are God's  
best,  
Invincible through the great Word  
test.

The Son of righteousness shall  
shine,  
With healing in His wings He'll rise,  
Shake this old world with one more  
ride;  
Then take His Bride into the skies.

The Lion of Judah has prevailed,  
Almighty God in flesh was veiled.  
He comes forth now to conquer all.  
The kingdoms of this world shall fall.

Oh, Bridegroom come, our hearts  
do pine,  
Upon Thy bosom to recline.  
My lovely Bride you are My own,  
Come sit with Me upon My throne.

**GOING INTO ENEMY'S CAMP F**

I'm going into the enemy's camp,  
To take back what he took from me,  
I'm going into the enemy's camp,  
To declare my victory.  
I'll put him }  
Under my feet, }  
Under my feet, }  
Under my feet, }  
Under my feet. }2x

**THE DAY HE WORE CROWN A**

The City was Jerusalem;  
The time was long ago;  
The people called Him Jesus,  
The crime was the love He  
showed.  
And I'm the one to blame;  
I caused all the pain.  
He gave Himself the day He  
wore my crown.

He brought me love that only He  
could give;  
I brought Him cause to cry.  
And though He taught me how to  
live,  
I taught Him how to die.  
And I'm the one to blame,  
I caused all the pain.  
He gave Himself the day He  
wore my crown.

**CHORUS**

He could have called His Holy  
Father and said,  
"Take me away, please, take  
me away."  
He could have said,  
"I'm not guilty and  
I'm not gonna stay,  
I'm not gonna pay."

But He walked right through the  
gate;  
And then on up the hill.  
And as He fell beneath the  
weight  
He cried, "Father not my will."  
Still I'm the one to blame,  
I caused all the pain.  
He gave Himself the day He  
wore my crown.

**THOU ART LORD F**

Holy, Holy Thou art Lord,  
Thou art worthy to be praised,  
Thou art worthy to be  
worshipped,  
Holy, Holy, Thou art Lord;  
Holy, Holy. Thou art Lord.

**I'M JUDGING HIM FAITHFUL A****MONOLOGUE**

*And God remembered Abraham  
And said, "I shall return  
according to the time of life,  
And Sarah shall have a  
visitation;"  
And after she judged Him  
faithful,  
He proved that He could be  
trusted,  
She received strength to  
conceive seed.*

You said in your Father's house  
are many mansions,  
If it was not so You would have  
told me;  
So You've gone to prepare a place  
for me,  
That where You are, there I'm also  
going to be.

**CHORUS**

So I'm judging You faithful! }2x  
Faithful who promised.  
When You left these shores two  
thousand years ago,  
(taken up in a cloud),  
There stood two angels saying,  
"Men and brethren  
why stand ye here gazing?  
For this same Jesus which is taken  
up from you  
Shall so return in like manner,"  
And I know that's true.

You said whatsoever I stand  
praying,  
Go away believing;  
For what-so-ever you ask the  
Father in My Name  
He will give it to you, for my God is  
forever the same.

**BRIDGE**

You said no gates will ever stand  
before me,  
And that old devil will be powerless  
before me,  
For in Your Name sin will have no  
dominion over me,  
And I believe, yes, I believe  
That's the way, yes, that's the way  
it's going to be.

**THIS IS YOUR HOUSE F**

We dedicate this temple to you  
Lord  
Let your glory fill this sanctuary  
Be enthroned on the praises of  
your people  
Lord we agree in unity

This is your house, Father come  
and dwell  
This is your house, a holy house  
of prayer  
Where the lost and the lonely  
Take their burdens and their cares  
This is your house, this is your  
house  
Come and dwell.

Holy spirit overflow this place  
Dedicate our halls with grace  
and mercy  
Let healing and redemption find  
searching souls  
Lord have your way we humbly  
pray

**BECAUSE OF WHO YOU ARE G**

Because of who you are I give  
you glory  
Because of who you are I give  
you praise  
Because of who you are I will lift  
my voice and sing  
Lord I worship you because of  
who you are  
Lord I worship you because of  
who you are

Jehovah Jireh, my provider  
Jehovah Nissi, Lord you reign in  
victory  
Jehovah Shalom, my prince of  
peace  
Lord I worship you because of  
who you are  
Lord I worship you because of  
who you are

**YOU'RE ALL THAT I WANT F**

Have you really thought  
How wonderful is our Lord Jesus  
Christ  
He redeemed us by his precious  
blood  
We are his purchase price  
For I know what I was  
And you know where he took you  
from  
We were sinners bound in chains  
Lord we didn't know we had Your  
name  
We thank You Lord Jesus  
We thank You Lord

**CHORUS**

You're all I want heavenly Father  
You're all that I need  
Lord we worship You in the  
beauty of holiness  
For what Your Word has done  
for us  
We hide it in our hearts  
We will not let the enemy steal it  
away  
You're all I want Heavenly Father  
(2x)

And now the Word speaks of  
Boaz  
And the redemption of Ruth  
We're the reality of that mystery  
That is revealed in you and me  
Now we know who we are  
And what we were raised up for  
Oh Lord, you cover me  
Lord Jesus you cover me

You are the great Kinsman  
Redeemer  
The Mighty One of wealth  
In whose sight we have found  
grace  
We know You will not rest  
Until You finish the work that You  
began in us  
We are Your bride, Jesus

**RETURN OF THE SPRING SON D**

The bible opens with the  
Seventh Seal  
Though it took such a long time  
to be revealed  
In the earth there were seeds  
God called for light and when He  
said 'Let there be..'  
The seeds were quickened and  
they sprung forth  
Out of a darkened earth they  
were called  
To manifest the life that lay within  
Their Creator was glorified in them

At the rising of the S-U-N (3x)  
Life springs forth

When Jesus died they laid His  
body away  
But He was destined to rise  
again and on third day  
A Mighty Angel descended from  
heaven  
To give witness He was the new  
creation

Twas the first dawn and the first  
sunrise (A dual sunrise)  
Quickening power brought His  
body to life  
In victory He marched through  
death's door  
The saints of old arose and  
walked on earth once more

At the rising of the S-O-N (3x)  
(A dual sunrise)  
Life springs forth

I sat with Job as he lay on the ash  
pile God said  
Let nature talk to you for a while  
We saw hope for a tree when the  
stock die in the ground  
At the scent of water it will bud  
(and bring forth)

The greatest vision broke to us  
right there  
We saw the resurrected Christ  
appear  
Death's wrath was just like  
winter, it must go  
We came forth with a testimony  
of 'I know'

At the return of the Spring Son (3x)  
(And the immortal season)  
I'll come forth

We saw the risen Christ when  
the Cloud appeared  
On sunset mountain He met with  
us there  
Said I'll return according to the  
time of life  
In this second cycle we see life  
signs in the bride  
Then He appeared again in 1976  
Opened our understanding to the  
holy script  
He made Himself known in the  
breaking of the bread  
Quickened our minds to our promise  
and our lives to our age

It's the return of the Spring Son (3x)  
And we've come forth

As in the beginning so is it in the end  
We are now walking in Revelation 10  
We heard the shout, we're now  
in the voice  
Evening time resurrection surely is  
on  
He's now unveiled and to us He  
appears  
Manifestations show His  
personal presence is here  
We're waiting for the sounding of  
the last trump  
The sleeping saints will rise and  
we'll be raptured up

It's the return of the Spring Son (3x)  
And we've come forth

**HOLD TO GOD'S HAND F**

Time is filled with swift transition,  
Naught of earth unmoved can  
stand,  
Build your hopes on things  
eternal,  
Hold to God's unchanging hand!

**CHORUS**

Hold to God's unchanging hand!  
Hold to God's unchanging hand!  
Build your hopes on things  
eternal,  
Hold to God's unchanging hand!

Trust in Him who will not leave  
you,  
Whatsoever years may bring!  
If by earthly friends forsaken,  
Still more closely to Him cling!

Covet not this world's vain  
riches,  
That so rapidly decay,  
Seek to gain the heavenly  
treasures,  
They will never pass away!

When your journey is completed,  
If to God you have been true,  
Fair and bright the home in glory,  
Your enraptured soul will view!

**ALL IS WELL F**

All is well, all is well,  
We have heard the message  
Shalom! All is well.  
There is a place of perfect rest,  
Behind the inner veil.  
So rest, little Bride rest,  
For all is well.

**IN HIS TIME D**

In His time, in His time,  
He makes all things beautiful  
In His time,  
Lord, please show me every day,  
As You're teaching me Your  
way,  
That You do just what You say,  
In Your time.

**THIS WORLD IS NOT HOME G**

This world is not my home,  
I'm just a' passing through.  
My treasures are laid up,  
Somewhere beyond the blue.  
The angels beckon me,  
From heaven's open door.  
And I can't feel at home,  
In this world anymore.

**CHORUS**

O Lord, You know,  
I have no friend like You,  
If heaven's not my home,  
Then Lord what will I do?  
The angels beckon me,  
From heaven's open door,  
And I can't feel at home  
In this world anymore.

They're all expecting me,  
And that's one thing I know;  
I fixed it up with Jesus,  
Many years ago.  
I know He'll see me through,  
Tho' I am weak and poor,  
And I can't feel at home,  
In this world anymore.

Just over in the glory land,  
We'll live eternally;  
The saints on every hand  
Are shouting "victory".  
The songs of sweetest praise  
Drift back from heaven's shore,  
And I can't feel at home  
In this world anymore.

**LET THE CHURCH F**

Let the Church be the Church,  
Let the people rejoice,  
For we've settled the question,  
And we've made our choice.  
Let the anthems ring out,  
Songs of victory swell,  
For the Church triumphant  
Is alive and well.

**ROBES OF RIGHTEOUSNESS F**

My soul is now sorrowful as I fore  
an evil day  
Lord what must I say shall this cup  
pass away  
But here am I in your footprints,  
Lord your son  
To this end was I born. So lord thy  
will be done

**CHORUS**

I will greatly rejoice in the Lord  
My soul shall be joyful in my God  
For He has clothed me with his  
garments of salvation  
And He has covered me with His  
robes of righteousness

I'm forsaken and rejected and I'm  
judged by sinful men  
Should protest in defense, or in  
anger be tense  
When I stand in this grace Lord may  
I behold your dear face  
May the vision hide the shame  
Till I see the glory name

When I'm pressed out and seemed  
defeated  
In the eyes of wicked men, shall you  
grant me deliverance  
And my full Inheritance. When you  
strike me I will speak  
And command creation again. That  
the faces of my  
accusers will be greatly ashamed.

**CHORUS**

Then will I greatly rejoice in the Lord  
My soul shall be joyful in my God  
For He has clothed me with his  
garments of salvation  
He has covered me with His robes  
of righteousness

**FOREVER YOU WILL BE F**

All heaven declares the glory of the  
risen Lord,  
Who can compare with the beauty  
of the Lord?

**CHORUS**

Forever You will be,  
The Lamb who died for me,  
And I'll gladly bend my knees,  
To worship You alone.

I will proclaim the glory of the risen Lamb  
Who once was slain to reconcile  
man to God.

**THE HEAVENS DO RULE E**

Oh, the depth of the knowledge  
And the wisdom of the Lord!  
His judgements are  
unsearchable,  
And His ways past finding out;  
Who hath directed His Spirit?  
And whose counsel did He take?  
For by Him and through Him  
Are all things on earth made.

**CHORUS**

And we know that all things work  
together for our good,  
The footsteps of the righteous are  
ordered by the Lord;  
Even though things don't work out  
The way we think they should,  
Yet we know in all things,  
That the heavens surely rule.

Which of us by taking thought  
could add to ourselves?  
Why do we yet so many times  
resist His will?  
We've got to realize salvation is  
wholly of the Lord;  
Just stand still and consider  
All the wondrous works of God.

There is nothing that happens  
without a real intent,  
Our experiences were ordained,  
Our trials have been sent  
That we might manifest the purpose  
Unto which we have been called,  
So in perfect confidence  
We can submit to Him our all.

**HE SIGNED THE DEED F**

He signed the deed with His  
atoning blood,  
He ever lives to make His promise  
sure.  
Though all the hosts of hell march  
in;  
To make a second claim,  
They all march out at the mention  
of His name.

**I WILL KEEP YOU G**

Temptations great but the Lord  
has given us faith  
To overcome, the battle's won  
Depends on how you see  
yourself from day to day  
Full of guilt, condemnations and  
shame  
But God don't see you that way  
You just have to confess to him  
He'll never leave you He'll stay  
with you all the way

**CHORUS**

I will keep you in your times of trouble  
I will keep you in your times of need  
I will keep you for I'm your refuge  
I will keep you for you are part of me

Keep your eyes on the prize  
Refuse to compromise  
You Esthers and Daniels  
For this final ride  
Rise up and complete the work  
that he's bestowed on you  
And just forget what you're going  
through  
You just do his work and he'll do  
yours  
We're fighting a battle, fighting a  
cause  
To get all the souls that we have to  
find  
God's determined not one hoof  
will be left behind  
God's determined not one hoof  
will be left behind

Lord at these junctions how we  
need more of your unction  
To function the way you want us to  
As prophesied, the bride of Christ  
will know what God wants done  
To fulfill this word, this eternal truth  
For we are the mystery being  
revealed  
The Seven Seals of our lives are  
no longer sealed  
We are the word made plain  
manifested in flesh again  
We are the word made plain  
manifested in flesh again

**CHORUS**

I will keep you in your times of trouble  
I will keep you in your times of need  
These are the promises given by  
the Holy Spirit  
I will keep you for you are part of me

**FULL REDEMPTION F**

Lord with one foot on land  
One foot on sea  
You brought redemption for me  
I was lost and undone  
But thank God your grace  
Has indeed really found me  
And you gave to me  
Eye salve that I may see  
How great you are  
And what you've made me to be

**CHORUS**

Full redemption  
I found grace in a time of judgment  
The stone that the builders rejected  
Has become the chief stone of  
my life  
For he has gone to prepare a place  
That where he is I'll be there  
For all eternity.

I see a world held in darkness  
O there is so much evil around me  
But Lord with you I am standing  
For I know that soon your kingdom  
Will be ushered in  
Continue to break  
Every kingdom in my heart  
Till I only be your living word  
manifested

**BRIDGE**

I'm waiting with great expectation  
For my Lord Who I shall see  
Soon I will slip from time  
Into eternity

Full redemption  
Lord I thank you for your grace  
that found me  
Full restoration you promised  
Lord I hold thy word close to my  
heart  
Soon I will be in that perfect place  
Where there's no more time  
No sorrow  
No more sickness and pain  
No more sin and temptation  
Only peace, joy and love  
For all eternity  
For all eternity

**I FEEL THE PULL F#m**

I see a world that's judged  
 I see a dying world  
 I see the need for the word to be  
 manifest  
 A way is open unto us  
 An entrance into another world  
 An evolution from the dust to the  
 stars above  
 Giving quickening power  
 By the hearing of the word

**CHORUS**

I feel the pull inside of my  
 celestial home  
 The deep in me is drawing me } To  
 that eternal place }2x

There is a cry for revelation  
 A need to know as we were  
 always known  
 For it won't be long again  
 You can see we are at the end  
 Slack not your riding  
 Continue to sigh and cry  
 You must have that token  
 To take that heavenly flight

Though we've grieved by various  
 trials  
 That the genuineness of our faith  
 may be tried  
 For at the end of our faith  
 We'll receive salvation for our  
 soul  
 A glorious body a son in the  
 image of the word  
 United with theophany  
 We'll be one with the living God

**BRIDGE**

I see a world that's judged }  
 No where to run no were to hide}2x  
 Our only escape is the faith inside }

**THE DECISION IS YOURS TO... G**

I have heard about some people  
 They're written of in the Bible  
 How God promised them a land  
 beyond the Jordan  
 But some had their own ideas  
 They were thinking of their own  
 affairs  
 At the borderline they settled down

**CHORUS**

But where do you choose to live  
 What benefits does it have to give  
 Is it an investment in eternal life  
 Or keeps you at the border line  
 The decision is yours to make

We can have lots of fancy things  
 We can live close to earthly kings  
 Like Lot you can be famous in  
 Sodom  
 Just remember there'll come a  
 time  
 When those things won't be  
 worth a dime  
 When the fire falls it will all be  
 burnt up

Friends if we want a deeper life  
 We got to make a greater  
 sacrifice  
 We have to be more sincere  
 This would mean a lot of shaking  
 down  
 But we really have to move on  
 By grace alone we'll make it there

**COVER ME, COVER ME C**

Cover me, Cover me,  
 Extend the borders of thy  
 garment over me  
 For thou art my nearest kinsman  
 Cover me, Cover me, Cover me,

**THANK YOU FOR THE RAIN G**

For twenty-three years we have  
 been looking  
 For God to send the revival  
 amongst us;  
 Wednesday the 3rd of June we  
 received our inheritance claim;  
 Now we know the New Name  
 And we are not hollering again,  
 and again, and again  
 And again.

**CHORUS**

Thank You Lord for sending }  
 the rain, (Hallelujah) }2x  
 We thank you again and again,  
 And again and again and again,  
 We thank You.

All false branches must be cut  
 off,  
 For the tree must be pruned and  
 cleaned,  
 For it's the Holy Spirit that is  
 planting the life within us  
 Because He knows that we are  
 the Bride, are the Bride, are the  
 Bride, are the Bride.

Many families, they were  
 attached to this Word  
 But they were under man's  
 teaching;  
 When our shepherd waved the  
 wave-sheaf over them,  
 Then they realized they are not  
 shuck, but they are seed, they  
 are seed, they are seed, they are  
 seed.

**I LOVE HIM C**

I love Him, I love Him,  
 Because He first loved me,  
 And purchased my salvation on  
 Calvary's tree.

**TURN ON THE LIGHT F**

A people that once sat in  
 darkness saw a marvelous light,  
 The light of God's revealed Word  
 flashed across our hearts  
 And we have been made whole.  
 Now we walk in the light as He is  
 in the light,  
 Having fellowship one with the  
 other,  
 God's blood that cleanses and  
 His love that conquers.

**CHORUS**

There's a man here that can turn  
 on the light,  
 There's a man here that can turn  
 on the light,  
 So If you're in darkness, cannot  
 find your way,  
 There's a man here that can  
 show you the way.

In the beginning was the Word  
 and the Word was with God,  
 And the Word was made flesh  
 and dwelt among us,  
 The light of God's revealed Word  
 Face to face we see now,  
 Almighty God unveiled before us,  
 The Lamb that was slain, who  
 took the Book  
 And showed us our names.

King Theophany Jesus that is  
 walking in and amongst us,  
 God En Morphe for the final turn  
 at the west.  
 So when you look, what do you  
 see now?  
 It depends on what you're  
 looking for,  
 We are a people that have been  
 set free,  
 Living epistles that can show you  
 the door.

**PAST THE CURTAIN OF TIME D**

There's a curtain that's drawn  
between earth and Heaven,  
And just beyond lies a beautiful  
clime  
Where the evils of this life no  
longer can touch me;  
Lord, let me look past the curtain  
of time.

**CHORUS**

Lord, let me look past the curtain  
of sorrows and fear,  
Let me view that sunny bright  
clime;  
It would strengthen my faith and  
would banish all fear;  
Lord, let me look past the curtain  
of time.

I'm helpless, alone, and I want to  
see Jesus,  
And hear the sweet harbor bells  
chime,  
Where my friends and dear loved  
ones are waiting for me;  
Lord, let me look past the curtain  
of time.

I'm so homesick and blue, and I  
want to see Jesus,  
I would like to hear those sweet  
harbor bells chime;  
It would brighten my path and  
would vanish my fear;  
Lord, let me look past the curtain  
of time.

**HE IS HERE HALLELUJAH C**

He is here, hallelujah!  
He is here, amen!  
He is here, holy, holy!  
I will bless His name again;  
He is here, listen closely,  
Hear Him calling out your name;  
He is here, you can touch Him,  
You will never be the same.

\*\*\*\*

**A GIFT OF GRACE C**

A Gift of Grace was all it took  
To redeem me again back to His  
own;  
I've been redeemed, He saved my  
soul,  
My Saviour paid the price,  
Now I'm no more my own.

**CHORUS**

So seek on Saints,  
Seek till you're filled with power;  
Seek on saints  
Till His Spirit in you is endowed,  
It's been revealed,  
This is the final hour;  
And soon His Bride, His Chosen  
One  
Will go on home.

Unmerited the favour that He  
granted me  
To bring me home today, His very  
Own;  
'Twas love, 'twas Grace  
That stooped so low to conquer  
me;  
My Sovereign Lord gave  
Sovereign Grace  
To redeem me.

And now I'm home, His robe's  
wrapped around me;  
This land is mine, this Promise is  
for me.  
Amazing grace, amazing love  
Christ poured on me,  
His Word went with a promise,  
One day we shall meet.

**I WILL PRAISE THE LORD D**

I will praise the Lord,  
I will praise the Lord,  
No matter what tomorrow brings,  
What it has in store,  
I will praise the Lord.

\*\*\*\*

**SING UNTO THE LORD Em**

Lord it was you who rescued me  
You saved our souls, provided  
our every need  
Lord we were lost but by grace  
we were found  
That's why today we can stand  
on holy ground  
And though the world may never  
ever understand  
Why we sing, why we lift our  
hands,  
And there are still many, many  
who fail to see  
That's it's not us but Jesus in you  
and me.

**CHORUS**

Sing unto the Lord shout His  
praises  
He's our conqueror, our  
deliverer, our strength,  
Sing unto the Lord, your  
redeemer  
From the ends of the earth, we  
lift up our voices in praise.

Lord it is you who comforts me  
In pain and suffering tender  
mercies we see  
We'll not complain, all we can do  
is praise  
With our hands and our lips, our  
voices to you we raise,  
We know that demons flee at the  
mention of your holy name  
So shout to the Lord, let us his  
name proclaim  
Now with one voice we will  
march, we will sing  
Those Jericho walls will fall  
never to rise again.

**HE DIED FOR ME G**

Broken, mocked and scorned  
Is a man hanging from a cross  
With a crown of thorns  
Who is He this man who died for me  
The given son who was born to die  
So we could be redeemed

**CHORUS**

He died for you, He died for me  
He took my place and He bore  
my shame  
That day on Calvary  
The bleeding one, the Holy Son  
What kind of man is this would walk  
this road alone Jesus

It was supposed to me  
Hanging from that tree  
I was the one who crucified Him  
I don't deserve mercy  
But when we come to drink from the  
cup  
And when we come to eat the bread  
We remember You, we remember  
love  
We remember your amazing grace

**BRIDGE**

I didn't see but I believe  
Yes I believe

**YOU ARE GREAT C**

You deserve the glory and the }  
honour }  
Lord we lift our hands in worship }  
as we praise your holy name }2x

**CHORUS**

For you are great }  
You do miracles so great }  
There is no one else like you }  
There is no one else like you }2x

**TIL I GET TO THAT PLACE G**

Sometimes you may feel like  
you're going under  
And there seems to be no way out  
People may say that your God  
has left you  
Why do you still keep holding on  
But there's a course that is set  
before me  
I'm not giving up, I'm looking ahead  
And I know I must keep on fighting  
I've come too far to turn back now

**CHORUS**

I'll keep on pressing till I get to  
that place  
To the mark of the high calling  
In Christ Jesus we'll stand still  
The road is narrow but I will still  
run for my Prize  
Just to sit one day at His side  
When I get to that place

He never said that it would be easy  
But He gave me something to stand  
His Word still keeps holding me  
While living in this evil land  
And though the whole world is  
crumbling around me  
My eyes are fixed on the Prize  
So Lord take me and completely  
fill me  
Get me ready to take that flight

**COME INTO HIS PRESENCE C**

Come into his presence with  
thanksgiving in your heart and  
give him praise  
Come into his presence with  
thanksgiving in your heart our  
voices raise, voices raise

Give glory and honour and  
power unto him  
Jesus the name above all names

**VICTORY IS SURE A**

Keep your eyes on the prize  
Keep looking towards God's vision  
For perfection is the mark that  
we must attain  
Refuse to be compromised  
By the enemy  
For God has made you His  
standard  
There will be no defeat

**CHORUS**

For victory's sure  
Yes victory's sure  
My God has already given us the  
power  
To overcome the world and its evil  
Now we are on that homestretch  
run  
Behold the finish line is in view  
So keeping pressing towards the  
mark of the high calling in Jesus  
Christ.

As this world, this cosmos gets  
darker  
Men's heart become more evil  
May the Light of His glorious  
gospel illuminate our lives  
For a sacred responsibility  
Has been entrusted to us  
To get home the King's message  
To those who are part of Him

**BRIDGE**

We look forward to a new day  
Breaking around us  
We see it now breaking between  
heaven and earth  
From an earthbound sickness  
And troubled world  
Unto a bright shining day  
Of an immortal life  
And immortal body  
An immortal earth that can never  
pass away  
So lets finish our course with joy.

**PRAISE YE THE LORD Bb**

Praise ye the Lord all ye people!  
Praise Him for His goodness,  
His majesty and power;  
For His merciful kindness is  
great towards us,  
And His righteousness endureth  
forever.

**CHORUS**

He's the Lord of creation,  
He's the Rock of our salvation,  
He paid the price for our  
redemption,  
And He is worthy, (so worthy)  
He is our comfort in times of  
sorrow,  
Our strength to face tomorrow,  
Our refuge in times of trouble,  
And He alone is worthy to be  
praised.

Give thanks unto Him and serve  
Him,  
For He forgiveth all thy sins,  
And healeth all thy diseases,  
Who redeemeth you from a life  
of destruction,  
And crowneth you with loving  
kindness and tender mercies.

**BRIDGE**

We have so much to praise and  
thank Him for,  
Our lives are testimonies  
And so many great things He  
has done.  
Forget not His love and His  
promises,  
For He has promised a new  
Heaven,  
A new Earth and a new Body.  
Praise Him, praise Him,  
For He alone is worthy to be  
praised,  
Praise Him, praise Him,  
For He alone is worthy to be  
praised,

So all you got to do is praise  
Him, praise Him.  
For He alone is worthy to be  
praised,  
Praise Him, praise Him.  
For He alone is worthy to be  
praised,  
For He alone is worthy to be  
praised.

**FILL MY WAY WITH LOVE F**

Let me walk, blessed Lord, in the  
way Thou hast gone,  
Leading straight to the land  
above;  
Giving cheer everywhere, to the  
sad and the lone,  
Fill my way every day with love.

**CHORUS**

Fill my way every day with love,  
As I walk with the heavenly  
Dove;  
Let me go all the while, with a  
song and a smile,  
Fill my way every day with love.

Keep me close to the side of my  
Saviour and Guide,  
Let me never in darkness rove;  
Keep my path free from wrath,  
and my soul satisfied,  
Fill my way every day with love.

Soon the race will be o'er and I'll  
travel no more,  
But abide in my home above;  
Let me sing, blessed king,  
All the way to the shore  
Fill my way every day with love.

**PEACE! PEACE! F**

Peace! peace! wonderful peace,  
Coming down from the Father  
above;  
Sweep over my spirit forever, I  
pray,  
In the fathomless billows of love.

**PARENTAL CARE C**

You loved me when I was so  
unlovable  
You died for me when I wasn't  
worth dying for  
You taught me real Godliness; is  
with contentment  
And that my trials only come to  
bring me patience

Truly your ways is not like our ways  
And your thoughts like our thoughts  
Yet you chip and you mold me to  
Bring me into your image

**CHORUS**

Truly your love is not parental care  
for a baby  
But your love truly is elective love  
You may cause me to suffer like Job  
Or to be delivered unto to death like  
Paul  
But yet in the midst of the all  
you're just  
Proving how much you really,  
really, really  
Love me

You taught me when I'm weak, that  
I'm strong  
And the only way up is down  
In order to live in your presence, I  
must die  
Your love is simply amazing who  
could deny

**BRIDGE**

Whosoever the Lord loveth, He  
chasteneth  
And if we are without chastisement  
We are not of His.  
Now no chastisement for the present  
Seemeth joyous but then it brings  
forth  
the peaceable fruits of righteousness

**WE ARE STANDING C**

When I walked through the door  
I felt His presence  
And I know this is the place  
Where love abounds;  
And this is the temple, Jehovah  
God abides,  
And we are standing in His  
presence  
On Holy ground.

**CHORUS**

We are standing on holy ground  
And I know that there are Angels  
all around;  
Let us praise Jesus now,  
For we are standing in His  
presence  
On Holy ground.

In His presence,  
There is joy beyond all measure;  
At His feet, peace of mind can  
still be found,  
So if you have a need,  
I know He has the answer,  
So reach out and touch Him,  
For we are standing on holy  
ground.

**THIS IS HOLY GROUND C**

This is holy ground, }  
We're standing on holy ground, }  
For the Lord is here; }  
And where He is, is holy. }2x

These are holy hands,  
We're lifting up holy hands,  
For the Lord is here  
And where He is, is holy.  
These are holy hands,  
We're lifting up holy hands,  
For the Lord is here  
And where He is, is holy.

**LORD WE COME TO YOU D**

I come into your presence  
Asking for your grace  
Praying that you will give me  
strength  
To live for You each day  
On bended knees I cry out  
Lord come and have your way  
Cause by myself I'm nothing  
Lord, I need you more each day

**CHORUS**

Lord we come to You  
Giving our lives away today  
We are pouring it unto the ground  
So we could never take it back  
again  
And we're asking You to come in  
And fill our hearts  
With Your Holy Ghost  
Right now, right now

We are end time Esthers  
Exploding supernovae  
Willing to lay down our lives  
As a living sacrifice  
And we are time Daniels  
Praying without ceasing  
Eyes focused on the vision  
Through every condition

Lord we come to you  
Giving our lives away today  
We are pouring it unto the ground  
So we could never take it back  
again  
And we're asking you to come in  
And fill our hearts  
With your Holy Ghost  
Right now, right now

We are the shining lights  
For the souls today  
Who are stumbling around  
In spiritual darkness  
And need to see Your way  
But by ourselves we cannot shine  
So we need You in our lives  
And like the moon reflecting  
The sun's light  
We'll reflect Your Light  
We'll shine out bright

Lord we come to you  
Giving our lives away today  
We are pouring it unto the ground  
So we could never take it back  
again  
And we're asking you to come in  
And fill our hearts  
With your Holy Ghost  
Right now, right now

**BRIDGE**

He healed my body  
He healed my soul  
He has cleansed and made me  
He has made me whole  
And I know He's with us  
He is so close  
Something is happening  
Right now,  
Don't you feel Him moving  
He is in this place  
Right now, right now

And we're asking You to  
Come in and fill our hearts  
With Your Holy Ghost  
Right now right now (2x)

**YOU ARE HIGH AND UP... A****CHORUS**

You are high and lifted up  
You are high and lifted up  
You are high and lifted up in this  
place  
Because of all your love and  
mercy, because of your amazing  
grace  
You are high and lifted up in this  
place

We are gathered at your throne  
to give you praise  
Behind the veil into this holy place  
Because your blood has washed  
away our sins  
It's a joy to walk right in  
To see your glory everyday  
To bless your holy name

**GETTING READY** **C**

I hear the sound of the buckboard  
Coming in the distance  
For He has made to me a promise  
That I am His Bride  
I am getting my things ready to  
go on home

**CHORUS**

For I am hearing the chariot  
swinging low  
Swing low, swing low  
I am getting my things ready to  
go on home

I'm leaving this sinful world behind  
Where moth and rust corrupt  
I am getting my things ready to  
go on home  
I am leaving this sinful world behind  
With vain dreams and aspirations  
For I'm going to a better land

For I am getting faith, virtue,  
knowledge, temperance  
I am getting these things ready  
to go on home  
I am getting patience, godliness,  
brotherly kindness  
I am getting these things ready  
to go on home

I hear the sound of the buckboard  
Coming in the distance  
For He has made to me a promise  
That I am His Bride  
I am getting my things ready to  
go on home

I'm leaving this sinful world behind  
Where moth and rust corrupt  
I am getting my things ready to  
go on home  
I am leaving this sinful world behind  
With vain dreams and aspirations  
For I'm going to a better land

**BRIDGE**

And most of all His love  
The Capstone Revelation  
I'm dressed in the beautiful gown  
of His Word  
For I know for sure that  
He will keep His promise  
So I'm getting my things ready to  
go on home

**WE ARE UNITED** **F****CHORUS**

We are united in Jesus Christ  
We are the soldiers of the light  
We don't wrestle flesh and blood  
But principalities of the dark  
We too are marching to one beat  
Crushing the enemy under our  
feet  
We are mighty in our stand  
With God's word in our hand.

In our hearts, we have a vision  
And we've made our decision  
To show the father's love  
With great power from above

Let us reach this generation  
Every tribe and every nation  
For we've overcome the world  
By the blood of Christ the Lamb

**CHORUS****BRIDGE**

The Lord our God is our sword  
and shield  
To fight our battles on our knees  
(repeat 3x)

**CHORUS****ARISE AND POSSESS** **C#****CHORUS**

Arise, possess your inheritance,  
For this is the year of jubilee,  
Arise, be not entangled with the  
yoke of bondage.  
Understand the liberty by which  
Christ set you free.

Entangled with heavy chains of  
captivity,  
Bruised and battered by sin,  
Condemned and sentenced to a  
life of bondage,  
O God, there was no peace  
within.

Then a sound was heard,  
It was like the abundance of rain,  
Saying "Rejoice, you have  
received the atonement,  
Accept the pardoning word which  
was provided for you,  
Because you're not of the  
bondwoman,  
You're of the free."

Aren't you tired of living  
underprivileged?  
Saints, don't you, don't you hear  
that sound?  
Saying freedom to the captives,  
Restoration to the blind,  
Setting free those who are  
bruised.  
Saints, empty your vessels,  
Let Him fill them with oil,  
You are free, you are free, you  
are free.  
So when the creditor comes to  
take away your land,  
Show him your account  
Settled long ago by Calvary's  
Lamb,  
And say, "I am free, I am free, I  
am free."

Now I can tell the world that I'm  
free,  
I have heard the trumpet sound  
Jubilee; Freedom from all  
burdens and sin,  
The Comforter has given me  
peace within.  
///And whom the Son has set  
free, is free indeed.///

**GOING HOME** **F****CHORUS**

I'm going home in the morning,  
I'm going home, it won't be long,  
I'm going home, it won't be long.

Can't afford to get my line  
tangled in these kind of times,  
So I'm looking nine times before  
I make one step,  
Don't want to be caught  
In an unconscious state of mind,  
For I want to leave this earth  
In the twinkling of an eye.

I'm going to slip from time into  
eternity,  
I'm going to become one with my  
Theophany,  
Going to live in that mansion  
God has prepared for me,  
I'm going to leave this pest-house  
for eternity.

We're going to be reunited with our  
loved ones  
Who have gone on before to  
another dimension;  
Soon we'll see Him face to face,  
The One who lives inside our  
hearts;  
Who saved us by His amazing  
grace,  
We'll be with Him never to depart.

Could it be between six or nine?  
Whatever the time  
I want to be ready to meet my  
Bridegroom.

**THIS THE YEAR OF JUBILEE** **C**

This is the year of Jubilee,  
This is the year of Jubilee,  
When all the captives are set free  
Come ye halt, ye blind, ye lame,  
Leap and shout for joy again,  
This is the year of Jubilee.....

**I'LL FLY AWAY G**

Some glad morning when this life is over,  
I'll fly away,  
To a home on God's celestial shore  
I'll fly away.

**CHORUS**

I'll fly away, O, glory! I'll fly away  
When I die, hallelujah! by and by,  
I'll fly away.

When the shadows of this life have grown,  
I'll fly away;  
Like a bird from prison bars has flown,  
I'll fly away.

Just a few more weary days and then,  
I'll fly away;  
To a land where joys shall never end,  
I'll fly away.

**PART OF HIS BRIDE G**

He leads me through troubled waters,  
He holds my hands through darkest sky;  
He comforts me when my heart is laden down with grief,  
He's coming back to take me away as His bride.

**CHORUS**

For I'm His bride, I'm His only loved one,  
I'm His chosen, His fair one, His dove;  
For I was predestined,  
In His grace, I now abide.  
What an honour, oh, how marvelous, what a privilege,  
Thank You Jesus, I'm part of Your bride.

Before the world, He knew me in glory,  
Before the sun, I lived and reigned with Him;  
Now my soul longs to see Him,  
On the clouds that He rides,  
Coming back to rapture me as His bride.

**WHEN THE REDEEMED F**

I am thinking of the rapture in our blessed home on high,  
When the redeemed are gathering in  
How we'll raise the heavenly anthem in that city in the sky,  
When the redeemed are gathering in.

**CHORUS**

When the redeemed are gathering in,  
Washed like the snow, and free from all sin;  
How we will shout and how we will sing,  
When the redeemed are gathering in.

There will be a great procession over on the streets of gold,  
When the redeemed are gathering in;  
O what music, O what singing,  
o'er the city will be rolled,  
When the redeemed are gathering in.

Saints will sing redemption's story with their voices clear and strong,  
When the redeemed are gathering in;  
Then the angels all will listen,  
For they cannot join that song,  
When the redeemed are gathering in.

Then the Saviour will give orders to prepare the banquet board,  
When the redeemed are gathering in;  
And we'll hear His invitation,  
"Come, ye blessed of the Lord,"  
When the redeemed are gathering in.

**HOLY SPIRIT A**

Holy Spirit, Thou art welcome in this place,  
Holy Spirit, Thou art welcome in this place,  
Omnipotent Father of mercy and Grace  
Thou art welcome in this place.

**RACE TO THE RAPTURE A**

I'm in a race to the rapture  
I've crossed Jordan's river  
Now I'm running through Canaan land  
In the stature of a perfect man  
On the mountain waiting for translation  
(Repeat Verse)

**CHORUS**

I'm running, I'm running  
I'm running the race of my life  
Got to meet that chariot on high  
To take my flight into the skies  
And I'm running, running for my life

Doubt and unbelief  
They were heavy burdens holding down my feet  
But I laid each weight aside  
By faith I got to catch this flight  
And I'm running, running for my life

Faith, hope and charity  
They were blazing down that trail ahead of me  
But I caught them on the seventh peak  
I put all things under my feet  
And I'm running, running for my life

In that chamber of the pyramid  
In that secret place with Jesus is where I'm hid  
You see He gave me a sneak preview  
Showed me I'm one of the chosen few  
And I'm running, running for my life

Pretty soon the chariot will swing low  
And when I hear that trumpet sound  
Saints I got to go  
Got to hurry I can't be late  
My stop's at the pearly gates  
And I'm running, running for my life

I've got to sing! I've got to shout!  
You see those seven thunders sounding, they brought me out  
My destiny's been revealed  
I saw my name and I know I'm sealed  
And I'm running, running for my life

I got to sing! I got to shout!  
You see those seven seals, that mystery's what it's all about  
Satan's scheme has been unveiled  
And the Bride she will prevail  
So I'm running, running for my life

I've got to sing! I've got to shout!  
The seven virtues, that's what it's all about,  
In perfection on that seventh peak  
Is when this masterpiece will speak  
And I'm running, running for my life

Swing low, sweet chariot, swing low  
Soon that trump will sound and saints I've got to go  
Got to hurry I can't be late  
My stop is at the pearly gates  
So I'm running, running for my life

**THE BATTLE IS ON Em**

Blessed are you oh Lord our God  
Eternity's only King  
In the beginning when God thought of man  
He was perfect before Him  
But He knew that man will fall  
So a way was made for Him

**CHORUS**

Then the battle was on  
The battle is on  
The Lord has descended  
He's come  
The battle is on  
The battle is on  
For the day of our Lord has come

Now we can see God's plan  
For His thoughts was to redeem man  
The book of Daniel is now made plain  
Two kings, two kingdoms, but one will reign  
For the beast is taking his throne  
But with Michael we will stand again

My peace I give to you  
For you are my chosen few  
Though the battles seem hard and long  
By my word you will overcome  
For great is our Lord  
Who has fought to redeem us.

**THE TIME IS NEAR** **F**

Jesus said there is a mansion  
That he has prepared for me  
And I'm tired of this old pest house,  
I'm longing for my new body,  
And deep within I can hear His  
voice  
Beckoning me to that place  
I see end time signs all around  
And I know soon I'll see His  
sweet face.

**CHORUS**

The time is near can't you hear  
Your Savior calling you to a land  
Where we'll never grow old  
So don't you bow, don't give in  
Cause in a little while we'll be  
going home.

Now through the Word I am seeing  
That before the world began  
I was chosen to be His bride  
I was always a part of His plan  
And even though this world is dying  
I will never be afraid  
Cause in the twinkling of an eye,  
I'll take my flight through the sky,  
To live eternally with my King.

**CHORUS**

In a little while we'll be with the Father  
Can't you see Him smile?  
In a little while we'll be home forever  
In a while  
Saints you must keep pressing on  
And we'll be home in just a little  
while.

**CHORUS**

Cause in a little while  
We'll be going home  
(In a little while we'll be with the  
Father)  
We'll be going home  
(In a little while we'll be with the  
Father)  
We'll be going home where  
there's no more crying, no more  
dying  
(We'll be going home.)  
Where there's no more killing,  
No more fighting  
(We'll be going home)  
Where there's no more sickness,  
No more sorrow, no more pain,  
No more tomorrow

(We'll be going home)  
Don't you bow, don't give in  
Cause in a while we'll be with our  
King  
Don't you want to go to that place  
Where we'll never grow old?  
(We'll be going home) (2X)

**SNARED IN AN EVIL NET** **G**

A mighty hunter is on the loose  
He's capturing everyone he could  
He found a way to connect the world  
He's got them now under his control

Could you see how the trap is set  
The whole world is caught in the net  
Many think it's just a brand new wave  
But it's the return of the Global  
Village

The mighty hunter has found the way  
To catch his prey in this evil day

**CHORUS**

But thank God we're free  
He's given us eyes to see  
So we could escape this evil  
captivity

See the thoughts of a foolish man  
He thinks he has such a very  
good plan  
But he's built on sand so his  
house will shift  
Cause his foundation's a silicone chip

See how the world has gone off  
to sleep  
Through that window they took a  
peep  
The web has bound them they  
can't escape  
They're being taken through Hell's  
gate

**CHORUS**

See how this hunter lures his prey  
Enticing the world with the words  
he says  
Through Jezebel (he) evokes  
laws, speaks lies  
With painted faces it's all disguised

But little bride this word you hear  
Is to deliver you from his snare  
Watch ye therefore and pray always  
That you counted worthy to escape

**WE ARE LIKE SHIPS** **C**

**CHORUS**

We are like ships sailing across  
life's troubled sea,  
But with our compass set on the  
North Star  
We'll reach the shores of  
Eternity,  
We are like ships sailing across  
life's troubled sea,  
But with our compass set on the  
North Star  
We'll reach the shores of  
Eternity.

Contrary winds of doctrine blew  
against us on the way,  
But we set our eye on the Captain,  
Listened to what He had to say.  
Many ships were tossed to and fro  
ad were driven off their course,  
But we are thankful to our Captain,  
We aren't shipwrecked, we aren't lost.  
He said, "Peace be still." }  
To see the glory of the Lord you }  
must stand still. }2x

We are sailing through many  
rough waters,  
Using our paddles skillfully,  
Now we are faced with  
treacherous conditions,  
We need the Master of the sea  
To say "Peace be still."  
To see your troubles end, you  
must stand still;  
He'll say, "Peace be still."  
To see the glory of the Lord you  
must stand still.

Upon the distant shore, there's a  
land that's shining bright;  
Soon we'll reach that golden shore  
And be welcomed by the Prince of  
Light.  
He'll say, "Peace be still,  
My light has led you to do My  
perfect will."  
He'll say, "Peace be still,"  
And when we see Him face to face  
We must stand still.

**THE BRIDGE TO HEAVEN** **G**

Left the splendour of His throne,  
Came down to earth,  
Had one purpose in His mind.  
Tempted in all points as we are  
Yet without sin,  
Most worthy High Priest,  
He's the Supreme Sacrifice.

**CHORUS**

He is the bridge from Earth to }  
Heaven, }2x  
We now live in God's presence  
forever.

I'll always look to Calvary where  
Redemption price was paid for me,  
There on the cross, crucified with  
Him.  
There on the cross I was in Him,  
There on the cross I paid for my sin,  
And His glory, I now boldly enter  
in.

Lift your eyes to Calvary, see  
where He has set you free,  
Loosed from the grips of sin and  
shame.  
Sin has no more dominion over  
you,  
You're ordained to do just what  
you do,  
He's that bridge to Heaven for me  
and you.

To the splendour of His throne,  
His Bride now leaves the Earth,  
Quickening power now breaks the  
hold of time;  
Travelling faster than the speed of  
light,  
We'll be changed in the twinkling  
of an eye,  
And that bridge to Heaven will be  
no more.

**I'M GLAD HE SET ME FREE** **A**

I'm so glad Jesus set me free,}3x  
Glory, hallelujah, Jesus set me free.  
(I'm so glad Jesus lifted me...)  
(I'm on my way to Heaven,  
shouting victory...)

**ALLELUJAH C**

We are the children of God,  
Chosen vessels unto Him;  
Our angels behold the Father's  
face  
We are special unto Him.  
We should never be ashamed  
To testify of our love for Him,  
For we are privileged  
To be the children of the KING of  
KINGS!

**CHORUS**

Al-le-lu-jah! }  
Glory and praise to the }  
Saviour; }  
Al-le-lu-jah! }  
Let's worship our King }  
together. }2x

We must dwell in unity  
So we're showing our love to Him,  
Having a blameless testimony  
A life that's holy and free from sin;  
We should be an example  
To the lost who know not the way:  
We're not children of the night but  
of the day,  
So let us show them the way.

With the joy of the Lord  
And the strength of our youth,  
Let's be zealous to do God's will;  
Fleeing youthful lusts and  
pressing to be  
Empty vessels that God can fill.  
We should never lean to our own  
understanding,  
Casting our reasoning down,  
So we'll be better able to love  
and serve Him.

**WE'LL GIVE THE GLORY A**

We'll give the glory to Jesus  
And tell of His love,  
And tell of His love,  
We'll give the glory to Jesus,  
And tell of His wonderful love.

**THIRST Em**

As we set our faces towards  
Jerusalem,  
Knowing that very soon the  
squeeze will come,  
As the day draws nearer, as the  
day draws closer,  
There's such a painful desire to be  
like our Saviour.

**CHORUS**

Oh Jesus, my Lord Jesus, }  
Only You, only You }  
Can quench this thirst }  
in my soul. }2x

Many nights I can't sleep, everyday  
my soul groans in me,  
Waiting for the redemption of this  
body;  
No matter what the world may say,  
No matter what the world may do,  
It's a fact that I can't rest until I'm  
perfect.

Before the Masterpiece could  
speak it must be smitten  
By the determinate counsel of our  
God,  
What shall I say then, 'Father take  
this cup from me?'  
But nevertheless not my will but  
Thine be done.

Signs of the time quickly  
approaching,  
We can see the whole creation is  
groaning;  
But, for this purpose came we into  
this world;  
To fulfill what is written of us.

**MORE THAN EVER BEFORE C**

More than ever before,  
Lord, I love You,  
More than ever before,  
Lord, I need You,  
More than ever before,  
I want to serve You;  
I love You now,  
More than ever before.

**FROM THE EARTHLY TO A**

If our earthly house of this  
tabernacle be dissolved  
We have another one waiting  
Eternal in the heavens  
He said I go to prepare a place  
for you  
That where I am there you may  
be also

**CHORUS**

From the earthly to the heavenly  
From this body to our theophany  
From this old pest house to our  
Father's house  
That's a mansion He's built for  
you and me (2X)

In this body we groan desiring to  
be clothed upon  
With our new body celestial in  
the heavens  
So when this corruption shall  
have put on incorruption  
Then mortality shall be  
swallowed up of life

Soon we'll lay aside this old  
ragged robe of flesh  
In exchange for a glorious one  
prepared in the heavens  
And at the resurrection at the  
sounding of the trump  
Our bodies will be glorified just  
like Jesus

**THERE IS NO BETTER PLACE G**

There is no better place  
Than to be where we can  
Look upon your face  
In Your church we're all alone  
No better place th  
an to be before your throne  
God of comfort God of mercy  
Love that knows no bound  
I adore you  
Worship and bow down (2X)

**GOING HOME C**

I'm so tired of living in this sinful  
world below,  
So much pain and suffering  
everywhere you go,  
People dying all around,  
sickness and poverty,  
But I know it won't be long before  
we go to eternity.

There'll be mansions there,  
Joy and cheer,  
Love for eternity,  
There'll be streets of gold,  
Riches untold,  
Rest eternally.

**CHORUS**

Going home, going home,  
Going home to my theophany  
Going home, going home,  
I'll cast off this sinful body,  
Going home, going home,  
Where we'll live eternally  
Where the flowers never, ever die  
Where no tears will ever dim our  
eyes  
We'll sit on His throne  
And worship Him  
When we go home  
When we go home

We see many signs of the end time  
All around today  
And we know it won't be long  
Before we are changed and  
taken away  
Oh how I long to see His face  
How I long to hear Him say  
"Receive thy crown my faithful  
servant, you have overcome."

**CHORUS****BRIDGE**

And at the midnight cry  
He's coming back  
And the dead in Christ shall rise  
And we'll go home, we'll go home.  
Where the flowers.....

**GREATER IS HE C**

Greater is he that's within me  
 Greater than he that's in the world  
 God is master of all circumstances  
 God has all things under his control  
 God is greater than any trial  
 Greater than any trouble you  
 might have  
 Yes God is great, God is great (2x)

At times your soul feels so troubled  
 At times you might be burdened  
 with care  
 At times you might feel discouraged  
 Or you might be in deep despair  
 Well God has promised never to  
 leave you  
 He promised he'd answer your  
 prayer  
 Just call him on the scene  
 He's that Holy Ghost within  
 And he's greater than any  
 trouble you may face  
 Yes God is great, God is great (2x)

Oftentimes on this pilgrim journey  
 You'll have to walk the rugged  
 road alone  
 There'll be no friends and all  
 men might forsake you  
 Like Jesus stood before Pilate's  
 throne  
 You'll have to stand in faith  
 believing  
 You'll have to know that you are  
 his own  
 And when you call him on the  
 scene  
 He's that Holy Spirit within  
 And he's greater than any enemy  
 you may face  
 Yes God is great, God is great (2x)

He's our Savior, our deliverer,  
 our Healer and our Comforter  
 (Greater than he who's in the  
 world)

The prince of peace, the mighty  
 God, King of kings, the risen Lord  
 (Greater than he who's in the world)  
 Yes God is greater than any trial  
 God is greater than all your fears  
 God is greater than the enemy  
 around you  
 God is greater, yes, yes

Yes God is greater, greater in you

**MANSION ON THE HILLTOP C**

I'm satisfied with just a cottage  
 below  
 A little silver and a little gold  
 But in that city, where the  
 ransomed will shine  
 I want a gold one that's silver line

**CHORUS**

I've got a mansion just over the  
 hilltop  
 In that bright land where we'll  
 never grow old  
 And some day yonder we will  
 never more wander  
 But walk on streets that are  
 purest gold

Tho often tempted, tormented  
 and tested  
 And like the prophet, my pillow a  
 stone  
 And tho I find here, no  
 permanent dwelling,  
 I know He'll give me a mansion  
 my own

Don't think me poorer, deserted  
 or lonely  
 I'm not discouraged, I'm heaven  
 bound  
 I'm just a pilgrim in search of that  
 city  
 I want a mansion, a harp and a  
 crown.

**WHAT WILL YOU PRESENT? C**

I want to present the life of Christ,  
 It's my aim today,  
 For in His image I want to stand  
 So blameless on that day;  
 And though this world may criticize,  
 It will never understand,  
 That I can't rest until I be  
 A perfect man.

**CHORUS**

What are you going to present to  
 the Lord  
 At the end of your journey?  
 He's not going to be touched by  
 anything  
 Save His testimony.  
 What are you going to present to  
 the Lord?  
 I hope it makes you sigh and cry,  
 Don't be found in that position  
 Where you would be wondering why.

Though the world may offer its  
 pleasure and peace,  
 And its luxurious life of ease,  
 But it simply cannot continue on  
 For man's just like a breeze;  
 A moment here and a moment gone,  
 Like a flower he fades away,  
 But I just want to stay right on  
 To that perfect day.

Take rest my soul, in no other arms  
 Save Jesus own today  
 For He has opened my eyes to see  
 That judgement is on its way;  
 And though ten thousand fall at my  
 side  
 I will never be tossed aside;  
 For in the shadow of that mighty  
 rock is where I'll abide.

Lord take Thy Word, Thy precious  
 Word,  
 And anoint it to my soul;  
 Perfect what is lacking in my faith  
 And make thy servant whole.

For I just want to hear You say,  
 "Receive thy crown my beloved son  
 You have overcome, well done!"

**WHEN THE SAINTS GO C**

I'm a pilgrim and a stranger  
 Wand'ring through this world of sin,  
 On my way to that fair city,  
 When the Saints go marching in.

**CHORUS**

When the saints go marching in,}2x  
 Lord, I want to be in that number  
 When the saints go marching in.

Oh, I know I'll see my Saviour  
 If my life is free from sin,  
 Heaven's doors will open for me  
 When the Saints go marching in.

When we gather 'round the Throne  
 And the gates are closed within,  
 I'll be shouting "Glory, Glory"  
 When the Saints go marching in.

I'm waiting for the chariot  
 To swing low and I'll step in,  
 On the clouds I'll ride to Heaven  
 When the Saints go marching in.

**JESUS WILL TAKE CARE C**

Have you ever been so distressed  
 When you see your circumstances  
 look so gloomy,  
 And the tears begin to cover your  
 eyes?  
 Remember Jesus will take care of  
 you.

**CHORUS**

He's the Rock of all the ages,  
 He's the light in the darkest night,  
 A comfort when there's no one left  
 to care;  
 So you don't look at your  
 circumstances,  
 They will only bring you down,  
 Remember Jesus will take care of  
 you.

When you feel so weak and can't  
 go on;  
 And the devil, he tempts you so sore;  
 But if you only call upon Jesus,  
 He will answer,  
 For He knows that you're weak on  
 your own.

**MANY WATERS** **G**

There are so many people  
in the world today  
Don't really know what  
true love is;  
Many have searched the  
whole wide world  
And still can't seem  
to find it.  
Love is patient, love is kind,  
True love can never be broken;  
Love beareth all things,  
Love suffers long.  
Love is God and God is love,  
Who is our King;  
But how can you know true love  
Without knowing Him?

**CHORUS**

Many waters cannot }  
quench love, }  
Neither can the floods }  
drown it, }3x  
Whosoever God joins  
together,  
Let no man put asunder.

Therefore shall a man leave  
father and mother  
And cleave unto his wife,  
Then they shall be no more twain  
But they shall be one.  
Then he'll love his bride as Christ  
the church,  
Who giveth Himself for it;  
For no man yet hateth his flesh,  
But loveth and cherisheth it.  
Love is God and God is love,  
Who is our King;  
So how can you know true love  
Without knowing Him?

**WE ARE CHILDREN** **F**

We are children of the Father,  
We are joint-heirs with the Son,  
We are people of His Kingdom,  
We are family, we are one.

**RUN WITH THE MESSAGE** **D**

There are people all over the  
world,  
To whom this Message must be  
told;  
All those honest in heart,  
In this light they have a part.

**CHORUS**

You've got to run, run, run, run,  
Run with the Message of  
Malachi 4,  
You've got to tell it like you've  
never told it before;  
Let him that readeth run,  
Let him that heareth run,  
For this Message is the coming  
of the Lord.

Always ready to give a reason,  
Be instant in and out of season,  
Willing to take this blessed hope  
To a lost and dying world.

Seeing we have this ministry,  
Let's not faint but earnestly  
Seek to build the kingdom of  
God,  
For the glory of the Lord.

**HEAVEN IS SWEETER** **F**

Heaven's sounding sweeter all  
the time,  
Seems like lately I can't get it off  
my mind,  
Someday I'm going to leave this  
world behind.  
Heaven's sounding sweeter all  
the time.

**HIS WORD IS WORKING** **D**

His Word is working mightily in me  
His Word is working mightily in me  
No matter what the circumstance;  
Nor how I feel or see  
His Word is working mightily in me.

**RISE AND GO FORTH** **A**

At times we struggle  
With demons unseen  
And it seems like our faith is  
weak within  
But Lord you promised we'll have  
the victory

**CHORUS**

Oh Daniels rise and go forth  
In the name of the Lord  
If thou will only believe  
Oh Esthers rise and go forth  
In the name of the Lord  
If thou will only believe

I say to the demon of fear to flee  
I say to the demon of doubt to flee  
I say to the demon of unbelief to flee  
In the name of the Lord

If you believe you're called to  
walk inn his word  
In this end time awakening of the  
bride  
Though your enemy comes  
against you  
Stand and He'll not fail you  
If thou can only believe

I say to the demon of sickness to  
flee

I say to the demon of lust to flee  
I say to the demon of strife to flee  
In the name of the Lord

**OPEN THE EYES OF MY...** **D**

Open the eyes of my heart Lord  
Open the eyes of my heart  
I want to see you  
I want to see you

To see you high and lifted up  
Shining in the light of your glory  
Pour out your power and love  
As we sing holy, holy, holy

Holy, holy, holy (3x)  
I want to see you

**HALLELUJAH HE IS RISEN** **D**

It's the dawning of a new day  
The Daystar has risen in our hearts  
Now the cold stiff dead body  
Has quickening transforming power  
From death unto life we have passed  
Into this bright eternal day  
Now the Resurrected Christ in us  
lives

**CHORUS**

Hallelujah He is risen  
He is alive in me to tell  
From the realm of this old earthly  
I now live in the heavenly realm  
And soon I'll change dimensions  
For this earth won't be able to  
hold me anymore. (2x)

Now the glory of His gospel  
Shines through us wherever we  
may go  
Changing ugly caterpillars  
Into beautiful heavenly creatures  
O death you've been conquered  
by Him  
Our victory and promise is sure  
Now the gates of hell cannot prevail  
For we are the bride of the living  
God

This the season of the immortals  
The spring sun has returned  
The Restoration of the Bride is on  
All that's lost, He has brought  
back  
And unto the resurrection  
We are heading now  
To awake the saints that  
sleepeth  
And forever we will be with you  
Lord.

**UNWORTHY** **F**

I was a sinner, a lost soul  
I longed to be free  
I didn't know that God had already  
Done a work for me  
Then He found me, cleansed  
and filled me  
I am so amazed, that He just  
simply loved me

**CHORUS**

Unworthy, I'm so unworthy  
Of such love and mercy  
The price You paid on Calvary  
Who am I that He should die for me  
This wretched man, that I am  
He sacrificed Himself to set me free

I didn't see His nail scarred hands  
As He was stripped and in pain  
But on the Cross, not once did He  
think about His shame  
As His Blood flowed from that Tree  
All He thought about was you  
and me  
Isn't that love, tell me, isn't that love

**BRIDGE**

Praise the Lamb that was slain  
He went up, but soon, He'll come  
again  
Back for you and me  
This was Calvary's mystery  
Praise the Lamb that was slain  
He went up but soon He'll come  
again  
Back for you and me  
To take the trip to our theophanies

Unworthy, unworthy  
Of such love and mercy  
The price He paid on Calvary  
You showed me who I am  
That You should die for me  
I thank You Lord  
I thank You Lord  
(I thank You Lord for Calvary)

**NOW'S THE TIME** **C**

From a world of unbelief  
You separated me  
To walk in a world of perfect faith  
I'm washed in your blood  
Now clothed in your  
righteousness  
Standing as your witness in this  
day  
And though all hell is against me  
You promise they'll be under my  
feet  
And wherever I may go  
I must let the whole world know  
You're not dead  
But alive in me

**CHORUS**

For now's the time to rise up  
Now is the time to stand and  
declare  
His name to a dying world  
And now's time to shine forth  
In the glory of the Lord revealed  
in you.

You will shine forth like stars in  
this end time  
You'll fulfill all that my prophet said  
But your self will must die  
That in you I'll be glorify  
That all men will know  
Its not you  
But its Christ

**BRIDGE**

Can't you hear the cry of souls in  
bondage  
My harvest is ripe, but my  
labourers few  
It's you I want to work through  
It 's you that I that I have given  
my word  
To set the captives free.

**CHRIST'S WARRIORS** **D**

**BE STRONG IN THE LORD** **D****CHORUS**

Be strong in the Lord,  
Be empowered,  
Through your union with Him  
Draw all your strength,  
Put on the armour that God  
supplies,  
That you, you may be able to  
stand.

We're not wrestling with flesh  
and blood,  
Contending with physical things,  
But we're standing in faith,  
Against the rulers of this world;  
Empowered by His spirit,  
In the authority of His name.

Having shod your feet  
With the Good News of peace,  
Girding your loins with His truth,  
The breastplate of righteousness  
And the helmet of salvation;  
The shield of faith and the sword  
of the Spirit.

Now standing complete in His  
image,  
Refusing to be shaken from your  
place,  
Praying at all times in the Spirit  
of the Lord,  
Interceding on behalf of all the  
saints.

**WE'VE COME THIS** **F**

We've come this far by faith,  
Leaning on the Lord.  
Trusting in His holy Word;  
For now we have a perfect faith  
Oh, Oh, Oh,  
We can't turn back,  
We've come this far by faith.

Just remember the good things He  
has done,  
Things that seemed so impossible,  
We praise Him for the victories we  
have won!

**ONE LOVE****F****CHORUS**

One love, one love, one love, one love.

There was a time in the history of man  
When he commanded the creation  
And he and his Maker had one love;  
And then the deceiver came,  
And man lost the power of the Name,  
For he had broken the bond of one love;  
It then took the blood of a spotless lamb  
To be an atonement for fallen man  
It was God's substitute for his sin and shame;  
It was a part of God's great mystery  
To redeem you and me again,  
Back to ..... }chorus

Then one day the real Lamb came,  
He came in the Father's Name  
To be a ransom for one love.  
When on the cross my Saviour died,  
The power of death He had defied,  
To give us the token of one love.  
He then changed our destiny,  
He could now come and live in you and me,  
Making us creatures now bound for eternity;  
Brothers and sisters can't you see,  
He died to set you and I free again!  
Back to .....}chorus

The Holy Ghost the Lord did send,  
He fell upon some redeemed men,  
They had the token and one love.  
They baptized in Jesus Name;  
And of His doctrine they weren't ashamed,  
For they were believers in one love.  
But then as the ages rolled away

From this doctrine evil men did stray;  
And the serpent began to ride this trail again.  
Beware of the creeds of wicked men,  
Designed to bring us back to bondage again;  
But we want .....}chorus

In the end time the Son of man came,  
He came in His Father's Name  
To give us the token of one love.  
Seven Thunders sounded in our souls,  
Our Lord had gathered us from this wicked world  
To be united in one love;  
Then we will speak and command creation again,  
Sons and daughters in the Father's Name,  
Having power and wrapped up in His love;  
The trumpet shall sound  
And we'll take our flight to the skies  
To be in glory where we'll be with our Father again,  
Back to .....}chorus

**SUPERNATURAL ATMOSPHERE** **D**

You have seen what I did to the Egyptians  
How I have destroyed them  
How I bare you on eagle wings  
And brought you to myself  
For you are a part of me  
My peculiar treasure  
Unto you I'll keep my holy covenant

**CHORUS**

Into a Supernatural atmosphere  
God has raised His Bride  
She's now a Bright shining star  
A true reflection of Him  
We'll manifest the authority of His Name  
Fulfill all His word  
That all the world may know that  
We are Supernatural Beings

You showed us our position  
The way to come in your presence  
You've clothed us in your word  
Now we have access to thy throne  
Lord we want only your desire  
For with you we've found favour  
That whatsoever we ask of You  
You'll grant it to us

Lord you showed us Haman's evil schemes  
But you made a way of escape  
You 've kept Mordecai's words alive to us  
Through your faithful servant Hatach  
For such a time as this  
We came into your kingdom  
Now we are the ones through whom you'll deliver your people in bondage.

**Monologue**

You were born to be a supernova  
You were born a bright shining star  
(A bright shining star)

You shall explode in all my glory  
That this world will know that  
You are from eternity  
Fear not my Queen Esther  
For it is I that has brought you to this place  
Through you I shall accomplish my word that was spoken.

**YOU ARE EVERYTHING** **D**

He is the one that saved our souls  
He's the one that gives us faith  
He is the one that gives us strength  
To face the challenge that comes our way

He is the one who healeth thee  
He's the one who comforts me  
He's our guide, our shepherd  
That will lead us into the promise land

**CHORUS**

O Lord you are our everything  
Without you I can do nothing  
Without you I can't stand  
O Lord you are our everything  
It is you I want to live for  
It is you that I only want to please

He is the one who delivers thee  
From all thine enemies  
The mighty conqueror  
Who's victorious over Death, hell and the grave  
Our provider is He  
Who provided all our needs  
In Him I stand victorious  
In Him I have overcome the world

**Bridge:**

There's so many things that we can thank you for  
All of the love that you have shown  
And there's no one greater  
That deserves all praise but you.

**TILL JESUS CAME** **F**

A lost and dying world  
 Shut up from the way to God  
 Not knowing how to find its way  
 Sinful and fallen man, in need of  
 redemption  
 Who would atone, who could pay  
 Though the blood of bulls and  
 goats were shed  
 It could not atone, the price to  
 fully pay  
 It would take the blood of a holy  
 one  
 But none was found worthy who  
 could pay

**CHORUS**

Till Jesus came  
 The sinless, spotless Lamb of God  
 The holy one, the living word  
 came down that day  
 Yes Jesus came  
 Conquering death, defeating sin  
 Opening the way back to enter in  
 to God that day  
 When he came  
 When Jesus came.

Burdened and steeped in sin  
 No peace, no joy within  
 Condemned by guilt, filled with  
 shame  
 Dwelling in the outer court  
 Wondering who could pay the cost  
 To free me from this bondage  
 and chains  
 Though I searched and cried,  
 there was no one  
 Who could redeem me and for  
 my sin atone  
 Till a priest did point to Calvary's  
 cross  
 And the price God did to ransom  
 back His own

When Jesus came  
 Conquering death, defeating sin  
 Renting the veil so, we could  
 enter in to God again  
 Yes Jesus came  
 Paying the price on Calvary  
 Fully atoning to set man free

From guilt and shame  
 When He came  
 When Jesus came.

When Jesus came  
 What a wondrous work he  
 wrought for us that day  
 Removing the guilt and taking all  
 our sin away  
 When He came --- Praise His  
 name  
 When He came ---Triumphing  
 over sin  
 When He came--- Opening the  
 way so we could enter in  
 When He came, When He came  
 When Jesus came!!

**HE'S GOD** **G**

When I come into his presence I  
 humble myself  
 I lift up both my hands and I  
 begin to worship  
 When I come into his presence I  
 humble myself  
 For what he's done for me,  
 redeemed and set me free  
 And because, just because he's  
 God

When I come into his presence I  
 humble myself  
 I lift up both my hands and I  
 begin to worship  
 When I come into his presence I  
 humble myself  
 Remembering what he's done,  
 the victory he's won  
 So I'll praise him, I'll praise him  
 For what he's done for me,  
 redeemed and set me free  
 And because, just because he's  
 God

For what he's done for me,  
 redeemed and set me free  
 And because, just because he's  
 God  
 For what he's done for me,  
 redeemed and set me free  
 And because, just because he's  
 God

**BE IDENTIFIED** **G**

What does it profit a man to follow  
 The vain traditions of misguided  
 men,  
 Who try to establish a  
 righteousness of their own;  
 A propitiation for their sins?

**BRIDGE**

O tell me,  
 What do you think of the blood of  
 Jesus  
 That was shed for you?  
 Is it sufficient to pardon you from  
 sin  
 (Is it sufficient to purge your  
 conscience from sin,)  
 (Is it sufficient to give you  
 dominion over sin,)  
 Set you free, putting peace within?

**CHORUS**

Just be identified with your  
 sacrifice  
 To be really justified, look to the  
 place where Jesus died;  
 Be identified, really justified,  
 Look to the place where Jesus  
 died.

What can a man do to be justified?  
 What does it take for an angry God  
 to be pacified?  
 If you trust in your power, or  
 struggle with all your might,  
 Yet your righteousness is like filthy  
 rags in God's sight.

What a work of grace that a man  
 could clearly see  
 The Lamb with seven horns and  
 seven eyes,  
 When darkness covers the earth  
 and death begins to strike  
 In the place where the blood has  
 not been applied!

**BRIDGE**

What do you think of the opening  
 of those Seals,  
 God's provided way for you?

Is it sufficient? Then, don't add or  
 take away;  
 It's God's provided way to save  
 you in this day.  
 What a work of power the blood has  
 done for you and me,  
 Lifting us from a life of sin, turning  
 our bodies heavenly.  
 And when Satan tries to convict you  
 in the courts of memory,  
 Hear the Lamb return the verdict:  
 "Not guilty, not guilty!"  
 ("Not guilty, you are free!")

**BEULAH LAND** **D**

I'm kind of homesick for a country  
 To which I've never been before;  
 No sad good-byes would there be  
 spoken,  
 And time wouldn't matter any  
 more.

**CHORUS**

Beulah Land, I'm longing for you!  
 And someday on thee I'll stand,  
 There my home shall be eternal,  
 Beulah Land, sweet Beulah Land.

I'm looking now across that river  
 To where pain is going to end  
 inside,  
 Now just a few more days to  
 labour;  
 Then I shall take my heavenly  
 flight.

 So shall thy barns be filled with  
 plenty,  
 And thy presses shall burst out

**COME WHAT MAY F**

He didn't say that it was going to be easy;  
 Every promise my Lord has made  
 We've got to fight to claim.  
 For as many as He called,  
 He gave the power to overcome;  
 And every devil that stands before us  
 Must be on the run!  
 So why should I ever think it strange  
 When fiery trials should come my way?  
 For He said that if I do suffer for His Name,  
 With Him I shall reign.

**CHORUS**

Come what may, with Your Word I will stay,  
 Come what may, I'll press through anyway;  
 Come what may, Lord have Your way.

I'll consider Him  
 Who for the joy that was set before Him,  
 The cross He endured;  
 And that same life now dwelleth within me  
 Victory I'm assured.  
 For He did say, He'll never leave me nor forsake me,  
 And as a seed of Abraham  
 I'll possess the gates of my enemies!  
 Why should I ever think it strange  
 When fiery trials should come my way?  
 For He said that if I do suffer for His Name  
 With Him I shall reign.

As I journey along,  
 May Lord I ever be, courageous and strong;  
 For inch by inch I'll possess the land

For I'm a journeyman,  
 By striving lawfully,  
 Knowing Thou savourest reverence and humility;  
 Let the fullness of that meal offering  
 Be displayed in me!  
 I should never ever think it strange  
 When fiery trials should come my way,  
 For You said that if I do suffer for Your Name,  
 With You I shall reign.

When I am down on the ground,  
 May I press through like a lily  
 In spite of the muck all around;  
 Rejoicing in the glory wherein You have clothed me.  
 When I am up in the air  
 And the strong winds blow,  
 May I ever know that You are there;  
 But if I be like a wounded dove,  
 May I press through with Your message of Love.  
 For I no longer ever think it strange  
 When fiery trials should come my way;  
 For I know that if I do suffer for Your Name  
 Lord, with You I shall reign.

**IT'S JUBILEE TIME AGAIN F**

It's Jubilee time again,  
 The outpouring of the Latter rain,  
 When you hear the Trumpet,  
 Shout and worship Him.

Keep on rejoicing, rejoicing,  
 It's Jubilee time again,  
 Rejoicing, rejoicing,  
 The anointing breaks every chain

Keep on rejoicing, rejoicing.  
 You are pardoned from your sin,  
 Rejoicing, rejoicing,  
 The anointing breaks every chain

**SOMETHING IS HAPPENING D**

God knew we didn't have a revelation  
 Of how to approach him so he made a sacrifice  
 By offering up himself, he became our sacrifice  
 That we can have access, we can approach his throne  
 But now he bids us at Mizpah here to pray  
 To sacrifice our lives and build him an altar here  
 And as we pray our prayers go up as incense  
 And the fire of the Holy Ghost comes down and fills our lives

**CHORUS**

I can feel Him drawing nearer  
 (The presence of the Lord is here)  
 Accepting our sacrifice  
 (The presence of the Lord is here)  
 Something has got to happen here  
 2x  
 So we'll wait here at Mizpah  
 Something is going to happen here

God is pushing his church into a higher place  
 A church without sin where his gifts can manifest  
 So how we settle for a weak and empty life  
 When the Spirit is calling us to higher heights

**CHORUS**

Saying stay here at Mizpah  
 Something is going to happen here  
 There are ministries of angels  
 Something is going to happen here  
 Cast not away your confidence  
 Something is going to happen here  
 It's God strength versus human strength

Something is going to happen here

So as we pray we lift you up Father  
 For we see what you have done for us and we glorify your Name  
 We remember what was done in the bible at Mizpah when our father prayed  
 When they offered up their sacrifices  
 The presence of the Lord came down and you answered their prayer  
 Now we are your children in the evening time  
 Declaring our pedigree,  
 expecting you to come  
 You said blessed is a man who thou chocesth  
 Whom thou causeth to approach you Lord  
 And as we pray our prayer becomes more of you Lord, more of you Lord, more of you Lord,  
 more of you Lord,  
 Something is, something is,  
 something is going to happen here....

**I DON'T DESERVE A MANSION F**

I was lost but Jesus saved me  
 He gave his life on Calvary's tree  
 Though I've failed him, he still loves me  
 Through his grace I've been set free

**CHORUS**

No I don't deserve a mansion I was born a sinful man  
 No I don't deserve a mansion  
 But Jesus built a home for me in glory land

It was our sins that he died for  
 A home on high, he paid the price  
 Who are we that he should love us  
 Enough to give his life

**I AM ADDICTED** **Gm**

I have always known conviction  
lies in the vision  
And for one to be committed he  
must be interested  
To know what's in the mind of  
creator  
And to be like Hannah when we see  
the need to be a house of prayer for  
all the nations about  
For we are the ones who've  
been given the mind of God

I am addicted  
To the word of the Lord  
A desire to feel the heart of God  
And to know his mind now  
dwelleth in me  
To see his house complete  
I am addicted (2x)

Now I understand there must be  
a travailing  
A groaning in the inside  
When we see the hideous  
happenings  
That has swept upon the face of  
the whole earth  
Men has lost the sanity of their  
minds  
But we are a house of prayer  
A river that's flowing out  
For we are the ones who would  
get God's elect out

I am addicted  
To prayer to travail  
To cry out  
To God to be worthy to escape  
The wrath of the Lord that is now  
upon this world  
I am addicted

I've heard of the seven thunders  
And the seals that were broke open  
But I've never understood the  
depts. About redemption

But now I know the mediator  
between heaven and earth  
Who took the book and broke  
those seven seals and reveal my  
name  
Showing me how to be born again  
Now filled with the Holy Ghost  
He'll finish the work in me

I am addicted to the word that  
gives me life  
That will rapture my soul and take  
me away into another place  
From the judgement of this world  
I am addicted to Hannah's painful  
desire, Jonah's prayer meeting, A  
house of prayer for all the nations,  
the sealing of the elect  
I am addicted to the sweet  
savour, the holy royal priesthood,  
the throne of mercy and  
judgement and the immune  
church of Christ

**CRUCIFIED** **Bb**

Above all powers  
Above all kings  
Above all nature  
And all created things  
Above all wisdom  
And all the ways of man  
You were there before the world  
began

Above all kingdoms  
Above all thrones  
Above all wonders the world has  
ever known  
Above all wealth and treasures  
of the earth  
There's no way to measure what  
You're worth

**CHORUS**

Crucified, laid behind a stone  
You live to die rejected and alone  
Like a rose trampled on the ground  
You took the fall and thought of me  
Above all.

**LET THE RAIN COME DOWN** **C**

We are living in these last days,  
In a harassing and a thirsty age.  
God sent Elijah His prophet  
again  
That He might come and bring  
the rain.

**CHORUS**

Let the rain come down,  
Let the thunder roll,  
Filling me up, let me overflow  
Till I can take no more;  
Filling me up, let me overflow  
Till I can take no more.

When you are a seed of God,  
You've got to be planted in the  
Word to die;  
Your body might decay here in the  
earth,  
But it will spring to life with eternal  
growth.

In these last days we are living in,  
We know that the life which is in  
us will spring again,  
As small as a mustard seed,  
saints, it will grow;  
As big and wide with branches  
flowing on the other side!

I want the former and the latter  
rain to reign in you;  
I want the former and the latter  
rain to reign in me;  
I want the former and the latter  
rain to reign in you;  
I want the former and the latter  
rain to reign in me.

I want the rain to come and give  
me Faith,  
I want the rain to come and give  
me Virtue,  
Let the rain come and give me  
Knowledge,  
I want the rain to give me  
Temperance,  
Let the rain come and give me  
Patience,

I want the rain to give me  
Godliness,  
Let the rain come and give me  
Brotherly Kindness,  
And Charity that the Super-  
anointing power could be seen in  
me.

**GOD IN SIMPLICITY** **D**

It's God in simplicity,  
Now revealed in humility,  
King of Kings and Lord of Lords;  
His name is called the Word of  
God,  
It's God in simplicity.

The Seven Thunder mystery,  
How He formed Himself in me;  
Now I know I'm part of Him;  
Soon He'll come and take me  
home,  
It's God in simplicity.

Christ is the mystery,  
Now revealed in you and me,  
King of Kings and Lord of Lords;  
His name is called the Word of  
God;  
Christ is the mystery.

**SHE STEPS A LADY** D

She steps a lady all clothed in white,  
Surrounded by a rainbow-colored light;  
The sweetest smile she wears across her face,  
As she beholds the One in whom she has found grace.

**CHORUS**

And what joy now fills her lover's heart!  
As He beholds His lovely Bride at last;  
And with joy will the angels sing,  
What adoration from the Seraphim!

Objections considered, all hollerings will cease,  
All other women will have to hold their peace;  
He whispered to us in a language unknown,  
And now the beauty of His Bride will be shown.

Oh, the mystery that the two have now become one,  
And the victory of all ages is finally won;  
Flesh of His flesh, bone of His bone, we are the same,  
United we stand under that special name.

The Lamb takes His wife by the hand  
And leads her unto the promised land,  
Humble woman, He has chosen for His own,  
Will sit with Him as Queen upon His Throne.

**HIS MISSING RIB** D

It was some thousand years ago  
In the beautiful garden of Eden;  
When God made man and placed him  
Over the earth to have dominion,  
But He saw man was alone,  
He had no one to share his home.

So God put man into a sleep  
And took from his side,  
One of his ribs close to his heart  
With which He formed his bride.  
His missing rib has been restored,  
His missing rib was in bride form.

This bride has come all dressed in white,  
A veil she has put on.  
She's come to stand at the side of him  
Whom she was taken from.  
His missing rib has been restored,  
His missing rib is in bride form.

**WE ARE GOING OUT** D

A prophet like unto Moses came to us in this day,  
Vindicated with signs and wonders,  
He came to show us the way;  
But now he's left us, gone on to glory,  
And God has Joshua on the scene;  
So be thou strong and of good courage,  
As He was with Moses,  
So He'll be with thee.

**CHORUS**

For we are the children going  
Out of Egypt's land,  
We are the children marching  
Into the promised land;  
We are the children crossing over.  
The Ark is going before us,  
We are the children going out  
In this Third Exodus.

Oh children, let's all be ready,  
Heed to all that God commands;  
Let us obey all His instructions  
To enter into the promised land  
He is the captain of our salvation,  
Defeated all our enemies.  
Do not be fearful, just be courageous;  
He is the leader as we march to victory.

**EVENING SACRIFICE** C

An evening sacrifice we offer,  
At the end of this age  
The prayers we lay upon the altar  
Ascend with thanks and praise  
May they be a sweet aroma  
That brings You joy always  
As we offer up our incense together  
Behind the inner veil

**CHORUS**

Lord we bring to You, an evening sacrifice  
Lord we bring to You our free-will offering  
The temple of our lives  
And we come to You,  
With true hearts we draw near  
Let Your fire fall upon this altar here  
Of sacrifice and prayer.

**CHORUS**

The coming of that seventh angel  
Was to restore all things  
The fulfillment of a divine promise  
That God would dwell within  
The super sign, invisible union  
The restoration of all things  
A people who would reign with Him forever  
To a race of priests and kings

**CHORUS**

The door will close  
Intercession's ending, under that Seventh Seal  
The hidden plan of true redemption.  
To the Bride is being revealed  
The way into the Holy of Holies  
To us is being unveiled  
Access restored, dominion is given  
To a people marked and sealed

**THIS IS THE HOUR** C

Bride of Christ, for so long we've been waiting  
For our promised king has come  
We await his appearing  
We're being tested, we're being tried  
We've cried and we've sighed  
Since 1963 we've heard these things will be  
But first the squeeze will come  
A quick short ride and then it's done  
This is the hour

**CHORUS**

This is the hour that we've all been waiting for  
This is the hour; the bridegroom is at the door  
This is the hour, of His appearing  
The trumpet shall sound and we'll go home  
This is the hour

End time Daniels you arise  
This is the time of the evening  
The king of Babylon has come  
He's plundering and devouring  
He's causing men to bow  
Passing laws even now  
But prayer's the only way out  
Daniels trust and don't you doubt  
That Michael your prince will stand  
And in the fire you'll meet the Son of man  
This is the hour

End time Esthers you awake  
The Seven Thunders are sounding of the genocide that's coming  
It's time to intercede  
For your people you must plead  
In the spirit of sacrifice  
Be willing to give your life  
And your desire is his command  
In this hour

Soon he'll be coming for me (3x)  
Coming to take me home

904

**OH LAMB OF GOD C**

Your only Son, no sin to hide  
But you have sent him from your side  
To walk upon this guilty sod  
And to become the lamb of God

Your gift of love they crucified  
They laughed and scorned him  
as he died  
The humble king they named a fraud  
And sacrificed the lamb of God

**CHORUS**

Oh lamb of God, sweet lamb of God  
I love the holy lamb of God  
Oh wash me in his precious blood  
My Jesus Christ the lamb of God

I was so lost I should have died  
But you have drawn me to your side  
To be led by your staff and rod  
And to become a lamb of God

**CHORUS**

Oh lamb of God, sweet lamb of God  
I love the holy lamb of God  
Oh wash me in his precious blood  
Till I am a child of God

905

**THE LORD THY GOD C**

The Lord thy God )  
Is in the midst of thee )  
He's mighty, so mighty )2x

And as he reigns )  
High and lifted up )  
With power and grace )  
And authority )2x

And he shall reign  
In the midst of thee  
Forever and ever, amen.

906

**I'M DESPERATE FOR YOU G**

This is the air I breathe  
This is the air I breathe  
Your Holy Presence  
Living in me

This is my daily bread

This is my daily bread  
Your very word  
Spoken to me  
And I, I'm desperate for you  
And I, I'm lost without you

907

**AND I WILL RUN D**

This yearning deep within me  
reaches out to you  
Your oil of joy for mourning  
My soul delights in you

And I will run to your secret place  
Bow my knees to Your glorious throne  
Have your way in my heart oh Lord  
Have your way

I need you Holy Spirit  
You're fire to my soul  
Consume my total being  
Jesus take control

908

**LORD I THIRST FOR YOU D**

Lord I thirst for you  
And I long to be in your presence  
My soul will wait for you  
Father draw me nearer  
Draw me nearer  
To the beauty of your cross

909

**UNTO THEE WE GIVE THANKS D**

Unto Thee, Lord we lift our hands  
Unto Thee, we give all the thanks  
Unto Thee, we give all the praise  
And the glory to Your name  
For You are worthy  
There is no other God but Thee  
You are worthy  
Yours is the power and majesty  
You are worthy  
You are worthy  
Yes You're worthy  
Of all the glory and all the praise

**THE ANCIENT OF DAYS A**

I beheld in the courts of Heaven  
Where great treason was opposed:  
Michael fought the great red Dragon  
Who wanted to take control.  
Kicked out of Heaven with the third  
of the stars,  
Like lightning they fell to the earth,  
They mingled the seed of men,  
And by deceit, they gained control,  
Until...

**CHORUS**

The Ancient of days did come,  
With experience, maturity and  
wisdom;  
The Ancient of days did come,  
Restoring full dominion.  
The Ancient of days did come  
With experience, maturity and  
wisdom,  
The Ancient of days did come  
And we must overcome.

**MONOLOGUE**

*I beheld this same dragon on  
the earth was a dreadful beast:  
He plundered and devoured,  
having kings to bow at his feet.  
But, I beheld till the Prince of  
Princes came,  
Great Michael, en morphe  
As the bloody Lamb that was  
slain,  
He brought to us the victory.  
He is ....*

I beheld this beast was wounded  
But his deadly wound was healed:  
He cast down the truth, exalted a  
lie,  
Having the whole world to be  
deceived.  
I beheld till a Mighty Angel came  
With an open book in His hand,  
He gave me skill and wisdom to  
understand  
God's great mystery plan.

**MONOLOGUE**

*I stood in the ranks of a great  
army,  
They were the saints of the most  
high God;  
We fought the dragon and  
overcame  
By Michael's two-edged sword.*

**LAND OF MILK AND HONEY F**

There is a land of milk and honey,  
There is a land where we won't  
need money,  
There is a land shining with jasper;  
There we shall see our blessed  
Saviour.

**CHORUS**

And that's the reason,  
We shout '**hallelujah!**'  
Praising the King ,across the river;  
That shining river,  
Where the saints will gather;  
There we shall see our blessed  
Messiah.

Elijah has come, he has done his  
work already,  
As John has said,  
"The bride has made ready,"  
And now we are waiting  
For the coming of Jesus,  
What a blessed day  
When the Lamb shall take us.

Our hopes are bright,  
Our lamps are burning,  
And day by day our hearts are  
yearning,  
This is the evening;  
He will come in the morning,  
Then we shall wait until that  
morning.

537

**WELCOME , WELCOME F**

Welcome, welcome, welcome,  
Holy Ghost we welcome Thee;  
Come with power this very hour,  
Holy Ghost we welcome Thee.

\*\*\*\*

**TIRED UNDERPRIVILEGED D**

When I think about what God  
has done  
Back there on Calvary;  
Even Seven Angels coming in a  
Cloud  
Bringing back redemption for me  
Opening up the Lamb's book of  
Life  
And all the hidden mysteries,  
And I know that we have eaten  
the Book,  
What a people we should be!  
And when I see another corn of  
wheat  
Coming to a mature stage,  
And this is the day of redemption  
And the price has been paid;  
Yet I see the things You've  
promised  
Missing in my life,  
Oh how I want to lose my life,  
So your Life could be }  
wrapped up in mine. }2x

**CHORUS**

For I'm tired living underprivileged  
When I see what God has done;  
I'm tired living as a servant  
When it's time for manifested  
sons.  
Lord, You gave revival and  
And you promised the Third Pull  
too;  
For the greater works we }  
have to do. }2x

There are souls under the altar,  
They are crying out 'how long  
Lord?'

Sleeping saints, they are anxiously  
Awaiting on the resurrection.  
In my heart there is a cry  
To go back to that place,  
No more darkly in a mirror  
But seeing face to face.  
The whole creation is groaning,  
Waiting on that sweet release;

The lion wants to lay down with the  
lamb

For a thousand years of peace;  
And I want to see the One  
Who has been with us all the time;  
But still I want to lose my life  
So His Life could be wrapped }  
up in mine. }2x

A new day has dawned  
And I just can't go on this way,  
Just saying that I'm a Christian,  
Walking with my Bible everyday,  
The Prophet said the true church  
would write  
Another Book of Acts,  
And if I don't come back to that  
place  
Then I have missed the mark.  
But between revivals the locks  
have grown,  
There is a possibility;  
The meal has been placed upon  
the sticks  
To be baked into reality,  
Faith to use the power  
Is growing greater all the time.  
So like Samson: Just once more  
Lord,  
Like Esther: If I perish I perish Lord,  
Like Jonah: to do Your bidding Lord,  
Like Joseph: to be a prisoner;  
For the greater works we }  
have to do. }2x

539

**FLOW THROUGH ME A**

Flow through me, Holy Spirit,  
Flow through me;  
Flow through me, Holy Spirit,  
Flow through me;  
As I lift my hands to worship,  
And to magnify Thy Name;  
Flow through me, Holy Spirit,  
Flow through me.

**WE ARE GOING OVER F**

We are going over Jordan.}3x  
And the ark is going before us.}3x  
And the waters now are parting.}3x

\*\*\*\*

**I'LL WALK CLOSER F**

Dear Lord I hear You calling me  
into a deeper life  
Away from all my doubts and fears  
Away from all my strife  
And through the noises around me  
I can hear Your still small voice  
Calling me to walk a little closer (2x)  
  
Teach me how I must spend my  
time as the days roll on  
I need to know I'm growing  
With the breaking of each dawn  
Give me more of Your Spirit  
That I can live more conscious Lord  
So I can walk a little closer (2x)

I've seen You broke the barriers  
down that separated us  
Now in you I have more confidence  
In you I've learned to trust  
I'm growing in my understanding of  
Your holy love  
Now I will walk a little closer (2x)

**SAIL ON – SAIL ON A****CHORUS**

Land Ahoy! Land Ahoy!  
We are seeing the evidence  
upon the water  
Sail on! sail on!  
We are going to the Promise land  
We are going to the Promise land

We've been travelling in a ship  
on the sea of time  
Our destination is an eternal shore  
With our captain led by the angel  
Who has come to take us over  
For he knows we've never  
passed this way before  
Night and day the captain has been  
plotting out our course  
Studying those maps and charts so  
we won't come up lost

The thing about this captain is  
how he reiterates  
What the prophet to the age did  
say  
This is what our captain says today

**CHORUS**

Sail on, sail on  
We are going to a land God has  
promised  
Sail on, sail on  
We are going to the Promised land  
We are going to the Promised land

This ship has been journeying for  
so long  
Through tempestuous winds and  
many raging storms  
But our captain keeps her steady  
on her course  
Unto the land God has promised  
us  
Many ships and sailors stopped at  
ports along the way  
Others became shipwrecked  
because their captain did not stay  
With the instructions that were given  
by the angel in this day  
To say exactly what the angel  
says

This is what the captain says today

The promised land is the fullness  
of the Holy Ghost  
A power that is to come back to  
the church  
In that hour missing limbs will be  
restored  
The dead raised, the sick healed  
by the word

903

**I LOVE YOU MY LORD F**

I love you )  
I love you )  
I love you my Lord )2x

I praise you.....  
We thank you.....  
You are worthy....

**GREAT IS OUR LORD C**

Great is our God  
Holy and Mighty  
Who has brought  
Redemption for me  
The worthy lamb who was slain  
Broke the chains of sin and  
death from me

**CHORUS**

For He is my God  
He cannot change  
He is the Mighty God unveiled  
Conqueror, Almighty one  
The Lion of Judah who prevailed  
And He's God, He is God  
He never fails

Great is our God  
Who's ever faithful  
The Mighty Angel who  
descended  
In him I have overcome  
He has made my eyes to see  
Now I know I belong to him.  
Great is our God  
He is our Healer  
He healeth all our diseases  
Our Provider  
Great Deliver is he  
There's no other God beside him.

**BRIDGE**

Wonderful Saviour  
The Mighty Prince of Peace  
The Righteous one  
King Theophany  
My Eternal Father  
The Great El Shaddai  
The Bright and Morning Star is  
He  
Lily of the Valley  
He is my Lord, my coming King

**HALLELUJAH F**

Hallelujah (3x)

**CHORUS**

Halle, halle, halle, hallelujah (2x)  
For you are God and You forever  
shall be  
You not only opened our mighty  
Red sea  
But You're leading with the Pillar  
of Fire  
Look. Oh children we are  
ascending higher

There was a stage of the  
wilderness  
But You always declared Your  
righteousness  
For when sickness fell in the  
camp that day  
The brazen serpent was lifted  
And You showed us back the way

Years have rolled on and we've  
entered the land  
With a Joshua commission and  
the Holy Ghost on hand  
Fear not children for the faith is  
here  
It will manifest the third pull and  
rapture us away.

**OPEN MY EYES/EARS LORD D**

Open my eyes Lord  
I want to see Jesus  
To reach out and touch him  
To say that I love you

Open my ears Lord  
And teach me to listen  
Open my eyes Lord  
I want to see Jesus

**SHE IS MY BRIDE F**

Come, see what I've found  
In the dust of the ground;  
A pearl of great price,  
A jewel for my crown.  
The gentle look in her eyes,  
Motherhood she won't despise,  
Such a jewel is rare to find.  
She's like an Easter flower  
That the Rock of ages did  
shelter;  
Her beauty, her character are  
undefiled.

**CHORUS**

And she is my bride,  
She is my virtuous wife;  
She is my bride  
Today and forever.

I've suffered much pain  
Before I could take my claim,  
But she was chosen long ago to  
bear my name.  
We shared years of intimacy,  
She was the great mystery in  
me;  
She is flesh of my flesh  
And bone of my bone.

**MONOLOGUE**

*I believe, "blessed is the man  
who can find a virtuous wife,"  
for we live in a time when the  
daughters of men are fair. But  
what is beauty without  
character anyway?.. Just  
vanity..... so sons of God, turn  
your eyes away from that wild  
stare. Look for the virtues of  
sacred motherhood..... a meek  
and quiet spirit which is  
precious in the sight of the  
Lord ..... And such virtues you  
can only find in the daughters  
of God ..... who, like Leah and  
Rachel, will build the house of  
Israel, raising sons and  
daughters of God .... would  
worship the Lord and bless  
His Holy Name .... When  
you've found such a woman,  
then you can truly say .....*

My love will keep her all the way,  
At my side she'll always stay,  
For we're united by my promises;  
I'll keep my word.  
She'll never be alone  
Together we'll share our future  
home,  
My queen will sit with me upon  
my throne.

**BEHOLD THE LAMB E**

About two thousand years ago  
When John was on the earth,  
Sent by God to pave the way  
For the Saviour of this world:  
And as he introduced the  
Messiah  
To the people there,  
When he saw Jesus coming unto  
Him,  
This is what He said.

**CHORUS**

"Behold the Lamb  
Who taketh away the sin of this  
world!"  
Behold the Lamb  
Has taken away, has taken  
away my sin.

Israel suffered serpent stings  
When they provoked the Lord,  
God's mercy caused the brazen  
serpent  
To be lifted up;  
And as for healing, it was lifted  
In the wilderness,  
So Jesus Christ was lifted  
So we could look and live.

In the beginning was the Word,  
Then, taking fleshly form,  
Was manifested through  
Jesus Christ  
And lifted on the cross:  
And through the opening of  
those Seven Seals  
We see so plain,  
Just for our redemption, He's  
lifted up again.

\*\*\*\*

**SAIL ON** **F**

Morning cometh and also the night,  
Gross darkness upon the earth;  
Many are wandering to and fro  
And knowledge has increased.  
But make sure your anchor holds my friend,  
And keep your eyes upon the North Star  
'Cause He promised never to leave us;  
He's the author and the finisher.

**CHORUS**

Sail on, sail on, sail on, sail on,  
Land ahoy!  
Sail on, sail on, sail on, sail on.

A royal priesthood we are,  
A peculiar people,  
A holy generation  
That comes from every nation.  
And the captain of the Lord's host is on our side,  
With a flaming sword in His hand  
To protect us as we go by.

We've been travelling six thousand years,  
Going back to Eden.  
Soon it wouldn't be long,  
We'll soon see our Promised Land.  
Standing fast in the liberty  
Wherein Christ has made us free,  
Holding our confession to the end;  
Lady Liberty.

We're sailing through rugged, jagged seas  
With thunders, lightning and blasts;  
Pressing through with all our might  
To see God's Word come to pass.  
If we perish, we perish,  
But we're going to see our King,  
Laying our lives on the line,  
Knowing that we are nothing.

\*\*\*\*

**GOD'S EAGLES** **F**

I lived in a world of sin and shame  
That only caused me grief and pain,  
And I tried so hard to be free,  
Searching for my true identity,  
Didn't know I came from eternity,  
Until God came and revealed it to me.

**CHORUS**

On the wings of a snow-white Dove, }  
God sent His pure sweet love, }  
On the wings of a snow-white Dove }  
To take His eagle home. }2x

I knew somehow I was born to fly  
Way up in the sky,  
But somehow I couldn't set my wings free;  
But since that day I heard His voice  
And made Him my heavenly choice,  
By His grace I can say I've been set free.

Now behold what manner of love  
The Father hath bestowed upon us,  
That we might be called the Sons of God!  
Wherever He bids us we will go,  
Wherever He leads we will follow,  
'Cause who the Son has set free is free indeed.

**WE ARE HERE TO PRAISE** **C**

We are here to praise You,  
To lift our hands and sing.  
We are here to give You,  
The best that we can bring;  
Bringing You our love,  
Rising from our hearts,  
Everything within us cries,  
"I love You Lord."

\*\*\*\*

**IT IS GOOD THING TO GIVE...** **D****CHORUS:**

It is a good thing to give thanks unto the Lord  
And to sing praises unto your name O most High  
You show forth your loving kindness in the morning and thy faithfulness every night  
It is a good thing to give thanks O Lord you are great, your name shall we praise  
O lord Most High

From the rising of the sun  
Unto the going down of the same  
With hearts of thanksgiving Lord  
We praise your Holy name  
And there is no other  
That deserves all glory  
And there is no other  
That we could rely on  
And place our trust

**CHORUS**

You've been our guiding light  
On our journey  
You're the pillar of Fire  
Leading us to eternity  
And when the storms are raging  
You are our shelter  
A strong and mighty tower  
That the righteous can run into  
In you we are safe.

**PRAISE HIM** **G**

Praise him in the morning  
When the sun refuses to shine  
On your mountain tops and in your valleys  
Praise Him all the time

Praise Him  
Lift your hands and sing to him  
He deserves all our praises  
Praise His Holy name.

\*\*\*\*

**I CAN DO ALL THINGS...** **C**

When I look at myself in the mirror of the word  
I see so much to be fulfilled  
And I know I'll bring to pass that glorious mystery  
If only I walk in his will  
And I know the way to certain victory  
Is to die the death to all that's inside me  
So it's not I that live but Christ who lives in me.

**CHORUS**

I can do all things through Christ who strengthens me  
I can be all that God wants me to be  
I'll fulfill the greater works  
I will bring his word to pass  
I'll become that living reality  
I can do all things through Christ that strengthens me.

There's a challenge of this age  
But the promise to the bride  
Is the stature of a perfect man  
And I know the way to reach that seventh step  
Is only through self sacrifice  
With the word of God deep inside me  
And the Holy Ghost to lead and guide me  
With my eyes fixed on the cross  
I count all things as naught  
It's not my will but Thine  
And in His perfect strength I'll find.

**PILGRIM ON THE EARTH Am**

As I walk through this land  
As an elect that's been chosen  
by grace  
And I see the evil of man  
I know I'm from another place

**CHORUS**

On the earth I'll be a pilgrim  
On my way to glory there's so  
much pain I must endure  
I'll fight the good fight, I'll keep  
the faith  
I'm forward to glory and my  
eternity is assured  
Oh I am a pilgrim  
Oh a child of God

As I strive daily oh Lord  
Lead me by your grace  
For my one and only prize  
Is to see you face to face

Daily as I walk with Christ  
The revelation comes clearer to me  
That on this dying earth  
I'll have no continuing city.

What will I present to Christ  
At the end of my journey ?  
I overcome him by the blood  
And the word of my testimony.

**TAKE ME INTO THE HOLY C**

Take me into the Holy of Holies  
Take me in by the blood of the  
Lamb  
Take me into the Holy of holies  
Take the coal cleanse my lips here I  
am  
Take the coal cleanse my lips here I  
am

**GET IN THE SPIRIT G**

Get in the Spirit (3x)

The time has come for this  
Church to go higher in the Spirit  
God sent us messages on faith to  
take us higher in the Spirit  
He said if you want to see  
supernatural things get in the  
Spirit

**CHORUS**

We'll see the sick healed, the  
blind see, the lame walk  
The dumb talk, the deaf hear  
Get in the Spirit.

We'll see the power of true  
confession when we get in the  
Spirit  
Our body spirit and soul will  
come in subjection to our  
confession  
When we get in the Spirit  
We'll see our circumstances  
under our feet when we get in  
the Spirit.

Love one another as God has  
commanded and get in the Spirit  
Be kind, tenderhearted and forgiving  
towards one another  
And get in the Spirit  
He said if we want to see the  
book of Acts again get in the  
Spirit.

**CHORUS**

We'll see the greater works that  
Super Church  
Souls saved, dead raised, gifts  
restored  
Get in the Spirit  
(Get in the Spirit)

**VICTORY AND GLORY C**

I have heard but now I see,  
God's promise to you and me.  
All these years through thick and  
thin,  
We have laboured to enter in.  
//Then God's silence was broken  
through and I can see me and  
you//

**CHORUS**

Singing Victory,  
Victory and Glory for all eternity,  
It's the promise of God to us.  
Victory and Glory, for all eternity,  
Hallelujah!  
Victory and Glory, for all eternity,  
We'll sing it forever,  
Victory and glory for all eternity.

The Thunders came, the Seals  
revealed,  
Couldn't understand all, but yet  
we believed.  
Many thought we were off on a  
limb;  
But they didn't know we were  
worshipping Him.  
//Wednesday the third of June at  
Cocoyea God decided to display  
Himself.//

Now we are climbing higher each  
day,  
Conquering all devils who stand  
in our way,  
This Bride is ready to make her  
stand  
For the kingdom of God is at  
hand,  
//For it becometh unto us to  
fulfill all righteousness//

This Bride's revival is here to  
stay,  
We must press harder to keep it  
that way.  
Through prayer, obedience and  
sincerity,  
We'll all inherit eternity;  
//JVHU, I Jesus, is hereto prove  
that this Bride won't fail//

**OUR RESTORED FAITH G**

This Message bought us back to  
oneness with our God,  
With Seven Seals opening up  
His Holy Word.  
Seven Mysteries thundering out  
and unfolding;  
Rapturing Faith for Rapturing  
Grace now revealing.

**CHORUS**

The Adoption, full Redemption,  
All authority and power  
Is restored unto the Bride in this  
great hour.

I was troubled and confused in  
Laodicea,  
No satisfaction for this deep and  
inward hunger,  
Clouds of darkness hovered o'er  
me trying to blind me,  
The Light broke through, the  
shadows flew, and now I can  
see.

I have heard about the inspired  
declaration,  
Made by ambassadors for Christ  
from South in Trinidad,  
The move is on for the chosen  
ones by election;  
The local Bride is gathering in for  
the adoption.

Seven Voices thundered out in  
this hour,  
Revealing Faith to Brotherly  
Kindness for the Rapture,  
Anointing hearts and lives with  
overcoming power;  
Fear and bondage, skepticism  
could not linger.

We are quickened by this  
blessed revelation,  
Changing from glory unto glory  
for Redemption,  
Perfect Love uniting hearts for  
translation,  
Perfect Faith conquering death  
for resurrection.

**LET GOD HOLD YOUR HAND C#**

When you feel that your life is almost gone,  
And the burdens they are just too much to bear,  
When you think that my God has left you in your most trying hour,  
Just remember He'll be there to hold your hand.

**CHORUS**

So just let God hold your hand,  
He never failed and He will not fail,  
He'll always be there,  
So when you think that you're so alone,  
My Jesus, He will help you stand,  
So just let go and let God hold your hand.

Every word that He has promised is true,  
He has kept me only by His saving grace,  
So when the pressures of this world engulf you like a mighty sea,  
He'll be there, He will be there to hold your hand.

**CHORUS**

Take my hand precious Lord, lead me home.

549

**JESUS NAME C**

Jesus, name above all names,  
Wonderful Saviour,  
Glorious Lord,  
Immanuel, God is with us,  
Blessed Redeemer, Living Word.

550

**IMMANUEL, IMMANUEL C**

Immanuel, Immanuel  
His name is called Immanuel,  
He's God with us,  
Revealed in us,  
His name is called Immanuel.

**MY LORD DELIVERED ME D**

There was a time when I was deep in sin,  
No place in my heart  
For the Lord to enter in;  
Stumbling in darkness,  
The way I could not find,  
There was a deep in my soul,  
I knew I was blind,  
Until His light did shine.

**CHORUS**

My Lord delivered me with His mighty hand,  
My Lord delivered me from the sinking sand.  
My Lord delivered me, that is why I sing,  
My Lord delivered me, I could never stop praising Him.

Now I am a warrior with a battle to fight,  
I'm not afraid for the Lord my Captain is in sight,  
He'll point the Silver Sword and I'll obey His Word,  
But the foolish man, he can't understand,  
I'm His thought made flesh by predestination.

So here we are so great with child,  
Resting on that Seventh Peak,  
Waiting orders from on high  
To exercise the Third Pull,  
our inheritance;  
But the wicked man cannot understand,  
There cannot be any impersonation.

Love one another my brothers,  
Let's run this race,  
Endure to the end,  
For we know we'll see His face.  
Grow in grace my sisters,  
Let's fulfill all righteousness,  
For we are flesh of His flesh and bone of His bone  
We'll sit with Him in His throne.

**FAITH TO BELIEVE D**

Cast out all fears and doubts  
He surely bring you out  
Of your condition, whatever it may be  
Stay I his provided way  
For the price he did pay  
Only in that place you'll come into  
Rapturing grace

He has given me the faith to believe  
For whatever you ask you shall receive  
For he's given me the key  
For my victory  
Believing on him who's been sent to me  
I need not worry  
My soul is now at peace

For he has given me the faith to believe  
For whatever I ask I shall receive  
He told me come boldly before his throne  
For I am his own  
Believing what he said concerning me  
Brings my heart a settled peace  
So I need not worry  
My soul is now at peace.

890

**TO WHERE I BELONG F**

Take me out of the shallow waters  
I can't stand on my own  
Bear me over the deepest fountain  
By trusting you alone  
If holding you is a weakness Lord  
Don't let me be so strong  
Take me out of the shallow waters  
Lord  
To where I belong

**TIRED LABOURING IN THE... Dm**

From the moment I believed,  
I've been labouring in the flesh  
and I will keep believing till his promise I receive,  
I will never satisfy till in his likeness I awake.  
And I will never cease to cry until Christ and I unite just like Ruth  
who ceased to labour then came into her perfect rest.

**CHORUS**

I'm tired of labouring in the flesh  
I'm coming into His rest,  
That's where I'll cease from all unbelief  
Christ living in me will be my peace.  
I'm tired of labouring in the flesh  
I'm coming into his rest  
that's where I'll cease from all unbelief  
Christ living in me will be my peace.

I have learnt in this body there is a law of sin and that evil is present with me even when I will to do good. But God promised in this hour  
He said there will be a change there'll be a total annihilation, an irreversible change.  
Just like Paul who had learnt there's no condemnation to those who are Christ.

**MONOLOGUE**

I'm so tired of trying to live his life and how could I live his life if I'm still living mine.  
And though I know from the bottom of my heart that I'm not from this world  
Yet there is nothing I can do in myself to return to that place of perfect peace.  
He said he will come and he will not tarry so I will not draw back and I will not be loose about my life anymore  
The only labour I must labour is to enter into his rest.

\*\*\*\*

**EXCEPT THE LORD GOD... C****CHORUS**

Except the Lord God build this house  
 Then our labours are in vain  
 Except the Lord God keepeth this city  
 Then the watchman waketh up in vain  
 For what house will you build the Lord  
 Since he dwelleth not in temple made of human hands  
 But by his grace  
 He made you his habitation  
 The Lord has built this house.

God has promised in this day  
 There'll be a people like him  
 They are chosen forth to bring Messiah  
 God manifest in flesh again  
 A people whom he has redeemed by his blood  
 By his prophet's voice, we've been called out  
 To be his tabernacle  
 That he himself will dwell in

He is our foundation  
 The chief and corner stone  
 The great, wise Master builder  
 Building His masterpiece to be like Him  
 And we are the lively stones of this house  
 His workmanship unto good works  
 Glorifying our Father  
 God and us are now one.

Our hands are your hands  
 Our feet are your feet  
 Filled with your Holy Spirit  
 Now we are co workers with you  
 And with your word you lead us throughout the earth  
 To hunt out the missing stones that will build up this house  
 Lord now your house is complete.

**BRIDGE**

We will walk like him  
 We will talk like him for (for the Lord God is in this house)  
 The sick shall be healed the dead shall be raise because (for the Lord God is in this house)  
 Great works shall you do for His spirit dwells within you (for the Lord God is in this house)  
 A third pull ministry we'll have for God's word within us (for the Lord God is in this house)  
 Edenic beauty we put again, his glory fills us  
 The Lord is in this house  
 From faith to perfect love we'll stand in His Image.

**THE POWER OF YOUR LOVE G**

Lord I come to you  
 Let my heart be changed, renewed  
 Flowing from the grace that I've found in you  
 Lord I've come to know  
 The weaknesses I see in me  
 Will be swept away by the power of your love

**CHORUS**

Hold me close let your love surround me  
 Bring me near draw me to your side  
 And as I wait I rise up as the eagle  
 And I will soar with you as your Spirit leads me on  
 In the power of your love

Lord unveil my eyes  
 Let me see you face to face  
 The knowledge of your love as you live in me  
 Lord renew my mind as your will unfold in my life  
 Living everyday by the power of your love.

**HOLDING MY PALM G**

When I see all Israel in their homeland,  
 When I see all prodigals come home;  
 Then, this evil world,  
 Clothed with darkness in their soul,  
 Very soon to hear from our Redeemer;  
 The Word-Bride, we are sealed and ready,  
 For the holy new Jerusalem;  
 I am rejoicing and singing,  
 Shalom!  
 Holding my palm in my hand.

**CHORUS**

Holding my palm in my hand, }2x  
 Where the eagles are gathered  
 Worshipping the Lamb,  
 Holding my palm in my hand.

I'm not boasting about much revelation,  
 I'm not boasting about much inspiration;  
 But when I look in  
 And miss Elijah from the scene;  
 I believe and fear, for I know who is here;  
 About two hundred pounds  
 Of olive skinned complexion,  
 Pouring out His fullness unto man;  
 Like John, I shout, Hallelujah!  
 Holding my palm in my hand.

And when I hear God's Holy Word revealing,  
 All the mysteries of Christ the Son of Man;  
 I recognize my day and what the Spirit says,  
 "Come out of Laodicea;"  
 For the white horse rider will take the hindmost,  
 So come into the Royal Holy Ghost;  
 And the Spirit and the Bride say,  
 "Come, come, come,"  
 Holding my palm in my hand.

And when I feel that hot Shekinah glory,  
 Drawing me deeper into love's veil;  
 And I feel those flames of light  
 Changing my robes to white,  
 To a place where I could never fail;  
 For it was by predestination,  
 He came to dwell in me, His chosen one;  
 Then let the winds, and the waves, and Satan storm,  
 I am holding my palm in my hand.

**WE ARE YOUR PEOPLE D**

Oh Lord, we are Your people  
 Chosen by Your grace;  
 You took us from the heathen  
 To be a super race;  
 And as children of the great King of Kings  
 We have all reason to shout and sing;  
 You've given us joy, joy, joy.}2x

If You should mark iniquity,  
 Which of us could stand?  
 How could we get through this life  
 Without Your guiding hand?  
 So Lord, we ask You, forgive our failures  
 And deliver us from all temptation;  
 And make us strong, strong,  
 strong.}2x

We know we're not deserving  
 Of all Your graciousness;  
 We know we fail You daily  
 And sometimes misbehave,  
 But Lord, we love You, we want to serve You,  
 Yes Lord, we need You and we believe You  
 Will help us overcome.}2x

Oh yes, You have redeemed us  
 By Your precious blood;  
 Your power brought deliverance  
 When Satan came in like a flood;  
 And Lord we see You strong in battle,  
 Yes Lord, we see You breaking the shackles  
 And giving us Joy, Joy, Joy.}2x

**MORE THAN CONQUERORS D**

The hour of shaking is now at hand  
 When many builders would realize  
 They have built on sinking sand.  
 For the stone that the builders refused  
 They have rejected, the  
 Revelation of the Son of Man.  
 But unto you He's been a  
 treasure,  
 And an anchor to your soul,  
 All the evils of this world  
 We'll overcome.

**CHORUS**

//For more than conquerors we are  
 Through the power of Jesus' Name  
 Priests and Kings He has made us  
 And forever we shall reign//

Many pressures came from  
 outside and within,  
 And temptations did rise to take a  
 look  
 Unto the other side;  
 But by the grace of God we  
 resisted sin  
 And the devils were surprised,  
 We knew by the Word of the Lord  
 We were tested and tried;  
 But unto you who look above  
 Through the window of perfect love,  
 God has sent to us His sign  
 On the wings of a Dove.

As the new ministry becomes reality,  
 Now men will see with the eye  
 The works of God expressed  
 through His little Bride,  
 Every knee must bow, every  
 tongue confess,  
 Men's folly be made manifest,  
 The foolish man won't be able to  
 stand;  
 But unto the wise who  
 understands  
 Great exploits are now at hand,  
 For Michael's feet are on the sea  
 and on the land.

\*\*\*\*

**LO! IN HER MOUTH E**

We can see the signs of the times  
 are all around,  
 Unclean spirits like frogs coming out  
 of the Dragon's mouth,  
 False prophets are lying and the  
 truth they are denying;  
 But we have received our  
 message of grace,  
 On the wings of a Snow-White  
 dove.

**CHORUS**

Lo! in her mouth  
 Is an olive leaf,  
 That speaks about redemption,  
 That speaks about His grace.  
 Lo! in her mouth  
 Is an olive leaf;  
 It speaks about eternal life  
 And fellowship with God.

Economic and social pressures are  
 everywhere,  
 Many have been caught unawares;  
 The hour of temptation has come  
 upon everyone,  
 But unto us His little Bride, His  
 voice whispers 'Shalom!'

He said, "Fear not my child, all  
 your troubles are over,  
 Your enemy has been destroyed.  
 Your great enemy has been  
 conquered;"  
 Fear none of these things that  
 shall tear this world apart,  
 For the Dove is cooing in our hearts  
 Who are shut up in the ark.

**HE RECONCILED ME G**

He reconciled me from the pits of  
 the miry clay,  
 He brought me in His arms to stay,  
 And I'll praise Him for that day.  
 He reconciled me from the pits of  
 the miry clay,  
 Whenever Satan comes my way,  
 I'll remind Him of that day.

\*\*\*\*

**PRESENT YOUR BODY AS... C****CHORUS**

Present your body as a living  
 sacrifice  
 It's your reasonable service  
 For you've been bought with a  
 price

The precious blood of Jesus  
 Of the sinless spotless Lamb  
 Shed for you and I fallen man  
 How He loved us with a love  
 Even before this world began  
 Considered you and I  
 In his redemption plan  
 How we should love him  
 And be prisoners of his word  
 Bound by the chains  
 Of love divine

The whole creation groaneth  
 And travaileth until now  
 For the manifestation of the sons  
 of God  
 He's rent the veil of vain tradition  
 Brought his image in plain view  
 Now veils his glory  
 In oddballs like me and you  
 Now we despise Satan's Eden  
 Die to ourselves day by day  
 Perfect faith is the victory  
 We must attain

**Monologue Romans 8:35-39**

A servant at suppertime  
 Came with the secrets  
 In God's mind  
 Proclaimed our liberty  
 Bringing many sons to glory  
 How we tore our filthy rags  
 In exchange for robes so clean  
 and white  
 To sit in God's presence  
 Taking our place in His plan  
 How we should be thankful  
 He has chosen you and me  
 We are the reason of His death  
 We are his victory

**IT'S NOT IN TRYING BUT... F**

Sometimes life seems like words  
 and music  
 That can't become a song  
 And we cry and sigh and we try  
 again and wonder  
 What could be wrong  
 And when we turn to the Lord  
 At the end of ourselves like we've  
 done at times or before  
 We'll find hid truth is the same as  
 it always been  
 We never will need more

**CHORUS**

It's not in trying but in trusting  
 It's not in running but in resting  
 It's not in wondering but in praying  
 That we find the strength of the  
 Lord

He's all we need for our every  
 need  
 He'll never leave thee alone  
 But the last move that we choose  
 To do to live a life on our own  
 But the only good that could ever  
 be said  
 Is the pain we find ourselves in  
 Yet there are places to gain the  
 wisdom  
 To say I'll never leave him again

\*\*\*\*

**WE GIVE THANKS C**

We thank you Lord  
 For the love You gave so free  
 The sacrifice of Calvary  
 We thank you Lord  
 And our lips will praise You always  
 With all our hearts we bring to You  
 Our sacrifice of praise  
 And may our lives reflect Your  
 light  
 And be Your temple all our days  
 We thank You Lord  
 And we live to serve You always.

**GREAT IS THE LORD** **A**

Great is the Lord  
Who ordained my every trial  
That I stand faithful in the midst  
of circumstances  
Great is the Lord who has  
proven by His dying  
He has redeemed and He has  
restored all things  
When I am weak, my God is strong  
He causes me to walk into a faith  
I've never known  
And lifts me higher  
He unlocked the door of faith  
And anoints my soul for a  
rapturing condition  
Great is the Lord who has restored  
My atonement at Calvary  
brought me perfect faith (2x)

He lifts me higher unlocked the  
door of faith  
He anoints my soul for rapturing  
condition  
Great is the Lord who has restored  
The Cloud on Sunset Mountain  
brought me perfect faith (2x)

**BRIDGE**

He anoints my soul for rapturing  
condition (We get lifted higher)  
Far above the judgement of the  
earth ( We get lifted higher)  
And now we know him through  
divine revelation  
Above justification (higher)  
Above sanctification (higher)  
Into realm of perfect faith  
We get lifted higher (he unlocked  
the door of faith and anointed my  
soul for rapturing condition)  
Great is the Lord  
Who has restored the cloud on  
Sunset mountain brought me  
perfect faith(2x)

**IT TAKES A SACRIFICE** **Cm**

Our prophet said God's church  
will write another book of Acts  
As fast as the Word is being preached  
Those scriptures come to pass  
So God anoints a people  
With a burden in their soul  
To see this message go far and wide  
And spread throughout the world  
But the devil's always fighting God  
So there has to be a praying church  
To fight with the two edge sword

**CHORUS**

It takes a sacrifice  
To see God's word  
A sacrifice  
Spread throughout the world  
A sacrifice  
To see this Message reach to  
the hearts of men

In the days of the Ephesian  
church  
In Paul's ministry, when the church  
knelt down to pray for Paul  
Those demons had to flee  
Therefore in this age the Bride  
Age  
So we ought to be  
There has to be a church of God  
fulfilling her ministry  
And though demons stand  
against us causing accidents and  
pains  
How far are you willing to stoop  
for God to see his word fulfilled

Many saints of the past church ages  
Sacrificed their lives  
And although the messengers  
were killed  
The Message stayed alive  
So God give us this full Word  
And responsibility to eat the book  
And prophesy and set the  
captive free  
So the battle must keep raging  
It gets bloody as can be  
But as soldiers in God's army  
We already have the victory

**GREATER WORKS** **C****CHORUS**

Greater works than these shall you  
do,  
For it's a promise for me and  
you.  
Greater works than these  
shall you do,  
For it's a promise for me  
and you.

For we are partakers, Lord, of  
Your holiness,  
And we are now clothed in Your  
righteousness;  
And we are Your children walking  
in this Evening Light,  
And in Your Bride You'll be  
glorified.

For the God of Peace shall bruise  
Satan under our feet,  
The army of the living God, he  
shall not defeat;  
So let us praise God for this  
mighty privilege  
To be a part of this apostolic heritage.

For the cup of the iniquity of this  
world is almost full,  
And here we are upon Mt. Zion  
awaiting that final pull;  
May God grant us the faith to use  
that two-edged sword,  
For every day Your elect cries,  
"Just once more Lord."

So brothers and sisters let's keep  
on abiding in His Word;  
Don't look to the things of this  
world and get your vision blurred;  
For we've been drawn to that holy  
place  
Where Our Lord has placed His  
name;  
Having blessed assurance He'll  
glorify it again.

Greater works than these shall you  
do,  
For it's a promise for me and you.

**BRIDGE**

Unconditional promise for me and  
you,  
Unfailing promise for me and you,  
Holy Ghost promise for me and  
you,  
Seven Thunders promise for me  
and you,  
Oh, what a mighty promise for me  
and you.

**VESSELS OF HONOUR** **F**

We are troubled on every side  
Yet not distressed,  
Perplexed but not in despair;  
Persecuted but not forsaken,  
Even in trials we are not  
forgotten.

That's why in all these things,  
We are more than conquerors  
Pressing the upward way;  
And we bear in our bodies  
The dying of our Lord everyday,  
everyday.

**CHORUS**

'Cause we are vessels of honour }  
Set aside unto the Master's use, }  
And they whom He foreknew, }  
Them He did choose. }2x

Our Lord was tempted on every  
side,  
Yet without sin,  
That we could reign with Him;  
Proven to be the true Saviour,  
Lord and King and Blessed  
Redeemer.

Now we are given a sacred trust  
To fulfill His word  
In this hour of destruction.  
Surely goodness and mercy  
Will be with us despite the  
condition.

**GOD'S ELECTIVE LOVE** Em

Deep calleth unto deep,  
In the night time I scarcely sleep.  
Why art thou disquieted in me  
my soul?

I've found hope in the Lord of  
glory;  
He has revealed my life's  
mystery,  
Shown me that I was in His  
thoughts from times of old.

**CHORUS**

It's the rising of the sun,  
When the children of God on the  
earth are born;  
This Evening Light from above,  
It's nothing less than God's  
elective love.

I see Mary, she's walking slowly,  
Along the narrow road that's  
dusty,  
When the child is born your  
sorrow will be gone;  
"Esther, Esther, touch that  
sceptre,  
With the King you have found  
favour;"  
Anything you do, do it in that  
name.

Samson's locks are now a little  
longer,  
Faith muscles are becoming  
stronger,  
Between the pillars the Lord will  
strike His Masterpiece;  
Now the Headstone is drawing  
nearer,  
Dynamics are worked in greater  
measure;  
Pulsations of faith will soon  
create: "Let there be."

Seven Thunders activating the  
countdown,  
The North Star leads the battle  
stars to the showdown,  
Two hundred million devils will  
be on the run;

Joel's mighty army comes on  
display,  
The elements will tremble before  
them on that day,  
For strong is the Lord that  
executeth His Word.

Our hearts are burning with  
expectation,  
For the promised eternal vacation,  
Reservations have already been  
made;  
Next attraction, coming soon,  
Bridegroom and Bride leave for  
honeymoon,  
On the wings of Love she'll take  
her flight thru' the skies.

**AFTER ALL** Bb

Trials here are sometimes many,  
And oft times my feet grow weary,  
Till it seems I almost stumble  
and fall.  
But the tender hand that leads me,  
Is the hand that keeps me steady;  
Gives me faith, that I can make  
it, after all.

**CHORUS**

After all this life is over,  
And our burdens have been lifted,  
And we stand upon the mountain  
top so tall;  
Looking over in that city,  
That our Saviour is preparing,  
Gives me faith, that I can make it,  
after all.

By myself I cannot make it,  
But I know He's there to help me,  
He will hear my cry, if only I will call.  
"Just keep trusting, and believing,"  
Are the words I hear Him whisper;  
Just a few more days to labour  
after all.

He has become my salvation, }2x

**DO YOU KNOW YOUR GOD...** C

You doubt when you should  
speak the Word  
When you should overcome  
You eat of all the other foods  
I've warned you not to eat from  
And when you see your nakedness  
You turn and walk away  
When you should be on bended  
knees  
That I could hear you when you  
pray

**CHORUS**

Do you know your God in you  
Then why do you doubt my words  
When you know I can do  
Do you know your God in you  
To overcome this evil world  
You have to know the God in you

When you look back to Calvary  
What do you see  
When you underestimate my  
words and my simplicity  
And when the trials come your way  
Why do you doubt my words  
When greater is the God in you than  
he who is in the world

I predestinated you to manifest  
my word  
Revealed my secrets unto you  
But still you doubt my word  
Raise above your unbelief  
Put on your royal armour  
Pray for revelation  
You have to know your God

**CHORUS**

Do you know your God in you  
Why do you doubt my word  
When you see what I can do  
Do you know your God in you  
To overcome this evil world  
Do you know the God you serve

**APPLY THE FAITH** Am

What you've got locked up deep  
inside  
God's gene placed there for this  
final ride  
You have the faith for your victory  
You can move mountains if you'll  
only believe  
If you are living in captivity  
And there seems to be no way out  
my friend,  
God's word has set you free

**CHORUS**

Apply the faith that God has  
given you  
You don't have to be defeated  
God's word will see you through  
Stand and proclaim in Jesus Name  
Your promised inheritance  
So if the enemy still comes in like  
a flood  
Tell him your sins they are all  
under the blood

Now we're no longer under the law  
No longer in the enemy's claw  
For the faith came so we could  
be justified  
For all of our sins Christ was  
crucified  
For we have the key to all the  
enemy's schemes  
Seven seals have been revealed  
Now stand and proclaim your liberty

881

**HE ALONE IS WORTHY** F

He alone is worthy  
To worship and adore  
The lamb of God victorious  
My risen Lord  
He purchased my redemption  
My righteousness is he  
Exalt the name of Jesus  
He is worthy

875

**LORD I GIVE YOU MY HEART F****CHORUS**

Lord I give you my heart  
I give you my soul  
I live for you alone  
Every breath that I take  
Every moment I'm awake  
Lord have your way in me.  
(Repeat chorus)

This is my desire  
To honour you  
Lord with all my heart I worship  
you  
All I have within me  
I give you the praise  
All that I adore is in you.

876

**\*\*\*\* WE ENTER IN Cm**

We enter into the temple  
We give thanks to the Ancient of  
Days  
We honour him for his mercies  
unto us  
We give thanks to the Ancient of  
Days

Praise the Lord  
Shout all ye people  
How excellent is thy name  
Praise his name for his  
goodness unto us  
Give thanks to the Ancient of  
Days (2x)

877

**\*\*\*\* Psalm 96: 7-9 GIVE UNTO GOD THE GLORY G**

Give unto God all the glory  
Give unto God all the glory due  
to his name  
Bring an offering and come  
before him  
Worship the Lord in the beauty of  
holiness  
And as we come into his  
presence give him all the praise  
Give unto God all the glory due  
to his name

**\*\*\*\* SOMETHING IS BREAKING D****CHORUS**

Something is breaking  
Between mortal and immortal  
The Son's coming up  
Removing the darkness of night  
The key's being given  
Opening dimensions  
Life and immortality  
Is coming to light

A seal breaks open  
A man caught a vision  
Heard the voice of a prophet  
saying "sail on, sail on"  
And just like Abraham  
He's in search of another land  
The unseen is now being made  
visible

As dove leads eagle  
When crisis arises  
The world gets in birth pains  
They see the need to move forward  
Then the anointing  
Falls upon the vessel  
Who has been ordained  
To lift us up on a higher plane

Through each unfolding  
The way is opening  
Spiritual scientists working by  
laws to achieve this rapturing faith  
Thru secret passages  
Seven steps up the pyramid  
Where we'll run through death  
Leap over into supernatural  
realms

Something is breaking  
Between mortal and immortal  
The Son's coming up  
Removing the darkness of night  
After this mountain eternity sets  
in  
That's the real world  
We're gonna live in

**\*\*\*\* AS I POSSESS THIS LAND A**

As I continue to possess this land,  
Lord let me hold fast this revelation,  
All along the way, Lord lead me  
all the time;  
For You know this path real good,  
It is a road You have already trod,  
And you overcame every  
temptation by Your own Word.

**CHORUS**

Lord anoint me more and more,  
With overcoming inspiration,  
Seven powerful thundering voices  
Shattering every strong temptation;  
Perfect faith and confidence,  
Lord my soul is longing for;  
Perfect strength in perfect  
weakness, Lord allow.

Lord, I know that this land is mine,  
For You have made me to  
understand  
Your counsel is immutable, You  
cannot lie;  
You have restored back all the  
Word,  
And Your promises are assured;  
Forward in faith to the objective as  
I journey along.

Alert and ever watchful, help me to  
be,  
As I walk this land with Thee,  
Ever spotless may this pure white  
raiment be;  
I've surrendered whole-heartedly,  
Looking for the change of immortality  
And I remember how You came  
and delivered me.

You are the same Jesus that  
calmed the sea,  
And You're dwelling now in me,  
Make me conscious more and  
more of my ability;  
Full obedience to Thy Word,  
Because of love for what You did,  
Exercising the faith of God that's  
locked up in me.

**\*\*\*\* IN THE BEGINNING Em****CHORUS**

In the beginning, before the  
beginning,  
The great Elohim, had no origin,  
He had no father, no mother, the  
great Jehovah our God.

He had in His mind before the  
foundation,  
That He, the Lamb would be slain  
To redeem His creation;  
He knew we had fallen from our  
lofty heights to sin,  
So He had to come in flesh and  
die,  
To bring us back again to Eden.

He came with a Shout revealing  
His redemption,  
To call and claim His Bride  
From the powers of deception;  
So why should we doubt  
That His words are in our mouths,  
For He has ordained that we must  
prophesy again,  
To every nation.

We have crossed back the chasm  
to our lofty heights,  
By seven thundering voices, His  
great evening light;  
We'll be translated to His heavenly  
domain,  
We'll sit with Him as priests and  
kings;  
We will reign with Him  
Forever and ever and ever.

564

**GOD CAN DO IT AGAIN F**

God can do it again  
And again and again;  
There's no reason to doubt  
God can do it again.  
Yesterday and the day before,  
He is always the same;  
There's no reason to doubt  
God can do it again.

\*\*\*\*

**KICK HIM DOWN** **C****CHORUS**

Kick him down, kick him down }  
 Have the devil on the run; }  
 A son of God must not be }  
 trodden down, }  
 So kick that mamba down. }2x

Arise and shine, King Theophany  
 has come,  
 Let's hold to His unchanging hand.  
 Praise the Lord, praise His name  
 and be garrisoned by prayer;  
 Don't let the devil shake your  
 confidence  
 Or in your heart put fear.  
 Don't you hate your brother,  
 That's the root of bitterness;  
 We've got to walk in that way  
 of holiness, of holiness.

Cover your face, cover your feet  
 With reverence and humility,  
 Let's go into action with God-given  
 ability.  
 Stand flatfooted in your trials,  
 Though they may be sometimes  
 mean;  
 Always remember to call Jesus on  
 the scene.  
 Remember everyday to have the  
 token on display,  
 It's an act of love so follow that  
 Dove,  
 That snow-white Dove, that snow-  
 white Dove.

Unconquered by tradition, in this  
 day we stand,  
 Like Joshua and Caleb, we're  
 going to take that land;  
 But brother it won't be easy,  
 It's not a flowery bed of ease,  
 Remember that old devil,  
 Will bring on that terrible squeeze;  
 Don't let him have you blue,  
 Wondering what you're gonna do:  
 For we're on that Seventh Peak,  
 So we'll just speak;  
 We'll just speak.

\*\*\*\*

**DRY BONE IN THE VALLEY** **Em**

I was a dry bone in the valley,  
 When Jesus found me;  
 A dry bone in the valley,  
 When He put flesh upon me.

**CHORUS**

Said, "Son of Man, can these dry  
 bones live?"  
 And I answered, "Oh Lord, Thou  
 knowest."

You have given us prophetic  
 eyes,  
 So we won't believe Satan's lies;  
 Although the world thinks us  
 absurd,  
 We'll keep on holding to Your  
 Word.

We are the flowers and You are  
 life's essence,  
 May Oh Lord, You have the pre-  
 eminence;  
 For that's the reason why You  
 made us,  
 To achieve Your greatest  
 purpose.

Now I stand justified and do  
 appreciate  
 The out-pouring of Your wonderful  
 grace;  
 Sanctified from the bondage of sin,  
 As the Holy Spirit now dwells  
 within.

Now I'm no longer a dry bone in  
 the valley,  
 Since Jesus set me free;  
 And now I'm growing in His Grace,  
 And some day soon I'll see His  
 face.

**LET THE BOOK LIVE** **D**

Let the Book live in me dear Lord  
 Show me myself within Thy  
 Word  
 Show me myself and show me  
 my Saviour,  
 And let the Book live in me.

\*\*\*\*

**STILL TIED TO MY ABSOLUTE** **C**

A mighty man of valour  
 You faced your enemy  
 And with the sword you've  
 slaughtered  
 You had sweet victory  
 But it gets bitter  
 When you're tried in the fire  
 And it get hard sometimes  
 But pleasing to the soul  
 Yet if you choose to leave your place  
 Who will stand instead  
 For this cause were you chosen  
 To see that devil dead  
 So keep on fighting  
 Fighting with all the faith  
 Keep looking towards the vision  
 For the hour now is late

**CHORUS**

So I'll put on the armour of God  
 I'll put on the shield of faith  
 Trusting in the sword of the spirit  
 Pray with sincerity and truth  
 For we wrestle not against flesh  
 and blood  
 But principalities and powers  
 And rulers of darkness  
 And here I stand in truth  
 Still tied to my absolute.

I've read it in the Bible  
 Joshua 5:14  
 God came down as Lord of Hosts  
 Israel was defended and  
 positioned  
 And David slew the lion  
 Looked back to his experiences  
 And then he smote Goliath  
 And I am of that pedigree  
 Why should I run and fear  
 I'll speak the word with revelation  
 I will not surrender till I walk upon  
 The ashes of that wicked one  
 Till I stand face to face  
 With the one who kept me by his  
 grace.

**IT'S A HONOUR** **C**

It's an honour to serve to join in  
 the fight  
 I will lift up my voice  
 I will lay down my life  
 Giving glory to God, seeking  
 none in return  
 It's an honour, an honour to serve

We are called by the Name  
 Of The Third Exodus  
 We will not be ashamed  
 For our God is with us  
 We obey our calling,  
 Stand in rank and in file  
 It's an honour, an honour to serve

Of One Body, One Spirit  
 One Lord and One Faith  
 Of hearts joined in praise  
 And One love, unfeigned  
 Working together for this great  
 cause  
 It's an honour, an honour to serve

There's a Pastor, and Ministers  
 And helpers true  
 Deacons and Trustees  
 And Song Leaders too  
 Fitted into the Body  
 Making it increase  
 It's an honour, our calling to serve

Our Chefs, their Assistants  
 And our servers too  
 Ushers, and Teachers of our  
 Sunday school  
 Librarians, Custodians, our  
 Maintenance Crew  
 It's an honour, an honour to serve

The Singers, songwriters, sound  
 engineers, anointed musicians  
 our hearts they have blessed,  
 Decorators so talented in all that  
 they do  
 It's an honour, an honour to serve.

**WE NEED THE RAIN** **D**

Lord you said if I humble myself  
Pray, seek your face, turn from  
my wicked ways  
You'll hear from heaven and  
forgive my sins  
And in love and mercy, you'll  
send the rain  
To heal the Land, send the Holy  
Ghost  
Heal the land, send the Holy Ghost

Lord you planted, your word in me  
In the form of messages  
You sowed the seed  
Now I'm asking for the Holy Ghost  
To come, live in me  
And bring forth fruit unto thee  
Send the rain, send the Holy Spirit  
Water your garden, send the  
Holy Ghost

You removed the enmity  
Between my soul and you at Calvary  
Giving me access to your throne  
That in my time of need  
I'll make my desire known  
For the rain, send the Holy Ghost  
For the rain, send the Holy Ghost

I want to see Jesus in me  
Overcoming daily and constantly  
Putting my enemies beneath my  
feet  
And giving me dominion and full  
authority  
Send the rain, send the Holy Ghost  
In this hour of battle, send the  
Holy Ghost  
Pour out your spirit, send the  
Holy Ghost

**BRIDGE**

I need thee, Oh I need thee  
Every hour I need thee  
Bless me now (Bless me now)  
Oh my Savior  
I come to thee

Send the rain, send the Holy Ghost  
I need the rain, send the Holy  
Ghost  
In the time of battle  
Send the Holy Ghost  
Send down your showers  
Send the Holy Ghost  
And take us higher  
Send the Holy Ghost  
We need the rain

**I WILL RESTORE** **D**

Bride, do you remember  
Way back to your former rain  
When you once stood in position  
Having dominion and all things  
under your feet  
But you fell, you fell from that  
fellowship  
And you wondered where you  
went wrong  
So you cry out, you thirst for that  
latter rain  
And you'll fight for that power again.

You see the palmerworm, came  
in your life and ate  
Then the cankerworm came in  
your life and ate  
Then the caterpillar and locust  
ate  
But God promised, yes he  
promised

**CHORUS**

That I will restore saith the Lord (2x)  
Jehovah promised a Holy Ghost  
promise  
I will restore thus saith the Lord (2x)

Power shall come from on high  
After the Holy Ghost comes upon  
you  
You shall be witness unto me  
throughout the world  
My glory all men shall behold  
For I shall come unto you as the  
former rain  
As the latter rain to you shall I come  
And all men shall know.  
That you have the evidence  
That Jesus rose from the dead  
And in your own atmosphere  
God will visit you there  
For you were meant to be mighty  
men of valour and He promised

**IF YOU CAN USE ANYTHING** **C**

If you can use anything Lord }  
You can use me }2x  
Take my hands and my feet  
Touch my heart Lord speak  
through me  
If you can use anything Lord You  
can use me

**I FEEL LIKE PRAISING HIM** **D**

When I wake up in the morning  
And think of the great things  
God has done for me,  
In my heart there's such rejoicing  
To think that a new day has  
dawned on me;  
For the glorious mysteries in God's  
Word,  
That He has allowed me to share:  
It's only an indication of His great  
love, and how much He cares.

**CHORUS**

I feel like p-r-a-l-s-l-n-g Him  
P-r-a-l-s-e Him  
I feel like p-r-a-l-s-l-n-g Him  
P-r-a-l-s-e Him

Like to Abraham, He came down  
In this day unto me.  
Showing me things that were and  
things that are, and things, things  
that are to be.  
What has been hidden from the  
eyes of the wise and the prudent,  
He has revealed unto His own;  
A message of preparation, to take  
us to our eternal home.

When I think that I'm one in a million  
Chosen by God to stand in this evil  
day,  
It fills my heart with love for the  
Heavenly Dove who has led me  
In God's provided way.  
I, who was dead in sins and  
trespasses, so wretched, so  
wretched and so vile,  
It took His Amazing Grace, to lift  
me to a place that He now calls me,  
Calls me His Bride.

When I see all hell extending her  
borders to swallow up humanity, I  
thank the One with the keys of  
death and hell,  
Who has opened the prison door  
for me.  
He has changed my course from  
the regions of the lost, that realm  
of insanity,  
By anointing my eyes with a  
Heavenly vision  
To behold and live eternally.

**DOVE LEADING THE EAGLE** **F**

I just want the Dove  
To lead this eagle,  
I just want the Dove  
To lead this eagle home;  
For I know the Dove is here,  
He has come to lead God's  
eagles;  
And I know He will guide me,  
And keep me in His Word.

I just want to follow  
The way You will lead me,  
I just want to follow  
The way that You will go;  
For I know You will lead me  
In the footprints that You have  
left,  
And I know that You will guide  
me  
And keep me in this path.

I just love that Dove,  
For He is my Lord,  
I just love that Dove,  
For He has been my guide;  
He has brought me up seven  
steps  
To a perfect faith I've never  
known;  
Now He'll send me with His  
Word  
As He rides this trail again.

**LET'S TAKE TIME** **D**

Let's take time to wait upon the  
Lord,  
Let's take time to listen to His  
voice;  
Unless the Lord builds the  
house,  
We labour in vain,  
Let's take time to wait upon the  
Lord.

**OVERCOMING POWER G**

The Message came in this last age  
to prepare a Bride,  
To walk with Him and talk with Him  
and in His Word abide.  
It's written in the Spoken Word,  
and it's laying there,  
To bring us into Rapturing Grace  
and take us out of here.

**CHORUS**

Overcoming Power is what we  
have today,  
Overcoming Power to keep the  
devil away;  
Overcoming Power till we become  
the Word.  
That's when we'll leave this sinful  
earth  
And go and meet the Lord.

We have passed the seventh age,  
The power has to come.  
The scientists have gone to work,  
They're sure to get the job done.  
Our sins and weights to lay aside,  
And we'll set everything right;  
So when the inspiration falls we'll  
just take off in flight.

Our Moses has already gone,  
He has prepared the way,  
He brought us to the Jordan,  
And he was taken away;  
But Joshua is preparing now to  
sound out His command,  
To gather all the saints of God to  
enter the Promise Land.

This day will I begin to magnify  
thee in the people's sight,  
You and I were eye witnesses at  
Mc.Allister Street that night;  
Also in the Hospital we had  
witnesses there;  
By inspiration, "In seven days time,  
You'll be walking out of here."

We've planted flags, we've placed  
our stones,  
We had testimonies there,  
They will serve as memorials to drive  
away all doubt and fears.  
On June the 3rd that's when the  
Lord rolled our reproach away,  
Beyond a shadow of a doubt,  
I, Jesus Christ, is here.

**BLESSED ARE YOU Bb**

Like a hart pursued by his evil  
foe,  
He knows well to stay near that  
brook  
Where the living waters flow;  
So panteth my soul after You,  
the living Word,  
I know well to stay near that river  
where living waters flow.

**CHORUS**

Blessed are you  
Who hunger and thirst after  
righteousness,  
Blessed are you  
For you shall be filled;  
Blessed are you  
When men persecute you for My  
name's sake, you see;  
Blessed are you, blessed are  
you, blessed are you.

Where there is a deep,  
There is a deep to respond;  
For unto this end were you born  
To be a child of God,  
A child of I AM,  
Know that the great I AM now  
dwelleth in you,  
And soon through you, He'll  
display  
He's just as great today  
As He was yesterday.

In the midst of the night,  
We saw an amber-coloured  
Light,  
The Light of yellowish green  
Is Jesus on the scene  
Come to lead His elected genes;  
Beyond the riven veil,  
On peaceful waters the ship now  
sails,  
No more tossed to and fro  
By stormy winds that blow,  
He has anchored our soul

**ASK OF THE LORD RAIN C****CHORUS**

Ask of the Lord rain, in the time  
of the latter rain  
Ask of the Lord rain, He'll send  
His showers again and again

The farmer planted seeds in the  
field  
(he knows he needs the rain)  
He's looking now for them to yield  
The Lord has promised rain in  
due season  
(Lord we need the rain)  
So ask for rain, we have good  
reason

We've seen the cloud arise from  
the west  
(We heard the sound of rain)  
It proved the sacrifice was accepted  
So like Elijah we can pray  
(We've seen the sign of rain)  
We've seen the evidence this day

Times of refreshing now are here  
(He is sending down the rain)  
The promise is to us and our  
children  
Visitations we've been receiving  
(Is the outpouring of the rain)  
For the fulfillment of God's  
promise

Be glad ye children of Zion, rejoice  
(He's giving former and latter rain)  
He's pouring His blessings from  
above  
Our floors shall be full, our vats  
overflow  
(He's come to us as the rain)  
The years we've lost He shall  
restore

**WE ADORE YOU F**

You are the river  
You are the dove  
You are the latter rain  
Falling from above

**CHORUS**

We adore You, Holy Spirit  
You are welcome in this place  
We adore You, Holy Spirit  
You are welcome in this place

You are the anointing  
You are the wind  
You are God's glory  
Fill us again

You are the power  
You are the fire  
You are our comforter  
All that we desire

**SATURATE MY SOUL F**

Father of life draw me closer  
Lord my heart is set on you  
Let me run the race of time  
As your life unfolds in mine  
And let the peace of God let it  
reign

**CHORUS**

O Lord I hunger for more of you  
Rise up within me  
Let me know your truth  
O Holy Spirit saturate my soul  
And let the life of God fill me now  
Let your healing power revive  
and make me whole  
And let the peace of God let it reign

O Holy Spirit you're my comfort  
Strengthen me hold my hand up high  
As I stand upon your truth  
Singing glory unto you  
And let the peace of God let it  
reign

**ANOTHER JUBILEE... Em**

It was after Seven Church Ages  
had run out  
It was after the Lord had  
descended with a shout  
It was after the Seventh Seal  
was opened  
And we know the sacrifice has  
been accepted  
We hear the Trumpet sounding  
jubilee

Now I see the priest with the  
Trumpet in his hand  
And He's sounding forth his  
message throughout the lands  
It's to take us back to where we  
fell from

We could stand in our true position  
We hear the Trumpet sounding  
jubilee

**CHORUS**

Don't you hear the Trumpet sound  
This Message is clear and strong  
I've thrown away my hoe and  
hammer  
No longer serving no slave master  
I hear the Trumpet sounding  
jubilee

It was after the Second Cycle  
had returned  
And the second-fold mystery of  
the Seventh Seal had made  
been known  
It was after we had seen our  
names in the scripture  
Shows Almighty God is our Father  
We hear the Trumpet's sounding  
jubilee

Now we can stand in that liberty  
By which Jesus Christ has made  
us free  
No longer would we stay in  
bondage  
We are going back to our heritage  
Because the Trumpet's sounding  
jubilee

**CHORUS**

Don't you hear the Trumpet sound  
This message is clear and strong  
Don't you be like Johnny crow  
The Lord has set you free, then go

Because the Trumpet's sounding  
jubilee

In that we've been released we  
can return  
For all that Adam lost has been  
restored  
Fellowship, full dominion, power  
over all creation  
Because the Trumpet's sounding  
jubilee

Everything that's promised we  
can claim  
Those Seven Thundering voices  
restored the Name  
Until even when we hear that last  
Trumpet sound  
We are going to change dimension  
Because the Trumpet's sounding  
jubilee

**WHERE EAGLES DARE A**

We have been born in an eagle age  
By an eagle prophet's message  
To manifest the living word for our  
day we have been given wings to fly  
way up in the sky  
Where no other bird can fly  
To live in a heavenly atmosphere  
To fly where only eagles dare

**CHORUS**

Let's fly so high  
Where the world of God is a  
living reality  
To soar so high, true eagles in  
the sky  
Set your wings let's fly  
Where eagles dare

We have been gathered by the shout  
A message that called us out  
From this world of fear and doubt  
And have been given eyes to see  
All the mysteries are being revealed  
Our lives are fulfilling prophecy  
To see our position in God's word  
To fly where only eagles could

We are not called to be earthbound  
Amidst the chipmunks on the ground  
Neither to be living up and down  
But quickened, changed, lifted up  
upon the mountain top  
Setting in the cleft of the rock  
Gathered where the carcass is  
In God's provided place we live

**ANGEL SWEEP BACK WINGS C**

The Light has come to show  
where we are going,  
In bridal step along the way we  
are treading.  
The revealed Word has shown us  
our placing,  
A super-race we are in the  
perfect rest of God.

**CHORUS**

Oh, that Angel with the swept-  
back wings,  
He's the One that means the  
most.  
He took us in the Inner Veil,  
To reveal Himself more privately.  
Here we are in perfect step,  
In the promises of God.  
Oh that Angel with the swept  
back wings,  
He's the One that means the  
most.

All honour and glory and praise to  
His Name,  
For He was found worthy to take  
the Book,  
And show us our names.  
Flesh of His flesh and bone of His  
bone,  
In harmony we stand,  
In God's provided place,  
In the Seventh Seal of God.

The Seven Spirits in Revelation,  
Is that notable Angel,  
Who brought back the keys  
To open the Third Pull.  
Came back shouting "Grace,  
Grace, Grace!  
For I, JESUS, am the Word of  
God,  
That is in your midst right now."

574

**CAN'T YOU SEE WHY D**

Can't you see why I'm happy?  
I've accepted the Word of the Lord.  
The revealed Word that was  
spoken  
By the prophet of Malachi: 4.

\*\*\*\*

**THE CHALLENGE G**

It's a challenge to accept,  
It's a faith to rise into,  
It's a way I can show the world  
That Jesus Christ is true;  
It's a life to live, a testimony  
blameless,  
Living for Christ, standing every  
test.

**CHORUS**

For I've got to prove  
I'm one in a million,  
I've got to show the power of the  
blood;  
I've got to prove I'm not like  
those  
from Satan's Eden,  
I've got to show that I'm a person  
that this world isn't worthy off.

True representative of Christ,  
In the field that you've been  
placed,  
The joy of your life with Him,  
Always a glowing on your face;  
Living humbly, following the ways  
He showed,  
A true witness of Christ in this day.

Who are the ones that's going to  
stand,  
And keep a testimony clean?  
In the midst of an unbelieving world,  
We'll keep looking to the unseen;  
To really know that we will  
overcome,  
And receive His promise to sit on  
His throne.

576

**WE'RE TOGETHER AGAIN G**

We're together again just praising  
the Lord.  
We're together again in one  
accord.  
Something good is going to  
happen,  
Something good is in store.  
We're together again, just praising  
the Lord.

\*\*\*\*

**GOD'S CHURCH MARCHING A**

God's church is led by the  
mighty arm  
Of the Great Five Star General,  
To execute His redemption plan,  
And to wind up the commission.  
She is marching now in view,  
She is Michael's chosen few;  
The Chief Captain with the Silver  
Sword,  
He's pointing her to victory  
ahead.

**CHORUS**

God's church is marching,  
God's church is marching,  
God's church is marching the  
victor's march;  
God's church is marching,  
God's church is marching,  
God's church is marching the  
victor's march.

God's church has moved into a  
sphere,  
Where she can have what she  
desires,  
For the anointing is released to  
her  
To display authority and power.  
To have the blind and deaf  
restored,  
The sick and dead raised by the  
Word,  
She's a mighty marching army,  
She'll shake the world with her  
ministry.

God's church is sounding the  
jubilee  
And setting the captive free;  
She's conquering the enemy  
From victory unto victory;  
She is strong and courageous  
In the revival of the just,  
She's made her final turn at the  
west,  
And she is marching the victor's  
march.  
God's church is waving the  
banner high,  
For her victory day is nigh;

She's in position on the Seventh  
Peak  
For the super power now to  
strike.  
She'll be a witness to the total  
lost  
By manifesting the greater  
works,  
And the New Name that she  
bears with pride,  
Once again, it will be glorified.

God's church is singing the  
victor's song,  
As the battle rages on,  
All things are under her dominion  
She knows the battle is already  
won.  
Soon she'll march to her home  
on high  
For communion in the sky,  
And those waiting mighty gentile  
warriors;  
Will rise and join in the victor's  
march.

**QUICKENED, CHANGED... D**

Oh, I'm quickened, changed,  
translated  
By the power of the Holy Ghost,  
And I'm waiting for the outward  
To be changed and taken off the  
earth.  
His power now is moving,  
It's deep inside of me,  
When I look into the mirror,  
I know it's Him I see.

**579****ABRAHAM'S BLESSING F**

Abraham's blessings}  
are mine; }4x  
  
I'm blessed coming in, }  
I'm blessed going out, }3x  
Abraham's blessings are mine.

\*\*\*\*

**UNTIL G**

When we heard you were coming  
We knew it would be such a blessing  
To meet with friends and family  
Another part of His mystical body  
But now the time, the time has  
come  
That you would be going home  
We're not going to say goodbye  
We're just going to say "until"

**CHORUS**

Until we hear that last trump sound  
In a moment we'll all be gone  
Across the continental divide  
We'll meet you over on the other  
side  
Until that morning breaks eternal  
bright and fair  
We'll all be there  
We're not going to say goodbye  
We're just going to say "until"

Your coming here has made us  
stronger  
Wish you could stay a little longer  
For there is so much more from  
your ministry that we could draw  
Seeing that you have to leave  
Come again we're asking please  
So we're not going to say goodbye  
We're just going to say "until"

**THERE IS A RIVER FLOWING G**

There is a river that is flowing  
Proceeding out of the throne of  
God  
With water to drink  
And plenty water to swim  
There is a river that is flowing  
  
When you're planted by the river  
Then your leaves shall not wither  
For your greatest delight  
Is in the word day and night  
There is a river that is flowing  
  
If you thirst or you hunger  
Then come to this river for there  
is an endless supply of the  
waters of life  
There is a river that is flowing

\*\*\*\*

**FLOW LIVING WATERS C**

Flow living waters }2x  
(Flow through me) (Fill my cup)  
Flow living waters }2x  
Flow through me Lord (Fill My  
cup)  
Till I thirst no more

Thou art that pure river of living  
water  
Proceeding from the throne of  
God and the Lamb  
Come into my garden  
Flood my thirsty soul  
And Lord have delight in me  
(flow through me)

Walk with my feet  
Speak through my lips  
Work with my hands  
Let your will be my will  
Make known your desires  
My pleasure to fulfill  
Consume my inner being  
(flow through me)

Fill me with your faith  
Fill me with your love  
Fill me with yourself  
Be one with me oh Lord  
And when you look at me  
You behold your own glory  
Another one just like you  
(flow through me)

**864****I LOVE THE LORD A**

I love the Lord for He heard my  
voice  
He heard my cry for mercy  
I love the Lord because he  
turned His ear to me  
I will call on Him as long as I live  
  
The Lord is gracious and righteous  
Our God is full of compassion  
The Lord protects the simple  
hearted  
He has become my salvation

**NOTHING GOING WRONG C**

Though trials dark on every hand  
 Yet in the midst Lord I can stand  
 And testify of Your goodness  
 For I have found my strength in you  
 To overcome every test  
 Your word is all I hold to  
 My life was made to reflect You  
 My footsteps are ordained by You  
 And though I may suffer for a while  
 Yet in the end Your name is glorified

**CHORUS**

For there's nothing going wrong  
 in my life  
 When trials seem to come my way  
 For your word has promised me  
 victory  
 As long as I'm abiding in You  
 For the sufferings of this present  
 time is not worthy to be compared  
 With the glory of God that shall  
 be seen in me  
 So Father glorify Your name

So I will count it all joy  
 When I am tested and tried  
 For God has a purpose  
 It's just His way to us He proves  
 Of His love and care for us  
 So in the midst we ought to  
 thank Him  
 For He has promised us perfection  
 He has given us the victory  
 For we are made more than  
 conquerors  
 His chosen that shall reign with  
 Him

**BRIDGE**

For what shall separate us from  
 the love of Christ Jesus  
 Shall trials, persecution, there is  
 nothing at all, no nothing present  
 or anything to come shall  
 separate us from His love

**YOU SHALL BE FILLED F**

The word of the Lord  
 Came unto John in the wilderness  
 And he preached the baptism of  
 repentance until Jesus Christ came  
 To the people He preached  
 saying to them  
 With water I indeed baptize  
 But one greater is coming  
 He will baptize you  
 With the Holy Ghost and fire

**CHORUS**

Blessed are you who hunger and  
 thirst after righteousness  
 Blessed are you who hunger  
 now For you shall be filled  
 Blessed are you who hunger and  
 thirst after righteousness  
 Believe in His promise and with His  
 Spirit you shall be filled

We know from the Bible there's  
 two kinds of people  
 In the womb of the church  
 One is just seeking temporal  
 things But the other wants that  
 new birth  
 Let's search ourselves deeply  
 inside And see what's our desire  
 For God has promised to fill us today  
 With the Holy Ghost and fire

**I WILL BE YOURS G**

Heavenly Father I come before  
 you with all my cares  
 I lift my hands to you in surrender  
 Who can compare  
 Change my heart O God  
 For I long to be like you  
 To be like You

You are light You are holy  
 Forever I will be yours  
 You are love You show mercy  
 Forever I will be yours

**THE DEED THAT CAME D**

This is what we have been taught  
 By the prophet of God today.  
 All the things that Adam lost  
 Now are available unto us.  
 He identified the Cloud that came,  
 As the Deed to man again,  
 The Deed that came.

**CHORUS**

This is what it's all about,  
 Let us lift our voices together and  
 shout,  
 Hallelujah! to our God  
 Who has redeemed us by His  
 blood,  
 The Deed that came.

This great mystery that was sealed  
 In our day has been made so real.  
 'Twas the abstract title deed,  
 The promise God made to  
 Abraham's seed.  
 Seven deaths and seven steps,  
 That the Christ may be formed in  
 me,  
 The Deed that came.

This dominion that Adam lost,  
 In our day has been displayed;  
 By a simple, humble man;  
 One who stood true to God's great  
 plan.  
 And from flesh to Word he came,  
 Spoke a word and squirrels came,  
 The Deed that came.

**SINGING I LOVE YOU LORD C**

In moments like these,  
 I sing out a song,  
 I sing out a love song to Jesus;  
 In moments like these I lift up my  
 hands,  
 I lift up my hands to you Lord.

Singing, I love You Lord,  
 Singing, I love You Lord,  
 Singing, I love You Lord,  
 I Love You Lord.

Singing, I'll serve You Lord

Singing, I'll praise You Lord

**THE ORIGINAL LIFE A**

God's attributes were manifested  
 to His Bride in this last day,  
 We have caught the revelation by  
 the last prophet's message;  
 And we know who we are and  
 what we are raised up for,  
 Praise the Lord for the Original Life.

**CHORUS**

The Original Life, the Original Seed,  
 The Original Word is what I  
 believe,  
 The Son of Man is revealed;  
 The Seventh Seal is unveiled,  
 The Original Life, the Original Seed.

Our eyes of understanding, He  
 has opened up at last,  
 And sweet victory is ours who  
 were chained down in the past;  
 True Jubilee has sounded and  
 we have responded to our God,  
 Who's the Original Life.

We are the word made flesh today  
 This is what the scripture say  
 And our names are seen within,  
 Redeemed and perfect without sin;  
 Yes we are anointed and  
 inspired  
 By our God, Who's the Original  
 Life.

We are called unto adoption, full  
 authority and power,  
 Sleeping saints will wake and  
 join us for translation in this hour;  
 Gentiles' days soon be over,  
 Glory, Hallelujah!  
 To our God, who's the Original  
 Life.

**IT'S ALL RIGHT F**

Church it's all right, (Yes, it's all right)  
 Church it's all right, (Yes, it's all right)  
 As long as I have my God beside me,  
 It's all right,  
 As long as I have His hand to hold,  
 As long as He watches over my soul,  
 As long as I'm under His control,  
 Then it's all right.

**ARISE AND BE DOING** **Em**

Oh, prisoners of Love, the Master  
has need of thee.

Who shall build the Lord's house,  
A magnificent sanctuary?  
But a people He has chosen to  
bear His name,  
Yesterday, today and forever,  
His awesome power remains the  
same.

**CHORUS**

Arise, and be doing and the Lord  
be with thee,  
Who shall build the Lord's house,  
A magnificent sanctuary?  
Arise, and be doing and the Lord  
be with thee,  
We shall build the Lord's house,  
A magnificent sanctuary.

"Come forth My sons with wisdom  
and skill,  
My anointing is on thee,  
Who shall lay any hindrance when  
I've ordained the victory?  
Take your hammer and My sword,  
Be thou courageous and strong.  
Only believe My Word and a  
paradox I will perform."

"Take My yoke, My love slave,  
For it's easy and My burden's  
light,"  
Who shall serve the Lord thy God,  
With all his soul and strength and  
might?  
But His people He has taken from  
the depths of the miry clay,  
Let every lively stone in His  
building find its perfect place.

**GOD CAN DO ANYTHING** **F**

God can do anything, anything,  
anything,  
God can do anything for you.  
He's the Alpha, the Omega,  
The beginning and the end.  
God can do anything for you.

**CHRIST REVEALED** **F**

The promise of the Lord is now at  
hand,  
And in the love of God, O there  
she stands;  
That Super-race the Lord has  
spoken to,  
"Thus saith the Lord, she's in plain  
view."

Our beloved prophet cried to see  
our day,  
When the beloved Bride of God  
will show the way,  
Today, here stands the Bride  
becoming Christ;  
Passing every Bridal test into  
perfect rest.

Elisha surely saw Elijah go,  
And he got a double part of grace  
to know;  
So nothing will stand in God's  
Bride's way,  
For she saw Elijah go along the  
way.

The mystery is God in our flesh,  
And veiled behind our skins, that is  
the test;  
Stumbling the world with its  
simpleness,  
For we now see that we are the  
Messiahettes.

The enemy is running on every  
hand,  
All heaven is amazed, God's  
mystery grand;  
Those seven thunders saying  
"Christ is revealed,"  
Now Jesus Christ and Bride united  
stand.

**I LOVE MY JESUS** **F**

I love my Jesus }  
And Jesus loves me }  
In Him, I am so happy. }2x  
  
In Him, in Him, }  
In Him I am so happy. }2x

**BY HIS WORD** **G**

It is written that man shall not live  
by bread alone  
But by every word that comes from  
the mouth of God  
And by his word he gave His son  
for us on Calvary  
To pay the price of sin for you  
and for me

**CHORUS**

By His word  
He raised the sick man from the  
bed  
By His word  
He gave life unto the dead  
By His word  
He brings hope to the hopeless soul  
By His word  
You can have the victory  
By His word  
He will set the captive free  
By His word  
He brings life to you and me

Just one word was broken in Eden  
And that's what caused the fall  
So it will take all of the word  
To bring us back to God  
And through this last day message  
All His word has been made known  
And through His power we shall  
overcome

**CHORUS**

By His word  
He spoke and squirrels did appear  
By His word  
Storm go back from where you came  
By His word  
Little fishie Jesus gives you back  
your life  
By His word  
He spoke the tumor out of existence  
By His word  
He gave two boys salvation  
By His word  
He gave life to you and me

\*\*\*\*

**WE'LL DO IT ALL FOR CHRIST** **D**

Lord you're so wonderful  
How great is your love for me  
For you freely paid the price  
That day on Calvary

**CHORUS**

And in return I give my heart, my  
soul, my life  
Knowing that nothing could  
repay  
That supreme sacrifice  
So all on the altar I lay  
Whatever the cost to pay  
I'll do it all for Christ  
I'll do it all for Christ  
I'll do it all for Christ

**BRIDGE**

We'll give you our all  
(Our thoughts and our time)  
We'll give you our all today  
We'll give you our hearts  
(Our souls and our minds)  
We'll give you our all today  
For you gave yourself for us

And in return we give  
Our hearts, our souls, our lives  
Knowing that nothing could  
repay  
Your supreme sacrifice  
So all on the altar now we lay  
No price too great to pay  
We'll do it all for Christ  
We'll give all  
We'll do it all for Christ  
We'll do it all for Christ

**NONE LIKE YOU** **D**

There is none like You O Lord  
Your glory fills the heavens  
There is none like you O Lord  
Your love endures  
Your virtues flow  
All that I need is in Your hand  
There is none like You  
There is none like You

**RAINDOWN F****CHORUS**

Holy Spirit rain down, rain down  
 Oh comforter and friend  
 How we need your touch again  
 Holy Spirit rain down, rain down  
 Let your power fall  
 Let your voice be heard  
 Come and change our hearts  
 As we stand on your word  
 Holy spirit rain down

Our eyes have seen  
 Our ears have heard  
 Yes we have known  
 What God has in store  
 So open up heaven  
 Open it wide  
 Over our church and over our  
 lives

Lord it was you sending the rain,  
 lifting me up  
 Above the judgements again  
 Sending the dove with an olive leaf  
 Giving me rest and perfect peace

851

**I STAND IN AWE OF YOU F**

You are beautiful beyond  
 description  
 Too marvelous for words  
 Too wonderful for comprehension  
 Like nothing ever seen or heard  
 Who can grasp your infinite wisdom  
 Who can fathom the depths of  
 Your love  
 You are beautiful beyond description  
 Majesty enthroned on high

**CHORUS**

I stand, I stand in awe of you (2x)  
 Holy God to whom all praise is  
 due  
 I stand in awe of you.

**GRACE ALONE G**

Grace alone which God supplied  
 Strength and more He will provide  
 Christ in us our corner stone  
 We will go forth in grace alone

853

**SPRINGS OF LIVING WATER F**

I thirsted in the barren land of sin  
 and shame  
 And nothing satisfying there I found  
 But to the blessed cross of Christ  
 one day I came  
 Where springs of living water did  
 abound

**CHORUS**

Drinking at the springs of living water  
 Happy now am I  
 My soul they satisfy  
 Drinking at the springs of living water  
 O wonderful and bountiful supply

How sweet the living water from  
 the hills of God  
 It makes me glad and happy all the  
 way  
 Now glory, grace and blessing mark  
 the path I've trod  
 I'm shouting Hallelujah every day

O sinner won't you come today  
 to Calvary  
 A fountain there is flowing deep  
 and wide  
 The Savior now invites you to the  
 water free  
 Where thirsting spirits can be  
 satisfied

854

**THERE'S A RIVER OF LIFE F**

There's a river of life flowing out  
 from me  
 Makes the lame to walk  
 And the blind to see  
 Opens prison doors sets the  
 captives free  
 There's a river of life flowing out  
 from me

\*\*\*\*

**THESE DIVINE TRUTHS D**

Oh precious Lord, how we thank  
 Thee  
 For revealing to us Thy perfect  
 will,  
 So that we could receive the faith  
 of God.  
 Without a shadow of a doubt,  
 We know that the faith of our  
 fathers is living still,  
 For by infallible proofs,  
 You have displayed that faith  
 through us.

**CHORUS**

These divinely revealed mystery}  
 truths }  
 Have restored back the faith. }2x  
 You have made us in Your image  
 To reflect who You are.  
 These divinely revealed mystery  
 truths  
 Have restored back the faith.

Oh loving Lord You have made us  
 a promise  
 To fill us with Your love,  
 So that we can be united with the  
 Head-stone.  
 How we thank Thee  
 For these Seven Thundering Voices,  
 And for revealing to us,  
 That we are the manifested sons!

Oh adoring Bridegroom, we've  
 recognized You  
 As our Headship and Loving Lord,  
 The Revealed Word that has been  
 rejected.  
 How we thank Thee  
 That we could lift our hearts in  
 praises;  
 And for revealing to us,  
 We are Abraham's faith seed!

589

**WE ARE MARCHING OVER F**

We are marching over to}  
 Jerusalem, }2x  
 Jerusalem, Jerusalem, Jerusalem,  
 Jerusalem.

\*\*\*\*

**TIRED TRAMPING F**

There's a deep and inward hunger  
 Within my soul.  
 God has promised in His Word,  
 He'll make us whole.  
 Well it's time for it to happen,  
 That huge portion of heaven;  
 It will make and bring to pass,  
 That tremendous victory in the  
 love divine.

**CHORUS**

For I'm tired of tramping on this  
 mountain,  
 I'm heading down to the Jordan,  
 Lo, before me I see a vision  
 breaking,  
 A Power that would bind that  
 mamba,  
 The third pull ministry.

Now's my time for consecration,  
 I must see a change in me,  
 I will enter my secret closet,  
 And close the door behind me.  
 I'll keep the feast of Unleavened  
 Bread  
 With truth and sincerity,  
 For I'm expecting Jehovah-Jireh,  
 My Lord, to meet with me.

Lord, keep Thy Holy fire burning  
 Deep in my soul,  
 Change me from glory unto glory,  
 Till Thy image You behold.  
 Let's keep this Holy convocation,  
 Till we become a new creation,  
 For it's the message in you and me  
 Will bring to pass that tremendous  
 victory.

591

**ACROSS THE BRIDGE D**

Across the bridge,  
 There'll be no sorrow,  
 Across the bridge,  
 There'll be no pain;  
 The Son will shine  
 Across the river,  
 And we'll never be unhappy again.

\*\*\*\*

**SHALOM** **C**

Oh Lord my God, Thy Word is a  
Lamp unto my feet,  
Showing us the way, how we must  
strive along;  
The Seventh Seal has brought an  
open vision unto us,  
Revealing Christ, the Way, the  
Truth, the Door.

**CHORUS**

Then He says, "Peace, Peace,  
Peace unto My lovely Bride,  
Shalom, Shalom!" for a new day  
has been broken;  
From this sick and dying world  
To God's life and immortality,  
All we can hear from His Throne  
Is "Good Morning! Good Morning!  
To my Bride."

The dawning of a new day we can  
feel over us now,  
Seven steps He showed to God's  
provided place;  
King Theophany Jesus is here  
amongst us now,  
To show His bride how Rapturing  
Grace will be.

Face to face we see now, no more  
darkly in a mirror,  
Anointed and commissioned to do  
His perfect will;  
Hear the Voice now calling, crying,  
"Peace, Peace, Peace;"  
Enter in now before the doors are  
closed.

**SOMETHING MORE** **D**

Something more than my  
yesterday,  
More than I had before;  
Something more than wealth or  
fame,  
He gave me something worth  
living for.

**SPECIAL MOUNTAIN** **C**

I long to see Jesus,  
Just a glimpse of Him cannot  
satisfy.  
I just want to love Him,  
Till all the fears in me completely  
subside.

**CHORUS**

For there's just something special  
about that mountain,  
Though many valleys to cross  
He's more than worth the pain,  
There's just something special  
about that mountain,  
I'm just ready to fight  
One more time again.

I long for deeper fellowship  
With the One who has chosen me  
to bear His name.  
I just want to be faithful,  
Just to love and serve Him again  
and again.

I long for the fullness of Eternal Life  
To share a glory that will never  
fade away;  
And I long for my precious new  
body  
Where no sickness or pain would  
ever be again.

I long for full dominion,  
It's my inheritance, a son of God I am;  
I long to go back to Eden,  
It's my future home where I'll  
always be.

**CHORUS**

For there's just something special  
about that mountain,  
Though many valleys to cross  
He's more than worth the pain.  
There's just something special  
about that mountain,  
I'm just ready to fight.  
One more time again,  
...Give me courage Lord,  
...More of Your strength Lord,  
...I'm more than able Lord.

**LIVE IN YOUR INHERITANCE** **G**

Going home, going home,  
We're going home  
Going back to God

From a life of sin and bondage  
Taskmasters held me bound  
I've been living underprivileged  
Constructing Satan's Eden  
Then an angel from God came to  
me with the word  
The mystery of who I really am  
Saying you came from God  
You go back to God  
Come and live in your inheritance

**CHORUS**

Every place that your feet tread  
upon  
That I give to thee  
If you say to that mountain be  
moved  
Thus thine eyes shall see  
Because you came from God,  
you go back to God  
Come and live in your inheritance  
Divine Natured Attributes (DNA)  
of God  
Who journeyed into Canaan's  
land  
Placed positionally in Christ the  
Lord  
Victory is in our hands  
And with all things under our feet  
Every enemy we meet will know  
That we're the heirs of God

The lines have fallen on our  
boundaries  
Yes we know what we can claim  
And everything that falls within  
our lot  
We access it in Christ's name  
We don't just heir what He has  
We also heir Who He is  
And He's our portion our  
inheritance

**BRIDGE**

Every enemy you meet  
Put them under your feet  
Put lust under your feet  
Fear get under my feet  
Put doubt under my feet  
Sickness under my feet  
Put death under my feet  
Because you came from God  
You go back to God  
Come and live in your inheritance

**CHOSEN SONS** **D****CHORUS**

We are chosen sons  
Predestinated to stand  
We are heirs of His Kingdom  
Royal seeds of Abraham  
Church of the first born  
His attributes revealed  
We are living by faith  
Standing in victory

After Adam fell  
Men came from thought to flesh  
But God wanted real sons  
Not born like those of Ishmael  
So He sent a Third Pull message  
To bring us back to God  
We are Spirit-filled sons  
Growing from faith to perfect love

Count it not strange  
When troubles seem to follow you  
Like Job we've got to be proven  
worthy and true  
So we shall glory in all our  
tribulations  
We shall be sealed with the Holy  
Ghost  
It's our inheritance

Don't you see your name  
In the Lamb's book of Life  
Manifested Sons  
Through the blood of Jesus Christ  
Satan is under your feet  
He shall no longer rule  
We shall reign as kings  
Having power and dominion

**BRIDGE**

In trials, living by faith  
We shall overcome  
Gentile warriors living by faith  
And Spirit-filled sons living by faith  
We are living by faith  
Standing in victory

\*\*\*\*

**RISE AND SHINE** C

We lived our past in pleasure  
 Realizing never hidden treasures  
 in our soul  
 That gene of God that is placed  
 within  
 And at the time appointed we  
 were anointed  
 To believe this present Word  
 The only evidence that His life is  
 within  
 Now justified we are free from sin

**CHORUS**

We were born to rise and shine  
 For the Lord has come  
 We'll rise and shine  
 We were made to overcome  
 We'll rise and shine  
 Like the stars above

By holding the vision before  
 every decision that's how we  
 overcome  
 The Lord is having then the  
 preeminence  
 We'll trust Him ever and doubt  
 Him never  
 All the promises He has made  
 Realizing there is no need to be  
 afraid  
 For His word can never fail

We'll suffer affliction by this  
 confession the scripture has  
 foretold  
 We consider our trials more  
 precious than gold  
 Leaving these worldly pleasures  
 far behind for greater riches we  
 must now claim  
 Never mind the reproaches you  
 bear for His name for God's  
 children won't be ashamed

Amidst this world's frustration we  
 have restoration  
 The earnest of the Promise Land  
 only be thou courageous and  
 strong  
 We have the hidden manna six  
 barley measures

We're awaiting that final one  
 Our Lord won't rest till his work  
 is done  
 We'll have the fullness of the sun

We're made super human over  
 every condition by the power of  
 His word  
 Holding our confession unto the  
 end  
 And by His election we'll change  
 dimensions to a world that's so  
 sublime  
 No more to be mortal creatures  
 of time  
 There forever we shall shine

**COME TO THE WATERS** C**CHORUS**

He said come to the waters  
 And stand by my side  
 And drink from the fountain  
 You won't be denied  
 I have seen every teardrop  
 That fell from your eyes  
 And I rose to tell you for your  
 sins I've died

He's calling for the sinners and  
 the backsliders too  
 If you need deliverance He'll do it  
 for you  
 He died on the cross but now  
 He's alive  
 And He rose to tell you for your  
 sins He died

He's calling for the sick and He's  
 calling for the lame  
 If you don't be healed then He's  
 not to blame  
 For He died on the cross but now  
 He's alive  
 And He rose to tell you for your  
 pain He died

He's calling for the motherless and  
 the fatherless too  
 No sister or brother to care for you  
 For He died on the cross but now  
 He's alive  
 And He rose to tell you for your  
 joy He died

**SUCH A TIME LIKE THIS** G

Such a time like this,  
 If I perish, I perish Lord, but I must  
 stand.  
 Such a time like this,  
 I'll execute my Lord's command.  
 Such a time like this,  
 I'm determined to face my  
 responsibility.  
 Such a time like this,  
 Consecration I need for full  
 authority.

Oh Esther you were born a star  
 to shine in the darkness, }  
 And for a sign, }  
 In such a time like this, }2x  
 Such a time like this, oh glorious  
 time,  
 Such a time like this.

Such a time like this,  
 The Philistines are gathered to  
 make sport again.  
 Such a time like this,  
 A warrior's perfected in travail and  
 pain,  
 Such a time like this,  
 The message must live Lord, and I  
 must die.  
 Such a time like this,  
 Quickly Lord, avenge Your elect's  
 cry.

Oh Samson, you were born an }  
 instrument of vengeance }  
 In My hand for such a time }  
 like this, }2x  
 Such a time like this, oh glorious  
 time,  
 Such a time like this.

Such a time like this,  
 Wherever You go Lord, I will go.  
 Such a time like this,  
 My love for You will all men know.  
 Such a time like this,  
 I've chosen the harder way with  
 Your despised few.  
 Such a time like this,  
 I cherish the grace I've found in  
 You.  
 Oh Ruth, you were born to reflect

my life, Oh virtuous wife,  
 In such a time like this.  
 You were born to reflect, my life,  
 oh virtuous wife,  
 In such a time like this.  
 Such a time like this,  
 Oh glorious time,  
 Such a time like this.

Such a time like this,  
 The world is deceived by the  
 powers of darkness.  
 Such a time like this,  
 Let's be clothed upon with God's  
 righteousness.  
 Such a time like this,  
 The mysteries of God are made  
 clear to you and me.  
 Such a time like this,  
 We have the spirit of prophecy.

**THERE IS NOTHING** E

There is no river, He cannot cross;  
 There is no mountain that's too  
 tall,  
 That He cannot move;  
 There is no sickness, He cannot  
 heal;  
 There is nothing, no nothing,  
 He cannot do for me.

There is no valley, that is too deep;  
 There is no chain that's too strong,  
 That I cannot be free;  
 There is no storm He cannot calm;  
 There is nothing, no nothing,  
 He cannot do for me.

597

**HE IS MORE THAN ABLE** C

He is able, more than able,  
 To accomplish what concerns me  
 today.  
 He is able, more than able  
 To handle anything that comes my  
 way.  
 He is able, more than able  
 To do much more than I could ever  
 dream,  
 He is able, more than able  
 To make me what He wants me to  
 be.

**LIVING EPISTLES** **F**

We are eyewitnesses of His majesty,  
We have seen the Lord fulfilling His Word;  
And we know we are God's characters in this great symphony,  
As we act on the things That we have seen and we have heard.

**CHORUS**

How else can we live, forever praising Him,  
For we are living epistles read of all men;  
You are Almighty God in flesh again,  
That's who we are,  
Living epistles read of all men,  
You are to me,  
Almighty God in flesh again.

We've been made a spectacle to this world today,  
The Life of Jesus being on display;  
Our resurrected Christ.  
Awaken Jesus to the scene again,  
As He glorifies His Name once again in His children.

Let's press on daily with the King's Sword in our hand,  
Defeating the enemy on every hand;  
So ride on Thy Majesty to Thy rightful place  
On the throne of our hearts;  
Of this kingdom, He rose us up to be a part.

We know that today the Word is in the Bride  
It's Jesus again on His second ride;  
Let's bring our King, our rejected King,  
A clean fresh drink,  
By living worthy of this gospel  
We worship Him.

**LET US DRAW NEAR** **G**

Are we weak and troubled or in deep despair?  
Is the avenger of the soul on our trail?  
Well, the Name of our Lord is a Mighty tower  
That the righteous can run into and be safe.

**CHORUS**

Let us draw near with a true heart  
In full assurance of faith;  
That we find grace and strength to help  
In time of need.

It took a perfect sacrifice before  
We could ever attain to perfect faith;  
That's why Christ the perfect Lamb,  
The atonement came,  
And to the Holiest of Holies,  
He cleared the way.

**CHORUS**

So let us draw near having our hearts  
Sprinkled by His blood,  
For now we have free access  
To the throne of God.

We were not made angels, we're of mortal kind,  
And we daily make mistakes for we are weak,  
But we have not a High Priest who cannot be touched  
With the feelings of our infirmities.

**I DON'T KNOW WHAT I'D DO** **C**

I don't know what I'd do,  
I don't know what I'd do,  
I don't know what I'd do without the Lord;  
When I look around and see,  
All that He has done for me,  
I don't know what I'd do without the Lord.

**SHALOM, SHALOM** **C**

The voice of the false anointed is speaking  
'Peace' but destruction will come  
Yet we hear the voice of God's prophet  
To the Bride is saying 'Shalom'

**CHORUS**

Shalom, Shalom, I can hear The Spirit say  
Shalom, Shalom, it's the dawning of a new day  
Shalom, Shalom, hear assurance in His word  
The Seventh Dove has come saying Shalom

While all around us is dying  
Their ears heeded to lies  
We've received God's true teaching  
And now our safety's in Christ

To us who are shut up in safety  
Who've always looked up above  
This message of grace has come to us  
From the mouth of That Seventh Dove

**INTO YOUR PRESENCE** **D**

Lord I lay my heart before Your throne  
Lord I bow my knees to you alone  
And though I know I'm guilty  
You forgive my sins  
Cleanse me with Your blood  
So I may enter in

To your presence is where I long to be  
In Your presence for all eternity  
And though I know I'm guilty  
You forgive my sins  
Cleanse me with your blood  
So I may enter into Your presence

**I'M RUNNING** **G**

Satan is mad but I'm so glad  
Cause he lost a soul that he thought he had  
One thing I'm sure of that I've done wrong  
Is that I stayed with Satan much too long

**CHORUS**

I'm running, I'm running  
My running days will soon be over  
I'm running, I've got to get in a hurry  
I know I'm gonna make it to the other side

One of these days it won't be long now  
You're going to look for me, but I'll be gone  
When I get to heaven shall I look for you  
If you want to get there you better run too

One of these days down here in Babylon  
We're going to see the saints that sleepeth, the redeemed ones  
One of these mornings in the twinkling of an eye  
I'm going to leave to be with my Jesus for that supper in the sky

**CELEBRATE JESUS** **F**

Celebrate Jesus, Celebrate}4x  
He is risen, He is risen  
And He lives forever more  
He is risen, He is risen  
Come on and celebrate  
The resurrection of our Lord

**I KNOW** **C**

Job was on his ash heap  
 His afflictions and trials strong  
 His health, his wealth, his family  
 Everything he had was gone  
 But as he looked out unto the mountains  
 And the lilies out in the fields  
 The Prophet said Job caught a vision of the Seventh Seal

**CHORUS**

Job said I know that my Redeemer lives  
 He'll stand in the later day  
 Though the worms may eat this body  
 I'll rise again some day  
 For as a grain of wheat falls to the ground  
 It withers and it dies  
 At Easter time it springs again  
 Bringing forth new life

Noah built the ark and did  
 Exactly as God had said  
 But it seemed like time would prove him wrong  
 He preached a hundred and twenty years  
 But as the sky grew dark and the winds blew strong  
 And the rain came falling down  
 I can hear old Noah rejoice and sing  
 That happy Easter song

**CHORUS**

He said I know that my Redeemer lives  
 The ark will rest some day  
 Though around me wave and billows roll  
 And all life will pass away  
 As a grain of wheat falls to the ground  
 It withers and it dies

At Easter time it springs again  
 Bringing forth new life

Jesus walked the lonely road  
 That led to Calvary  
 He looked so very defeated  
 As He hung there on the tree  
 But He said no man can take my life  
 I freely lay it down  
 Yes there had to be a Calvary  
 For an Easter time to come

**CHORUS**

Yes, I know that my Redeemer lives  
 He'll take me home some day  
 Through the storms of life  
 The toils and strife  
 I will praise Him anyway  
 For as a grain of wheat falls to the ground  
 It withers and it dies  
 At Easter time He rose again  
 To give us back His life

**IT MAKES ME SHOUT** **G**

When I think about the Lord  
 How He saved me  
 How He raised me  
 How He filled me with the Holy Ghost  
 How He healed me to the uttermost  
 When I think about the Lord  
 How He picked me up and turned me around  
 How He placed my feet on solid ground

**CHORUS**

It makes me want to shout  
 Hallelujah  
 Thank you Jesus  
 Lord you are worthy of all the glory  
 All the honour all the praise

**THE NIGHT VISION** **Am**

I beheld in the night vision,  
 O'er the great sea of humanity,  
 Creeping things, detestable things  
 Rising and gathering around me  
 From my soul came a desperate cry,  
 'Lord hide me from this hell I see,  
 I want to live with You eternally!'

**CHORUS**

I cried, "Hide me Rock of ages,  
 Separate me from the evils of this life,  
 Cover me with Thy robe of purity,  
 Be Lord of my life."

Then I lifted my eyes towards Heaven,  
 Lo, a Mighty Angel came down;  
 One foot on land and one upon sea,  
 And His face shone like the sun;  
 When He spoke His voice was like thunder,  
 And a mystery was made clear;  
 For the Voice that thundered judgement  
 Whispered freedom in my ear.

I considered the voice of the Angel,  
 Whose sayings were faithful and true,  
 Saying, "I Jesus is the Word of God  
 That has come to redeem you;  
 Through the Angel in the pulpit,  
 Cause this man to understand  
 He would live and reign eternally."

**CHORUS**

I cried, "Thank Thee, Rock of ages,  
 You've separated me from the evils of this life,  
 You have covered me with Thy robe of purity,  
 You are Lord of my life."

I was lifted amidst a great multitude  
 In the air above the sea,  
 A new song they sang no man could learn,  
 Shouting praise for victory;  
 Saying, "Worthy is the Lamb,

Who has given us power to overcome,  
 We now live and we'll reign eternally."

I heard a great voice saying,  
 "Come up hither,  
 To the great supper of the Lamb  
 Prepared by God for those whom He foreknew  
 Before the world began,  
 Saying, "Enter the joys of the Lord  
 My beloved Bride,  
 Come sit with Me,  
 I just want you at My side."

**FILL ME** **F**

Dear Lord, I know You called me,  
 And I'm baptized in Your Name;  
 Yet there is this promise You have made,  
 So Lord, I am asking you  
 To fulfill Your Word that You would fill me with the Holy Ghost.

**CHORUS**

I'm asking You to fill me with the Holy Spirit,  
 Fill me, fill me with Your love;  
 So Lord, it would not just be a part,  
 But a circumcision of my whole heart,  
 There'll be no difference in my standing and my state;  
 I'm asking You to fill me.

For me to live this Christian life  
 This old man must die  
 For Your Spirit to abide;  
 Lord, I don't want reformation,  
 But a Holy Ghost transfusion,  
 For You have said that I must be born again.

Lord, I see the challenge is rising,  
 And so many amongst us are falling,  
 Shows me Lord, I need another touch,  
 If You should come and live in me  
 I'll be having constant victory  
 By the faith that overcomes the world.

**THE SWORD OF THE LORD** **G**

Arise thou mighty man of valour  
and brave the fight,  
Victory is in thy favour go in this  
thy might,  
The Midianites are running,  
It's spiritual Armageddon;  
Shout, "the Sword of the Lord and  
of Gideon!"

Yes, the Spirit of Gideon is on me,  
Yes, the Spirit of the Lord is  
anointing me.

Dig deeper in those mysteries,  
Let your seven locks grow long;  
Oh anointing of Samson,  
Let faith muscles become strong;  
Lord, lead me to those pillars,  
Let me cast those devils down,  
Let me hear those Seven  
Thunders sound;

For the Spirit of Samson is on me,  
Yes, the Spirit of the Lord is  
anointing me.

"Speak now my fair lady,  
Touch the scepter in my hand;  
Make known your desires  
It's my pleasure to command."  
"Lord, my people, they are dying,  
They must have their liberty;  
Let me go and set the captive free."  
For the Spirit of Esther is on me;  
Yes, the Spirit of the Lord is  
anointing me.

"You have followed me this far,  
What can I do for you?"  
"Let a double portion of Your spirit  
rest upon me too."  
"You ask a hard thing but if you  
see me go,  
The power of the Lord you shall know."  
For the Spirit of Elisha is on me,  
Yes, the Spirit of the Lord is  
anointing me.

Arise, you moping eagles,  
Cease hopping on the ground,

Can't you hear your brother  
screaming?  
There's virtue in that sound.  
Arise and eat, be strengthened,  
For this journey you must be strong,  
You were born to set your eyes on  
the Sun.  
For the Spirit of the Eagle is on me,  
Yes, the Spirit of the Lord is  
anointing me.

"Arise, thou mighty men of valour  
and brave the fight,  
Victory is in thy favour go in this  
thy might;"  
The Midianites are running, it's  
spiritual Armageddon,  
Shout the Sword of the Lord }  
and of Gideon. }8x

**CONSIDER HIM** **F**

I have to sing to you  
About the One who died for me,  
Even though I've failed,  
Yet His Love's still being  
expressed to me;  
In my time of trial and when the  
enemy assails,  
I draw back just for a little while  
To consider Him.

**CHORUS**

Consider Him who for the joy  
endured the cross,  
Consider Him who died for all that  
was lost;  
Consider Him who there on  
Calvary bore your pain,  
I want you just for a little while  
To consider Him.

I know that life is rough,  
sometimes the trials hard to bear,  
And your daily life is encumbered  
with a load of care;  
Then there are those times when  
you can't seem to bear the strain,  
I want you just for a little while  
To consider Him.

\*\*\*\*

**FULLY COMMITTED** **D**

All that I am  
And all that I hope to be  
All of my desires  
And all of my ability  
I'm fully committed  
To your will and to your way  
I'll make the sacrifice to do what  
you ask of me  
I'm yours forever  
Jesus you're all that I need  
And I could never repay what  
you did just for me  
But the least I can do

**CHORUS**

I give my life  
I'm fully committed to you  
Its just the least I can do  
I give my life  
I'm fully committed to you

Every passing minute  
And every hour of the day  
Every situation, every bit of  
attention I pay  
I'm fully committed to your will  
and to your way  
I'll make the sacrifice to do what  
you ask of me  
Oh I'm yours forever  
Jesus you're all that I need  
And I could never repay what  
you did just for me  
But the least I can do

**CHORUS**

I give my life  
I'm fully committed to you  
Its just the least I can do  
I give my life  
I'm fully committed to you  
My heart, my soul  
I'm fully committed to you  
Every where that I go  
I'm fully committed to you  
Not a mite I will withhold  
I'm fully committed to you  
Every minute of the day  
I'm fully committed to you  
I give it all, I give it all unto you Lord  
I'm fully committed to you  
Every passing minute Lord  
I'm fully committed to you

**I GIVE YOU JESUS** **C**

If the ship of your life  
Is tossed and on the sea of strife  
You need someone  
If you feel so all alone  
That your house is not a home  
You need someone  
If you feel life isn't fair  
And there's no one left to share  
All your lonely days and night  
When things won't turn out right  
And you want someone to share  
And someone to just be there  
You need someone

**CHORUS**

I give you Jesus  
He's the peace that passeth all  
understanding  
I give you Jesus He's the perfect  
love that casteth out all fear  
I give you Jesus He's the water  
that you'll drink  
You'll never thirst again  
I give you Jesus my friend  
I give you Jesus

If the pressures all around  
Keeps your spirits to the ground  
You need someone  
If your body is in pain  
And your health you can't regain  
You need someone  
If there are times when you have  
tried  
With all the strength you have inside  
And it seems that you have failed  
Remember on the cross He nailed  
All your bitterness and grief  
To bring you peace and sweet  
relief  
For He's someone

**I'M DYING TO BE RE-UNITED D****CHORUS**

I'm dying to be reunited and in }  
 my soul I'm excited }2x  
 I'm dying to be reunited with the }  
 one who've always known me }

Always inside of me there was a  
 deep that was calling  
 But there never was a deep to  
 respond

My heart began searching  
 I didn't know what for until the  
 day He came  
 Until He called my name  
 I can never, ever be the same  
 I'm dying

Indeed He came to me  
 But that wasn't all  
 The words He spoke to me  
 controlled my heart  
 Daily I die a death unseen to  
 human eyes  
 Until they see in me God  
 manifest in flesh  
 I can never, never be the same  
 I'm dying

**BRIDGE**

I'm looking for a change in the  
 inside  
 That will manifest on the outside}2x  
 A body change in the twinkle of  
 an eye  
 Into a new dimension}4x  
 Oh oh, oh, 2x

**MONOLOGUE**

Many times in my life  
 I've always felt that I was a  
 missing part of someone  
 And daily as I grew  
 I found myself longing to be with  
 someone

I did not know who it was until  
 He came to me  
 Me, that missing part of Him  
 I gave him my heart, my soul, my  
 mind, my being, every part of me  
 For He was the one who have  
 always, always known me  
 Oh, oh, oh, }2x

I'm dying, I'm dying, I'm dying}  
 to be reunited with the }2x  
 one who've always known me}

**837****AT THE CROSS D**

Alas! and did my Saviour bleed,  
 And did my Sovereign die?  
 Would He devote that sacred  
 head  
 For such a worm as I?

**CHORUS**

At the cross at the cross where I  
 first saw the light,  
 And the burden of my heart rolled  
 away,  
 It was there by faith I received my  
 sight,  
 And now I am happy all the day!

Was it for crimes that I have done,  
 He groaned upon the tree?  
 Amazing pity, grace unknown,  
 And love beyond degree

Well might the sun in darkness  
 hide,  
 And shut his glories in,  
 When Christ, the mighty Maker  
 died  
 For man, the creature's sin

But drops of grief can ne'er repay  
 The debt of love I owe;  
 Here, Lord, I give myself away,  
 'Tis all that I can do!

\*\*\*\*

**SPEAK AND DON'T DOUBT F**

Speak and don't doubt,  
 Just believe in your heart,  
 Speak and don't doubt,  
 Till His Word comes to pass,  
 Whatever thing you desire in your soul,  
 You just believe that my Lord, He  
 will perform.

**CHORUS**

Joshua spake to the sun,  
 And he said, "sun stand still."  
 It's all because he knew who he was,  
 Bride, let us speak His Word  
 Having known who we are;  
 Revelation 10: 8-11: that's who we  
 are.

We have arrived at that junction in  
 His Word,  
 We have arrived where something  
 must give way;  
 The faith of God that is locked up  
 in our hearts,  
 We'll speak this very Word;  
 We'll see His glory pass.

Our prophet spoke and he  
 believed the Word,  
 Our prophet spoke and squirrels  
 did appear;  
 God's redeemed Church has  
 reached up to that sphere,  
 Inside that little room where the  
 power cannot fail.

Enter in there where the Light went  
 in that room,  
 Enter in there where the Angel  
 said He'll meet you;  
 You'll come out whole, with your  
 crutches in your hand,  
 Leaping and praising God for  
 there's power in that room.

**606****LET ME BE A SACRIFICE F**

Let me be a sacrifice, holy and  
 acceptable,  
 Let me be a sacrifice, consumed in  
 Your praise,  
 Let me be a sacrifice, holy and  
 acceptable,  
 Let me be a sacrifice, worshipping  
 Your Name.

**THAT'S WHY I CALL HIM G**

I was taken from His side  
 When my Lord bled and died,  
 The earth shook, and all of  
 nature's pillars cried.  
 On that sad and mournful day,  
 The sun went down and hid away,  
 When by blood, Jehovah-God  
 purchased His Bride.

**CHORUS**

That's why I call Him Lord,  
 Lord Jesus Christ,  
 Yes, I call Him Lord Jesus Christ.  
 I'm a new creation,  
 I'm His flesh, I'm His spirit, I'm His  
 bones,  
 And I'll tell the world He's Lord,  
 And we two are one.

Several times I've let Him down,  
 But my slide made His love more  
 strong,  
 From His side flowed reconciling  
 love,  
 Such a Love the world don't know;  
 Such a Love it could never show;  
 It took the Dove to bring it down  
 from up above.

For a sign, just to show the world  
 That my Gene was celestial,  
 From His side royal blood did flow  
 Oh, the serpent's head was  
 crushed well done,  
 Hallelujah to God's Holy One!  
 Who by His blood has brought me  
 back to my God.

In this time of the catching away,  
 Down here in this world His Bride  
 won't stay  
 She'll be taken up and all the  
 sleeping saints will wake  
 But before her change  
 She'll have perfect faith and the  
 Third Pull will be displayed  
 To show this world God's promise  
 is sure, He cannot fail

**608****JESUS OH JESUS D**

Jesus, oh Jesus,  
 Won't You move among us here  
 and free us.  
 Free us, oh free us To lay down our  
 lives in love and worship You.

\*\*\*\*

**THE SEVEN NAMES** F**CHORUS**

Jehovah Nissi, the Lord our banner;  
 Jehovah Rapha, the Lord our healer;  
 Jehovah Shalom, the Lord our peace;  
 Jehovah Shammah, the Lord is present;  
 Jehovah Raah, the Lord our shepherd;  
 Jehovah Tsidkenu, the Lord our righteousness;  
 Jehovah Shalom, the Lord our peace;  
 Jehovah Jireh, He provideth all our needs.

Lord I want to take the time,  
 Just to praise Your Holy Name,  
 'Cause You've been, been so good to me;  
 So from the rising of the sun,  
 To the going down of the same,  
 Lord Your Name alone is worthy to be praised.

You are the great I AM that I AM,  
 The God that was, is, and is to come,  
 Prophet, Priest and King,  
 Eagle, Lamb and Lion,  
 Son of Man, Son of God and Son of David.

You are the Rose of Sharon,  
 You're the Lily of the valley,  
 You're the Bright and Morning Star,  
 That's who You are;  
 The Mighty Conqueror that's been unconquered by traditions,  
 The Lord God Jehovah is His name.

**JESUS I WANT TO PRAISE** D

Jesus, I just want to Praise You,}3x  
 Praise You for being so good.

Jesus, I just want to serve You ...  
 Jesus, I just want to thank You ....  
 Jesus, I just want to love You .....

**SUMMIT ON SEVENTH PEAK** D

We have seen the Lord  
 In the fulfillment of His Word.  
 He promised through the prophet to return,  
 To ride this trail again, to reveal His New Name;  
 To teach His Bride to prophesy again.

**CHORUS**

Coming from the east, coming from the west,  
 Coming from the north and from the south;  
 All the rainbow trouts are gathered by the Shout;  
 For adoption on the summit of the Seventh Peak.  
 To do the greater works on the summit of the seventh peak

We are on Mount Zion, in the secret place,  
 By the Sovereign Grace of our Lord;  
 A City on a hill whose glory can't be hid,  
 We'll manifest the great and final pull.

A Rainbow-covenanted One,  
 In the Joshua Commission  
 Testifies "She has turned at the west,"  
 With the authority for her ministry,  
 And she shall speak from the Summit of the Seventh Peak.

We sing a brand new song,  
 We are the blood-washed throng,  
 We've seen our names beneath the Seventh Seal.  
 He opened up to us all the mysteries,  
 And there's light now on the Summit of the Seventh Peak.  
 All things are ready now  
 Father let the fire fall  
 Father glorify thy name, you did it once before in the life of Malachi 4  
 Now Father glorify your name

**HE'S ALIVE AND WELL** G

He's alive and well, living in me to tell the world,  
 That He is the same;  
 He's the same yesterday, today and forever,  
 Jesus is alive and well.

**CHANGE** A**CHORUS**

One of these days in the twinkling of an eye, I'll be changed  
 And caught up in the sky  
 Cause I've heard the message  
 Seven thundering voices unveiling  
 The fountain of life  
 One of these days when time shall be no more  
 I'll soar with wings of an eagle

While men's hearts are failing them with fear  
 As the wrath of God descend  
 Cause they have rejected the Son of man

Whom the Son of Man had sent  
 And chose instead a ruthless beast  
 Who's is destined to the pit  
 But I've pledge allegiance to the Lamb  
 Who shed His blood for me  
 And He promised I'll be taken from time to eternity

Step by step out of mortality  
 Into eternal realms I'll rise  
 Where death will be swallowed up by life  
 I'll live and never die  
 Timeless life of love and peace  
 Beholding my saviour's hallowed face  
 Cause I pledge allegiance to the Lamb  
 Who paid my debts for me  
 And He promised I'll be changed to immortality

One of these days in the twinkling of an eye, I'll be changed  
 And caught up in the sky  
 Where time will cease and death will die

The sleeping saints I'll greet in the skies  
 One of these days when time shall be no more  
 I'll soar with the wings of an eagle

Beholding the glory of a perfect man in likeness of the most high God  
 Walking the stairway he bypassed before and the door he never came through  
 Into a city built with lively stones, the streets built transparent gold  
 Cause I pledge allegiance to the Lamb  
 Who chose me as His own  
 And He promised I'll sit with him on His established throne

One of these days, one of } these days, I'll be changed}3x

**THERE IS NONE LIKE YOU** F

There is none like you  
 No one else can touch my heart like you do  
 I could search for eternity long  
 And find there is none like you

**MOVE IN THIS PLACE** C

Move in this place today  
 This is my one desire  
 That you would have Your way  
 Touch me Lord  
 And I won't be the same  
 Move in this place today

Where the Spirit of the Lord is  
 There is liberty  
 Where the Spirit of the Lord is  
 Captives are set free  
 So as we offer up  
 Our sacrifice of praise  
 May Your Holy Spirit  
 Breathe on us we pray

**POWER IN PRAYER** **Bb**

Oh Daniel turned his head and he prayed  
 But no answer came for twenty-one days  
 And it seemed that God had not heard his servant's prayer  
 But the prince of darkness stood in his way  
 The angel overthrow him  
 I can hear Daniel say there's power in prayer

**CHORUS**

There is power in prayer if you believe  
 He is standing right there for you to receive  
 For the problems you face  
 He is all that you need  
 There is power in prayer

**BRIDGE**

He is a God that won't fail when friends let you down  
 So cast all your cares on him cause I've found  
 He can take your heartaches and turn it around  
 There is power in prayer

I prayed a prayer but no answer came  
 My days turned to weeks  
 My grief turned to pain  
 And I cried oh Lord, seems like you have not heard my prayer  
 But God said I heard the first time you called  
 Satan tried to block your answer to stall  
 Reinforcements been made  
 Satan had to withdraw  
 There is power in prayer

**RUN FOR THE PRIZE** **D**

As a runner that's been trained to run the greatest race of all time  
 Want to lay aside each weight of sin so I wouldn't be left behind  
 I want to run with a motive with a desire in my soul  
 And I wouldn't look back for nothing  
 I'll keep my eyes set fast on my goal

**CHORUS**

I will run for the prize which no man could ever give  
 I'll contend for eternal life sublime  
 I will run with my eyes set fast on the promises of God's word  
 I'll stay true to all the rules I have heard

Any man who strives for the mastery  
 Great hardness he must endure  
 We must press with all that is in us  
 We must cry out Lord just once more  
 For the race is not for the swiftest  
 We were chosen to endure  
 To receive the crown of righteousness  
 God's promise to you will be sure

The author and the finisher is Jesus Christ our Lord  
 To despise the shame  
 endured the cross and sat down on the right hand of God  
 I'll consider him who has endured such opposition against himself  
 Lest I be weary and faint in my mind

\*\*\*\* 1<sup>st</sup> chr. 29**WITH A WILLING HEART** **F**

With a willing heart I bring to you Lord  
 Knowing that all riches and honor comes from you  
 And in Thy hand it is to make great and bring strength unto all  
 So with a perfect heart I offer unto you

\*\*\*\*

**THE HONEST IN HEART** **G**

The first pull contacted the flesh of man,  
 But did not reach the soul;  
 The second discerned the honest ones,  
 And the third went back for them;  
 He's promised a second ride }  
 And has returned to prove His Word; }  
 He's here with us who are honest in our hearts. }2x

**CHORUS**

He's going back for the honest in heart,  
 Who'll lay down their lives,  
 Willingly sacrifice;  
 He's going back for the honest in heart,  
 Going back for the honest in heart.

By faith, Rahab the harlot  
 Perished not with all the rest;  
 For she received the spies with peace,  
 And she was blessed;  
 The token was applied and even though the walls fell down, }  
 The spies went back for her, }  
 (She was saved) }  
 For she was honest in her heart. }2x

On His way to Jerusalem  
 He picked up the ones and twos;  
 Blind man, Bartimaeus,  
 And little Zacchaeus too;  
 We've seen Himself repeated }  
 In His Bride as she moves on, }  
 He's seeking out all the honest in heart. }2x

Our Lord, so rich in mercy,  
 Even there upon the cross  
 Love burned deep within His heart,  
 To reach out for the lost;  
 The thief hanging at His side }  
 Humbly asked to be }  
 And in that hour He reached out }  
 for an honest one. }2x

Even, way down in South Africa,  
 As we've heard it testified,  
 How the Lord, He did work things out,  
 For the sake of His little Bride;  
 He never forgets His own }  
 no matter what the condition, }  
 He kept His Word, }  
 He reached out for the honest }  
 one. }2x

**ISAAC'S BRIDE** **A**

The last message has come and gone,  
 This Word has swept the face of the whole earth,  
 And there are many who have heard it;  
 But out of these there shines a Bride,  
 The chosen ones, the precious Seed of God,  
 She's the Rebecca for her Isaac;  
 And one of these days she will be changed,  
 She'll slip from time into eternity.

While people laugh at us and mock,  
 Our lives are being raptured up with Him,  
 We know He has received us;  
 And we'll come forth in His image,  
 The chosen ones, the elected Seed of God,  
 The ones who love and serve Him;  
 And one of these days we will be changed,  
 We'll slip from time into eternity.

He will return just as He said,  
 To take His Bride away to be with Him,  
 In His great Millennium;  
 His promise is true; He has returned,  
 He never breaks or fails to keep His Word;  
 Just let us all be ready,  
 For one of these days we'll all be changed,  
 We'll slip from time into eternity.

**COME LET US STAND** E

Who are we children,  
And what were we born to be?  
Not just mortal creatures of time  
But reflectors of eternity.  
Why were we placed here  
Amidst temptation sore?  
It's to develop our character,  
And prove we're worthy of the  
Cross.

**CHORUS**

Come let us stand together }  
on God's Word. }2x

We belong to a body, to a unit  
so unique,  
Every member is important,  
From the head down to the feet.  
Everyone is affected  
When one goes out of place,  
So let's take our places faithfully,  
Let's strive to keep the faith.

We've got to recognize  
The deposit of the Word,  
That God has placed within us  
To face this evil world;  
The skills that we've been blessed  
with,  
And the natural ability,  
Are like seeds and when planted  
Will bring forth abundantly.

**BRIDGE**

For we were made overcomers  
Through Jesus Christ;  
And this is the victory,  
That overcomes the world - even  
our faith.

**MORE THAN ANYTHING** C

More than anything,  
More than anything,  
I love You Jesus, more than  
anything;  
More than worldly wealth,  
More than life itself,  
I love You Jesus,  
More than anything.

**SECOND CYCLE** F

Love went to the little fish  
And gave it back its life;  
Also went to Sis. Hattie Wright;  
Salvation to her two boys.  
It was Love that calmed the raging  
bull,  
Turned back the wild hornets;  
It was Love in the prophet,  
The first wave-sheaf offering.

**CHORUS**

It is Love, Love, Love, here today,  
It is Love, Love, Love, here to stay,  
He has caused our blind eyes to  
see,  
Given us faith and inward beauty,  
Love in His Bride riding this trail  
again.

Remember He cannot lie  
And His Words are not in vain.  
He promised through the prophet,  
"I'll ride this trail again."  
Many, many years have come and  
gone,  
Saints, what are we waiting on?  
The truth's made plain, He's here,  
Riding this trail again.

He went to Sis. Merle and stopped  
the issue of blood;  
In San Fernando Hospital there He  
spoke the Word.  
Caused Bro. Williams to make a  
stand  
Against the words of the physician,  
Healed Bro. Wayne and his boy;  
Yes, He's here riding this trail again.

He went to Mon Repos,  
And set the captive free,  
Through our precious brothers,  
He delivered her.  
Saints there are many, many,  
more to say.  
But the time is slipping away.  
He's the former and the latter rain,  
Yes, He's here riding this trail again.

**JUST ONCE MORE LORD** G

Spiritual stripped morally broken  
With his eyes plucked out  
Here stands the man with all of  
his stature  
But with no power in his life  
Raised up by God and given power  
To put to flight the armies of the  
enemy  
But gave away all of his secrets  
Was now bound and in captivity  
In the book of his remembrance  
Were all the great victories he  
had won  
Realizing his present condition  
From deep down inside this cry  
began

**CHORUS**

Just once more Lord  
Just once more Lord  
So we can see your power  
moving once again  
Just once more Lord

Repenting of all mistakes and  
failures  
Praying in his heart Lord let me die  
Not considering what it would  
cost him  
Should God hear and would  
answer his sincere cry  
For he could feel his locks had  
grown out  
Thinking is there a possibility of the  
power of God coming back  
Began to cry more earnestly

**CHORUS**

Just once more Lord  
Just once more Lord  
So we can feel your Spirit  
moving once again  
Just once more Lord

Inaugurated at Pentecost  
Signs and wonders,  
manifestation of His name

But there at the council of Nicea  
The early church had its locks  
shaved  
With a promise of restoration  
We have seen God's church rise  
in power through each stage  
Until God sent to us a prophet  
And we have seen the fullness of  
God's life on display  
But its been so long since the  
eyes have gone out  
And there is a new crop that is  
coming forth  
For greater works and dynamic  
power to be displayed  
May we as Samsons of God cry  
just once more

**IN THE GARDEN** Ab

I come to the garden alone  
While the dew is still on the roses  
And the voice I hear falling on  
my ear  
The son of God discloses

**CHORUS**

And He walks with me and He  
talks with me  
And He tells me I am His own  
And the joy we share as we tarry  
there  
None other has ever known

He speaks and the sound of His  
voice  
Is so sweet the birds hush their  
singing  
And the melody that He gave to  
me  
Within in my heart is ringing

I'd stay in the garden with Him  
Tho' the night around me be  
falling  
But He bids me go thro' the voice  
of woe  
His voice to me is calling

**WE TOO HAVE A THEOPHANY D**

**CHORUS**

We too have a theophany }  
A body waiting in the heavens }  
for me }2x  
We cannot wait to see what }  
eternity will be }

Daddy is the token applied for me  
Does the Spirit abide in me  
I want to know for sure  
Mummy how are we so sure  
Is it because we believe the  
prophet Malachi 4  
The token is on the door  
We are safe forever more

Now we know we have a part to  
play  
To obey all that the prophet say  
The token is a promise to them  
that obey  
Friends it don't matter if you're  
big or small  
Little stones are part of the  
building wall  
Believe in God today and you will  
find your way

**HALLELUJAH ANYHOW C**

Hallelujah anyhow  
Don't let the devil get you down

For you name is holy lord

**A LIVING REALITY D**

God gave a promise  
To His bride in this last days  
Priests and Kings He's made us  
And forever we shall reign  
We're following an eternal order  
way beyond the humanistic realm  
God lifting us to a higher place  
only by His grace

**CHORUS**

We're a living reality  
We are His Holy Word  
The Substance of the shadow  
The fulfillment of His Word  
We're a living reality  
We're the mystery revealed  
Christ manifested in us  
He in us and we in Him

Our natural birth brought five  
senses  
To relate to natural things  
But by our new birth  
We received the sixth sense faith  
Faith the Holy Spirit  
Came in us to dwell again  
A circumcised people  
Greater works we'll do again

Faith relates to Melchizedec  
And we are the faith  
Faith is the substance  
God in flesh again  
We are not on Mt. Sinai  
But now raised up to Mt. Zion  
Like our father Abraham  
From the dust to the stars  
We were made

827

**YOU ARE THE ROCK Dm**

You are the rock of my salvation  
You are the strength of my life  
You are my hope and my  
inspiration  
Lord unto you will I cry

I believe in you, I believe in you  
For your faithful love to me  
You have been my help in time  
of need  
Lord unto you will I plead

**TELL ME MORE G**

The earth is like a woman  
Ravaged by men;  
Seeds of corruption  
Have been sown throughout her  
land;  
But the harvest time has come,  
The Master's sickle is in His hand;  
To pluck up and destroy  
All the evil works of men.

But tell me of a new civilization,  
Oh, tell me of my journey back to  
Eden;  
Oh, tell me of Boaz and  
redemption,  
Oh, tell me of a virtuous woman,  
God's Bride.

Like a woman in travail,  
The earth groans under iniquity;  
Science has ravished her virtues  
To produce lying vanities,  
Her birth pains are increasing,  
The signs are clear to see;  
Earthquakes in divers places,  
Volcanoes erupting suddenly;

Oh, tell me of a glorious  
resurrection,  
Oh, tell me the desert shall bloom  
like a rose;  
Oh, tell me of the wonderful  
Millennium,  
Oh tell me of glorious Mt. Zion,  
My future home.

Like a woman that's perverted,  
Sin has stripped her of her hair;  
Man has cut down all her forests;  
She's almost naked everywhere;  
She's polluted in her rivers,  
The land, the air and sea;  
She must burn with the holy fire of  
God  
To restore her purity.

But tell me what's under those  
Seven Trumpets,  
Oh, tell me of God's three-fold  
mystery;

Oh, tell me of the greatest love  
story,  
Oh, tell me about of a Man called  
Jesus,  
Who died for me.

Oh, tell me, where will I go when  
the fire starts burning?  
Oh, tell me about my Theophany;  
Oh, tell me of the great Wedding  
Supper,  
Oh, tell me of my Lord who's yet a  
little higher,  
My eyes shall see.

Oh, tell me what's under those  
Seven Trumpets,  
Oh, tell me that the cycle has  
returned;  
Oh, tell me why it had to be little  
Shepherds,  
Oh, tell me of the Inside Life with  
Jesus  
Who died for me.

Oh, tell me that my troubles are all  
gone,  
Oh, tell me that it's only six inches  
long;  
Oh, tell me of the Catalina  
Mountains,  
Oh, tell me the Seventh Dove has  
descended,  
To lead me home.

**LOVELIER BY FAR D**

He is fairer than the lily of the  
valley,  
He is brighter than the morning  
star,  
He is purer than the snow,  
Fresher than the breeze;  
Lovelier by far than all of these.

But He calms the storm,  
Covers the raging sea,  
He is the high and mighty One  
Who reigns throughout eternity,  
Creator of the universe,  
Supreme in majesty,  
He is and forever shall be.....

**I SAW SATAN FALL** **Eb****CHORUS**

I saw Satan fall like lightning,  
Coming down from the sky;  
How art thou fallen son of the  
morning,  
Who thought you could exalt  
yourself so high?

You were the one who weakened  
the nations,  
Brought this world in so much sin;  
Praise God your power has been  
broken,  
When our Lord, our mighty  
conqueror entered in,  
Freed us from sin;  
Now I look unto redemption,  
The abstract title deed has come;  
Showing me that way unto  
perfection,  
For this wicked world of sin I'll  
overcome.

I'll sit with my Father in His throne  
I'll reign with Him one thousand  
years,  
Where there's no sickness, or  
sadness;  
Only joy, no more fears, no more  
tears.

You were the one upon those  
horses;  
White and red, black and pale,  
Praise God your power has been  
broken,  
Since those Seven Seals have  
been unveiled,  
You have failed;  
Now I look unto redemption,  
The abstract title deed has come  
Showing me that way unto perfection,  
For this wicked world of sin I'll  
overcome;  
I'll sit with my Father in His throne,  
I'll reign with Him one thousand  
years,  
Where there's no sickness, or  
sadness;  
Only joy, no more fears,  
No more tears.

**HIS COVENANT HE'LL KEEP** **G**

Why have we been distressed?  
Oh, we've been troubled sore.  
What is it that we've done?  
Have we transgressed His law?  
Let us search and test our ways:  
See where we have wronged,  
Let's forsake our own ways,  
And He will make us strong.

**CHORUS**

For He hath cast down,  
But he will lift up;  
Though He hath broken,  
Yet He will bind.  
He hath wounded,  
But He will heal;  
With His people, His covenant  
He'll keep.

Let us search and test our ways,  
And see where we have  
wronged;  
Let us lift our hearts in praise,  
And worship Him who's our God.

**JEHOVAH JIREH** **Em**

Jehovah Jireh, my provider,  
His grace is sufficient for me,  
Jehovah Jireh, my Provider,  
His grace is sufficient for me,  
My God shall supply all my needs,  
According to His riches in glory,  
He gave His angels charge over  
me,  
Jehovah Jireh careth for me,  
for me, for me,  
Jehovah Jireh careth for me.

**HE IS MY REASON** **D**

He is my reason for living,  
He is the King of all Kings,  
Jesus, my only possession,  
Jesus, my everything.

**WHERE DOES MY HELP.....** **D****CHORUS**

I lift up my eyes to the hills  
Where does my help come from  
My help comes from the Lord  
Maker of heaven and earth  
O maker of heaven and earth

Your foot shall never be moved  
You'll never stumble or slip  
(no never)  
He who watches Israel  
He never slumbers nor sleep  
No he never slumbers nor sleeps

The lord will keep you from harm  
He watches over your soul  
(he watches)  
He will watch you come and go  
Now and forever more (forever)  
Now and forever more

They that trust in the Lord shall

And He's the one waiting for  
Everyday with Jesus is sweeter  
than the day before.

**ROCK AND HARD PLACE** **D**

Spiritual Israel of God lift up your  
heads now  
Look up to the source of all your  
strength  
And though you stand in the  
place where you stand now  
Trust in Him who always proved  
to be your help

And though you stand between a  
Rock and a hard place  
Stand there with faith, believe in  
His grace  
God has determined that these  
trials you must face  
Standing by grace between a  
Rock and a hard place

Chosen children of God look  
back and see  
The many times before when  
you were in great need  
Yet your Father in His love has  
never failed  
To stand between you and the  
enemy  
(To deliver you from all your  
enemies)

And though you stand between a  
Rock and a hard place  
Stand there with faith, believe in  
His grace  
God has determined that these  
trials you must face  
Standing in faith yea standing  
strong  
Standing by grace though your  
trial seem long  
Standing by grace between a  
Rock and a hard place

Spiritual Israel of God lift up your  
heads now  
Look up to the source of all your  
strength  
And though you stand in the  
place where you stand now  
Just stand there by grace  
between a Rock and a hard  
place  
Standing by grace between a  
Rock and a hard place

**I LIFT UP MINE EYES F**

I lift up my eyes

 To the hills around Jerusalem  
 To the God of all the earth  
 I lift up my eyes  
 I lift up my eyes.

Who is our helper  
 The Lord of heaven  
 He will deliver  
 God of all the earth  
 Who will preserve us  
 The mighty God will save  
 He will deliver  
 God of all the earth

Lift up your eyes  
 Lift up your eyes  
 He will deliver you  
 Lift up your eyes

**THE LANGUAGE G#m**

One more time the Lord  
 descended unto men  
 And spake in a language it take  
 the token to understand  
 What do you think about  
 Melchizedek's bread and wine?  
 Serving to Abraham's Royal  
 seed in this evening time.

**CHORUS**

The Capstone of love shouting }  
 Grace }  
 Bringing man back to that place }  
 One more time man will see }  
 God's super race }2x

Enoch's Pyramid testifying in  
 Egypt's land  
 Oh what reality it is to you and  
 me  
 God coming down with feet on  
 land and sea  
 Enoch seven steps to the King's  
 chamber  
 Oh what a language it is to us in  
 this hour

Arise my people and see this  
 reality  
 Under one headship, one  
 language  
 In this evening time.  
 Buy of him eye salve that you  
 may see  
 That super sign spoken of is you  
 and me  
 The eagles following the dove  
 from faith to perfect love  
 What a language it is from the  
 dust to the stars above  
 One more time man will see  
 God's super race

**GOD EN MORPHE G**

Jehovah of the Old is Jesus of the  
 New,  
 That's the mighty revelation,  
 That has come to me and you;  
 How Michael, The Archangel, is  
 the pillar of Fire too,  
 He was the Voice in the whirlwind  
 That spoke Alaska's doom;  
 He is the Amber Light, the Pillar of  
 Cloud,  
 Came down on the wings of a  
 snow-white Dove;  
 He's Jesus, The Lord of Lords.

He came back in this day  
 In the ringed-cloud mystery,  
 It was seen up in the skies,  
 And baffled the worldwide;  
 But to His little Bride He said:  
 "It's I, you need not fear,  
 Just go back to the east  
 And I will meet you over there;"  
 He is The Angel of God with the  
 silver-sword,  
 The One that meant the most with  
 the swept-back wings;  
 He's Jesus the King of Kings.

He was seen in Revelation,  
 The Book of great symbols;  
 As The mighty Angel that came  
 down,  
 Was clothed in a cloud;  
 But, do you know He has promised  
 All the mysteries would be revealed?  
 The dying Lamb of Calvary was  
 the One that broke those Seals;  
 He is the Lion that prevailed,  
 The Lamb that was slain to take the  
 book from the hand of God;  
 He's Jesus called The Word of God.

Who is this Melchisedec who's  
 always changing form,  
 This mysterious One of the Bible  
 is hid to us no more;  
 His name is called the Word of God,  
 His vesture's dipped in blood;  
 He raised us as His standard

When the enemy comes like a flood;  
 He is the Supreme Judge, the  
 Angel of God,  
 The Man that stepped out of the  
 ball of fire,  
 The Amber Light, the Great I AM,  
 The God that came walking in the  
 days of Sodom;  
 He's Jesus, He's JVHU.

**I WANT TO RISE UP D**

As I strive daily Lord to see Your  
 Word perfected,  
 Help me be so deeply sincere from  
 within;  
 For I know this is my time for  
 consecration,  
 And I must lay aside my every  
 weight and sin.

**CHORUS**

So I can rise up on the wings of faith  
 And soar the Heavens wide.  
 So I can live in heavenly places,  
 Far beyond the clouds and skies.  
 So I can see like the eagles,  
 The things God sees from up above,  
 Just to follow in the way of the  
 Dove.

Seeing Lord, You've given me a  
 path to follow,  
 And You showed me just what I  
 was called unto,  
 Lord, prepare me to be always in  
 Your service,  
 A true service unto You I want to  
 do.

**MAKE ME MORE LIKE THEE F**

Make me more like Thee,  
 Jesus, make me more like Thee,  
 Give me Your heart that's filled  
 with love,  
 And make me more like Thee.

**FOUNTAIN OPEN** E

For I will take you from the nations  
And bring you to your own land,  
And I'll be sanctified in you,  
Before the eyes of man.  
A new heart will I give you,  
And place My Spirit within,  
I'll sprinkle clean water on you,  
And save you from your sin.

**CHORUS**

There is a fountain opened  
In the House of David  
To you who would believe,  
And there are streams of Grace  
That's flowing down from Calvary,  
Come, now and receive.

And I will pour upon the house of  
My chosen one,  
The Spirit of Grace and of  
supplication.  
And in that day, what a day that  
will be,  
A fountain shall be opened up,  
And you shall be wholly clean.

**BRIDGE**

There is a fountain filled with  
blood,  
Drawn from Immanuel's vein;  
And tell me what can wash away  
my sin;  
Nothing but the blood of Jesus.  
O precious is the flow  
That makes me white as snow.  
And there's no other fount I  
know,  
Than the fountain opened  
In the House of David.....

**(continue singing chorus)**

**NOTHING IS TOO HARD** F

Nothing is too hard for the Lord,  
Nothing is too hard for the Lord,  
Whatever you need, on Jesus you  
call  
Nothing is too hard for the Lord.

**THE PEACE OF GOD** G

There's a peace to know that you  
are saved  
And that all your sins are washed  
away;  
But then there's a peace that  
passeth all understanding,  
A peace that cannot easily be  
disturbed.

**CHORUS**

For it's good to know you're  
justified,  
Your sins are under the blood;  
It's good to know you cannot be  
lost  
Under no circumstance,  
But when the perils of this life  
Befall you everyday;  
There's peace with God,  
But most of all you need  
The peace of God.

The Father comes and shows you  
your standing,  
And that all you have ever done  
wrong  
He doesn't remember;  
But to face your everyday trials  
you need something  
That will give you settled peace  
And cause worrying to cease.

The Father comes and shows you  
your standing  
And that your sins were placed in the  
sea of His forgetfulness;  
But sight and time being your  
worst enemies,  
Breed fear and sometimes  
insecurity.

**HEY LITTLE BRIDE** D

Hey little Bride! The Bride-Groom

be gone.

**JEHOVAH NISSI** D**CHORUS**

He shall go before us  
Set fire to the camps of our  
enemies  
Jehovah Nissi, God our banner  
Will cleanse this world from iniquity  
The Lord shall roar from Zion  
That heavenly Jerusalem  
And though the heavens and  
earth will shake  
The Lord will be his people's  
hope and strength

Men have built their empires on  
scientific exploits  
Towers of organizations will reap the  
fruits of their vain toils.  
But men of war let's draw near,  
united under one headship,  
We've seen the vision and we're  
committed  
Let's possess the gates of the  
enemy without fear.

False anointed one in the end  
time, appear to be all clothed in  
white  
Try to paint a picture of perfection to  
deceive the true vine,  
But we as the army of the living  
God,  
We see through eyes of the  
eagles, we'll fight the good fight  
and keep the faith  
If God be for us then tell me who  
can be against us.

**BRIDGE**

God has chosen a people to  
wage war on our enemies  
All dominion and authority are  
ours  
And with him we'll reign for  
eternity

**DAYS OF ELISHA** G

These are the days of Elisha  
Declaring the word of the Lord  
This is the day of his promise  
Righteousness being restored  
And though these are days of  
great trials  
Of famine and darkness and sword  
Still we are the voice in the last  
day crying  
Prepare ye the way of the Lord

**CHORUS**

Behold He comes riding on the  
clouds  
Shining like the sun at the  
trumpet call  
Lift your voice it's the year of  
jubilee  
Out of Zion's hill salvation comes

And these are the days of Ezekiel  
The dry bones becoming as flesh  
And these are the days of your  
servant David  
Rebuilding a temple of praise  
And these are the days of the  
harvest  
The fields are white in the world  
And we are your labourers in  
your vineyard  
Declaring the word of the Lord

**812****THE NEW JERUSALEM G**

John saw a holy city that is soon  
so soon to come  
He called that holy city the new  
Jerusalem  
There will be no war in that city  
No sorrow, no death, no pain, for  
Christ will rule that city,  
The new Jerusalem

**CHORUS**

The new Jerusalem  
Behold she's coming soon  
And God will dwell with man  
again in the New Jerusalem

And now we can see that great city  
How she shines like the golden  
sun  
Behold she's coming closer  
The New Jerusalem  
And oh how I long for that city  
She's there till eternity with  
welcomed arms  
Oh let's draw near to the New  
Jerusalem

**A SONG OF PRAISE F**

I will extol Thee, oh Lord  
For Thou hast lifted me up,  
And hast not made my foes to  
rejoice over me.  
Oh Lord my God, I cried unto Thee,  
And Thou hast healed me.  
So in my prosperity I said  
I shall never be moved.

**CHORUS**

For Oh Lord,  
Thou hast brought up my soul  
from the grave:  
Thou has kept me alive and from sin;  
That I shall not go down to the pit.  
Sing unto the Lord, all ye precious  
saints of His,  
And give thanks at the  
remembrance of His Holiness.

Hear Oh Lord and have mercy  
upon me,  
Lord be my helper,  
Thou has turned for me my  
mourning into dancing;  
Thou hast put off my sackcloth,  
And girded me with gladness;  
To the end my glory may sing  
praises to Thee.

What profit is there in my blood,  
If I go down to the pit?  
Shall the dust praise Thee?  
Shall it declare Thy truth?  
For your anger endureth but a  
moment;  
In Your favour there is life:  
Weeping may endure for a night  
but joy cometh in the morning.

**632****IF YOU KNOW THE LORD F**

If you know the Lord is leading you,  
What you gonna worry about?  
If you know the Lord is keeping you,  
Why not sing and shout?  
Glory! Hallelujah! Praise His Name!  
Every day is not the same.  
If you know the Lord is leading you,  
What you gonna worry about?

**REDEMPTION BY BLOOD F**

I felt death's sting, I had sensed its  
snares,  
Its cruel pain brought bitter tears;  
How could I escape when  
judgement was sure?  
Who could plead my cause?  
And when God saw there was no one  
He sent to die His only Son,  
For only through blood His wrath  
could have been appeased.  
His justice was satisfied when  
blood flowed from Calvary.

**CHORUS**

Redemption by blood,  
Oh wretched man that I am,  
Who shall deliver me  
From the body of this death,  
And who should set me free,  
taking me out of this desert?  
But I thank God through Jesus Christ,  
And His death on Calvary,  
It brought for me redemption by  
blood.

I felt the chains bind my soul within,  
Serving that slave master sin  
By reason of my bondage I sighed  
And God heard my cry,  
Remembering His covenant  
A prophet He did truly send  
With the Word of truth  
To break the strongholds within,  
And totally deliver me from the  
power of in-dwelling sin.

**CHORUS**

Redemption by power,  
Oh wretched slave I was made,  
Who shall deliver me from the  
bonds of slavery?  
And who shall set me free,  
Taking me from my captivity?  
But I thank God through Jesus Christ,  
And His death on Calvary,  
It brought for me redemption by  
power.  
Redemption by blood, redemption  
by power,  
In completeness and joy  
Redemption for me.

**KING THEOPHANY** **A**

In sixty-three the Angel came  
With the Will and I saw my name,  
Then I knew that I'm a part of  
God's family;  
So like Jacob I must fight  
With the Angel day and night,  
Till those seven rainbow lights in  
me I see.

**CHORUS**

This mighty Angel that came to me,  
Is Almighty God, King Theophany,  
The Pillar of Fire that's now  
perfecting me,  
In that form He came to me all the  
way from Eternity,  
Oh, Hallelujah, I am sure of victory!

Those unclean spirits just like frogs  
That came out of the dragon's mouth  
Are deceiving all the kings on  
earth today:  
Religious men have been sealed  
out  
By the doctrine that came out;  
Saying that Jesus Christ our Lord  
is three indeed.

Seven Spirits of our God,  
Seven Voices thundering out,  
The Seven Virtues of our God into  
my soul,  
Supernatural devils are coming on,  
The greatest contest now is on;  
But by the Spirit's Sword I'll  
overcome them all.

This Mighty Angel, He's the One,  
That my heart is centered on,  
He's the One that means the most  
in all my life;  
For He has promised in His Word  
Speak and in my heart believe,  
Whatsoever I ask,  
He, this Mighty Angel will perform.

**RIGHT WHERE I BELONG** **C**

Who am I anyway?  
I'm just a little lump of clay,  
And if my strength is to no avail,  
Yet it doesn't mean that I have failed,  
For when I'm weak Lord, You're  
made strong,  
So there is nothing going wrong,  
You've brought me to that place,  
Right where I belong.

**CHORUS**

Right where I belong,  
Your grace and Your love through  
the years  
Have brought me along,  
Who am I, who am I?  
That You've taken me from the pit,  
To heavenly places with You I sit,  
You've brought me to that place,  
Right where I belong.

Who am I? Lord consider me,  
I'm just a little lump of vanity,  
Like a flower that blooms and  
fades away,  
Its mortal life withers every day.  
But Lord, You've given me eternal  
life:  
You've even called me Your  
virtuous wife;  
You've brought me to a place,  
Right where I belong.

Who am I? Lord let me die,  
Just let Your Name be glorified,  
At Your service Lord, here I  
stand,  
Your wish, oh Lord is my  
command;  
For You died to set me free,  
And You did it so willingly,  
To bring me to this place,  
Right where I belong.

**HE CARETH FOR YOU** **D**

He careth for you,  
He careth for you;  
Through sunshine or shadow,  
He careth for you.

**GOD IN HIS PEOPLE** **D****CHORUS**

God in his people the super sign  
The Word manifested in you and I  
God in his people the super sign  
The Word manifested in the end time

We saw God manifested in the  
prophet  
He was the supersign for the age  
God came and supped with him  
till he became in his image  
God brought him to the place  
where he spoke and did create  
Give sister Hattie Wright her  
boys  
And the dead fish raised

Our Priest and King is rebuilding  
his Jerusalem  
And He's here supping with us the  
Royal seed of Abraham  
He wants to take us to the place  
where we'll speak and create  
The sick made whole by the  
word and our bodies change

All God was he poured in Christ  
All Christ was he poured in the  
church  
He wants to pour himself in  
young and old  
But we must be purged  
Let's go on to perfection  
Let's labour to enter in  
Let's work along with our Nehemiah  
So the House of God could live  
again

**BRIDGE**

Let's go on to perfection  
Let's labour to enter in  
Let's work along with our  
Nehemiah  
So the House of God could live  
again

**STRENGTHEN MY HANDS...** **D****CHORUS**

Strengthen my hands for war  
I want to be an overcomer  
Strengthen my hands for war  
I want to fulfill this word with power

For though two hundred million is  
gathered against me  
In this I'll be confident  
If God before me tell me who  
could be against me  
For they are more with us than  
they with them

For there remaineth much land  
yet to be possess  
Many promises to be fulfill  
Can't let circumstances or  
conditions get us down  
For we must fulfill his will

**CHORUS**

For the mark of this age is  
perfection  
And to miss that mark saints is sin  
For Alpha must become Omega  
The word made flesh again

For we know that walls will be  
built in troublous times  
In a time of scoffers and mockers  
But we are determined that the  
House of God will live again  
Heavenly Jerusalem

**UP TO JERUSALEM** **Am**

I was glad when the said to me  
Come to the house of the lord  
Standing here in your gates again  
Up to Jerusalem  
Up to Jerusalem  
Up to Jerusalem

\*\*\*\*

**LET'S BUILD JERUSALEM D**

Your walls have been broken  
down, Oh Jerusalem  
Your gates have been trodden down  
And your temple in ruins  
But how can I, how can I forget  
you, My Jerusalem  
When you are, My Holy City, My  
City of Truth  
So that is why I sent My Servant,  
(Nehemiah)  
To strengthen your hands to rebuild  
So with one tool in hand, the  
other with the sword  
Let's build back Jerusalem

**CHORUS**

So arise, let's build back Jerusalem  
Just be strong and take courage  
Lo I'm your God who's with you  
This work you're ordained to fulfill  
So let us arise and let's build for  
Jerusalem  
Jerusalem, [She must] she must  
be restored again O Jerusalem

The opposition getting stronger  
everyday  
To discourage us from building  
the House of God  
But God has already promised us  
We'll have the victory  
So let's not slacken our hands  
But be determined to complete  
For thy mountains shall become  
a plain [Zerubabel]  
So be not discourage, just look to  
Him  
Jerusalem shall stand complete

**CHORUS****BRIDGE**

For behold The City, New  
Jerusalem  
Coming down from heaven  
Filled with the Glory of God  
For behold the New Jerusalem

**IT'LL TAKE THE RAPTURE D**

The streams are all polluted  
And the fishes all gonna die from  
the acid rain  
Factories they poison the air  
Pretty soon there won't be air to  
breathe that's clean  
They say that radiation destroy  
civilization  
How can we escape without the  
rapture  
What's gonna come and set us free  
And save us from this terrible  
disaster

**CHORUS**

It'll take the rapture  
It'll take the rapture  
What's gonna take us to that land  
Where we can lay down in green  
pastures  
It'll take the rapture  
It'll take the rapture  
Take my family to live in peace  
Where we can be happy ever  
after  
It'll take the rapture

Men's hearts are failing for fear  
As they see the things happening  
across the land  
So much pressure on the sons of  
God  
How much more of Satan's Eden  
can they stand  
Teenage suicides on the rampage  
This dreaded disease called AIDS  
And no future has taken away  
their laughter  
If they will hear will you tell them  
how  
They can escape this terrible  
disaster

**THINGS THAT ARE TO BE F**

What is this strange feeling I feel in  
the air?  
I feel that there are Theophanies  
everywhere,  
The Heavenly Host and the earthly  
host uniting,  
There's going to be a rapture in  
the air,  
What an atmosphere!

**CHORUS**

Things that are to be, }  
What we feel in our hearts, }  
What we see in our midst, }  
Are things that are to be. }2x  
Modern events being made clear  
By vindicated prophecy,  
Modern events being made clear  
By vindicated prophecy,  
Things that are to be.

The Capstone came shouting  
'Grace, Grace, Grace!'  
To cap off the Pyramid of our lives.  
Here we stand in God's image  
and likeness,  
We are flesh of His flesh and  
bone of His bone,  
There's never been a people like this.

The Dove of Agape love flew into  
our hearts  
Bringing comfort, peace, joy and  
love;  
This mortal shall put on  
immortality,  
This corruptible shall be  
incorruptible for all eternity.

**ALIVE AND WELL D**

He's alive and well,  
The stone's been rolled away;  
He's alive and well,  
He's no longer where He laid;  
He's alive and well,  
I can hear the angels say;  
Let all the world rejoice,  
He's alive.

**LET GLORY FILL THIS PLACE G**

The Most High God dwelleth not  
In temples made of human hands,  
But our hearts He has chosen  
To be His dwelling place,  
A people saved by His grace.

**CHORUS**

We are Your hands, Your feet,  
With Your body You have built  
this sanctuary.  
Now let Your love and Your  
peace;  
Let Your presence sanctify and  
make it holy.  
Let Your glory Lord, fill this place,}3x  
{Let Your weary find rest in this  
sanctuary,}3x  
You have made.

Beyond human reason, this  
place You have chosen,  
Another wilderness You have  
transformed.  
With Your prisoners of love,  
And Your anointing from above;  
Another paradox You have  
performed.

Your beauty and character we  
have seen in each other,  
As we worked together in one  
accord.  
We've seen Your power on  
display,  
You've answered when we  
prayed,  
Through hard trials You made a  
way.

Let every lively stone in this  
building,  
Shout the praise of God (Praise  
the Lord.)  
Let the door of each heart be open  
To welcome in the Lord,  
Let the pillars stand in position,  
And support the house of God.  
Let the priest cry Holy! Holy!  
(Holy, Holy.)  
Let us give thanks to the Lord.

**THE MOST HOLY ONE C**

We are living in a time of investigation judgement,  
The wrath of God has been revealed from Heaven;  
The world is heading for total destruction,  
Soon the righteous shall walk on the ashes of wicked men.

**CHORUS**

For they with wicked hands have crucified  
The Most Holy One In a most cruel way.

They have rejected the greatest light  
That has ever shone since creation.

Men's hearts are failing, failing for fear

Seeing that coming destruction is drawing near,  
They have sinned and sinned away their day of grace;  
Loving their religious works more than the Revealed Word.

Now he that has ears to hear,  
Let him hear what the Spirit is saying;  
The Token must be on display  
So we won't be a castaway;  
For this world has been indicted and put on trial,  
And have become souls in prison.

**THE MOVE IS ON C**

The move is on my Lord,  
The move is on;  
The move is on my Lord,  
The move is on;  
I can hear the rustle in the mulberry trees,  
And I know, I know, I know the move is on.

Move on brother, move on sister,  
This is the moving day,  
Move a little closer,  
Where the streams are flowing;  
Move on, brother, move on.

\*\*\*\*

**LIVE RIGHT G**

Blessed is the man whom the Lord will find  
Doing His perfect will, all the time.  
Though mortal strength faileth,  
He's not weary yet,  
His labours of love, the Lord will never forget.

**CHORUS**

We will live right, everyday, }  
'Cause Jesus can come now }  
just any day. }2x

Blessed are your eyes, for the things that they see,  
Many prophets of old have inquired diligently;  
For no more darkly do we see but face to face.  
Lift your hands and praise the Lord for amazing grace.

Blessed are your ears, for the things that they hear;  
Many uncertain sounds are everywhere  
For the gospel trumpet sounded sweet jubilee.  
Lift your hands and praise the Lord  
Who has set you free.

Gird up your loins, ye mighty men of war;  
Full obedience to God's Word and victory is sure;  
For perfect faith is strong and knows no defeat.  
For the God of this world must wriggle under our feet.

Punish with vengeance all iniquity,  
By confessing your faults with sincerity.  
You must say "Satan you have no place in me!  
Let the Royal Vesture be now put on me."

**THE PEARLY WHITE CITY D**

There's a holy and beautiful city,  
Whose builder and ruler is God.  
John saw it descending from heaven,  
When Patmos in exile, he trod;  
Its high, massive wall is of jasper,  
The city itself is pure gold;  
And when my frail tent here is folded,  
Mine eyes shall its glory behold.

**CHORUS**

In that bright city, pearly white city,  
I have a mansion, a harp and a crown;  
Now I am watching, waiting and longing,  
For the white city John saw coming down.

No sin is allowed in that city,  
And nothing defiling nor mean;  
No pain and no sickness can enter,  
No crape on the doorknob is seen;  
Earth's sorrows and cares are forgotten,  
No tempter is there to annoy;  
No parting words ever are spoken,  
There's nothing to hurt and destroy.

No heartaches are known in that city,  
No tears ever moisten the eye,  
There's no disappointment in heaven,  
No envy and strife in the sky;  
The saints are all sanctified wholly,  
They live in sweet harmony there;  
My heart is now set on that city,  
And some day its blessings I'll share.

My loved ones are gathering yonder

My friends, too, are passing away;  
And soon I shall join their bright number,  
And dwell in eternity's day;  
They're safe now in glory with Jesus,  
Their trials and battles are past;  
They overcome sin and the tempter,  
They've reached that fair city at last.

**GOING UP TO JERUSALEM F**

The road is long and dusty,  
The stones, they bruise my feet,  
The road is parched and burnt,  
And are weary from the heat  
But I won't lay my burden down  
Until my journey is complete, and pass beneath gates  
Unto the city of your praise

**CHORUS**

Jerusalem, Jerusalem,  
Going up to Jerusalem  
Jerusalem, Jerusalem  
Going up to Jerusalem

Perfection of Beauty, the joy of all the earth  
Is my Jerusalem  
Her gates are filled with elders and her courts with praise  
She is my city of truth and holiness.

By the river of Babylon,  
There we sat down and wept  
when we remembered Zion,  
And how can I forget thee my Jerusalem,  
My city of truth and peace.

\*\*\*\*

**THE UNITY OF ONE GOD D**

The unity of the one God in the one Church  
United by one language, united under one Head-ship  
Together we are building the New Jerusalem  
Together we shall see this City come to its completion

**BEHOLD THY KING** **Em****CHORUS**

Arise, O Jerusalem thy King  
cometh unto thee  
Behold thy king cometh unto thee  
O ye daughter of Zion  
Thy king cometh unto thee

O rejoice greatly ye daughter of  
Zion  
For behold thy King cometh unto  
thee

Shout aloud O daughter of Jerusalem  
For behold thy King dwelleth in  
the City  
For he has broke the chains of  
bondage  
Bringing us out of Babylon  
We are redeemed and called by  
his name  
His royal seal is upon us  
His light now shining us  
And his name we shall declare

Behold I have made you the  
desire of all nations  
A city of truth O Jerusalem  
As I have declared to my  
servants the prophets  
I shall restore you back in the  
fullness  
Your gates shall all stand strong  
again  
I am the Lord your God thy  
strength  
And though a host encamped  
around you  
It shall not come nigh unto you  
For I will destroy them all

**BRIDGE**

So arise O Jerusalem  
Break forth in praises to your  
King Who has restored you  
And is now dwelling in you  
He has turned away the captivity  
And destroy thine enemy

O Jerusalem thy King cometh  
unto thee  
O Jerusalem thy King cometh  
unto thee  
Behold thy king cometh

**MUST JESUS BEAR ALONE? G**

Must Jesus bear the cross alone,  
And all the world go free?  
No, there's a cross for every one,  
And there's a cross for me.

The consecrated cross I'll bear,  
Till death shall set me free,  
And then go home my crown to  
wear,  
For there's a crown for me.

Upon the crystal pavement down  
At Jesus' pierced feet,  
With joy I'll cast my golden crown!  
And His dear name repeat.

O precious cross! O glorious  
crown!  
O resurrection day!  
Ye angels from the stars come  
down,  
And bear my soul away.

**SHALOM JERUSALEM Am****CHORUS**

Shalom, shalom Jerusalem  
Peace be to you  
When messiah comes to take us  
home  
May his praise be found in you

Pray for peace Jerusalem  
City of our god  
There salvation was poured out  
for you  
The atoning of the lord  
Once your streets filled with joy  
Branches raised up high  
Shouting blessed be the holy  
one  
Yeshua t'adonai

**THE GREAT EXODUS F#m**

The Lord has called a great  
Exodus in this evil day,  
For He has promised in His Word  
that a people  
Must be changed and taken away;  
Once again the Token is required  
of every man,  
As the death angel moves swiftly  
throughout the land;  
For the plagues of Egypt are  
throughout the land,  
Gross darkness on the people they  
don't understand  
We are living in the time of }  
mercy and judgement. }2x

The mystery Cloud has shown the  
Supreme Judge in our day,  
He'll judge and make war with evil  
Scientists  
Who have despised His way;  
They are corrupting and destroying  
the earth with Satan's wisdom,  
They've made it a time bomb  
activated for sure destruction;  
But rejoice you saints who sigh  
and cry,  
The Cloud has brought our  
redemption nigh;  
You shall leap over walls }  
into a new dimension. }2x

Volcanic lava shall spew forth from  
the centre of the earth,  
A regeneration to a new  
civilization, This earth shall give  
birth;  
But like Noah, we shall be lifted  
above the judgements again,  
When fire and hailstones fall from  
the skies like rain;  
For on the ashes of the wicked  
shall the righteous stand,

The meek of the earth shall inherit  
the land;  
Oh rejoice ye citizens of new }  
Jerusalem. }2x

Your tormentors and oppressors you  
shall see them no more,  
For the Holy Fire of God's wrath  
shall make your exodus sure;  
No more demons to disrupt and  
pollute our atmosphere,  
God will purge the earth;  
The rivers of water shall be crystal  
clear;  
Edenic beauty shall cover the  
earth again,  
No more sickness, no more  
sorrows, no more pain;  
God and man, heaven and earth }  
will be one again. }2x

**THANKS, THANKS F**

Thank You Lord for the strength  
you give  
To simply carry on  
Through those scolds and tests,  
And the worst and best,  
I'm never left alone.  
You're always right beside me  
To hear me when I pray.  
Since I first began You've been my  
dearest friend,  
I give You all the praise.

**CHORUS**

Thanks, Thanks I give you thanks,  
For all You've done.  
I am so blessed,  
My soul has found rest,  
Oh Lord, I give You thanks.

I give You thanks this moment  
And I will continually.  
For each day I live Your grace  
You give,  
I am blessed abundantly,  
And I won't forget that moment  
When, in my life, You made such a  
change.  
Since the Spirit came I've not been  
the same,  
I want to give You praise.

**LORD LIFT ME UP** **F**

Thy steadfast love oh Lord  
Extends unto the heavens,  
And Thy faithfulness unto the  
clouds.  
I feel the cold winds of judgement  
blowing,  
The Northerner is coming,  
The Great White Eagle must  
appear anytime now.

**CHORUS**

To lift me up on the seventh  
mountain,  
Bear me on Your eagle wings so  
strong.  
Lord lift me up on the seventh  
mountain,  
I feel in my heart it's the place  
where I belong.

In my heart's a desperation,  
An anointed expectation,  
That a paradox must be performed;  
For the deep in me is calling,  
For that super anointing,  
Where divine love and power just  
take supreme control.

On my ash heap waiting for Your  
divine promise,  
Your response to my faith in Your  
Word;  
Still trusting in You my Saviour  
My absolute forever;  
That You'll finish the work in me  
You have begun.

I'm looking beyond my afflictions  
To a perfect restoration,  
A new body Thou has prepared  
for me;  
I'm tired of this dimension,  
Of its chaos and confusion,  
A new heaven and a new earth I  
long to see.

**BACK TO EDEN** **D**

We're going back to Eden  
To claim what was lost,  
For the Book has been opened,  
Our names It revealed;  
There are footprints before us  
That show us the way,  
There's a Presence goes with us;  
So we will not stray.

**CHORUS**

Oh beautiful Eden!  
Sweet home of the blest,  
That's prepared for the faithful,  
Who hath the Thunders retained;  
We'll sing of His praises,  
Our Lord we shall see,  
We will live in His glory;  
And in His likeness we'll be.

All our signs and our seasons are  
mileposted there,  
So the demons of reasoning  
Would give up in despair;  
We have claims of assurance,  
The Abstract Title Deed;  
It's the land of our Fathers,  
And we are true seeds.

We are nearing the end now,  
Of our journey back home;  
Let's keep pressing onwards,  
And let the Thunders roll;  
We who once were afar off  
Are being drawn nigh,  
By the Word full of power  
Victory is in sight.

**SWEETER AS THE DAYS GO** **F**

He gets sweeter as the days go  
by,  
He gets sweeter as the moments  
fly,  
His love is richer, fuller, deeper,  
sweeter,  
He gets sweeter, and sweeter and  
sweeter as the days go by.

**STONE BY STONE** **A****MONOLOGUE**

Babylon, we know types the flesh  
*Our worst enemy, who always  
tries to get in the way  
When God wants to do  
something for us  
Jerusalem we know types the soul  
It is the soul that God contacts  
It is the city that God chose to dwell  
and identify Himself in  
And though she's been mocked  
and scarred, laughed at, trodden  
down and buried deep under  
heaps of rubbish  
God chose her and He loved her  
And we know that Jerusalem, oh  
Jerusalem  
Stone by stone, by stone, She  
shall rise and never fall again.*

Babylon has fallen, Jerusalem  
shall rise  
God has promised she shall be  
built in perilous times  
This is the age God thought to  
place us in  
To fight the fight and to build the  
house  
For our Jerusalem shall rise

Some through the fire but those  
walls are rebuilding  
With brotherly love those  
breaches are mending  
We shall not cease until we hear  
that last trump sound  
Until the capstone comes and crown  
the work of the Lord  
Jerusalem shall rise

**CHORUS**

Stone by stone, }  
Jerusalem shall rise } (3x)  
From her filthy clothing, to her  
glorious white robe  
From the dust to the stars

Jerusalem shall rise  
[Stone by stone, by stone, by stone]  
We're putting down our Faith stone  
[Stone by stone.....]  
Our virtue and Knowledge stone  
[Stone by stone.....]  
Temperance and Patience stone  
[Stone by stone.....]  
Godliness and Brotherly kindness  
stone [Stone by stone.....]  
Our Chief stone and our Love stone  
[Stone by stone.....]  
Building a dwelling place for our God  
[Stone by stone.....]  
We're building our Jerusalem  
[Stone by stone.....]

**HOSANNA** **F**

Jerusalem, Jerusalem  
Lift up your gates and sing  
Hosanna in the highest  
Hosanna forevermore

Jerusalem, Jerusalem  
Hear how the saints (angels)  
sing  
Hosanna to the highest  
Hosanna to the King

Jerusalem, Jerusalem  
Lift up your gates and sing  
Hosanna in the highest  
Hosanna to the King

**WHEN THE MISTS HAVE... Bb**

When the mists have rolled in  
splendor from the beauty of the hills,  
And the sunlight falls in gladness  
on the river and the rills,  
We re-call our Father's promise in  
the rainbow of the spray:  
We shall know each other better  
when the mists have rolled away.

**CHORUS**

We shall know as we are known,  
Nevermore to walk alone,  
In the dawning of the morning of that  
bright and happy day.  
We shall know each other better,  
When the mists have rolled  
away.

Of't we tread the path before us with  
a weary, burdened heart;  
Of't we toil amid the shadows,  
And our fields are far apart:  
But the saviour's "Come, ye blessed"  
All our labour will re-pay,  
When we gather in the morning  
where the mists have rolled away.

We shall come with joy and  
gladness,  
We shall gather round the throne;  
Face to face with those that love us,  
We shall know as we are known:  
And the song of our redemption shall  
re-sound thro' endless day,  
When the shadows have  
departed,  
And the mists have rolled away.

**DRAW HUMBLY C**

Let us with grace and mercy and  
feeling in our hearts,  
Draw humbly to the throne of grace,  
And may the Lord be merciful as  
we seek his face,  
And draw humbly to the throne of  
grace.

**WE HAVE A MESSAGE C**

Moses told the children of Israel  
The Lord shall raise up a prophet  
Like unto me and Him shall ye  
hear  
Truly Jesus came fulfilling all that  
Moses said  
Then died and rose  
And gave us Salvation to declare

**CHORUS**

We have a Message to the world  
We have a Message to save lost  
souls  
We have a Message to the sick  
and dying  
We've got to tell you Jesus saves  
We've got to tell you Jesus heals  
We have a Message that makes  
you life worth living

Surely the Lord God will do nothing  
But He reveal His Secrets to the  
prophets  
Like the one He has sent in our day  
He fulfilled Revelation 10 and 7  
Malachi 4:5 and 6  
We now have this Seven Seal  
Message to declare

**CHORUS**

We have a Message to declare  
We have a Message the end is  
near  
We have a Message to those  
souls that are thirsting  
What for ages has been sealed  
In our day has been revealed  
This is what has made our lives  
worth living

**PRAISE HIM IN THE MORNING C**

Praise Him in the morning,  
Praise Him in the noontime,  
Praise Him when the sun refuse  
to shine,  
Praise Him on the mountain,  
Praise Him in the valley,  
Everybody praise my Jesus all  
the time.

**HE'S COMING SOON G**

In these, the closing days of time,  
What joy the glorious hope affords,  
That soon - oh, wondrous truth  
sublime!  
He shall reign, King of kings and  
Lord of lords.

**CHORUS**

He's coming soon, He's coming  
soon;  
With joy we welcome His returning;  
It may be morn, it may be night or  
noon,  
We know He's coming soon.

The signs around, in earth and air,  
Or painted on the starlit sky,  
God's faithful witnesses declare  
That the coming of the Saviour  
draweth nigh.

The dead in Christ who 'neath us  
lie,  
In countless numbers, all shall rise,  
When through the portals of the  
sky  
He shall come to prepare our  
Paradise.

And we who, living, yet remain,  
Caught up, shall meet our faithful  
Lord;  
This hope we cherish not in vain,  
But we comfort one another by this  
word.

**HIS BANNER OVER ME IS ... D**

His banner over me is love  
His banner over me is love  
He brought me in to His  
banqueting house and His  
banner over me is love  
Is love, is love,  
His banner over me is love  
He brought me in to His  
banqueting house and His  
banner over me is love.

**THE SOUNDS OF HIS... C**

I can hear the sounds of His  
coming everywhere,  
In the headlines, resounded by the  
score,  
It may be another earthquake or  
just another war,  
But to every child of God it's  
something more;  
And when I hear the sound of  
marching,  
Hear the sound of battle cry,  
Then I know my Lord is coming,  
even now,  
It may be nigh.

**CHORUS**

And I can hear the sounds of His  
coming everywhere,  
They're getting louder and louder  
each day,  
And they will crescendo unto that  
last and final sound,  
When the trumpet shall call me  
away.

I can hear the sound of fig leaves  
Rustling in the summer breeze,  
As I see the Lord restore Jerusalem;  
And I can hear a sound from  
Heaven  
As a mighty rushing wind,  
As God pours His Spirit out upon  
all men;  
And when I hear revival sounds  
Not just here but everywhere,  
Then I know its almost over,  
I can feel it in the air.

**SOMETHING BEAUTIFUL D**

Something beautiful,  
Something good;  
All my confusion  
He understood;  
All I had to offer Him  
Was brokenness and strife,  
But He made something beautiful  
of my life.

**THE MEETING IN THE AIR** **G**

You have heard of little Moses in  
the bulrush,  
You have heard of fearless David  
and his sling;  
You have heard the story told of  
dreaming Joseph,  
And of Jonah and the whale you  
often sing.  
There are many, many others  
through the Bible,  
I should like to meet them all, I do  
declare!  
By and by the Lord will surely let  
us meet them  
At the meeting in the air.

**CHORUS**

There is going to be a meeting in  
the air,  
In the sweet, sweet by and by;  
I am going to meet you, meet you  
there  
In that home beyond the sky;  
Such singing you will hear, never  
heard by mortal ear,  
'Twill be glorious, I do declare!  
And God's own Son will be the  
leading One  
At the meeting in the air.

Many things will there be missing,  
in that meeting:  
For the mourners bench will have  
no place at all;  
There will never be a sermon  
preached to sinners,  
For the sinner had refused to heed  
the call.  
There will be no mourning over  
wayward loved ones,  
There will be no lonely nights of  
pleading prayer;  
All our burdens and our anguish  
will be lifted  
At the meeting in the air.

There the doubters will be missing  
altogether,  
All the skeptics will be absent on  
that day;  
There will be no grumblers present  
to disturb us,  
And the Achans will be busy far  
away.

There the saints will have His "seal  
upon their foreheads,"  
Dressed in raiment none but  
ransomed ones can wear;  
All who have the wedding  
garments will be present  
At the meeting in the air.

**HOLY GHOST REVIVAL** **D**

The land is laying barren,  
Desolation every where,  
The harvest that we longed for,  
We looked, but it's not there,  
The devil sows his evil seed,  
Thwarts the Master's plan,  
But tired and so weary,  
God's servants work as fast they  
can.

**CHORUS**

Send down the Holy Ghost revival,  
Revive us.  
Send the rain from heaven,  
Flood our thirsty souls.  
We need the Holy Ghost revival,  
Revive us Lord,  
Open up the heavens, take  
control.

Now the skies seem brass above  
us  
As we look for the promised rain.  
God's servants sow the seed of  
precious truth,  
Just to reap a golden grain;  
But the Spirit's power is what we  
need  
To see the harvest come,  
So, Lord send the Holy Spirit;  
Come and glorify Your Son.

**THE SPIRIT AND THE BRIDE** **C****CHORUS**

The Spirit and the Bride say come  
Let Him that hear say come  
Let Him that thirst come and drink  
And say come  
And whosoever will  
Let Him take from the water of life  
freely. **(CHORUS 2x)**

God has open up a fountain of  
life in our day  
He has quench the thirst inside  
us  
And cleansed our soul from sin  
And now His healing waters flow  
through us His Bride  
To the dying people throughout  
the world.

**CHORUS**

With His mighty revelation  
Let's run as fast as we can  
Setting free every captive  
Proclaim His coming at hand  
For soon He is returning  
To take us all on high  
So let's be His witness  
Giving our all in His service.

**CHORUS****BRIDGE**

Whosoever is faint and dying  
Come and be made whole  
Whosoever soul needs cleansing  
Come and be made whole  
Whosoever life need healing  
Come and be made whole  
Whosoever lack his power  
Come and be made whole

The Spirit and the Bride say  
come  
Come to the fountain of living  
water Come and be made whole

**HEAR THE BATTLE CRY** **D**

The weapons of our warfare are  
not made with human hands  
And the enemy we face is not  
the flesh and blood of man  
But we serve a mighty captain  
with the one who's battle plan  
He's already won the victory yet  
He calls us now to stand

Hear the battle cry  
Put your amour on  
We must occupy the land until  
the kingdom come  
Hear the battle cry  
Put your amour on  
We must occupy the land until  
the kingdom come

Take the sword of spirit bind the  
truth around your waist  
Keep the breastplate of  
righteousness firmly in its place  
Wear the helmet of salvation by  
the power of His grace  
Fit your feet with the gospel, raise  
the mighty shield of faith

Free the captives of the night  
Evading evil strong holds with  
the light

**LET GOD ARISE** **F**

Let God arise  
Let the enemies be scattered  
Let the righteous be glad  
Let them rejoice before God  
Let them rejoice (2x)

Make a joyful noise unto our God  
All ye lands sing forth His honour  
Of His name make His praises  
glorious  
Let us rejoice, Let us rejoice, Let  
us rejoice.

**PSALM 86** **C**

Teach me thy way oh Lord  
I will walk in thy truth  
Unite my heart to fear thy name,  
Teach me thy way oh Lord  
I will walk in thy truth  
Unite my heart to fear thy name.

Oh yes I will praise thee oh Lord  
My God with all my heart  
Oh yes I will glorify thy name  
Forevermore, Forevermore.

**BRIDGE**

For great is thy mercy, thy mercy  
oh God,  
Thou has delivered my soul from  
the lowest hell,  
Thou has shown me a token, a  
token for good,  
Great is thy love thy mercy  
endureth forever.

**CLOSER DRAWN TO THEE** **F**

I want to be closer drawn to thee  
Closer drawn to thee  
Lord the challenge is getting  
stronger  
And the days are shorter  
Lord I need to see more of you in  
me

Closer drawn to Thee  
Is where I want to be  
A longing for a deeper fellowship  
with You and me;  
Closer drawn to thee  
Is where I want to be,  
A longing for a deeper fellowship  
with You and me.

**HEAR MY PRAYER OH GOD** **A**

Hear my prayer oh Lord,  
From the ends of the earth I cry,  
Your peace will lead me to  
The rock that is higher than I

For you has been my strength in  
time of trouble,  
A tower above my enemies,  
And Lord I will abide with you,  
Forever in the shelter of your  
wings.

**HE'S ALREADY PROVIDED** **D**

He's already provided,  
He's already provided,  
Everything you need He's  
already provided;  
Every promise you can claim,  
Just ask it in his name  
Everything you need He's  
already provided.

**GOD WILL MAKE A WAY** **G**

God will make a way,  
When there seems to be no way,  
He works in ways we cannot see;  
He will make a way for me,  
He will be my guide;  
Hold me closely to His side;  
With love and strength for each  
new day,  
He will make a way,  
He will make a way.

By a roadway in the wilderness  
He leads me,  
Rivers in the desert will I see,  
Heaven and earth will fail,  
But His word will still remain;  
And He will do something new  
today.

**SWEET BY AND BY** **D**

There's a land that is fairer than  
day,  
And by faith we can see it afar;  
For the Father waits over the  
way,  
To prepare us a dwelling place  
there.

**CHORUS**

In the sweet by and by,  
We shall meet on that beautiful  
shore;  
In the sweet by and by,  
We shall meet on that beautiful  
shore.

We shall sing on that beautiful  
shore,  
The melodious songs of the  
blest,  
And our spirits shall sorrow no  
more,  
Not a sigh for the blessing of  
rest.

To our bountiful Father above,  
We will offer our tribute of praise,  
For the glorious gift of His love,  
And the blessings that hallow our  
days.

**I SEE THE LORD** **C**

I see the Lord,  
I see the Lord,  
Exalted high upon the worship  
Of the people of the Lord.

I see the Lord,  
I see the Lord,  
Mine eyes have seen the King,  
The Lamb who left the throne,  
Who reigns forevermore.

The train of His robe  
Fills the temple,  
A cloud of heavenly worshipers  
surrounding His throne,  
We join with them now crying Holy,  
Holy, is the Lamb!  
The Lamb alone!

**OUR LORD'S RETURN** **F**

I am watching for the coming of  
the glad millennial day,  
When our blessed Lord shall come  
and catch His waiting Bride away;  
Oh! my heart is filled with rapture as I  
labour, watch and pray,  
For our Lord is coming back to  
earth again.

**CHORUS**

Oh! our Lord is coming back to  
earth again,  
Yes, our Lord is coming back to  
earth again,  
Satan will be bound a thousand  
years, we'll have no tempter then,  
After Jesus shall come back to  
earth again.

Jesus' coming back will be the  
answer to earth's sorrowing cry,  
For the knowledge of the Lord shall  
fill the earth and sea and sky;  
God shall take away all sickness and  
the sufferer's tears will dry,  
When our Saviour shall come back  
to earth again.

Yes, the ransomed of the Lord shall  
come to Zion then with joy,  
And in all His holy mountain nothing  
hurts or shall destroy;  
Perfect peace shall reign in every  
heart, and love without alloy,  
After Jesus shall come back to  
earth again.

Then the sin and sorrow, pain and  
death of this dark world shall cease,  
In a glorious reign with Jesus of a  
thousand years of peace;  
All the earth is groaning, crying for  
that day of sweet release,  
For our Jesus to come back to  
earth again.

**WHEN THE ROLL IS CALLED** F

When the trumpet of the Lord  
shall sound,  
And time shall be no more,  
And the morning breaks eternal,  
bright and fair;  
When the saved of earth shall  
gather over on the other shore,  
And the roll is called up yonder,  
I'll be there.

**CHORUS**

When the roll is called up yonder,  
When the roll is called up yonder,  
When the roll is called up yonder,  
When the roll is called up yonder,  
I'll be there.

On that bright and cloudless  
morning when the dead in Christ  
shall rise,  
And the glory of His resurrection  
share;  
When His chosen ones shall  
gather to their home beyond the  
skies,  
And the roll is called up yonder,  
I'll be there.

Let us labour for the Master from  
the dawn till setting sun,  
Let us talk of all His wondrous  
love and care;  
Then when all of life is over,  
And our work on earth is done,  
And the roll is called up yonder,  
I'll be there.

**PYRAMID MOUNTAIN** G

Pyramid mountain  
All over the earth,  
God's divine nature  
In sinful earth;  
People who possess the new birth  
Will be pyramid mountains  
All over the earth.

**TELL THEM I'M COMING...** C

If I had a song to sing,  
If I could tell the world one thing  
From my Lord and my King,  
What would I tell them?

As the seasons slip away,  
I can almost hear him say,  
"Won't you touch someone's heart  
today?  
Here's what to tell them."

**CHORUS**

"Tell them I'm coming soon,  
Tell them I'm coming real soon,  
Tell them in your song  
It won't be very long,  
Until I take them home,  
Oh won't you tell them?  
Tell them I love them  
And I'm coming soon!"

All the signs have made it clear,  
The time of the Lord is drawing  
near,  
It's His gentle sweet voice that I  
hear,  
"I want you to tell them."

He that hath an ear, Let him hear  
What the Spirit is saying,  
Loud and clear,  
Though many may say,  
"I've heard it before!"  
Tell them just once more.

**SATAN YOU'RE CONQUERED** C

Satan you have no place in our  
lives,  
We're true sons of God we've got to  
stand for our rights;  
There isn't no enemy that can  
stand before us,  
If God be for us tell me who  
could be against us.

**CHORUS**

Hate you're conquered,  
Malice you're conquered,  
Envy you're conquered,  
Conquered by the word of God,  
Lust you're conquered,  
Rebellion you're conquered,  
Disobedience you're conquered,  
Conquered by the word of God.

Every day there's an enemy to face,  
Whether it be home or even at  
your work place;  
Please remain conscious and  
don't lose your focus,  
Keep your confidence in Him and  
don't lose your trust.

**CHORUS**

Fear you're conquered,  
Doubt you're conquered,  
Confusion you're conquered,  
Conquered by the word of God,  
Women you're conquered,  
Money you're conquered,  
Popularity you're conquered,  
Conquered by the word of God.

Oh saints of like precious faith  
take your positions for the hour is  
late,  
And though the enemy has  
posted many threats,  
We been made more than  
conquerors,  
Let's stand and take our place.

Sometimes in our lives things for  
years that we fight,  
There seems to be no way to  
end all this strife;  
Resist the enemy and He'll flee  
from you,  
He's only and bluff and that is all  
He can do.

Now it's time for the Mount Zion  
showdown,  
David fought for Israel, slew  
Goliath to the ground;  
Michael and Lucifer at war now  
to end,  
We've got the victory  
We'll crown Christ King of Kings  
(4x)

**KING OF KINGS** C**CHORUS**

King of Kings we give you thanks,  
We give you praise and  
thanksgiving;  
At all times in everything we give  
you thanks,  
We give you thanks.

In the lowest of the Valley  
In the highest of the Mountain  
Lord you are always there  
I will praise you through the  
sunshine  
I will praise you through the storm  
For you said you will walk with me  
every step of the way

I will thank Him for His mercy  
I will thank Him for His grace  
For He is all that matters in this  
race  
So rejoice oh children of Judah  
for He's faithful with promise  
So keep pressing upwards for He  
is your strength is your strength

**CHORUS (2X)**

**IT IS GOD** **D**

It was at the place of the Holy cross  
 Were God took his servant and turned him around  
 He came back home to friends and family  
 To share with them this message of jubilee  
 Well, one by one they came till a church was born  
 It surely was the breaking of a new dawn

**CHORUS**

It has been God who passed our way  
 And it is God who is with us here today  
 And it is God still with us here today

We gathered on a street name Fran  
 With planks on bricks for benches and a pulpit made of pan  
 Till we move up to the house at Simpson Brown,  
 To give witness at the place where God took us from  
 Then amidst the voice of those who lived near  
 A building was erected and we worship God there

Well, the work was truly growing  
 And the time came we move up to the place of the burning flame  
 To unite with saints who were to be a part of this great work that God did start  
 Well, mighty revelations thundered from that place  
 And around the world it went with shouting of grace

Our God is a Father he cares for old and young

And He has given this place for our little ones  
 As prisoners we stand right on this spot  
 We know its a transformation from what it was  
 Though tillers of the soil are all around  
 There still an Abel in our midst with a bloody Lamb

It seem we were set and just ready to go  
 But more of God's great plan began to unfold  
 The saints from deep in south Has come to take their place amongst now  
 And as we wait, we wait right here  
 We are just waiting to be caught up, caught up in the air.

**783****TAKE THE NAME OF JESUS** **Eb**

Take the name of Jesus with you,  
 Child of sorrow and of woe;  
 It will joy and comfort give you,  
 Take it, then, where'er you go.

**CHORUS**

Precious name, Oh how sweet!  
 Hope of earth and joy of heaven;  
 Precious name, Oh how sweet! Hope of earth and joy of heaven.

Take the name of Jesus,  
 As a shield from every snare;  
 If temptations round you gather,  
 Breathe that holy name in prayer.

O that precious name of Jesus!  
 How it thrills our souls with joy,  
 With His loving arms receive us,  
 And His songs our tongues employ!

At the name of Jesus bowing,  
 Falling prostrate at His feet,  
 King of kings in heaven we'll crown Him,  
 When our journey is complete.

**I'M GONNA LET GLORY...** **A**

Well I don't know why but I can't be shy  
 When I get around God's people;  
 I get so inspired my heart's on fire  
 I lose all control;  
 Well the Word of God is a consuming fire  
 That's beating in my bosom;  
 And one of these days I'm gonna shout and sing  
 In the presence of my King.

**CHORUS**

I'm gonna let the glory roll  
 When the roll is called in glory,  
 I'm gonna get beside myself  
 When I get beside the King, that day.  
 I'm gonna have the time of my life  
 When the time of my life is over,  
 I'm gonna get carried away when I get carried away.

I was walking around with a great big frown,  
 I was bound by condemnation,  
 Till the Pillar of Fire flashed across my path  
 And showed me my salvation;  
 Where there's God there's peace and love  
 And happiness and gladness,  
 And I thank Jesus everyday  
 He took away my sadness.

Now the song I sung, it is nothing I've done  
 But God that showed me mercy;  
 And I'll tell the story for the good Lord's glory,  
 And to magnify His Name,  
 So now you've heard so let's stay with the Word  
 And pray for revelation,  
 And through the power of the Word for the hour  
 We'll overcome temptation.

**BY AND BY, MORNING...** **F**

We are often tossed and driven on the restless sea of time,  
 Sombre skies and howling tempests oft succeed a bright sunshine;  
 In that land of perfect day, when the mists have rolled away,  
 We will understand it better by and by.

**CHORUS**

By and by when the morning comes,  
 When all the saints of God are gathered home,  
 We will tell the story how we overcome,  
 For we'll understand it better by and by.

We are often destitute of the things that life demands,  
 Want of food and want of shelter,  
 Thirsty hills and barren lands;  
 But we're trusting in the Lord, and according to His Word,  
 We will understand it better by and by.

Trials dark on every hand, and we cannot understand,  
 All the ways that God would lead us to that blessed Promised land;  
 But He guides us with His eye and we'll follow till we die.  
 For we'll understand it better by and by.

Temptations, hidden snares often take us unawares,  
 And our hearts are made to bleed for many a thoughtless word or deed,  
 And we wonder why the test when we try to do our best,  
 But we'll understand it better by and by.

**OH, I WANT TO SEE HIM F**

As I journey through the land,  
singing as I go,  
Pointing souls to Calvary, to the  
crimson flow,  
Many arrows pierce my soul from  
without, within;  
But my Lord leads me on, through  
Him I must win.

**CHORUS**

Oh, I want to see Him, look upon  
His face,  
There to sing forever of His saving  
grace;  
On the streets of Glory let me lift  
my voice;  
Cares all past, home at last, ever  
to rejoice.

When in service for my Lord, dark  
may be the night,  
But I'll cling more close to Him, He  
will give me light;  
Satan's snares may vex my soul,  
turn my thoughts aside;  
But my Lord goes ahead, leads  
whate'er betide.

When in valleys low I look toward  
the mountain height,  
And behold my Saviour there,  
leading in the fight,  
With a tender hand outstretched  
toward the valley low;  
Guiding me, I can see, as I onward  
go.

When before me billows rise from  
the mighty deep,  
Then my Lord directs my bark, He  
doth safely keep,  
And He leads me gently on  
through this world below;  
He's a real Friend to me, O I love  
Him so.

**JUST OVER IN GLORY LAND G**

I've a home prepared where the  
saints abide,  
Just over in the glory land;  
And I long to be by my Saviour's  
side,  
Just over in the glory land.

**CHORUS**

Just over in the glory land,  
I'll join the happy angel band,  
Just over in the glory land;  
Just over in the glory land,  
There with the mighty host I'll  
stand,  
Just over in the glory land.

I am on my way to those mansions  
fair,  
Just over in the glory land;  
There to sing God's praise and His  
glory share,  
Just over in the glory land.

What a joyful thought that my Lord  
I'll see,  
Just over in the glory land;  
And with kindred saved, there  
forever be,  
Just over in the glory land.

With the blood-washed throng I will  
shout and sing,  
Just over in the glory land;  
Glad hosannas to Christ, the Lord  
and King,  
Just over in the glory Land.

**I DON'T KNOW WHAT D**

I don't know what you came for,  
But I came to worship the Lord.  
I don't know what you came for,  
But I came to worship the Lord.  
Hallelujah, Hallelujah, I came to  
worship the Lord,  
Hallelujah, Hallelujah I came to  
worship the Lord.

**WILL YOUR ANCHOR HOLD D**

Will your anchor hold in the  
storm of life  
When the clouds unfold their  
wings of strife  
When the strong tides lift and the  
cables strain  
Will your anchor drift, or firm  
remain

**CHORUS**

We have an anchor that keeps  
the soul  
Steadfast and sure while the  
billows roll  
Fastened to the rock which  
cannot move  
Grounded firm and deep in the  
Saviour's love

Will your anchor hold in the  
straits of fear  
When the breakers roar and the  
reef is near  
While the surges rave and the  
wild winds blow  
Shall the angry waves then your  
bank overflow

Will your anchor hold in the  
floods of death  
When the waters cold chill your  
latest breath  
On the rising tide you can never  
fail  
While your anchor holds, within  
the veil

Will your eyes behold through  
the morning light  
The City of Gold and the harbour  
bright  
Will you anchor safe by the  
heavenly shore  
Will life's storms are past forever  
more

**WE WILL PRAISE THE LORD D**

Hallelujah, Jesus  
We will Praise the Lord }2x

A revival of the Just shall come  
forth  
The young crop shall take their  
place, with revelation we shall run  
through the land,  
//Spreading the word of salvation  
and grace//  
Rejoice and shout oh Jerusalem  
Thy King cometh unto thee  
The power will come back into  
the church  
And the third pull now you shall  
see}2x

**CHORUS**

So praise the Lord  
Are you willing to give your life  
Are you willing to sacrifice  
Could you walk like Jesus walked  
Can you talk like Jesus talked

The enemy is making laws now  
To silence the bride on the earth  
All this must be done to fulfill the  
word  
//Spoken by our prophet of God//  
The battle is raging strong now  
The time has come we shall die  
Caiphas has set plans into action  
Now you shall see your God glorify

**CHORUS**

We are willing to give our lives  
We are willing to die for Christ  
We will stand like the Prophet stood  
We are bride so we know we would

Are you willing to give your life  
Are you willing to sacrifice  
Will you die like Samson died  
He died with the Philistines

**SEND THE FIRE** **F**

Thou Christ of burning, cleansing  
flame,  
Send the fire, send the fire, send  
the fire!

Thy blood bought gift today we claim  
Send the fire, send the fire, send  
the fire!

Look down and see the waiting  
host,  
Give us the promised Holy  
Ghost, We want another  
Pentecost,  
Send the fire, send the fire, send  
the fire!

God of Elijah, hear our cry,  
Send the fire, send the fire, send  
the fire!

He'll make us fit to live or die,  
Send the fire, send the fire, send  
the fire!

To burn up every trace of sin,  
To bring the light and glory in,  
The revolution now begin,  
Send the fire, send the fire, send  
the fire!

'Tis fire we want, for fire we plead,  
Send the fire, send the fire, send  
the fire!

The fire will meet our every need,  
Send the fire, send the fire, send  
the fire!

For strength to ever do the right,  
For grace to conquer in the fight,  
For power to walk the world in white,  
Send the fire, send the fire, send  
the fire!

**GOD IS GOD** **D**

God is God, and He always will  
be God,  
God is God, and He always will  
be God,

He's the God of the fiery furnace,  
He's the God of the lions den,  
He's the God of the whole creation,  
And He's the God in the hearts  
of men.

**LORD, I'M COMING HOME** **Eb**

I've wandered far away from  
God,  
Now I'm coming home;  
The paths of sin too long I've  
trod, Lord, I'm coming home.

**CHORUS**

Coming home, Coming home,  
Never more to roam,  
Open wide Thine arms of love,  
Lord, I'm coming home.

I've wasted many precious  
years, Now I'm coming home:  
I now repent with bitter tears,  
Lord, I'm coming home.

I've tired of sin and straying, Lord,  
Now I'm coming home;  
I'll trust Thy love, believe Thy word.  
Lord, I'm coming home.

My soul is sick, my heart is sore,  
Now I'm coming home;  
My strength renew, my hope  
restore,  
Lord, I'm coming home.

**HOSANNA, HOSANNA** **G**

Hosanna, Hosanna  
Hosanna in the highest  
Hosanna in the highest  
Lord we lift up Your Name  
With our hearts filled with praise  
We exalt You, Oh Lord our God  
Hosanna in the highest  
Hosanna, Hosanna  
Hosanna in the highest  
Lord we lift up Your Name  
With our hearts filled with praise  
We exalt You, Oh Lord our God  
Hosanna in the highest

**THE DAY OF REDEMPTION** **D**

Nations are breaking, Israel's  
awaking,  
The signs that the prophets  
foretold;  
The Gentile days numbered, with  
horrors encumbered;  
Eternity soon will unfold.

**CHORUS**

The day of redemption is near,  
Men's hearts are failing for fear;  
Be filled with the Spirit, your lamps  
trimmed and clear,  
Look up! your redemption is near.

The fig tree is growing;  
Jerusalem's restoring  
Her national life, long dethroned;  
Today she is calling, her latter  
rain's falling  
"Return, O dispersed, to your own."

Heaven's powers are shaking, and  
many are mistaking  
God's meaning to be of the sky;  
God's Church is the power that's  
shaking this hour;  
The day of redemption is nigh.

False prophets are lying, God's  
Truth they're denying,  
That Jesus the Christ is our God;  
Though this generation spurns  
God's revelation,  
We'll walk where the apostles  
have trod.

**THE FAMILY OF GOD** **D**

I'm so glad I'm a part of the family  
of God,  
I've been washed in the fountain,  
Cleansed by His blood,  
Joint heirs with Jesus,  
As we travel this road;  
For I'm part of the family,  
The family of God.

**I WANT TO GO** **F**

A burning desire in me  
To be more like Thee  
Is growing stronger everyday;  
I'm burdened in my soul,  
Perfection is my goal,  
To walk with You in perfect  
harmony.

**CHORUS**

I want to go  
where You want me to,  
Send me Lord  
to do the things You do,  
My Lord, I want to go.  
I want to feel  
Your presence near,  
Perfect love  
Casting out all fears,  
My Lord, I want to feel.

You've taken away my shame,  
Given me a part of Your name,  
Set Your Holy Seal upon me.  
I'm thankful for Your grace,  
You've made me a winner in life's  
race;  
Now I give myself to You  
unreservedly.

I'm casting my reasoning down,  
Listening for that certain sound,  
That still small voice deep in my  
soul;  
To lead me where I should go,  
Perfect will to daily know  
That unto You my works be fulfilled.

Let Your anointing flow,  
Keeping my light aglow  
Amidst this world of darkness, sin  
and shame;  
Keep pouring Your latter rain,  
Faith to use Your power again  
That I may return to You from  
whence I came.

**CHORUS**

I want to go to that place prepared  
for me,  
Oh, that mansion, my theophany,  
My Lord, I want to go.  
I want to feel greater realities,  
Perfect love throughout eternity,  
My Lord, I want to feel

**WE'RE MARCHING TO ZION F**

Come, we that love the Lord,  
And let our joys be known,  
Join in a song with sweet accord,  
Join in a song with sweet accord,  
And thus surround the throne,  
And thus surround the throne.

**CHORUS**

We're marching to Zion,  
Beautiful, beautiful Zion;  
We're marching upward to Zion,  
The beautiful city of God.

Let those refuse to sing  
Who never knew our God;  
But children of the heavenly King,  
But children of the heavenly King,  
May speak their joys abroad,  
May speak their joys abroad.

The hill of Zion yields  
A thousand sacred sweets  
Before we reach the heavenly  
fields,  
Before we reach the heavenly  
fields,  
Or walk the golden streets,  
Or walk the golden streets.

Then let our songs abound,  
And every tear be dry;  
We're marching thru Immanuel's  
ground,  
We're marching thru Immanuel's  
ground,  
To fairer worlds on high,  
To fairer worlds on high.

**WE ADORE YOU F**

We adore You  
Holy Spirit,  
You are welcome in this place;  
We adore You  
Holy Spirit  
You are welcome in this place.

**I'M GONNA BE GONE F**

I'm gonna be gone  
In the twinkling of an eye,  
I'm gonna be gone  
I won't have time to say good-bye.  
I'm gonna be gone,  
Could be while I'm singing this  
song,  
I'm gonna be gone,  
It won't be long,  
I'm gonna be gone.

This old world is not getting better,  
Every day it's getting worse,  
So much fighting and confusion  
Going on down here on earth,  
But I don't let that bother me  
Cause I'm not here to stay,  
I know my Lord is coming soon  
And I'll be called away.

It could be just any morning,  
It could be at night or noon,  
We don't know just when He's  
coming,  
But we know He's coming soon.  
I can say we've some assurance  
This old world is not my home,  
One of these days you gonna look  
for me,  
Praise God I'm gonna be gone!

**SWING LOW, SWEET CHARIOT F**

I looked over Jordan and what did  
I see,  
Coming for to carry me home;  
A band of angels coming after me,  
Coming for to carry me home.

**CHORUS**

Swing low, sweet chariot,  
Coming for to carry me home;  
Swing low, sweet chariot,  
Coming for to carry me home.

If you get there before I do,  
Coming for to carry me home;  
Tell all my friends I'm a-coming too,  
Coming for to carry me home.

**LET'S HAVE A REVIVAL G****CHORUS**

Let's have a revival from the  
pulpit to the pew,  
Let's have a revival that starts  
with me and you,  
Then reaches out to the lost and  
hungry world to bring them in,  
This is our joy (this is our hope, this is  
our life)  
It's our survival,  
Let's pray for a Holy Ghost arrival  
Let's have a revival.

Sometimes we just gone thru the  
motion,  
Left the Spirit out,  
No power in our program,  
No victory in our shout;  
But God will give us back the joy  
Let's open up the Bible, lay aside  
formality,  
Let's have a revival.

Well I ask a old time preacher  
How revival came back there,  
He said we always started down  
on our knees in prayer  
Just open up those two books,  
The songbook and the Bible,  
If you sing and preach God's  
word you'll have a revival.

**JESUS IS HERE A**

Jesus is here right now  
Jesus is here right now  
He is here to meet your needs  
He's going to set the captive free  
Jesus is here right now

**LORD YOU'RE BEAUTIFUL D**

Lord you are beautiful,  
Your face is all I see,  
And when your eyes are on this  
child,  
Your grace abound to me.

**COME HOLY SPIRIT C**

The Holy Spirit came at Pentecost  
He came in mighty fullness then  
His witness through believers won  
the lost  
As multitudes were born again  
The early Christians scattered o'er  
the world  
They preached the gospel fearlessly  
Though some were martyred and to  
lions hurled  
They marched along in victory.

**CHORUS**

Come Holy Spirit dark is the hour  
We need your filling your love  
and your mighty power  
Move now among us, stir us we pray  
Come Holy spirit revive your  
church today

Then in an age when darkness  
grip the earth  
The just shall live by faith was  
learnt  
The Holy Spirit gave the church  
new birth as reformation fires burn  
In later years the great revival came  
When saints would seek the Lord  
and pray  
Oh, once again we need that  
Holy flame  
To meet the challenge here today.

**I'M GOING TO BLESS THAT... D**

I'm going to bless that wonderful  
name of Jesus,  
I'm going to bless that wonderful  
name of Jesus,  
I'm going to bless that wonderful  
name of Jesus,  
No other name I know.

(There's healing in the name of  
Jesus.)  
(I'm going to Praise that  
wonderful name of Jesus.)

**UNITED WE STAND D**

Going back to ourselves  
In the likeness of the Lord  
God's great family  
In union once again  
Oh yes united with Elohim.

**CHORUS**

It's uniting time  
And here we stand  
In unity, forming a stronger bond  
Uniting time is here  
The signs are everywhere  
Oh yes united, we stand

The word gathered God's bride  
Redemption draweth nigh  
We the church coming  
In union with Christ  
The Marriage Supper of the Lamb  
God preparing for his bride  
The going home of the saints

Believers of the faith  
Sweeping this message  
To the coming of the Lord  
Seeing we have this ministry  
Let's not faint but earnestly  
Take our positions in the  
Kingdom of God.

**BRIDGE**

Lord bind us with cords  
That cannot be broken  
Unite we stand forevermore.

**JESUS, JESUS, JESUS C**

Jesus, Jesus, Jesus, I've got  
Him on my mind,  
Jesus, Jesus, Jesus, I've got  
Him on my mind,  
Jesus, Jesus, Jesus, I've got  
Him on my mind,  
I've got Jesus on my mind.

(when you hear me praying....)  
(when you hear me singing....)

\*\*\*\*

**WE STAND AS ONE D****CHORUS**

We stand as one, one body, one  
mind, one faith,  
We stand as one, with our hearts  
in one accord,  
Just like the father, the son and  
that spirit are one,  
Brothers and sisters we stand as  
one.

Here we are gathered, like the  
saints in the upper room,  
The ground was tilled, the seed  
was sown,  
And it was ripened by the Son  
Now it's harvest time, let's work  
together for what must be done  
Standing in unity, standing in love.

Just like Moses, when he led the  
children to the Promised Land,  
The cloud led by day, the pillar of  
fire by night  
As they marched as one from  
Egypt's land  
And when this bride is perfected,  
we will all meet in the new  
Jerusalem,  
We'll be standing in unity, we'll  
be standing as one.

**BRIDGE**

Father make us one, Father  
make us one,  
That the world may know, God  
sent his Son  
Father make us one.  
Standing in unity, standing in  
love,  
Standing in unity, standing in  
love.

**I'LL SAY YES, YES, YES D**

I'll say yes, Lord, yes,  
I'll say yes, Lord, yes,  
I'll say yes Lord,  
I'll say yes Lord,  
I'll say yes, Lord, yes.

\*\*\*\*

**I'M LOOKING FOR CHANGE D**

I've come a long way,  
I've had fears and doubts,  
But in Your mind Lord,  
You knew I couldn't live with them;  
So You chose at this time,  
To wave before me  
The thing You knew would make me  
Give up myself and my thoughts.  
It could never have worked by my  
own works,  
But of faith that it might be by grace;  
To the end the promise might be  
sure to all the seed,  
Unto us, of the faith of Abraham.

**CHORUS**

I'm now looking for the promise of  
my new body,  
As my earth quakes all my sin is  
shaken off;  
The Holy Fire from above puts sin  
out of existence,  
For Holiness cannot dwell }  
in sinful earth. }2x

But while I am here living in this  
world, I live by the faith of the Son of  
God revealed in me;  
To believe His word and claim  
what's my own,  
By promise it was freely given to me,  
And when it seems that there's no  
hope, believe in hope,  
And consider not the things which  
my eyes see;  
But look into the Word of God  
That shall not pass away,  
And its righteousness which is by  
faith.

I'm living in the day  
When my desert is blossoming like a  
rose, I'm living in the day,  
When my thorns are unfolding to  
leaves again,  
True fellowship is being restored  
It's the promise of the Lord;  
I'm looking now for the promise of  
my change,  
I'm looking now for the promise of  
my new body;  
I'm looking now for the promise of  
my change.

**WHAT A DAY THAT WILL BE F**

There is coming a day when no  
heartaches shall come,  
No more clouds in the sky, no  
more tears to dim the eye;  
All is peace forevermore on that  
happy golden shore,  
What a day, glorious day that will  
be.

**CHORUS**

What a day that will be when my  
Jesus I shall see,  
And I look upon His face, the One  
who saved me by His grace;  
When He takes me by the hand,  
and leads me through the  
promised Land,  
What a day, glorious day that will be.

There'll be no sorrow there, no  
more burdens to bear,  
No more sickness, no pain, no  
more parting over there;  
And forever I will be with the One  
who died for me,  
What a day, glorious day that will  
be.

**I AM NOT ASHAMED F**

I am not ashamed of the gospel,  
The gospel of Jesus Christ.  
I am not afraid to be counted,  
But I'm willing to give my life.  
See, I'm willing to be  
All He wants me to be,  
Give up the wrong for the right;  
I am not ashamed of the gospel  
Of Jesus Christ.

I've got to much behind me  
To let this world blind me,  
To some He's a name  
But to me He's my everything.  
I am not ashamed of the gospel,  
I am not ashamed of the gospel,  
of Jesus Christ.

**LOOK FOR ME** **D**

When you finally make your  
entrance to that city,  
Oh, just to walk on that bright  
golden avenue;  
As you behold all its beauty and its  
splendour,  
Remember there's just one  
request I beg of you.

**CHORUS**

Look for me,  
For I will be there too.  
I realize when you arrive,  
There'll be so much to view;  
After you've been there  
Ten thousand years,  
A million, maybe two,  
Look for me;  
For I will be there too.

As you go down your list of firsts,  
There's no question,  
You'll want to see your loved ones  
waiting there for you;  
And when you feel you've shared  
your story with the last one  
That wants to hear you tell just  
how you've made it through.

**I'VE GOT SOMETHING** **G**

I've got something that the world  
can't give,  
And the world can't take it away;  
I've got something that the world  
can't give,  
And it keeps me day by day,  
I've got something worth talking  
about,  
It makes me sing and it makes me  
shout;  
I've got something that the world  
can't give,  
And the world can't take it away.

\*\*\*\*

**THE RAPTURE** **F**

Sometimes it seems like nothing's  
going on,  
So it might seem to the natural mind;  
But don't you know my friend,  
Great things happen in silence;  
Have you ever heard the sun rise?  
Have you ever seen the flower  
grow?  
And in this half an hour silence,  
There are people becoming the  
Word.

**CHORUS**

Many are changing from }  
glory unto glory, }  
Hearts are being raptured }  
up into glory; }  
People walking holy unto }  
the Lord, }  
It won't be long and we'll }  
be gone. }2x

God's great mystery's been  
unfolding  
In such a silent way,  
He hid it from the wise and prudent,  
Revealed it to babes;  
Why don't you look in and see  
God in simplicity?  
Christ is unveiled before our eyes,  
Can't you see?

Let's search our lives my  
brothers, This is a treacherous  
hour;  
Search your lives my sisters,  
It's not easy to be left back in this  
hour.

**COME AND FILL US NOW** **F**

We have come into thy presence  
Lord, come and fill us now.  
We have come into thy presence  
Lord, come and fill us now.  
With our hearts lifted up,  
We open our hearts to you Lord.  
With our hearts lifted up,  
We glorify your name.

\*\*\*\*

**THE PLEDGE** **C**

We stand as youths, we stand  
for Christ,  
We give our all, we dedicate our  
lives;  
We fight the fight, we keep the faith,  
We are the salt of the earth,  
We run the race.

We dedicate our lives to Jesus,  
We pledge that we will stand,  
We promise to live our lives  
By all that He commands;  
We fulfill the works of the prophet,  
Our hearts are being returned  
To Jesus Christ.

In this dark age  
We shine as lights on that  
seventh peak,  
Eagles high in flight,  
Soaring towards the heavens  
above,  
We'll lay down our lives  
As Jesus did in love.

**MAKE US ONE** **C**

Bind us together  
With the bond of unity  
So the world can see we're  
brothers;  
Make us one Lord  
Even as You and the Father are one,  
So the world can see You're  
inside of us.

**CHORUS**

Make us one heart  
Make us one mind  
Make us one Lord,  
Let Your will be done,  
Make us one claim to proclaim  
Your Name,  
Make us one Lord, make us one.

Let us stand united,  
Seeing each other through His  
own eyes;  
Lord let us forgive our brothers  
No longer be broken, no longer sad,  
No broken hearts,  
Lord may Your word be fulfilled  
in us.

**THE ANSWER IS ON THE WAY** **D****CHORUS**

Oh yes the answer is on the way,  
this I know,  
Jesus said it, I believe it and it is  
so;  
Our heavenly Father knows the  
need before we pray,  
And we can rest assured the  
answer is on the way.

How many times I bow beneath  
a heavy load,  
On bended knees to God a  
prayer I pray  
As I knelt there on the floor,  
He reminds me just once more  
That the answer is already on  
the way.

If there's a special need within  
your life my friend,  
And you seeking for an answer  
everyday;  
If by faith you'll start believing  
Mighty soon you'll be receiving,  
For the answer is already on the  
way.

**BE IT UNTO ME** **D**

Be it unto me according to Thy  
word,  
According to Your promises  
I can stand secure.  
Now upon my heart  
The truth that sets me free,  
According to Your promises  
Be it unto me.

**A VESSEL OF HONOUR** **C**

A vessel of honour I am to God,  
A vessel of honour I am to God  
Sanctified, holy, so I must be  
A vessel of honour I am to God.

\*\*\*\* 760  
**WE WILL STAND** G

**CHORUS**

Who will stand, when the battles  
get harder?  
Who will stand, when the valleys  
go lower?  
Who will endure?  
He that is born of the Lord, }2x  
(For we are born of the Lord.)  
He who'll overcome,  
(For we are born of the Lord.)  
He who'll watch and pray  
(For we are born of the Lord.)  
Mix the word with faith,  
(For we are born of the Lord.)

Millions of unclean spirits are  
roaming the earth  
With issues in their mouths,  
Searching for a place,  
An inhabitant to dwell,  
To spit those issues out;  
But like Joseph who knew that  
famine will come,  
Prepared, so the people won't die,  
God sent Elisha with the hidden  
manna,  
Food He had stored for a bride,  
A bride who will stand.....

For the covenanted people  
God sent regulations,  
What we should and should not  
eat;  
No Devil can beguile us,  
No serpent can defile us,  
We'll remain healthy and clean  
And every storm brings us  
closer,  
It anchors our soul to that rock;  
God will never leave us,  
But He must chastise us  
To prove we are born of the  
word.  
And we'll stand.....

**LORD GIVE ME THE GRACE** C

I believe I was born to fly  
Like an eagle in the sky,  
To soar the heavenly,  
And that's what I believe.

And I believe God has given me  
The access to claim every promise  
That he has made for me;  
And I will always believe.

Lord, make my faith what it  
should be,  
Apply Your holy word in me  
So I can soar the heavenly  
And meet with my theophany.

**CHORUS**

Lord, give me the grace  
And strengthen my faith to take  
me away;  
Lord, give me the grace and  
strengthen me with faith  
That will rapture me away.

Without faith it's impossible  
To please You, holy Father,  
Breakdown my walls of unbelief  
And make my spirit stronger.

And Lord when circumstances  
come my way  
I'll overcome them day by day;  
Let my spirit build on solid ground  
So I will not be shaken.

Humble my spirit, holy Father,  
Make me obedient to thy word;  
Apply your holy word in my life  
So I can live righteously.

**BRIDGE**

Lord I see the time is quickly  
passing by  
And there're so many things  
we've left to change inside;  
Take complete control of my life,  
dear holy Father,  
Teach me to walk by Your faith,  
Father, teach me to walk by Your  
faith.

681  
**WHEN THEY RING THE BELLS** C

There's a land beyond the river,  
That we call the sweet forever,  
And we only reach that shore by  
faith's decree;  
One by one we'll gain the portals,  
There to dwell with the immortals,  
When they ring the golden bells for  
you and me.

**CHORUS**

Don't you hear the bells now  
ringing?  
Don't you hear the angels singing?  
'Tis the glory hallelujah Jubilee.  
In that far-off sweet forever,  
Just beyond the shining river,  
When they ring the golden bells for  
you and me.

We shall know no sin or sorrow,  
In the haven of tomorrow,  
When our barque shall sail beyond  
the silver sea;  
We shall only know the blessing  
Of our Father's sweet caressing,  
When they ring the golden bells for  
you and me.

When our days shall know their  
number,  
When in death we sweetly slumber,  
When the King commands the  
spirit to be free;  
Nevermore with anguish laden,  
We shall reach that lovely aiden,  
When they ring the golden bells for  
you and me.

682  
**HOLD ON MY CHILD** D

Hold on my child,  
Joy comes in the morning.  
Weeping only lasts  
For the night.  
Hold on my child,  
Joy comes in the morning,  
The darkest hour  
Means dawn is just in sight.

683  
**ANGELS STEP ASIDE** G

What a celebration on that day,  
It can't be very far away;  
Heaven's Bridegroom has  
descended,  
The ransomed bride of God ascends;  
Heaven's bell will sweetly ring,  
Choir of angels start to sing,  
Pick up your trumpet Gabriel and  
blow.

**CHORUS**

Here comes the bride to be ever at  
His side,  
Oh, what a spotless bride!  
Oh, what a glorious sight!  
Here come the chosen ones,  
Here come the ransomed ones,  
Angels step aside,  
For here comes the bride;  
Angels step aside,  
For here comes the bride.

Some from every nation will be there,  
Wearing spotless robes  
So bright and fair.  
All of Heaven will behold,  
The bride is marching down the  
streets of gold,  
Getting ready now to go,  
The very hour no one seems to know,  
Pick up your trumpet Gabriel and  
blow.

Bro. Branham saw them in preview  
But now they are in plain view  
All of heaven will behold  
The bride is marching down the  
streets of gold  
Getting ready now to go  
The very hour no one seems to know  
Pick up your trumpet Gabriel and  
blow

**WE GIVE YOU PRAISE** C

We give you praise, }2x  
Lord now and always;  
We give you praise.  
We give you praise, }2x  
Lord now and always;  
We give you praise.

We give you praise, (praise),  
Praise (praise), praise (praise),  
We give you praise;  
With our hands lifted high,  
And our voices to the skies;  
We give you praise.

**SEE YOU IN THE RAPTURE C**

If we never meet again  
On this earth, my precious friend;  
If to God you have been true,  
And we've lived above all sin,  
Then for us there'll be a greeting,  
For there's going to be a meeting,  
I'll see you in the rapture  
Some sweet day.

**CHORUS**

I'll see you in the rapture,  
See you in the rapture,  
See you at that meeting in the air;  
There with our blessed Saviour  
We'll live and reign forever,  
I'll see you in the rapture  
Some sweet day.

To my loved ones let me say  
That there'll surely come a day,  
When the Lord will come again;  
And He'll take his Bride away,  
Do get ready now to meet Him,  
And with hallelujahs greet Him,  
I'll see you in the rapture  
Some sweet day.

**SHELTERED IN THE ARMS F**

I feel the touch of hands so warm  
and tender,  
They're leading me  
Through paths that I must trod;  
I'll have no fear for Jesus walks  
beside me,  
For I'm sheltered in the arms of God.

**CHORUS**

So let the storm rage high and  
dark clouds rise,  
They won't worry me;  
For, I'm sheltered safe within the  
arms of God.  
He walks with me and naught on  
earth can harm me  
For I'm sheltered in the arms of God.

Soon I shall hear the call from  
Heaven's portals,  
"Come home my child, it's the last  
step you have trod,"  
I will be changed and taken to  
God's New Heaven,  
For I'm sheltered in the arms of God.

**I WILL PRAISE HIM C**

When I saw the cleansing  
fountain  
Open wide for all my sin,  
I obeyed the Spirit's wooing  
When He said, "Wilt thou be  
clean?"

**CHORUS**

I will praise Him, I will praise Him,  
Praise the Lamb for sinners slain,  
Give Him glory all ye people,  
For His blood can wash away each  
stain.

Though the way seemed straight  
and narrow,  
All I claimed was swept away;  
My ambitions plans and wishes,  
At my feet in ashes lay.

Then God's fire upon the altar  
Of my heart was set aflame;  
I shall never cease to praise Him,  
Glory! glory to His Name.

Blessed be the name of Jesus!  
I'm so glad He took me in;  
He's forgiven my transgression,  
He has cleansed my heart from sin.

**FOR I WAS BORN TO BE F**

For I was born to be  
Thy dwelling place,  
A home for the presence of the  
Lord;  
So let my life now be separated  
unto Thee;  
That I might be what I was born to be.

**WE GET LIFTED UP F**

We get lifted up, }3x  
When we praise the Lord.

Lord, we lift You up, }3x  
And we praise Your name.

Soon He'll come again, }3x  
And He'll lift us up.

**GOING BACK TO THE FAITH E**

This is the age Malachi 4:5 is  
fulfilled,  
God sent a prophet in this time,  
for this age;  
Despised and rejected by  
denomination,  
Yet God had a people on the  
earth to hear his voice;  
Out there I was in Egypt land, God  
called me out by his command,  
The way he did with Abraham.

**CHORUS**

We're going back to the faith,  
The faith of our forefathers,  
We're going back to the faith where  
we'll die for eternal life;  
We're going back to the faith,  
into the garden of Eden,  
Where we know we were  
predestinated before the  
foundation of the world to walk  
by faith.

This is the age of Laodicea,  
where men and women fight for  
their rights, for their rights  
False doctrine and creeds feel  
welcome in this world,  
For this is the age Satan sits on  
his throne, on his throne;  
This is the age where Jezebel and  
her harlots celebrate,  
Where many are drunken from  
her wine;  
And this is the age where the  
mysteries go back to the East,  
Saints this is the end of the  
Gentiles' time, make sure you  
don't get left behind.

**BRIDGE**

We're going back to the faith,  
The faith of our forefathers,  
We're going back to the faith,  
Where we'll die for eternal life;

We're going back to the faith,  
Into the garden of Eden,  
We're going back to the faith,  
We're going back, we're going back,

We're going back to the faith of  
Abraham and Sarah,  
We're going back to the faith,  
Yes we are climbing Jacob's ladder,  
We're going back to the faith,  
Oh, we are going to stop the sun  
like Joshua,  
We're going back to the faith,  
And like Jesus walk on water,  
We're going back to the faith,  
We're going to translate like Elijah  
We're going back to the faith,  
We're going back, we're going back;  
We're going back to the faith,  
I want to see my Redeemer's face,  
We're going back to the faith,  
I want to thank Him for His grace;  
We're going back to the faith,  
I'm gonna shake the prophet's hand  
We're going back to the faith,  
When I get to the promised land  
We're going back to the faith,  
Back to the faith.

**I'M ON MY WAY TO CANAAN C**

I'm on my way to Canaan land,  
I'm on my way to Canaan land,  
I'm on my way to Canaan land,  
I'm on my way praise the Lord,  
I'm on my way.  
(Don't you know it's possession time.)  
(I'm on my way to possess the land.)

**IT'S THE BLOOD A**

It's Your blood that cleanses me,  
It's Your blood that gives me life,  
It's Your blood that took my place,  
The redeeming sacrifice;  
Washes me whiter than the snow,  
than the snow,  
My Jesus, God's precious sacrifice.

**SUPERNOVA** **C**

I was stumbling around in  
 amnesia,  
 Not knowing the purpose for  
 which I was born,  
 By destiny, I heard the words of  
 Elijah,  
 I knew my Saviour's voice and I  
 was born;  
 Born again, my heart has been  
 turned back,  
 Faith of my Father is now in my  
 soul.

**CHORUS**

And now I know...  
 I was born to be a supernova,  
 A shining star in this hour;  
 I was born to be a Supernova  
 I was born to be a supernova,  
 Reflecting God's light and His  
 power.

As a child Satan sought me to  
 devour,  
 But my life was always protected  
 by an unseen power;  
 Greater was He that's in me than  
 the white horse rider,  
 As my eagle wings of faith grew  
 stronger and stronger;  
 Now I'm risen far above the  
 powers of deception,  
 I have mounted the heavenly  
 currents by revelation.

From darkness I've been lifted to  
 heavenly places,  
 Amazing grace has taken me  
 from unrighteousness;  
 Born a star, I do delight in His glory,  
 But what of my people who yet  
 stumble in iniquity;  
 Now in position, set in my course,

I'll reflect a light beam in their way,  
 Oh, let the risen Son turn their  
 darkness into day.

Queen Esther, your light is  
 becoming brighter,  
 Not many days now, you'll  
 display the King's power;  
 Rise and shine, oh let your light  
 shine in this hour,  
 Let this wicked world be shaken  
 by a supernova.

**BRIDGE**

Oh twinkle, twinkle little star, }  
 How you just glow in humility; }  
 Now your light will explode in full }  
 power and authority. }2x

**A PURE HEART** **E**

A pure heart,  
 That's what I long for,  
 A heart that follows hard after thee,  
 A pure heart,  
 That's what I long for;  
 A heart that follows hard after thee,  
 A heart that hides Your word  
 So that sin would not come in;  
 A heart that's undivided,  
 One You rule and reign;  
 A heart that beats compassion  
 And that pleases You my Lord;  
 A sweet aroma of worship,  
 That rises to Your throne.

756

**I'M DETERMINED TO LIVE** **Bm**

I'm determine to live for Jesus,  
 Yes I am;  
 I'm determine to live for Jesus,  
 Yes I am;  
 Through hard trials, tribulations,  
 persecutions, I'm determined;  
 I'm determined to live for Jesus,  
 Yes I am.

**OUR TREASURES** **F**

Set your eyes on that mountain  
 top; To adoption let us rise.  
 Look not to shallow ground,  
 Worldly pleasures around;  
 It's an Eden to despise.  
 For our journey has almost come  
 to the end,  
 We have passed two-thirds of the  
 way,  
 Just a few more steps are all to go,  
 Then we would be taken away.

**CHORUS**

Our treasures lie just beyond that  
 mountain,  
 All the glories of the Lord there we  
 shall share.  
 Our treasures lie just beyond that  
 mountain,  
 Have no fear, have no fear,  
 You will be there.

Jesus said it's a narrow rugged way,  
 And few there be that find it,  
 But broad is the way which leads  
 to destruction  
 Where millions travel along,  
 But though our trials are tough and  
 afflictions much,  
 It's not worthy to be compared  
 With the joys that the faithful  
 servants of God  
 Someday shall surely share.

Set your eyes on the White rock  
 That Light is now shining on,  
 Turn not your eyes away from  
 God's message today,  
 Till you shine with the light of the Son.  
 For you've been made by God to  
 be a reflection of Him,  
 Let it be settled in your heart and  
 mind,  
 That we are a Super Race  
 ordained of Grace;  
 And there's where happiness you  
 will find.

Shoo those buzzards off your  
 sacrifice  
 When temptations come your way,

Believe not the devil's lie,  
 Though those vultures fly,  
 Continue to watch and pray.  
 For there's a path that the eye of  
 the vulture,  
 Has never, ever seen,  
 Where you as an eagle can fly  
 perfectly justified  
 For you are a heavenly being.

**NEVER BEEN HOMESICK** **F**

There's a light in the window,  
 The table's spread in splendour;  
 Someone's, standing at the open  
 door,  
 I can see the crystal river,  
 So I must be near forever;  
 Lord, I've never been this  
 homesick before.

**CHORUS**

See the bright Light shine,  
 It's just about home time,  
 I can see My Father standing at  
 the door,  
 This world's been a wilderness,  
 I'm ready for deliverance,  
 Lord, I've never been this  
 homesick before.

I can see my family gather,  
 Sweet faces all familiar,  
 No one's old or feeble anymore,  
 This lonesome heart is crying;  
 'Think I'll spread my wings for flying,  
 Lord I've never been this homesick  
 before.

692

**WE'RE GOING HOME** **D**

We're going home in the morning,  
 Going home in the morning.  
 For the trumpet shall sound  
 And the dead in Christ shall rise  
 For we're going home in the  
 morning.

Shalom, Shalom! It is morning.....  
 Wake up, wake up! It is  
 morning.....

**THANK GOD I AM FREE** **G**

For a long time I travelled  
Down a long lonely road,  
My heart was so heavy,  
In sin I sank low.  
Then I heard about Jesus,  
What a wonderful hour,  
I'm so glad that I found out  
He would bring me out,  
Thru His saving power.

**CHORUS**

Thank God I am free, free, free  
from this world of sin.  
Washed in the blood of Jesus,  
I've been born again.  
Hallelujah, I'm saved, saved,  
saved  
By His wonderful grace.  
I'm so glad that I found out  
He would bring me out and  
show me the way.

Like a bird out of prison  
that's taken his flight;  
Like the blind man that God  
gave back his sight.  
Like a poor wretched beggar  
That's found fortune and fame,  
I'm so glad that I found out,  
He would bring me out,  
Thru His Holy name.

**I'M A NEW CREATION** **F**

Hallelujah! He redeemed me,  
I've been born again to win;  
I thank God He justified me,  
Of His fullness, have we all  
received of Him.

I'm a new creation,  
I'm a brand new man;  
Old things are passed away,  
I've been born again,  
More than a conqueror;  
That's who I am,  
I'm a new creation;  
I'm a brand new man.

**RAPTURING FAITH** **F**

Rapturing Faith  
Is the hunger of my soul today.  
Rapturing Grace,  
To be changed and taken away.

**CHORUS**

The Trumpet shall sound and the  
dead shall rise,  
And our Lord will be waiting in the  
skies.  
Then we who remain, shall be  
changed  
In the twinkling of an eye.

Right now we are groaning,  
The whole creation is moaning,  
Waiting on our Lord  
To claim what He has restored;  
We are His purchased possession  
By His Blood of redemption.  
We are a new creation  
Through His divine revelation.

I know it is hard,  
But saints I know it ain't so bad,  
There're many worse than me and  
you,  
And they don't even know what to  
do.  
But it's not so in our case,  
For we have Rapturing Grace,  
Jesus has gone to prepare a  
place,  
We are the winners in this race.

Glory, Glory, Glory!  
Hallelujah to His name!  
Yesterday, today and forever,  
Our Jesus is the same.

**HE'S EVERYTHING TO ME** **Eb**

He's everything, He's everything to  
me;  
He's everything, He's everything to  
me;  
He's my father, my mother, my  
sister and my brother,  
He's everything to me.

**IT WAS YEARS AGO** **C**

It was years ago since I first  
heard it told  
How He's coming back to take  
His children home,  
No it won't be long, we'll be  
going home,  
I want to go.

There'll be mansions there far  
beyond compare,  
They talk of streets of gold  
Where we'll never grow old,  
No it won't be long,  
We'll be going home,  
I want to go.

**CHORUS**

I want to go where the storms  
clouds never rise,  
I want to go where the flowers  
never die;  
Don't you want to go where we'll  
never say goodbye  
There'll be no loneliness,  
No more tears to dim the eye.

The crystal river flows,  
From the great white throne;  
Saints would laugh and sing,  
Joyful praises ring,  
No it won't be long, we'll be  
going home,  
I want to go.

**CHORUS**

I want to be there when the final  
roll is called,  
I want to see the saints of old  
who've join the ransomed throng,  
Don't you want to go where we'll  
never say goodbye,  
There'll be no loneliness, no  
more tears to dim the eyes.

There'll be mansions there far  
beyond compare,  
They talk of streets of gold  
Where we'll never grow old;  
We'll see him on His throne, He'll  
say welcome home,  
I want to go.

**IN YOUR PRESENCE** **C**

I want to go where the rivers  
cannot overflow me,  
Where my feet are on the rock;  
I want to hide where the blazing  
fire cannot burn me,  
In your presence, oh God.

**CHORUS**

In your presence, that's where I  
am strong,  
In your presence, oh Lord, my God;  
In your presence, that's where I  
belong,  
Seeking your face,  
Touching your grace,  
In the cleft of the rock,  
In your presence, oh God.

I want to hide where the flood of evil  
cannot reach me,  
Where I'm covered by the blood;  
I want to be where the schemes of  
darkness cannot touch me,  
In your presence, oh God.

**YES LORD, YES LORD** **F**

I'll say yes, Lord, yes;  
To your will and to your word,  
I'll say yes, Lord, yes,  
I will trust you and obey,  
When your spirit speaks to me,  
With my whole heart I'll agree  
And my answer will be,  
Yes, Lord, yes.

Yes Lord, yes Lord,  
From the bottom of my heart to  
depths of my soul;  
Yes Lord, completely yes,  
My soul say yes.

**LOOK WHAT HE'S MADE      A**

A lonely manger, a humble God,  
The King of heaven came down  
to fallen earth;  
Despised, rejected, disdained by  
men,  
Oh, this child was born  
To save men from their sins.

An undefiled and a spotless Lamb,  
He gave himself up as the final  
sacrifice,  
But on the third day rose from  
the grave  
Fulfilling that which all the  
scriptures have said;

And now He lives to give us of  
His life,  
And now He reigns to lift us up  
on high.

**CHORUS**

Look what He's made out of nothing,  
Look what He's formed out of clay,  
Look what He gave to a world  
that was dying,  
Look what He's done through His  
grace!  
Think back to the night when He  
found you,  
Consider the love that He gave,  
Remember the love and the  
peace that He's shown you,  
Look what He's done through His  
grace!  
Oh, look what He's done through  
His grace!

A broken vessel, a wayward heart,  
Not a likely place for His  
kingdom to start,  
The great Redeemer, Saviour of  
men  
Oh, my Father came down and  
brought me home again.

And now I live to thank him for  
His faith,  
And here I stand singing of His grace.  
You don't have to look very far  
To find evidence of amazing grace,  
You don't have to search very far  
To see what God can do,  
For He's remained so faithful,  
For He's remained so true.

**A PRISONER OF LOVE ... G**

My life is no longer mine  
I'm bought with a price  
So therefore I must glorify Him at  
the cross  
Bought not with corruptible things  
As silver or gold  
But by the precious blood of the lamb  
That redeemed my soul  
And now I'm in Him and He in me  
With His bride He'll reign for all  
eternity  
That's why....

**CHORUS**

I'm learning to be a prisoner of love  
divine (repeat)  
As I walk in his bloody footprints  
In the sands of time  
I'm learning to be a prisoner of love  
divine

My body is the temple of the Holy  
Ghost  
And He's my comforter and teacher  
Of the cross  
Now I'm laying aside every weight  
That easily beset me  
And looking to the author of my  
destiny  
And the finisher of my faith  
I know he will mould me  
Till my faith is perfected

For if we be dead with Him  
We shall also live with Him  
If we suffer with Him  
We shall also reign  
So therefore endure hardness as a  
good soldier  
And be not entangled with the affairs  
Of this life  
That you may please him who hath  
chosen you  
To be a good soldier

**THE BRIDAL CALL      D**

God has promised a rapture in this  
day,  
A Bride He's preparing to take  
away;  
But only His elected ones will go,  
And we shall be with our blessed  
Saviour forever more.

**CHORUS**

So we must get our lamps trimmed  
and filled with oil,  
Don't get your garments spotted  
by the things of this world;  
But only watch and pray to the  
coming of that day,  
When we shall see our blessed  
Saviour face to face.

O sinner please harken to His call,  
For this might be the last time you  
hear His voice;  
For this word you hear shall be  
heard no more,  
When the bridegroom comes to  
take His bride away.

O Christian, don't get tied up with  
this world,  
Keep your garments snowy white to  
the coming of the Lord;  
For we don't have much time  
again,  
For He shall come and He shall  
not tarry, tarry no more.

What a glorious day when the  
trumpet of the Lord shall sound;  
The sleeping saints shall rise to  
meet the Lord,  
And we who are alive and  
remain  
Shall be caught up to meet them  
in the air.

**JESUS, JESUS, LORD TO ME      D**

Jesus, Jesus, Lord to me,  
Master, Saviour, Prince of Peace;  
Be the ruler of my heart today,  
Jesus, Lord to me.

\*\*\*\*

**I SHALL NOT DIE BUT LIVE      E**

Though I be in the midst of trials,  
With my possession gone, my  
body all in pain;  
And the hurtful words the scoffers  
whisper  
Are enough to break me,  
Yet my integrity will I retain.

**CHORUS**

I shall not die, but live,  
Live and declare Thy works oh God,  
Though my trials have been much,  
I'm not given unto death.  
And because I must declare Your  
name,  
I shall not die but live.

Though I be cast into prison,  
Fleeing temptation, standing for  
my Lord,  
Yet the things that God has shown  
me  
Shall come to pass,  
And His glory shall be my reward.

**CHORUS**

I shall not die but live,  
Live and declare Thy works oh  
God.  
Though my temptations have been  
strong,  
I'm not given unto death,  
And because I must declare Your  
name,  
I shall not die but live.

Though I be in the midst of trouble,  
Hear my cry Lord, save my soul,  
For though I'm cast out of Thy  
sight, Lord;  
Yet raise me up;  
For I must declare Your name to a  
dying world.

**CHORUS**

I shall not die, but live,  
Live and declare Thy works oh God,  
Though my chastening has been  
sore,  
I'm not given unto death,  
And because I must declare Your  
name,  
I shall not die but live.

**SEVEN THUNDER...** **C**

Seven thunders in chapter 10 of Revelation  
Was prophesied and is now fulfilled in this end time  
The seventh angel heard the shout, knew what it said and uttered it out  
And all the mysteries that was sealed up are now opened

**CHORUS**

Seven thunder people walking to perfection  
Seven thunder people walking to adoption  
We have seen our names within  
And our lives are free from sin  
Seven thunder people walking to translation (walking to full redemption)

Showers of revelation rained in 1980  
And our eyes were made to see our own prophecy  
That we are a super race, an invincible army  
And our captain is our King  
Theopany

Since brother Branham has come and gone church, where are we?  
Have you the token, its token time as far as we see (Oh can't you see?)  
We are now in the second fold underneath the Seventh Seal  
And all the Bride prophecies are becoming history

Seven thunders uttered outside the seven church ages  
Revealing new things, releasing all God's fullness  
We know the whole counsel of God, operating the spoken word  
And proving this is that promise since June the third

The Seventh Seal were never spoken, it was a secret  
It was hidden between the sixth and seventh trumpet  
A prophet saw it in the shout and was commissioned to echo it out  
And Spirit-spoken words came out of his mouth  
We the destined ones are crossing over Jordan  
Entering into the blessed third pull land

**701**  
**COME AND DINE** **A**

Jesus has a table spread where the saints of God are fed,  
He invites His chosen people  
"Come and dine;"  
With His manna He doth feed and supplies our every need;  
O, 'tis sweet to sup with Jesus all the time!

**CHORUS**

"Come and dine," the Master calleth,  
"Come and dine,"  
You may feast at Jesus' table all the time;  
He who fed the multitude, turned the water into wine,  
To the hungry calleth now, "Come and dine."

The disciples came to land, thus obeying Christ's command,  
For the Master called to them,  
"Come and dine;"  
There they found their hearts' desire, bread and fish upon the fire;  
Thus He satisfies the hungry every time.

Soon the Lamb will take His bride to be ever at His side,  
All the host of heaven will assembled be;  
O, 'twill be a glorious sight, all the saints in spotless white;  
And with Jesus they will feast eternally.

**HOLD ON** **F**

**CHORUS**

Hold on, saints, hold on,  
Keep on walking in the footsteps of the Lord;  
Hold on, saints, be strong,  
Walk in confidence and faith,  
God will take us to that city where we belong.

Though the world is against us we could never be deceived,  
If we are walking in the footsteps of the Lord;  
And like Joshua and Caleb keep on claiming your mountain,  
And never compromise the word of God;  
And although your bodies might get weaker every day,  
Never let your testimonies ever be taken away.  
Just hold on.....

We know just what the devil's gonna do before he realizes,  
God uncovers his every scheme to show us his ways;  
How he tries to enter our minds to deceive us with lust and lies  
But we are justified and we are sanctified,  
And there'll be no compromise;  
God is saying to His bride,  
"Speak the word!"  
So keep on your armour, you're heading towards the third pull.  
Just hold on.....

The world will try to crucify the word that is growing in us,  
Those who are walking in the footsteps of the Lord;  
But those who place values on the word could never be shaken,  
And would never compromise the word of God;

We have seen so many fall from the word,  
So let's keep our eyes on the prize and turn away from the world.  
Just hold on.....

**COMFORT OF MY SOUL** **C**

When I remembered the time I was so low in sin,  
Dear Jesus You came and showed me your grace;  
Now no one can ever take me from your hand,  
And now I could never be the same  
For now I live only for you by your grace.

**CHORUS**

For Jesus is all I have to live for,  
Jesus is my truest friend that I could ever lean on,  
He can be trusted and his word can never fail,  
He is the comfort of my soul.}2x

Sometimes I get weary and can't go on,  
Dear Jesus you are there to make me strong,  
And though I be tempted, you are my shield;  
Oh Lord, you have showed me such love,  
All I have I surrender to you.

**748**  
**CHILDREN OF GOD** **C**

Children of God, sing about God,  
Hallelujah;  
Children of God, sing about God,  
Hallelujah;  
Hallelujah, hallelujah, hallelujah,  
Hallelujah, hallelujah, hallelujah,  
Hallelujah.

**BIRTH PAINS** **F**

Oh God, You're my God, early  
will I seek Thee,  
My soul thirsteth for Thee;  
My flesh longeth for Thee in a  
dry and thirsty land  
Where no water is, but I know I'll  
find Thee;  
For all of my life  
There's been this deep and  
inward hunger  
To see my Saviour,  
And if I don't see You, Lord,  
I just don't know what I will do,  
For You're the only one to see  
me through.

**CHORUS**

Oh, I'm travailing in birth  
And pain to be delivered,  
Travailing in birth and pain to be  
delivered;  
Oh, I'm travailing in birth  
And pain to be delivered,  
To manifest the living Christ,  
Oh, I'm travailing in birth  
And pain to be delivered.

To see Thy power and Thy glory,  
So as I have seen Thee in the  
sanctuary;  
Thy loving-kindness is better  
than life,  
My lips shall praise Thee all of my  
life;  
You've put this deep within me  
So that I will thirst for Thee,  
You've placed this desire within  
my soul;  
My soul followeth hard after Thee,  
Thy right hand upholdeth me.

There appeared a great wonder  
in Heaven,  
A woman clothed with the sun  
Standing on the moon,  
And upon her head a crown of  
twelve stars,  
And before her stood a dragon;  
But when the enemy  
comes in like a flood

My God will always lift a standard,  
For no weapon formed against me  
shall ever prosper,  
And every tongue that rises  
I will condemn forever.

**IT'S ME, IT'S ME** **C**

I am waiting for that moment,  
I am waiting for that day,  
I am waiting for the fullness  
To burst this flesh away,

**CHORUS**

Before me lay  
The mirror of the word,  
One time it showed a dark  
reflection,  
It drew me closer from face to  
face,  
It's me, It's me, that's the revelation

Lord You made to me a promise  
That You'll live Your life in me;  
Tho the vision seems to tarry,  
Lord I'll wait till it manifests in me.

It's for me, the great outpouring  
Before the rapture of the bride;  
It's been worked in a small  
measure,  
It will take me to the sky.

744

**FAITH IS THE VICTORY** **C**

Faith is the victory,  
Faith is the victory,  
Oh glorious victory  
That overcomes the world.

745

**SMILE AWHILE** **F**

Smile awhile and give your face  
a rest,  
Raise your hand to the one you  
love the best,  
Then turn around to the one next to  
you and greet them with a smile.

\*\*\*\*

**IN DEATH THERE'S VICTORY** **D**

Up the hill with the load,  
Jesus walked up Calvary's road.  
No man took His life from Him,  
For you and me He willingly gave.  
In His mind, He held a vision,  
It was of the resurrection,  
Truly He paid death's price;  
Our victory's complete  
In the perfect sacrifice.

**CHORUS**

In death, in death,  
In death, there's victory.  
Self sacrifice means freedom,  
And this is the way for me.  
For the joy set before,  
There's a cross to endure.  
For real life, this I see,  
That in death there's victory.

Abraham held the promise,  
'In Isaac shall thy seed be called.'  
He died to his own thinking,  
When God told him sacrifice his boy.  
Obedient unto death he was faithful,  
Knowing resurrection was in the  
end.  
This he said: "The lad and I, we'll  
go worship,  
And come to you again."

By faith Jocebed placed Moses  
In the mouth of death on the river  
Nile,  
Pharaoh's daughter, finding him,  
To the house of death she took the  
child,  
There he lived with those who  
sought his life,  
And to the desert he had to flee,  
Where he died to his own thinking,  
To lead Israel to their victory.

Tell me now, Bride of Christ,  
We're not different, we must pay  
the price,  
As we lift up our cross,  
Though we suffer and our lives are  
lost;  
Yet we must die to ourselves and  
sin,  
Truly become a burnt-offering,  
But it's sure in the end,  
That we will rise again.

**LET THE DOVE LEAD** **F****CHORUS**

There's a Message coming forth,  
Father, I pray, You'll let the Dove  
lead;  
As we listen now to the message  
of the Lord  
Father, I pray, Your way we'll follow.

Here I stand in need of You this  
day and this hour,  
How can I, how can I go on Lord if  
You don't go before?  
Here I am in this wilderness on my  
own,  
I'm depending on Your Message  
Lord, alone to take me home.

As the prophet stood that day  
being out on his own,  
Realizing that he could not find his  
way alone,  
He had to give up even though he  
tried  
To get out of the wilderness, he  
depended on the Guide.

Lead us on Lord, as we go through  
this trail;  
To reveal Your Word Lord, You  
have not failed;  
All those Messages You brought  
all along:  
'The Real Gift Of God,'  
'Burnt Offering,'  
'On The Wings Of A Snow White  
Dove,'  
Revealed 'Supernova,'  
Told us 'Consecrate,'  
'Baptism Of Fire On The Eighth  
Day,'  
'The Seals and Trumpets,'  
'Capstone Message Of Grace'  
And The 'Inside Life With Christ,'  
'Being Borne Away On Eagle's  
wings,'  
'Restoration Revealed In The Four  
Stages,'  
'The Greatest Battle,'  
'The Vials' and  
'Deliverance Is At Hand,'  
'Still Tied To My Absolute,'  
'My Compass and My North Star,'  
'Making Ready For a Paradox,'  
'Be Not Afraid, Only Believe.'

**UNDEFILED** **G**

It's a world of compromise,  
Standards have lowered, making  
lives  
So devalued till all moral codes are  
lost,  
But in the midst of all the sin  
We have virtues that's within  
God wants displayed, no matter  
what the cost.

**CHORUS**

Undefiled - real pure lives,  
Walking holy and upright;  
Keep that flag flying high  
By living clean and undefiled.

And when we walk down the street,  
All the people that we meet  
Will see we can't be sold out cheap,  
We're worth much more;  
When the temptation's drawing  
near  
Let's turn and run from the evil  
snare,  
For our bodies are the temple of  
the Lord.

**BRIDGE**

Seem like our specie's fast  
becoming extinct,  
Survival in earth's atmosphere  
gets harder everyday,  
But the same God who saved our  
souls  
Is more than able to keep us whole,  
And present us before Christ  
undefiled.

**SATAN IS DEFEATED** **C**

Satan is defeated,  
Praise the Lord, Hallelujah.

Prison doors are open,  
Praise the Lord, Hallelujah.

Chains and shackles broken,  
Praise the Lord, Hallelujah.

Praise the Lord, we are free,  
We have been delivered.

**JESUS IS ALL I HAVE** **D**

From a world, a world of sin and  
shame,  
Jesus brought me out  
And into the light I came;  
Showed me truth so I'll not be  
deceived,  
His word I believe,  
Now I live to lift His name.

**CHORUS**

For Jesus is all,  
He's all that I have to live for,  
And even though His way seem  
hard sometimes  
The end's eternal life,  
So I live for Jesus Christ,  
So I live for Jesus Christ.

I hold close the opportunity  
That's been given me  
To serve the Lord in my day;  
Tell me what could be a greater  
privilege than to serve God in this  
age,  
To walk in His provided way.

We can't live in a world of fantasy,  
Of worldly thoughts and dreams,  
They will fade away so fast;  
But this truth, this word that sets  
us free, is the only reality,  
It is the only thing that always shall  
last.

707

\*\*\*\*

**MY GOD DELIVERED ME** **D**

My God, my God, delivered me,  
Lifted my burden, set me free,  
That's the reason why I sing,  
Praises to the coming King.

708

\*\*\*\*

**JESUS BE THE RULER** **D**

Jesus be the ruler of my life,  
Let me be what you want me to be;  
Jesus be the ruler of my life  
So I can be a reflection of you.

**BE THOU STRONG** **D**

The battle is almost over,  
The victory is almost won;  
The Captain of hosts is here to  
lead the way, and these are the  
words we hear Him say.

**CHORUS**

Be thou strong and be thou  
courageous,  
Be not afraid of the enemy around,  
For I'm the One that will fight for  
you;  
Be thou strong and be thou  
courageous,  
For the victory is yours to be won.

Be strong in the Lord and the  
power of His might,  
Believe His word and don't doubt;  
For by His word you shall  
conquer your enemy,  
And by His word you have  
victory.

There is no enemy that could  
stand before you,  
As long as I am with you;  
Be not afraid nor be dismayed,  
For I will not fail nor forsake you.

**BRIDGE**

For every place that the sole of  
your feet shall tread upon,  
That have I given in your hand,  
in your hand.

738

**JESUS ON THE INSIDE** **C**

Jesus on the inside, working on  
the outside,  
Oh, what a change in my life!  
Jesus on the inside, working on  
the outside,  
Oh, what a change in my life!  
Jesus on the inside, working on  
the outside,  
Oh, what a change in my life!  
Oh, what a change in my life!

739

**IN TIMES LIKE THESE** **F**

In times like these you need a  
saviour,  
In times like these you need an  
anchor,  
Be very sure, be very sure,  
Your anchor holds and grips the  
solid rock.

**CHORUS**

This rock is Jesus, yes, He's the  
One,  
This rock is Jesus, the only One;  
Be very sure, be very sure,  
Your anchor holds and grips the  
solid rock.

In times like these you need the  
Bible,  
In times like these, O, be not idle;  
Be very sure, be very sure,  
Your anchor holds and grips the  
solid rock.

In times like these I have a Saviour,  
In times like these I have an anchor;  
I'm very sure, I'm very sure,  
My anchor holds and grips the solid  
rock.

740

**I CAN BE GLAD** **F**

I can be glad for my hope is in  
the Lord,  
For He gives me confidence that  
the world does not know;  
He's the Lord of all creation and  
whatever the situation  
I'm glad, for my hope's in the Lord.

741

**I'M GOING THROUGH** **F**

I'm going through, yes, I'm going  
through,  
I'll pay the price whatever others  
do,  
I'll take the way of the Lord's  
despised few,  
I'm going through, Jesus, I'm  
going through.

**WASTED OPPORTUNITIES** **F**

To think that men lived in a day  
When the word of God was made  
flesh and dwelt on the earth;  
But when the promise of the Holy  
Ghost was given,  
Only a few were prepared to  
receive it in their souls;  
There were others, a great multitude,  
But the precious seed that was  
sown, from their hearts Satan stole.

**CHORUS**

There are so many wasted  
opportunities,  
Life has a way to get you relaxed  
and set you on your ease;  
There are so many wasted  
opportunities,  
People going after temporary needs  
which are only lying vanities.

History always repeats itself, this  
we all know,  
For as it was, so shall it be,  
The Bible tells us so.  
The greatest event started with a  
shout,  
But the veil was upon the hearts  
of many so they could not rejoice;  
For the form of flesh God took to  
reveal Deity many could not receive,  
So they stumbled at simplicity.

There was promised a second  
ride to catch away God's bride,  
We were told to learn our A,B,C's,  
And live humble and right in  
God's sight;  
But as was promised the Lord  
did come as a thief in the night,  
But only who have ears to hear  
and eyes to see saw Him en  
morphe.

**OUR GOD IS AWESOME** **Em**

Our God is an awesome God,  
He reigns from heaven above  
With wisdom, power and love,  
Our God is an a  
wesome God.

**EL SHADDAI** **C**

In the Bible long ago there's a  
story that we all should know,  
Of Abraham, Sarah, Ishmael and  
Hagar,  
And the promise God gave by  
word to Abraham which he had  
heard;  
But tried to bring it forth in his  
own way.

**BRIDGE**

But, oh Breasted, One we nurse  
from you,  
You are the One to see us through;  
No more would we walk in our  
own way,  
So we lift our hands and give you  
praise.

**CHORUS**

El Shaddai, El Shaddai, }  
All that's left for me now is }  
just to nurse from You. }2x

By taking heed to what his wife  
did say,  
What a mistake he did make, the  
path of reasoning he did take;  
Produced a wild man till this day,  
Contrary to God's great plan of  
redemption He has made  
towards man.

**MONOLOGUE**

*For then one day the Lord did  
come and changed his name  
from Abram to Abraham.  
He revealed the breast to him,  
To give him strength to walk  
again,  
When He said " I am the  
Almighty; walk before Me and  
be thou perfect, and I'll give  
you strength, (which is His  
Dunamis)  
To overcome the tempest."*

**BEHOLD THE THIRD WOE** **D**

The Kings of the earth and their  
armies  
Are gathered in the valley of  
Meggido,  
Where the grapes of God's wrath  
would be trampled,  
The vats of blood will overflow;  
So be not partakers my brothers  
In Beltshazzar's drunken feast,  
For his subjects are all deformed  
Into the image of the Beast;  
But stand like Daniel with your  
garments undefiled,  
Knowing that Christ in you must be  
glorified.

**CHORUS**

For behold the third woe cometh  
quickly,  
It's an urgent cry,  
Apply the token or die.  
For behold the third woe cometh  
quickly,  
It's an urgent cry,  
Apply the token or die.

Ecological crisis is filling men's  
heart with fear,  
With the ozone layer being destroyed,  
Divers earthquakes are everywhere;  
But isn't it written in the scripture  
The Heaven shall depart like a scroll  
Thus saith the Lord  
It's exactly what the prophets foretold;  
But stand like Micaiah, stay with  
the seventh seal vision  
You just say what Elijah already  
did say.

Now demons in the atmosphere  
Are pressing their way into the  
hearts of men  
Who are marked by God for their  
iniquity  
In rejecting the prophet whom God  
has sent.

The slaughtering angels are ready  
To slay the young and the old,  
So watch the cares of this life,  
Remember Lot's wife  
Who for vanity lost her soul;  
Stand like Rahab with your token  
on display,  
For the destroying Angels are  
already on their way.

But stand like Daniel with your  
garments undefiled;  
Stand like Micaiah, stay with the  
seventh seal vision;  
Stand like Rahab with your token  
on display;  
For the destroying Angels are  
already on their way.

**MARANATHA** **F**

Men's heart are failing for fear,  
Divers earthquakes everywhere,  
It's a sign my friend, we are living  
in the end time.  
The generation that sees the  
budding of the fig tree  
Shall be the last one in the end  
time.

**CHORUS**

Maranatha, even now, come Lord  
Jesus  
And take your waiting bride away,  
for we living in the end time;  
Take your waiting bride away for we  
are living in the end time.

The scientists call the signs UFOs,  
But they simply do not know  
They are investigation angels  
coming down in the end time;  
Modern events that you and I see  
Are made clear by vindicated  
prophecy,  
It's a sign, my friend, that we are  
living in the end time.

A true prophet this generation has  
denied,  
But His message was received by  
God's little bride,  
Hear His voice my friend,  
We are living in the end time;  
One like unto to the Son of Man in  
a cloud showed His final sign,  
Hear His voice, my friend, we are  
living in the end time.

The Spirit and the bride say come,  
For the day of mercy is almost done,  
Hear His voice, my friend, we are  
living in the end time;  
He that is filthy will be filthy still,  
So, my friend, be surrendered unto  
God's will,  
Hear His voice, my friend,  
We are living in the end time.

**LOOK AWAY TO JESUS** **G**

Born to be a supersign in this great  
and final age,  
When the whole world is falling  
apart again,  
The prudent minds search for  
solutions,  
Which we know they cannot find,  
We know the answers lie  
Beyond this dimension of time.

**CHORUS**

I'm looking away to Jesus,  
He's the only way, sweet Jesus,  
I'm looking away,  
I'm looking away to Him.

Born to live in a super sense,  
Far beyond what man can perceive.  
The Word of God is what our  
hearts would only believe;  
Looking to the unseen,  
We see a brighter and better world,  
So on the promises of God,  
Is what we'd anchor our souls.

Born to overcome this wicked world  
That Satan has deceived,  
The promises of God is what we'd  
only believe;  
His Word has power to transform  
By the renewing of your mind;  
To see the judgements of God,  
We're at the end of time.

Born to be a super race,  
Abraham's royal seed.  
Upon the bread of life is what we'd  
always feed;  
Looking for a city whose maker  
and builder is God,  
We know that soon we'll reign  
With Jesus Christ our Lord.

**712**  
**WHAT A BLESSING** **C**

Oh, what a blessing to be saved,  
Oh, what a blessing that the Lord  
has gave,  
When I'm weak He makes me  
strong;  
Let me know that I'm not alone;  
Oh, what a blessing to be saved.

\*\*\*\*  
**713**  
**CAN'T YOU HEAR** **C**

A new day has dawned  
And I know not what it brings,  
But somehow I feel I'm almost  
home;  
Not turning back to yesterday  
But pressing towards my calling in  
Christ,  
I can hear, yes I can hear my  
theophany calling me.

**CHORUS**

And can't you hear your theophany  
calling you?  
It's a sign, it's almost home time,  
And I'm just waiting for my  
promised body change,  
For soon I know, we'll be with Him  
on high.

The whole earth is groaning and  
travailing in pain,  
But we as the bride have been  
glorified in Him;  
And saints, even though we may  
suffer,  
Stand and gird your loins,  
For your perfection it draweth near.

**CHORUS**

**BRIDGE**

My God knows overtime is drawing  
near,  
And very soon the dead in Christ  
shall rise again;  
There'll be no more sickness,  
No more crying over there,  
But for now, Christian Soldier,  
Just keep on pressing.

**714**  
**I'M NEARER HOME** **F**

I'm nearer home than I was  
yesterday,  
I'll walk with my Lord all along the  
way,  
Each step I take, each prayer I pray,  
I'm nearer home than I was  
yesterday.

**730**  
**WHO WILL STAND** **F**

Great is the calling of our day  
For reapers to work for the Lord,  
The harvest is ripe but the  
labourers are few,  
And the Lord is calling on you;  
Let's trim our lamps, be on fire  
for our Lord  
For there's much work to be done,  
The kingdom of God is at hand  
And I will glorify my Lord.

**CHORUS**

Who will stand for the Lord?}2x  
My lamp needs trimming my  
bowl has need of oil;  
Who will stand for the Lord?

Your servant Lord, Nehemiah,  
He laboured to rebuild the wall,  
Sanbalat and Tobiah are trying  
to hinder Your cause,  
Hear the prays of the saints, oh  
God,  
To see the Lord's true worship  
restored;  
The hornets have gone before us,  
And the gospel must be preached.

Surely the land we've trodden  
under-foot  
Will be our inheritance,  
Be not afraid of giants no, no, no,  
When we serve the Living God;  
So who's this uncircumcised  
philistine from whom should such  
a man as I flee?  
Just as my strength was then, So  
now is my strength for war.

**731**  
**HEAVEN CAME DOWN** **D**

Heaven came down and glory  
filled my soul  
When on the cross Jesus made  
me whole;  
My sins were washed away and  
my night turned today,  
Heaven came down and glory  
filled my soul.

**732**  
**FEELING AT HOME** **C**

Feeling at home in the presence  
of Jesus,  
Hearing Him call me His own,  
I'm feeling at home.}2x  
Putting my feet right under His  
table,  
Knowing I'm never alone,  
I'm feeling at home,  
I'm feeling at home.

**CHORUS**

You could not have told me,  
That I'll find what I've found,  
Contentment and peace from  
above;  
Feeling at home in the presence  
of Jesus,  
Laying way back in His love.

Warming myself by the fire of His  
Spirit,  
Camping right close to His throne,  
I'm feeling at home.}2x  
Feeling accepted and loved and  
forgiven,  
I'm part of this warm family,  
I'm feeling at home,  
I'm feeling at home.

**733**  
**LORD I LIFT YOUR NAME** **C**

Lord I lift Your name on high,  
Lord I love to sing Your praises;  
I'm so glad You're in my life,  
I'm so glad You came to save me.

**CHORUS**

You came from heaven to earth  
to show the way;  
From the earth to the cross, His  
debt to pay,  
From the cross to the grave,  
From the grave to the sky;  
Lord I lift Your name on high.

**JESUS GOT A HOLD OF ME C**

Don't you cry  
 God's got a hold of me  
 I'm in His arms,  
 There's no better place to be  
 And from up here  
 Your tears I can clearly see  
 But I'm in His arms safe from all  
 harm  
 Jesus got a hold of me

Down there folks may not  
 understand  
 How I left this world  
 How this could be God's plan  
 But from up here  
 I understand his perfect will  
 For I'm in His arms  
 Safe from all harm  
 Jesus got a hold of me

Don't you worry Daddy  
 He'll never let me go  
 Don't you worry mommy  
 In time you'll come to know  
 Don't you worry saints  
 Someday soon you'll see  
 That I'm in His arms  
 Safe from all harm  
 Jesus Got a hold of me

So don't you worry  
 Smile when you think of me  
 Don't you worry  
 Jesus paid the price for me  
 Don't you worry  
 I'm In my theophany  
 I'm in His arms  
 Safe from all harm  
 Jesus got a hold of me

So take courage  
 Don't you fuss or cry for me  
 Said I'll meet you there  
 Over on the other side  
 Right now were separated  
 But only for a little while  
 I'm in His arms  
 Safe from all harm  
 Jesus got a hold of me

I'm in His arms safe from all harm  
 Jesus got a hold of me

**HOW MANY TIMES F**

How many times have I wounded  
 His heart,  
 How many times have I disobeyed;  
 How many times have I fallen,  
 How many times have I fallen,  
 have I failed.

How many times has Jesus lifted  
 me up,  
 How many times has He my  
 burden borne,  
 How many times has He forgiven all  
 my sins and when I reach those  
 pearly gates,  
 When I reach those pearly gates,  
 When I reach those pearly gates,  
 When I reach those pearly gates,  
 When I reach those pearly gates  
 He'll let me in.

**HALLELUJAH F**

I took Your love as a desperate  
 measure,  
 Seeking shelter from a lost and  
 lonely world;  
 You gave Your love  
 Beyond great measure,  
 That I may know Lord,  
 The way, the truth, the life.

**CHORUS**

Hallelujah! Praise the Saviour,  
 Christ has come to show us the  
 way;  
 Hallelujah! Praise the Saviour,  
 Christ has come to show us the  
 way.

I give You praise, I give You glory,  
 I lift You up Lord, for all the world  
 to see.  
 I am not alone  
 Now that You've found me,  
 Because of You Lord, my life is  
 now complete.

**CHANGING ROBES G**

Have faith don't worry now,  
 Everything is gonna be all right,  
 This mortal shall put on  
 immortality;  
 We'll no longer be earth-bound,  
 But we'll be heaven-bound,  
 We'll slip from time into eternity.  
 That's why....

**CHORUS**

I'm laying aside the old man, }  
 Putting on the new man, }  
 I'm changing robes }  
 For another dimension. }2x

I'm making all my wrongs right,  
 Got to have my lamp trimmed  
 And my fire burning bright;  
 You see I don't want no trouble  
 Down by the river,  
 I want to be ready to cross on  
 over.

I've heard the Bridegroom call,  
 And I've received my invitation;  
 This robe is so snowy white,  
 It fits me just right  
 Because it was furnished by the  
 Bridegroom;  
 Now there's set before me  
 An open door to the wedding  
 supper.

**BRIDGE**

The Shout was heard,  
 We're in the Voice now;  
 And very soon  
 The Trumpet shall sound!

Now I'm ascending into a higher  
 order,  
 Far above all principalities and  
 powers;  
 Far above corruption into  
 incorruption,  
 Far above mortal into immortality.

**JESUS IS ALIVE Ab**

Jesus is alive, Jesus is alive,  
 Sin and death must go,  
 They are conquered foe,  
 For Jesus is alive.

**ALL HAIL JESUS' NAME F**

All hail the power of Jesus' name!  
 Let angels prostrate fall;  
 Bring forth the royal diadem,  
 And crown Him Lord of all;  
 Bring forth the royal diadem,  
 And crown Him Lord of all.

Ye chosen seed of Israel's race,  
 Ye ransomed from the fall;  
 Hail Him who saves you by His  
 grace,  
 And crown Him Lord of all;  
 Hail Him who saves you by His  
 grace,  
 And crown Him Lord of all.

Sinners, whose love can ne'er forget  
 The wormwood and the gall,  
 Go, spread your trophies at His feet,  
 And crown Him Lord of all;  
 Go, spread your trophies at His feet,  
 And crown Him Lord of all.

Let every kindred, every tribe,  
 On this terrestrial ball,  
 To Him all majesty ascribe,  
 And crown Him Lord of all.  
 To Him all majesty ascribe,  
 And crown Him Lord of all.

O that with yonder sacred throng  
 We at His feet may fall;  
 We'll join the everlasting song,  
 And crown Him Lord of all;  
 We'll join the everlasting song,  
 And crown Him Lord of all.

**ALL HAIL KING JESUS C**

All hail King Jesus; all hail  
 Immanuel!  
 King of Kings, Lord of Lords,  
 Bright Morning Star,  
 And throughout eternity,  
 I'm going to praise Him,  
 And forevermore, I will reign with  
 Him.

**PRAISE HIM** **D**

If any man be in Christ  
Then he has become a new  
creation,  
Old things are passed away,  
Behold everything has become  
new in Him;  
God no longer knows the things  
that brought you to this place  
before you came here,  
He only sees you holy now,  
faultless and blameless as you're  
standing there.

**CHORUS**

Praise Him, lift your hands and  
praise Him,  
Praise Him,  
Praise the Name of Jesus,  
Praise Him.

Through the blood of Jesus,  
His righteousness is like a robe  
upon you,  
His clothing, His covering,  
His garment of praise will now  
adorn you;  
We'll live and reign forever  
As Kings and Priest and sons  
He'll call His own;  
His blood is flowing in you now,  
Royalty has finally found a home  
in you.

**I'M GOING UP** **G**

I'm going up, I'm going up,  
I'm going up in the first  
resurrection;  
I'm going up, I'm going up,  
I'm going up to meet my Lord.

They'll be coming from the east,  
Coming from the west, coming  
from the north, coming from the  
south  
I'm going up, I'm going up,  
I'm going up to meet my Lord.

**HE DIDN'T HAVE TO DO IT** **F**

He didn't have to do it but He did  
He didn't have to do it but He  
did, yeah.  
He woke me up this morning and  
started me on my way,  
He didn't have to do it but He did.

He didn't have to save me, thank  
God He did,  
He didn't have to save me but  
He did, yeah.  
He woke me up this morning and  
started me on my way,  
He didn't have to save me but  
He did.

He didn't have to wake me, but  
He did,  
He didn't have to wake me I'm  
glad He did  
Don't you know He shook me  
until He woke and started me on  
my way,  
He didn't have to do it but He did.

The Lord has been so good to me,  
I can say the Lord has been so  
good to me, yeah.  
Don't you know He woke me up  
this morning and started me on  
my way,  
He didn't have to do it, but He did.

**HE'S THE LILY OF THE VALLEY** **F**

He's the lily of the valley,  
He's the bright and morning star;  
He's the fairest of ten thousand,  
Everybody ought to know.

Everybody ought to know,  
(Some people don't know)  
Everybody ought to know,  
(Some people don't know)  
Everybody ought to know,  
(Some people don't know)  
Who Jesus is.

**IT WAS A GREAT THING** **G**

The Lord has brought me  
Through all my trials, and when I  
failed Him  
He didn't cast me away;  
He stood right by me throughout  
my troubles,  
And when I was lost He didn't let  
me go astray.

He took my sins, He saved my  
soul;  
He filled me up and made me  
whole;  
Jesus died on Calvary so the  
whole wide world could see  
It was a great thing that He did  
for me.

**CHORUS**

It was a great thing that He did  
for me,  
It was a great thing when He set  
me free;  
Jesus died on Calvary so the  
whole wide world could see,  
It was a great thing that He did  
for me.

He's been my doctor,  
He's been my lawyer,  
He's never left me, He's been my  
friend;  
He's been my comforter when I  
was lonely,  
And when I was lost Jesus took  
me in.

He took my sins, He saved my soul;  
He filled me up and made me  
whole;  
Jesus died on Calvary so the  
whole wide world could see,  
It was a great thing that He did  
for me.

**I BELIEVE GOD** **G**

I believe God, I believe God!  
It shall be done even as He said;  
Trust and obey, look up and say,  
I believe, I believe God.

**JUSTIFIED** **D**

I was sitting alone and wondering  
About what I'm supposed to do,  
I can't deny the times I've made  
mistakes,  
I can't hide from Him, He knew;  
But I knew that deep within my  
soul  
I felt sorry, honest I do,  
So I just cried and said, "Forgive  
me Lord,  
Forgive me again, will you."

So often I'm discouraged  
When I count the times I fall,  
'Cause he promised I'd be  
victorious  
When I know I'm not at all;  
Then I heard an eagle scream,  
Its voice quickened my soul,  
He said, "you've not done it in the  
first place, you're justified."

**CHORUS**

Justified, Justified,  
You have not done it in the first  
place, you're justified;  
Justified, justified,  
You have not done it in the first  
place, you're justified.

He looked at your perfect picture  
without blame, spot or wrinkle,  
He didn't look at you from where  
you are now,  
He looked from eternity,  
He said you're just trapped in  
that body,  
You bypassed your theophany;  
You have not done it in the first  
place, you're justified.

**JESUS IS A ROCK** **C**

Jesus is a Rock in a weary land,  
A weary land, a weary land;  
Oh, Jesus is a Rock in a weary  
land,  
A shelter in the time of storm.
